

## Chapter 351

The plane took off anyway.

It was the first time in the history of the company that the company had been in the process of developing the new products.

She didn't have a cell phone and was on a plane and had no way to contact anyone, so she had to wait until the plane landed.

For over an hour, it was an ordeal.

The plane finally landed.

When the passengers had left, Jasmine Tong left only then, and she walked quickly out of the passage alone.

Jasmine Tong looked around for a pay phone to call from.

She also didn't have a penny on her and couldn't leave if she wanted to.

"Ma'am,"

Suddenly I heard someone call out to me.

As soon as Jasmine Tong turned around, she saw a familiar face, someone she had seen before, who should be the bodyguard by Albert Ou's side.

"Madam, what are you doing here" "The bodyguard was also very surprised to see Jasmine Tong.

"What are you doing here?"

Wasn't Albert Ou's bodyguard following Albert Ou around?

"Mr. Ou just took a plane to S City, my ID card just happened to expire and I didn't make it."

"What is he doing in S City" Jasmine Tong looked at the bodyguard in horror.

“Go find the wife ah we have been looking for a few days Ou just found out that the wife is in the Huo family in S city, so he immediately brought someone over.”

“What? He even found out.”

Jasmine Tong whacked her hand against her palm.

“This is going to be bad.”

Albert Ou found out about the Huo family and knew that the Huo family had kidnapped him, Albert Ou’s character would never let the Huo family go!

Although Jasmine Tong didn’t like her uncle’s ways, she knew that her uncle was also doing it for himself, and if the two sides got into a fight, the consequences would be unthinkable

“Did you bring the money?”

“Bring it.”

“Book my flight for me right away,” Jasmine Tong immediately shouted.

The bodyguard did not dare to slow down at all and immediately took Jasmine Tong to buy a ticket.

Luckily, there was one last flight to S City.

Jasmine Tong took all the money the bodyguard was carrying, then immediately boarded the plane.

“Don’t let anything happen, don’t let anything happen.”

Jasmine Tong prayed silently in her heart.

The Huo family at this time.

“Ahhh,”

A ghostly howl came out of the room, sounding very creepy in the middle of the night.

Huo Sijie was on his knees, and Huo Yulong was swinging the whip in his hand, one by one, towards his back.

Huo Siya hid in Chu Runzhi's arms, never daring to look.

Chu Runzhi knew her husband's temper, she wouldn't dare to go forward to persuade him.

Leng Lords looked also frightened, he suddenly regretted bringing Huo Sijie back.

"Godfather, don't fight."

The first thing you need to do is to take a look at the newest version of this article.

"I'm going to kill him today, the evil bastard has taken my word for it."

Huo Yulong took a few more hard hits.

"The first thing you need to do is to get a good idea of what you're looking at.

"Yes, Kit, confess to your father that you'll never do it again."

Chu Runzhi was so distressed that she was about to cry.

"Dad, I was wrong,"

"You still know how wrong it was to tell you in the first place this little brat is to kill you today, I'm not relieved."

Huo Yulong was still angry and still wielding the whip.

Fiery pain came from the back.

Huo Sijie could see that he was about to kneel down, and the more he thought about it, the more he felt suffocated.

"Where did I go wrong it was hard to get my cousin back, you don't treat her well, but also put her under house arrest people little couple quite happy, you have to break up people."

Huo Sijie has nothing to lose this time.

“What did you say you’re going to tell me again?”

Huo Yulong was simply mad at his own son.

He raised the whip high above his head.

Just at this moment, the maid suddenly ran in.

“No, no, there’s a lot of people outside.”

Huo Yulong silently dropped his hand.

“It’s the middle of the night, what kind of people are coming to tell them, no visitors today” Huo Yulong snapped.

“It doesn’t look like they’re here to be guests, they’re raging, they say they’re here to be wanted” the maid answered truthfully.

“To whom it may concern.”

“Says he wants his wife.”

In the meantime, Leng Lords and Huo Yulong looked at each other.

“It can’t be that Albert Ou came to the door,”

“It’s possible, Godfather, what are you going to do?”

Huo Yulong sneered.

“This is my territory, I’ll see what he Albert Ou can do to me, no matter how great he is.”

Huo Yulong just threw the whip on the ground and walked out, with the Leng Lords following behind.

Chu Runzhi and Huo Siya immediately went to help Huo Sijie.

“Jay, how’s it going? Does it hurt?”

Chu Runzhi’s tears finally barrelled down.

“Mom, that hurts.”

“Deserved it who told you not to listen to your father.”

Chu Runzhi was both angry and distressed.

Huo Sijie grimaced in pain, this was still the most sturdy beating he had ever taken since he was a child.

outside the door

Albert Ou brought his men and stood menacingly in front of the Huo family.

He was also playing with a fine pistol in his hand.

Russel Cheng came up worriedly.

“As the saying goes, Mr. Ou, a strong dragon does not crush a snake in the ground, Huo Yulong is in S City, that’s a hundred answers, we’d better not attack forcefully, after all, we’ve just brought so many people with us.”

“He’s got my girl, and he’s hardly going to expect me to be polite to him.”

“No, Mr. Ou, we just brought so many people with us, if Huo Yulong calls someone, I’m afraid we really won’t be able to fight, just get the wife out, whatever way he does it.”

Albert Ou pushed down the fire inside.

Yeah, it’s important to get his woman out. As for the Huo family, he’ll deal with them later.

“I have a point.”

Russel Cheng nodded his head, he also believed that Albert Ou would not present a moment of righteousness, saving Jasmine Tong was what he cared about most.

Soon Huo Yulong came out of the door.

This was the first time Huo Yulong had seen Albert Ou.

Albert Ou’s name was just a legend in the business world, never seen before.

The split second he saw Albert Ou, Huo Yulong was truly shocked.

This man is also indeed handsome and dashing, and I'm afraid that no young girl nowadays can resist his charm.

"Mr. Ou, I don't know what you're doing here in the middle of the night."

"Mr. Fowler, I'm so sorry to disturb you at this late hour but my wife has been with you recently and I'd like to take her back."

Albert Ou didn't want to go round in circles.

Huo Yulong laughed.

"I'm sorry, Mr. Ou'Brien, I don't know your wife, and your wife isn't with me, so please go back."

Albert Ou wasn't annoyed, and kept playing with the delicate pistol in his hand.

"Mr. Fowler, the obvious is not the secret, I've found out my wife is here, if you won't let her go"

## **Chapter 352**

"Find out please ask how you found out without proof and dare to say that your wife is with me and want me to release her, you are obviously unreasonable."

Huo Yulong was also not afraid of Albert Ou in the slightest.

"You know best whether my wife is with you or not, don't be sloppy with me, my patience has its limits, hand over the man at once, I'll take him away and this matter will be over, otherwise, don't blame me for being rude."

Albert Ou shrank his pupils slightly, not wanting to dwell with Huo Yulong.

"Joke Albert Ou, don't bully others with your power, I'm telling you, this is my territory, I'm not a vegetarian Huo Yulong"

How dare a junior dare to shout at him like that?

The Cold Lords have been hiding in the shadows without showing up.

All these years he was Huo Yulong's godson, this matter is not known by anyone, Huo Yulong also does not want anyone to know about the existence of the Cold Lords, this is not good for the Cold Lords.

So the Cold Lords didn't show up.

"I tell you, my patience has a limit to the night to get the men out, or I'll trample your old mansion today."

Albert Ou's patience was running out.

"What a mouthful,"

Huo Yulong was older in the end, and he knew that Albert Ou was rich and powerful, and that he was a vampire.

He turned out to be a vampire, not of this world, but he could do whatever he wanted in this world without any consequences.

So you still can't get tough with him.

"Albert Ou, you said that people don't do things in secret, I said that people don't talk in secret, I already know who you are, I'm sure you don't want me to expose you in full view of the public."

Albert Ou's eyebrows rose.

He was not in the least afraid of what Huo Yulong said.

"You can expose all you want, but you also need someone to believe you. I'm here today for one purpose only, and that's to pick up my woman."

"Mandy's gone."

It was late at night, and Huo Yulong didn't want to make a big deal out of it.

"Gone? Who are you kidding?"

"When I say gone, she's just gone already, she got away from me, she's probably home by now."

"Then let me search your yard."

“Don’t you dare me to search this yard as much as you want.”

Huo Yulong stared, this man was too arrogant!

“If you won’t let me search you, it means you have something on your mind, you said my woman was gone, I said she wasn’t.”

Would he be so kind as to let Jasmine Tong go? Albert Ou doesn’t believe it.

“When I say gone, I mean gone already, rescued by my son.”

Albert Ou smirked and raised his hand.

“Then let me search and see if I can’t find anyone, and I’ll leave right away.”

“Don’t you dare.”

The people on both sides all copied their weapons and rattled their swords.

The two sides have been at an impasse.

It looks like a firefight.

“Stop it,” came a female voice.

Albert Ou knows that voice all too well.

Jasmine Tong made her way through the crowd on Albert Ou’s side to Albert Ou.

“Jasmine” Albert Ou was surprised and delighted, hugging Jasmine Tong in his arms and went up and k!ssed her on the lips.

Jasmine Tong was a bit overwhelmed and immediately pushed him away.

“Stop it.”

“Where did it go, it scared me to death.”

Albert Ou held Jasmine Tong’s face in his hands, with the big intention of k!ssing her again.

He was so beside himself with the kiss that the surrounding bodyguards were holding back a laugh as well.

Their Mr. Ou's persona is getting too fast, isn't it?

A moment ago he was rattling around like a bandit about to demolish someone's house, and now he's happy as a child!

Huo Yulong was also very confused as he looked at Albert Ou who was very different before and after.

"Well, stop it I'm all back here,"

As soon as Albert Ou saw that Jasmine Tong was already by his side, he had even less to fear from Huo Yulong.

The reason why he had been holding back just now was because he was worried that Huo Yulong would do something bad to Jasmine Tong, but now there was nothing to be afraid of.

Albert Ou cradled Jasmine Tong in his arms and turned to Huo Yulong.

"Huo Yulong you kidnap my woman this account we have to how to settle it come people, give me a fire burned this broken mansion are what era, but also live in this broken house, I look obtrusive."

Albert Ou raised his eyebrows lightly, he was a man with a vengeance

"You,"

"Don't you fool around" Jasmine Tong immediately reprimanded.

Albert Ou frowned.

"How do you still train me I'm for you out of anger this old man has not done anything to you is not want to marry you as a little wife, see you young and beautiful he has not touched you, hmm."

Jasmine Tong rubbed her temples, the man's old habits were back.

"Don't be ridiculous, he's my uncle."

"Even if he were your own father, I'd still want it today."

Albert Ou turned his head and stared at Jasmine Tong with wide eyes.

“What did you just say about him being your uncle?”

“He is indeed my uncle, so stop it.”

“Ah,”

Albert Ou was suddenly a little confused about the plot.

Jasmine Tong turned around to face Huo Yu Long.

“Uncle, where’s Kit?”

Huo Yulong snorted angrily.

“Mandy, if you still recognize me as your uncle, divorce this man immediately.”

Huo Yulong roared.

“Uncle, if you still recognize me as your niece, then don’t push me, I’m not divorcing him.”

Jasmine Tong’s tone was as strong as Huo Yulong’s

That tone, that look, it’s exactly the same.

“Uncle, why do you have to be so stubborn, as you can see, he will do anything for me, so why do you have to be so hard on him, as long as he is by my side, you will never try to take me away”

“You,”

Huo Yulong pointed at his niece who was also too angry to speak.

“If you still miss your sister and brotherhood with my mother and want to recognize me and Little Lei, then please accept my marriage, or don’t blame me for disowning you as an uncle anyway, we’ve never been together, and I’ve gotten along fine without you before”

Huo Yulong stared at Jasmine Tong with wide eyes, but couldn’t say a word after hearing his words

How can you be so determined at such a young age?

“Uncle, Kit is trying to help me, so don’t blame him.”

