

Her Bossy Yet Naive CEO Chapter 180 - 191

Chapter 180

Hearing Jasmine Tong's name, Rameen Tong's face was ashen.

"She's not even dead yet."

Rameen Tong angrily clenched her teeth together.

"Rameen, what are you talking about ah Jasmine Tong well, how could she die"

It's not like Rochen knew about the things Rameen Tong did.

Rameen Tong turned her head to the side.

"Nothing, just upset with her."

Rameen Tong's body shook violently from anger, and she clenched her fists, her veins bulging.

I can't believe she's not dead.

I can't believe she's still alive.

What's worse is that she's unharmed, otherwise why would she still be filming?

Jasmine Tong, why are you always against me? Why do you have to rob me for everything?

You stole her man, and now you're stealing her woman.

"Rameen, you don't feel too sad, this Yan Ke is a dead brain, put 80 million of the investment don't I went to talk to the company later, to withdraw this 80 million back Also, the role of things, it's not just him a famous director, I'll give you contact."

"Yes, Minister, please."

Roshen left after comforting Rameen Tong with two sentences.

As soon as he left, Rameen Tong made a phone call.

“I want an explanation of how Jasmine Tong not only didn’t die, but was unharmed how you do things take money and don’t do anything, that’s the rules of the Shisha camp.”

The other side was also confused.

“I’ll tell you what, be careful what I sue you for, but you’re taking my money.”

“Haha, Miss Tong, then you can go ahead and sue.”The other side just hung up.

Rameen Tong continued to call, and the other party stopped answering.

This kind of thing, there is no way to reason, is itself illegal, Rameen Tong naturally is also mute, there is a bitterness and hard to say.

The company is still very easy to get along with, after all, he is a gold medal agent, and now with Rameen Tong, in the new international art and culture naturally speak, even the various departments of the senior management can not help but give him a few points of face.

Yixin International immediately withdrew its \$80 million investment after hearing Rochen’s words.

It’s just that ESI will end up regretting it to the bone.

After all, Yan Ke is eccentric and has offended many investors, so it would be difficult for him to attract investment.

However, after this side announced its withdrawal, Yanke’s side didn’t even move at all.

Yan Ke is the director who dislikes being kidnapped by capital the most, and the sound of blossoming flowers was made by his own money, so the 2.6 billion box office also made him a lot of money, and pitching a new movie, his own money is basically just about enough.

In addition, the sound of the blossoming of the box office is so high, Yan Ke is not the same as it was in the past, want to give him investment in many people, it also depends on his face, to accept this investment or not.

It was only after we asked around that we found out that when Eason International withdrew its investment, Yan Ke announced that Jasmine Tong was the first female actress, and Star International immediately invested \$80 million.

He's got the wrong plan this time.

"I don't believe he can still sell every single movie. The higher he stands, the worse he falls, let the Star King's money drift away."

Rochen said with righteous indignation.

In fact, it's in line with the law in the film industry that generally, a director who makes a movie that's a big hit will almost never make another movie in a short period of time.

Because this movie is a big hit, the audience's expectations for the next movie will be high, which will lead to the next movie even if it is made at the same level as this movie, the audience will find it tasteless, and if it doesn't meet the audience's expectations, then their own sign is considered smashed.

The average director will naturally settle down for a while and have a better script before moving on.

But Yim Ke is the opposite, announcing the start of his next film so soon, and everyone thinks he must be crazy for wanting to make money.

Rochen would just sit back and watch their jokes.

July flowers

The Albert Ou in the private room was pale, with a pair of glazed blue eyes that were dark and unfathomable.

He sat on the couch, shaking the tall glass in his hand.

John Quan felt the oppressive atmosphere in this private room as soon as he entered it.

Taking another look at that lord, he quickly put away his playful grin, coughed, and sat on Albert Ou's side.

"What's up? Had a fight with Mandy?"

“No.” Albert Ou’s lips were thin, and the word came out of his mouth.

John scratched his head. Do we have to squeeze one question at a time like toothpaste?

“Dude, what the hell is wrong with you like this, I’m scared.”

This baby’s little heart.

“Mann still wants to have a baby, she’s more desperate to have a baby now than ever.”

Albert Ou’s voice was dark and husky, like it came from hell.

John Quan shook his head.

“What did I say, it was inevitable, again you suspected that she hadn’t been pregnant, had her checked out, and used the fear of problems with the baby she gave birth to as a reason for birth control, she must have thought you wanted to have a baby now too, her desire to have a baby was certainly stronger”

It’s a given.

Albert Ou didn’t make a sound.

“If you’re going to do what I say, just hurry up and break it off before you’re fully in and Mandy’s feelings for you aren’t that deep, long term pain.”

“Well.”

Hearing this “hmm”, John Quan was suddenly dumbfounded

Actually, he was just saying that casually, he knew that Albert Ou was a stubborn person who wouldn’t break it off easily, and besides, he had a hard time falling in love with someone.

“You, you, you really have decided.”

“It’s decided.” Albert Ou said slowly.

“Divorce Mandy.”

“Yes, but, not now.”

“That’s certainly not going to be a divorce all at once, and Manny won’t be able to accept it, it’s going to have to be slow.”

Albert Ou didn’t say anything, his feelings were very complicated, knowing how hard it was for him to make this decision

If they’re just an open couple, that’s fine.

But he fell in love with her.

Jasmine Tong was such a nice girl again, and had suffered since childhood, he really didn’t want Jasmine Tong to endure such torment.

Moreover, if one day Jasmine Tong knew his identity, the consequences would be even worse.

Or not.

The countdown has begun for Jasmine Tong’s entry into the cast and in two days’ time, she will be following the crew to shoot a new movie.

When she was about to prepare dinner in the afternoon, she still sent a message to Albert Ou.

“What would you like to eat tonight?”

All this time, she’s been running the kitchen at home.

It was a long time before Albert Ou’s message came back.

“Something’s come up tonight, so I’m not going back to eat.”

Jasmine Tong was somewhat disappointed when she saw the words on the screen.

“Not coming back for dinner again.”

It’s been three days, and Albert Ou hasn’t come back for dinner, and he comes back late at night.

Are you that busy?

Chapter 181

For five days in a row, Albert Ou didn't come back for dinner, and even two days for sleep.

Jasmine Tong asks if he's busy, but Albert Ou just says yes.

But Jasmine Tong distinctly smelled alcohol and perfume on him.

Jasmine Tong knew in her heart that a man like Albert Ou would never miss out on socializing, and it was normal to drink alcohol on socializing, and it was even more normal to get caught in the perfume.

So, she didn't think much of it.

I'm going to be filming with the crew tomorrow.

"I'm going to be filming with the crew tomorrow, so let's cook something delicious for dinner tonight."

After a long, long interval, Jasmine Tong did not receive a reply from Albert Ou.

Aunt Fanny came over.

"Ma'am, will you cook tonight or will I cook?"

"Oh that,"

As she was saying, Jasmine Tong's phone rang and she immediately picked it up to look at it.

"Not going back to eat, I have an appointment tonight."

Jasmine Tong sighed silently.

"Aunt Fanny, do whatever you want, there's no appetite."

"Yes, ma'am."

Aunt Fang could see that Jasmine Tong didn't seem too happy, coming back from the hospital, Albert Ou came back very early every night, especially after Jasmine Tong started cooking, the two of them were very much in love, but in

the past few days, Albert Ou not only didn't come back for dinner, but also came back very late at night, and there were even times when he didn't come home at night.

"Ma'am, sir he's very busy, he used to be like that when I was serving over at the Crystal Garden, he would just stay in a hotel or simply sleep in the office when he was busy, I guess he had a backlog of work to take care of his wife some time ago."

"Well."

Jasmine Tong smiled towards Aunt Fang, a while ago he probably didn't delay much in order to take care of himself, so it was understandable that he was busy now.

"Ma'am, no need to take it personally."

"I know, Aunt Fanny."

However, Albert Ou never came back.

She's already told him that she's going to be on the set tomorrow, so why hasn't he come back?

In the evening, Tong sent him a few more messages asking when he would be home, and the messages were stone-cold.

She even called him, but he didn't answer.

In a fit of anger, Jasmine Tong went straight to sleep.

I woke up the next day to find not even a single crease on the side of the bed.

He didn't come back at night.

Jasmine Tong only felt sore in her heart, even if she is busy, she is leaving tomorrow, is it that hard to go home?

She sighed silently and took her luggage and left straight away.

Director Yan Ke's new film Romantic Journey held its inauguration ceremony in Slivestopol and filming began thereafter.

The film is about a man who has never stolen anything before, and who loves martial arts novels.

Shen Man, on the other hand, is a girl from the countryside who wants to learn some skills in the metropolis, and coincidentally meets Bian Long, who is particularly good at blowing, and is suddenly distracted by him.

Bian Long decides to take Shen Man on a journey into the world, but ends up getting involved with an antique theft, which leads to a ridiculous story.

The first thing you need to do is to get a good idea of what you're looking for and what you're looking for.

Due to scheduling issues, Xing Chaoyang has not yet entered the cast and is now shooting all of Jasmine Tong's personal scenes.

Since it's a story of a journey, there's no avoiding the problem of location selection, and with Yanke's tradition of choosing unique locations, there's even more location selection this time around for a story of a journey.

Jasmine Tong followed the crew directly to the countryside, more than a thousand kilometers away.

Here to film her story in the village.

