

## Her Bossy Yet Naive CEO Chapter 192 - 200

### Chapter 192

In her microblog, Xu Xingru posted a lot of receipts.

The documents, including those for the two hospitalizations of Jasmine Tong, are clearly marked with the dates and, in particular, the police stamp, which attests to their validity.

In addition to the proof of hospitalization, there were a number of report returns.

The first return is the one where Jasmine Tong disappeared on the mountain, and the second return is the one where Tong was beaten up near the airport.

Xu Xingru said on Weibo, "The reason why we haven't exposed it is because we haven't found out exactly who did it, but we dare to say that both times were not accidents, but someone deliberately did it to warn certain people that people are doing it and God is watching, don't think we're easy to bully, and the day will come when the truth will come out."

When this tweet was posted, the internet was in an uproar as well

Now it's all clear.

It turns out that Jasmine Tong was hospitalized due to malicious attacks during those two periods.

The two malicious attacks were all committed by rivals, and Jasmine Tong is now in the limelight, so naturally she is a thorn in the side of many people.

This will all be explained.

All of these documents have police stamps on them and cannot be questioned again.

So on the Internet, those who opposed Jasmine Tong are back to supporting her again.

“After suffering so much and yet still holding on, it seems that Manny really loves acting.”

“Song Yiwen, get the hell out of the entertainment industry. You’re not much of an actress, but you only know how to do these dirty tricks.”

“We all owe Mandy an apology, continue to support her, and we will stand by her no matter what happens in the future.”

The storm is finally over.

The media’s collective crusade to clear Jasmine Tong’s name also began.

Jasmine Tong is back out filming and the romantic journey is back on.

Although things were cleared up and the storm was over, Jasmine Tong was still not happy.

Why did Albert Ou completely ignore this matter, no matter how much they were still husband and wife now, not to mention that it was still this kind of small third child affair, Albert Ou should not sit idly by in any case.

But he preferred to really not care about anything.

That’s what chilled Jasmine Tong the most.

Because of this storm, the filming of the romantic trip was delayed for over a week, so suddenly the schedule was tense.

Jasmine Tong began filming in earnest, forgetting about these things for the moment.

Artisan International

From time to time, a cry could be heard in Rameen Tong’s office.

Song Yiwen is begging for it.

Rameen Tong was intentionally avoiding her these days, but she still caught her.

“Sister Rameen, you mustn’t sit idly by, I’m doing this all for you, you must help me, help me.”

Song Yiwen is like a street rat these days, using such despicable tactics in the entertainment industry and getting a check on her.

There's no turning back for her now.

"For the sake of me Matilda, you can't just say that ah You were the one who said that you were unhappy that Jasmine Tong stole your endorsement in the first place, I was just saying that I could give you a hand if you're willing"

At first Rameen Tong found out that Song Yiwen secretly cursed Jasmine Tong, which revealed the feud between Song Yiwen and Jasmine Tong.

"Sister Rameen, please help me."

"How am I supposed to help you when you've gotten yourself into this mess?"

This kind of pig teammates, Rameen Tong disgusted, a good hand of cards was played by her to a pulp.

She had the audacity to expect that she would help her.

"Sister Rameen, if you don't help me this time, I'll really be finished At any rate, I'm a member of the Artsin International."

"You still know that you're a member of Yixin International ah, you made this thing, to Yixin International smear enough isn't it enough for an artist like you, should have been snowed away long ago."

Rameen Tong was filled with a look of contempt.

"Rameen" Song Yiwen collapsed on the floor.

In fact, Yixin International has made her apologize on Twitter and announced that she's quitting the entertainment industry, and like her, there's no way to wash her hands of it.

Rameen Tong looked at her, "Wen Wen ah, why don't you go home first, if there is any news from here, I'll tell you, don't worry, I'll give you a walk around."

"Then I'll thank Rameen-san first."

Song Yiwen stood up like a walking corpse and walked out of the room.

Of course, Rameen Tong couldn't tear her face off, she couldn't afford it if Song Yiwen took a bite out of her.

Jasmine Tong's mood was so low this time that even Harsh could tell she wasn't in good shape.

But harshness is understandable, after all, no one can get over it all at once when a new star who hasn't been around long enough runs into something like this.

For Jasmine Tong, the harshness wasn't too harsh and instead the filming slowed down to give her some buffer time.

The Romantic Journey was filmed in a particularly wide selection of locations, sometimes with only one scene in one place.

The crew and actors are suffering, especially Jasmine Tong, who is in basically every scene and has to follow the crew all over the world.

Jasmine Tong didn't expect to run into Albert Ou in S City.

There were a few scenes to be filmed in the s. The crew was temporarily stationed in a hotel and stayed in a fancy hotel because it was more than adequately funded and the harshness also took into account that everyone was very hard working.

When she returned from closing for the evening, Jasmine Tong came back with a lot of fatigue.

It was cold, so Lu Wei Ran gave her a dress.

"Wei Ran, you've had a hard few days, so I'll give you a few days off when I get back so you can rest and relax." Jasmine Tong smiled towards Lu Wei Ran.

Thanks to the care of Lu Weiran by her side during this time, otherwise she would have trouble eating.

"Mandy, don't be so polite, this is supposed to be my job."

As the two men were talking, they saw the tall, majestic figure at the end of the hallway.

When she saw him, Jasmine Tong was stunned.

What's he doing here? Is he here to see himself?

In fact, it was not too easy for him to know where he was.

Jasmine Tong was expressionless, they hadn't been in touch for a long time, before, Albert Ou was known to send him a message, though only a few words.

But since the last fight at home, there weren't even a few words between the two of them.

Jasmine Tong just stood there, not speaking or moving.

Albert Ou's footsteps mingled with the sound of her heartbeat.

Albert Ou was still as condescending as a king.

As he slowly approached her, Jasmine Tong's lips couldn't help but gently turn upwards.

This is the natural time to come to her.

Chapter 193

Just when Jasmine Tong thought that Albert Ou was coming for her.

She was almost ready to speak, her mouth already open.

But Albert Ou passed her by.

Walking directly towards him, he told Lu Wiran to press against the corner.

Jasmine Tong remained in the same position she was in earlier.

Lu Wei Ran was shocked, only to feel his back stiffen as if he was frozen.

Albert Ou's face had a cynical smile on it.

"Am I handsome," Albert Ou's voice was flirtatious.

“Handsome of course.” Lu Wiran looked at Albert Ou, with his bewitching face, and couldn’t help but blush a little.

“How handsome” Albert Ou raised the corner of his lips upwards, his blue pupils seductive as hell.

“Ou is always the most, most handsome man I’ve ever met.” Lu Wei Ran stammered in reply.

Her heart had been like a deer in the headlights, this was the first time she had been this close to Albert Ou.

God, this was the man she’d almost slept with.

Not only is he rich, but he’s also such a handsome mess.

Thinking of this, Lu Wei Ran’s hatred for Jasmine Tong increased by two points.

“Oh yeah” Albert Ou smiled evilly, “Room 808, come see me later.”