“He’s my son how do I discipline my own son, is it still your turn to teach me.”

Jasmine Tong looked at Huo Yulong this way, I guess Huo Sijie must not be easy, she said these words, and he was really angry to the fear that Huo Yulong will take the blame, all transferred to Huo Sijie.

Jasmine Tong raised her eyes to look at Albert Ou.

“Hand over your son,” Albert Ou ordered.

“Albert Ou, don’t be a bully, now that you’ve found Manny, you want me to hand over my own son.”

“That’s right, I just want you to hand over your son, and I’m not leaving today until you do.”

## Chapter 353

Jasmine Tong looked at Albert Ou in surprise.

This man is a top-notch scoundrel.

He’d seen it anyway.

Huo Yulong’s lungs were about to explode.

“What do you want, Mandy?”

Huo Yu Long didn’t want to talk to this scoundrel, so he had to turn to Jasmine Tong again.

“Uncle, I don’t want to do anything, I just don’t want to get Jie involved because of me, Jie is a good boy, you leave him to me, I’m his cousin, it’s not like I’m going to do anything to him.”

“You,”

Huo Yulong’s trembling finger pointed at Jasmine Tong, this niece was simply driving him mad.

“If I hadn’t been looking out for your mother, I would have”

“Already how I told you, don’t think that you are my woman’s uncle, you can just point at her you are my daughter’s real parents, make me unhappy, I will do the same.”

Albert Ou doesn’t know anything about affection.

Jasmine Tong was in a cold sweat at Albert Ou’s words.

This man.

“You don’t bully,”

Huo Yulong was trembling with anger.

“Uncle, I don’t mean anything else, I think of you as my uncle, because I don’t have any other family either, but I really can’t follow your wishes.”

Jasmine Tong didn’t want to let Albert Ou talk anymore, so she had to face Huo Yulong on her own.

“Uncle, give me Jie, I’m just taking him back to Slivestopol so he can go to school properly.”

Jasmine Tong was very worried about Huo Sijie, after all, Huo Sijie was doing it for himself.

“He’s my son, so why should I kill him?”

“I’m not worried, please give him to me.”

“Hand over the man now and don’t make me do it” Albert Ou spoke again.

What his woman wanted to do, of course he must support.

Never mind if she did it right or wrong.

After a while, a maid came over and said in Huo Yulong’s ear, “Young Master Baron said that it’s better to leave Young Master to them, Albert Ou is a ruthless person who is capable of doing anything, in addition, Young Master Baron also said that if this stalemate continues, it will make Young Miss resent you.”

Huo Yulong carefully mulled over the words of the Cold Lords.

He actually saw that in a situation like today's, if he didn't hand over Huo Sijie, I'm afraid that Albert Ou and Jasmine Tong wouldn't leave.

The two of them became increasingly verbose, only making Jasmine Tong hate her uncle more and more.

Anyway, Jasmine Tong had to pick him up because she didn't want Huo Sijie to take a beating.

But it's too embarrassing for him.

"Don't worry, Uncle, I just don't want you to hit Kit, Kit's a good kid."

"If you don't let him go,"

Jasmine Tong immediately covered Albert Ou's mouth.

Albert Ou's words will only anger Huo Yulong.

Of course Jasmine Tong doesn't want him to talk anymore.

Albert Ou took Jasmine Tong's hand away.

"Why are you covering my mouth?"

"You stop talking and let me do the talking."

Albert Ou leaned in to Jasmine Tong's lips and pushed again.

That sound, everyone heard it.

These two young men were hugging and kissing in front of their eyes, and Huo Yulong was very helpless.

"Well, go and bring the young master out."

Huo Yulong had no choice but to compromise, he was an elder after all, and was more thorough in his thinking.

Soon, the two servants racked Huo Sijie out.

Albert Ou immediately sent someone to pick it up.

“Uncle, I’m sorry for what happened today, so we’ll be leaving.”

Jasmine Tong nodded down towards Huo Yulong.

Albert Ou gave the order and everyone got in the car and left.

In the car, Albert Ou hugged Jasmine Tong tightly.

Not a care in the world that there was a driver in front of him, and a bodyguard.

Jasmine Tong finally saw this haunting man again.

Just as he was about to speak, the man’s lips came together.

A long, wet, hot k!ss.

Albert Ou knocked on Jasmine Tong’s teeth and k!ssed her deeply.

Only now k!ssing her like this, Albert Ou felt Jasmine Tong return.

His woman is back.

Jasmine Tong wanted to push Albert Ou away, but Albert Ou’s palm was directly clasped on the back of Jasmine Tong’s head.

Jasmine Tong was forced to cooperate in k!ssing him.

After k!ssing for a while, Albert Ou’s breathing was getting faster and faster.

Why is this man so impatient?

Jasmine Tong gently bit Albert Ou’s lips, and Albert Ou ate the pain before it stopped.

“What for?”

“It’s in the car. Why do you want to torture yourself?”

Albert Ou leaned in to Jasmine Tong’s ear.

“If I want you, I can’t do it in the car.”

Jasmine Tong craned her neck to glare at Albert Ou.

“Try it then.”

Albert Ou immediately put his hand to Jasmine Tong’s collar, a button still undone, and he took his hand back.

Smoothly squeezed Jasmine Tong’s chin.

“Look what I’ll do to you when I get home.”

“Where are we going now?”

“Let’s go to the hotel first, there’s no more planes and we’ll fly back in the morning.”

“Well, it’s better to go back earlier, after all, this is my uncle’s place, you send someone to buy some medicine later, I guess Jie was beaten up.”

“Okay, but how did the surname Huo become your uncle”

Albert Ou was still a bit confused, he wanted to ask just now, but that scene wasn’t the right place to ask.

“It’s a long story, she’s my mom’s brother, my mom used to be a famous lady, and then, she eloped with my dad.”

Jasmine Tong said and sighed.

“My poor mother was originally a lady, living a life of luxury, but since she’s with my father”

Jasmine Tong couldn’t help but breathe a sigh of relief, not wanting to talk about these things anymore.

Albert Ou kissed Jasmine Tong lightly on her forehead.

“I won’t.”

“I know you won’t.”

“Have so much faith in me.”

“Of course there’s confidence.”

Albert Ou leaned in and tried to kiss Jasmine Tong again, and Jasmine Tong leaned right back and didn’t let him have his way.

“Why didn’t you ask me why you had to take Kit away?”

“Why do you ask, you can take it with you if you want.”

Albert Ou has never cared about these things.

Jasmine Tong also convinced Albert Ou, so much so, that she didn’t ask why she took Ho Si Jie when she was confronted with Ho Yulong.

“I can take it with me if I want to. Do I do what I want?”

“Of course, my woman does whatever she wants.”

Albert Ou looked petrified.

“So if I want to do something bad, you let me do it too? You help me do bad things too.”

Albert Ou nodded without hesitation.

“I’ll help you if you do bad things, and I’ll hand you a gun if you want to kill someone, but let’s forget it, I’ll just do it for you if you want to kill someone, I’m afraid of scaring you.”

This silky, unprincipled spoiling made Jasmine Tong’s heart warm.

Jasmine Tong snuggled into Albert Ou’s arms.

“But why would your uncle want to kidnap you? If you want to meet up with you, just come straight to you.”

Jasmine Tong’s heart thudded.

## Chapter 354

“Don’t be upset if I tell you.”

“What?”

Jasmine Tong thought carefully, a little hesitant, a little torn.

Albert Ou suddenly had a bad feeling about it.

“My uncle says that you’re a vampire and won’t let me stay with you, that I should divorce you.”

Albert Ou’s eyes flashed with surprise.

However, as soon as Jasmine Tong’s words trailed off, she directly cupped Albert Ou’s face and kissed him on the lips.

It should be for fear of making him angry.

Therefore, the look of fear and surprise in Albert Ou’s eyes was not seen by Jasmine Tong.

Jasmine Tong slowly let go of Albert Ou.

“Actually, my uncle has been talking about it because the baron said that, it’s simply nonsense, well, I don’t know what’s going on with these two.”

Albert Ou calmed down, no expression on his face.

“You mustn’t be angry, in fact, the baron told me a long time ago, and asked me to test you.”

Albert Ou squeezed Jasmine Tong’s face.

“And then what,”

“And then I tried yah, he said vampires don’t have heartbeats, but you do. You won’t be angry that I ever suspected you.”

Albert Ou stared at Jasmine Tong seriously.

Jasmine Tong looked at Albert Ou's serious expression and suddenly stopped laughing as well.

The two men just stared at each other.

Albert Ou leaned close to Jasmine Tong.

"I am the vampire."

His deep voice was like something out of hell.

It scared Jasmine Tong to the point that goose bumps rose, but she quickly reacted by reaching out her fist and punched Albert Ou's chest.

"Stop it, it's annoying."

"Hey, would you believe it?"

"Of course I don't believe it." Jasmine Tong snuggled back into Albert Ou's arms.

"But what if I really am," Albert Ou tried cautiously.

"If you really are, then I'll bite you."

Said Jasmine Tong, picking up Albert Ou's hand and feigning a bite on his hand.

Who wouldn't?

Albert Ou didn't pursue the question further.

The group arrives at a hotel near the airport and everyone checks in, ready to rest for a while.

A bodyguard bought medicine for Hosier.

Huo Sijie was lying on the bed, grimacing.

"Jay, take your shirt off and I'll put some medicine on you."

Huo Sijie grimaced a little embarrassed.

“Cousin, that’s not good,”

“What’s wrong with that, I’m your cousin, why, you still feel embarrassed to take it off quickly, so be careful.”

Huo Sijie carefully took off his shirt.

The entire back was displayed in front of Jasmine Tong.

A single whip mark was crisscrossed, and only a few of those whips oozed blood, but the entire back was already all red and swollen.

Jasmine Tong felt oddly uncomfortable.

“Your father was too hard on you.”

“That’s still tough” Albert Ou was very disdainful on the side.

“That’s not cruel enough” Jasmine Tong looked up at Albert Ou.

“What boy doesn’t grow up hitting my dad a lot harder than that.”

Albert Ou was unconvinced.

This was the first time I’d heard Albert Ou mention his father.

“Did your dad beat you too when you were a kid?”

“Yeah, what’s so unusual about that,”

Jasmine Tong looked at Albert Ou with interest.

“And what if in the future we have a son too, will you hit him too.”

“If you don’t listen, of course you’ll be beaten. It’s not easy for me to be an old man. I have to collect my old debts.”

Albert Ou snorted softly.

It was almost as if he’d said it without thinking.

Jasmine Tong giggled.

“And what if we have a daughter?”

“Let’s talk about having daughters.”

Huo Sijie, who was lying on the bed, looked helpless, he was in such pain, and these two people were even discussing the birth of children

Totally treat him like he’s transparent.

There was a hot pain in his back and Hoshi grunted.

That’s what turned Jasmine Tong’s attention back to her.

“Jay, bear with me, I’ll help you with the medicine.”

Jasmine Tong immediately opened the potion.

Albert Ou came up immediately, “I’ll do it.”

Letting Jasmine Tong drug a topless boy, how could he allow this to happen?

“You’re hitting too hard, I’d rather do it.”

Jasmine Tong didn’t notice Albert Ou’s emotions in the slightest, but gently administered medicine to Huo Sijie.

They’ve been apart for so many days, and this woman is touching another man’s body, and she’s even disliking herself

Albert Ou left the room without a word and returned to the room he had with Jasmine Tong.

Jasmine Tong resigned herself to giving Huo Sijie the medicine.

“Kit, it’s all my fault, if it wasn’t for me, you wouldn’t have been beaten.”

Jasmine Tong felt very guilty.

“Don’t say such things, cousin, I’m a boy, take a beating, I’ll be fine in a few days, I’m just worried my father won’t forgive me, he’s really angry this time.”

Hossein's fears were not unreasonable.

"Don't worry, in a few days, he'll probably be pissed off, I'll contact him, get some sleep first and we'll be flying back to Z in the morning."

