

Her Bossy Yet Naive CEO Chapter 426 - 440

Chapter 426

The newest member of the family, Qin Yanyan, is a black-and-white dress with a deepening, queenly look, but still can't resist the change in style of Jasmine Tong.

Originally she was the senior in this circle, but now she was reduced to a foil.

"Hmph, so high-profile turn back can't win the award can be a loss of adults" Qin Tianlian's new assistant Guan Xiaoxiao is very disdainful of Jasmine Tong.

Qin turned around and ignored it and went straight to the lounge to get ready to fix her makeup.

"unexpectedly sister, I don't understand, Jasmine Tong is which onion that gang of reporters eyes are blind? you are the strong contender for this best actress? "Guan Xiaoxiao people are relatively young, not the previous Xia Lian steady, always say what is there.

Qin suddenly sat on a chair as she patched up her makeup and replied, "She has won a total of two heavyweight queen trophies, and has been out for just one year, if she gets a trophy this time she wins a grand slam, the youngest grand slam, or the first person to achieve a grand slam in the shortest amount of time, who do you think she is?"

A few words choked Kwan at once.

"Then there's sudden turn of events, how can you disappoint yourself?"

Kwan felt oddly unconvinced, "But I feel like suddenly she's a few blocks behind her in acting"

Then Qin turned around and smiled shallowly and closed his mirror, "Did you see that logo when you walked in the door?"

Guan Xiaoxiao blinked twice with her big eyes towards Qin Qin Yanyan and accosted her with a smile, "I didn't pay attention, I only looked at the skirt of Miss Yanyan, afraid that you might fall, so"

“That logo is from the Dark Empire, and I don’t blame you for not seeing it, it’s made a little small.”

“What does the Dark Empire have to do with Jasmine Tong?”

But then Qin turned around and stopped talking, “Nothing.”

She herself is actually not much of a bottom, she and Jasmine Tong are the two women in this movie on the other side of the big mountain, the two of them are soaring in the movie, but to be honest, Qin Liyuan doesn’t have the confidence to finish Jasmine Tong.

When she was making the movie, she was eager to prove that she was not a loser as a senior, but she had already worked hard, and although she had also received the director’s approval, she still felt that Jasmine Tong’s play was equally good.

Add to that the fact that the sponsor of this award ceremony was the Dark Empire, and Qin turned out to be even more demoralized.

After finishing the red carpet portion and taking a short break, the actual awards ceremony began.

It’s no surprise that the organizers have arranged Jasmine Tong and Qin Liyuan in all of this, but generally speaking, unless the two stars have deep roots, getting the same nomination is just going to be arranged together or in close proximity to each other.

The strong contenders for the Queen of Shadows are Jasmine Tong and Qin Jianliang, and if nothing else, the Queen of Shadows is between them.

They are naturally located next to each other.

“It’s been a long time since I’ve seen you, suddenly, sister.”They hadn’t seen each other for a long time indeed.

“Yeah, it’s been a long time, how have you been?”

“Pretty good.”

“It’s nice to see you’re springing into action too.”Qin Yan’s words were unavoidably sour.

In front of the media, Qin Liyuan naturally didn't dare to say such words, and now that there was no media around, he naturally wouldn't care about anything.

The two men exchanged pleasantries and then had nothing more to say.

The biggest prizes are on the back and the front ones are small awards.

This time Rameen Tong came over to present the award, and when he saw Rameen Tong on the stage, Qin turned his head to take a glance at Jasmine Tong.

"I heard you took a pot of love from Rameen Tong."

"As much as I do, I am merely stating the truth." Jasmine Tong shallowly smiled.

"I still remember the first time I met you, you were smeared by Rameen Tong for stealing the necklace, how humble you were at that time, in just a year's time, you're not the same person you used to be, or, I was wrong about the old you."

Jasmine Tong took a glance at Qin Yanyan, not quite understanding what Qin Yanyan wanted to say so she didn't reply.

"For you to lay such a heavy hand on your own sisters, it shows you're not as kind as you appear, but it's a shame some people don't know who you really are."

Naturally, Qin turned out to be talking about Albert Ou.

"The word kindness is a relative term, and I'm not the Virgin Mary." Jasmine Tong didn't want to explain more.

"Do you know why Rameen can be the guest of honor this time because her COLOUR is one of the sponsors, I guess you're targeting the COLOUR next."

Jasmine Tong ignored Qin Yanyan's words, because Qin Yanyan was right, she had already taken away the card Rameen Tong LOVE, the next card to be taken away was COLOUR.

She knew that Qin Liyuan had been hostile to her because of Albert Ou's affair, so there was nothing to argue about.

Qin Jianlian can think whatever he likes.

“Jasmine Tong, I don’t want to pay attention to your feud with Rameen, I’ll give you time to deal with it, and when you’ve settled your matter with Rameen, I’ll officially declare war on you.”

“Declaring war” Jasmine Tong was a bit confused.

There was no intention of explaining, but she had already made up her mind anyway.

As the two men argued, it had reached the most crucial moment, the Best Actress award

“Our Best Actress nominees for this year’s Best Actress award are on the big screen.”

This year’s finalists are shown on the big screen.

The mountain side of Jasmine Tong.

The big mountain side of Chin turned suddenly.

Doesn’t matter about the side buds.

Day Day Lu Junyi.

I am eighteen years old in the spring.

The camera had been given to Qin Yianran and Jasmine Tong’s side, both with generous and decent smiles on their faces.

“Our attentive viewers may have noticed ah, the two leading ladies on the other side of the mountain have been shortlisted and their two good sisters are now sitting together”

A presenter who specializes in interacting in the actor’s area also came to Jasmine Tong and Qin Jianlian.

“Mandy, I’m going to interview you first, if you get this trophy, you’ve achieved the actor’s grand slam and you’ve done it in the shortest amount of time, you must be very excited right now, right?”

With a shy smile on her face, Jasmine Tong “is excited to attend every award ceremony.”

“And how sure do you think you are of that?”

“Fifty percent of it.”

That’s the equivalent of not saying it.

“Then you evaluate your competition.”

“Then suddenly she is my senior and I like and respect her very much, and we both played opposite each other in this movie and learned a lot from her, so I will be very happy today no matter who wins the award.”

The presenter handed the microphone to Chin suddenly, “Then suddenly, say something to us too.”

The same finalists, one question after another for Jasmine Tong, and two sentences for Qin Jianliang.

Many people were embarrassed for Qin Liyuan.

“Manny and I both worked very hard, Manny is right, whoever wins the award, the other will be very happy, Manny’s acting is very good and I like it very much.”

“Okay, we’ll stop selling out and present the awards right away.”

Chapter 427

Everyone’s heart was in their mouths.

Even Rameen Tong didn’t leave after her award, she wanted to see if the heavens were so kind to Jasmine Tong.

Naturally, Jasmine Tong is nervous, because this is not just a trophy, but more importantly, the key that knocks on the door of her marriage!

She’s even got her acceptance speech ready.

Also ready to announce the fact that she’s married and planning a wedding soon in her acceptance speech

Compared to Jasmine Tong, Qin Then suddenly relaxed, knowing that it was almost impossible for her to win this award, but in her heart, she was still expecting a miracle.

“The winner of the Golden Wolf Award for Best Actress is Qin Qianlian.”

There was a pause for a few seconds before applause from the stage as the award winners were announced by the opening ceremony guests

Everyone was very surprised because they thought the winner this time would definitely be Jasmine Tong.

Jasmine Tong’s heart plummeted to the bottom, and even though she had a camera pointed at her, she could hardly hide her loss.

Naturally, Qin turned out to be shocked when someone around her congratulated her, and she realized it was all true!

It’s a miracle.

She snatched the best actress award from Jasmine Tong.

Jasmine Tong also stood up to congratulate Qin Jianliang, and Qin Jianliang hugged Jasmine Tong.

“I’m sorry, Mandy.”

Qin turned around and walked onto the stage to the applause and cheers of the crowd.

“We congratulate Qin Liyuan on winning the Best Actress Award.”

When Qin turned around and bowed deeply towards the audience, he received the trophy from the award presenters, and then it was time for his speech.

“Thank you so much for the trust and recognition, thank you to the director for giving me such an important role to play, and thank you to Mandy, who inspired me to act more.”

When Qin turned around with tears in her eyes, although she had won the trophy of the queen of the movie long ago, God knows how hard this award

was for her, since Jasmine Tong started her career, she hadn't won any award for a long time

Jasmine Tong could no longer hear what Qin Jianliang was saying, all her hopes were dashed.

The end of the awards ceremony is completely different from what it was before the ceremony

Previously all the media reporters had gathered around Jasmine Tong, but now all the media reporters had gone to interview Qin Jiangan.

There wasn't even a single reporter on Jasmine Tong's side.

"Sister Starru, I'm going to go to the bathroom and come over later." After saying that, Jasmine Tong turned around and walked towards the bathroom.

In the bathroom, Jasmine Tong sat on the toilet or cried out.

No one would be sad at this point, as they say soldiers who don't want to be generals aren't good soldiers, and actors who don't want to win awards aren't good actors.

Everyone comes here and runs for an award.

And this award will be even more important to Jasmine Tong.

After crying for a while, Jasmine Tong wiped her tears with a paper towel and walked out of the bathroom, standing in front of the bathroom mirror and began to touch up her makeup.

"I never thought you'd have a day like this."

Rameen Tong leaned against the bathroom wall and hugged her arms, looking like she was gloating.

Jasmine Tong put away her makeup and turned around.

"What?"

"No not much, just here for your jokes, I just like to see you sad and sad, preferably crying, that's what makes it pretty hahaha"

Rameen Tong laughed out loud.

“Sorry, I’m afraid you’ll be disappointed then. But I think you’re the biggest joke, I guess, being an actor, but only being able to present awards as a sponsor.”

Rameen Tong’s face immediately looks a little different, and she actually doesn’t want to come, Jasmine Tong is nominated for Best Actress, and she who has been fighting with Jasmine Tong doesn’t have a work in the ring, but Rochen says that the influence of LOVE isn’t over yet, and she needs to show her face to keep the heat up.

To be clear, she’s just here to rub off on the red carpet and the heat.

Jasmine Tong walked up to Rameen Tong, “I hope you still have the capital to present awards when I win the next one.”

“What do you mean Jasmine Tong, are you finished” Rameen Tong was taken aback, what in the world is this woman going to do.

“It’s not over. There’s no revenge for killing my brother.”

“Yarwen Tong was sick and died, what does it have to do with me” Rameen Tong subconsciously held the jade Buddha in front of her chest.

“What’s it got to do with you, you know better than me.”

“I’m telling you, you’re not going to beat me.”

“Then we’ll see” Jasmine Tong didn’t even look at Rameen Tong before walking straight out of the bathroom.

Sitting in the car, Jasmine Tong tried to adjust herself to not look so messed up.

Xu Xingru still saw Jasmine Tong’s loss, and she gently patted Jasmine Tong’s shoulder.

“Manny, win or lose, you don’t get the prize this time, keep up the good work next time.”

“I’ll be fine, Sister Starru.”

“In fact, I think that if I were to choose between you and Qin Yanyan, although it’s true that you are comparable, but upon careful deduction, it’s still better for you to take the measure, and Qin Yanyan is a little too forceful.”

“When she turns out to be a good actress, she has suffered a lot in her filming, and she deserves the award.”

“Well, now that you’ve said that, there’s nothing more I can say, so try to adjust yourself.”

At the halfway point, Xu Xingru got out of the car, and the car took Jasmine Tong back to Rainbow City.

Standing in front of her own house, Jasmine Tong did not enter immediately, how was she going to explain to Albert Ou?

