

Her Bossy Yet Naive CEO Chapter 606 - 620

Chapter 606

Back in Jasmine Tong and Albert Ou's bedroom, the Leng Lords finally breathed a sigh of relief.

"Brother, why are you doing this if you don't like the girl, just tell her well, we will sooner or later reveal ourselves like this."

Jasmine Tong was really a bit confused.

"If talking to her works, then I don't have to hide from her."

The cold lord accidentally told the truth.

This is the first time I've been to the hospital.

Leng Lords immediately cleared his throat and looked a little nervous, "Little Man, you rest well."

Saying that, the cold lord climbed out through the window, he would never go out through the front door.

The first time you see a cold owl so nervous, he can't be a little bit interested in that girl, right?

And Monroe Jiao, who was also sagging in her room, immediately dialed her brothers' battle lines and everyone started a group video.

"The boss was really nice to that woman and even gave her food. It was killing me."

Meng Rujiao told the brothers everything about today's events.

"Then he shouldn't really love the woman but should we spoil them," said Monkey.

"If this woman loves the boss just as much, then he shouldn't let him give up his career this woman is too selfish"

"People even have sons, is it really good to tear them apart in childbirth?"

“This woman is very scheming at a glance, she’s got the boss all charmed up, definitely don’t let them be together”

We are basically divided into two gangs, one gang believes that the cold owl and Jasmine Tong is really like each other, and besides, the son has, should not be in the rampage to break up people’s families.

The other gang thinks that Jasmine Tong is not a good person and should not be allowed to be together.

This confused Meng Rujiao as well.

“You guys stop arguing, what am I going to do now? This woman wants me to be the bridesmaid.”

“Pepper, why don’t you have to do some snooping there, and if you find out that the boss and that woman are really in love, then it’s better to be positive and quit bothering people’s families, so you can accept your fate.”

Soldier concludes with a closing statement, and everyone’s video closes.

Meng Rujiao was lying on the bed, feeling miserable.

Ever since she had been taken away by the Cold Lords, she had never thought that one day she would be separated from them.

The Leng Lords and another woman are so close, Meng Rujiao is even more jealous to go crazy.

She is not happy, but she also does not want the Leng Lords to be sad, after all, people two people have children, but also to get married.

The next day, when Meng Rujiao appeared in the restaurant with a pair of panda eyes on top, Leng Lords and Jasmine Tong were already having breakfast in the restaurant.

They’re even wearing couples’ housecoats.

I can’t believe how well they look together.

The two men were laughing and eating breakfast, beside themselves.

“Miss Montgomery is up, join us for breakfast.” Jasmine Tong invited.

Meng Rujiao sat awkwardly at the table, these two are just you and me.

“Honey, I’m done eating, go check on your son, you take your time.” The Cold Lords spoiled and stroked Jasmine Tong’s head and got up directly out of the restaurant.

Meng Rujiao’s eyes followed him, and he didn’t even look at her.

In front of the Cold Lords, it was as if she was transparent.

He only had eyes for Jasmine Tong, not himself at all.

Jasmine Tong thinks this is too cruel for a girl, but he promised Leng Lords that he would accompany him to act.

“Miss Mon, are you all right?”

Meng Ru smiled and shook her head, “I’m fine.”

“I’m going out with him today, there’s so much going on at the wedding that it’s really too much trouble, so you walk around the house and if you’re bored, let the driver drive you around.”

“Good.” Meng Rujiao didn’t know what else she could say.

A day the cold owl and Jasmine Tong are not at home, Meng Rujiao always feel a lot of surplus.

The next three days, Meng Rujiao even more knowledgeable, always indifferent cold owl is actually a cold person, he can say the care of Jasmines in every possible way.

It’s a far cry from the little bit of concern for myself.

“Guys, I can’t hold on much longer, I’m ready to pull out today, the boss is very close to that woman, they’re going to be happy.”

Meng Rujiao was sending tweets to his brothers.

She ignored the replies, packed up her things and headed out the door.

No farewell to Jasmine Tong, more so to say goodbye to the Leng Lords, a person silently walked out.

Leng Lords and Jasmine Tong just stood in the upstairs window, watching her distant back.

“Brother, I suddenly think this is cruel, this girl is really pitiful, in fact, I think you can think about it, am I thinking that she has no education or is she an orphan?”

The cold lord’s gaze was very deep and followed Meng Rujiao’s back.

“She’ll always grow up, and that’s good for her.”

Leng Lords did not directly answer Jasmine Tong’s question.

“Brother, you just really don’t want to give her a chance” Jasmine Tong continued to pursue the question.

“I’m doing her a disservice by giving her a chance, she’s so young, she hasn’t seen what the world is like yet.”The cold owl’s words are profound.

“How do you know it’s hurting her if you haven’t tried it I think she really likes you, she’s been with you for years and you’ve been so cruel as to write her off.”

Leng Lords withdrew his own gaze to look at Jasmine Tong, “What exactly did she say to you?”

“Didn’t say anything.”

“Let’s pretend she never existed.”The Cold Lords turned away.

Jasmine Tong turned to look out the window, and Meng Rujiao’s figure had disappeared.

She patted herself on the head and wondered if she was doing this thing right or wrong.

Maybe it’s been so dependent on Albert Ou that she can’t think anymore.

Meng Rujiao walked out of the door and finally couldn’t help but cry.

The two gatekeepers at the gate were terrified.

“Girl, don’t cry here, you don’t know what’s wrong with you.”

Meng Rujiao cried even harder and simply squatted on the ground and wailed.

The two gatekeepers were big boys, where had they seen such a battle.

“What should I do? Should I ask my wife?”

“Why Mrs. ah this girl is gone, it is not good to see Mrs. think we have done Mrs. how, quickly get her away.”

“Girl, get out of here, if you cry you can cry somewhere else, it’s really hard to tell at our door.”

“Yeah, girl, we’re just trying to make a living, so just be considerate, okay?”

The two gatekeepers, you and I, advised each other.

Meng Rujiao, however, wailed as if he couldn’t hear her and wailed on his own.

Just at that moment a car pulled up to the door.

Chapter 607

The man in the suit stepped out of the car.

As soon as Albert Ou got off the plane, he rushed home and saw a woman in front of his house from afar.

“What’s going on?”

The most annoying thing about Albert Ouir is that women cry, usually it is heartbreaking to see Jasmine Tong shed tears, but it is disgusting to see other women cry.

“Sir, we don’t know what’s wrong with her, she squats and cries when she comes out, and she won’t leave even when we tell her to.”

The gatekeepers felt aggrieved and helpless when they ran into someone like this.

“What do you mean one out, and she’s gone home” Albert Ou led a brow, taking a good look at the girl crouched on the floor, how she didn’t recognize her.

“The girl is here to see Mr. Cold.”

“Mr. Leng, when did he get here?”

Why didn't Jasmine Tong report to him all this time?

“Came back the other day.”

Albert Ou walked up to the girl and kicked her shoes.

“Hey, where are you from?”

Meng Rujiao raised her eyes to look at the man in front of her, “What's it to do with you ah”

Albert Ou simply squatted down as well, “Tell me what he did to you, and maybe I can help you get justice.”

The woman who came to look for the Leng Lords, Albert Ou is simply too interested, unexpectedly the Leng Lords even have female friends.

Meng Rujiao looked Albert Ou up and down, “Can you really help me?”

“Of course, what are you Leng Lords” Albert Ou's gossipy heart rekindled.

“I'm his” Meng Rujiao didn't even know how to describe her relationship with the Leng Lords, “Gee, I don't know I just like him.”

Albert Ou's stupid little heart became even more active.

“You like him then, you can just go in and tell him.”

“But he doesn't like me ah besides he has the woman he loves, he even has a son, soon people will be having weddings, I'm too redundant here.”

“What what?”

The Leng Lords already have a beloved woman, and even a son has been born, how come he does not know about this matter?