“Yes,”

After saying that Albert Ou didn’t even look at Jasmine Tong, he prepared to leave.

Hearing such a conversation, Jasmine Tong really couldn’t contain her anger.

It was too much for him to take another woman and now he was in front of her, flirting with another woman and inviting her to his room in the middle of the night.

“Albert Ou you’ve had enough, don’t you think this is outrageous” Jasmine Tong turned her back to Albert Ou and clenched her hands in her fists.

“Excessive” Albert Ou turned around and looked at Jasmine Tong’s back, “I’d like to hear where I’m excessive”

“I’m your wife,” Jasmine Tong almost growled out.

“Oh, so,” Albert Ou was not touched in the least.

“Could you be a little more restrained in front of me?”

“You don’t love me anyway, you care who I love, who I talk to, and who I flirt with Jasmine Tong, you are indeed my wife, but whether or not you are my wife is up to me to decide.”

After saying that, Albert Ou winked at Lu Wei Ran, “I’ll wait for you.”

He left straight into the elevator.

Jasmine Tong returned to her room, with Lu Wei Ran following her.

Once back in the room, Jasmine Tong went straight into the bedroom and never came out.

Her room was a suite, and Lu Wiran and her were housed together in two rooms.

She heard the sound of Lu Wei Ran washing up, I’m afraid there are many women in this world who would love to be able to have some kind of relationship with Albert Ou!

The sound of the water flowing stopped and she heard Lu Wiran open the door and go out.

At that instant a tear slowly flowed down the corner of her eye.

Albert Ou, why are you doing this to me?

If he was entangled with Qin Liyuan, it was because they were already close before.

But what about Lu Wei Ran?

Is he so promiscuous now that any woman can crawl into his bed?

Jasmine Tong didn’t dare to think about it.

Room 808.

The moment Lu Weiran went out, her mood was incomparably leaping, the moment she dreamed of had finally arrived.

It’s no lie that she was a special forces soldier before, and it’s no lie that she later retired as a fitness instructor.

But it wasn't her decision from the moment she entered the army.

Her family was very poor, her parents' income was very meager, yet she continued to have children over and over again, and there were five siblings in his family.

She dropped out of school at home at an early age, and when she was 18, her parents couldn't afford the family's burdens, so it just so happened that that was when the draft for female soldiers began, so they sent her to the army, where she was treated very well and even subsidized the family with tens of thousands of dollars.

Her parents, who had tasted the sweetness, asked her to work hard in the army.

When she heard that the army was recruiting special forces, she asked her to go to the special forces.

At the time, she was also stupid and wanted to improve her family's situation, so she played hard to improve her health and squeezed into the Special Women's Army unit.

She gritted her teeth in a place of such inhumane treatment.

But one time, she came home to find that the family is still in the house, entered the special forces, the army to the family allowance of a lot of money, her own allowance also rose a lot, all of this money sent back home, but did not expect the family is still this situation.

And his parents are still asking her to work hard to get credit and try to earn more money for the family.

At that moment she finally realized that she was nothing more than a money maker for her family, that she was out there fighting for her life while they enjoyed the money she had traded her life for, but they weren't giving her a good look.

So she made a deliberate mistake and was sent home from the army to work as a fitness instructor in the metropolis.

But after all the suffering, she was not happy to just be a little fitness instructor.

So, when John Quan approached her, she barely hesitated, knowing that she would no longer be a humble existence once she climbed up to Albert Ou.

Lu Wei Ran put on his best clothes and sprayed on perfume and did a good skin care routine.

Finally.

She knocked lightly on the door and it was Albert Ou who opened it.

When Albert Ou aimed a glance at her, he just sat down on the sofa with his legs crossed, sipping red wine, without a single expression on his face.

“Mr. Ou, are you coming over here on business?”

Although he had been born into death, it was after all the first time he had done such a thing, and Lu Wei Ran seemed a little nervous.

Albert Ou ignored her.

Lu Wei Ran tried to take a breath and walked over to Albert Ou’s side.

“Mr. Ou, let me give you a shoulder rub.”

She’d also seen a lot of women accompany men to the gym, and she’d learned that most of these women were two-timers at what they did best: wait on men.

She had just put her hand on Albert Ou’s shoulder when Albert Ou opened her hand.

“Do you like me that much,” Albert Ou finally opened his mouth.

“What woman in the world doesn’t like Ou?”

“Yeah? Then tell me what all these women under the heavens like about me.”

“Mr. Ou is tall, handsome and rich, and so smart, so naturally everyone likes him.”

Albert Ou smirked, yeah, he could hardly find a single flaw in him, but a certain someone just didn’t like it.

“Ou it’s getting late, let’s go to bed.”

Lu Wei Ran with some shyness.

Albert Ou didn’t say anything.

“If Ou doesn’t want to take a break yet, why don’t we watch a movie or something.”

Lu Wei Ran tried everything to win Albert Ou’s heart, this might be her only chance and she didn’t want to give it up just like that.

## Chapter 194

Albert Ou didn’t move.

Lu Wei Ran thought that Albert Ou was not moving because he wanted her to take the initiative, after all, there were many men who really liked women to take the initiative.

Lu Wei Ran boldly walked in front of Albert Ou and she squatted down, ready to help Albert Ou take his shoes off.

“Get out,” Albert Ou said coldly.

Lu Wei Ran was first stunned, she didn’t know where she had offended Albert Ou.

“Mr. Ou, you,”

“Get out,” Albert Ou snapped.

“”

“I told you to get the *fck out of here, you hear me? Get the fck* out of here and don’t make me say it again.”

Albert Ou’s face had changed so quickly, and it was something Lu Weiran hadn’t expected.

It is said that accompanying a gentleman is like accompanying a tiger, and the saying is true.

Lu Wei Ran didn't dare to stay any longer and immediately exited the room.

It seems that Albert Ou doesn't really want her to serve him, it's possible that he's angry with Jasmine Tong.

Lu Weiran shook his fist, it seems that Jasmine Tong is still in the middle of them.

She thought carefully about it and decided to return to Jasmine Tong, after all, she had no other choice.

But she wasn't going to let this opportunity go that easily.

Lu Wei Ran immediately ran back to her and Jasmine Tong's room.

At this time Jasmine Tong hadn't slept yet, where could she sleep?

Before returning, Lu Wei Ran tore his clothes hard and scratched out a few bruises on his body, his hair spread out in a cape.

"Manny, Manny, are you asleep?"

Lu Wei Ran suddenly came over to break down the door, Jasmine Tong also did not expect this, she immediately got up and opened her bedroom door.

"What?"

Jasmine Tong opened the door and was also shocked the moment she saw Lu Weiran, she turned into this appearance.

The clothes were obviously torn with great force and there were many bruises on the body.

It's on your toes to imagine what happened.

Lu Wei Ran threw himself on his knees in front of Jasmine Tong.

"Mandy, forgive me, forgive me, I'm begging you, okay"

"What's the matter with you Wiran, get up, get up and talk."

Jasmine Tong goes to help Lu Weiran, but Lu Weiran kneels on the ground and doesn't get up.