After thinking about it for a long time, I still took the key and opened the door, although it was already late, but Pear and Aunt Fang both knew that Jasmine Tong had gone to the awards ceremony, and neither of them had slept.

As soon as she walked through the door, Pear bounced over, “Where are the trophies ma’am, I want to see the trophies I heard the Golden Wolf Awards are solid gold.”

When she heard Pear Blossom’s words, Jasmine Tong became even more frustrated, Aunt Fang seemed to see her embarrassment and immediately gave Pear Blossom a wink.

“It’s okay, Madam is an excellent actress, she’ll definitely win an award next time, Madam, have you eaten yet?”

“I’ve eaten, you guys get some rest early, I’m going upstairs.”

Jasmine Tong walked up the stairs with her head hanging down.

Pearly sighed deeply, “What a shame.”

“Don’t say it, Madam is feeling bad.”

Jasmine Tong walked very heavily step by step, even the pears were so full of expectation, let alone Albert Ou.

She gently pushed open the bedroom door, opening it all but a crack at first, and saw Albert Ou sitting on the bed waiting for her.

“There’s the little baby.”

Jasmine Tong’s mouth pouted as she walked to the edge of the bed and jumped directly into Albert Ou’s arms.

“I’m sorry, I didn’t take the prize.”

“ah this gang of people’s eyes how so bad ah not even give my wife awards eyes long toe board it.”

Albert Ou deliberately exaggerated, making Jasmine Tong laugh.

“I’m sad and you’re joking.”

Chapter 428

“I’m not kidding, what do you call it when you say your eyes grow to the soles of your feet” Albert Ou asked as he fiddled with Jasmine Tong’s hair.

“What’s it called” Jasmine Tong was also suddenly curious.

“Corns.”

The two of them laughed out loud together.

Jasmine Tong raised her fist and punched Albert Ou’s chest, “Prude.”

“I’m serious, I didn’t know about this cockeye thing until today, and I heard two senior executives discussing it during the meeting.”

Jasmine Tong buried her head in Albert Ou’s chest, “I’m so sad you’re still joking, no conscience.”

“It’s because you’re sad that I’m making you laugh.” Albert Ou lowered his head and kissed Jasmine Tong’s forehead hard, his voice was loud, “If you don’t get an award, you don’t get an award, you always have to give others some chances, so let’s just let them have it this time.”

“But, our wedding.”

“You can have a wedding without a prize if you want, it doesn’t matter, if you want to be a bride then I’ll start working on it tomorrow, eh”

“Don’t” Jasmine Tong fiercely straightened up, “I’ve said that only if you get a Grand Slam can you announce the relationship to do the wedding without getting it can’t do I have to get it.”

The stubbornness in Jasmine Tong’s bones absolutely wouldn’t allow her to do that.

“Okay, okay, whatever you say.”

After vowing Jasmine Tong returned to Albert Ou’s arms, “Okay, go to sleep.”

“For the sake of you being so sad, as your husband, you always need to be comforted.”

Albert Ou’s hand slid to Jasmine Tong’s back to unzip her dress, because it was designed by Yarwen Tong and he wouldn’t dare to make a fuss.

“What are you doing?” Jasmine Tong immediately realized Albert Ou’s intentions.

Albert Ou stripped Jasmine Tong naked in three moves, “comfort you ah.”

“I’m so sad and you’re still bullying me.”

“It’s not bullying, it’s called comforting” Albert Ou put the blanket on and pressed Jasmine Tong underneath him.

Well, he’d always have a countless number of things to say if he wanted to sleep with her anyway.

After the clouds rested and the rain subsided, it would have been a quiet night, but Jasmine Tong was unable to sleep, she looked at the side of Albert Ou, gently tucked him in, and crept out of the bed.

In the study, Tong’s two previous trophies were on the counter.

She picked up the two trophies and looked at them, still unable to hide her feelings of loss, she felt really sad about this defeat.

It’s precisely because it’s one step away from the dream that it’s so sad.

At the door, Albert Ou stood there, quietly looking at Jasmine Tong, with no intention of coming in.

She was sad, he was sadder than she was.

He knew she was sad, but he didn't know how to comfort her, but he knew Jasmine Tong was a strong girl, and she would soon put in the work to continue the struggle.

Albert Ou didn't walk in after all and turned away from the study.

Jasmine Tong clasped her hands together in front of her two trophies.

"Bless me with the fastest time to get the Golden Wolf trophy and achieve my grand slam."

It was a long time before Jasmine Tong returned to the bedroom and fell back asleep on Albert Ou's side.

The next day's news was overwhelming, and all the front pages were filled with all the headlines of Qin Yanyan finally getting her trophy again after two years and standing on top of the movie queen.

But there are also some that focus on Jasmine Tong, with outrageous headlines such as "Tong's dream shattered, Tong loses grand slam".

There are even some that dissect sisterhood.

It has been said that although Jasmine Tong was telling Qin Jianliang to praise his acting skills and said that she would be happy no matter who won the award, when Qin Jianliang won the award, her expression was too disappointed and her sisterhood was nothing more than that.

Jasmine Tong ignored all these distractions and went straight back to Yancheng to film, taking only two days off for the award ceremony.

Star King International

The celebration banquet that was temporarily prepared last night was indeed a bit hasty, although yesterday until two o'clock in the morning to go home, but this morning came to the company's Qin unexpectedly still radiant.

"Congrats, Miss Then Then Then There Was."

“Congrats, Miss Then Then Then There Was.”

When Qin turned around, there were congratulations everywhere she went, and she would naturally take them one by one, but today she came to the company because she had something to talk about, and after taking the trophy for the queen of the movie, her popularity rose, and the company would definitely have another arrangement for her.

Since it was still early, she went to the bathroom.

“Did you hear that there’s water in the fact that Qin Yanyan was able to win the award this time.” There was a strange sound from outside the door.

Then Qin turned around and was ready to go out and theorize, but this was his own company, how could he say that?

But she heard the rest and stopped.

“Moisture what moisture?”

“Said it was arranged by Mr. Ou, originally the Dark Empire had no intention of sponsoring the Golden Wolf Awards this time, it was Mr. Ou who snatched it up on the spur of the moment, and reportedly spent a lot of money”

“Mr. Ou is going to put in a lot of money to support Qin Tianran?”

“I guess so, actually I think the award should go to Jasmine Tong, both of them are good actors, but I like Tong’s performance more.”

“But Jasmine Tong and Qin Jianlian are both from our company, there’s no need to support one or the other.”

“You wouldn’t know about that would you, I heard it a long time ago, Mr. Ou’s relationship with Qin Tianran is not ordinary.”

“But I heard Ou has a wife.”

“Hey, Mr. Ou is so rich, just one wife at home, where is it enough? There are so many people like this, besides, Mr. Ou has already married this is a rumor, maybe he didn’t marry at all to cover for Qin Jiangyan.”

Two staff members of Star King International walked out of the bathroom as they discussed the situation.

Then Qin turned around and waited for them to leave before walking out of the bathroom.

Is it really true that Albert Ou gave the trophy to himself on purpose, but shouldn't he have given it to Jasmine Tong?

Qin turned out to be suddenly confused, first she had to know if the temporary sponsorship thing was true or not.

It's the best thing to ask one person.

Qin turned around and went directly to John Quan's office, who happened to have just returned from a meeting.

"Then suddenly, you wanted to see me."

"Let me ask you something, how come the Dark Empire is suddenly sponsoring the Golden Wolf Awards this time, is there something to consider on Asawa's side?"

"I don't know what he was pumping, one night suddenly called me and said to sponsorship, be sure to take it down, I but took a lot of effort, took 50 million to grab this sponsorship, the result of the sponsorship is very ordinary, you look at the dark empire logo do, so small who can see"

John was also full of complaints when he brought this up.

"Oh, that's right, then I know, I'm going home."

On the way back, Qin suddenly turned around and wondered, could it be that Albert Ou really did it for himself?

Her Bossy Yet Naive CEO Chapter 429 - 431

Chapter 429

After Jasmine Tong returned to Goose Town for filming, Albert Ou was busy in the company as usual.

He's been working like a crazy machine lately, like a machine that could use no breaks at all.

Russel Cheng didn't leave the office immediately after reporting to O'Zeno, watching O'Zeno lose weight day by day, he, the secretary, was somewhat distressed.

"O, are you in need of a break?"

"How" Albert Ou continued to look at the document in his hand without looking up.

"Actually, the company isn't busy during this time, and with Vice President Leng here, there are even more things that can be shared for you, you have no need at all if your wife knows that you're working so hard, she would definitely be distressed too."

Russel Cheng knew it was useless to say much, but just mentioning Jasmine Tong was more or less useful.

Sure enough, upon hearing Jasmine Tong's name, Albert Ou immediately put down his work.

"Have I been in bad shape lately?"

"You've lost a lot of weight lately, it must be heartbreaking for your wife to come back and see you like this, do you want me to move some meetings back"

In fact, Russel Cheng felt that there was no need to hold some meetings at all, and it would be just as well to hold them again in two or three months, there was no need for Albert Ou to be so forward.

While every entrepreneur wants his or her business to keep improving, the Dark Empire is good enough that there's no need for so much pressure.

"No, you go get Vice President Cold over here."

"Okay, I'll go now." Russel Cheng had no choice but to walk out of the office.

Five minutes later, the Cold Lords appeared in Albert Ou's office.

In the meantime, when he saw the cold owl come in, Albert Ou knitted his brows, "Why don't you knock on the door."

"You need to knock to enter your own place."

Albert Ou tossed the pen onto the table and crossed his legs.

The cold lord sitting across from Albert Ou's desk also raised his legs.

The two men's postures, their expressions, were surprisingly identical.

"What do you want from me?"

"You've been to a lot of places, is there any place to go out that's quieter, more scenic, preferably more special."

The Leng Lords suddenly sat up straight and leaned close to Albert Ou, "Which girl are you taking out to play?"

"Of course it's my wife," Albert Ou quirked an eyebrow, all provocation in his eyes.

"That's no fun."

"Tell me if you have it or not, and if you don't, get out."

Albert Ou also sat up straight and picked up the pen again, to tell the truth, he really hates the Leng Lords, seeing this man is annoying.

The Cold Lords folded their hands on the table and circled their two thumbs.

"There is down, I went out to sea the year before and got lost, passed by a small island, should not have been developed, the scenery is very beautiful," the cold owl saw the Ouze Wild breathless listening and added a sentence, "suitable for a honeymoon."

The words seemed to poke at Albert Ou at once, "Who says I'm going on my honeymoon?"

"Oh, so it wasn't a honeymoon with Mandy, then forget I said it for nothing."

"Where is this island you speak of?"

“Hiss if I remember correctly.”

Albert Ou interrupted the Cold Lords with a raised hand, “I’ll give you a week to get this island done.”

“f*ck I owe you for going on your honeymoon, let me set you up”

“Because you’re my subordinate out” Albert Ou pointed to the door.

Leng Lords stood up and looked at Ouzeno’s suddenly grumpy face.

“Well, who called me your subordinate.”

palace of reconciliation

It is a palace left over from the Song Dynasty, which has since undergone many renovations and become a filming base for films and TV dramas, with many costume dramas being filmed here.

This is where many of the scenes in the post-Jungle Chronicles were done.

Because the weather is getting hotter and hotter, but now the scenes being filmed are winter scenes, the actors are all in thick costumes, and one is screaming at the top of their lungs.

Rameen Tong was so flustered and flustered that she couldn’t read the script at all while blowing the fan, feeling like her clothes were soaked in sweat.

“Isn’t there something wrong with this crew ah winter filming summer drama, summer filming winter drama, isn’t this a live tosser?”