“The woman he loves is still a famous movie queen, she's a big star, and she's beautiful, what am I going to compare her to? Forget it, I'd better go.”

Meng Rujiao stood up and patted his butt.

“You stop right there.”

“What’s wrong ah did I say something wrong? “Meng Rujiao felt that she was merely whining a bit.

“You just said that the Cold Lords have a woman he loves and that the woman he loves is a big star.”

Albert Ou sort of understood.

“Yeah, it’s that Jasmine ah, isn’t she very popular two people even have a son.”

Albert Ou suddenly felt a green light appear in front of his eyes, what the hell was going on

“I’m not talking to you anymore, I’m leaving.”

“You come back here and give me a clear explanation inside” Albert Ou dragged Meng Rujiao inside.

“Hey hey hey, what’s wrong with you man, untie me, untie me”

Albert Ou only ignored that set and dragged Meng Rujiao straight into the living room.

Jasmine Tong just happened to come down from upstairs and felt bad about something big as she watched Albert Ou drag Meng Rujiao over.

“What brings you back?”

“I’m going to have grass on my head if I don’t come back,” Albert Ou growled grumpily.

Jasmine Tong immediately walked up to Albert Ou and pulled him away, “Don’t make a scene yet, listen to me.”

“What to say, give me an honest account of what’s going on I’ll tell you, Jasmine Tong, if you don’t give an honest account today, you’ll be served with a big punishment tonight” said Albert Ou while poking Jasmine Tong’s brain.

Jasmine Tong is having a hard time with Albert Ou on one side and Meng Rujiao on the other.

Meng Rujiao looked at the man and woman in front of him and wondered what had happened, it looked like they were also familiar with each other.

Just at this time the cold owl heard the movement also downstairs.

“Leng Lords this period of time I’m not here, are you cuckolding me” Albert Ou pointed at the Leng Lords and shouted angrily.

“What is it? This is where and where is it? Sister Jasmine Tong, aren’t you and the boss about to get married?” This can really put Meng Rujiao in the dark.

“This is my wife is my wife and I are getting married” Albert Ou pulled Jasmine Tong behind him in a declaration of sovereignty.

“That little kid,”

Meng Rujiao plainly saw that the Leng Lords were very good to that child, just like their own father.

“That’s my son.”

Jasmine Tong had to smile awkwardly towards Meng Rujiao.

The first thing that came to my mind was the fact that the man in front of me was the real husband of Jasmine Tong, and the Leng Lords and Jasmine Tong were just acting in front of their eyes.

This cold owl is embarrassed.

He didn’t know what to say, so he just turned around and went upstairs.

“Stop for me, don’t run away are you still thinking about my wife you and I make it clear” Albert Ou scattered his legs and chased.

Jasmine Tong was so helpless, everything was fine, but then Albert Ou suddenly came back and messed things up!

“Sister Manny, that fierce man just now is your husband.”

“Yeah, his name is Albert Ou, he’s the one who’s my husband, I’m so sorry, Miss Meng, but my brother made me do it, so don’t blame me.”

Jasmine Tong had to account for all of it.

“Then this wedding,”

“It’s mine and my husband’s, we’ve been together for quite a while, but the wedding hasn’t happened yet, so this is kind of a make-up. I’m so sorry, I should have told you earlier.”

“It’s okay, it’s not too late to talk about it” Meng Rujiao’s mood was suddenly great.

The Leng Lords are not married, no beloved woman, and no son, which is great news for her.

At the lunch table, the cold lord’s face was bruised, and that was from being beaten by Albert Ou.

It wasn’t that he couldn’t beat him, he just didn’t want to fight him, after all, he had borrowed his wife without permission.

The atmosphere at the table was oddly awkward, but Albert Ou and Jasmine Tong were as close as ever.

Meng Rujiao, who had been preparing to leave, didn’t leave this time.

After lunch, Albert Ou dragged Jasmine Tong into the bedroom.

A princess hug picked her up.

“Why did you come back out of the blue today?”

“I was going to surprise you, but I didn’t think you’d give me such a big surprise” Albert Ou had something to say about that.

“What surprise am I giving you ah, didn’t I explain everything to you I have nothing to do with brother, brother just wanted to oust Miss Meng, that’s why he let me pretend to be his woman.”

“How to pretend to give me a good account of every ten and ten there is no hugging there is no kissing there is no doing anything out of the norm.”

Albert Ou was still having trouble getting over it.

Jasmine Tong really looked so raw.

Chapter 608

Jasmine Tong tightly wrapped her arms around Albert Ou's neck, "Honey, we haven't seen each other for many days, I miss you so much."

The voice was delicate and soft.

The voice drifted into Albert Ou's ears, and Albert Ou felt his bones crisp.

"Really missed me."

"Yeah, I'm going to miss you, take me with you on your future business trips."

Albert Ou smiled and squeezed Jasmine Tong's cheek, "Good, next time I'll take you with me, I miss you too, Jasmine, I miss you so much I'm going crazy."

Albert Ou kissed deeply on Jasmine Tong's lips, wanting one kiss to end, but who knew a kiss would be too much to stop.

Kissing and kissing he realized he was trapped.

"Jasmine Tong, you're playing tricks on me."

"What's the trick" Jasmine Tong took the initiative to get to Albert Ou's lips and gagged him.

Albert Ou's brain is lacking oxygen so he doesn't bother with her and takes her down first.

When the clouds had rested and the rain had ended, Jasmine Tong still did not escape the fate of confessing and told Albert Ou everything that had happened in the past few days.

After Jasmine Tong said for the tenth time that she did not engage in intimate contact with the Cold Lords, Albert Ou finally stopped asking.

"You really are too, he's your brother, how could he steal your wife"

“Don’t tell me history is full of brother and brother stealing wives, but there are plenty of sons and sons stealing wives too.”

It was broad daylight and the two of them had been bored in the room for so long that Albert Ou asked while wearing clothes, “What’s the name of that petite one likes him.”

“Yes, the two are very close, Miss Meng was raised by my brother, and it is said that he brought her up when he was thirteen. What happened?”

“Nothing, I’m going to check on my son.”

“And you know you have a son.”

Albert Ou went straight to the nursery without talking to Jasmine Tong.

On the other side, Meng Rujiao had already blocked the Leng Lords at the door.

“Boss, why did you lie to me?”

The cold owl is feeling oddly embarrassed, may now the child brain missing a string, like, this kind of thing even straightforward to ask out.

“Pepper, do you really not understand or are you pretending to be confused”

The cold lord who was punched was still cool.

“I want you to tell me.”

“Well, I’ll just tell you, because I don’t want to be with you, I want to get rid of you, so I’m pretending to be with Mandy, see what I mean? You can’t even see something as simple as that, I don’t know what’s going on in your head.”

Leng Lords poked Meng Rujiao’s head.

“Do you dislike me that much?”

“Yes.” The Cold Lords didn’t hesitate, “We’re not going to make it.”

“You’re not married, so why not?”

“It’s true that I’m not married, but the person I love is still Mandy, but unfortunately she can’t be with me anymore, so I can’t love anyone else.”

“Then do you plan to end up alone? You definitely want to get married and have children ah” Meng Rujiao blinked a pair of innocent big eyes, some of the words indeed could not be understood.

The Cold Lords found themselves talking to Meng Rujiao as if they were playing to a bull.

“Yes, I plan to die alone, so stop pestering me and get the hell out of here” the cold lord just closed the door with an angry rebuke.

“Boss, Boss, you can’t do this” Meng Rujiao rapped on the door hard, but the door would not open again.

“A cough” came from the other side of the hallway.

As soon as Meng Rujiao turned her head, she saw Albert Ou holding her son in her arms.

If it wasn’t for Albert Ou today, she would probably have left, and she wouldn’t have known about the Cold Lords at all, so she was still very grateful to Albert Ou.

The two men found a small parlor and sat down.

“Mr. Ou’Brien, thank you so much for today.”

“There’s nothing to be thankful for.”