The signal in the village is poor, and Jasmine Tong's phone has been in a state of no signal.

As Jasmine Tong's assistant and bodyguard, Lu Weiran naturally followed suit and lived in the village.

The village is limited and the crew are staying in the homes of the townspeople.

Jasmine Tong and Lu Wei Ran lived in the same house.

After closing for the evening, Jasmine Tong looked at her cell phone that had no signal.

"Willan, I'm going out for a while, so you can go to sleep."

"Manny, Ou has instructed me to follow you every inch of the way."

“It’s all right here, it’s all old folks, what danger can there be, you sleep.”

Lu Weiran has been following Jasmine Tong for these days, and has almost gotten a feel for her personality.

“Manny, you’re trying to call Ou,”

Jasmine Tong laughed awkwardly.

“Nothing to be embarrassed about, that stone mill over there in the village, the signal is a little better, probably closer to the cell tower.”

“Oh, well, thanks.”

Jasmine Tong went right out in her clothes and sat next to the stone mill.

The signal here really is a little stronger, because there is no signal, she can’t get online, and if someone sends her a message, naturally she can’t receive it either.

She opened WeChat, expecting Albert Ou to send her a message, but there was none.

“Maybe there’s a delay.”

Thinking this way, Jasmine Tong decided to wait, but after waiting for ten minutes, there was still none.

It used to be that Albert Ou always blamed her for not sending messages, but now, it was her who eyed Albert Ou to send messages.

She’s been gone for a week and he hasn’t even heard from her. Isn’t that strange?

Jasmine Tong still couldn’t resist calling Albert Ou.

When he got the call, Albert Ou was lying on the big bed in their bedroom, hugging the pillow that Jasmine Tong had slept on.

He missed her, the food she cooked, the way she smelled, everything about her.

He’d wanted to message her a million times, but he’d held back.

When he saw the phone call, Albert Ou's head was ready to answer it without thinking.

But then, as soon as my fingers were about to touch the phone, they suddenly stopped.

He can't take this call.

He had to hang up.

He was cruel and hung up the phone.

Jasmine Tong looked at the disconnected phone, a little confused.

Thinking it was a signal outage, just as she was about to call the phone back, Albert Ou's message came through.

"Busy."

One word and one word only.

Looking at that cold, icy word, Jasmine Tong's heart was even colder.

"Achoo,"

Now that it was cold, Jasmine Tong couldn't help but sneeze.

"You're busy then, it's cold, so make sure you add clothes and don't get too tired and rest."

After issuing these, Jasmine Tong ran back to her place of residence in a panic.

Entering the house with a chill, she didn't look good.

Lu Wei Ran had already laid down, and when he saw Jasmine Tong's expression, he knew that she must not have made this call well.

She pretended to be asleep and didn't talk to Jasmine Tong.

Jasmine Tong got into bed lightly and went to sleep as well.

These two don't know what's going on, and suddenly the relationship is stale.

Lu Wei Ran thought to herself that this might be a good opportunity for her.

Chapter 182

Tong has a small part in the village, but the virginal Yim Ko even brings out the spirit of virginity in this film.

The whole thing was filmed for half a month.

This place is so remote that Jasmine Tong even wondered how Yan Ke had found such a place.

The scenery is rustic, but the landscape is beautiful and pristine.

The next scene may have to be rolled over to other places, as it is not fully ready, and there is a separate scene shot on the actor's side, so Jasmine Tong can take a few days off.

It took half a month to shoot and a full day on the way back.

When she arrived home, Jasmine Tong sent a message to Albert Ou.

"I'm home, on the road now, taking a few days off."

The message was sent for a long time, but no reply from Albert Ou.

Ping An sends Jasmine Tong home, and Lu Wei Ran can rest.

Dark Empire Building underground parking.

When he received Jasmine Tong's tweets, Albert Ou was in the parking lot getting ready to drive away, and he was in a trance as he looked at the text on the screen.

She's back, his Mamman is back.

Right now, right now, at home.

If he wanted to, he could eat her cooking again tonight, fall asleep with her warm body in his arms again, and have a good time with her.

Suddenly, a car sped by.

“Ou, be careful.”

Lu Wei Ran roared and pounced right over, tackling Albert Ou to the side.

There was a shock.

Albert Ou raised his eyes to look at Lu Wei Ran.

Lu Wei Ran gave a smile.

“O, are you all right?”

In the meantime, Albert Ou said, “Why are you here?”

“I got my wife home safely, and she gave me the day off, so I thought I should come over and say hello to Ou, after all, Ou is my boss, and it’s equally my duty to protect Ou.”

Albert Ou snickered.

“The person you need to protect is Jasmine Tong, don’t forget your duty, besides, I don’t need your protection.”

There was no warmth in Albert Ou’s voice, so he opened the door and got into the car and sailed away.

Lu Wei Ran stood and punched his hand.

Why is this man so insensitive?

She had just clearly saved him, and instead of saying thank you to himself, he said such things.

What made Lu Weiran feel strange was, didn’t he and Jasmine Tong have a fight?

When Jasmine Tong was filming, sometimes it was inconvenient to bring her cell phone with her, so it was given to Lu Weiran for safekeeping.

Lu Weiran had secretly read her WeChat messages with Albert Ou and found that Albert Ou’s attitude towards Jasmine Tong was simply cold, thinking that Albert Ou must be very disgusted with Jasmine Tong now.

However, listening to what Albert Ou had just said, he seemed to be very concerned about Jasmine Tong's personal safety.

What is this all about?

Rainbow City

On the way back, Jasmine Tong brought local specialties to Auntie Fang and Lihua and gave them to them one by one.

Aunt Fang and Lihua were also happy to see Jasmine Tong back.

"Aunt Fanny, did Mr. Mister ever come back while I was gone?"

"Came back, but only so many times and not for the rest of the day" the straightforward pear immediately replied.

Aunt Fang saw that Jasmine Tong's face didn't look too good.

Hastily said, "Madam, you don't live at home, it's no fun for the gentleman to come back, he's probably living over there in the Crystal Garden, don't think about it."

Jasmine Tong grinned and didn't say anything.

How could she not think about it?

Ever since before she joined the crew, this man has been weird, not returning tweets, not coming home, not answering calls, what the hell is going on

Just as she was hesitating, Xu Xingru's call came in.

"Mandy, how was the trip?"

"Aigoo, Sister Xingru, you're quick to forget about it, you know how Yan Dao's personality is, but I'm being tossed to death." Jasmine Tong hastily complained.

Xu Xingru laughed on the other end of the phone.

"Even you are complaining, not to mention the other actors, by the way, I helped you take over a show, it's the Heart of a Thousand-Faced Woman, the

show invited you several times, but unfortunately you are busy, this time it's just in time for you to come back."

"Well, I'm idle anyway."

"It's being recorded tomorrow at 8:30, and you're with Qin Liyuan this issue."

"Oh, okay, I got it."

Jasmine Tong hung up the phone.

Every time she hears Qin Jianlian's name, Jasmine Tong naturally remembers Qin Jianlian's relationship with Albert Ou.

She would always be a little uncomfortable.

However, Qin turned out to be seemingly unsuspecting of her and has been helping her by retweeting her whenever she has a show coming up and helping her promote it.

When the sound of blossoming flowers was released, Qin Liyuan also posted several tweets in a row.

Qin turned around and made a big effort to promote her.

In the evening, Albert Ou still hadn't returned, or even replied to Jasmine Tong's message.

After dinner, Jasmine Tong remained in her bedroom, and she took a comfortable bath and went straight to bed.

Another message was sent to Albert Ou.

"Are you coming back tonight?"

Albert Ou replied to the message this time instead, perhaps worried that Jasmine Tong had been waiting to hear from him.

"Busy, not back."

Looking at the few words on the screen, Jasmine Tong's heart was bleak.

So busy that you don't have time to write more than a few words?

He can't be busy 24 hours a day, when he's not busy, is it that hard to send a message and make a phone call to himself?

Jasmine Tong's heart was so sore that she angrily tossed her phone aside and fell asleep with the covers over her head.

The next day, again, there was no word from Albert Ou.

In the afternoon, Jasmine Tong took a taxi directly to the TV station.

A Thousand Faces Women's Heart is a popular female-oriented show that invites different women in each episode, from actors to singers, from business elites to white-collar workers.

Most of them would invite different women to tell some of their stories and their insights into life and so on.

Similar to an interview show, the atmosphere is very relaxed.

In the dressing room, Jasmine Tong meets Qin Jianlian.

"Little Man, it's been a long time," when Qin turned up, he embraced Jasmine Tong.

There are quite a few staff members here, and we can all tell that these two are close.

"Yeah, it's been a long time since I've seen you, suddenly." Jasmine Tong also coped.

"Last time, Blossom box office was so high, I haven't had time to congratulate you, I heard that you're filming a Yan director's film can you have a hard time."

"Who says it isn't, then suddenly, sister, what have you been up to"

"I I've cut back on my work, I haven't taken any plays, I've recently given myself a vacation, I've been meeting up with friends every day, catching up with them, having a meal or something."

Hearing this, Jasmine Tong's heart thumped.

Dating a friend, Albert Ou should not be with Qin Jianlian lately.

Her Bossy Yet Naive CEO Chapter 183 - 185

Chapter 183

“Oh, so.”

“Yeah, I was early in my career, I always felt like a hard worker before, and this body is getting worse and worse, a 20-year-old face, a 40-year-old body.”