As she said Rameen Tong slammed the script down on the floor with her hand.

“Miss Rameen, why don’t I go get you an iced coffee” said assistant Huang Can hurriedly.

I’m sure Rameen Tong is wearing a thick costume and Huang Chan is cool in short sleeves and shorts.

“Iced coffee will be able to reduce the fire tell the crew to take a break today and not shoot” Rameen Tong stood up and walked directly towards the dressing room.

The director here is all ready to go, and all aspects of preparation are here.

A staff member ran over, "Director Zhang, it's bad, Rameen Tong has stopped filming again, saying that it's too hot today and she's not feeling well, so she needs to go back to the hotel to rest."

"What and do not shoot have seen such an actor it three days to fish two days of winter shooting summer drama, summer shooting winter drama, this is not very normal is not others can stand, just she can not stand."

Director Zhang has had enough of this. Ever since Rameen Tong joined the crew, the crew has never stopped.

"Where is she?"

"She's already gone back to the hotel, so it's better to call her back now and take time to put on makeup and change."

Director Zhang sighed remorsefully, "Even if the acting is poor, the character is still poor I shouldn't have used her for the next one even if I had thrown away my investment."

In the hotel, Rameen Tong is blowing the air conditioning and eating ice-cream, that little life is not very moist.

"That's how you live a human life."

Rochen came in a hurry and was very curious to see Rameen Tong so cozy in the hotel.

"Rameen, why aren't you filming today?"

"It's too hot today, rest."

Luo Chen looked at her like this is also biting his teeth, "Rameen, not that I said you this three days to fish two days in the end want what I can tell you, Jasmine Tong side is going very well, you have long been left behind by others"

Rameen then perked up, but soon laughed again, "Just how could that stupid TV show of hers compare to mine? Even if it's online at the same time, I'll kill her without leaving a single piece."

“I really don’t know where your confidence is Jasmine Tong acting so well, although the subject matter is not good, but what if what if you really lose, that would be ugly don’t then you can’t even finish the drama, the media will only say you are not as skilled as others”

“Looks like we can’t just sit back and wait to see who Jasmine Tong is playing against, Minister.”

Naturally, Luo Chen understood Rameen Tong’s meaning carefully pondered, “I heard that Mo Yiang played Jasmine Tong’s first love in it, a friendly cameo, not much drama.”

“Then keep an eye on it.”

“I say auntie, I can keep an eye on it, but trouble you make an effort too, don’t always set your mind on counting people”

Chapter 430

Yancheng Hotel

Jasmine Tong as Only Niang, before she was sold, was also a naive little girl who also had a boy she liked, sort of her first love.

Mo Yi-Ang is playing this first love this time, the scene will be killed in a few days, he is also a friendly cameo arranged by the director this time.

In her own hotel room, Jasmine Tong saw Mo Yiang, whom she hadn’t seen for a long time, and felt doubly affectionate.

“I say great nephew, we haven’t seen each other for a long time,”

“I was there when Little Lei died, but unfortunately you were like a lost soul and didn’t pay any attention to me.” Mo Yiang said casually.

Jasmine Tong’s face, for a moment, was a bit dark, and Mo Yiang realized that he had said the wrong thing.

“It’s quite a long time ago. So that’s almost three months.”

“What are you busy with?”

“If you’re frustrated in love, you’ll have to turn your mind to your career, or you’ll be too much of a failure as a human being.”

Mo Yiang’s focus on work has changed a lot in the meantime, he’s taken on movies, he’s taken on TV shows, and the reality show he did before was very popular and he’s still participating in it.

However, Jasmine Tong’s focus is on the word “frustration”.

“I’m not sure if I’m going to be able to do that, but I’m not sure if I’m going to be able to do that,” he said.

“I said when did you get so nosy.”

“Nonsense, who made your little uncle that gossipy little diva, can you not gossip a little, besides, you’re my own nephew.”

Jasmine Tong said as she touched Mo Yiang’s head.

“f*ck off, don’t keep talking about it.”

It was the most heart-breaking thing he’d ever done in his life.

“But you’re not getting any younger, and it’s about time you fell in love.”

“I do want to talk, people don’t want to talk to me ah” Mo Yiang carefully aimed at Jasmine Tong.

“There’s even a girl with eyes that aren’t blind. This is definitely a good girl.”

Mo Yiang felt a hard blow to his heart, “Jasmine Tong, what do you mean ah, in your heart I’m that bad?”

“It’s okay, what if you want to call me auntie, I might help you, what if you don’t want to, then just go out and turn right, I still have to video with your uncle”

Mo Yiang was forced to be stuffed with dog food again, “You two are so gluey every day don’t you get tired of it?”

“Not tired of it, not tired of it at all.”

He’s got to keep his mouth shut.

“I can’t wait to start the video, but if your uncle sees you here, you’ll have to think of the consequences.”

“I’ll get out of here” Mo Yiang got up and ran out quickly, he didn’t want to get beaten up.

After all, they were old friends, the crew, there was no surprise that Jasmine Tong and Mo Yiang were together, and the two of them also went to the set to shoot together in the morning.

“I heard that Manny-san and Mo Yiang were in the same room last night hey”

“This news is too fast. The paparazzi are in the hotel.”

“Do you think they really have an affair ah this entertainment circle where there is no real friendship ah two people are always so gluey.”

“It’s hard to tell if it’s true or not in the entertainment industry.”

As soon as Jasmine Tong and Mo Yiang arrived on the set, they heard a crew member discussing it.

“You jinx, I knew it would be no good for you to come” Jasmine Tong smoothly pinched Mo Yiang’s arm.

“That’s weird too, I just got here yesterday and today the news broke that this is someone squatting,”

Mo Yiang also found it very strange.

Jasmine Tong immediately opened her phone and read the front page of the entertainment news.

“Jasmine Tong and Mo Yi-ang met on set for 4 hours in a hotel.”

Jasmine Tong read the news headlines without any scruples.

“According to related reports, Mo Yiang on the set of a cordial greeting and Jasmine Tong, two people hooking up very intimate, the evening is a candlelight dinner together, but also back to the hotel together, Mo Yiang and Jasmine Tong no scruples, staff and hotel personnel to see is also commonplace, it can be seen that the two people’s close relationship has long been a well-known thing.”

“Late in the middle of the night, a lone man and a woman, after four hours of intimate hotel meetings, Mo Yiang hurriedly left, leaving with a smile on his face and a sense of satisfaction.”

“You’re fine, stop reading” Mo Yiang immediately stopped Jasmine Tong.

“This little phrase is quite strong and satisfying, it’s just a clear way to bring people into the ditch.”

It’s not surprising that a four-hour hot search of the two men’s secret meeting is already on the first place.

And, in the red carpet at the Golden Wolf Awards ceremony, Jasmine Tong also said in an interview, if this award win may announce the good news, everyone knows that Jasmine Tong is the one who announced that he has fallen in love with someone who is not Mo Yiang.

It’s not surprising that her boyfriend, who has already reached the point of marriage and also has such an intimate behavior with Mo Yiang, naturally some people will say Jasmine Tong misbehaved.

This is not Jasmine Tong’s fans have already pinched up with Mo Yiang’s fans, there are people on Weibo with a rhythm saying Jasmine Tong misbehaved and stepped on two boats and so on.

“How are you going to deal with ah this look is arranged, just ready to throw dirty water on you yet to know that I will not come.”

Mo Yiang knew that his arrival would cause so much trouble for Jasmine Tong, and he regretted it.

In fact, he just wanted to find a chance to meet Jasmine Tong, after all, they hadn’t seen each other for a long time.

“Does this still require coping? Come on, take some selfies.”

Saying that, Jasmine Tong turned on the camera function of her phone and handed it to Mo Yiang, “You take the picture with your long arm.”

“What are you doing?”

“Let’s take a picture together. It’s a good thing we’ve both changed costumes.”

Mo Yiang had to do as he was told, these two people never follow a routine for photos, with all sorts of weird expressions and actions.

Jasmine Tong just put together a nine-gong grid and posted it on Weibo.

“Here comes my first love, and guess who he is, the guy I had a four-hour secret meeting with in a hotel.”

Looking at Jasmine Tong’s Weibo, Mo Yiang was dumbfounded at the time.

It’s unwise to respond first and foremost when there is a gossip, and even if you need to respond first, it should be the agent who responds first, and the artist should still steer clear of it.

Secondly, when this kind of news appears, a direct response is also the next best thing, like Jasmine Tong writing about the man who had a secret meeting for four hours.

“I say you’re crazy, Starru-san will scold you to death if she finds out about this.”

Mo Yiang patted Jasmine Tong’s head.

“Yell all you want, there are so many people on the internet who yell at me, she’s not the only one.”

Chapter 431

As soon as Jasmine Tong’s tweet was posted, some netizens quickly and immediately began to bring the pace.

“Jasmine Tong is such a green tea whore that she doesn’t even shy away from it.”

“Jasmine Tong has officially and publicly admitted that she and Mo Yiang have been secretly meeting for four hours. It seems that what the news said is true.”

The best dissatisfaction is Mo Yiang’s fans.

“Jasmine Tong, would you please stop throwing mud on Yiang?”

“Jasmine Tong is a plague star and ever since he made friends with him, the gossip about Yiang hasn’t stopped.”

Mo Yiang was also furious when he found out that all of his fans were underneath his Weibo, advising him to stay away from Jasmine Tong’s message.

He immediately retweeted Jasmine Tong’s tweet, “Do we still have a secret meeting tonight?”

Although he didn’t know what Jasmine Tong was up to, it was right to go along with what Jasmine Tong said.

After that both of them ignored it and went straight to filming, and there was a lot of talk on the set, but at least it wouldn’t affect the shooting schedule.

They also ate dinner together and went back to the hotel together as they had done before.

By the time she finished work at night and returned to the hotel, Jasmine Tong took another look at her phone and the microblogging hotspot had exploded.

The company has been in the process of developing a new product, which will be launched in the near future.

Even Jasmine Tong’s own fans have said that if they want to really be with Mo Yiang, they shouldn’t be so secretive and unclear, and they won’t blame her.

“Manny, what the hell are you singing about? It’s very bad for you. I don’t care.”

Mo Yiang was genuinely anxious for Jasmine Tong.

“Of course you’re fine with it, your wife fans are fighting so hard, look at all of them under my Twitter”

Jasmine Tong complained, but her heart was beautiful.

As she said that a call came in on her phone, it was from Albert Ou.

“Oh no, I forgot to inform your brother-in-law first.” Jasmine Tong immediately answered the phone and her voice immediately became sweet.

“Honey,”

Hearing Jasmine Tong’s cry of “husband”, Mo Yiang felt his goose bumps all up.

These two had much to say, so he left in good humor.

On the other side Rameen Tong was also happy to see this news.

In the beginning for this press release, Rameen Tong is not satisfied, secret meeting four hours this kind of thing is too common, can not get any real hammer, who knows Jasmine Tong himself fueled a bit, sent a brainless microblogging.

“I say minister, your press release this time is just awful next time if there is still such a thing, this level of press release please don’t bring it out ok”

“It’s good enough to write this kind of press release, after all, we didn’t catch people doing anything nasty ah” Rochen is the most helpless one.

“Two guys spend so much time in a hotel, who knows what nasty things they do in there.”

“Rameen, I’ll tell you what, you’ll be four hours was made up by me, Mo Yiang was in Jasmine Tong’s room for a total of less than 20 minutes”

Rochen held up two fingers.

Rameen Tong immediately covered her mouth and laughed, “I never thought Mo Yiang would be so fast, haha.”

The look on Rochen’s face when a man heard a woman say such things could be imagined.