She was in tears.

“Mandy, if you don’t forgive me, I won’t get up.”

“How did you get into this mess?”

In fact, Jasmine Tong also knows in her heart, wasn’t she also tortured to death by Albert Ou at first?

“Mandy, you know, I was hired by Ou, he told me to go over there, I couldn’t not go over there or I’d lose my job, but I didn’t expect Ou he”

Lu Wei Ran bit his lip, bleeding raw, and tears fell down.

She hadn’t finished her sentence, but Jasmine Tong had been clear about it.

“Okay, get up.”

“Then will you forgive me” Lu Wei Ran raised his head and looked at Jasmine Tong with tears in his eyes, “I have many brothers and sisters at home, they still expect me to support them, Jasmine Tong, you must never forgive me”

“Come on, get up, I know you’re forced to do the same, get up and get a good night’s sleep.”

Lu Wei Ran wiped the tears from his face, “Then you are forgiving me.”

“I forgive you, and I don’t blame you for this.”

What woman would have the means to break free from that devil Albert Ou.

All the women in the world want to climb into his bed, but only Jasmine Tong herself understands how terrifying his bed is.

Lu Wei Ran stood up, “Thank you, Manny.”

Jasmine Tong forced out a smile.

Lu Wei Ran returned to his room, adding a fierce color to his eyes.

Albert Ou, don’t you want to use me to make Jasmine Tong mad? Okay, I’ll help you, so you won’t be able to clean up this mess.

Jasmine Tong lay tossing and turning on the bed, and he actually did something like this

She was grief-stricken, but there was nothing she could do about it.

She had no initiative in this marriage from the beginning.

After a few days, Jasmine Tong gave Lu Weiran a leave of absence, hoping she could calm down her mood, a girl encountering such things naturally unhappy heart.

That's why Lu Wei Ran has been staying in the hotel for the past few days.

The crew is going to be in S City for a few more days, and some things haven't been arranged yet.

It just so happened that Xu Xingru had arranged a job for Jasmine Tong in S City.

In S City, if you ask the number one luxury family, it would be the Huo family.

Huo's jewelry enterprise is second to none in S City, and if it comes to jewelry, Huo's is one of the best in the country.

Huo's jewelry enterprise, which celebrates its anniversary every year, invites many celebrities to come and help out.

It would be a star-studded honor to be part of the anniversary celebration of the Huo jewelry business.

This year Jasmine Tong got the invitation.

It just so happened that Jasmine Tong came to the event while she didn't need to film.

The event was really star-studded, with various stars shining brightly.

Because it is the first time to participate in such an event, coupled with the fact that it is in S city, Jasmine Tong did not prepare much, and compared to other stars, the clothes worn are indeed inferior.

At this event Jasmine Tong ran into Rameen.

The big event of Huo's anniversary celebration was still the jewelry exhibition and the dinner in the evening.

The dinner was held in Huo's jewelry building, and the sides of the dinner were filled with clear glass display cases, and under the lights, the jewelry gave off a charming shine.

The place is surrounded on all sides by security personnel, densely packed.

The stars can admire the jewelry or just dine.

Jasmine Tong didn't have much knowledge of jewelry, so naturally she sat on the side.

Many celebrities are surrounding Madame Huo, and these stars are all lovers of jewelry, and with Madame Huo's status, who wouldn't want to suck up to her?

The CEO of Huo's jewelry enterprise is Huo Yulong, and his wife, Chu Runzhi, is dressed in a pale green cheongsam that sets her off in a noble and elegant manner.

"Where is Miss Rameen Tong" Chu Runzhi suddenly asked.

Rameen Tong is clearly a little flattered that she and a few celebrities are in front of a glass display case admiring the jewelry that Huo has on display today.

"Oh my gosh, finally meeting the real person, you know what I love so much about your pictures of the ultimate spoils."

At this moment, Chu Runzhi is like a little fan, holding Rameen Tong's hand and mouth.

Rameen Tong never thought that Chu Runzhi would be her fan!

"Mrs. Hawk is truly overrated."

"I watched it with my kids, it was about to kill us with laughter, it was so well shot, I can't believe I'm old enough to be starstruck."

Many celebrities are casting envious glances at Rameen Tong, who is Chu Runzhi's idol, but they can't get Chu Runzhi to talk to them.

“Miss Tong, do you have any jewelry you like today? I’ll give it to you as a welcome gift.”

The words drew even more envious voices from many people.

You know that Huo’s jewelry is all high-end and valuable.

“That’s not a good idea Mrs. Hall.”

## **Her Bossy Yet Naive CEO Chapter 195 - 197**

Chapter 195

Chu Runzhi shook her head loftily.

“Nothing to be embarrassed about, Miss Tong likes that it’s my Huo’s face.”

Saying that Chu Runzhi took Rameen Tong’s hand, she admired it on the display case.

The other stars, really, couldn’t even get into the conversation.

Seeing Rameen Tong looking at a jade Goddess of Mercy, stunned out of her mind, Chu Runzhi immediately ordered the jade Goddess of Mercy to be packed up and given directly to Rameen Tong.

Rameen Tong thanked them one after another.

“Miss Tong is too kind, as long as you like it. I don’t know what Miss Tong has been filming lately ah I’ve been idle lately, chasing dramas at home, there’s really nothing to see.”

I can see that Chu Runzhi is really like Rameen Tong, that part of the desperate favorite, although the back reputation is not good, for Rameen Tong’s acting skills also questioned a lot, but did circle a lot of fans.

Rameen Tong meowed at Jasmine Tong, who was eating on the side, and suddenly her face became a little sad.

“Mrs. Fowler, I’m not going to lie, it hasn’t been developing very well lately, and I made a movie that hasn’t been released yet.”

Chu Runzhi immediately frowned.

“How could it be that your fiancé isn’t Ellen Ron? Ellen Ron is the boss of Yi Xin International, he will more or less take care of you ah Besides, your drama is so beautiful.”

“Mrs. Huo has no idea ah, although my fiancé is the owner of Artsin International, but I am a person who doesn’t like to rely on my fiancé, so I don’t want him to help me in my career, and it’s true that it hasn’t developed well recently.”

Chu Runzhi pulled Rameen Tong to sit on the seat, looking at her idol, a little unhappy, and naturally, a little anxious.

“Can you tell me what’s going on, it might help you.”

Rameen Tong let out a deep sigh.

“Mrs. Huo, I’m sure you know that in the entertainment world ah, the competition is fierce, some people don’t like proper competition and always like to do little things behind the scenes.”

Naturally, Chu Runzhi could also understand what Rameen Tong said.

“Could it be that you’ve been set up by a villain?”

Rameen Tong nodded sadly.

“The late reputation of the Ultimate Favourite is very bad, in fact, that’s all because the TV station is trying to make money, and it has nothing to do with me at all, who knew that the Internet even questioned my acting skills vigorously, they all said that my acting skills are terrible.”

“How is it possible that I’ve seen so many plays that I think you’re good in them?”