Qin suddenly shook his head and laughed, grabbing Jasmine Tong’s hand and patting it.

“Mandy, when I see you, I see the same year, we do actors in this line, eat badly, sleep badly, work and rest time is not regular, you now career in the ascendant, but must pay attention to the body, not desperate, understand?”

Jasmine Tong nodded.

“Oh, by the way, the last time we were filming Huma Huma World, it looked like you were having menstrual cramps, right?”

“Yeah, my period hasn’t been very accurate, it’s always been delayed backwards and the pain is worse.”

“I know the OB/GYN doctor at Z.Y Hospital, Dr. Zhong Yu Ling Zhong, she’s quite good at this, I’ll make an appointment for you later to check it out.”

Z.Y. Hospital, Chung Yu Ling

Hearing this person’s name, Jasmine Tong was even more stunned.

It seemed that the doctor who examined her last time was named Zhong, and she didn’t care at the time, just took a glance at that doctor’s work badge.

It turns out that Qin turned out to know it too.

Z.Y Hospital is one of the best hospitals in the country, even though it is a private hospital.

It's said that it's very difficult to get an appointment with a specialist at Z.Y. Hospital.

The fact that Qin turned out to be so easy to get an appointment with shows that she also enjoys privileges at Z.Y Hospital.

"Yeah, I'll get in touch with you in a while, I've been a bit busy."

"Fine, let me know when you have time and I'll make the appointment for you, it's always better to get early treatment for problems, it's always good to check."

Jasmine Tong nodded.

Where did she need to go to Zhong Yu Ling ah, she had already had a checkup at Zhong Yu Ling, but she could never tell.

Afterwards, the two of them chatted about some things about filming, and Qin turned around and told Jasmine Tong all about his experiences without reservation.

When faced with such an unexpected Qin, Jasmine Tong truly cannot imagine that she is the third party.

She even wondered if she might be the third person between them.

The recording process went very smoothly.

Originally, Qin turned around and Jasmine Tong were on the show together, although Jasmine Tong's popularity is rising fast because of the sound of blossoming flowers, but in the end, Qin turned around is a senior and even a movie queen.

On the show, it was naturally focused on Qin Liyuan.

However, Qin turned around and kept giving Jasmine Tong opportunities.

"Manny and I met at first sight when we were filming together, and Manny was a newcomer and extremely polite and open to learning, which I really liked."

"She's a really good actress, and there are parts that I can't even get right, and she's going to surprise me."

The host intends to give more shots and microphones to Qin Tianran, but Qin Tianran appropriately throws them to Jasmine Tong.

“That, ah, is a question I think it would be better for Manny to answer.”

“Manny, what do you think?”

Everyone could see the implication of this promotion.

After the recording was over, Qin Liyuan and Jasmine Tong also went backstage together, took off their makeup, and were ready to go.

Xia Lian hurriedly took a jacket for Qin Lianyan.

“It’s raining out there, suddenly, sister, and it’s cold.”

“It’s raining.”

“Yeah, it’s cold in the late fall, so wear more clothes and don’t catch a cold, I guess winter will be here after this rain.”

Jasmine Tong looked out the window and it was really raining, and it was raining so hard that you could feel how cold it was outside from the window.

Qin turned around and looked at Jasmine Tong.

“Manny, you can have this dress, you’re filming now, you can’t get sick.”

Saying that, Qin turned around and took off the jacket that Xia Lian had given her.

“Hey” Xia Lian couldn’t stop it, it’s too good for Jasmine Tong too

“Then there’s sudden turn of events,” Jasmine Tong hurriedly excused herself.

“It’s okay, I have a car, I can get in when I go out, not to mention I’m on vacation right now, even if I do catch a cold, you’re different, so put it on”

Qin turned suddenly and forcefully put his clothes over Jasmine Tong’s body.

“I’ll thank you for that, Miss Turnipseed.”

“What’s the point in being polite with me let’s get out.”

The two of them headed out the door together, followed by Charlene.

Albert Ou was aware of Jasmine Tong's itinerary this evening, and walked out of the office to find that it was raining.

He immediately made a call to Old Chen.

"Old Chen, did the missus ask you to pick her up?"

"No, Ou, my wife recently got pregnant and is expecting, so I took a leave of absence from my wife and she said she doesn't need to use the car lately either, so"

"Okay, I got it."

Albert Ou hung up the phone, how fraternal this woman is, good to the household maids, good to Old Chen, the driver, said to give a holiday.

It was still sunny in the afternoon, so I guess she didn't bring an umbrella or wear thicker clothes.

This woman is weak and can't stand the rain.

Thinking so, Albert Ou went home first, grabbed a thicker jacket, and then drove to the TV station.

He kept mulling over the fact that he had been cold for so long to Jasmine Tong, and that he was just going to pick her up, take her home when the time came, continue to be cold, and by the way, scold her again, and still bother him to pick her up.

This solution should be foolproof.

But what he didn't expect was that Jasmine Tong and Qin Jianlian were recording a show together.

Jasmine Tong and Qin Liyuan walked to the door of the TV station.

As I was about to say goodbye, a Ferrari Rafael pulled up to the door.

That Ferrari Raphael, Jasmine Tong knows it all too well.

Seeing Albert Ou drive over, Jasmine Tong smiled brightly then.

It seems the man still has her in mind.

Just at this time, Qin turned around and waved his hand excitedly towards Albert Ou.

After being friends with Albert Ou for so many years, it's impossible for Qin to not recognize Albert Ou's car!

She immediately turned to Jasmine Tong and said, "Jasmine Tong, my friend has come to pick me up, so I'll be leaving first."

Jasmine Tong's smile froze on her face.

Isn't Albert Ou here to pick you up?

He's here to pick up Qin Tianran.

When Qin turned around, he rushed into the rain and headed straight for the car, skillfully pulling the door open and sitting in the passenger seat.

Charlene pursed her lips and smiled.

"What a match made in heaven, Jasmine Tong, you saw it too, don't go around talking nonsense ha."

After saying that, Xia Lian left in the car that the company had assigned to Qin Lianyan.

Jasmine Tong stood in place, her brain blank.

She just watched Albert Ou pick up Qin Liyuan without saying a word.

With the car so close to her, she saw Albert Ou aim a glance at her, which was as cold as the rain now.

She's his wife.

And he went so far as to pick up another woman in front of her.

Jasmine Tong wanted to cry at that moment, her mouth was like lead, and she couldn't say anything.

It was the first time she'd ever felt that way.

In the Ferrari.

Qin turned around and picked up the clothes on the passenger side of the car and draped them over his body.

Chapter 184

The jacket was navy blue, and she looked at it, clearly a size smaller than her own.

However, the corners of Qin's mouth were still upturned and his heart was beautiful.

It's not a big deal that men don't know anything about women's sizes.

That he remembered to pick himself up and bring a shirt is a testament to his dedication.

Albert Ou shot a glance at Qin Liyuan and didn't say anything.

He didn't expect to run into Qin Liyuan here, and Qin Liyuan didn't know about his relationship with Jasmine Tong, so when he saw his car, he naturally thought he was here to pick her up.

It was not easy to put off such things, so he would do what he could.

He'd been cold for so many days, and Jasmine Tong still didn't seem to realize the problem, so he might as well take this opportunity to let her go on her own.

But it's raining so hard outside.

Albert Ou drove the car to the door of a McDonald's.

"Why don't you sit in the car for a while while I go to the bathroom."

Without waiting for Qin's sudden reaction, Albert Ou just opened the car door and walked into the rain.

Albert Ou walked into the McDonald's and pulled out his phone to call Russel Cheng.

“You will now drive immediately to the door of the TV station and pick up your wife.”

“Okay, Ou.”

“Besides, if she asks you about Qin Liyuan, this is how you answer.”

After making the call, Albert Ou left McDonald’s again and returned to his car.

When Qin turned around and saw that Albert Ou’s clothes were wet, he hurriedly pulled out a tissue from his bag and prepared to give him a wipe.

Albert Ou immediately lifted his hand to block her hand.

When Qin turned around, she also felt embarrassed, forgetting that Albert Ou was the one who hated to have physical yes contact with people.

In front of the TV station.

Jasmine Tong stood in the doorway for a long, long time, feeling as if her heart had been hollowed out by someone.

This is the back door of the TV station, a special access for celebrities, so basically, no one comes either.

Jasmine Tong looked at the heavy rain outside, the cold wind chill into the body, Qin turned out to be this jacket, although she was wearing a bit big, but the actress clothes can be thick to where?

However, what was colder was her heart.

Jasmine Tong even felt useless.

You should just rush over and tell Qin Jianlian to stay away from my husband.

You’re Albert Ou’s wife.

Why are you so frustrated?

Jasmine Tong thought for a long time, but finally decided to take a taxi home, Old Chen’s wife is going to have a baby, and she gave him the time off, so I’m afraid that no one will pick her up today.

She rushed into the rain and stood on the road, ready to stop the car and go home.

But at this time of the year, cabs are always scarce, and there are many people who need a taxi, so it's naturally hard to get one, and besides, it's already so late.

Jasmine Tong was drenched, but still couldn't get a cab.

Just as she was overwhelmed, a car pulled up at her feet.

Russel Cheng got out of the car with an umbrella, "Madam, get in."

When Jasmine Tong raised her eyes and saw Russel Cheng, she was also shocked because the rain was too heavy, so she didn't think too much about it and just got into the car.