What he’s trying to say is that the two men must have done nothing in the hotel, and that the news is nothing more than a hard charge for them.

“Rameen, I’ll remind you once again, don’t always put your hopes on others, it’s still up to you to prove yourself” Luo Chen warned Rameen Tong once again.

To be honest, he was about to get fed up with Rameen Tong’s temper.

“I know lah, you’ve said it many times” Rameen Tong looked very impatient.

“I’ve said it many times, and you have to listen to it before you can do it ah This time if Jasmine Tong herself hadn’t sent a brainless tweet that ran into the gun, our ploy would have been a complete failure”

Rochen got grumpy.

“That’s why I said there’s no way she’s a no-brainer to fight us, so don’t worry so much, I’ll just have to try a little harder.”

“It’s a complete coincidence Xu Xingru has other people to take with her and probably has no time to worry about Jasmine Tong or else she would never have allowed Jasmine Tong to post such a tweet, we’re just lucky,” Rochen stressed again.

“Alright” Rameen Tong slapped the table hard, “I got it, you get out”

Luo Chen saw this attitude of Rameen Tong and didn’t want to continue arguing with her so he walked out.

If it wasn’t for the fact that he’s a gold medal agent, Rameen Tong wouldn’t have let him talk to her like that.

“You’re about to sh!t on my boss’s wife’s head, you really think you’re an onion.”

Rameen Tong looked at the wind on Weibo again before she went to bed to make sure that everyone was still yelling at Jasmine Tong and it was getting worse, so she went to sleep at ease.

Jasmine Tong, on the other hand, didn’t take the news to heart and was still videoing with Albert Ou.

“Jasmine, are you sure you don’t want me to help you with anything?”

When Albert Ou first saw the news, it wasn’t that he suspected that Jasmine Tong and Mo Yiang had something, but he was worried that the news would have an adverse effect on Jasmine Tong.

“There’s really no need, you’ve already asked several times, so don’t worry, the mountain man has his own plan.”

“Then I really don’t care about anything, I’ll tell you when you need me.”

“Okay, I’ll be done with the movie soon, so I’ll keep you company when I get back, don’t I miss you?”

Jasmine Tong didn’t even want to pay attention to the news and just wanted to have a good chat with Albert Ou.

“Of course I missed you. How does it feel to be alone every night?”

“It’s a good thing you put up with me and didn’t come to the hotel, or this would have been a much bigger deal without knowing how many pairs of eyes were watching me.”

Albert Ou’s blue eyes were a little dark, he was actually going to come to the hotel to find Jasmine Tong, but unfortunately the news broke first and he couldn’t come if he wanted to.

“We haven’t seen each other for almost a month or so,” Jasmine Tong asked suddenly.

“36 days.”

“You remember that well,”

“Don’t I remember the days I was alone? How many days you’ll be back?”

“Half a month if all goes well, we’ll meet soon.”

“There’s still half a month left,” naturally Albert Ou couldn’t be satisfied with this time.

“Oh honey, just be considerate and go back and make you something delicious.”

“It’s enough to eat you.”

Jasmine Tong shyly covered her mouth and smiled, “Then I’ll hang up first, good night.”

There were a lot of people who stayed awake this night, seemingly waiting for a story reversal or more drastic news.

Rameen Tong woke up and was also the first to open her phone to see how last night's battle went.

Her Bossy Yet Naive CEO Chapter 432 - 434

Chapter 432

The invective about Tong seems to have disappeared, leaving only the microblogging trumpets, the water armies she purchased.

There are more expectations online for Tong's new role.

"So Manny's doing a new TV series. I'm looking forward to it."

"Call for Mandy, call for Vicky."

"Manny's TV show must be really good, it's going to be a long time before I get to see it, so sad."

There are many more comments on this type of commentary, Rameen Tong a moment of confusion, is the microblogging hot search about Jasmine Tong and Mo Yiang four hours secret meeting also almost disappeared.

It's not just a matter of time and space, it's a matter of time and space, and it's a matter of time and space.

What the hell is this?

Rameen Tong quickly searched for the truth on Weibo, after all, after a night of fermentation, many of the original Weibo has been suppressed.

She searched for a long time, and only then did she discover that it was the Slivestopol TV station director Yao Xiangyun who had posted two microblogs last night.

The first tweet is about the fact that Slivestopol TV has already reserved a slot for Only Niang, which means that the TV station has already signed a contract with Only Niang.

The new album will be released in the second half of this year, and will be available on the web.

In the second Weibo, Yao Xiangyun put up three photos, one of her and Jasmine Tong in an intimate photo, one of Mo Yiang Jasmine Tong and a strange man, the strange man was mosaicked, and another, a photo of Jasmine Tong and a strange man, also mosaicked.

Everyone knows that Yao Xiangyun is Mo Yiang's mother, and posting such an intimate photo together shows how close their relationship is, Yao Xiangyun is not only very approving of this friend of her son's, but also of this friend's boyfriend.

It's like they're family.

So the rumor about Jasmine Tong and Mo Yiang's secret meeting for 4 hours is not true.

In addition, all eyes are on Jasmine Tong's TV drama.

Vee Nyang because of the subject matter restrictions, funding would have been insufficient, so the pre-publicity is also not enough, this time, the whole network all know only Nyang this drama.

Waking up in the morning, Mo Yiang was also very surprised, and confronted Jasmine Tong with his cell phone while eating breakfast.

"You've moved my mother out, yes."

"Actually, at first, I didn't think that much of it when I saw the news, I just wanted to push the envelope a little bit, just in time to promote the TV series, but don't think that I was called that night and said I wanted to sign the TV series, so I contacted the person in charge of the TV series, and the matter came to fruition."

Jasmine Tong didn't expect it to go so well.

Mo Yiang had to give Jasmine Tong a thumbs up, "High is really high."

"Go back and tell my cousin's wife that I'll invite her to dinner later and bring you along."

“I’d rather not drop by, I don’t want to see my mom lately I haven’t been home in a long time.”

Mentioning Yao Xiangyun, Mo Yiang is still a little scared.

“How to see you wimpy say it little aunt to help you set it right” Jasmine Tong patted his chest.

“You’ve got to pull it off, just because of you I’m a year younger than my youngest uncle, and now my mom is driving me crazy watching you and my youngest uncle like glue every day urging me to fall in love.”

Jasmine Tong puffed out, “So that’s what this is about.”

“I’m telling you, you’re going to meet up with my mom later and she’s going to ask you to introduce me to a girlfriend, so don’t you dare say yes.”

Jasmine Tong was lying on the table, a pair of big dark eyes looking at Mo Yiang.

“If you call me Auntie, I’ll oblige.”

“f*ck off.”

Mo Yi-Ang filmed another day’s worth of content here, and he left after all of his characters were killed off.

Before he left, he and Tong took a few more pictures, but this time they were very serious stills.

The two men also tweeted at the same time in the evening.

Mo Yiang said: everyone says there is a friendship called Jasmine Tong and Mo Yiang, Jasmine Tong.

Jasmine Tong said: thank you for the support of only mother, thank the station director’s trust, which day the black soil is not, bring your boyfriend to the station director’s house, I cooked.

When Mo Yiang saw it, he commented, “Why wait until I’m not here?”

Jasmine Tong replied: it is so simple not to give you food, is not stupid, can not even see this.

The two people you sentence me to choke in the microblogging, look at everyone is happy, Jasmine Tong incidentally also told everyone that Mo Yiang is shooting a new movie.

Mo Yiang's fans also went to Jasmine Tong's Weibo to apologize.

In the evening, Mo Yiang was lying in bed watching the hot search of "There is a friendship called Mo Yiang and Jasmine Tong", and kept smiling goofily.

Maybe it's good to keep watch over her like this.

On the other hand, in the middle of the night, Rameen Tong and Luo Chen also can not sleep peacefully, this time it is considered to be a fall.

Rameen Tong purchase navy but spent a lot of money, Rochen hired paparazzi to take pictures also spent a lot of money, but the other side ended up picking up a big advantage.

"Shouldn't we just buy more navy and get the conversation going again, we can't just leave it at that."

Rameen Tong still doesn't want to let up.

"The PR they did this time was so good, plus there's also Yao Xiangyun's help, so it's useless for you to buy any more navy."

There was a weariness in Rochen's voice, and he was exhausted from all the chaos he had been busy with lately.

"Rameen, this time let Jasmine Tong order a big advantage, killing three birds with one stone, one to help Jasmine Tong promote her TV series, two to make her TV series successfully signed with the TV station, and three to incidentally also help Mo Yiang."

Rochen is also impressed with this kind of PR that doesn't cost a penny.

"It's too cunning for that."

"The TV station has already signed Only Niang, and even if they sign us, the airtime will definitely be different, and as far as I know, they shouldn't be signing any more TV series in the near future."

Slivestopol TV is very influential in the country.

“So, Rameen, to put it bluntly, we’re calling this moving a stone against our own feet, and originally this side of Jeong Hou Chuan was also negotiating a partnership with the TV station.”

Rameen Tong didn’t think it would be such a serious consequence, “You give me another idea, and then go and keep an eye on Jasmine Tong I don’t believe she doesn’t have any dirt dug up on her Yao Xiangyun, right, why would Yao Xiangyun help her there must be news”

Rochen was also drunk on Rameen Tong’s thinking.

“Yao Xiangyun the woman, and she’s almost 50 this year.”

“So what if it’s gay? You’re going to write me about it. It’s big news.”

Chapter 433

Rameen Tong was like being killed with red eyes, giving so much without effect was fine, but instead letting the other party take advantage.

How could she possibly swallow that?

After hearing Rameen Tong’s words, Luo Chen only felt even more amused.

“Rameen, come to your senses Yao Xiangyun is what kind of role not to mention you, even your husband, I guess you have to give her some face, if she orders to block you or even Artisan International, it’s not impossible”

Only now did Rochen realize that there were times when Rameen Tong was really stupid.

“Then go dig up some other news, we can’t just sit around and wait for it to happen.”

“No one is letting you sit around and wait for death, the Jung Hou Chuan is such a good book, as long as you work well with it and film it properly, it’s guaranteed that this drama will be a hit, you don’t need to do anything else at all to overpower Jasmine Tong”

Rochen is really worn out.

Rameen Tong was completely speechless, but she couldn’t swallow it.

“I used to think the same as you, popularity is good, what works not works but now I find that I thought wrong, you are an actor, Jasmine Tong is right, an actor eventually has to take works to speak.”

Rochen’s voice lowered, “Think about it yourself, there’s nothing I can do, in short I won’t get caught up in smearing Jasmine Tong’s news again unless she really has a black spot, I don’t want to waste my time on this kind of thing.”

“You you’re my agent, of course you have to stand with me” Rameen Tong growled towards Rochen.

“I’m your agent, but I’m not your lapdog, I’m going to do whatever you say I certainly want to stand with you, but I want it to be us working together.”

Luo Chen’s voice was louder than Rameen Tong’s, shocking Rameen Tong at once.

“If you want to make a good movie, make a good movie, if you don’t want to make a good movie, then so be it” after saying that, Luo Chen immediately left, he also didn’t want to continue nonsense with this woman.

The first thing you need to do is to take a look at the newest products that are available.

“Jasmine Tong, we’ll see what happens I’ll let you off the hook for now.”

She had to compromise, and it was only right to finish the post Jeanne biography properly.

However, the filming of the post-Christian legend is already halfway through.

With the help of the scandal, the expectations for Venerable grew.

Even the producers of the TV series were very grateful to Jasmine Tong, who saved them a huge amount of money on publicity, as they were already tight on production funds.

Tong has continued to post stills from the set and share interesting anecdotes from the set, which has kept the heat on Vee Niang.