“If you hadn’t come back in time to tell me today that Sister Manny was your wife, I might have left.”Meng Rujiao’s mood was a bit low.”But, Mr. Ou, I’m curious what your relationship is with the boss.”

“He’s my brother.”Albert Ou was blunt.

“Your brother’s biological, no wonder I look a little like you guys” Meng Rujiao is very surprised, so their boss is not an orphan, there are brothers “but his surname is Leng, and your surname is Ou ah”.

“He made that damn name himself, so don’t bother.”

Albert Ou's words revealed his dislike for the Cold Lords as he took a sip of his tea cup, "You like him a lot."

"Yeah, I like him a lot, why don't you go put in a word for me, I really like him, I want to be with the boss, I've been with the boss since I was thirteen, the boss raised me to be exact, and we've been together all these years until"

"I'm not interested in your story."

Albert Ou immediately interrupted Meng Rujiao, and he probably understood the feelings of these two.

Meng Rujiao was like being splashed with a pot of cold water, "It's just a pity that what he always liked in his heart was Sister Manny."

"He told you that," Albert Ou squatted his teacup right on the table.

"Yeah, he told me himself to give him up."

"It's now, and you're even thinking about my woman," Albert Ou muttered.

"What did you say, Mr. Ou."

"I asked if you really wanted to be with him, to be his woman" Albert Ou's eyes were deep.

Meng Rujiao nodded her head solemnly, "Otherwise I wouldn't have come all the way here to find him"

"Will you wait then?"

"Wait what" Meng Rujiao was confused by Albert Ou.

"Waiting for the right time. I can help you get him."

"Really?" Meng Rujiao was overjoyed and grabbed Albert Ou's arm with both hands, Albert Ou glanced at Meng Rujiao's hand in disgust and Meng Rujiao hastily took her own hand back.

"Excuse me, Mr. Ou., would you really like to help me? You can let me stay with the boss."

“Just cooperate with me and wait for the right moment.” Albert Ou looked like he had a chest.

“I will, I will cooperate with you, I will wait if you ask me to” of course Meng Rujiao would not refuse, this was great news.

“Then from now on you should stop pestering him, take your time and wait for the time to come, when the time is right, I’ll naturally have a solution.”

“I can wait if you want me to, but can you tell me your solution so I can be prepared in advance.”

Meng Rujiao’s heart was also muttering.

“I have my ways, you don’t need to prepare for it, you’ll see then.”

After saying that, O Zeno stood up and walked straight out of the small parlor, leaving Meng Rujiao alone.

Meng Rujiao sighed grudgingly, the brothers were strange enough, but she had no other choice but to trust Albert Ou now.

Her Bossy Yet Naive CEO Chapter 609 - 611

Chapter 609

The Crystal Garden is just too big, so big that there’s a chance that two people might not actually see each other if they don’t want to.

The two of them really couldn’t see each other except for meal times, and the Leng Lords wouldn’t even eat at normal times to avoid meeting Meng Rujiao.

In addition, Albert Ou and Jasmine Tong’s wedding will soon arrive, the Leng 梟 this big brother also began to busy, he and Meng Rujiao also more unable to see each other.

When Meng Rujiao has nothing to do, she watches those wedding arrangements with Jasmine Tong, and occasionally helps Jasmine Tong with her ideas.

And then, when you're bored, you go see Jasmine Tong and Albert Ou's son.

After almost a week of this, Meng Rujiao couldn't sit still any longer, and she happened to be home to Albert Ou.

Knocking on the bedroom door, it was Albert Ou who opened the door.

"You told me to wait for my chance, I've been waiting all week for it, when will it come?"

Meng Rujiao looked very impatient.

"If I tell you to wait you'll just wait your ass off, being so down and out and trying to catch up with men."

"But how long is this going to take? The boss has been avoiding me, and I haven't seen him all week" Meng Rujiao stomped her foot in a hurry.

"When I tell you to wait, you wait, where's the nonsense" Albert Ou looked a little impatient.

"Geez, will you tell me your plan now" Meng Rujiao was beginning to wonder whether to trust Albert Ou or not.

"Tell you the plan won't work, get back in there and behave yourself, if you really can't wait, then figure it out, I'm not helping you."

Meng Rujiao trailed off, she could only pin her hopes on Albert Ou now, what could she do on her own?

"Well then,"

"I'll tell you when the time comes." Albert Ou just closed the door.

Jasmine Tong came over worriedly, "What timing, what plan are you and Miss Meng up to?"

"What the f*ck can I do with her, if I do, it's with you too hehehe"

"You less playful with me, are you trying to set up Miss Meng and Brother ah this matter how do you also need to know, Brother is not interested in Miss Meng, if the two do not love each other, how can they get together?"

Albert Ou pressed the back of Jasmine Tong's head and pressed it directly to his lips.

"Oooh you,"

Albert Ou refused to give Jasmine Tong a chance and just carried her slowly to the bed.

Walking out of their bedroom, Meng Rujiao just happened to pass by Leng Lords room, Leng Lords just happened to go out, and the two of them bumped into each other.

Leng Lords were also stunned, he had been avoiding Meng Rujiao these days, but he didn't expect to bump into her.

Meng Rujiao was overjoyed, "Boss, where are you going"

The Cold Lords still had a cold face, "Why haven't you left yet"

As soon as the Leng Lords opened their mouths to ask why she hadn't left, Meng Rujiao was indeed a little disappointed.

"I've told you, we're not going to work, there's no use in you relying on this, I've been cuddling with Ono and Manny's wedding lately, I don't have time to pay attention to you, so you're on your own."

After saying that, the Cold Lords directly prepared to leave from the other end of the corridor.

"I'm not relying on this, if it wasn't for Little Manny asking me to be her maid of honor, I would have left long ago You think I'm staying here for you? Don't dream of it."

Meng Rujiao turned around with a grunt and walked away, although shamelessly following the Leng Lords for so many years, but in the end she is a girl, but also has dignity.

This is a shock to the Leng Lords, since childhood, Meng Rujiao has always listened to him, and this is the only time he dared to speak to him like this.

The Leng Lords' conversation has really stimulated Meng Rujiao, and she really won't leave.

Never mind what Albert Ou's plan is, she'll just hang out here the more he tries to get her to leave.

In the blink of an eye, Albert Ou and Jasmine Tong's wedding was finally approaching.

It's a big day.

With Jasmine Tong's status in today's entertainment industry, half of the entertainment industry would come over.

The original Star King International willing to stay and Jasmine Tong together to hit the river of artists did not get married to form a bridesmaid group, is ready to make a good noise.

On the side of the best man group, Mo Yiang and Leng Liao were the absolute main best men, and the rest were Albert Ou's secretary Russel Cheng.

Normally, the number of bridesmaids and best men should be about the same, but Albert Ou's popularity wasn't too good, so he had to forcefully bring in Hoshi Jie as his best man, as well as a few Dark Empire executives to form a high-profile best man group.

This wedding of the century has finally begun.

Jasmine Tong doesn't have a mother's family and her uncle's house is so far away, so she chooses to get married in the villa she was previously in with Albert Ou, which is her other home for her.

The entire villa has been decorated, Jasmine Tong a red wedding dress sitting on the bed, red wedding dress embroidered with dragon and phoenix designs, the headdress is also asked master specially created.

The entire bridesmaid group was dressed in pink gowns and clean-cut pretty girls.

"Let's quickly think about it, the groom will come later, how we can toss him can't let him marry off Sister Jasmine Tong so easily" Xiong Jin Jin looked like he was going to make a big deal out of it.

“That’s right. They say there’s a posh best man group over there too, and they can’t get away with it.”

“Gee, you can do whatever you want, we’ve got this son,” Jasmine Tong spoke.

“Manny-san, why do you hate marrying so much what we’ll do later, you can’t say anything”

“Well, I won’t tell you, I was afraid you wouldn’t dare.”

The first thing you need to do is to take a look at the company’s website.

“Here it comes,”

As soon as the words died down, I heard firecrackers going off outside.