"Well."

After pacifying Huo Sijie, Jasmine Tong realized that at some point Albert Ou had already left the room.

Jasmine Tong returned to the room with Albert Ou and found the man sitting on the bed playing a mobile game.

"Why aren't you sleeping?"

Albert Ou ignored her.

"Why? I don't even know when you got back."

Still ignoring her.

Albert Ou was just playing with his phone with his head down.

"Why are you so angry when you haven't seen each other for so many days?"

"And you know it's been so many days since we've seen each other, and right after we meet you, you're naked with another man, talking and drugging."

Jasmine Tong blinked her eyes twice, so it was because she was angry about this.

This man is a real jealous man.

"What do you mean naked and chatting and drugging Jay is not an outsider, he's my cousin and he was beaten to save me, of course I'm going to drug him."

"What cousin or not cousin, cousin is also a man you see him naked just can't but all men can't I shouldn't have brought him back."

Albert Ou was blue in the face with remorse.

Why did you bring this cousin back to the house? Was he out of his mind at the time, actually agreeing with Jasmine Tong to bring a man back.

“What nudity ah can we not make things so dirty, it’s just a drug.”

Jasmine Tong really admires Albert Ou Noe for being able to eat such jealousy!

Albert Ou pulled Jasmine Tong into his arms.

“But no nudity of the opposite sex is allowed, just a casual glance at mine and not a glance at anyone else’s.”

Albert Ou’s voice was wild and overbearing.

“Okay, okay, no one else’s, just yours, okay,” Jasmine Tong helplessly surrendered.

## **Chapter 355**

“Showing you now.”

Saying that, Albert Ou began to undress himself, the intent couldn’t have been clearer

Jasmine Tong hurriedly threw herself into Albert Ou’s arms.

“Why, don’t you want to see or just”

“Just wanted to hug you and miss you.”

Hearing this, Albert Ou’s heart was beautiful.

“I’ve missed you too, so don’t take this opportunity to hurry.”

Albert Ou grabbed Jasmine Tong, carried her to the bed, and pressed over in a smooth manner.

But Jasmine Tong was aggrieved and left her mouth open.

“I’m so tired, are you sure you want to do it?”

Albert Ou immediately stopped and stroked Jasmine Tong’s face.

“What?”

“I’ve been thinking about you for the past two days, I haven’t been sleeping well, it’s going to be light soon, we should go home, hug me for a while, okay”

Jasmine Tong’s voice was a little hoarse and sounded very aggrieved.

Albert Ou immediately adjusted his posture and embraced Jasmine Tong in his arms.

“Okay, I’ll cuddle you to sleep, no more, I’ll do it at home.”

A wicked smile rippled across Jasmine Tong’s face.

Looks like she’s getting better and better at this.

Jasmine Tong immediately tensed her smile and snuggled into Albert Ou’s embrace.

“Honey, good night.”

Hearing this call for a husband, Albert Ou was even happier.

“Good night.”

However, it was a rough night for the Huo family.

Huo Yulong is also very want face, in s city, no one is unscrupulous of his strength is people will give him some face.

But Albert Ou was so rampant.

Luckily this happened in the middle of the night and no one knew about it, otherwise the Huo family would have been disgraced.

Chu Runzhi and Huo Siya had already gone to bed.

Huo Yulong and the Leng Lords were still in the study.

“Lords, what are you going to do about this?”

“Godfather, you don’t need to worry about Jie, I know Manny, he won’t hurt Jie anymore, and this Albert Ou listens to Manny very well, so he shouldn’t do anything to Jie either.”

“This Albert Ou is really wild but it looks like he’s good for Mandy, but unfortunately”

They are two worlds that are not destined to be together.

Huo Yulong sighed.

“Lords, what are we going to do next? We mustn’t let Manny continue like this.”

“Mandy’s stubbornness is beyond my imagination, and I thought that through affection she would be slowly swayed.”

This time the Cold Lords also missed the mark.

The first time I was in the room, I thought I was going to have to go back to the house.

Who knew that in Jasmine Tong’s heart, her and Albert Ou’s home was also warm enough for her.

“Godfather, since Mandy has never believed that Albert Ou is a vampire, we’ll have to find a chance to show Mandy what Albert Ou is really like.”

The cold lord shrank his pupils slightly, his eyes bursting with cold light.

“That’s a good idea, but Albert Ou’s a vampire and we’re no match for him.”

“So this matter needs to be discussed in the long run, besides, Albert Ou is well disguised, but he can’t be completely flawless, we’ll take our time and wait for the right time, we can definitely wait.”

Huo Yulong nodded his head.

“Well, I don’t think that Albert Ou looks like he can hurt her with Manny, so we can wait.”

The two men agreed.

“One thing I’ve never understood is that Mandy said Albert Ou has a heartbeat, but a vampire can’t have a heartbeat, but other than that, basically all of Albert Ou’s traits can be matched to a vampire.”

At the end of the day, the Cold Lords still didn’t have all the information about Albert Ou.

“He looks like he’s no different from a normal human except his eyes are blue, so it’s not like there were many types of vampires originally.”

The Cold Lords were in deep thought.

“I guess I need to get to know the man a little better, but he’s a vampire, there’s no doubt about that.”

“As the saying goes, if you know yourself and your enemy, you’ll never be in danger in a hundred battles, owl, go on a trip to Slivestopol.”

The next morning, Albert Ou took Jasmine Tong and all the others and left S City by plane.

After getting off the plane, we finally arrived in Slivestopol, which belonged to Albert Ou’s territory.

“Kit, why don’t you come home with me and rest for a couple of days you still need to pay more attention to your injuries.”

Jasmine Tong looked at Huo Sijie with great concern.

Albert Ou’s eyes are starting to look strange again.

“No, cousin, it’s nothing serious, it doesn’t hurt that much anymore, I’d better get back to school, I have class today.”

Last night’s dog food was already quite a lot, if I go home this dog food will not be able to survive.

Hoosier doesn’t want to be a light bulb.

“All right then, you take your medicine with you. Don’t take a shower for two days, and let the students in the dorm help you with your medication later.”

“Okay, cousin.”

Jasmine Tong turned to Albert Ou, "You send someone to send Jie back to school."

"Good." Albert Ou has nothing to be angry about.

"By the way, Little Lei doesn't know about this, right?"

"I didn't tell him about your kidnapping, so I guess he doesn't know either." Albert Ou replied.

Jasmine Tong turned to Huo Sijie again.

"Jie, then if you run into Xiaolei, don't tell him about it. I'll find a chance to talk to him slowly later."

"I'm going home then, cousin, cousin-in-law, goodbye."

Huo Sijie waved his hand towards them and left with the people from Albert Ou's faction.

Albert Ou put his hand on Jasmine Tong's shoulder.

Jasmine Tong raised her eyes to look at him.

"What, are you so happy to call me cousin-in-law?"

Albert Ou's eyes slanted.

"What's there to be happy about, going home."

"Mouth is happy when it's clear."

Jasmine Tong muttered and left the airport hand in hand with Albert Ou.

Luckily, it's early and she's prepared ahead of time so she won't be photographed and recognized.

The two men got in the car for the ride home.

Jasmine Tong's heart was finally solid this time, she was back and could be with Albert Ou again.

"Jasmine, don't shoot for a while, take some time off at home, eh"

Of course Jasmine Tong knew what Albert Ou was thinking.

"I know, keep our CEO company, it's going to be aggravating isn't it?"

"Go home and make it up to me if you know I've been wronged."

Albert Ou said as he ambiguously poked Jasmine Tong's chest.

Rainbow City

Finally arriving home, Albert Ou suddenly seemed to remember something.

"Or we don't have to go here today."

"It's not this way. Where is it? We're home already, so let's go in."

Jasmine Tong said, and just opened the door.

"Don't,"

As soon as she stepped into the doorway, Jasmine Tong saw Qin Qianliang standing in front of the kitchen, still wearing the apron she once wore.

Albert Ou looked like he was in pain.

It's over.

## Chapter 356

When she saw Qin Jianlian in her own home, Jasmine Tong was still a little surprised.

Qin turned out to be generous instead.

"You're back. I made breakfast. Would you like some?"

So it seems as if Qin Liyuan is the mistress of the place.

Albert Ou didn't say a word, and he didn't know what to say.

In the past two days, he was so focused on how to get Jasmine Tong back that he had long forgotten that Qin Yanyan was still living here.

“Well, it just so happens that I’m hungry, and I can’t eat on the plane at all.”

Jasmine Tong touched her stomach and walked towards the restaurant.

“Asawa, you can eat with us.”

Chin turned out to be pleasantly inviting.

“Good.”

Albert Ou had to force his way to the restaurant and sat next to Jasmine Tong, but he was unable to explain anything to Jasmine Tong since there was Qin Liyuan in the way.

Qin turned around and brought the cooked breakfast to the table.

There’s a skinny porridge and an omelette, plus shredded pickled potatoes and seaweed, and silver-wire rolls.

Only the omelette turned out to be only two.

“I’m so sorry Manny I didn’t know you’d be back today, so I only made two omelettes, or you can eat mine.”

Qin turned around and seemed full of apologies.

Jasmine Tong, however, looked relaxed and generous, and that’s how she realized that she hadn’t made her share of the breakfast pressure.

“It’s okay, we’ll just split one between the two of us.”

Said Jasmine Tong directly took her own knife and split one of Albert Ou’s fried eggs in two.

Qin turned around and laughed awkwardly.

“Try the skinny egg and lean pork porridge I cooked, Asawa loves skinny egg and lean pork porridge, Manny, you should like it too.”

“Okay.”

Jasmine Tong shook a spoonful of porridge and tasted it.

In fact, she had never heard of Qin Jianlian cooking porridge before.

“Does it taste okay?” pursued Chin suddenly.

Jasmine Tong’s smile is purely natural and harmless without the slightest hint of aggression.

“Then there’s an unexpected turn of events, the skinny pork porridge can be made with a little bit of onion, a unique type of small onion, and if you cut it up and put it in, it won’t smell fishy and the taste will be fresher.”

Chin’s sudden smile froze on his face.

But it quickly shifted again.

“Oh, I’ll remember that for next time.”

Albert Ou’s heart was pounding as he ate this meal, but it seemed that the two women were getting along quite well.

Jasmine Tong ate one of the silver silk rolls, but she couldn’t eat the second one, leaving a third.

“Can’t finish it.”

She handed the silver silk roll directly to Albert Ou’s mouth.

“Then throw it away.”

“You can’t waste food.”

“Then you’ll just shove it in yourself, you’re the one who wasted it, not me.”

“Are you eating?”

“Don’t eat it, it’s got your spit on it,” said Albert Ou in disgust.

Sitting on the side looking at these two people, Qin turned around and became complacent.

It seems that Jasmine Tong is nothing more than that in Albert Ou’s heart.

“If you don’t eat, take it down.”

Just as Jasmine Tong was about to take her hand back, Albert Ou grabbed her wrist and opened his mouth to bite away the silver silk roll in Jasmine Tong's hand.

When Qin turned around and looked stunned

I thought he didn't like her saliva. How come he ended up eating it?

Jasmine Tong smiled.

"I thought you didn't mind having my spit."

"It's not like we haven't eaten them before."

Albert Ou smiled towards Jasmine Tong, syrupy.

When Qin turned around and hung his head, he continued to eat his breakfast as if he hadn't seen anything.

After breakfast, Qin turned around and prepared to clean up the dishes.

Aunt Fanny and Pearblossom immediately came up and began to clean up.

"Then suddenly, sister, you leave it there, you're a guest here, how can I make you work?"

"It's okay."

Jasmine Tong forcefully pulled Qin Tianlian onto the sofa.

"You just rest, suddenly, sister."

Albert Ou sat on the side, feeling much more than.

The three of them were sitting on the couch, yet there was nothing to talk about and the atmosphere was awkward for a while.

Jasmine Tong looked at Albert Ou.

"If you're tired, go upstairs and rest, eh."