With the warm air on in the car and the silky warmth coming in, Jasmine Tong slowly calmed down from the shivering she started to feel.

"Ou sent you to pick me up."

Russel Cheng drove the car with the wipers constantly shaking.

"Yeah, O had something to do and couldn't come, so, let me come."

Jasmine Tong tugged at the corner of her mouth with a grin.

He's busy.

He had picked up Qin Tianran, so of course something couldn't come.

Now they're kissing each other somewhere, right?

It was because she was still occupying the legal position of Mrs. Ou, that he had Russel Cheng come to pick her up.

He is so considerate of his confidante that he dumps his own wife for his secretary.

"Has he been busy all this time?" Jasmine Tong was finally able to find someone to ask about Albert Ou's recent situation.

Albert Ou was busy or not, Russel Cheng knew it all too well.

“It’s okay, there’s nothing important going on, everything’s in order, not too busy.”

“Oh,”

Every time she tweets him, he only replies with one word: busy.

She thought he was so busy that he didn’t have time to write two words, but it was all just a pretext.

Russel Cheng took a look at Jasmine Tong in the rearview mirror, looking at her wretched appearance, there were some things he really didn’t want to say.

Madam, please don’t ask any more questions.

Because Albert Ou has explained to him how what questions should be answered.

He’s just saying lines right now.

“Is he recently”

Russel Cheng was really in agony, this was the question he didn’t want to answer, but it was also the question that Albert Ou explained in the most detail

“Getting close to Chin suddenly.”

Jasmine Tong was still brave enough to ask the question.

They say that family shame must not be spread abroad, but Jasmine Tong felt that Russel Cheng also knew everything about their family, and there was nothing that couldn’t be asked.

Russel Cheng was stunned for a few seconds, mulling over his emotions.

“Yes, Mr. Ou and Miss Qin have been friends for years.”

Russel Cheng’s tone was very relaxed, as if he was talking about a very ordinary matter.

Jasmine Tong snickered.

Russel Cheng then said, “Madam, with a status like Mr. Ou’s, it should be normal to have three or five confidants, so it should be understandable that Madam is so generous.”

Three or five confidantes.

Jasmine Tong only felt the warm air blowing, her body still cold.

Should she understand?

Yes, what kind of identity Albert Ou was, it was already considered burning incense for her to occupy this Mrs. Albert Ou’s identity, and expecting him to fall in love with her alone.

Jasmine Tong tugged at the corners of her mouth, hardening a smile.

“Yeah, I can certainly understand that.”

Russel Cheng also laughed and didn’t say anything else.

According to the lines laid out by Albert Ou, he was sort of finished.

Russel Cheng sent Jasmine Tong back to Rainbow City and left.

As soon as Jasmine Tong entered the door, Aunt Fang welcomed her.

“Ma’am, it’s soaking wet, go change and take a hot bath, I’ll make you a bowl of ginger soup.”

Jasmine Tong took off her jacket with a wooden look.

“Aunt Fang, wash this dress properly, it’s someone else’s and I have to return it.”

“Good.”

Afterwards, Jasmine Tong walked up the stairs like a zombie.

Soaking in the warm water, Jasmine Tong felt as if her body wasn’t her own.

She didn’t know why she was so upset.

You've already made up your mind that you'll get what you want from him, but why are you so sad to see him with another woman?

On the other hand, Albert Ou had already sent Qin Liyuan home.

When Qin turns around, her own villa is located in Diamond Hill, but she has quite a few properties in her name, so she doesn't spend much time here.

"Go in and sit down you just got drenched in the rain, go in and have a cup of hot water" invited Qin suddenly and pleasantly.

Chapter 185

Mo Yiang also recently lived here, heavy rain, he was playing a game in his bedroom, suddenly a gust of wind blew in the cold rain.

It just so happens that this game is over.

He got up to go close the window.

"I'll go,"

There's someone outside Qin's house.

one man and one woman

A natural gossipy mind made Mo Yiang lie down at the window, ready to find out what was going on.

result

"Little Uncle,"

Moichiang's eyes were still good, the lights were still flashing, and he could see the license plate number, it was Albert Ou's Ferrari Raphael.

"What's the situation with Uncle Junior and Qin Liyuan?"

He immediately picked up his binoculars and looked over there.

Albert Ou didn't want to enter, and while he wanted to leave Jasmine Tong, that didn't mean that he would choose Qin Yanyan.

Today was a complete accident.

“No, I have to get home.”

“Oh well, it’s getting late, go home and get some early rest.”

Qin Yangyan was somewhat disappointed, but Albert Ou had already given her such a great surprise today, so she could ask for nothing more.

“Asawa, thank you so much for today.”

Actually, she didn’t need to be picked up, her car was parked at the TV station, but she was touched that Albert Ou could think of her at this time.

“You’re welcome.”

Afterwards, Albert Ou headed to the car.

Qin turned around and watched his back as he left.

“Aze,”

Albert Ou turned around.

When Qin turned around and immediately rushed into the rain, he ran up to Albert Ou and carved a k!ss on his cheek

With an identity like Qin Liyuan’s, it was naturally the first time she had taken the initiative to do such a thing, so she immediately ran back to the door of her house, and before entering it, she turned her head and smiled at Albert Ou with a wan smile before entering directly.

Albert Ou was stunned for a few seconds, but he just got into his car and left.

There was no expression on his face.

“What the f*ck is going on here?”

Mo Yiang can’t hear the two people talking, but the k!ss is clear to see ah

“Jasmine Tong shoes, you are green you know” Mo Yiang caressed his little heart, feeling unable to accept such a fact ah

Although it has always been said that Qin Yanyan had an affair with his youngest uncle, even his own mother had seen Qin Yanyan with Albert Ou and thought that Qin Yanyan was Albert Ou's girlfriend.

However, after witnessing what Albert Ou did to Jasmine Tong, Mo Yiang thought that Albert Ou was in love with Jasmine Tong.

What the hell is this sudden plot?

Mo Yiang immediately prepared to call Jasmine Tong, but Jasmine Tong hung up and then turned off her phone.

"Hey, this woman, what the f*ck"

Mo Yiang looked at the time again, it's eleven o'clock, Jasmine Tong has always gone to bed earlier, should be asleep, or meet another day to say.

This is the kind of thing that can't be said over the phone.

It wasn't that Jasmine Tong was asleep, she just didn't want to answer the phone, she just wanted to chill out.

After taking a bath and drinking ginger soup, Jasmine Tong had been sitting on the bed, her eyes empty.

She didn't know what she was thinking, she just kept sitting like that.

Albert Ou didn't know why he had to come back, his original plan was to not come home tonight, it was best to let Jasmine Tong misunderstand to the end.

However, he ghosted the car back.

Probably worried about her, too.

As soon as she entered the door, Aunt Fang noticed that something was wrong with Albert Ou.

He was also drenched in the rain.

"Sir, why don't you finish the ginger soup you made for your wife and have some more, it's cold, so don't catch a cold."

"Madam has had ginger soup."

“Had a drink, but the missus doesn’t seem very happy, so sir go and see the missus.”

Auntie Fang is trying her best to set up this little couple, but in the end, she also feels sorry for Jasmine Tong.

Albert Ou lifted his leg up the stairs and gently pushed open the bedroom door, and saw Jasmine Tong in her pajamas leaning against the head of the bed, sitting like that the whole time.

When Jasmine Tong heard the noise, she looked towards the door.

When she saw Albert Ou’s face.

The emotions that were about to be suppressed burst out again in an instant!

Albert Ou’s face had a faint lipstick mark.

Maybe he’d gotten some rain and washed out the original shape of the lipstick print, but the color still hung on his cheeks.

This color, Jasmine Tong remembers clearly, this color was used by Qin Qianlian in his program tonight.

The actress’s lipstick is usually drained to avoid losing color at every turn, so even if Albert Ou gets wet, this color is still there.

It’s so blatant.

Albert Ou ignored Jasmine Tong, as he just wanted to take a shower now.

He went straight into the bathroom and turned on the shower, not that his body mattered, but mostly his face

When you rub your face, very hard, as if you don’t want to get a whiff of it.

When he came out of the shower, Jasmine Tong was still in the same position she had been in earlier, and he was so self-conscious about blow-drying his hair that he ignored her.

At this time, Jasmine Tong opened her mouth.

“Aren’t you going to explain?”

Albert Ou burst out laughing.

“Explain what,”

Hear that, and then look at the cynical smile on Albert Ou’s face.

Jasmine Tong’s fire came out “mischievously”.

He had the nerve to ask her for an explanation.

Shouldn’t you have an explanation for picking up another woman in front of your own wife?

That’s a little too blatant.

“You asked me,”

“Yeah, I asked you, explain what”

Jasmine Tong nodded, she sort of understood.

Albert Ou was telling her that her status as Mrs. Ou was just a showpiece, and with his status, what right did she have to ask him to explain?

“Albert Ou, would you please not be so blatant”

“Jasmine Tong, I’d like to ask you, why am I blatantly blatant I’ve been good friends with Leon for many years, it’s not a problem for me to take her home, isn’t it you’re too lenient you shouldn’t even bother me to see my friend”

Albert Ou’s brutal and unreasonable attitude made Jasmine Tong very helpless.

What’s the matter with her? It’s as if she’s done something wrong.

Jasmine Tong turned her head to the side and bit her own lips tightly, the smell of blood suddenly filling her lips and teeth.