“Even though I’m not from a science background and I’m not as good as some of the actors, I’ve been trying, but the internet has made me out to be worthless, and then I investigated that it was a deliberately bought navy to hack me.”

“Who’s so damned bad that he’s doing this behind the scenes, you tell me and I’ll teach him a lesson for you.”

At this point, Rameen Tong actually squeezed two drops of tears out, making Chu Runzhi distressed and hurriedly handed her tissues.

“Mrs. Huo, we met at first sight, I didn’t want to tell you this, I wasn’t going to come to today’s event in the first place, it’s because”

Chu Runzhi’s eyes rolled.

“Could it be that the person who bought the navy to hack you was among the invited stars”

Rameen Tong nodded.

Chu Runzhi slammed the table, “Who is it tell me quickly, just today I’ll help you teach him a lesson, really, what’s this person who invites the stars, even this kind of person is invited to me, it’s simply smashing our Huo’s sign.”

“It’s that Jasmine Tong.”

Rameen Tong used her hand to point out that Jasmine Tong was sitting quietly eating.

Chu Runzhi didn’t know much about the stars in the celebrity circle, so she followed Rameen Tong’s finger and looked over.

“Let’s go, I’ll give you justice” said Mrs. Huo and prepared to take Rameen Tong’s hand to settle the score with Jasmine Tong.

“Mrs. Huo, this can’t be made, you know how messy relations are in our circle, you can’t make a scene in the open, otherwise she’ll say I’m bullying or something.”

“It’s okay, you don’t have to show up, just watch from here and see what I do to her, this is my place.”

With that, Chu Runzhi raged and went straight to Jasmine Tong.

She sat straight down next to Jasmine Tong and slapped the table.

Jasmine Tong was shocked, and after taking a look at the person sitting next to her, who turned out to be Lady Huo, she immediately got up.

“Good day Mrs. Haw.”

Chu Runzhi snorted, “Where’s the beggar since he came to rub it in my face”

At this time many actresses as well as the media, as well as all walks of life bigwigs all looked over, to know that today’s main character is Chu Runzhi, everyone naturally followed the lead.

Hearing Chu Runzhi say that, everyone immediately looked at Jasmine Tong.  
beggar

It is true that the clothes she wore today were not quite as elegant as those worn by other celebrities, and she was somewhat apologetic about this, but it was a bit too much to call her a beggar.

But Jasmine Tong knew this was Huo’s territory, and he didn’t want to offend Huo.

“Mrs. Huo is really sorry, because I’m still filming over here, I’m quite busy with work, and I was in a hurry to receive the invitation, so I didn’t have time to rush the dress, so I’m really sorry that I’m wearing something casual today.”

Chu Runzhi looked up and down at Jasmine Tong, if it wasn’t for those words with Rameen, she must have thought that Jasmine Tong was a soft and weak girl, now at a second look, she is simply a scheming woman.

You act like you’re weak to get sympathy, but you’re actually darker than everyone else.

“Come on, don’t act like you. I’ve seen stars like you all my life.”

At this time everyone was gathered around.

Countless pairs of eyes looked at Jasmine Tong.

“Let me advise you, don’t engage in those sneaky things in the entertainment industry, you’ve done too much wrong, aren’t you afraid of ghosts knocking at your door in the middle of the night?”

The whole room was in an uproar and there was much discussion.

“What’s this about Mrs. Huo saying that Jasmine Tong is engaging in sneaky business in the entertainment industry?”

“I’m not sure ah, Mrs. Huo said so, that’s eighty percent right, Mrs. Huo won’t do or say anything abruptly.”

“Looking at Jasmine Tong as soft and weak, it turns out she’s not a good person.”

“How else could she be red so fast? You don’t think about the little third party storm a while back, that wasn’t an empty cave either, as the saying goes, flies don’t bite seamless eggs.”

“Mrs. Hall, I’m not sure I understand what you mean by that.” Jasmine Tong’s voice was not humble.

Although she was a person who didn’t like to argue with people, she couldn’t let them bully her for nothing.

“If you don’t understand, then no one in this world understands, so get the hell out of here if you know what’s good for you, and don’t dirty our Huo’s place.”

God, what hatred is this? Trunks told Jasmine Tong to get lost.

Chapter 196

“This Jasmine Tong is too bold to offend Lady Huo.”

“That’s right, that’s right, it’s just that we made a movie that sold well, and we’re tailing off to Born.”

“Jasmine Tong this person is a great shame, being scolded by Lady Huo in front of so many people.”

You all said one thing and I said another, all as if watching a joke.

To be pointed at and yelled at to get out of the house in front of so many people, whoever it was would have been humiliated.

Jasmine Tong’s face was red and white as she nodded towards Chu Runzhi and strode away.

The media were taking pictures.

Chu Runzhi has always been jealous, she has never been afraid of offending anyone, so she says what she has to say.

Could it be that Jasmine Tong's mistress controversy some time ago let Chu Runzhi know some truth that others don't know, or that Jasmine Tong relied on means to get to the top, so that Chu Runzhi is not ashamed.

The media naturally has reason to speculate.

Rameen Tong looked at the mess Jasmine Tong was in and finally felt more comfortable.

The most annoying thing about Rameen Tong is that Ellen Ron even sent her a message.

As long as you don't get rid of Jasmine Tong, the stone in Rameen Tong's heart won't be able to land.

It's not just a matter of time, it's also a matter of time before you have a chance to get to know each other better.

Chu Runzhi returned to Rameen Tong.

"Miss Tong, I've already chased that man away, so now we can talk in peace."

Rameen Tong smiled slightly towards Chu Runzhi.

"Thank you so much, Mrs. Fowler."

"You're welcome, you're welcome, this kind of person, shouldn't have been invited over, I just heard someone talking about a third child or something like that, this Jasmine Tong, could it be that she's also meddling in someone else's marriage."

"That's what the news said, that she was a third party and was approached by someone's wife and slapped in the face, supposedly because she was trying to force the marriage with her child, but they went bankrupt and she immediately aborted the child."

Chu Runzhi stared in amazement.

“There is even such a woman God, the tiger’s poison is not yet eaten by the child it even take the child as a tool for their own use, can not be used immediately aborted this kind of woman, the entertainment industry should ban her.”

Chu Runzhi was filled with righteous indignation.

“But then her agent has come out to dispel the rumors, so who knows if they’re true or not.”

Chu Runzhi shook her head.

“As the saying goes there is no such thing as no wind, this fly doesn’t bite the seamless egg, then how come people specifically say her, not others? surely she’s not a good thing either.”

Rameen Tong pursed her lips and changed the subject.

This Huo family didn’t have an entertainment industry, but offending the Huo family wouldn’t be a good thing for Jasmine Tong.

Just wait and see, Tong Koman.

This evening, Chu Runzhi had been with Rameen Tong, and even finalized a direct endorsement for a newly launched jewelry line with Rameen Tong.

It would be a great honor for an actress to get the endorsement of Huo’s jewelry.

Rameen Tong felt her luck returning.

It’s 10:00 p.m. when the anniversary celebration of Fowler’s Jewelry Enterprises is over.