"Oh,"

Albert Ou didn't understand what Jasmine Tong meant, was this meant to detach him?

Naturally, Qin turned around and understood Jasmine Tong's words; they were both tired and needed to rest, so her being a guest here was really a bit of an eyesore.

"Mandy, Asawa, you probably didn't sleep well last night, and you were busy catching a plane this morning, so you must be tired now, so rest up, I'm going back over to the Crystal Garden."

In the meantime, Jasmine Tong knitted her brows.

Crystal Garden

Did Qin suddenly turn around and live in the Crystal Garden again?

When did this happen and she doesn't even know?

"Then suddenly, sister, would you like a car to take you?"

"No, there's a car there to pick me up, it's been waiting outside, so I'll be off then, you guys get some rest."

Qin turned towards them both with a wan smile.

Jasmine Tong and Albert Ou dropped Qin Tianlian at the door, and Qin Tianlian got into the car and left.

Jasmine Tong was indeed tired, and sent Qin Liyuan away and went straight upstairs to the bedroom, with Albert Ou's butt following behind.

As soon as he entered the bedroom, he took Jasmine Tong in his arms.

"Let me explain."

"Explain what" Jasmine Tong looked tired.

"I her,"

When it came time to really explain, Albert Ou didn't know how.

Jasmine Tong broke off Albert Ou's hand and went straight to the big bed.

Albert Ou hurried to follow.

“Angry,”

“Sleepy, trying to sleep.” Said Jasmine Tong yawned.

“You’re just mad at me don’t be mad at me she wanted to come over, I didn’t call her over, she’s been living here for the past few days and I just forgot about her”

Albert Ou said briskly.

“So she’s been staying at our house all these days since I was kidnapped.”

Jasmine Tong scanned her bedroom.

“She’s not staying in our room, she’s been staying in the guest room and besides, I haven’t been sleeping at home for the past few days, don’t get me wrong.”

Albert Ou thought to himself that this was miserable, and the darker it got, the darker it got.

Jasmine Tong covered her mouth and yawned again.

“I’m really sleepy, I need to get some sleep.”

Jasmine Tong fell right down on the bed.

“Don’t go to sleep, I’m not done talking to her yet.”

“I know,”

“You know,”

Albert Ou looked at Jasmine Tong and shook his head for a moment.

“You don’t know don’t get mad ok I’ll pay attention later and keep my distance from her, ok”

Albert Ou’s tone had to be as gentle as it could be.

“I’m really not angry.”

Jasmine Tong's expression was serious.

"I don't believe you women are all talkative and say the opposite when you say it's okay is just something to say you're not angry."

He still has experience with some of the relationship shows he's been watching lately.

Jasmine Tong looked at Albert Ou incredulously.

"But I really just want to sleep right now, I'm really not mad."

"No,"

"Oh I'm going crazy."

## Her Bossy Yet Naive CEO Chapter 357 - 359

### Chapter 357

"Don't be crazy, let me explain."

Albert Ou was going to be in a hurry.

"There's nothing to explain, I don't want to hear your explanation, and I don't need one."

Jasmine Tong covered her ears, feeling like this was an ordeal.

"How can you not listen to my explanation you're still mad at me."

“”

Jasmine Tong looked at Albert Ou, how come it feels like they are having such a hard time communicating?

With a smart move, she took Albert Ou's face in her hands and kissed it.

Albert Ou naturally enjoyed k!ssing, and it was rare for Jasmine Tong to take the initiative.

As the k!ss slowly deepened, Albert Ou's breathing began to quicken.

However, when Jasmine Tong thought that this would be the end of the matter, Albert Ou suddenly stopped.

"I can't touch you now, that would make you even angrier."

Jasmine Tong had a pained expression

"You kill me,"

"Why should I kill you?"

"Your torture like this is worse than killing me."

"I didn't torture you."

"Just torturing me, I'm just asking you to do it or not."

Jasmine Tong roared.

Albert Ou was stunned.

"If you do it now you won't be angry."

"Yes,"

Jasmine Tong put her heart on the line, as long as Albert Ou stopped obsessing over whether she was angry or not, anything would do.

"Doing" Albert Ou stripped himself naked in three swipes and then k!ssed Jasmine Tong.

It had been a long time since I had seen him, and the desire in his body had already peaked.

Now Jasmine Tong this little fire is even more out of control.

Only in the process.

“Jasmine, you’re not mad at me,”

“Jasmine, are you really not mistaken?”

It’s really killing the scenery.

As soon as Albert Ou spoke, Jasmine Tong couldn’t help but cover his mouth.

“I’ve missed you so much, Jasmine.”

“How much?”

“I miss you so much, I’m going to miss you so much.”

“Me too,”

The clouds rest and the rain closes.

Jasmine Tong snuggled into Albert Ou’s arms and slept sweetly.

The corner of Albert Ou’s lips rose and gave Jasmine Tong a peck on the side of her mouth.

Suddenly I remembered what I had said.

He said that he would tell Jasmine Tong about his identity.

But then he flinched.

Days return to the past, as Jasmine Tong has been kidnapped in the past few days, and O Zeno has been searching for Jasmine Tong, not paying attention to the company’s affairs.

Now that Jasmine Tong is back, Albert Ou might be busy for a while.

On this day, Jasmine Tong sat on the sofa and pondered carefully for a moment.

“Pearblossom, the last one you brought back by hand for my body, do you still have those supplements?”

The pear immediately came out.

"It's all here. You didn't like it, so I put it away. Want to eat it now?"

"No, you pick the good ones to take with you and we'll go to the Crystal Garden."

"Ah,"

"Ah what ah hurry up and go"

"Oh,"

Pearblossom didn't know what Jasmine Tong was going to do, but she still followed her instructions and immediately prepared the tonic.

It wasn't until she followed Jasmine Tong in the car to the Crystal Garden that Pear Flower realized that Jasmine Tong was going to visit Qin Jianlian.

"Ma'am, you go to see what she is doing ah also Mr. buy you so many supplies to her with too much respect for her what she is ah obviously to break up you and Mr."

Jasmine Tong just smiled frankly.

Even a young girl like Pearblossom could see that Qin was suddenly so thoughtful.

"Ma'am, don't think I'm talking too much, but I actually don't think the gentleman should have done that instead of taking his wife to live in Crystal Gardens and letting that woman live there."

Pearblossom fought for Jasmine Tong.

Jasmine Tong, however, was not anxious or angry.

"He has a natural reason for doing what he does."

Pearly's lips pouted even higher.

"Madam, you're just too good natured to let people bully this if I were to go up there and slap her twice for being so reckless and shameless in someone's house."

Seeing Pearblossom like this, Jasmine Tong couldn't help but laugh.

“Why does it seem like you’re angrier than I am?”

“Ma’am, you can’t just let another woman ride you like that.”

Li Hua held Jasmine Tong’s hand, afraid that Jasmine Tong would be bullied.

“Am I that easy to bully in your eyes? Don’t worry, I’m the one who’s Mrs. Ou.”

“Yes ma’am, you’re right to think that way you’re the one who’s Mrs. Ou’s other woman, but anyone who tries to hit on Mr. Ou is a mistress.”

It was as if the pear suddenly figured something out.

“Ma’am, we’re not going there to give that woman a hard time, are we?”

The pear hastily clapped her hands.

Jasmine Tong shook her head as she sighed and didn’t speak.

The car arrived at the Crystal Gardens.

It was stopped directly by the guards at the door.

The pear immediately poked its head out.

“How dare you stop your wife’s car? You’ve got a lot of nerve.”

The two gatekeepers looked at each other.

“Ma’am,”

“Yeah, if Mister finds out, you two will be waiting to be fired, so get out of the way,” Pearblossom snapped.

The two guards immediately made way for the door and the car drove right into the courtyard.

It’s also been a long time since Pearblossom has been back, and she’s excited to be back.

The two men walked together into the living room of the villa.

Pearly put the tonic she had brought on the floor.

“Ma’am, I have a couple of little sisters here who are very close and haven’t seen each other in a long time, so I’ll just give them a quick hello.”

“There you go.”

“Yes, thank you ma’am” and Pearly left with a bounce.

This living room is simply too big, Jasmine Tong raised her eyes, the roof is very high, actually feel a little dizzy.

A maid came into the living room and saw Jasmine Tong standing in the middle of the living room.

“Who are you ah here is you can casually come in the door of the guards do not stop you do this gang of people how to do things”

Jasmine Tong’s arrival wasn’t spoken to anyone here in advance, so naturally no one would know she was coming.

What’s more, no one knows that she is Mrs. Au.

“Trouble wants to ask.”

Before Jasmine Tong finished her words, the maid immediately opened her mouth.

“What’s the question, get out of here before security comes over or I’ll shout and blow you up, do you know what this place is?”

This maid was also arrogant and domineering, not taking Jasmine Tong seriously in the slightest.

“Is there a Miss Chin here?”

Jasmine Tong asked patiently.

“Miss Qin, who are you to her?”

“I’m a friend of hers and came to see her.”

As soon as he heard that Qin Jianlian was his friend, the maid immediately made a 360 degree turn...

“So it’s Miss Qin’s friend ah really sorry, come in and sit down, I’ll go get Miss Qin right away”

The maid invited Jasmine Tong to the sofa in a pleasant manner and had a glass of water poured.

This maid went upstairs to call Qin Liyuan.

The few remaining servants flocked together.

“This lady, what is your relationship with Miss Qin?”

## Chapter 358

“Yeah, yeah, you and Miss Qin are on good terms? How about a few words for us later?”

“There’s me, there’s me, I’m here to take care of Miss Qin most carefully.”

Jasmine Tong looked at these servants who had gathered around her, and one seemed to be sticking up for herself.

No, rather, it was trying to suck up to Qin Liyuan.

“Why do you all want me to put in a good word with Miss Qin,” Jasmine Tong probed cautiously.

“This is not yet known, Miss Qin will soon become our wife.”

“She’s the mistress of the place, of course we have to suck up to her.”

“I don’t know when Mr. and Miss Qin will get married.”

This girl you’re talking to.

Jasmine Tong also sort of understood that everyone here thought that Qin Yanyan was about to marry Albert Ou.

The maid who ran up to deliver the letter knocked on Qin Yanyan’s room.

“Miss Qin, there’s someone out there to see you, saying it’s a friend of yours.”

Chin was practicing yoga in his room when he turned around and immediately stopped when he heard this.

“My friend is Young Master Quan.”

“It’s not Master Quan, it’s a girl.”

“Girls”

When Qin turned around and immediately frowned, who knew he was here but John Quan

The fact that she lived here, however, must never be known to outsiders.

“It’s not an amusement, is it?”

Qin Yan was still very careful.

“Did she say who she was” Chin turned suddenly to keep her guard up.

The maid just remembered that she was just in a hurry to report over and forgot to ask who it was.

“Didn’t say.”

“Then tell her that she’s looking in the wrong place and that I don’t even know her.”

“Okay,”

The maid immediately went downstairs.

Then Chin turned around and continued her yoga practice.

As soon as the maid came downstairs, she saw several maids surrounding Jasmine Tong, asking questions, serving her tea, pouring water and passing fruits.

She’s so angry.

“Okay, okay, let’s all disperse, what’s the use of stammering about her, Miss Qin doesn’t even know her”

“Ah,” the servants looked at each other one by one.

“Disperse quickly, Miss Chin asked me to tell her that she was in the wrong place and that she didn’t know her at all”

The maids were all silly one by one.

“Hopefully, you’re a liar and a liar, and I’ll give you the fruit.”

“That’s right, the liar who just served you tea.”

“Get out of here, are you allowed to enter our gates too?”

“Where’s the wild girl from? What’s she doing here?”

A moment ago, he had a pleasant face, but now he immediately turned fierce.

That’s a pretty quick change.

Jasmine Tong was downright calm.

“Did you tell her who I am?”

“Whoever you are anyway, Miss Qin says you don’t know her, you don’t know her and if you don’t leave, we’re going to call someone.”