The girls were busy barricading the door and the best men were soon upstairs.

“It’s not that easy for someone outside the gate to marry off our sister Manny.”

As soon as Xiong Jinjin’s voice fell, a few red envelopes came through the door.

“Oh my god, the red envelope is here before we even speak, look at how much it is, less is not good.”

Xiong Jinjin hurriedly picked up the red envelope and opened it, but there was no money inside, only bank cards.

“Mr. Ou, what a big deal, to give a bank card.”

There was also a note inside: password Ou’s birthday, 8888 in each card.

“I go, that’s too generous.”

The bridesmaids one by one where have seen such a large amount of money, so many bridesmaids, each 8888888, this is also too generous.

But when is Albert Ou’s birthday?

Jasmine Tong’s face is black, this man ah, like to hit with money

“O, what’s your birthday?”

Albert Ou’s unmistakable voice came from outside the door, “Open the door, and naturally I’ll tell you.”

Chapter 610

“Ou total, that you can keep your word ah don’t we open the door, you don’t tell us again,” the bridesmaids all moved.

It’s not small money, but it’s 8888.

Since Mr. Au is so generous, they have to open the door!

“Don’t worry, Ou is always who he says he is, and his word is definitely his word” came the voice from the door.

Jasmine Tong sighed, “You bunch of women, who said that the poor can’t move, the mighty can’t bend, the district 8888 opened the door”

“Sister Manny, Mr. Ou has put in a lot of effort, and it won’t be nice if we make things difficult for him.” Xiong Jin Jin hurriedly explained.

The door opened and Albert Ou and the best men swarmed in.

“Look for the wedding shoes,” the bridesmaids began again, “and if you can’t find them, the red envelope must be there.”

Albert Ou coughed and gave Moichiro a shove, “Leave it to you.”

Mo Yiang stroked his chin, with a bad smile, sweeping the whole field, and finally his eyes fixed on Bai Mucheng holding the bag!

Bai Mu found Mo Yiang looking at him and immediately turned his head to the side with a guilty conscience.

“It’s in her bag. Grab it.”

Mo Yiang pointed smoothly, the best men quickly surrounded Bai Mu, Bai Mu was usually quite honest, so he had to take his shoes out.

“There’s another one. I’m sure you’ll never find the other one,” Xiong Jinjin said confidently.

Mo Yiang turned around the room, his eyes fixed on Jasmine Tong.

“Uncle, you can find this last shoe yourself, it must be on Manny, either under his skirt or tied to his thigh.”

The bridesmaids' faces were all a little hung up, they racked their brains to figure out where to hide the shoes, but Mo Yiang guessed it so quickly.

Albert Ou lifted Tong's skirt without finding it, and finally found another wedding shoe tied to Tong's thigh.

We found both wedding shoes.

Amidst the firecrackers and the cheers of the crowd, Albert Ou carried Jasmine Tong to the wedding car and then personally put on her wedding shoes.

The long motorcade departed for the hotel to begin the official marriage ceremony.

The entire wedding venue was carefully chosen by Jasmine Tong and completed with Albert Ou's consultation.

The scene was so romantic, the flying cherry blossom petals as if to bring people into a fantasy world, all sides of the big screen, the big screen displaying two people's wedding photos.

Their wedding photos are unique in that they are all of Tong's previous roles, and then Albert Ou changed into her costume and re-shoot scenes or posters with her.

This wedding, half of the entertainment world and half of the business world all came, known as the wedding of the century.

Perhaps because the two have been together for so long, the wedding part didn't go in the middle of the road, but instead added a true confession.

The microphone was first given to Jasmine Tong's hand.

Jasmine Tong was in a happier state this whole day, after all, she had instructed the officiant from the beginning not to incite emotions, she didn't want to shed tears at her once in a lifetime wedding.

“Honey, I remember that I once wrote you a note to confess my love to you, and it took me a long time to write it, and finally that confession letter only had one sentence on it, and that was that I was in love with you, and the other day the master of ceremonies told me that I should write a true confession in advance, and I really couldn’t write it, so I only had one sentence prepared for you today.”

At this point, many people on stage should have tissues ready.

What kind of wedding is there that doesn’t involve tears?

That’s a touching statement that’s sure to bring a tear to your eye.

Moreover, Jasmine Tong said in a previous interview that the two of them were very difficult together and had experienced life and death.

Everyone held their breath, waiting for Jasmine Tong’s words.

Jasmine Tong took a deep breath, “Honey, let’s have another daughter.”

Bwahaha.

laugh-out-loud

Even Albert Ou couldn’t help but laugh!

This woman really doesn’t play by the rules. She even applied to have a daughter with Albert Ou.

The master of ceremonies also laughed out, “Mr. Ou, our Mrs. Ou asked you again if you agree to have a daughter, what do you think”

The microphone was handed to Albert Ou’s mouth.

Albert Ou fidgeted and couldn’t speak.

He wasn’t going to have any more children, they already had a San San at home, and Rameen Tong’s son, Xiao Qi, who would definitely announce Xiao Qi’s arrival to the world in a while.

Besides, he went through the previous three months of Jasmine Tong’s coma, how could he possibly let Jasmine Tong give birth again?

“Mr. Ou, are you feeling stressed,” said the emcee, hastily joking.

The people in the audience all began to rouse.

Albert Ou stared closely at Jasmine Tong, the culprit, she knew he didn't want to regenerate, but still asked him such a question on such an occasion

What do you want him to say?

Jasmine Tong did it on purpose, she just wanted Albert Ou to promise her in the presence of everyone so that Albert Ou wouldn't go back on his word.

“That question was answered for you today.”

Albert Ou winked badly at Jasmine Tong.

The audience laughed once again, and the message couldn't have been clearer, tonight is going to be big.

Jasmine Tong was still a little stuffed, but she didn't expect Albert Ou to directly avoid the question.

“Okay, here begins Ou's true confession.”

Albert Ou took the microphone in his hand, he didn't like this kind of occasion, if it wasn't for Jasmine Tong, he probably would never have shown his face in front of everyone.

“Jasmine, I didn't have anything I wanted to say today either, but I've got a present for you, the first one.”

A bar love letter bar appears on the big screen.

Of course Jasmine Tong remembered that this was the place where they first met.

“This is where we first met and I bought the bar. The Second Gift.”

A store appeared on the screen, named: Blossom Mano.

“Just today this store opened its doors, it's a mountain resort with casual entertainment and dining, we can go over there for a pastime anytime.”

“And the third gift, this is my application for the Blossom Mano Charitable Foundation, I know you have a good heart and like to do good things, so this foundation will help anyone you want to help in the future.”

After a few seconds of stunned silence, the audience erupted in thunderous applause.

Albert Ou is so rich that his gift is not a luxury villa yacht or diamond jewelry, but a leisure mountain resort and a charitable foundation with special care.

The Hills need to be maintained, the foundation needs to be maintained, and this is a clear indication of Albert Ou’s perseverance.

Jasmine Tong’s eyes were a little moist, she hadn’t thought that Albert Ou had been secretly preparing these.

“I have one last gift for you.”

The applause stopped, and this last gift was unknown how valuable it was.

Chapter 611

Jasmine Tong tried to take a breath, worried that her fragile little heart couldn’t take it.

Albert Ou carefully picked up Jasmine Tong’s hand.

He placed Jasmine Tong’s hand on his chest.

No one quite understood what was happening.

“The last birthday present is my heart, the heart that will love you and protect you for the rest of your life.”

Jasmine Tong’s tears flowed for a moment as she threw herself into Albert Ou’s arms.

She didn’t want to shed tears, but she couldn’t help it.

Once again, the applause didn’t stop for a long time.

The Leng Lords also laughed on the side, “Bastard, talking about love words one way or another.”

That was the end of the ceremony part, followed by the wedding reception.

Because there were a lot of guests there, Albert Ou and Jasmine Tong also had a table by table toast.