Chu Runzhi returned to the Huo family in a stretch Lincoln.

The Huo family is an antique mansion, and it is said that Huo Yulong and his father were so fond of antiques and curios that they purchased the late-Qing era mansion at great expense, renovated it, and the family moved in.

The mansion has a long history and has an antique smell everywhere.

As soon as Chu Runzhi entered the door, a young man of about eighteen years old immediately sprang out.

“Mom, did you get me Tong’s autograph yet?”

The young man seemed very excited, tall and strong, with a slightly younger face and particularly bright and penetrating eyes.

Huo Sijie, Huo Yulong’s son.

This boy went to college this year, in Slivestopol’s art school, before going to school about Saturday Sunday to come back, but, this boy a month a month to see no one, every time to rush back to a trip.

This time it’s a good thing that you came back on your own ass.

It turns out it’s because Fok’s Jewelry Enterprises has hired Jasmine Tong for its anniversary celebration.

Chu Runzhi slapped her head, “Ouch, I forgot about this.”

When her son told her that he wanted an autograph, she was in a hurry to go out and didn’t pay much attention to it, and when Rameen Tong told her about Jasmine Tong, she was so focused on fighting for her idol that she forgot about her son’s idol.

But she can’t say that she drove Jasmine Tong away, then if her son finds out, he will have to turn against her.

“Mom, why are you like this? I came back for this signature and you’ve forgotten.”

Upon hearing that there was no signature from Jasmine Tong, Huo Sijie became a little annoyed.

“Jie, what’s so good about that Jasmine Tong ah Ma at the celebration, but I heard that she has a bad character, stealing other people’s roles not to say, but also always like to do some small actions behind the scenes, unfair competition how do you like such people”

As soon as Huo Sijie heard that his mother had so slandered his beloved idol, he became even more annoyed.

“Mom, who are you listening to this nonsense ah Little Mann’s character is good she would never engage in those things, that’s all rumors from other people.”

Hosier immediately theorized.

“Rumor mongering is a fly that doesn’t bite into an egg. You, on the other hand, only look at the surface.”

Chu Runzhi poked Huo Sijie in the head.

“Is it me who looks at people on the surface, or is it you who looks at people on the surface ah, you like Rameen Tong, Rameen Tong that acting is embarrassingly good, okay the Ultimate Favourite that is all based on hype, our Jasmine Tong that is only based on acting red”

One old man and one young woman began to argue over their respective idols.

The man inside came out at the sound of a voice.

“What’s the noise here? It’s the middle of the night.”

Huo Yulong walked out from inside, and with him was the Leng Lords who were being supported by the maids.

Leng Lords face is still somewhat pale, the last time Albert Ou that kick directly broke two of his ribs, injured muscles and bones for a hundred days, he still has not fully recovered.

After his last injury, he returned to the Huo family.

He’s Huo Yulong’s adopted son.

“Baron,”

Huo Sijie immediately walked up to the Cold Lords.

“Brother Baron, are you feeling better?”

“Much better, JJ, you haven’t been back for so long, why did you fight with your godmother as soon as you came back”

“Who is happy to fight with her I clearly told her this morning to ask for Jasmine Tong’s autograph for me, even if her autograph didn’t come, she still slandered my idol, can I not fight with her?”

Huo Sijie also felt oddly aggrieved.

“Wanting Jasmine Tong’s autograph ah this is easy, I’ll take care of it.”

Huo Sijie’s eyes brightened.

Chapter 197

“You’re serious, Lords,”

“Really, when has the baron ever lied to you?”

“Then let’s make a deal, you don’t want to be like Mom and forget about it”

Leng Lords touched Huo Sijie’s head.

“Come on, go to bed, it’s getting late.”

Leng Lords patted Huo Sijie’s shoulder.

“Little brother, then I’m all counting on you, you’re still the most reliable, my mother can’t be trusted at all” said Huo Sijie, who couldn’t help but take a glance at Chu Runzhi.

“This brat, he hasn’t even married a daughter-in-law yet, he has an idol and has forgotten about his mother, this will be a problem if he marries a daughter-in-law later” Chu Runzhi also hastily spat out.

The family laughed.

Huo Sijie didn’t stay long, so he went back to his own room.

After a long day of activities today, Chu Runzhi was tired and didn’t stay long, so she went back to her room and went to sleep.

Only Huo Yulong and Leng Lords were left in the living room.

Huo Yulong looked up at the moon outside the window.

The moon hung high in the sky, and all was quiet and peaceful around him.

His expression looked forlorn.

“Godfather, do you have something on your mind “Leng Lords can always see through Huo Yulong at a glance.

“I remember when I was a little girl and we were a family of four and we always sat in the yard and watched the moon.”

“A family of four.”

In the meantime, Leng Lords, since he entered the Huo family, it has always been, Huo Yulong and Chu Runzhi two people with Huo Sijie and Huo Siya.

The two seniors above passed away a few years ago.

If Huo Yulong was a child and not yet married, how could there be four people in the family?

Huo Yulong looked to the Leng Lords, “Lords, are you going to sleep? If you don’t want to sleep yet, come with me to the study.”

“Good.”

Leng Lords followed Huo Yulong directly to the study room.

The Huo family’s study was also antique, with neatly arranged books on rows of shelves, and not only were the shelves and room antique, but so were the books.

Huo Yulong and his father were both fond of antiques and antiquities, so they collected a lot of old books.

The cold owl in this study is a rich harvest.

Huo Yulong sat on the pearwood seat and gently pulled open a drawer, taking out a photo album from it.

“I originally had a sister, so we’re a family of four.”

“Oh, so that’s it, how come I never met my aunt.”

Huo Yulong smiled faintly and did not reply.

It was only after a long silence that he looked through the album.

“My sister, it’s a family scandal, so it’s never mentioned.”

Leng Lords listened quietly, not interrupting Huo Yulong’s words.

“My sister is seven years older than me, and when I was young, my father was very busy, so she was always there for me, and we’re very close siblings. My sister has been a meek and good girl since she was a child, but no one could have imagined that she would grow up to do something that would bring shame to the family.”

Leng Lords was silent, quietly looking at Huo Yulong, he could tell that this past was a wound in Huo Yulong’s heart.

“It goes back 30 years ago, my sister came home one day and she suddenly announced at the dinner table that she was getting married, she was only 20 years old and she was in college, it definitely seemed like a joke, but no one had any idea that it was true.”

“When my sister said she wasn’t joking and was already engaged to the man she was going to marry, my father was so shocked that he locked her up and forced her to reveal who the man was, but my sister didn’t let up. Father has a very violent temper and he beat up his sister all over the place, but she still defends the man.”

“I was only 13, I didn’t know a lot about a lot of things, and that night my sister tricked me into stealing my father’s keys and letting her out of her room, and she told me that she was leaving and never coming back, and I really thought she was joking, but I never saw her again.”

“She eloped with the man, and the father searched for a long time without finding her, and finally decided solemnly that he would never have this daughter again in this world, and even made a newspaper announcement severing the father-daughter relationship.”