After another half a month of filming, Wee Niang finally killed the film.

The crew held a kill party, and we were so close after months together that it was inevitable that we had a few more drinks.

Especially Jasmine Tong, there were many people looking for her to make a toast, but she was very good at drinking and couldn't get drunk no matter how much she drank.

After the killing banquet, the car came to pick up Jasmine Tong, although not drunk, but so much wine belly, under the effect of alcohol, Jasmine Tong also a little excited.

"Old Chan, let's go home."

"Yes, ma'am."

That familiar voice.

Jasmine Tong immediately sat up in the back seat and lay down on the back of the driver's seat.

"How come it's you, honey?"

Jasmine Tong immediately got out of the car, ran to the passenger's seat, grabbed Albert Ou's neck and kissed him.

The smell of alcohol on a man can make him more masculine, which is not the case with alcohol on a woman.

Albert Ou disgustingly cupped Jasmine Tong's face and pushed her away.

"Why are you drinking so much wine?"

"Hey, happy we're killing it, I can go home to you." Jasmine Tong's face was red and her eyes were narrowed.

That made Albert Ou quite happy, though.

"Drinking too much."

"No how could I have drunk too much you forget I grew up in a wine jar."

Jasmine Tong had never been able to get her drunk when she was this big.

But usually the only person who can get as drunk as she can get herself drunk is herself.

Albert Ou had a vague feeling that Jasmine Tong might have been drinking a little too much.

“Jasmine, why don’t you sit in the back, lie down in the back for a while, get some sleep, and we’ll be home in a few minutes.”

“I don’t want to, I want to be with you.”

Jasmine Tong slapped one hand on Albert Ou’s thigh, resting it on the inside of his thigh, and never let go.

Albert Ou drove the car, only to feel a tightness all over his body, directly removing Jasmine Tong’s hand.

“Stop it, I’m driving.”

“I’m not making a scene, I’ve missed you, honey, especially especially.” Jasmine Tong leaned in again.

If it wasn’t for the fact that the driver’s and passenger’s seats were some distance apart, and there was also something between them, I guess Jasmine Tong would have flown over.

Jasmine Tong touched Albert Ou’s thigh, and her eyes grew a little lost.

“Honey, I really love you so much, you know I only have you now, don’t ever leave me.”

Albert Ou looked straight ahead, not daring to look at Jasmine Tong, his heart sore.

“Don’t be ridiculous.”

“I’m not talking nonsense, I’m telling the truth, in fact, I know you’ve done so much for me, the whole time Little Lei was away, you were the one who kept watch over me, in fact, I know everything.”

“Don’t sleep, get some rest.” Albert Ou doesn’t want to hear this.

“People are always hard on people who love themselves, so you love me so much and treat me so well, but I’m always”

Jasmine Tong lifted her hand to wipe her own tears.

“You used to always be jealous of Little Lei, these two days I’ve always been so nice to him and then ignored you, actually I know, but I can’t help it ah he’s my brother, we’ve grown up with each other”

“Okay, stop it, I know all about it.” Albert Ou wanted to stop Jasmine Tong from saying anything else.

“No, I want to say, I want you to know that I actually really love you, very, very much, in this world, as long as you treat me so well and love me so much and hold me in your hands, I’m really grateful to you, and now that Xiaolei is gone, don’t worry, I’ll pay you back what I used to owe you.”

Jasmine Tong leaned in once more, “Honey, I’ll spend the rest of my life paying you back, don’t leave me, okay”

“You’ve had too much to drink.”

“Will you promise me?”

Jasmine Tong’s small hands roamed freely over Albert Ou’s body.

“Okay, okay, promise, sit down.” Albert Ou pushed Jasmine Tong back.

This way, Jasmine Tong has been talking about, finally arrived home.

Albert Ou practically carried Jasmine Tong to the bedroom, and just as soon as she entered, he pinned her against the wall.

“Leprechaun, I’ll take it all the way.”

Chapter 434

Jasmine Tong’s face was still red as she laughed lightly and hugged Albert Ou’s neck.

The next second she actually lit up her feet and kissed Albert Ou aggressively.

Not a light k!ss or a slap on the wrist, but a scorching k!ss, a frenzied k!ss.

This set Albert Ou on fire, and he sucked vigorously on her lips to lengthen and deepen the k!ss.

This was the first time Jasmine Tong had taken such initiative, perhaps because of the effect of the alcohol, she had forgotten about it and moved without fear based on her body's instincts.

It was a wild night, a crazy night, and a very sweet night.

When Albert Ou woke up the next day, he looked at Jasmine Tong who was still having beautiful dreams by his side.

Last night, her words still echoed in his ears.

"Honey, I love you so very, very much."

"Honey, don't leave me, okay?"

"Honey, I'll spend the rest of my life making it up to you."

Every word was so sweet, Jasmine Tong seldom made such unbridled confessions, and this was the first and only time.

But this word deeply affects Albert Ou's heart.

He gently gathered her in his arms and went back to sleep.

Jasmine Tong didn't know how long she had slept for before she woke up in a daze and stretched out her arms to stretch out, but felt a chill coming on.

Before you could react, a hot, wet k!ss covered it.

"N-no,"

"Good morning, oh, good afternoon." Albert Ou's handsome face slowly enlarged before Jasmine Tong's eyes.

"Why didn't you go to work?" Jasmine Tong covered her mouth and yawned.

"You drained me last night, why don't you give me a break today" Albert Ou's eyes were lost.

“What squeezed dry” Jasmine Tong hadn’t reacted yet, her brain was a bit slow, but as soon as she stretched her arms and found herself cold, she quickly lifted the blanket to look and immediately covered

“Why am I naked?”

Albert Ou just looked at her with his lips hooked in an unkind way, just not speaking.

Jasmine Tong just remembered last night, she remembered she was still drinking at the killing banquet and then, Albert Ou came to pick her up and then’s then

Why does she feel like she can’t remember what happened to her?

“Doesn’t remember much about last night.”

“Well.”

“Then let me help you remember that last night in the car you were touching my thigh.”

“Bollocks. No way.” She’s definitely not like that.

“I’m reacting to the touching, and I keep telling my husband I love you, I can’t live without you, and I keep confessing to you, and I keep seducing you, and then as soon as we get home, it starts but you’re the one who initiated it, and you know how crazy you were yesterday.”

Albert Ou leaned in close to Jasmine Tong’s pert face, “Wanted it again and again, and still wouldn’t let me stop.”

“Stop it” Jasmine Tong immediately covered her ears, “No way, it’s absolutely impossible you’re lying”

“Don’t believe me then get up and take a look” Albert Ou pulled Jasmine Tong up.

My God, is this their room?

The mess. All kinds of clothes, socks, her underwear.

“You helped me take off my clothes.”

Jasmine Tong quickly lay down and covered herself with the blanket.

Is she really that wild?

Is there a wilder version of herself underneath her reserved soul?

Jasmine Tong couldn't help but feel like her face was on fire, how could she do this

Albert Ou just smiled as he lay on his side next to Jasmine Tong, gently taking the blanket off her face.

"There's nothing to be shy about, we've been together for so long."

"You stop it, it's embarrassing" Jasmine Tong covered her face with her hands.

"No shame in front of me, I like him a lot, and I like such a wild wife."

Jasmine Tong felt even more shy, "No more talking about it, no one is allowed to talk about what happened last night"

"Fine, fine, don't mention it, anyway, I earned it."

Albert Ou affectionately parted the unruly hair on Jasmine Tong's head and carved a kiss on her forehead.

"Did I drink too much last night" but in Jasmine Tong's memory, she was someone who never drank too much.

"No, you're not drunk, you're just pretending to be drunk to flirt with me." Albert Ou made it sound ambiguous.

"Don't say that again. I'm just drunk."

"You were the one who said it first, not me." Albert Ou found it fun to verbally tease his daughter-in-law.

Jasmine Tong thought and then turned to look at Albert Ou, "What did I say last night."

"I thought you said I wasn't allowed to talk."

“Fine, fine, just don’t say anything, forget I ever said what time it is or not to get up.”

“Two o’clock in the afternoon.”

“Ah” Jasmine Tong sat up quickly, “It’s two o’clock.”

“Are you trying to seduce me again, knowing you’re naked and you always do.”Albert Ou gently touched Jasmine Tong’s smooth back.

Jasmine Tong lay down again quickly, forgetting that she was naked.

“It’s okay, don’t get up until you remember, I’m at home with you.”

Jasmine Tong doesn’t remember anyway, and it’s time to sleep in when she’s on the set, where she gets up early and goes to bed late every day.

Albert Ou nudged Jasmine Tong’s side, “Jasmine, what do you want to do the most right now.”

Albert Ou’s tone suddenly became serious again, which made Jasmine Tong ponder for a long time.

“Just tell the truth and don’t think about me.”

“Revenge for Little Lei.”Jasmine Tong didn’t want to lie, let alone lie to Albert Ou, and all she was doing now was to take revenge.

Including her taking over Viniang all for revenge.

“Except for this.”

Jasmine Tong gently hugged Albert Ou’s waist and looked up at him, “Stay well with you, and marry you.”

Hearing this Albert Ou was naturally elated, he was already satisfied.

Jasmine Tong gently stroked Albert Ou’s face, “I actually miss you a lot.”

“I know, and didn’t last night prove it?”

Albert Ou hugged Jasmine Tong tighter, “Why don’t we have a wedding?”

“No, I said I’m not having a wedding until I get the Grand Slam, the Golden Wolf Award only comes once a year, I’m going to use this year to beat Rameen Tong and then I’ll marry you, what do you say?”

“Well, it’s all up to you. It’s just that the revenge thing, let’s put it off for a while, okay?”

“Why?”

“I’ll probably be very busy in a while, and there’s a chance I’ll be traveling overseas, so we can skip the wedding, but how about we go on our honeymoon first.”

The word “honeymoon” is new in Jasmine Tong’s world.

She never thought such a romantic word would be relevant to her life.

Her Bossy Yet Naive CEO Chapter 435 - 437

Chapter 435

“I’ve never been on a trip.”

Thinking of this, Jasmine Tong couldn’t help but feel a little sad.

“When I was little my family was pretty good, my dad and my stepmother and Rameen Tong Rameen Qi would occasionally go on trips, and every time they came back they brought a lot of weird stuff, food and fun, and they would take a lot of pictures.”

By the way, Jasmine Tong had never traveled, even Yarwen Tong had had a graduation trip, but Jasmine Tong hadn’t once.

“If you want, we can go now.”

“Now” Jasmine Tong stared at Albert Ou with wide eyes somewhat incredulously.

“Everything is ready and waiting for you.”

“Really? “Jasmine Tong was really surprised and happy.

“Really, no lie.”

“Then let’s get up now” Jasmine Tong came to her senses and put her hatred aside for now, it would be good to go on a honeymoon with Albert Ou.

The two men sat up, and Jasmine Tong immediately saw the scratches that crisscrossed Albert Ou’s back.

Shy and a little sad at the same time, she really was so passionate last night.

“Does it hurt” Jasmine Tong stroked Albert Ou’s back.

“It doesn’t hurt, and it’s a little irritating,” Albert Ou winked with a bad smile.

Jasmine Tong immediately slapped Albert Ou on the back, “Not a prude again.”

“Hiss,” Albert Ou took in a breath of cold air.

“It hurts.”

“You really think my body is made of iron ah you look at your own nails so long, can not hurt it quickly give me a blow.”

Jasmine Tong immediately gently blew on Albert Ou’s back, but when she raised her eyes and saw Albert Ou’s side face looking like she was enjoying it, she immediately stopped.

“Don’t stop, keep blowing.”