I didn’t have control over it for a moment, but I bit my lip off.

“Albert Ou, I don’t mind if you have another woman outside, but I hope you can restrain yourself from being so blatant, in case Yarwen sees you.”

Jasmine Tong didn't finish what she said next.

In the meantime, Albert Ou's brow was knit.

The smile on his face completely disappeared, and his birds of prey swept over Jasmine Tong's face.

"Jasmine Tong, don't you dare say what you just said again."

Jasmine Tong smirked, "What's there to dare I said I don't mind if you have another woman outside, but I hope you can restrain yourself, in case you get Little Lei"

Her Bossy Yet Naive CEO Chapter 186 - 188

Chapter 186

The moment Jasmine Tong turned her head, Albert Ou had arrived in front of her.

Scared the hell out of her.

This man was over there on the dressing table a moment ago, so why was he suddenly by her bedside?

Albert Ou leaned down, a pair of cold, gloomy eyes staring straight at Jasmine Tong

"So, you're throwing a tantrum here and theorizing with me simply because Yarwen Tong knows about this incident and is sick."

Every word of Albert Ou's seemed like it was squeezed out of his teeth.

He spoke very slowly, fearing that Jasmine Tong might not hear him clearly, or give her time to think again.

His gaze looked like it was going to completely devour her, and Jasmine Tong saw Albert Ou look at her with such an icy gaze for the first time.

A chill rose in her heart.

Just because of Yarwen Tong is it really just because of him?

Jasmine Tong looked into Albert Ou's eyes and hesitated.

Albert Ou, however, wouldn't let her go and cupped her chin with one hand, the force of it seeming to crush her.

"Answer my question," he snapped.

All the emotions, all the aggravation, all the sadness, all the sorrows, poured out in an instant as Albert Ou's brute force.

"How was it?"

Albert Ou's blue pupils continued to flicker, and he frowned tightly, refusing to let go of Jasmine Tong's jaw.

"So, you don't mind if I have another woman out there."

He seemed to be relentless and asked again.

"Yes" Tong Koman almost growled out, "I don't mind, I'm just worried about my brother"

When he heard Jasmine Tong say that, it was like something was burning in Albert Ou's chest and flames were about to jet out.

"So, you never loved me you only cared about your brother didn't you."

The momentum of Albert Ou's question softened completely.

He'd done so much for this woman, and yet she only cared about her brother and stayed with him simply because she was her brother.

He didn't believe that this was true, although he understood that Jasmine Tong might not have fallen in love with him yet, but seeing as he was taking such good care of her, there should at least be at least a little bit of affection, right?

"Yes, of course I haven't loved you, I only care about my brother you're satisfied."

“Good,”

Albert Ou growled and Jasmine Tong closed her eyes in shock, the growl was like a wild animal.

When Jasmine Tong opened her eyes again, Albert Ou’s blue pupils suddenly turned scarlet.

“Jasmine Tong, remember what you said yourself and don’t regret it.”

“I,”

Jasmine Tong was just about to speak when her lips were blocked by Albert Ou, who k!ssed her frantically without a hint of tenderness.

Jasmine Tong struggled hard.

“Isn’t it for your brother? To create the illusion that we’re close, why are you pretending?”

Albert Ou angrily tore at Jasmine Tong’s pajamas.

“Albert Ou, stop it, stop it.”

“You’re my Albert Ou’s woman I can play with Jasmine Tong as much as I want, you remember you’re my woman I spent a million dollars to buy you in the first place you were sold to me you don’t have the right to tell me to stop.”

Albert Ou’s every word was like a knife stuck in Jasmine Tong’s heart.

Yeah, he bought her for a million. What more could she ask for?

All this talk of loving her is just a whim.

Albert Ou very savagely took possession of Jasmine Tong’s body, without k!ssing or any foreplay.

Jasmine Tong was torn apart by pain.

It just seemed as if Albert Ou simply wanted to punish her, and didn’t fall in love with the battle, hurriedly closed the door, put on his clothes and grabbed the door.

Jasmine Tong lay on the bed as if her soul had been sucked out of her.

Pain pervaded her body, yet it was no match for the slightest bit of her heart.

In the end, she was nothing more than a plaything in Albert Ou's hands, a tool to vent her anger, nothing more.

When she closed her eyes, tears streamed out of the corners of her eyes and dripped onto the pillow.

The pajamas were torn to shreds by Albert Ou, making a mess all over the bed.

Albert Ou, Albert Ou.

Why is my heart slowly moving closer to you, while yours is moving further away from me?

She even had some suspicions that the Albert Ou who had been so gentle to her during her hospitalization was just a dream she had imagined.

Which one is the real him?

It was a night that was destined to be difficult to sleep.

Jasmine Tong stayed at home for two more days, and in those two days, Albert Ou hadn't come back, nor had he sent a tweet, let alone made a phone call, as if he had vanished from the earth.

The past two days, Jasmine Tong had a muddled life at home, and had wanted to go see Yarwen Tong, but that night Albert Ou tossed really badly, she was aching, walking was painful, and didn't want Yarwen Tong to see her like this.

So, she also just gave Yarwen Tong a call and asked about him.

For the past two days, Jasmine Tong's head had been reverberating with Albert Ou's angry face and the words.

You never loved me. You only cared about your brother, didn't you?

She really didn't love him? Not even a little?

This is a problem that Jasmine Tong herself couldn't explain.

On the third day, Jasmine Tong received a call from the crew, asking her to rush to City A to continue filming the romantic trip.

She immediately adjusted her state of mind and rushed to City A. Let's keep ourselves busy and busy so we won't think about it so much.

When she came to the city to film, Jasmine Tong has been forced to commit herself to the shoot, but the first time she encountered such emotional problems, she hasn't been in good shape.

Yan Ke knows Jasmine Tong, although she is a good performer, but we all know that comedy is the most testing acting, like Jasmine Tong just graduated from school, and it's her first time in comedy, but she is also allowed to make mistakes.

Xing Chaoyang is also a great senior and takes great care of Jasmine Tong.

With everyone taking such good care of themselves, Jasmine Tong is very guilty and tries to adjust herself, finally getting into the groove.

It was on this day that the cast welcomed a guest actor to the show.

When they found out he was coming, the entire female crew cheered, one usually quiet, but now they were chattering away.

Tong spent all her time, except when filming, trying to read scripts to keep her mind at peace.

Today, however, it hasn't been quiet, it's just too noisy around here.

"Director Yan, who's coming today ah everyone this is boiling."

There are so many cameo appearances in this show, I wonder who could be here today to make such a big noise

"Oh, you know, you'll find out later."

"I know men and women."

Yanke didn't answer Jasmine Tong's question.

In the middle of the conversation, someone has made a grand entrance.

Chapter 187

When she saw that familiar face, Jasmine Tong also had no tears to cry.

“Hello, dear Manny. Surprised? Surprised?”

Mo Yiang’s face still wore his characteristic smile, a bad-ass smile

“How come it’s you again? Can you avoid me a little bit? How come I can see you in every crew?”

Tong’s accusations made the staff there laugh.

“Hey, you Jasmine Tong, red is throwing the little master behind your head isn’t it.”

The two of them had another battle of words.

Since this movie is about a journey, it’s inevitable that you’ll meet all sorts of people on the journey, because, Yanke has asked many people to come in for cameo roles.

Mo Yi-Ang plays the second son of a wealthy man, which is called, in everyone’s words, the landlord’s stupid son.

In a few words, Bian Long and Shen Man swindled a million dollars from this landlord’s foolish son.

However, Mo Yiang’s role was only three scenes and was filmed in half a day.

Closing up for the afternoon, Mo Yiang patted Jasmine Tong’s shoulder.

Instead, it was Jasmine Tong who opened her mouth first.

“Silly son of a landlord, have you plans for the evening and two glasses to go?”

“Well, I happen to have a bit of personal business with you, but would you mind not calling me the landlord’s foolish son.”

Mo Yiang bounced on Jasmine Tong’s head

“I won’t call you a foolish son of a landlord anymore, a foolish son of a landlord.”

“Hey good you Tong Koman you’d better call me Black Earth.”

“That’s what you said yourself, and don’t be upset if I call you Black Earth again from now on.”

It just so happened that there was no drama for Jasmine Tong in the evening, so the two of them bought a few dishes and bottles of beer directly from the hotel where Jasmine Tong was staying.

Before the food was eaten and the words were spoken, Jasmine Tong picked up a bottle of beer and gulped it into her stomach.

“I know you’re a huge amount, but can you not be so cruel ah I’m so ashamed, I can not drink a woman.”

Mo Yiang is not a very good drinker, so he will easily control it.

Tonto wiped the corner of his mouth and poked the empty bottle on the table.

“When have you ever had any pride in drinking with me?”

“Okay.”

Jasmine Tong was telling the truth, and Mo Yiang would not refute it.

“Say, didn’t you find me for a personal matter” Jasmine Tong picked up her chopsticks and started eating.

“Let me tell you, guess who I saw that night” Mo Yiang mysteriously leaned closer to Jasmine Tong.

“How the hell do I know who you saw, can you talk without talking like you’re squeezing toothpaste, if you want to talk, you can talk, if you don’t want to pull it off.”

“Hey you talk today how so rash ah eat gunpowder it you.”

Jasmine Tong had been adjusting her state for the past few days, and it was hard to find a breakthrough in her emotions, but when she ran into Mo Yiang today, she could finally relax and didn’t suppress her emotions.