“Since then, I’m the only son in the family, no one dares to mention a word about my sister, and my father even burned all the photos of my sister in shock and anger, which I also secretly left behind.”

"It wasn't until his father died that he remembered his sister, but like me, he never forgot her, he just hated her and why he gave up so many people in his family who loved her for a man in the first place."

"I tried, after my father died, to find her, but it's been too long, there's not a single clue, and we didn't know who it was when she was defending that man, and we checked all the school friends related to her without finding out."

Leng Lords shook his head, "There is nothing difficult in the world, but if you want to find it, you can definitely find it."

Huo Yulong sighed silently, "Lords, are you going to leave again after you get well"

Leng Lords nodded his head, "I checked the ancient books and found that there is a big tomb in Slivestopol, I have to go and take a look."

"Slivestopol"

Huo Yulong's thoughts were a little misty.

"What is it, Godfather?"

"A friend of mine said that he once saw someone who looked like my sister in Z. Maybe my sister is in Z."

"Oh, what a coincidence, I'll go then, just in time to snoop around for you, can you tell me more about my aunt's features."

"My sister is 50 years old, and I don't know what she looks like now, but I just remember that she has been very thin and beautiful since she was a child, and was once the acknowledged beauty of my generation."

"Is there a picture you can show me?"

"Yes, come here."Huo Yulong beckoned towards the Cold Lords.

That album is very old and you can tell some of the years are gone.

"Only the pictures taken back then are rather blurry and you can't see them very well, I'm afraid."

Huo Yulong opened the photo album and took it to Leng Lords.

The Cold Lords looked through the photo album, and it really wasn't clear.

For one thing, 30 years ago, the technology of taking pictures was not as good as it is now, and for another, back then, people liked to take pictures of their families and the like, all of them were distant scenes, so they couldn't see their faces clearly, and all the pictures back then were black and white.

Plus the photo is many years old, vaguely faded, and in some cases, the face is not even visible.

There are still some photos burned in half.

"My father was very angry back then and originally burned all the photos, I was the one who carefully collected them, but they had been damaged by then too."

Leng Lords still look through the photo album, trying to find a relatively clear one, at least he must be able to see the person's face, otherwise finding this person is like finding a needle in a haystack.

"Oh, good thing there's this one" Huo Yulong pulled out a picture, a picture of him and his sister.

The Leng Lords were stunned when they saw the person in the photo.

## **Her Bossy Yet Naive CEO Chapter 198 - 200**

### **Chapter 198**

The photo is similarly old, but because it's of two people, Huo's sister, holding her in her arms, closer to the camera, it's pretty clear.

This was to the point where the face entered the cold lord's pupils, the cold lord was completely stunned.

"It's not,"

Huo Yulong, looking at the Cold Lords, "What's wrong, Lords you've seen"

That face is very similar to Tong Siu Man's.

The cold lord nodded, "I have a friend who looks just like my aunt in this picture."

Huo Yulong's hopes were raised.

"How old is he?"

"Twenty-two years old."

"Oh,"

Huo Yulong was like a deflated temper, and the flicker of hope that had just been kindled was instantly dashed.

"Unlikely,"

"How,"

"I was young, but I was very close to my sister, so I used to eavesdrop on my parents' conversations, and my sister was stubbornly trying to elope because she was pregnant, and that child of hers, if she had been born, would have been nearly thirty."

Although Huo Yulong was clear that Xing could have another child, but also knew that his sister Huo Yurou's health had been poor since childhood, and back then the doctor had concluded that it might be difficult for Huo Yurou to have a child.

If the girl was only twenty-two, that means her sister was twenty-eight when she was born, so how is that possible?

At this point, the Leng Lords also began to doubt, as he had never heard of Jasmine Tong having a brother or sister.

"Oh, so that's it."

"My sister grew up in poor health, she was a medicine jar since she was a kid, and then her parents made her take cheerleading lessons and more physical exercise before she got a little better."

cheerleading

The Leng 冷 heart “thump” about, Jasmine Tong also used to jump cheerleading, why would be such a coincidence?

However, he didn’t say anything, after all, he wasn’t sure about this matter, it wouldn’t be good if he disappointed Huo Yulong again.

What’s more, he was also clear that he hoped Jasmine Tong’s mother wasn’t Huo Yurou, otherwise, their siblings would never see each other again.

Because the Cold Lords know that Jasmine Tong’s mother has been dead for many years.

Huo Yulong patted the Cold Lords’ shoulders.

“Lords, there are quite a few people in the world who look like seven or eight, and there’s no fuss about it.”

“Also right.”

Huo Yulong handed the photo to the Cold Lords.

“Take this photo and help me look for it in Z. If you can’t find it, forget it, it’s been so many years anyway, if she wanted to come back, she’d probably have done so by now.”

The Cold Lords nodded.

“Go to bed, Godfather, and I’ll take another look at these pictures in the study.”

Huo Yulong didn’t refuse, and also took out a diary from a locked drawer.

“This diary was left by my sister before, I’ve been secretly hiding it, but I couldn’t really find anything of value in it, you’re smart and thoughtful, you might be able to find something.”

“Good.”

“Take your time then, I’m going back to my room.”

Huo Yulong said and left the study.

The Cold Lords sat in their chairs and looked at those pictures again.

This woman says she looks like Jasmine Tong, and she also looks like her, and she says she doesn't look like her.

This woman was completely soft and meek, but Jasmine Tong was in a completely different state, stubborn, with an unyielding brow.

A completely different vibe.

You can carefully compare the eyebrows, eyes, nose, and mouth, and individually, they do look alike.

The Cold Lords looked through the diary, which was more of a running account, really no reference value.

He stood up, ready to look for something of value in the study again.

In the deepest part of the shelf, he saw an old, completely yellowed book.

Ancient Tantra.

Leng Lords surprisingly took the book out, remembering that he had seen this book on the Internet, which recorded many strange and bizarre things that happened in the ancient times.

He immediately took the book out carefully and placed it on the table to read it.

These days of recuperation in the Huo household had been plagued by one problem, that of Albert Ou.

He clearly saw that the dagger that had cut Albert Ou's arm was stained with blue liquid.

As he flipped to the middle section, he finally found the answer he'd been looking for for so long.

hotel

When she returned to the hotel from the celebrations of Huo's jewelry enterprise, Jasmine Tong was also very unhappy in her heart, being humiliated for no reason and being thrown out like that straight away.

Anyone else wouldn't be happy about it.

As soon as they returned to the hotel, Mo Yiang's phone call came in.

"Manny, I'm coming over to S City today, how about a date"

"What's a date in the middle of the night?"

"It's only in the middle of the night to ask for a date in broad daylight, I'd be happy to do it, aren't you old man afraid that the paparazzi will find out about the scandal that broke us? Hurry up and come out, I'm looking for you for something."

"Okay."

It's not much of an interest, but it's nice to get out there.

The two of them discussed the time and place, and Jasmine Tong left the house.