The maids were all claws and teeth, wanting to swallow Jasmine Tong.

“Hey hey hey what are you guys doing “Pearly walked in and just as soon as she entered, she saw the maids surrounding Jasmine Tong, talking and cursing, very rude.

Along with Pearblossom, there were a few other young girls who were supposed to be the servants here, wearing the same clothes.

“Nothing, this woman ran in here we were just about to blow her out of the house now this guard is so unreliable, what kind of people put in here Pearblossom, when did you get back”

Pearblossom used to wait on this side as well, so she knew most of the servants on this side.

"This nonsense what ah also blasted her out, this is our wife," pear immediately went to Jasmine Tong before.

The maids looked at each other one by one and suddenly burst out laughing.

The laughter made the pears a little baffled.

"What are you laughing at?"

"Pearblossom, you can't be serious, how can she be our wife? That Miss Qin upstairs, that's our future wife."

"Yes, Pearblossom, I'll take you to meet Miss Qin later."

"Miss Qin is so beautiful and refined, that's what makes her worthy of our gentleman."

"That's right, look at how shabby she is in her clothes, how can she compare to Miss Qin with a finger"

The maids were filled with disdain for Jasmine Tong.

Pear Blossom is anxious to hear this.

"What nonsense are you talking about?" "I'm not the one in front of you, but the one in front of me." "I'm the one who is specially assigned to serve you." "There is also Aunt Fang."

Hearing this, the maids laughed even more.

"Pearblossom, when did you learn to lie? If you really have a wife, she lives over here too, how luxurious and grand this side is."

"That's right, you don't hide your wife out of the house. That's a mistress."

"You guys,"

The pear was so angry that she couldn't speak.

Jasmine Tong immediately patted Pearblossom's hand, signaling her to take it easy.

“Ma’am, look at these people I’ll be sure to tell Mister later and see what he does to you”

“Forget it, Pearly, let’s go back.”

Jasmine Tong didn’t get angry, pulling Pearblossom along and preparing to walk out, stopping again after a few steps.

“I’ve brought some tonic for Miss Qin, so please pass it on to her.”

Jasmine Tong hadn’t expected to be so unpopular for coming to the Crystal Garden.

She didn’t want to embarrass the maids here, so she had to leave.

“Ma’am, it’s too suffocating for us to leave like this.”

“It’s okay, I’m just giving her something anyway, it’s nothing, go back.”

“That Qin Liyuan really thinks she’s the mistress of this place, all the servants here think she’s the mistress, geez, I’m really pissed off”

“I’m not even angry, what are you angry about” Jasmine Tong had a playful smile on her face.

“Ma’am, why are you such a bully? Why don’t you call your husband now?”

Pearly can’t swallow this any more than she can.

“He’s been quite busy for the past few days, so let’s not bother him, let’s go back.”

As soon as the two men stepped out of the threshold, they saw people coming up to them.

Wu Xiu.

He was away on business today, so he was away this morning and is just now returning.

Wu Xiu but recognized Jasmine Tong, he was stunned when he saw her.

“What are you doing here, ma’am?”

Pear blossoms with joy, finally someone recognizes Jasmine Tong

“Housekeeper Wu, you’re finally back you don’t know how the people here are slacking off on Mrs. One by one they’re trying to blow us away”

Seeing that there was a backer, Pearblossom immediately sued.

Wu Xiu was stunned.

“What’s going on?”

“It’s nothing, Housekeeper Wu, don’t listen to Pear Blossom’s nonsense, I just came over to see Miss Qin.”

“Come in quickly, ma’am.”

Saying that, Wu Xiu hurriedly welcomed Jasmine Tong and Pear Blossom back into the living room.

Wu Xiuton coughed and cleared his throat.

“Someone, bring your wife some tea.”

All the servants in the house were stunned.

## Chapter 359

A bolder maid immediately asked, “Housekeeper Wu, what are you talking about ma’am, ma’am is not”

As she said that, she pointed upstairs.

“Yes, Butler Wu, how can this woman be a wife and dress so shabbily”

The other maid hastened to agree.

“You have the audacity to say what you want, even if I’m not at home, and you’re not going to pay her this month’s bonus.”

Wu Xiu was quite dignified, and when Albert Ou was away on this side, he was in charge of everything!

Only then did the servants realize the seriousness of the matter, and it turned out that the unattractive girl in front of them was really their wife!

“Butler Wu, then Miss Qin”

Wu Xiu still had a straight face.

“Miss Qin is just a good friend of Mr. Qin, and this Miss Tong in front of you is Mr. Tong’s matchmaker’s wife all remember.”

“Yes,” the maids said in unison.

“Housekeeper Wu, no need, I’m not guilty of not knowing, I’ve never been over here either, it’s normal for them not to know me.” Jasmine Tong immediately pleaded for mercy.

Wu Xiu immediately became amiable when confronted by Jasmine Tong.

“Madam, it was these people who slacked off on Madam, and they should have been punished.”

“Then don’t punish it for my sake, Butler Wu, give me some face.”

“Naturally, it’s up to the wife, and if the wife says there’s no punishment, then there’s no punishment.”

Wu Xiu turned his face to look at these servants.

“Did you all hear what Madam said? You don’t need to be punished, so hurry up and thank her.”

“Thank you, ma’am,” the maids once again said in unison.

“Why don’t you go upstairs and ask Miss Qin to come down, and tell her that Madam is here to see her.”

“Yes.” A maid immediately ran upstairs.

Wu Xiu hurriedly invited Jasmine Tong to the sofa.

“Ma’am, you should have come over today with advance notice, so I could have been prepared.”

"I was too abrupt, I didn't think much of it, I just wanted to come over and see suddenly sister, and I didn't have to prepare anything."

"Ma'am why don't we have lunch here today?"

"No, I have to hurry home and prepare lunch for the gentleman after seeing suddenly,"

Wu Xiu smiled meaningfully.

"Mr. and Mrs. Dang is really gracious."

Jasmine Tong smiled apologetically.

Upstairs, Qin Liyuan had finished her yoga and was resting on her mat when suddenly there was a sharp knock on the door.

"What's the hurry?"

"Housekeeper Wu said that our wife, who has come to visit Miss Qin, wants Miss Qin to come downstairs."

"Your wife Jasmine Tong's."

How could Qin unexpectedly think that Jasmine Tong would come here to see her?

She had asked around before, Jasmine Tong had never come over here before, and Albert Ou had only brought her here once, to see the animals, not even through the front door.

How could she suddenly come to visit her?

Qin turned suddenly and immediately changed his clothes and went downstairs.

As soon as they came downstairs, they saw that the maids were respectfully standing to the side, and Wu Xiu and Jasmine Tong were sitting on the sofa chatting about something.

"Mandy," Qin suddenly shouted in a loud voice.

Jasmine Tong heard and immediately stood up.

"Then suddenly, Sister,"

"Why did you suddenly come over here and not tell me, I thought you were an entertainment reporter and almost had you blown out of the room."

Qin turned around and smiled a bit fake.

"I also decided to come over suddenly, how are you feeling better?"

"I'm better."

"I didn't have anything to do, I just came over to check on you and brought you some supplements that are good for your blood and qi."

Jasmine Tong immediately told Pearblossom to serve up the tonic.

"That's very kind of you to stay for lunch today."

Qin turned out to be exuberantly inviting, as if she was the mistress of the place.

"No."

Pearly cleared her throat.

"Ma'am, we should go back, it's time to prepare lunch for the gentleman at home, otherwise I'm afraid the gentleman will be hungry at noon today, he can't live without his wife for a meal."

Pears said loudly and pointedly.

Jasmine Tong vigorously made a wink towards Pear Blossom, but Pear Blossom just ignored it.

A look of embarrassment flashed across Qin's face.

"Then suddenly Sister, don't listen to Pearblossom's nonsense, I still have things to do at noon, so I'll leave first, you rest well."

Wu Xiu sent Jasmine Tong and Pearly Flower to the door.

On the way back, Jasmine Tong kept frowning without speaking.

Pearle skimmed.

“Ma’am, did I say something wrong.”

Tong didn’t criticize the pear.

“Pearblossom, I’m not here to flaunt my power, I really want to come and see what’s going on, and I’m sure the gentleman has his reasons for placing suddenly here.”

Pears was a little disgruntled.

“What reason can a gentleman have to eat out of a bowl and occupy a pot?” she muttered.

“The gentleman once told me that he owed a favor to Sister Thenceforth, and I suppose by placing her here he is repaying that favor, which he owes, and I am his wife, and you should repay it with him, and that is why I have come to visit Thenceforth.”

Jasmine Tong did not have a reproachful tone.

“Ma’am, you just trust Mr.”

“Of course he is, he’s my husband, I don’t trust him to trust anyone but I seem to be on the wrong track this time.”

Jasmine Tong was extremely frustrated.

“Wrong way,”

“Things have gotten so big today, I didn’t expect it, but it turns out that all the maids here think of suddenly as a wife, so it’s as if I did it on purpose, I’m worried that suddenly might misunderstand, plus what you said”

Jasmine Tong stroked her forehead.

Like she really shouldn’t have come today.

“Ma’am, I’m sorry, I didn’t mean it, I just don’t think it’s fair to you that everyone treats her like a wife and snubs you.”

Pears also realizes that she may be in trouble.

Jasmine Tong affectionately stroked Pearly's head.

"Okay, don't blame yourself, just pay attention to what you say from now on, in fact, I know you're fighting for me, it's just that it's time for you to stop being so sexist"

Pearblossom threw up her tongue playfully.

"Ma'am, you're so nice, no wonder Mr. likes you, even I like you, if I were a man, I'd definitely marry you too, not that what an unexpectedly"

Tonto grinned.

She could only silently pray that Qin turned out not to be that kind of small-minded.

She was indeed abrupt today.

Crystal Garden

After sending Jasmine Tong away, Qin turned around and went upstairs, and when he reached the corner, he heard two servants talking.

"So Miss Qin isn't our future wife. She looks like she thinks she's our wife."

"It's just that it's just a friend of the gentleman who dares to show off here you see our wife seems to have a good sex."

"I feel the same way, Mrs. seems so honest and kind, if she hadn't begged for mercy, we'd have lost our bonuses this month."

## Her Bossy Yet Naive CEO Chapter 360 - 362

### Chapter 360

"Then why do you think Mister is letting Miss Qin live here and what does this Miss Qin do?"

"Who knows, what's on Mister's mind is something we can't fathom but this Miss Qin really thinks of herself as a future wife"

"Don't mention it. She's just a friend, thanks to us being so nice to her."

"You said this Miss Qin is thick-skinned enough, but she's even staying at Mr. Mister's house even though he's married."

Qin suddenly became so angry that his lungs were about to explode, and quickly returned to his bedroom

Everything here was shattered by Jasmine Tong's arrival.

"Knock, knock, knock" knocked the door.

"Come in" Qin turned around and didn't have much to say.

Lin Lan Lan walked in with a bowl.

"Miss Qin, the bird's nest cooked for you is ready."

"Drop it."Qin suddenly spoke in an icy tone.

Lin Lan Lan looked at her, put the bird's nest on the table, and walked over to Qin Yanyan.

"Miss Qin, don't be angry, Madam is making good use of her tactics like this, and people like you are not her match."

Chin's eyes turned suddenly.

She was angry about this today, but she didn't think too much of it.

It was all merely coincidental and logical.

She lifted her eyes to look at Linelands.

"You mean that Mandy actually did it on purpose."

"Or what?"

Lin Lan Lan sneered, "She's that kind of person, so there's no need to get in touch with her."

“But I don’t think that Manny is like that.”When Qin turned around, he always felt that Jasmine Tong was a good girl.

“Miss Qin, you’re just too kind, this drama of hers is really good to sing, think about it, now that you’re the one living here, all the servants here think that Miss Qin has a remarkable relationship with Mr. Qin, naturally they respect Miss Qin very much, and even think that Miss Qin is the future wife.”