“All right, all right, I owe you, Auntie, all right I’ll tell you, the day it rained heavily, I saw my little uncle in front of Chin’s house when it was raining heavily.”

Jasmine Tong’s face fell and she continued to eat her food again, not moving.

Mo Yiang could also see that she didn’t seem to be in a good mood.

“When Qin turned around and kissed my little uncle, though, it was Qin who took the initiative ah, my little uncle definitely didn’t respond.”

Mo Yiang didn’t know why he had to speak up for his youngest uncle, but the truth just leaked out.

“And then what,”

“And then you ask and then I tell you, be careful not to get so close to Qin Liyuan, she’s trying to pry you out of your corner”

Jasmine Tong laughed coldly.

Mo Yiang didn’t know what was wrong with Jasmine Tong.

“I say, Mandy, you wouldn’t know about this,”

“Would you believe me if I told you that that night, your little uncle was the one who picked up the unexpected sister in front of me?”

“f*ck isn’t it raining heavily down your brain water in front of you, why don’t you rush up ah” Mo Yiang directly slammed his chopsticks on the table, and even jerked his sleeve.

“What am I going up there for?”

“Nonsense that is your husband you are the big house don’t care what relationship they two were before, you and my little uncle is the husband and wife recognized by the law you should just rush up and tell Qin Yanyan, you are the big house she f*cking is a third child.”

Mo Yiang spoke vehemently, as if he had been made a third child.

Jasmine Tong just laughed bitterly and opened another bottle of beer, taking a few sips.

“And then your uncle and I had a fight, a terrible fight, and you know what he came back and said?”

Jasmine Tong’s tears fell down, seeing Jasmine Tong’s tears, Mo Yiang was a bit overwhelmed.

“He said that he and suddenly sister have been friends for many years, I can’t let him even see his friends, even his secretary told me that for a man like him, it’s normal to have three or five confidantes, as his wife, I should understand I understand what the hell ah me”

Mo Yiang drew a few tissues and shoved them into Jasmine Tong’s hands.

Jasmine Tong picked up another bottle of beer and went straight down.

“So what did you say to him?”

“He asked me if I ever loved him, and I was angry that day, so I said I never loved him, and the reason I was with him was because of Lei, and he was particularly angry, and then he left, and we haven’t talked to each other since.”

Mo Yiang slapped his thigh.

“My brother-in-law must be furious.”

Jasmine Tong wiped her tears and looked at Mo Yiang.

“Little Man, my little uncle has been a particularly possessive man since he was a child, even if he hasn’t loved you, you are his nominal wife, you must love him, moreover, he has confessed to you, and you still say you don’t love him, he must be furious.”

Jasmine Tong sighed silently.

“I don’t love him.”

Mo Yiang shook his head.

“It’s not that you don’t love him, you’re afraid to love him.”

Mo Yiang’s words were like a poke at Jasmine Tong’s soft spot.

“Manny, do you admit that you are actually afraid to love my little uncle, let alone admit that you love him, and that you are even avoiding the relationship.”

“”

“Those five years with Ellen Ron wore out all the confidence in your bones, so when you met my youngest uncle, you didn’t feel worthy of him, so you didn’t dare to love him.”

Yes, Mo Yiang is right, Jasmine Tong is still a girl with an inferiority complex at heart.

In those five years with Ellen Ron, Jasmine Tong’s confidence was all worn out.

In the officer’s house, she was said to be an uneducated girl, impolite, small, unattractive, rustic

Even Ellen Ron said, “You can’t be famous in the entertainment industry, you can’t be famous, you can’t stand on your feet, you can’t even eat.

She had nothing, nothing to do, nothing to say.

“Mandy, be a little more confident, will you?”

Chapter 188

Seeing Jasmine Tong’s humble appearance, Mo Yiang was really anxious in his heart.

“Confidence who am I to talk about confidence.”

Jasmine Tong smiled bitterly, from the moment her mother died, she had nothing, and every step she took was with trepidation.

So, where does she talk about confidence?

When she was a little girl cheerleading, she didn’t really like cheerleading, but because if she tried, she could get applause and trophies and praise from her teachers.

She liked nothing more than the approval of others.

“How unqualified director Yan Ke why repeatedly use you as a female number three why you were nominated for best supporting actress why Blossom has 2.6 billion at the box office.”

Mo Yiang snapped his fingers and counted Jasmine Tong’s great accomplishments.

But some people are humble enough to be in the dirt, and it’s not just a few words that can pull her up.

“I’m telling you, Manny, don’t listen to that bastard Ellen Ron, there are never any standards in the entertainment industry, no one can say who will be popular and who won’t, you have acting skills, you’re not afraid of not being popular, understand what I mean?”

Jasmine Tong raised her eyes to Mo Yiang, who was rarely this serious.

Mo Yiang said so much, Jasmine Tong also seemed to be touched, but she still didn’t say anything, and Mo Yiang had run out of words and sighed.

“If I were you, ah, when I saw Qin Liyuan and my youngest uncle together, I damn straight over and directly reward her with a slap for daring to seduce my husband, whoever you are.”

“But, that’s suddenly suddenly sister.”

Jasmine Tong dropped her head.

Who was bad, but Qin Yianran.

When Qin turned out to be the queen of the circle, she happened to have a position in the circle by her own efforts little by little, she was beautiful, generous, educated, and had the temperament.

And, she helped her so much.

“Yes and so what she is going to steal your husband you are the big house ah, Jasmine Tong you figure out the big house fighting Xiao San Er only, you will always be the one to be embraced.”

Jasmine Tong pursed her lips and smiled, she still had no bottom.

She held her hands to her cheeks and pouted.

“Black Earth, you know after my fight with him, I had that question in my head that he asked me, did I ever love him I guess I felt that way about him.”

“By what do you call having a little feeling to the point where you’re still talking about it, if that’s all you felt for him, you wouldn’t be beating yourself up like that and asking me for a drink.”

Mo Yiang picked up his chopsticks and took a few bites of food, feeling suffocated.

Jasmine Tong blinked a few times as she watched Mo Yiang.

Did she really love him?

“But, Manny, I’ll give you a good shot, that guy my little uncle is so weird, he’s shifty, he likes you today, he might forget you tomorrow, you have to be prepared.”

Jasmine Tong shook her head, “Okay, okay, stop it, I’m bored, drink, drink”

Saying that, Jasmine Tong picked up the bottle of wine and touched Mo Yiang’s bottle, taking a few sips of wine.

“Manny, just don’t think about anything, make a good movie, and then go home and have a nice chat with my little uncle, or at worst, confess your feelings to him.”

“A girl confesses,”

“Then what’s wrong with people to live with a bit of pizzazz, love to love completely, hate to hate absolutely, be confident, you’re not bad at all.”

That night, Mo Yiang and Jasmine Tong drank for a long time, and Mo Yiang got drunk in no time.

Jasmine Tong couldn’t do anything with him, so she had to let him deal with it here all night.

But this entire night, Jasmine Tong could not sleep, Mo Yiang’s words kept echoing in her ears.

Jasmine Tong, it’s not that you don’t love, you’re afraid to love.

Yes, she did dare not love, she had nothing to lose and a brother who would leave her at some point, what right did she have to love?

The next day, Jasmine Tong left a note for Mo Yiang and went to the set to shoot a scene.

Mo Yiang slept until midday and saw the note Jasmine Tong left for him.

“I’m off to shoot, I got you some yogurt, get up later and drink it, your stomach will feel better, remember to lock the door for me.”

Mo Yiang patted himself on the head and drank the yogurt when he saw it on the table.

Before leaving, he sent a WeChat to Jasmine Tong.

And it was in the afternoon that Jasmine Tong had the accident.

Jasmine Tong and Xing Chaoyang will be filming on the street today, and there will be people filming on the street, which will naturally cause quite a few onlookers, and the film crew has also cleared the scene to avoid any accidents.

But halfway through the shoot, a slight woman, shaking a cross-cheeked face, rushed in.

At the time, no one was paying attention, after all, everyone was focused on the actors.

The woman rushed straight in, grabbed Jasmine Tong by the hair, and smacked Jasmine Tong’s face with several slaps left and right.

Jasmine Tong was feeling starry-eyed.

As Jasmine Tong’s assistant and bodyguard, Lu Wei Ran naturally needed to protect Jasmine Tong, but she hid when she saw such a situation.

Let’s see what happens first.

“Stinky shameless you dead bitch bitch actually dare to seduce my husband see I don’t pick you up today.”

The woman with a face full of cross flesh had a strong frame, and compared to her, Jasmine Tong was as thin and frail as a chicklet.

No one had any idea what was going on at the time.

“Let me tell you, this woman is the one who seduced my husband, do you know who my husband is, Emerging’s husband, Chai Hongxing.”

Yan Ke’s reaction was quite fast, he immediately greeted the security over, but, after all, it was a woman who was facing, so it was not good for everyone to do anything.

“Don’t you move you’re aiding and abetting if you stop me, I’m going to tear this bad woman apart in front of you.”

The woman forked her waist, still holding Jasmine Tong’s hair in her hand.

Jasmine Tong couldn’t move at all in pain, knowing that hair is a woman’s greatest weakness.

At this time, it was still Xing Zhaoyang who came forward.

“This lady has something to say. Don’t do anything. If you do, we’ll call the police.”