Mo Yiang and Jasmine Tong met in a restaurant, when Jasmine Tong arrived, Mo Yiang has already ordered a table for supper, the most is spicy crayfish.

"I tell you, s city this spicy crawfish most delicious you do not come to eat regret for life"

Saying that, Mo Yiang began to munch on it.

Jasmine Tong likes to eat spicy, Mo Yiang also likes to eat spicy, the two of them in terms of taste that is very compatible.

On Huo's side, Jasmine Tong was also not full, so she and Mo Yiang ate up.

The two men ate and drank their fill.

Mo Yiang hiccupped and patted his stomach.

"What's up, brother?"

Jasmine Tong nodded, "Not bad."

"But it's a little less than your exclusive secret one."

“They’re old-fashioned, I’m just messing around with my own, how can I compare.”

Jasmine Tong wiped her mouth with a paper towel.

“Didn’t you say you were looking for me for something? You came here to have crawfish with you.”

“Eating crawfish is the first thing, and the second thing.”

Saying that, Mo Yiang wiped his hands and pulled out a notebook from his backpack and handed it to Jasmine Tong.

Jasmine Tong brought the book over and almost went blind.

What kind of a book is this?

The whole body is pink and covered with childish stickers, the whole book feels like a bling-bling!

“Your tastes are getting the better of you now.”

Jasmine Tong threw the notebook directly into Mo Yiang’s arms.

“Hey, don’t throw it and break it, you can’t afford to pay for it.”

“A broken book, why can’t you pay for it?”

“Say you can’t afford to pay for it.”

Mo Yiang took out another pen from his backpack, this one is even more amusing, it’s also pink.

“I’m going to Black Earth, you’re really getting sick, you big man.”

“I said Jasmine Tong, can you stop assuming, will you let me speak?”

Pink book, pink pen, what the hell is this product doing?

Chapter 199

“What the hell are you doing, Black Earth” Jasmine Tong quirked her eyebrows, really couldn’t guess what the man was thinking about.

Mo Yiang looked helpless.

“Oh hey, my aunt, what can I do ah let you sign just to help my sister want it.”

Jasmine Tong looked at the slutty pink two-piece book and pen, it did look like a little girl’s house.

Turns out it was just a signature, and she was really overthinking it.

“My sister is a fan of yours and has told me several times to ask for her autograph, but the last few times I ran into you, I forgot.”

Jasmine Tong brought the slutty pink notebook and pen over.

“What’s your sister’s name?”

“Mo Yi Xin, day catty that Xin.”

Jasmine Tong laughed, “Your family shouldn’t all be one-dimensional,”

“That has to be, my family that has to be all no.1.”

Mo Yiang proudly raised a finger.

Jasmine Tong admittedly wrote some blessings in the notebook and signed her name.

Mo Yiang’s eyes swiveled around, lying on the table, “Hey, Manny, do you know what my sister said?”

“Say what?”

“He said, brother, you should just chase Jasmine Tong home, look at the two of you on Weibo, so in love.”

Mo Yiang said this with a deliberate inflection, following his sister’s tone of voice.

plop!

“As soon as I heard that, I knew you were a sister to follow you, not a very proper one.”

“What’s wrong with being a prude and letting me chase you?”

“If she thinks we’re a good match, she’ll do what you want with your eyes. It’s not normal. Which eye sees how much we love each other, and which eye hates us?”

Mo Yiang slanted his eyes and didn’t continue this topic.

“So how are you and my Uncle Junior doing and are you done?”

Jasmine Tong is also drunk, this guy is really which pot is not to mention which pot.

“As usual, it’s been a long time since we’ve been in touch.”

From Jasmine Tong’s tone, Mo Yiang could tell that Jasmine Tong was exhausted over this matter.

“Okay, okay, I’ll leave it at that, I see you don’t seem to be in a good mood today, didn’t you attend that celebration of Huo’s jewelry or something tonight”

“Let’s not even talk about it, I’m fuming when I mention it, and I don’t know how I offended that Mrs. Huo and threw me out, but you’ll probably see the news tomorrow.”

Jasmine Tong touched her forehead and tidied her hair, these things have really been too bad lately.

“What” Mo Yiang angrily slapped the table, “even threw you out, Jasmine Tong you are not stupid ah you just tell them plainly, your husband is Albert Ou, who f\*cking can not sticking up for you.”

Jasmine Tong glared at Mo Yiang, the more she didn’t want to mention Albert Ou, but Mo Yiang always mentioned the name, she didn’t even want to sit down.

“You’re in trouble, nothing’s wrong, I’m leaving.”

“You see you’re still anxious, isn’t what I said the truth, no matter what, your husband isn’t Albert Ou”

Jasmine Tong really couldn’t help it when Mo Yiang repeatedly mentioned Albert Ou’s name over and over again.

“Will you stop mentioning his name in front of me do you know I’m annoyed”

Jasmine Tong’s words were a direct roar that stunned Mo Yiang.

The two men were frozen for a few seconds.

“Sorry, I’m not in good shape today.”Of course Jasmine Tong knew that Mo Yiang wasn’t his punching bag.

Mo Yiang sighed deeply.

“You’re really stuck in it.”

“What got stuck?”

“You’re not just a tiny bit in love with my brother-in-law, you’re really in love with him, stuck in.”

Jasmine Tong heard Mo Yiang mention Albert Ou’s name again, and she immediately picked up her backpack and hat.

“I’m going back to the hotel, and you should go home early.”Afterwards she strode away.

Mo Yiang sat in his seat, his heart slowly sinking.

That was the last thing he wanted.

If Jasmine Tong hadn’t fallen in love with his youngest uncle, then he might have had even a glimmer of hope, but now that Jasmine Tong was really in love with him, he didn’t even have that glimmer of hope.

Jasmine Tong took a taxi back to the hotel, her head all in Mo Yiang’s words.

“You’re really in love with him, stuck in it.”

Does she really love him that much?

She tried to force herself not to think about it, but every cell in her body was repeating a name.

Albert Ou.

The night was another sleepless one.

The next day.

There is quite a lot of news about Jasmine Tong, mainly the clash between Jasmine Tong and Chu Runzhi.

The media made a lot of bold predictions, saying that Jasmine Tong was making small moves behind the scenes, unfair competition, and rumors of a mistress.

It's also making the rounds, but after all, it's all just a few predictions and no big waves are turning up.

It was just that Xu Xingru had come over instead.

Xu Xingru knew that Jasmine Tong had no plans to shoot these days, and originally wanted to arrange work for her, but considering that Jasmine Tong's shooting was really hard, she let her rest here for two days.

"Sister Xingru, I don't know what happened yesterday, but Madame Huo came directly to drive me away, and I don't know where I offended her."

Jasmine Tong thought that Xu Xingru's arrival was to ask about this matter.

"Oh, you say that, it doesn't matter, it's all just some random media speculation, it doesn't matter, your priorities aren't over here, it doesn't make much of a difference."

"So what brings you to me today?"

If that's not why we're here, then what is it?

What's so important that Xu Xingru has to come all the way out here?

Xu Xingru's face suddenly sank and her expression began to become serious.