Qin turned around and listened carefully, patting himself next to her and gesturing for Lin Lan Lan to sit down.

“But she came over today without saying a word, doesn’t it seem strange that she came to do what really is to give Miss Qin a tonic this crystal garden up and down is lacking her that tonic?”

Qin suddenly frowned, carefully recalling Lin Lan Lan’s words.

“It seems to make some sense.”

“If she really wants to send tonic to Miss Qin, then just give Butler Wu a call, he’ll take care of it, why would she come all the way here you saw, Butler Wu knows this lady of ours.”

Qin turned suddenly in realization.

Yes, there’s no need for Tong Siu Man to take this trip.

What’s more, she could have called ahead to tell herself if she was coming!

But she was partial to it, and it came quietly.

“She’s probably made some inquiries about the fact that Butler Wu will be out on business this morning, picking a time when Butler Wu isn’t around, and not many of the maids know of her existence.”

Lin Lan Lan’s tone was very disdainful.

Qin turned around and nodded his head frequently.

“This is her first purpose, to buy the hearts of the people, and the second purpose is also related to the first, to buy the hearts of the servants, the servants will naturally not respect Miss Qin in the future, and will even mock her.”

When Qin turned around and lowered her eyelids, this second purpose, she had already tasted the power, and the servants had already started talking about it.

“The third purpose, well, that’s to give Miss Qin a run for her money, to let her know that she’s the wife of the Ou family to make Miss Qin sit on her own and leave the place.”

Qin turned around and silently shook his fist.

“I didn’t know Mandy had such a deep heart.”

“Miss Qin, you’re really underestimating her, can she become Mrs. Ou without a little thought?”

When Qin turned around and thought about it like this, how could he get to Albert Ou without some means?

In the end, it only dissolved into a sigh.

“Forget it, it’s done, I don’t belong here in the first place, it’s better to leave.”

Saying that, Qin suddenly stood up and prepared to pack his bags.

The maids here already knew that she wasn’t some future wife, so naturally they wouldn’t give her a good look.

Rather than wait to be slacked off and taunted, she would be better off leaving.

“Miss Qin, are you admitting defeat?”

Lin Lan Lan hurriedly pursued the question.

“Admit defeat.”

Qin turned around with a shallow smile and shook his head.

“Not to admit defeat, but I’ve already lost, and the two of them are married.”

“So what if I’m married Miss Qin, if I were you and knew that the man I love is married to a woman with a big heart, I would absolutely snatch it back.”

When Qin turned around, he was stunned, never expecting that this matter of his liking for Albert Ou would be seen by this little girl in front of him.

“She’s so preoccupied with nothing more than a woman who likes her husband’s money, and can she make him happy?”

“”

Once again, Qin was suddenly mute.

“Miss Qin, I can see that you like Mr. Qin very much, and if Mr. Qin can be happy, then you’ve forgotten a heartbreak, but Mr. Qin is not what you think he is.”

Lin Lan Lan smiled towards Qin Tianran.

“Oh my, you see I’m a little maid here really nosy, I’m really sorry, Miss Qin, I’m going down to get busy, you can eat the bird’s nest while it’s hot.”

After saying that, Lin Lan Lan took the tray and immediately left.

Qin turned around in his chair, but carefully recalled her words.

Rainbow City

When she returned from delivering food to Albert Ou at noon, Jasmine Tong felt sleepy and took a nap, but she didn’t expect to sleep straight through until dark.

When she got up from the bed in a daze and walked out of the bedroom, she saw Pearblossom standing off to the side, talking to Albert Ou.

Albert Ou had already come home from work, but didn’t go up to wake her up when he heard Pearblossom say she was sleeping.

“Madame really said that” Albert Ou was overjoyed.

“Of course, it’s hard for me to lie to Mr. and Mrs. That’s what she said, that she believes Mr.”

Pearblossom told Albert Ou everything that had happened today, especially what Jasmine Tong had said on the way back.

How could Albert Ou not be happy to hear that?

The first thing that I want to do is to tell you that I'm not jealous of you, but I'm not jealous of you!

"What are you talking about" Jasmine Tong came over, her voice a little hoarse.

Albert Ou immediately stood up and walked over to Jasmine Tong.

"Full sleep."

"Well, I slept for a long time, but I just didn't want to get up, and I'm lazy."

Albert Ou was grinding in Jasmine Tong's ear.

"That's just as well you can stay up at night and applaud with me the whole time."

Pears bowed her head and smiled, immediately turning to leave.

## **Chapter 361**

After her evening bath, Jasmine Tong sat on the bed and stared.

She was still thinking about what had happened during the day and was worried that Chin had misunderstood.

Albert Ou came out of the shower, naked, revealing strong muscles and perfect lines.

"What are you thinking about?"

Jasmine Tong breathed a long sigh of relief and lifted her head to look at Albert Ou.

"I may have done something wrong today, and I feel weird about it."

"It's about going to Crystal Gardens."

"Well how did you know"

"Pearblossom told me all about it" Albert Ou sat on the edge of the bed and squeezed Tong's chin, "You're doing great."

Jasmine Tong opened Albert Ou's hand.

"Well what ah I'm worried that suddenly sister will misunderstand, I should have thought it through before going over today, now make it as if I'm going over to flaunt."

Jasmine Tong was so frustrated that the more she thought about it when she returned, the more she felt that she had done something wrong today.

"If Yew should take me."

"I'm talking to you seriously, seriously, OK? You tell me, should I ask for an apology from suddenly."

Jasmine Tong strung together what had happened before and after, and how it didn't seem right.

"You're my wife, you don't need to report back to anyone for a trip back to the Crystal Gardens, what hostess has to report back to anyone when she comes home, well don't take it personally."

"That's true, but I'm not worried that suddenly Sister Misunderstood, in fact, I really didn't think that the servants over there all think of her as their future wife, one by one they are respectful to her, it seems like I've stirred up the situation by going there."

Jasmine Tong is now very distressed.

"What do you mean stirring the pot for me to say, you went right on this matter is that I didn't explain it clearly, I should have taken you back there myself and let everyone there know that you are my Albert Ou's wife."

"Don't make a mess, I'm never going back to your side."

Jasmine Tong felt psychologically shaken.

"Fine fine, if you don't go, you don't go."

"What worries me now is that the maid there, too powerful, will give her the benefit of the doubt if she knows that suddenly she is not the future wife."

Jasmine Tong turned to O Zeno, "You tell Butler Wu to explain to him that the maids over there should take good care of Sister Thenelia, never give her a face, but also take care of her like before."

"Got it, got it."

Albert Ou yanked the towel around his waist and directly pressed Jasmine Tong down on the bed.

"You're so long-winded. If you don't do something at night, you'll just think about it."

"What are you doing?" Jasmine Tong put her hands on Albert Ou's chest.

"You slept so much during the day just to keep me company at night, how could I fail you?"

"Who is to keep you company."

Jasmine Tong looked at Albert Ou with a red face.

"You, you're the one" Albert Ou leaned down and kissed Jasmine Tong's lips.

Another happy and wonderful night.

dark empire (i.e. empire of darkness)

Albert Ou was in his office, the corners of his mouth lifting every now and then, his face full of smiles.

He was also rare and gentle in the boardroom today, he didn't even scold when someone made a mistake, smiling from time to time, even letting the staff wonder what was going on.

"The favor he owes is the favor I owe."

"Of course he is, he's my husband, I don't trust him."

Whenever he thought of these words from Jasmine Tong, Albert Ou was happy as hell.

Perhaps it was time to tell Jasmine Tong her true identity.

If she loves herself so much, she shouldn't mind though, right?

Thinking this Albert Ou began to plan to make peace with Jasmine Tong.

In the evening Jasmine Tong still cooked a table as usual and had dinner with Albert Ou.

After dinner, Albert Ou suddenly said to Jasmine Tong, "Let's watch a movie together tonight."

Jasmine Tong looked at Albert Ou full of amazement.

"To the cinema."

Albert Ou held out one finger and shook it vigorously a few times.

"How about at home, in the bedroom, just the two of us?"

The first thing you need to do is to look at the top of the page.

"Don't you agree? You're not even allowed to see a movie?"

"Well, there's nothing going on at night anyway, and there's no good TV shows lately." Jasmine Tong still agreed.

"Okay then, you prepare some snacks for the evening and go back to the bedroom later" Albert Ou got excited.

Jasmine Tong frowned and pondered carefully.

"What kind of drugs are you selling?"

"I don't have medicine and I don't have a gourd."

Jasmine Tong laughed at Albert Ou's words.

"I mean, you're not up to any bad ideas,"

"No, I swear absolutely not, you'll find out in a minute, go get ready, I'm going to get ready for the movie"

Albert Ou sat up from the couch and immediately went upstairs, he had a lot of things he needed to prepare.

“Mister is getting really romantic,” joked Pearly.

“Romance what he’s full of, who knows what he’s up to.”

Jasmine Tong was still a little apprehensive.

“Two people in a bedroom, eating fruit, watching a romantic love movie, what could be more romantic than that? the big deal is hehehehe”

Pears covered her face and laughed.

Jasmine Tong was blushing with laughter.

“Pearblossom, you’re too young to learn.”

“People are grown-ups, okay, don’t treat me like a child, I don’t know anything.”

“”

“Actually, it’s quite good. The wife can have a baby sooner.”

Jasmine Tong pursed her lips and smiled, she did want to have a baby right now.

“Let me help you, ma’am.”

Jasmine Tong didn’t think too much about it, got some fruit in the kitchen, washed and cut it up and put it on a plate, got two more bottles of yogurt, and carried them upstairs.

Is this guy really just trying to be romantic? There’s really no bad idea.

Jasmine Tong was in disbelief.

It wouldn’t be Albert Ou if he didn’t have some bad ideas.

Jasmine Tong still carried her things into the bedroom.

The bedroom was now dark.

Albert Ou is fiddling with some kind of instrument.

He got a projector to come over directly and can project the film directly onto the wall, and now he's switching the distance to see if the height fits.

Tong Mann put the fruit and yogurt on the nightstand.

"Don't be so grand, just hold your laptop and read it."

Jasmine Tong realized she was still thinking too simply.

"That's so awkward. There's technology in the house. Why don't you use it?"

Albert Ou adjusted the height and carried Jasmine Tong to the bed.

"Take your clothes off."

Jasmine Tong immediately covered her chest.

"Why are you taking your clothes off at the movies?"

She had a bad feeling about it.

"Just take off your clothes when I tell you to. Why do we have to lie under the covers and watch? It's so comfortable."

Why do you have to lie under the covers to watch a movie?

## **Chapter 362**

Jasmine Tong suddenly had a bad feeling about it.

Get undressed, get under the covers, watch a movie.

It's not a porno, is it?

And then I got in the mood, and by the way...

"I don't want it,"

Jasmine Tong shouted towards Albert Ou, her face already red to the roots of her ears.

She's been a good girl since she was a kid. How could she watch that kind of movie?

“Don’t what let you just take off a shirt, isn’t that more comfortable?”

Albert Ou said and went to undress Jasmine Tong.

Jasmine Tong immediately crossed her arms to protect her chest.

“So you tell me what movie I want to see.”

“Won’t you find out later? Be good, come on.”

“No, I need to know right now that you’re not taking your clothes off and getting under the covers.”

Albert Ou felt like he was going to die unjustly.

“Why don’t you just settle down and watch a movie, you know?”

Jasmine Tong looked at Albert Ou warily.

“So you tell me what movie to watch.”

“Twilight.”

“Ah,”

When I heard this name, Jasmine Tong was still shocked, isn’t it a passionate porno?

“Ah what ah”

“Oh,”

Jasmine Tong’s taut strings finally slackened.

“I thought you were going to watch.”

Thinking of this, Jasmine Tong couldn’t help but blush again.

“Oops.”

This time the blush is for blushing at myself for even thinking of going there.

“Thought I’d see something.”

Albert Ou leaned close to Jasmine Tong's face, "Why is your face so red you don't think I want to look"

Albert Ou smiled unkindly, as if he had penetrated Jasmine Tong's mind.