“If you want to call the police, go ahead. I’ll take care of her anyway. She’s a mistress.”

When Xing Chaoyang saw this, he immediately went forward and directly squeezed the woman’s wrist, his strength was so great that the woman ate the pain and immediately released her hand.

It was only then that Jasmine Tong was freed.

The fat woman squeezed her sore wrist.

“You don’t want this stinky little San’er could this be your lover’s again, I’m afraid you’re going to be sleeping with this body.”

The woman pointed at Jasmine Tong’s nose and yelled at her.

“You don’t talk nonsense what Xinxing I don’t even know your husband” Jasmine Tong’s mouth dripped blood.

“Fine, let’s theorize today and ask everyone to weigh in.”

The woman looked like she was righteous.

Her Bossy Yet Naive CEO Chapter 189 - 191

Chapter 189

I don’t know where a bunch of people suddenly jumped out of nowhere, and one by one they all started taking cell phones to record videos and take pictures.

Also, just then, the media arrived.

Because this is a public shoot today, Yan Ke also respects the meaning of the publicity team, and asked them to contact some mainstream media to conduct an interview on the set, as well as to build momentum for the film.

The media arrived just in time to see the scene.

“I’m asking you, Jasmine Tong, where were you between August 11th and the end of August” the woman forked her waist in a questioning tone.

Jasmine Tong recalled carefully, that time should have been when she finished filming the dumping of the city

At the Vault Mountains, she was injured and spent a long time recuperating at home.

It shouldn’t be wrong.

“Can’t answer that, let me tell you, you and my husband Chai Hongxing went on vacation to the Maldives.”

Jasmine Tong just thinks it’s ridiculous.

“I ask you again, where were you from the end of September to the end of October.”

Naturally, she knew this well, because just a short time ago, the sound of blossoming flowers was released in early October for a short holiday, and she had been in the hospital and then at home recuperating after that beating.

“Let me answer you, Jasmine Tong you were pregnant with my husband’s child and wanted to use this child to force my husband to divorce me, what I didn’t expect was that my husband would go bankrupt, you went straight to the hospital to abort the child and recuperated at home for a month.”

Oh, God.

What the hell is this?

The media at the scene were snapping photos, and the amount of information was a blast!

Jasmine Tong not only seduced Xinxing’s CEO, but also conceived a child to force her to go bankrupt, so she just aborted the child.

“Don’t you dare talk nonsense.”

“I’m not bullsh!t, you know best Jasmine Tong, you shameless woman broken shoes stinking bitch I’ll skin you today.”

The fat woman was ready to run up again, and security stopped her just in time.

Yan Ke saw the situation and immediately asked the staff to leave with Jasmine Tong.

The media wouldn’t want to miss the good news.

“Jasmine Tong, is it true what that lady just said about you and Xinxing’s husband or not having an illicit relationship?”

“Did you really abort a child for him?”

“Mandy, can you explain?”

Xu Xingru had instructed Jasmine Tong a thousand times to keep quiet if there was any unexpected situation.

So Jasmine Tong didn't say a word, at this time, Lu Weiran appeared beside Jasmine Tong and took Jasmine Tong to the car and left.

The media hurriedly drove up to catch up, and the driver circled several blocks before finally dropping Jasmine Tong back into the hotel.

Lu Weiran finds ice for Jasmine Tong's face.

"Mandy, I'm so sorry, I didn't know this was going to happen, I was going to the bathroom and when I came back"

"It doesn't bother you, you don't have to blame yourself, I didn't think of it."

After a while, Yanke called.

"Mandy, are you okay?"

"I'm fine, director, I'm so sorry, because I"

"Don't be sorry, you take a break, we're not filming today, the media is a bit of a mess over here, it was hard to clear the scene."

Yanke instructed a few words and hung up.

However, Jasmine Tong felt very strange, what is this all about?

She doesn't know any of the new companies or Chai Hong Xing!

The woman's hand was so strong that Jasmine Tong only felt her face hurt at the moment, and it quickly swelled up very high.

After something like this happened, Jasmine Tong wanted to report it to Xu Xingru, but she couldn't get through to Xu Xingru on the phone.

This is anxious for Jasmine Tong.

Just as she's about to leave for the office, she finds the building is full of reporters.

Oh, sh!t.

Her hotel was also leaked.

This time, she would not be able to contact Xu Xingru.

It wasn't until the evening that Jasmine Tong got through to Xu Xingru and briefly stated what had happened, but it was already very late at that time, and Xu Xingru had no choice.

The next day, the news was overwhelming.

“Jasmine Tong's third son took over the throne and had an abortion when he failed to do so.”

“2.6 billion new flower, slapped on the set by a big house.”

“Jasmine Tong is a scheming woman, her boss went bankrupt and had an abortion immediately.”

All news headlines are of this type.

When the media folks went back, they naturally didn't write the news easily, but inquired about the date the fat woman had said.

Someone has found out that the fat woman said that between August 11 and the end of the month, Tong has indeed not made any public appearances, and someone else has found a vague airline ticket with Tong's name on it, with the destination being the Maldives.

It has also been checked that Tong did not make any public appearances between the end of September and the end of October, except for promoting the movie on Weibo.

As for what the fat woman said about abortion, a month is indeed the amount of time a woman needs to recuperate from an abortion

The first time I saw this, I thought it would be a good idea for me to get some money for my own business,” he said.

What's even more unbelievable is that there were many programs that invited Jasmine Tong and all of them were rejected.

From the point of time, the fat woman's words match perfectly, so everyone's news is all kinds of sitting on the charge that Jasmine Tong seduced a married woman.

Also, there was a media investigation into Emerging, a real estate company that had some investments in the two films Tong made, a company that declared bankruptcy not long ago due to poor management.

And the timing is perfect.

On the Internet, all sorts of criticism of Jasmine Tong began.

He scolded Jasmine Tong very badly

Since there were always reporters near the hotel, Xu Xingru couldn't come over and could only communicate with Jasmine Tong on the phone.

"Mandy, you have to tell me right now what the hell you were doing at the two points in time the other guy said you were doing, or I can't help you."

"Sister Starru, the first time, I was at home recovering from a foot injury on the mountain, so, the second time, I was actually beaten up."

"Beaten up,"

"I was taken away by a cab and knocked unconscious by them, and have been hospitalized ever since. The reason why Mr. Quan's side didn't arrange for work, and didn't announce it to the public was because it was too strange to get strong evidence, so I had to do it first."

"So that's how it is, it seems that the other party came prepared, they obviously calculated everything, they didn't dare to say anything even though they knew you were in trouble, and they also rushed to make trouble on the day that the film crew had an appointment with the media"

Jasmine Tong also guessed that it was too coincidental, someone must have deliberately set her up.

"So what do we do now?"

Chapter 190

"Don't panic yet, you'll be hiding in the hotel for now, the media is all over you now, saying the wrong thing could be bad, I'll think of something now."

"Good."

After hanging up the phone, Jasmine Tong was also exhausted, how could this happen.

Although she was prepared before she stepped into the entertainment industry, this place was far more dangerous than she could have imagined, and it was amazing that something unnecessary could still fall into her lap.

As the day wore on, Jasmine Tong's news continued to fester.

"Jasmine Tong is out of the entertainment industry" has even held the number one spot on the hot search list.

This kind of thing must be getting deeper the more you dig.

The slightest thing that the public can't see through can make up a million stories.

"I said how did she get a Best Supporting Actress nomination for a third woman, so there was someone behind her."

"That's right, no wonder the popularity has risen so fast, there really is someone behind it."

"I hate it when a third child gets out of the entertainment industry and destroys people's families."

In addition, many people on the street took videos that day and uploaded them on the internet. The video of Tong Siu Man being beaten up by Big House was all over the street.

The first wife beats up the second wife, the other wife is out, how can you fake it?

Jasmine Tong's debut was so short that her fan base was originally not solid, and some fans immediately turned pink.

"Thanks for liking her so much, but it turns out she's a third child, turning black."

"Jasmine Tong, you let us down so much. Bye."

Only a very small number of fans expressed their support for Jasmine Tong, and it's too hasty to try to convict someone of being a third child based on a vague ticket alone.

dark empire (i.e. empire of darkness)

Albert Ou was very unhappy these days, and he hadn't been home or had any contact with Jasmine Tong since that night's fight.

He's either going back over to the Crystal Garden these days, or straight to July Flower with John, and has a whole lot of work planned to keep him busy.

Russel Cheng placed a pile of documents on Albert Ou's desk.

In fact, although the Dark Empire was the largest group and encompassed countless branches, Albert Ou still had the ability to discern and promote talents that could share a lot of work for him.

As the president of the Dark Empire, he could be idle and busy.

If you want to be idle and delegate authority, just leave it to a few VPs under your belt, but if you want to be busy, then take sole authority.

"Mr. Ou, here are the documents that need to be approved today."

Russel Cheng followed Albert Ou's orders, and everything needed his approval, so he was naturally very busy.

"Got it." Albert Ou picked up a document at random and read it.

Russel Cheng, however, was slow to go out.

"And something else" Albert Ou didn't look up.

"There's something going on with the forewife."

"What is it?"

Albert Ou never paid attention to any entertainment news, and naturally didn't know what happened to Jasmine Tong, who was basically reported to him by Russel Cheng.

“Emerging’s Chai Hongxing went bankrupt and his wife went to the set and beat up his wife, saying that she seduced Chai Hongxing.”

Albert Ou snickered.