“Blowing your head off and lying to me.”

“Hey you’re getting smarter now, not as gullible as you used to be.”

“Hmm, learned that from you.”

The two men quickly got up and showered and had something to eat.

“Do I need to get something else?”

Jasmine Tong is a person who is always ready for anything.

“No need, really no need I told you everything, the stuff was shipped there already.”

Jasmine Tong frowned with a skeptical face, “But I can’t trust you.”

“Am I that unworthy of your trust?”

“You’re an idiot of a life, can you prepare your luggage okay? If you go on a business trip, it seems like I’m the one who prepares your luggage, do you know what to bring? Do you know how much stuff to bring?”

Jasmine Tong rambled on for a long time, and Albert Ou hastily pulled out his ears.

“I won’t prepare my luggage with all this you said, Aunt Fang and Pearly will always do it, don’t worry, you can have whatever you want, trust me for once, okay”

Jasmine Tong reluctantly believed Albert Ou.

The two of them got on a plane in the evening, and after a three-hour flight, they boarded a ship in the middle of the night.

Perhaps it was because last night, after tossing and turning for too long, they were both a little tired and began to whir and sleep as soon as they boarded the ship.

Jasmine Tong was the first to get up in the morning and was immediately excited when she saw a seagull flying past her window.

She dressed quickly and ran out onto the deck.

The sky was clear and blue as if washed out, the white clouds were as if painted, and there were a few seagulls flying in the sky, and they kept calling.

The ship’s staff took a little bird food to Jasmine Tong, who scattered it into the sky, and more seagulls gathered around.

Albert Ou also came out and draped a jacket over Jasmine Tong’s body.

“It’s too cold at sea, and you don’t know how to wear more clothes.”

“You look like you’ve seen a lot of seagulls,” yelled Tong’s little Manny excitedly, looking like he’d never seen the world before.

“Just a few seagulls made you excited like this, so how happy will you be when we get to our honeymoon place?”

“Are there seagulls where we honeymooned too?”

“I don’t know.”

Albert Ou didn’t mention a word about the destination of the trip, Jasmine Tong had pestered him several times to ask about it, and his mouth had been so tight that he wouldn’t say a word.

“Say it or don’t say it.”

But Jasmine Tong was only excited for a little while, because she was seasick.

After staying on the deck for a while, Jasmine Tong felt as if her body was out of her control, and her stomach turned upside down and started to vomit.

Jasmine Tong had never been on a boat before, and seasickness was inevitable, which made Albert Ou’s heart ache.

So for the rest of the day, Albert Ou wouldn’t allow Jasmine Tong to go on deck and kept her lying in the cabin.

For the scenery at sea, Jasmine Tong would have to put up with it, because she was so uncomfortable.

“How long until we get there ah” Jasmine Tong’s voice was breathless.

“It’s almost there, it’s almost there, just hold on a little longer, I’m to blame, I shouldn’t have chosen such a place.”

Albert Ou was full of self-reproach, he didn’t expect Jasmine Tong to get so seasick, it was only one day and she was vomiting so badly that her face turned yellow.

“I don’t blame you, it’s my own fault, I don’t know what happened and I got seasick.”

Once Jasmine Tong stood up, the sky felt spinning, so she could only lie on the bed, but her body would be uncomfortable even if she always lay down.

“I finally know why people say that if two people are together, they must travel.”

“Why?”

“A lot of people break up after a trip because it’s exhausting. Like me, I got seasick and threw up all over the place. Wouldn’t you hate me if you saw how disgusting I was?”

“Disgustingly disgusting.”

Jasmine Tong pouted towards Albert Ou, she was like this and he still disliked her

“But I’m more distressed.”

Only then did Jasmine Tong smiled beautifully, “So travel, you can test whether two people’s feelings are real or fake, I’ve finished appraising our feelings, it’s real”

In order not to worry about Albert Ou, Jasmine Tong tried to make herself sound not so weak.

Albert Ou stroked Jasmine Tong’s hair sadly, “It’s almost time, you can sleep for a little while longer.”

“Well, you sleep with me in your arms.”

“Okay, I’ll hold you.” Albert Ou found a comfortable position to hold Jasmine Tong in his arms.

Jasmine Tong drifted back to sleep.

After about two hours of sleep, Jasmine Tong opened her eyes and felt the boat had stopped moving.

“Are we there yet?”

“Here we are, are you going to lie down for a while now, or are we going to go down now.”

“Go down now.”

Albert Ou helped Jasmine Tong stand up and put a dress on her again, before the two of them walked out.

When she saw the scene outside, Jasmine Tong was stunned.

Chapter 436

Between the blue sea and the blue sky, it was a lush green island.

The light blue sky, the soft white clouds, the fine white sand, the transparent sea water and the green island, all reflecting one color, this is probably the most beautiful color.

Just above the island, there were many colorful birds, flying and singing merrily as they seemed to welcome guests from afar.

It was as if in a dream, a sight that seemed to have only been seen on television.

This journey, which probably took nearly two days, Jasmine Tong found herself as if she had arrived in another world, a paradise that was untouched by the world.

Jasmine Tong was surprised to see Albert Ou, who held her hand tightly, ten fingers interlocked.

Albert Ou hadn't expected it to be that beautiful, and when he'd had people come over earlier to make arrangements, they'd sent over some pictures.

At the time he saw it, he thought they had manipulated the pictures, but when he actually got here, the real scenery was even more beautiful than in the pictures.

“It's really beautiful here. How did you find this place?”

“Yeah, it's beautiful” Albert Ou didn't answer Jasmine Tong's question, he wouldn't tell him that the place was actually found by the Cold Lords.

Albert Ou knew that to be able to get into the eyes of the Leng Lords, this place must not be bad.

“You guys go back and come pick us up in a week.” Albert Ou said to the people on board.

“Are we the only two on the island?”

“And you want to add two light bulbs.”

“Of course not,”

“All right, Mr. and Mrs. O, enjoy your trip, and we’ll be heading back.” The captain said.

Jasmine Tong and Albert Ou got off the boat together, and when Jasmine Tong’s feet actually stepped on this side of the land, she felt like everything in front of her was really real.

The birds here didn’t seem to be afraid of people, as if they had discovered a new species, and one by one they hovered just above Jasmine Tong and Albert Ou’s heads.

“What a beautiful bird it is, how come I’ve never seen it before.”

“I don’t know, whatever the hell” Albert Ou wasn’t interested in that.

From the backpack that she carried close to her body, Jasmine Tong took out the bird food from her time on the ship and threw it into the sky.

The seabirds all gathered around one by one, chattering as if they were particularly excited.

“You haven’t eaten much in the last two days, and you’ve thrown up all you’ve eaten, so go get some rest, we’ve got a week.” Albert Ou said on Jasmine Tong’s shoulder.

Zhou Jasmine Tong scattered all the remaining food and followed Albert Ou towards the house not far away.

It was pure wood, and the outside of the house was painted in a rainbow of colorful colors.

This wooden house is even more unique on this island.

When you open the door, a rustic air comes over you, everything inside looks very simple, but all are very textured things.

“It’s a bit of a time crunch, and the house has been repaired a bit easier.”Albert Ou explained.

“I like it, I like it very much” Jasmine Tong immediately walked into the room and took stock of the house.

Albert Ou went straight into the kitchen and grabbed a bit of bread and jam and yogurt from the fridge.

He had ordered this to be prepared in advance.

“Let’s get a couple of bites together and get some sleep later, then we’ll start again.”

Of course Jasmine Tong agreed, but she was curious why Albert Ou only let her eat some bread and dip it into jam.

Jasmine Tong didn’t think too much about it and went to bed after filling her belly.

It was already afternoon when she woke up, Jasmine Tong didn’t want to spend her time here sleeping, she immediately got out of bed and opened her closet to prepare for a change of clothes.

The moment she opened the closet, she thought she was dreaming, it literally opened the door to another world

What the hell is all this in the closet?

The colorfulness of these clothes is too much to ask for, and the colors are more beautiful than ever.

Jasmine Tong picked it up, it’s not only beautiful, it’s exposed.

Camisoles, halter tops, miniskirts, fishnet stockings

Albert Ou put his hands behind his head and sat on the bed, watching with interest as Jasmine Tong picked up and put down the clothes one by one.

Open the other closet, the pajamas and underwear inside are an eye-opener for Jasmine Tong.

Just looking at it twice, I felt flushed.

Naturally, Albert Ou couldn't be happier to see this sight and really couldn't wait for Jasmine Tong to put on this dress.

There are bikinis in the other closet.

Jasmine Tong quickly turned around to look at Albert Ou who had done something bad.

"I thought you said you had everything ready. What is all this stuff?"

"Yeah, is this much not enough for you to wear?" this culprit was happy as can be.

"Would you really let me wear these so revealing, so s*xy swimsuit pajamas and lingerie a little sexier would be enough, but this bathing suit is going out, and you'd like to."

"Beg to differ." Albert Ou looked badass.

"No, I want money for my clothes."

Because she left in such a hurry, she didn't even have her own wallet with her, so if she wanted to spend money, she would naturally have to ask Albert Ou for it.

"Sorry, I don't have any money either."

"Don't lie to me, would you be able to live without money, you don't even have anyone with you"

Jasmine Tong furiously walked up to Albert Ou and began to search him.

Albert Ou stared lustfully at Jasmine Tong, "I would have thought you were deliberately teasing me."

"Where's the wallet" Jasmine Tong held out her hand towards Albert Ou.

"Have I told you everything."

“Impossible” Jasmine Tong didn’t believe this crap.

“There’s no money to spend in this place, and on this island, the two-legged senior animals are you and me. Where are you going shopping?”

Jasmine Tong’s pupils dilated to stare at Albert Ou, “We’re the only two here.”

“Uh-huh,”

“None of the others.”

“Correct answer, how come you’re so smart” Albert Ou squeezed Jasmine Tong’s cheeks with one left and one right.

Jasmine Tong was speechless with surprise, he, a native old hat who had never traveled before, thought that Albert Ou had only found a vacation island and brought her over to have fun, but they were the only two people on the island!

“I bought this island especially for you, it’s completely undeveloped, otherwise you’d think seabirds would be flying towards you.”

“You said you bought an island for me, an undeveloped island.”

“Right,”

Rich people are so headstrong.

This is breaking a new level of perception that Jasmine Tong has about rich people.

“So, honey, you’ll have to wear the clothes I’ve got for you or not.”

Jasmine Tong finally understood what Albert Ou was up to.

Chapter 437

No wonder every single one of these dresses is so s*xy and revealing, because there’s no one on this island.

Even if she wore it out, it would just be a bargain for Albert Ou!

That’s the effect Albert Ou wants.

Jasmine Tong felt a thunderous sensation

Albert Ou carefully got out of bed and rummaged in the closet.

“Let me help you figure out which one to wear first today, it’s a little breezy outside and a skirt is best.”

What’s the logic of wearing a skirt when there’s wind?

Albert Ou took out a long colorful dress, “This is it.”

“Don’t wear a worst-case scenario not to go out,” Jasmine Tong pouted as if sitting on the bed.

It was only after a while that Albert Ou came together and tried to hug Jasmine Tong, but Jasmine Tong pushed him away and hugged him three times in a row before embracing him.

“Angry with me.”

“You just deliberately don’t respect me at all, you don’t even ask my opinion just to get a head start.”

Jasmine Tong’s boss was not happy.

“Don’t be angry, usually I see you wearing clothes that are either too plain or too dark, and you walk a red carpet in a small fresh style, I haven’t seen you wear s*xxy clothes, just want you to try a different style, just take this opportunity well.”

Albert Ou softly coaxed Jasmine Tong.