"Mandy, there are some things I need you to answer me honestly."

Jasmine Tong's heart thudded when she saw Xu Xingru's expression.

She's not going to ask about being married, is she?

Could it be that John told her about his relationship with Albert Ou Noe?

Jasmine Tong was also torn about whether or not to tell Xu Xingru about the fact that her husband was Albert Ou.

After all, there has to be a minimum of honesty between the agent and the artist.

But she thought about it, since both herself and Albert Ou had decided to conceal their marriage, it was better for no one to talk about it, lest Xu Xingru had any scruples about herself because of Albert Ou's relationship.

"What's the matter, Sister Starru, you're acting weird."

"As you know, Mandy, I told you the first time that we need to be honest with each other, so I want you to not hide anything from me."

"Yeah, so, what's the problem?"

Chapter 200

"Mandy, tell me honestly that you and Quan always didn't have a special relationship."

Xu Xingru's tone was very serious, not allowing Jasmine Tong to say half a word of falsehood.

But when she heard Xu Xingru ask, Jasmine Tong's heart sank, and it turned out that it wasn't Albert Ou, but John Quan.

"How is that possible Starru, you can't be serious."

Tonto grinned to hide her guilty conscience.

Xu Xingru frowned, "There really isn't one?"

"No really,"

"That's odd."

Xu Xingru kinda knew Jasmine Tong well enough to know that she wasn't a liar, so she asked twice in a row, and Jasmine Tong said no, so she believed her.

“Strange what’s so strange about this, how could I have a special relationship with Quan?”

Xu Xingru shook her head.

“Since there’s no special relationship, does that mean that Quan is interested in you and wants to develop a relationship with you.”

“Ha” Jasmine Tong thought this was even more nonsense.

John knows about her relationship with Albert Ou, so how could he fall for her?

“The last time there was a storm over the third child, it was Quan who stepped in to resolve it.”

“What” Jasmine Tong was dumbfounded.

“Hard to believe you thought I was the one who stepped in to fix it... I’m not that big of a person to make that emerging CEO’s wife hold a press conference and just say that she planted the evidence.”

“Jasmine Tong was completely voiceless.

“And there’s no way I can do that with all those bills and stuff from the hospital that have a police stamp directly on them.”

“How?”

Jasmine Tong couldn’t believe it was true.

“Why wouldn’t it otherwise how do you think you got the invitation to the anniversary celebration of Huo’s jewelry enterprise that was also an order from General Manager Quan, in the entire Star King, giving you the resources just second to Qin Yanyan.”

Hearing this, Jasmine Tong was even more shocked

“That’s why, after this matter was resolved last time, I’ve always suspected that you and Quan had some special relationship, and I was too busy solving the problem and you were too busy coming over here to film.”

Jasmine Tong opened her mouth, stunned and unable to say a word.

“Manny, it’s best if you don’t have a special relationship with Quan, there are no shortcuts in the entertainment industry, so you should remember what I said.”

Jasmine Tong nodded.

“It would be fine if you could officially marry Mr. Quan, but with Mr. Quan’s family history, it’s impossible. Quan is always known as a playboy, and at best he’ll throw you off after a little fun, so this shortcut is definitely not to be taken.”

“Sister Xingru, don’t worry, it’s impossible for me and Quan to have any special relationship.”

“I believe you, but, I’m afraid that Quan always really likes you, that’s why he wants to push for you and use this opportunity to get close to you, just the usual tactics of men.”

Xu Xingru snorted, she had seen this kind of thing many times, and she had always despised men like this.

“And no way, there’s no way he’s going to see me.”

Jasmine Tong replied crisply, of course she knew that John Quan couldn’t possibly fancy herself.

“How can you be so sure?”

“Erm I’ve met Quan a few times before, when I was with Ellen Ron, and Quan knows that I’ve been in love with Ellen Ron, so how could he be interested in me.”

Jasmine Tong had to move Ellen Ron out, but she couldn’t move Albert Ou out, right?

Xu Xingru nodded.

“That’s true, or maybe Quan is really optimistic about you and wants to push for a few little flowers to come out.”

If that was the case, Xu Xingru felt it would be good.

Jasmine Tong immediately nodded her head like a little chicken.

Only then did Xu Xingru laugh, she had been troubled by this question for a long time.

“Mandy, then do your best. But I still say that you’re not ready for a relationship right now, you’ll get one then when you’re stable in the community and your fan base is solid.”

Jasmine Tong grinned awkwardly, she was obviously married, so of course she couldn’t fall in love again.

“Alright, let’s have lunch then, I’m going back this afternoon.”

“Good.”

After having lunch with Xu Xingru, Jasmine Tong sent Xu Xingru away and returned to the hotel, but Jasmine Tong’s heart was in a state of shock.

She had always thought that Albert Ou had been sitting idly by in that last storm, but she had never thought that John Quan had done the whole thing.

Jasmine Tong knows John Quan’s very well, and John Quan is not in charge at home, so he doesn’t have much to say.

That’s why the only person who can do that is Albert Ou, who had Zhou Qi hold a press conference to clarify the truth of the matter

She had been in a very low mood and hadn’t thought about the matter in detail, but now it seemed that it was indeed Albert Ou’s doing.

Albert Ou No Ran did this but didn’t show up, instead giving the credit to John.

What is this all about?

Jasmine Tong’s head was a mess, she couldn’t quite figure it out.

But there was one thing that she could figure out, and that was that Albert Ou most likely hadn’t given up on himself.

If you really give up, just get a divorce, what’s the point of bothering her with all this nonsense?

Thinking of this, Jasmine Tong’s heart finally felt so warm.

Dormitory for male students of the Slivestopol Academy of Fine Arts

Yarwen Tong sat in front of the computer and was checking some information, after entering the university, he had a tasty life and every day was full of life.

A fellow dormitory student, Lin Zhihang, patted him on the shoulder.

Yarwen Tong immediately turned his head to look at him.

Lin Zhihang handed over a pink envelope to him.

“What’s that?” Yarwen Tong didn’t answer.

“You child is not stupid ah this can not see the love letters ah” Lin Zhihang picked up the envelope, patted Yarwen Tong’s head.

“Send it from wherever it came from.” Yarwen Tong immediately turned his head to continue reading his information.

“Why are you so unenlightened, you know who gave this to me?”

“What does it matter to me who I love?”

Yarwen Tong wasn’t at all interested in this kind of thing, and besides, he knew his body, and although he was feeling good for a while, he might hang it up at some point.

So it’s impossible for him to fall in love.

Before entering the university, Jasmine Tong had reminded him, intentionally or unintentionally.

Things like falling in love tend to cause mood swings, and his heart condition is the last thing to take the mood swings.

“This is one of the Seven Fairies of Mo Yi Xin and you don’t even want her love letter, your boy’s vision is too high.”

Lin Zhihang was simply dying of jealousy.

The Academy of Fine Arts is famous for having the Seven Fairies, who are the most beautiful girls elected by the students, and Mo Yi Xin is one of the Seven Fairies.