“There is no man in this world worthy of my Albert Ou’s wife’s seduction.”

Yeah, who would think of another man when they have Albert Ou?

“But, no one knows ah, and it was justified and said that the wife was pregnant with Chai Hongxing’s child and wanted to force Chai Hongxing to divorce, but ended up aborting the child directly because Chai Hongxing went bankrupt.”

Albert Ou’s heart thudded.

Although it wasn’t true, Jasmine did have an abortion.

“The key is that the timing happened to be during the time when the wife was in the hospital, and they were dead set on the fact that she didn’t show up during this time, and in addition, they forged a ticket for the wife to go to the Maldives, the last time she injured her foot and didn’t show up, and they said they were accompanying Chai Hongxing to the Maldives.”

“Ridiculous,”

Albert Ou threw the pen right onto the table.

This is clearly a deliberate planting of evidence by someone.

“You immediately send someone to investigate this matter and find out who’s behind it.”

“Yes,”

Having gotten his orders, Russel Cheng immediately prepared to act, but just as he reached the door, Albert Ou called out to him.

“Wait a minute.”

“Ou, what else do you want?”

“Find out about this quietly, keep it quiet, just come over and tell me when you find out, and nothing else.”

Albert Ou’s voice was very low.

Russel Cheng was first stunned.

I don’t know which one Albert Ou sings about this.

“Okay.”

“Go on.”

Albert Ou’s brow was furrowed, still couldn’t let go of the woman.

The incident is still unfolding.

It was originally thought that the hotel’s media would disperse, so that Jasmine Tong could come out to film, but as soon as she arrived at the set, she was surrounded by the media, but fortunately, Lu Weiran reacted quickly, which led her away.

There was no way to film the play, so Yan Ke had to give Jasmine Tong a break.

Jasmine Tong returned to Slivestopol, back in Rainbow City, armed.

At least Rainbow City is considered a safe place from media harassment.

But she couldn’t go anywhere but stay at home.

For the first time, I felt so useless, with everything in control of someone else.

Xu Xingru posted a lawyer’s letter on Weibo, which resulted in even more backlash from netizens.

“If you have the guts, tell us what Jasmine Tong was doing when she wasn’t showing her face.”

“What’s the use of sending a lawyer’s letter? Go sue if you can.”

“It’s clearly a case of the here and now.”

Xu Xingru turned off the comment function and didn't dare to do anything more.

Although Jasmine Tong was recovering from her injuries during those two periods of time, both incidents were not accidents, but deliberate actions by someone, and once they came out, the lack of solid evidence only made the public even more disgusted, saying that Jasmine Tong was washing her hands of the matter.

This situation is really not good for Jasmine Tong.

However, worse is to come.

The fat woman, Chai Hongxing's wife, Zhou Qi, was interviewed by the media.

"Excuse me, Ms. Chow, when did you discover that your husband was having an affair with Jasmine Tong?"

"It's not easy for a man to fight for his career outside, I just turned a blind eye to this kind of thing before, but I didn't expect this scheming woman to try to use the child in her belly to force my husband to divorce me I can't bear it anymore"

"Can you talk specifically about the process of finding out they were having an affair?"

"The one time they went to the Maldives, my husband said he was going on a business trip and I believed him, but then I went to pick up my husband at the airport and I saw these two people cuddling together and that woman strutting past me with no shame."

"And then what happened?"

"Then she got pregnant and asked my husband for a divorce, my husband and I have been in a relationship for years, he cheated on me but our love is still there, how could we marry her"

Chapter 191

"Can you elaborate on the abortion thing?"

“She was more than a month pregnant, my husband at the time the company had problems, no time to pay attention to her, she has been haunted, but the results of the company is not well run, at this time declared bankruptcy, the result of this cold-blooded woman went directly to the hospital to beat the child you say this woman’s heart is how cruel.”

“It’s tough enough.”

“Let me also tell you, this woman is not just my husband, she sleeps with whoever has money, otherwise she doesn’t have a background, how did she become famous so quickly”

“Who else is there?”

“I can’t reveal who exactly, what if people sue me but I can tell you that there are crew members and investors, you can investigate on your own.”

This interview caused an immediate uproar when it was released

The media began to make speculations, and the first of the actors to bear the brunt of it was naturally the actor who had worked with Jasmine Tong, and Mo Yiang was among them.

Soon, actors who had previously acted against Jasmine Tong were writing off Tong’s relationship.

Only Mo Yiang stepped forward.

“What’s that emerging thing, stop throwing mud on Little Man, my Little Man doesn’t even know you, f*ck off.”

Originally Feng Qian was particularly disapproving of Mo Yiang standing out, it really wasn’t a wise move in this limelight.

But Mo Yiang still tweeted.

Part of Mo Yiang’s fans are very supportive of Mo Yiang, but some are very opposed.

“lone, just don’t get involved with that woman, okay”

“k!ss Honey, you’re not really having an affair with that woman,”

For a time, it had a great effect on Mo Yiang.

What Jasmine Tong didn't expect was that Qin Qianlian also came out to help her.

"Mandy is a very good actress, good tempered and high quality, she can never do such things, severely reprimand this kind of dirty competition tactics, have the ability to spar acting skills, behind the scenes to do any tricks."

Qin's unexpected words did wake many people up.

Jasmine Tong is in the limelight right now, and many people definitely don't like the way she looks, and in a place like the entertainment industry, it's natural that there's you and me without you, so it's not unreasonable for certain people to plant stories about Jasmine Tong.

Also coming out in support of Jasmine Tong are Yan Ke and even Meng Jiajia, Xing Chaoyang's wife.

"very much like Jasmine Tong's play, online someone said she and my husband have an affair, open white eyes to tell lies it my mother when the set up support Jasmine Tong, this kind of low-level planted mischief is disgusting".

The first thing you need to do is to get a good idea of what you're looking for and what you're looking for.

dark empire (i.e. empire of darkness)

Investigating such things couldn't be easier for Russel Cheng.

Soon, Russel Cheng investigated the entire incident.

"This is done by a girl named Song Yiwen in the circle, the endorsement of the new model of Silverlight Mobile phone at first looking for the wife, but that time the wife did not take any work, Silverlight Mobile phone then wanted to find Song Yiwen endorsement, the contract will soon be signed, as a result, the wife comeback, Silverlight Mobile phone came to the door again."

"Song Yiwen couldn't be angry, so she threw dirty water on Mrs. This emerging company did go bankrupt, and Song Yiwen promised Zhou Qi, the

wife of the CEO of the emerging company, to help her find investment as long as she was sure to throw dirty water on her wife.”

Albert Ou snickered.

“An unknown shrimp also f*cking dared to touch my woman.”

“What are you going to do, Mr. Ou?”

In the meantime, Albert Ou was silent for a few seconds and hooked his finger towards Russel Cheng.

Russel Cheng immediately came together and he told Russel Cheng all about the specific implementation plan.

“Go ahead, tell John to do as I say, and don’t say a word more.”

“Yes.”

Rainbow City

Jasmine Tong is in her bedroom, forcing herself not to look at the comments on her phone, and lately, Xu Xingru has told her that it’s best to turn off her phone, do nothing, and wait to see what happens on her end.

Jasmine Tong leaned against the bed with a pillow.

It’s been days since it happened. He should know by now.

Why hasn’t he even called or tweeted?

In the end, Jasmine Tong still cared about him.

Men really thin-hearted ah, one second still say love you, the next second can not find a person.

Jasmine Tong’s phone suddenly rang with a text message.

It’s from Ellen Ron.

Although, Jasmine Tong deleted that number, five years still made her recognize the phone number immediately.

“Jasmine, if you beg me now, maybe I’ll give you a hand, just don’t tough it out, you can’t do it without me.”

Jasmine Tong smirked and immediately replied: “Go do your spring and autumn dreams!

She then screencuts the phone and sends it to Rameen Tong.

Jasmine Tong’s phone rang once again, it was a call from Xu Xingru.

“Mandy, turn on the TV right now, the entertainment channel.”

“Oh.”

Jasmine Tong immediately went downstairs, turned on the TV and tuned to the entertainment channel.

On the TV screen, the fat woman.

How could she not remember the fat woman who had slapped her so many times?

The woman was a change from her brawny style of the other day, but she was smiling all the time today, so it was clear that this was a press conference.

“May I ask Ms. Chou what is your rush to convene a conference?”

“I’d like to solemnly apologize to Miss Jasmine Tong today, I larded my heart and shouldn’t have framed her.”

The place was in an uproar.

A few days ago, when this woman was so angry that she swore that Jasmine Tong was a mistress, we all remember it clearly.

The fact that she had changed her mind so quickly had to make one wonder what.

“Ms. Zhou, a few days ago, you asserted that it was Jasmine Tong who seduced your husband, but now why did you change your mind that it was Jasmine Tong’s PR team trying to whitewash her?”

Zhou Qi shook her head incessantly.

“I’m saying this because Song Yiwen, Jasmine Tong stole her endorsement and made her feel bad, so she called me and asked if I could help, if I could, willing to invest in our company, you know our company is bankrupt, I was forced to do so”

Zhou Qi was in tears.

“I apologize to Jasmine Tong, I shouldn’t have framed her, she’s a good actress, this Song Yiwen is not a thing, she promised me nothing, why am I giving her a gun?”

The launch is just the beginning.

It was only afterward that Seo Xingru surprised everyone with what she posted on Twitter.