The groomsmen are very useful at this time, taking turns to drink for Albert Ou. Jasmine Tong is fine, as she is the bride after all, and no one will make it difficult for her.

After this whole day's work, it was already 12:00 p.m. when we returned home, and originally Mo Yiang was going to bring the army over to make trouble for the bridal chamber.

As a result, he was reprimanded by Albert Ou, and Mo Yiang never dared to make a mistake again.

Their bedroom was decorated as well, with red roses spreading all over the floor and bed, and the fragrance was overwhelming.

Jasmine Tong took off her high heels and rubbed her feet.

"I'm so tired. Never get married again."

Albert Ou, however, left the door open a crack towards the outside like nothing.

"What are you doing, come over here and rub my feet." Jasmine Tong felt that there was something not quite right about Albert Ou today.

"You go to sleep by yourself, I have things to do" said Albert Ou and walked out the door.

The first thing that you need to do is to make sure that you have a good understanding of what you're doing and how you're doing it.

A maid was carrying a plate with a clear glass full of warm water on top of it.

Albert Ou coughed and the maid stopped in a hurry, "Mr. Albert Ou."

"That's water for Mr. Cold, right?"

"Yes, Mr. Leng has had a little too much to drink, let me pour a glass of water and a sobering pill over."

Albert Ou took the cup right out of his pocket and pulled out a packet of medicine and dropped it into the cup to stir for a while.

The maid looked at Albert Ou in surprise, “Mr. Albert Ou this”

“Don’t talk too much, when you get to his room, put the glass down and come right out and don’t say anything.”

Albert Ou’s order, where the maids dare to disobey, had to nod and take the cup to the cold owl’s room.

Albert Ou was overjoyed, then knocked on Meng Rujiao’s door.

Meng Rujiao was also tired today, she was a bridesmaid, and her legs were tired from walking all day in high heels.

“Here’s your chance, little girl.”

“Ah,” Meng Rujiao was all ready to sleep.

“I mean here’s your chance, I thought I told you to keep waiting for your chance, now’s the best chance” Albert Ou winked down at her.

Meng Rujiao was still in a trance.

“He’s a little drunk, I just put a drug in his water, the most powerful aphrodisiac, so you’re going to have to work a little harder tonight.”

“Is this okay? I’m not going to lie, I tried to do this before and it failed, he was drugged or pushed me away.” Meng Rujiao was also a little frustrated, how bad was she to be pushed away by a man with an aphrodisiac?

“The fix is so strong, you’d have given him twice as much if you knew but I figured the aphrodisiac was strong, plus he’s a little drunk again, so don’t worry, it’s never going to be a problem.”

Meng Rujiao was still a little unsure, “But even if we did have sex, would the boss accept me?”

As time dragged on, Meng Rujiao’s confidence was about to wear out.

“Isn’t that still me? do as I say tonight, tomorrow it’s up to me you have to trust me, I’ll do what I promise, don’t believe me go manman”

Meng Rujiao nodded, "Okay then."

She was just about to leave the house when Albert Ou called out to her again, "Wait a minute and put this on."

Albert Ou took a set of clothes to Meng Rujiao, a very s*xy set of pajamas that he had taken from Jasmine Tong.

"It's not quite the right size, you'll just have to get it together, I've been so busy with the wedding I forgot about it."

Meng Rujiao changed her clothes and carefully went to the Leng Lords' room.

Albert Ou crept to the cold owl's door, his ear pressed to the door.

I'm afraid we have a good show coming up tonight.

Jasmine Tong is in the bedroom by herself, but Albert Ou still hasn't come back!

What does this man want? He's sneaking around.

Jasmine Tong got out of bed and looked around, finding that Albert Ou was putting his ear to the door of the Cold Lords.

"What are you doing in front of my brother's room?"

Albert Ou was shocked and rushed over to cover Jasmine Tong's mouth pulling her to run away.

"Let go of me, what are you sneaking around for" Jasmine Tong broke away from Albert Ou.

"I accomplished something big tonight" Albert Ou gave a thumbs up towards himself.

"What's the big deal?"

Albert Ou leaned close to Jasmine Tong's ear and told Jasmine Tong everything.

Jasmine Tong was scared to death when she heard Albert Ou's words.

“Brother’s already drunk and you drugged him.”

“But a super powerful drug, yo.” Albert Ou was complacent.

“Aren’t you afraid of getting killed? You’re really a brother.”

“It’s okay, he’s fine, he’ll be fine, and for once, when they’re done, no one will miss you.”

Albert Ou stroked Jasmine Tong’s chin.

“Honey, it’s really not good to force the two of them to have sex.”

“What’s wrong with it, he said we two are not also the first time we met on the bed? Then the feelings are now developing not also quite good, it is called first cut.”

Albert Ou hugged Jasmine Tong’s shoulders and returned to the bedroom.

“It’s not the same as ah brother and Miss Meng and us.”

“Aren’t they both men and women? What’s the difference? Come on, let’s get down to business. “Albert Ou hugged Jasmine Tong to the bed.

“No more seriousness.”

“Isn’t that why you were just out looking for me?”

“Of course I went out to find you where for the wedding night you didn’t come back.”

“Yeah, isn’t that what you asked me back to do on wedding night?”

“I,”

Jasmine Tong found that she really couldn’t win against Albert Ou in this matter of mouthiness.

“The two of them are in that room, the water’s deep, we definitely can’t lose do you want me to take some pills too, I still have some left”

“Albert Ou, you’ve had enough.”

It's getting out of hand.

But Jasmine Tong is vaguely worried about the Cold Lords.

Her Bossy Yet Naive CEO Chapter 612 - 614

Chapter 612

The cold baron's room.

Leng Lords really drank too much today, he was Albert Ou's best man, after all, he was Albert Ou's brother and drank more than the other best men.

The maid brought over a glass of water and sobriety pills, which he drank straight down with barely a thought.

Suddenly I felt my blood rushing up to my head, cold to the bone, my whole face felt like it was on fire, and my throat was parched like I hadn't had water in days.

what's going on?

Shouldn't you feel better if you take a sobriety pill? Why do you feel this way?

He tugged at his collar and didn't change because he had just asked the maid to bring him water.

But this feeling is getting stronger and stronger, so strong that it feels like there's a fire in my body that needs to be released immediately.

The figure of a woman suddenly appeared in front of his eyes, so vague he couldn't see what it looked like.

The woman gently stroked his face, and the fire inside him burned hotter and hotter.

This was a dream, right? Why else would there be a woman in his room?

No, he had to let it out right away or this was going to be unbearable, it was dreaming of having intercourse with someone in a dream, I guess it didn't matter, no one would know anyway.

The cold lord pulled the woman underneath him and kissed her madly.

It was dawn and the sun was shining in through the windows.

The room was disheveled and the bed was sleeping heavily.

Meng Rujiao was the first to wake up, her lips curled lightly, she had finally accomplished something in her life last night.

The original thought to spend a lot of effort, and even have been ready to be pushed out the door by the cold owl, did not expect the cold owl actually took the initiative to pull her over.

Although the cold lord's madness made her first night much more painful, her heart was still sweet.

Meng Rujiao turned around to gently caress Leng Lords face, snuggling into his side.

The cold lord woke up confused and with a headache.

Last night's dream was crazy.

No.

Why is there someone in the bed?

Leng Lords turned his head sharply and saw Meng Rujiao shyly lowering her eyes.

Wasn't it true that the woman last night was Meng Rujiao?

"Why are you here?" "The Cold Lords got out.

"I I" Meng Rujiao fidgeted and couldn't say anything.

"The two of us last night," the cold lord realized before he finished his sentence, because he wasn't wearing any clothes

His worst fear had finally happened.

The air was completely silent, a deathly silence.

The cold lord didn't know how to face such a thing.

"Pepper, I had too much to drink last night I"

Meng Rujiao pursed her lips and hugged the Leng Lords, "I'm all yours anyway."