"I didn't think you were going to watch a little porn."

After saying this Jasmine Tong, I really hate to bite off my own tongue, this is not a confession without a fight?

"Haha, so my wife wants to watch a little porno, fine, I'll give it to you."

Jasmine Tong covered her face for a moment.

"I didn't I didn't, don't be ridiculous I was the one who saw you undressing and getting under the covers again and thought you were restless."

"I told you to take off your clothes because I was afraid you'd run away."

"Why would I run to a movie?"

Jasmine Tong was puzzled.

In fact, Albert Ou was planning to tell Jasmine Tong the truth, worried that she would be afraid and run away after she found out, so it was safer to take off her clothes first.

"Are we going to watch the movie or not? Shall I switch to a little porn?"

Albert Ou immediately changed the subject.

"What's the change, hurry up and look" Jasmine Tong slanted a glance at Albert Ou.

Albert Ou turned off the lights, pressed the switch on the remote, and the movie started.

Two people lying on a bed in such an atmosphere really felt a bit romantic.

Jasmine Tong leaned her head on Albert Ou's shoulder.

Albert Ou watched it with great interest, even though he'd seen the movie many times before.

When he turned his head to look down at Jasmine Tong, he found that Jasmine Tong had closed her eyes

“Asleep,”

Jasmine Tong was so shocked that she rolled her eyes and apologetically threw up her tongue towards Albert Ou.

“It’s dark and wintery in this house, and I’m a little sleepy when I’m still in bed.”

She said, yawning.

“You can still fall asleep at a movie and you’re not at all curious about what happens next in the movie?”

Albert Ou knitted his eyebrows and nudged Jasmine Tong’s brow.

“I’ve seen this movie all before, it’s not interesting.”

“You’ve seen it, you’ve seen it all” Albert Ou was very surprised.

“I saw it when I was in college.”

Albert Ou was suddenly nervous.

“So do you have any insights?”

Jasmine Tong blinked.

“I don’t really like this unreal love story.” Jasmine Tong answered truthfully.

She was also a little surprised when she found out that Albert Ou was going to be watching Twilight with her.

After all, this kind of romantic love story, Jasmine Tong thinks only girls like to read.

But Albert Ou, a guy who even watches reality shows about dating, likes to watch these kinds of movies, so she’s not surprised.

“An unreal love story.”

“Yeah, don’t you think it’s unreal that people fall in love with vampires, and a human walks into a family of vampires, and a werewolf admirer, and I actually admire the writer’s brain, but I really don’t like these kinds of movies.”

“Don’t you find their love very touching?”

Jasmine Tong was not impressed.

“I’m a very trivial person, is this kind of love touching I think it’s harmful.”

Jasmine Tong said with her chin on her chin.

“Why do you say that?”

There was no longer any smile visible on Albert Ou’s face, and every nerve in his body was taut.

“The hero and heroine are both very selfish, they are originally from two worlds, the heroine gives up everything she has for the hero, especially her father, and the hero, who knows he’s a vampire and knows they’re far-fetched together, is still with the heroine and very selfish as well.”

Listening to Jasmine Tong’s analysis, Albert Ou only felt his heart slowly falling.

Selfish.

I can’t believe she said that.

“I think the heroine is great that she becomes a vampire to be with the hero so they can be together forever.”

Albert Ou wanted to refute Jasmine Tong’s words.

“Actually I don’t think vampires are good at all, always young, never dead, always alive, no need to sleep or eat, what’s the fun in a life like that? the hero said at the beginning that he was miserable hating this life, but he’s hardwired the heroine into it”

Tong shrugged his shoulders.

“I don’t think so anyway, they’re both selfish bastards.”

Albert Ou was in a bit of a hurry at the moment, he didn't expect Jasmine Tong to react like this.

"But they ended up very happy, didn't they, and had a very lovely daughter."

"Come on, a movie is a movie, and the writers would have given them a perfect ending to satisfy the audience's imagination. If this had happened in real life, the plot certainly wouldn't have gone that way."

Jasmine Tong brought the yogurt over, put in a straw and began to drink it.

The movie continues to play.

It's clear that both men's minds are all but gone from the movie.

Albert Ou was defeated by Jasmine Tong's rhetoric, and he no longer knew what words to use to refute it.

"Jasmine, if you were the heroine, what would you choose? Break up with the hero."

Even though Albert Ou almost knew the answer, he still wouldn't stop trying to really ask.

Albert Ou's heartbeat was pounding and felt like it was about to jump out of his chest.

"If I were the heroine,"

## Her Bossy Yet Naive CEO Chapter 363 - 365

### Chapter 363

Albert Ou was quietly waiting for Jasmine Tong's answer.

Jasmine Tong took another sip of yogurt, her eyes dripping and swirling.

"If I'm the female lead, then I've passed the male lead in the first place, so this drama is over hahaha."

Jasmine Tong finished and laughed herself.

It's been very popular on the internet lately, if how this play is finished.

Jasmine Tong thought it was funny.

But Albert Ou's heart ached violently.

"If I'm the heroine, I don't even like the hero, people say he's handsome, I don't even think it's okay."

Jasmine Tong held up Albert Ou's face.

"Not as handsome as my husband."

It was a compliment, but Albert Ou grinned and couldn't be happier.

What I originally wanted to say today, I didn't say.

"Let's sleep."

"Am I being a bit of a spoilsport?"

Jasmine Tong also saw the loneliness in Albert Ou's eyes.

"We've seen this movie before, how about a different one."

When she fell asleep while watching a movie with Albert Ou, Jasmine Tong felt that she did go a little too far.

"No, actually I'm sleepy too."

"Well, then, let's go to bed."

Albert Ou picked up the remote and turned off the movie.

This same night, he was holding Jasmine Tong, but he couldn't sleep for a long time.

The woman in his arms slept soundly, but his heart was torn asunder.

It was thought that Jasmine Tong loved him so much that she could even ignore what he really was.

However, a mere trial run of a movie showed him that Tong's love for himself was limited to being a human being.

In fact, he should have thought of such an ending, and on second thought, Jasmine Tong is a very traditional woman in her bones.

She doesn't like unreal things.

academy of fine arts

There is still a public class today in the lecture hall.

As soon as Mo Yixin entered the staircase classroom, she began to look around, and when she saw Yarwen Tong, she immediately ran over happily and sat next to Yarwen Tong.

As soon as Yarwen Tong turned his head, he saw Mo Yi Xin's bright smiling face.

Yarwen Tong frowned and turned his head back, continuing to read his book.

What made Mo Yi Xin happy was that this time Yarwen Tong didn't even just walk away.

From the time Yarwen Tong was discharged from the hospital until now, Mo Yi Xin had tried to contact him many times, but Yarwen Tong had never spoken to her again.

It's a rare one that doesn't go.

The school bell rang.

Yarwen Tong directly stood up and walked out through another passageway and sat in another seat, away from Mo Yi Xin.

"Hey,"

Mo Yi Xin was just about to stand up and chase after her when the teacher came in.

"Okay, quiet down, we'll start class now."

Mo Yi Xin could only stomp her foot in frustration and sat down.

No wonder Yarwen Tong didn't leave just now, he was thinking of finding a suitable time so that Mo Yi Xin wouldn't be able to follow him.

Mo Yi Xin looked towards Yarwen Tong's direction and helplessly began this lesson.

After playing the game for a session, the session finally came to an end.

When the class was almost over, Mo Yi Xin was already staring at Yarwen Tong.

The two men seemed to be in a battle of wits.

As soon as the teacher finished the lesson, Yarwen Tong immediately stood up and walked towards the classroom door, Mo Yi Xin saw the situation and immediately began to pack his things and quickly caught up with Yarwen Tong.

Yarwen Tong walked quickly, as there were more people, and still kept a distance from Mo Yi Xin.

By the time he got out of the stair classroom area, Yarwen Tong's pace was even faster.

Mo Yi Xin ran all the way and finally caught up with Yarwen Tong.

"Yarwen Tong," Mo Yi Xin gasped and covered her stomach.

"Do you have a problem?" Yarwen Tong walked forward with a vigor, not intending to pay attention to Mo Yi Xin.

But his pace slowed noticeably.

"Can't I find you if I'm fine? Why are you avoiding me?"

"You're being nosy, I'm not hiding from you."

Yarwen Tong's tone was very cold.

"You're obviously avoiding me why are you avoiding me, we're still relatives, didn't my little aunt tell you?"

"It's nothing to talk about,"

Of course Yarwen Tong knew they were related.

“Hey, why are you like this I already know that you don’t have a girlfriend at all, my little aunt said it herself, why are you lying to me”

Yarwen Tong frowned.

“Because I don’t want to be harassed by you.”

His words hurt even more.

“You,”

Mo Yi Xin bit her lips, no one has ever dared to talk to her like this before.

“Yarwen Tong, don’t go too far, what’s wrong with me? Tell me I’ve been chasing you for so long, whether you’re a success or not, give me a sigh of relief”

Mo Yi Xin simply put his heart in the right place, and put an end to this once and for all today.

It was okay enough for her to be a girl shamelessly pursuing another boy.

Isn’t it said that men chase women across mountains and women chase men across veils?

Why is the veil she’s wearing thicker than the mountain?

“Wasn’t my attitude clear enough?”

Yarwen Tong just smiled coldly.

“But clearly I want to hear it from you personally” Mo Yi Xin shouted loudly.

“No,”

Yarwen Tong bellowed in a cut-throat manner.

Mo Yi Xin did not expect Yarwen Tong to be so decisive.

“You,”

“Are you satisfied this time is clear enough, don’t pester me anymore”

Yarwen Tong angrily continued to walk forward

Mo Yi Xin immediately chased after him again and opened his arms to block in front of Yarwen Tong.

“Why not? You always have to leave a reason, Yarwen Tong, you don’t like me, but you have to have a reason for me, right?”

Yarwen Tong really admired Mo Yi Xin’s stamina.

“Didn’t you just ask me if I could do it? I’m telling you the answer now.”

“It’s not enough to just say the answer, you have to explain the answer to do all the questions on the test you only write one answer, will the teacher give you a mark?”

If we’re going to mess around, let’s mess around to the end.

“Mo Yi Xin, what will you do before you let me go?”

Yarwen Tong’s expression was very serious.

“I’m not going to let you go no matter what I’m just going to catch up with you, I just like you.”

Mo Yi Xin tilted her head up in a full frame.

“Don’t you know I’m going to die someday?”

Yarwen Tong growled.

Mo Yi Xin was completely stunned, her hand slowly lowered and stared blankly at Yarwen Tong.

Yarwen Tong turned his head to the side, missing Mo Yi Xin, and left straight away.

On the quiet road, Mo Yi Xin stood alone, as if his soul had been sucked out by someone.

The Silver Lion Awards ceremony has finally arrived with much anticipation.

As Rameen Tong withdrew from the shortlist in the first place, the organizing committee respected her decision, so the ceremony has nothing to do with her anymore.

After the last storm, Rameen Tong began to make a low-key comeback.

## Chapter 364

There was indeed much less news about Rameen Tong than there had been before the accident.

Today, every time a news story about her comes out, it seems to be stolen by a reporter.

What Rameen Tong secretly started work, low-key comeback, dressed plainly at the airport and so on.

However, the secret private charity work was also dug up, so the whitewash was pretty successful.

As a gold medal agent, Roehen still has a couple of tricks up his sleeve.

The Silver Lion Awards ceremony is finally here.

Rameen Tong quietly tweeted.

“The Silver Lion is also a dream of mine, let that dream wait for me for a while, I believe that all the dark days will pass and all the hard work will pay off.”

Soon, Rameen Tong’s fans responded.

“If someone hadn’t stirred it up, the dream would have been promising this time.”

“It’s not fair that Dream has worked so hard for so long, that two works are nominated at the same time to prove her strength, and then she ends up having to pay for someone’s mistakes.”