Jasmine Tong carefully thought about what Albert Ou said is not unreasonable, in terms of dressing, she has always how simple and how to come, obviously very young, but preference for black and white and navy blue, only occasionally so one or two sweatshirts are red.

Pretty colors never dared to try, and even less s*xxy styles.

“Anyway, it’s just the two of us on this island, so let’s just do it for me, and no one will know if we go back later, okay?”

“Can I say no I didn’t bring any clothes but you can’t do that next time, the least you could do is talk to me and I’ll agree to it”

“Okay, okay, I’m sorry, change your clothes my wife I’ll match you with something absolutely beautiful”

Albert Ou pulls Jasmine Tong up and walks over to the closet.

Jasmine Tong wore a colorful striped chest-length dress, which was perfect for her slim body, along with a straw hat.

What made Jasmine Tong endure was that Albert Ou was even wearing a pair of colorful striped shorts, giving her clothes together, it was simply a couple’s outfit!

The two of them held hands before they were on the warm beach, and Albert Ou picked up his phone just to take various posed shots.

“You’ll have to send me all the pictures later.”

When she arrived, according to Albert Ou’s request, she didn’t bring her cell phone and greeted Xu Xingru beforehand, so it didn’t matter if she brought her cell phone or not.

“Why would I send it to you?”

“Why didn’t you send it to me?”

“It’s enough for me to admire it alone when you’re dressed so revealingly, who else do you want to show it to?”

Jasmine Tong forked her waist to look at Albert Ou, this man is really dominating powerfully

Although Slivestopol is also a coastal city and has the famous Lover’s Beach, it’s the first time Jasmine Tong has actually played on the beach.

Leaving a trail of her footprints on the beach, Albert Ou sat on the beach and immediately snapped picture after picture as he watched Jasmine Tong run along the beach.

“Honey, come here.”

“Coming,” Albert Ou put away his phone and walked quickly to Jasmine Tong.

“You see,”

Tong said pointing to the beach, and Albert Ou saw Tong’s work as soon as he looked down.

She drew a big heart with both their names written inside.

Manlove Wild.

At sunset, Jasmine Tong hugged Albert Ou and kissed him on the cheek, “I love you, honey.”

“I love you too.”

Albert Ou suddenly turned around and shouted to the slowly falling sunset and the endless sea, “Jasmine Tong, I love you.”

“Albert Ou, I love you too, we’re going to be together forever.”

The shimmering sea echoed their voices.

In just half a day’s time, Jasmine Tong really let herself go.

There was enough food in the fridge to feed them for a week, and dinner was made by Jasmine Tong herself, so if she didn’t make it two people would have to starve.

When she went to bed at night, she found a black transparent nightgown in her closet, but there wasn’t much difference between wearing it and not wearing it.

Forget about it, consider it a benefit for Albert Ou.

When she came out of the shower, Jasmine Tong leaned against the bathroom door in her black pajamas and cried out crisply, “Honey.”

As soon as Albert Ou looked up, the phone in his hand fell to the bed, and his nose was about to bleed!

Turns out his wife has such a s*xy side to her.

Albert Ou immediately jumped off the bed and walked to Jasmine Tong, "Who says a woman with small breasts can't be s*xy I see that my wife is fine."

Jasmine Tong immediately cupped her hands in front of her chest, "You dislike me,"

"No offense,"

"Then why did you say that?"

"Why can't that be true, then?"

"Neither can the truth."

Although Jasmine Tong has also said on Weibo that one breast is not equal to the world, but never allow his man to say

"You're not allowed to talk about your small breasts."

"Just don't."

Albert Ou had covered her lips so that she could no longer speak, so they started the first day at the bathroom door.

It's incredibly peaceful away from the hustle and bustle of the city.

Especially after nightfall.

When you sleep in the morning, you wake up and a new day begins.

Looking at the home with its original flavor, Jasmine Tong wants to decorate the place, even though they will only be here for a week.

After making breakfast, Jasmine Tong went out, picked many, many flowers back, made garlands and flower arrangements, and with the colorful flowers dressed up, the house was brand new.

Just one left, Jasmine Tong stuck it in her ear, looked in the mirror, and smiled beautifully.

"Lazybones, get up" Jasmine Tong lifted the blanket and Albert Ou woke up, seeing his beautiful wife as soon as he opened his eyes.

“Is it pretty?”

“Good looking.”

“Get up and eat your breakfast.”

“Jasmine, do you know how to swim?”

“No. Why don’t you teach me how to swim today?”

“Yeah.” That’s what Albert Ou was waiting for, he couldn’t wait to see Jasmine Tong in a bikini.

It turned out to be one of the most regrettable decisions Jasmine Tong had ever made, where Albert Ou was teaching her how to swim, it was simply eating tofu.

In the end, he didn’t learn how to swim, but his whole body was touched a few times by Albert Ou.

“How can you be so stupid and not learn after teaching all day?”

“Was I stupid? Did you call that teaching me to swim? That’s basically eating my tofu, I’m never wearing a bikini again.”

“Don’t don’t don’t don’t, I’ll make sure to teach you tomorrow.”

“Really?”

“I swear,”

But when she woke up the next day, Jasmine Tong found the bedside empty.

Her Bossy Yet Naive CEO Chapter 438 - 440

Chapter 438

“Honey” Jasmine Tong shouted as she rubbed her eyes, no one answered her.

Jasmine Tong immediately sat up, everything around her was so quiet, "Honey."

Another shout, still no response.

"Where did it go" Jasmine Tong immediately got out of bed, you said there was none in the house, none in the kitchen, none in the living room.

Jasmine Tong looked through the window, and there was nothing on the beach.

At this time Jasmine Tong was in a bit of a panic, where the hell did Albert Ou go?

On such an uninhabited island, if it wasn't for Albert Ou, even if the scenery was beautiful, Jasmine Tong wouldn't dare to stay here!

Jasmine Tong suddenly felt a sense of panic.

"Honey," Jasmine Tong ran out shouting, her voice even a little hoarse.

"There it is" I finally heard Albert Ou respond, but it turned out he was on the other side of the beach, and there was a large rock there that completely obscured the view.

Jasmine Tong quickly ran towards Albert Ou and sprang onto him, wrapping her hands and feet around his body.

"Scared the hell out of me. Where have you been and didn't even tell me."

There was still a hint of panic in Jasmine Tong's voice.

"I was planning to take you out fishing today, and seeing as you were sleeping so soundly, I didn't feel like waking you up, but I found out that there seemed to be something wrong with the speedboat, so I repaired it and delayed it."

Jasmine Tong wrapped her arms around Albert Ou's neck still wrapped around his body, "I thought you left."

"Where am I walking to?"

Only then did Jasmine Tong smile, "I don't know, I just felt panicky, I thought you left me alone."

Albert Ou blinked his eyes and looked Jasmine Tong up and down.

“You have to promise me that at no time will you leave me alone.”

“I think it’s a good position.”

“Ah” Jasmine Tong’s side was inciting emotions, but suddenly I heard Albert Ou say something nonsensical, “What kind of position?”

“I’m in this position ah try it tonight” Albert Ou dragged Jasmine Tong’s ass to keep her from falling off.

“I’m telling you something serious, and you’re discussing posture to be able to say something serious.”

“Is the posture thing unorthodox? It’s a very important thing for a couple, did you know that many couples get divorced because of disharmony in the bedroom, so we have to keep developing it.”

Jasmine Tong banged her head against Albert Ou’s, “I want you to promise me that you will never leave me and never discuss this with me again.”

“Well, I promised you before, didn’t I?”

“That’s more like it.”

“But is it time to consider discussing posture.”

“No,” Jasmine Tong shouted hard at the top of her voice.

This day Albert Ou took Jasmine Tong out to sea and the two of them went out to fish.

To Jasmine Tong’s surprise, there were still many things about Albert Ou that he didn’t know, and in her eyes, her man was really all-powerful.

He could take a plunge and be gone, and still be swimming in the ocean with all those colorful fish.

There are many things that humans are not capable of doing.

In the evening two people ate a seafood dinner, set up a tent on the beach, set up an oven for seafood barbecue, abalone lobster and sea fish is just too common in these waters.

In the evening naturally ate soundly, nightfall, stars, Jasmine Tong when she looked up, feeling the sky is full of stars, and so close to her.

“Cold?”

“It’s not cold, let’s sleep in the tent tonight, the night is so beautiful, I’ve never slept in a tent before.”

“Well, listen to you.” Albert Ou is 100% on board yah, and he’s never had sex in a tent either.

Listening to the sound of the waves and the unidentified insects in the grass is like nature’s natural music, and everything about this place is beautiful.

“Jasmine, when are you going to see the stars.”

“I think the stars are also in your way. You’re not also jealous of the stars, are you?” He’s a jealous man anyway.

“It’s my fault for eating the stars, now you must look at me immediately and immediately” Albert Ou brought Tong’s face right over to face him.

Albert Ou k!ssed it on the way up without any time to prepare at all.

“Come on, what’s the matter? Just one k!ss.”

“I don’t think so. Every time there’s less foreplay, you get to k!ss.”

“What foreplay, shouldn’t want to be here” Jasmine Tong realized Albert Ou’s intention, “No, it’s the middle of nowhere, how embarrassing.”

“It’s just the two of us anyway and no one can see us.”

“That’s true, but”

Jasmine Tong still couldn’t get past the hurdle in her own heart, and without waiting for her but to finish, Albert Ou had already started.

“Keep it down, keep it down, don’t make so much noise.”

“Who are you afraid of disturbing?”

“I don’t know.”

“That’s a good position to be in during the day today, why don’t you and I give it a try.”

“No. This tent is so short.”

“The tent is short and you can go outside. It’s spacious and you can look at the stars.”

“I don’t want it,”

But in the end, Jasmine Tong was still brought outside the tent by Albert Ou.

And the results are clear to see.

What a shameless night!

One day it rained in the middle of the day, so the two of us hid in the house to read, talk and sleep, also feeling very comfortable.

The island was not large, and after three or four days they knew it well enough to know where there was wild fruit to eat, where the seabirds gathered, and where the view was most beautiful.

Jasmine Tong changed one set of clothes every day, and to Jasmine Tong’s surprise, every single one of her clothes, Albert Ou had a similar one, meaning that all of the ones that Albert Ou actually prepared were couples’ clothes.

Come to think of it, Albert Ou had really put a lot of thought into this trip.

Jasmine Tong experienced many firsts in her life on this island, and what made her happy was that these firsts were all spent with Albert Ou.

But the fun is always short-lived, and the week is down to the last day.

When she woke up in the morning, Jasmine Tong took a look at the calendar hanging on the wall.

“It’s gone by so fast, it feels like I just got here, I can’t believe it’s already been a week.”

She mumbled to herself.

“Wife, what do you want to eat today?” Albert Ou walked up to Jasmine Tong in a pair of flat-front pants.

“What do you want to eat I’ll make you some seafood there is still some left, or you can make seafood porridge today.”

“Well, you can eat whatever you want.”

“Then I’m going to get ready.” Jasmine Tong walked into the kitchen.

Albert Ou’s gaze was fixed on the calendar, the light in his blue eyes darkening a little.

It’s the last day, so why can’t time go a little slower?

Albert Ou turned his face to look at Jasmine Tong, who was busy in the kitchen, with an expression on his face that was hard to fathom.

Chapter 439

After breakfast, Jasmine Tong sat lazily on a recliner in her room, quietly looking out at the world and letting the sunlight fill her body.

Albert Ou came over and squatted on Jasmine Tong’s side, “Jasmine, it’s the last day, what do you want to do today, I’ll accompany you.”

“I don’t want to do anything today, I just want to take a walk and talk to you.”