Leng Lords subconsciously pushed Meng Rujiao away, and Meng Rujiao was shocked.

"You still won't accept me, boss?"

"Me and you Pepper, was it you who drugged me last night" the Cold Lords finally woke up.

Thinking of the last time Meng Rujiao had joined forces with the other brothers to drug him, he immediately thought of it.

"Why do you always have to do things like that, didn't I tell you everything I can't be with you"

Meng Rujiao felt like her heart had been catapulted, knocking her out of shape for a moment.

The man she'd loved for so many years, the one and only man in her life, still didn't want her.

"I see." Meng Rujiao didn't dwell on it, she picked up the clothes on the floor and put them on.

The pajamas that Albert Ou took to her last night were torn by the cold owl, and she found that the cold owl's jacket was picked up once.

"I'll borrow your clothes." Her voice was achingly soft.

Leng Lords don't know what's wrong with him, he looked at Meng Rujiao's back and suddenly felt some heartache.

Meng Rujiao walked step by step to the door and opened the door, and tears fell down one by one.

Albert Ou jumped out quickly, startling them both.

“I’ll go, what’s the matter with you guys.”

Albert Ou looked at the Leng Lords and then at Meng Rujiao.

“You slept with someone’s girl, did you have to get drunk and take advantage of her last night, and then you woke up today and disowned her.”

“Get out and don’t talk nonsense “The Cold Lords glanced impatiently at Albert Ou.

“What I’m talking nonsense, Miss Meng you tell me if he took advantage of you last night.”

Meng Rujiao lowered her head and didn’t speak.

“I don’t have to ask, I know, it must be that you did something confused last night, and now you want to drive someone away don’t cry, he is a member of my Ou family, what he did represents our Ou family, Miss Meng, don’t worry, I will give you justice”

Albert Ou vowed to Meng Rujiao.

Meng Rujiao was only sad, she had forgotten what Albert Ou had said last night, Albert Ou had said it and left the rest to him.

It’s his strategy.

“Can you not get mixed up in this blindly” the Cold Lords yelled angrily towards Albert Ou.

“Can you put your clothes on first, look at you like what words I really misjudged you, thought you were a decent man, didn’t think you were also the kind of men who casually take off their pants and still don’t admit it, most despise people like you”

Albert Ou stood at the door and yelled loudly towards the cold owl, afraid that this matter was not known to others.

Jasmine Tong also came over in her housecoat, she didn't see Albert Ou this morning as soon as she opened her eyes, the two of them tossed around quite late last night, and thought Albert Ou didn't have to go to the office in the morning to sleep a little longer.

Who knew he'd come this way.

Because Tong knows what happened last night, and in the end, the Queen of Shadows knows how to perform.

"What's happening?"

"Wife, you come just in time, you come to comment on the reasoning, this moralistic gentleman slept with other girls, now patted ass, want to disown you say this matter how to do key this moralistic gentleman even still our family."

Albert Ou saw Jasmine Tong coming and hurriedly scolded again.

You have to play along with his performance.

"You've got to stop yelling, it's not good to spread this kind of thing."

"Tell me about this future New Year's Eve, I'll go back to my mother's house with you, I can't even hold my head up in my mother's house, but our family has produced such a scum" Albert Ou continued, as he made eyes at Meng Rujiao.

Meng Rujiao immediately understood Albert Ou's intentions, and she directly threw herself into Jasmine Tong's arms and cried out.

"I'll go comfort Miss Meng first, you two talk first." Jasmine Tong said and took Meng Rujiao away.

As if the cold lord had done something wrong, he lowered his head and didn't speak.

"What the hell were you thinking," Albert Ou growled again.

"You come in and talk and shut the door."

"Don't you dare do that."

But Albert Ou entered and closed the door as the cold owl had intended.

Chapter 613

Albert Ou took a chair and poked it hard on the floor and sat down.

“What do you want?”

The Leng Lords sighed and leaned on the bed, “is it what I want or what you want what this has to do with you what side to stay.”

The cold lord was distracted and didn't want to fight with Albert Ou.

“What do you mean it's none of my business, your business is my business, this is our O's business.”

Albert Ou stared at a pair of eyes, “Do you know what you call my face after where to put it back to my mother's house I accompanied Man Man to go back to my mother's house, how do people in my mother's family say I still have a son, how do you let your nephew look at you after”

“Aren't you going a little too far?”

“It's not far at all. That's my wife, right? That's your brother-in-law's wife? My son is your nephew?”

“Will you leave me alone” the cold lord patted his head and leaned against the bed with his eyes closed.

This happened so suddenly that he was a bit overwhelmed himself.

“Quiet sh!t according to me, it just so happens that I just got married and now I have some time to hurry up and get you two done.”

Albert Ou has the power of a hammer.

“Get what done.”

“Crap, of course it's a wedding.”

Leng Lords stared at a pair of eyes, marriage matters, he can never consider, always feel that the word has nothing to do with his life.

“What's wrong with sleeping with someone else's girl doesn't want to be responsible is it”

The Cold Lords sized up Albert Ou, “Why are you so anxious aren’t you preparing to accompany Little Man on his honeymoon? I’ll solve this matter myself, you go.”

“Whatever you want to do about disappearing and patting yourself on the back is never going to work like that and I’m telling you, Jasmine will despise you.”

The cold lord didn’t say anything, he probably despised himself.

The first thing you need to do is to take a look at the newest models of the newest models.

“Will you stop talking” the cold lord was simply annoyed and growled irritably.

“Okay, okay, I’m not going to say it, you think about it, I don’t have the heart to care about this crap you had just gotten married, I’m in a good mood, and I’m letting you spoil it all.”

Albert Ou hung out of the bedroom, then suddenly poked his head in.

“Last night was your first night, right? Wasn’t it great?”

“Get lost “The cold lord picked up the pillow and threw it towards Albert Ou.

Albert Ou quickly escaped. In the end, it is his own brother, he still knows better, Albert Ou felt that if he said it again, the Leng Lords would probably have to be suspicious, after all, the Leng Lords that person is so suspicious.

Back in the bedroom, Jasmine Tong is pulling Meng Rujiao to talk.

As soon as Albert Ou returned, Meng Rujiao immediately became nervous, “Did he agree?”

“Eighty-nine.” Albert Ou was the proud one.

“Really? Old man will marry me” Meng Rujiao’s eyes lit up.

“I’ve told you, bag on me, I’ll make sure he marries you.”

Only then did Meng Rujiao let go, “Then I’m going back to my room.”

She smiled and left.

Jasmine Tong but worried, “You this method or not work ah don’t turn around and lose your wife and soldiers, this can really delay the other girl.”

“Don’t worry, no problem dealing with that guy of his.”

Jasmine Tong didn’t say anything, but she had a vague feeling that the matter was still a little unsteady.

The cold lord remained in his original position on the bed, he was distracted.

He couldn’t understand what Meng Rujiao had in mind for him, but he really couldn’t accept it.

He was more than seven years older than Meng Rujiao, and he had grown up watching Meng Rujiao.

Suddenly, one day, to have the little girl he had once raised become his wife, he was not going to be able to switch his mind.

But she’s given her body to him. What should I do?

Three days have passed since this incident, but still nothing has happened.

The Cold Lords were slow to take a stand.

On the green grass of the Crystal Garden, the Cold Lords were dressed for a walk, where no one disturbed him and he could think calmly.

Suddenly, he saw the familiar figure of Meng Rujiao in front of him.

She had indeed grown up, and the little girl who still had a snotty nose in the old days had come out of the woodwork.

As soon as Meng Rujiao turned around, she saw the Leng Lords staring at her.

After the physical encounter, it seemed awkward for the two men to meet again.

Leng Lords turned to leave, but Meng Rujiao called out to him.

“Don’t go, boss.”

The cold lord stopped, but he didn't turn around.

"Boss, I know you don't like me, and when you told me that before, I didn't think you were going to be able to accept me, but after that day I finally realized you don't like me and will never love me."