“Dream on, you can do it. Let some people get away with it.”

Soon Rameen Tong was immediately on the hot search list.

None of the stars who were nominated drew much attention, but instead Rameen Tong, who had previously withdrawn from the shortlist, received such a high level of attention.

This couldn't help but make many agents secretly admire Rochen's abilities and tactics.

Another group of people on the internet started to scold Jasmine Tong.

Jasmine Tong is trying on a gown, and the Silver Lion city-level award can't be slowed down.

"Little Man, recently Rameen Tong's fans have started to tear you apart again, what do you think about this matter" Xu Xingru asked standing at the side.

"Tear it up, Rameen Tong bought a navy to carry the rhythm and it's not the first time."

Xu Xingru smiled, Jasmine Tong was becoming more and more mature now.

"That's what I thought, we're just not going to date her, but it's mean enough to come and do this while you're a finalist, even if it makes you unhappy to win an award."

Xu Xingru sneered, the light in her eyes somewhat hateful.

"Sister Xing Rou, didn't you used to know Luo Chen before then, it shouldn't be the first day you've seen his methods."

Xu Xingru lowered her eyelids, her eyes distinctly somewhat lonely.

"Yeah, not the first day I've seen it."

Jasmine Tong looked at Xu Xingru, feeling as if Xu Xingru had something on her mind.

There have been rumors that Xu Xingru and Rochen have been in love before, and I don't know if it's true or not.

Jasmine Tong didn't pursue the question either.

The Silver Lion Awards were a star-studded affair and the actresses are back to competing on the red carpet.

Jasmine Tong's dress today was a white sarong, dreamlike.

When she walked to the mixed interview area, she immediately faced a long barrage of reporters.

"Manny, look at the beautiful dress here today, it feels like a wedding dress, isn't a good thing close"

"Mandy, can we talk about your boyfriend?"

"Manny, how sure are you about this award?"

The reporters had one question after another.

Jasmine Tong also just smiled brightly.

"I admire your imagination so much, today you wear white, you think I'm getting married, if there's something good, I'll be the first to inform you all, for winning awards, if you can get the best, if you can't get it, keep working at it."

Tong's mind is always at peace.

She stepped into the meeting without much response to the reporter's words.

"The winner of the Silver Lion Award for Best Actress is Jasmine Tong."

The audience applauded.

In fact, it's basically expected to win an award.

There aren't many nominees this time around, and many established actresses have no work out this year, or else Rameen wouldn't have had two direct nominees.

When you look at the other actresses nominated for the award, Jasmine Tong is still very competitive.

It's no surprise that I won this award.

Sitting in front of the TV, Rameen Tong who was watching the live broadcast.

Watching Jasmine Tong on the TV with a glowing face receiving the trophy, I hated it so much.

If it wasn't for the wedding, she wouldn't have had to withdraw from the shortlist and maybe win the award.

"Jasmine Tong, we'll see what happens if you steal my Silver Lion Award, I'll get it back from you tenfold."

Rameen Tong picked up the tissue box on the coffee table in passing and smashed it towards the TV set

She then posted a tweet according to Rochen's instructions.

Rochen had instructed her early on that once Jasmine Tong won the award, she had to post a tweet.

"Even though we had our disagreements, I congratulate you, my dear sister, on another posthumous trophy, and my sister is always the best."

When people saw Rameen Tong's Weibo, they started to feel sorry for the girl again.

After all the unpleasant things that had happened with Jasmine Tong, she still congratulated Jasmine Tong.

Quietly, it's back on the hot seat and earning a bunch of traffic.

Another wave of abuse for Jasmine Tong.

Rainbow City

After attending the award ceremony, Jasmine Tong went home.

The Silver Lion trophy and the Silver Elephant trophy were put together.

She looked at the trophy and a big smile appeared on her lips.

Albert Ou gently came over and wrapped his arms around her waist.

"Just one more trophy to go and my dream of a Grand Slam is coming true."

Jasmine Tong paid no attention to Rameen Tong's Weibo attack.

"Just like achieving the Grand Slam that much?"

“Yeah, I want to be like my idol.”

“Your idol.”

“Oh my gosh, it’s just Muranui-senpai, a woman, not a man, she’s the only one who’s gotten the Grand Slam so far.”

“Oh,”

Albert Ou echoed, though he was surprised too, and didn’t say anything.

Normally, if Albert Ou told Jasmine Tong that her idol was her mother-in-law, would she faint with joy?

However, once she was told, Jasmine Tong was sure to offer to meet her idol, but he couldn’t let them meet.

Jasmine Tong turned around to face Albert Ou and put her arms around his waist.

“When I achieve the Grand Slam, we’ll have an open relationship, okay?”

Albert Ou tugged at the corners of his mouth and smiled.

“Well, I’ll marry you then.”

Jasmine Tong, however, felt somewhat listless as if she was lost.

“It’s hard to marry you and win so many awards.”

“You can marry now if you want to, you’re the one who had to get a slam of some sort.”

Albert Ou picked Jasmine Tong up across the room and walked towards the big bed.

“Married or not, you’re mine and you can’t run away.”

The night was charming and beautiful again.

The next morning it was Jasmine Tong who got up first.

She tiptoed up and went to the bathroom.

Not yet fully awake, she was about to go back to her room and go back to sleep when she suddenly felt a dry spell.

I wanted to throw up and couldn't throw up anything.

what's going on?

That's never happened before.

I don't know if it was because of the first miscarriage, because she didn't know it, but she immediately flamed back into her room, grabbed her phone, and took a look at her period history

## **Chapter 365**

It was only at this time that Jasmine Tong realized that her period had been delayed for a week.

Jasmine Tong was overjoyed.

Because of her last pregnancy, she didn't even know she was pregnant until she had a miscarriage, so now she was being very cautious.

Since it was still early, Jasmine Tong returned to her bed and looked over at Albert Ou, who was sleeping soundly beside her, and snuggled into his embrace.

I thought to myself, get some more sleep then tell Albert Ou the news.

As a result, by the time she woke up, Albert Ou was gone.

Albert Ou woke up in the morning and saw Jasmine Tong with a sweet smile on her lips, not wanting to wake her up.

So, gently, I got up and went to the office.

Jasmine Tong couldn't help but feel disappointed that such things should be said in person.

Just at this time, Jasmine Tong received a call from Xu Xingru.

"Mandy, get ready right away, we're going to shoot a magazine cover today."

“Ah so anxious.”

“Because you’ve won another trophy, the magazine is a temporary shoot and it’s a woman’s heart magazine cover.”

Women’s Heart is a top-notch magazine, and many actresses want to be in it but don’t even have the chance.

“Okay, I’ll get ready right away.”

Jasmine Tong immediately ate her breakfast, cleaned herself up and left the house.

Yesterday, I held the Silver Lion trophy for Best Actress, but today is another day on the schedule.

Jasmine Tong and Xu Xingru went to shoot a magazine cover together before Xu Xingru told her that there was another interview in the evening.

No way, she still needed to keep working.

It was bound to be a busy day.

For the evening interview program, Xu Xingru accompanied Jasmine Tong.

Jasmine Tong was all in the dressing room putting on makeup and Xu Xingru walked in.

“Mandy, I’ve communicated all the details of the interview later, so just answer as you wish, there are no tough questions.”

“Well, thank you, Starru-san.”

Xu Xingru also breathed a sigh of relief.

“I didn’t know you were so competitive and got two posthumous trophies in so much time, but, Manny, that’s a good thing and a bad thing.”

“Well, I understand.”

“It’s good that Oyama’s piece is great too, but we’ll have to be more careful about taking scripts in the future.”

“Sister Starru, I was just about to tell you about this, but after the big mountain shoot, I want to take a break for a while.”

Jasmine Tong was cautious in her probing.

She’s a popular actress right now, and choosing to take a break at this point would be like giving up her popularity.

No actress would do such a stupid thing.

“Rest how do you mean rest wanting to take a vacation wanting to take a trip, or”

Xu Xingru was also a bit confused.

“I can’t say, but I’m just trying to cut back a bit on work for a while, and at the very least I don’t want to take on a play for a short time, especially a big one.”

Xu Xingru nodded.

“I feel the same way, it’s okay not to go to another show for a guest appearance, but then I’m going to get you some good endorsements and get on a variety show or something, it won’t be too much work and it’ll give you time to breathe.”

Jasmine Tong immediately laughed.

“Well, thank you Starru-san.”

“What’s polite between us but, I didn’t want to interfere too much about you talking about love, but you need to remember the limits.”

Of course, Xu Xingru knew that Jasmine Tong’s choice to rest was most likely related to the other party.

After all, she’s still just a young girl in her twenties, prone to getting drunk on love.

“Don’t worry, Sister Starru, I have a sense of propriety.”

Xu Xingru was still relatively at ease with Jasmine Tong, so she didn’t say anything else.

The interview went very well and I had a great time talking to the host.

Xu Xingru wanted to send Jasmine Tong home, but Jasmine Tong said that someone was coming to pick her up, so Xu Xingru just left without asking.

Jasmine Tong watched from a distance as Old Chen's car came over and opened the door directly to the car.

"Sorry to have you over so late, Old Chen."

"It's the right thing to do to serve your wife."

That sound.

As soon as Jasmine Tong looked up, she saw Albert Ou in the driver's seat.

She was surprised and delighted.

Immediately get out of the car and get in the passenger seat.

"What are you doing here?"

"Come and get you." Albert Ou turned his head to look at Jasmine Tong and smiled unkindly.

"Go home."

Albert Ou had one hand on the steering wheel and one hand holding Jasmine Tong's hand.

Jasmine Tong's heart warmed.

"Honey, you're going to be a father."

"Honey, you might be a dad."

"Big baby, we might have a little baby of our own."

"Honey, I'm supposed to be pregnant."

These words played over and over again in Jasmine Tong's mind.

How was she going to tell Albert Ou the good news?

I was in a hurry today and didn't have time to test to see if I was pregnant or not.

But Jasmine thinks she's pregnant.

"Why don't you say something" Albert Ou aimed a glance at Jasmine Tong.

"Oh, hey."

Jasmine Tong didn't know what to say, she wanted to say it, but she didn't know how to say it.

"What are you smiling at, landlord's silly daughter-in-law?"

Albert Ou looked at Jasmine Tong's silly look and laughed.

"You're the landlord's silly daughter-in-law. Where did you learn all those words?"

Isn't it the landlord's foolish son that's all the rage these days?

"You're wrong, I'm the landlord and you're the landlord's silly daughter-in-law" Albert Ou was smug.

"Silly daughter-in-law you still want"

"Just like stupid, what, you got a problem with that."

Jasmine Tong was amused.

The two men laughed on the way and felt the time fly by.

Sometimes Jasmine Tong would think, wishing that the road would never end.

That way they can keep going without worry.

Arriving home, Jasmine Tong got straight into the bathroom to take a shower.

Albert Ou was lying on his bed playing with his phone, waiting for Jasmine Tong.

It took a while for Jasmine Tong to come out, and as soon as she got under the covers, Albert Ou immediately came over.

“So long in the shower, didn’t know I was waiting for you, eh.”

Albert Ou’s large hand directly ripped off the belt Jasmine Tong was wearing around her waist.

“Hey, what are you doing”

“What do you think you’re doing? Don’t always ask such childish questions.”

“You stop it,”

“I’ve been waiting for you for half a day and if you don’t come out, I’m going to go in the bathroom and do you straight.”

Albert Ou’s deep voice was full of magnetism.

Jasmine Tong died against Albert Ou’s chest.

“No,”

“Why not how twisted like a little daughter-in-law today really with me to play the landlord’s silly daughter-in-law ah okay, then I’ll play the landlord for once.”

Said Albert Ou, laughing arrogantly.

“Gee, I’m not messing with you, saying no means no.”

Jasmine Tong was a little anxious.

“Why not?”

Jasmine Tong was overjoyed.

“Some people aren’t happy about it, I’m afraid.”

“Who wouldn’t like it if I touched his wife?”