“Fine, are you tired these days.”

“How can you get tired of eating and drinking every day” Jasmine Tong sat up, “Let’s go out for a walk.”

The two strolled hand in hand along the beach, browsing the island all over again, every part of it having their best memories.

In the evening, the two of them stepped hand in hand on the soft sandy beach, the setting sun's rays slowly stretching their shadows for a long, long time.

Jasmine Tong suddenly stopped, and Albert Ou looked back at her, "Why don't you leave?"

"You know what I'm thinking" the sunset light gave Tong's face a golden coating.

"What's on your mind?"

"I wish this beach would never end," Jasmine Tong squinted at the near distance, "then we could go on and on and on and on forever without worry."

Albert Ou's smile froze on his face then two dry chuckles, "Idiot."

"Honey, can we take some time out every year from now on to walk around?"

"Is it hard to leave here?"

"Well, it's hard to leave, but we still have to leave, we can't stay here forever, so you promise me that every year we'll come out for a walk and have a period of time without anyone bothering us, okay?"

Jasmine Tong's face rippled with an innocent smile.

"Okay, I promise." Albert Ou gently kissed Jasmine Tong's hair, the faint fragrance emitted from her hair fascinating him.

This night, the two men lay down to watch the stars from their room, which had a roof made of clear glass.

They talked about the sky, about when they first met, about how they fell in love with each other, about before and after.

Jasmine Tong fell asleep before she knew it, snuggling gently into Albert Ou's arms, still keeping a smile on her face.

Albert Ou looked at her serene face, not wanting to disturb her, he couldn't even blink his eyes because every time he blinked, he looked at her less.

Waking up the next morning, the boat came to pick them up, and I don't know if it was because she was in a good mood, but Jasmine Tong didn't get as seasick as before.

Nearly two days of travel back to Slivestopol.

It seems that life has returned to the past, because it has finished filming only Niang, Jasmine Tong does not have any recent shooting plans, only according to Xu Xingru's arrangements to participate in some activities or announcements.

On this day Jasmine Tong called Russel Cheng to her house, she knew that Albert Ou might be busy lately, so she didn't disturb him.

"What do you want with me, ma'am?"

"You're going to help me research the COLOUR brand of skincare."

"Is it an ingredient that needs to be investigated for this brand we just need to send a sample to the authorities for testing."

"No, I need all the information, to find as many loopholes as possible, and if there's any customer feedback, I need all of that."

Russel Cheng pondered carefully, "This might take a bit longer."

"That's okay, feel free to investigate, and if you don't have the time, just see who in the company has the time to do it I'm not in a hurry."

"I've indeed been a bit busy lately, so I may have to add a subordinate to the mix, but don't worry, Madam, your business is Ou's business, and I'm sure I'll do my best."

Jasmine Tong nodded, "Okay, I trust you, the information should be as detailed as possible, plus don't tell anyone."

"Okay, I'll give the order."

"By the way, has Ou been busy lately."

"It's going to be a busy time indeed with O's week off, and O's going to be traveling soon."

“Well, then, take good care of him, and don’t slack on the food, I’ll send him over as much as I can when I have time.”

Jasmine Tong was also distressed that in order to accompany her out, Albert Ou would have to pay double the price.

“Don’t you worry, ma’am, as long as ma’am knocks on O’s head every night, he’ll do what you say.” Russel Cheng said jokingly.

“You’re making fun of me again, so get busy.”

The day didn’t seem to be anything special, Jasmine Tong would personally make lunch for Albert Ou during her free time.

As she watched the files on Albert Ou’s desk slowly diminish, Jasmine Tong also knew that it was close to the day of Albert Ou’s business trip.

He definitely wants to get everything done over here before he travels.

In the evening, Albert Ou returned with heavy steps, and immediately flew to Jasmine Tong as soon as he entered the bedroom.

“Jasmine, I’m going on a business trip tomorrow.”

“So urgent” Although she knew that Albert Ou would be traveling recently, such a suddenness still shocked Jasmine Tong.

“Tomorrow morning’s flight, didn’t I tell you before that I’d be traveling for a while?”

“It’s told, so why didn’t you tell me a little earlier so I’d still have time to pack your bags.”

Jasmine Tong looked at the time, “Good thing it’s still early, I’ll clean up for you now.”

As she said Jasmine Tong got off the bed and moved her suitcase out.

“Jasmine, its” Albert Ou wanted to stop Jasmine Tong, but he couldn’t bear to stop her when he saw how hard she was working.

“You’re going on this business trip for a few days.”

“About a week.”

“I’ll get you seven pairs of underpants then, and bring eight shirts if you want.”

Jasmine Tong mouthed as she prepared her luggage, and soon Albert Ou’s suitcase was stuffed to the brim.

“Okay, that’s about it, just go over there and buy whatever you need.”

“In case it’s too late it’s better to bring more.” Jasmine Tong counted the contents of the suitcase, “It should be almost done, think what’s left”

“And one more thing.”

“What? I’ll get it right away.”

Albert Ou walked up to Jasmine Tong, who was squatting at the time, and he picked up Jasmine Tong whole and put her on top of the suitcase.

“And you.”

Jasmine Tong would smile, “Then you can take me away and put me in a suitcase.”

She said, and she actually got down on the suitcase.

“I wish I could take you with me.”

“Well, it’s just a week, and you’ll be back in a week.”

“Don’t you have a conscience, it’s going to be a week apart and you’re not going to hurry up.”

Albert Ou just carried Jasmine Tong to the bed, “I’m leaving tomorrow, you have to promise me one thing.”

“What is it?”

“No begging for mercy tonight.” After saying that, Albert Ou covered Jasmine Tong’s lips.

Chapter 440

It was almost noon the next day when Jasmine Tong woke up.

I don't know if it was because the separation was imminent, but Albert Ou was unrestrained last night, wanting it again and again.

It happened that Jasmine Tong had a promise not to beg for mercy, so he let him have it, so much so that Jasmine Tong was so tired and drowsy that she didn't even know when it was over.

At this time, Albert Ou had naturally left by plane.

Originally Jasmine Tong was going to send him off.

On the nightstand was a note that Albert Ou had left before he left.

"Honey, I love you, always."

Jasmine Tong couldn't help but smile as she looked at the beautiful font on the note Albert Ou.

Luckily, it was only a week.

It was about evening when Albert Ou sent a micro-message.

"Jasmine, I'm here at the hotel, don't worry about me."

"How is the weather over there with enough clothes to wear? after such a long flight, don't go out at night, rest well in the hotel."

Jasmine Tong instructed like a mother in every detail.

"I know, it's so beautiful over here, I'll send you a picture of it."

Immediately afterwards, Jasmine Tong received several photos from Albert Ou.

"It is quite beautiful, get some rest early."

Of course, Jasmine Tong wanted to chat with Albert Ou for a while longer, but she still missed Albert Ou somewhat.

Everything was fine for the first two days of Albert Ou's business trip, and from time to time, he would send Jasmine Tong two photos and would hush up a bit.

It's just that Jasmine Tong also has a job, and the two of them don't get to see each other often enough to chat.

That night, Jasmine Tong returned home after recording, looking at the empty bedroom and dragging her tired body, her heart was inevitably a bit miserable.

At this time of year, I would most like to be able to lean against Albert Ou's broad chest.

Jasmine Tong took out her phone and sent a message to Albert Ou.

"Honey, I missed you. Are you busy?"

I didn't expect a video call from Albert Ou just minutes after the message couldn't be sent.

Jasmine Tong immediately and excitedly chose to answer.

"Jasmine," came Albert Ou's voice on the phone.

It was also late at night on Jasmine Tong's side and still daytime on Albert Ou's side, and Jasmine Tong could see from her phone that it was white behind Albert Ou.

"Where are you going?"

"I'm in the snowy mountains now, do you look pretty?"

"Why did you go to the snowy mountains?"

"After today's meeting, I still have a bit of time, it just so happens that the people here say the view of the snowy mountains is beautiful, so I came over to see if it's beautiful."

Albert Ou turned the camera towards the snowy mountains, the endless snowy mountains when really beautiful.

"Beautiful, I've never seen a real snowy mountain before, I've only seen it on TV before, are you cold why are you wearing that little bit of clothing"

No matter how beautiful the view, a woman's focus is always on her man.

"I'm not cold, let me take you to Snowmass next time."

"Well, didn't we agree to go out once a year then next year we'll go see the snowy mountains."

As soon as her voice trailed off, Jasmine Tong noticed that there was no one else on Albert Ou's side, and looked around to see that Albert Ou was the only one.

"Honey, is this snowy mountain of yours a scenic spot? How come you don't see any tourists you take with you?"

"Um you want to see other tourists, isn't it enough to see me?"

"I didn't mean it like that, I was worried about your safety."

"You know best who your husband is, it's okay."

Jasmine Tong was right when she thought about it, Albert Ou wasn't an ordinary person, he had vampire blood in his body, and normal difficulties wouldn't work on him at all.

But it was only a blink of an eye, and the end of the screen began to shake, and Jasmine Tong had no idea what was happening.

"Honey what's going on? What's going on?"

"Jasmine, I gotta go, something's up."

As soon as Jasmine Tong was about to say something, her phone showed that the other party had hung up.

Because Albert Ou said he had something to do, he hung up first, and Jasmine Tong wasn't good enough to continue bothering him at this time.

However, because she knows that Albert Ou-go is in trouble, Jasmine Tong's heart has been in turmoil.

About three or four hours had passed, and it was already one o'clock in the morning, Jasmine Tong tried to call Albert Ou, but the phone could not be connected.

“Honey, when you have time, send me a tweet to let me know you’re okay.”

Jasmine Tong continued to send messages, as she didn’t know what was going on on his side, and Tong didn’t dare keep calling.

But until five o’clock in the morning, Jasmine Tong hadn’t received any news from Albert Ou.

Jasmine Tong hadn’t slept the entire night.

She thought that no matter what happened, if it couldn’t be solved in an hour or two, or three or four, or five or six, it could be done.

It was that cold voice that came through every time she called.

“I’m sorry, the subscriber you called is temporarily unavailable.”

All of the messages sent by Jasmine Tong were also stonewalled, with no response.

Just after dawn, Jasmine Tong immediately changed her clothes and went to the Dark Empire.

At this time, the Dark Empire was still not at work, so Jasmine Tong had been waiting outside the president’s office.

She couldn’t reach Albert Ou, so someone else in the company should be able to reach Albert Ou together, right?

If there was no news from Albert Ou, there was no way Jasmine Tong would be able to let go of this heart.

Footsteps could be heard in the office, and people were already getting to work.

“Manny, what are you doing here,” the voice of the Cold Lords.

The company has been in the process of developing the new product for the past two years.

“Baron, I had a little accident last night when I was videoing with him and I still can’t reach him, can you try to contact the other people he was traveling with.”

Watching Jasmine Tong's anxious appearance, the Leng 梟 is calm.

"Don't worry, I'll contact the others right away, so go home and wait for my news."

"No, I'll just wait here, I've been trying to reach him all night, but there's no contact."

"Maybe the phone ran out of battery."

"Even if the battery was dead, he knew I was worried, he would have contacted me on someone else's phone he remembered my cell number"

Leng Lords don't know how to comfort Jasmine Tong, "Then go wait in the office first."

"Well, as soon as possible."

Jasmine Tong went to Albert Ou's office and paced back and forth in the office, all the while silently praying that it would be okay.

About an hour later, the Cold Lords walked in, the expression on their faces somewhat difficult to fathom.

"How about contacting it? What happened in the end" Jasmine Tong immediately came up and asked anxiously.

"Mandy, just calm down, this might not be good."