The Leng Lords turned their backs on Meng Rujiao's heart like a knife.

"You don't need to be embarrassed, I did it willingly, and I have no complaints about giving my first time to my favorite man."

Meng Rujiao's remarks made the Leng Lords even more ashamed of themselves.

"You don't have to take responsibility for me, Mr. Ou just wants to get justice for me, I'll go and talk to him, I won't let him force you, Little Manny is right, a strong twisted melon is not sweet, and the two of us won't be happy if we are forced together."

Meng Rujiao smiled bitterly and raised her smile, looking at the back of the Leng Lords.

"Boss, you don't have to take this personally, let's just be like old times okay? I want you to find your own happiness one day."

She didn't have to look at her smile to know it was sweet with a hint of bitterness in it.

"Boss, Mr. Ou has already booked my ticket and I'm going back tomorrow."

The entire time the cold lord did not turn around, Meng Rujiao silently sighed and turned away.

Leng Lords quickly turned around and saw the lonely back of Meng Rujiao's departure.

He suddenly felt that Albert Ou was right, he was a moral gentleman.

Other girls give their bodies to you, but you keep choosing to run away.

Is he still human?

Upstairs Albert Ou was watching the scene with a cup of tea and grunted, “I don’t believe I can’t handle you after this.”

“Who are you going to get ah you said you were going to take me on a honeymoon it’s been three days and still not go”

Jasmine Tong had already urged Albert Ou repeatedly as he didn’t want this matter to involve Albert Ou anymore, hoping to leave space and time for Meng Rujiao and the Leng Lords.

But Albert Ou seems to have misunderstood Jasmine Tong’s meaning.

“I can still get who is not the guy surnamed Leng rest assured that immediately things will be done things, things will be done I’ll immediately take you away.”

Albert Ou looked at Jasmine Tong, still full of favor.

He won’t delay his honeymoon with Jasmine Tong because of Leng Liao’s crap

Chapter 614

“Knock-knock,”

There was a knock on the door, Jasmine Tong went over and opened the door, and Meng Rujiao walked in.

“Mr. Ou, I did everything you told me to say, but the boss didn’t respond.”

Meng Rujiao was still a little frustrated, she had thought that the cold lord would just catch up with her and tell her that she would be responsible.

“You said all the lines I wrote for you.”

“Yeah, word for word, I memorized it for a long time last night.”

“Don’t worry, the guy’s slow, he’ll come to you when he responds.”

“Is that really true? “Meng Rujiao was still in disbelief.

In the beginning, Albert Ou had said that once the two of them were in bed, this would be done. But as a result of this is several days past, the cold lord is still the same cold attitude.

She has no hope now.

“Don’t worry, it’s wrapped up in me, how am I going to accompany Jasmine on his honeymoon if you two don’t work things out.”

Jasmine Tong patted Meng Rujiao’s shoulder, “Miss Meng, don’t be discouraged.”

Meng Rujiao nodded her head and left the bedroom, she also knew that Albert Ou and Jasmine Tong’s bedroom, that couldn’t be entered easily.

Albert Ou smiled badly towards Jasmine Tong, “Don’t worry, we’ll leave tomorrow and the day after tomorrow.”

Jasmine Tong shook her head without speaking, and another long wait ensued.

Jasmine Tong was waiting, Albert Ou was waiting, and Meng Rujiao was also waiting.

All are waiting for a positive answer from the cold owl.

The Cold Lords lay alone in the grass, always looking at the azure sky and the white clouds.

His mind replayed the events of the past seven years from bringing Meng Rujiao to his side until now.

He violated the girl he’s raised for seven years, and if he can’t marry her, then he’s worse than an animal, isn’t he?

“Brother, you’re here,” came Jasmine Tong’s voice.

Leng Lords sat up and looked at Jasmine Tong, “You’re also here to persuade me.”

Jasmine Tong sat next to Leng Lords with a slight smile, “Yeah, I’m also here to persuade you, you shouldn’t drive me away without letting me talk.”

Leng Lords bowed his head and smiled, "Then how do you want to persuade me"

"Follow your heart."

"Hmm," the Cold Lords were a little puzzled.

"You don't want to consider his words he is a person who does things rather radical, you also know, I have been advising him, the traditional melon is not sweet, forcibly tying the two of you together, if not happy for you to Miss Meng are not good."

"Don't talk to me like that. Aren't you afraid Ono will hear you and turn against you?"

"Let's just turn the other cheek, we have two sons anyway, even if we turn the other cheek in a couple of days he'll be fine. Brother, don't force yourself to do anything, I want you to marry Miss Meng because you really like her, really love her, not just because you had sex physically."

Leng Lords lost his voice and laughed out, "Little Wild doesn't know what kind of virtue could have married you."

"Well, that's all I have to say, so think about it. I don't think it's as simple as marrying Miss Meng if you really want to be responsible for her."

Jasmine Tong stood up and patted the cold owl's shoulder and left.

Leng Lords carefully fathomed Jasmine Tong's words.

Does he love Meng Rujiao? Does he love Meng Rujiao?

He asked himself over and over again.

Jasmine Tong was back in the building, just about to go to the nursery to check on San San and Xiao Qi.

Seven has been growing quite a bit lately, and it will be announced in a little while that Seven is their child.

Albert Ou appeared in the hallway blocking her way.

“Why did you go to him? Didn’t I tell you everything? I’ll definitely take you on your honeymoon tomorrow and the day after tomorrow.”

For Jasmine Tong to go to the cold owl in private, Albert Ou is very dissatisfied, he can only see from the window.

You even tapped him on the shoulder.

“I’m just afraid this thing won’t work tomorrow.”

“Why can’t I make it? If I don’t make it, how will my face go?”

“Do you really think that brother and Miss Meng will be happy together under plans like yours?”

“I don’t care if he’s happy or not.”

“It’s irresponsible of you to talk like that, he’s our brother after all, your twin brother, how can you do this to him”

Jasmine Tong just kept putting up with this series of absurd things about Albert Ou, thinking that it wouldn’t be a bad thing if Albert Ou facilitated this.

But I didn’t expect Albert Ou to say something like that.

“What are you yelling at me for? You’re yelling at me for him, Jasmine Tong, what’s your situation?”

Albert Ou stared at Jasmine Tong with a pair of eyes.

“What can I have a situation, please can you not get jealous at every turn ah I went to talk to him, talked to him, patted him on the shoulder, what’s wrong with that? he’s your brother.”

Jasmine Tong had also been suppressing her fire for the past few days, and today she finally couldn’t stand it any longer and exploded.

“Not even if it’s my brother, not only is he my brother, but he was once your suitor who sent you roses and wanted to be with you.”

“So because of that, you’re forcing him to be with Miss Meng right or wrong you’re so selfish.”

“I’m selfish, who am I doing this for, and it’s not all about you.”

Hearing Jasmine Tong accuse herself like this, O Zeno became even more anxious.

“Don’t say it’s for me, you’re doing it all for yourself, to make yourself one less rival just my relationship with my brother has long been clarified, it’s always been you pulling at the heartstrings.”

“I’m small-minded, how dare you call me small-minded for that man.”

The more we talk, the more Albert Ou grabs hold of the handle.

“Don’t I tell you, if you told me at first that you were going to give to put brother drunk, and then drug him, I would never agree to you just to get rid of him, in the case of him drinking too much, and also put him under such a heavy drug This is brother’s health is good, did not make a fatal, if anything happens to him, you can afford to take the responsibility?”

Jasmine Tong said all the things she wanted to say before in a row.

“It has nothing to do with you, that’s my business, that’s enough Jasmine Tong, what are you thinking about? Have you changed your mind? Why are you always talking to him?”

“There you go again, saying I’ve changed my mind, I’m not talking to him, I’m talking on the facts how come you’re always so childish and do such childish things”

“Call me selfish, call me small-minded, and now call me childish, am I really that bad in your eyes?”

The two men stood in the hallway, yelling at each other, and the maids hurried by, not daring to say a word.

Jasmine Tong doesn’t know what to say, she just got married and she doesn’t want to fight.

“Well, I’m not going to argue with you.” Jasmine Tong turned around to leave, but found the Leng Lords standing at the end of the corridor.

He slumped on the bed with an evil smile on his face.

Her Bossy Yet Naive CEO Chapter 615 - 617

Chapter 615

“Brother,”

Jasmine Tong also didn't expect that the Leng Lords had already gone upstairs, she thought he was still on the grass.

Albert Ou was stunned too, he wouldn't have heard all of the conversation between the two of them.

“Albert Ou, you can do it.”

“What's wrong with me? I'm doing you a favor. You should thank me.”

“Yes, I should thank you very much indeed.”The cold lord walked towards Albert Ou.

Jasmine Tong suddenly felt that something was not right, these two should not fight, right?

“Brother, actually,”

“Mandy, you have no business here.”

The cold baron is killing him, Jasmine Tong hurriedly made way.

“What's the matter? Are you going to hit me again?”

As soon as Albert Ou's voice trailed off, the Cold Lords punched him in the face with a fist.

“f*ck you actually did it.”

Albert Ou where willing to take a loss soon fought with the Cold Lords.

“You guys” Jasmine Tong looked at the two men and was also speechless, how old are you guys, but you're still fighting.

Forget it. She should go see her son.

Jasmine Tong ran right past them to the nursery.

The two little ones are able to eat and sleep, though.

“Mummy” is now able to speak, and when she sees Jasmine Tong coming, she opens her arms for a hug.

Jasmine Tong carried San San over to the crib, “How is Xiao Qi doing lately?”

“I can eat and sleep, I’ve put on a few pounds lately, look at that little face, it’s so meaty.”The maid replied hastily.

“That’s good.”

The little baby in the crib is carved in pink and jade, combining the best of Ellen Ron and Rameen Tong, and will definitely be a handsome little man when he grows up.

Jasmine Tong reached out and touched his little face, “Xiao Qi, I’m Mommy.”

San San pointed to the little baby in the crib.

“This is my younger brother, Sansan, you have to protect your brother from now on, you two brothers have to love each other, but don’t be like your father and uncle, who are so big and still fighting.”

The fight between Leng Lords and Albert Ou was no one dared to persuade him, and finally the two stopped.

The cold lord came back to his room in a rage, as did Albert Ou.

Then Albert Ou and Jasmine Tong started a cold war, ignoring neither of them.

When Jasmine Tong returned to the bedroom, Albert Ou was sulking in a chair.

He had several bruises on his face and what looked like a swelling there on his chin.

“Hmph” Seeing Jasmine Tong come in Albert Ou hurriedly turned his head to the side to express his dissatisfaction.

Jasmine Tong started packing without looking at him.

Albert Ou found that Tong couldn't help but notice that she was packing up her things.

“What are you doing?”

“I'm sleeping with my son today.”

“Jasmine Tong, you're really getting out of hand I'm being beaten up like this and you don't even ask a question”

Albert Ou was simply too lame today, his speed and strength were greatly reduced since he had cancelled the seal, and he was no match for the Cold Lords.

Jasmine Tong ignored him and continued to pack her things.

“Hey I was beaten up because of you, why are you yelling at me, let him know, I've lost the effort and now you're separating from me without saying a word.”

Jasmine Tong held her things and looked directly into Albert Ou's eyes.

“You being beaten has nothing to do with me, you did the thing, be prepared to let him know one day, the two of you fighting, that's what you want, it's no one else's business.”

Said Jasmine Tong holding her things and preparing to go out.

“Then you should have talked us out of our fight.”

“I said you two are willing to fight, it's no one else's business, why should I advise”

Jasmine Tong opened the door and walked straight out.

Albert Ou was simply furious, it's fine that his woman didn't turn towards him, but when she saw his face full of injuries, she didn't even look at him!

Because the Leng Lords already knew that all of this was Albert Ou's plan, they didn't go looking for Meng Rujiao.

He was already ready to marry Meng Rujiao.

Naturally, Meng Rujiao also heard about the incident and knew that the two had fought, so she ran to the nursery to find Jasmine Tong.

"Manny-san, what should I do?"

Meng Rujiao suddenly lost Albert Ou as a pillar of support and panicked.

"Miss Meng, I'm not going to lie to you, you shouldn't have trusted him in the first place, he's a man who does things without a clue."

Meng Rujiao is also frustrated, now well, things didn't work out, but because of the conspiracy to make the cold lord hate her even more.

"I'm regretting it now too, but it's all out there, what can I do about it Little Manny."

Meng Rujiao looked at Jasmine Tong with a look of sorrow.

"Miss Meng, I actually think that two people need to have feelings together, this kind of feelings is not family or friendship, but love, you need to determine which kind of feelings you have for him."

Jasmine Tong embraced Xiao Qi in her arms and patted him gently as she said, "I may speak a little more directly, I'm not involved in your relationship, I don't have the right to speak, I can only speak from the perspective of an observer's words, first of all you need to be clear that your dependence on him is not love"

The first thing you need to do is to take a look at the newest version of the newest version.

"A girl's body is precious and she wants to save it for someone she truly loves, not use it for a plot."

"I know it was wrong, but there's no way to fix it now."

“Miss Meng, if you listen to me, then leave for the time being and think for yourself whether you are in love with him or not also give him time and space to think about whether he can accept you or not.”

Meng Rujiao nodded, “Sister Manny, I’ll listen to you.”

“Actually I don’t think my brother necessarily doesn’t like you, he just can’t get over that hurdle in his own heart, he thinks you were raised by her and he can’t get over it from his own heart if he takes possession of you and marries you, so don’t worry, time will prove everything.”

Meng Rujiao nodded solemnly.

This night was destined for some changes.

Albert Ou was tossing and turning in his bedroom, his face untreated, but not in the mood to deal with the injuries.

Such a big bed, only he is the only one, in the past when Jasmine Tong was here, he always felt that the bed was too small, now Jasmine Tong is not here, feel that the bed is too empty.

And he wondered how much space she could take up with such a small body.

Still unable to sleep, Albert Ou lifted the blanket and sat up.

Called the maid over.

“What do you need, Mr. Ou,”

“I have a fever.”

“Fever, does that require a hospital or fever reducers?”

“Don’t even bother to go get the missus and tell him that I have a fever.”

The maid was blinded, when did their wife know how to heal.

“Oh, yes, I’ll be right there.”

Chapter 616

Jasmine Tong was already asleep in the nursery, and the maid rushed over and knocked on the door.

“Ma’am, ma’am, it’s not good, sir’s sick.”

Jasmine Tong woke up in a daze, worried about disturbing the children, so she hurried to the door and opened it.

“What’s going on?”

“Sir is sick.”

“What’s wrong with him being so healthy.” Jasmine Tong had always thought that Albert Ou would never get sick.

“Fever.”

“Fever’s fine during the day.”

Exactly when he moved his things out of the bedroom, Albert Ou was still fine.

“Sir does have a fever, you should go over there.”

Jasmine Tong turned her head and thought, the maids wouldn’t dare to lie to her, Albert Ou used to be in good health, but he had already lifted the seal, he was already an ordinary person, and eating grains would naturally make him sick.

Jasmine Tong immediately put on a dress and hurried to the bedroom.

Albert Ou heard footsteps and hurriedly lay down on the bed, putting the thermometer on the nightstand.

Tonto comes in and he pretends he doesn’t know anything, still with his eyes closed.

“What’s wrong” Jasmine Tong touched Albert Ou’s forehead and then his own, “It’s okay it’s not too hot.”

Albert Ou sat up with a whoosh, “It’s not too hot for you to see.”

As he said that, Albert Ou shoved the thermometer on the bedside table into Jasmine Tong's hand.

Jasmine Tong picked it up and saw that the temperature had reached its end
42 degrees

My God, it's burning so badly.

That's the human limit.

Tong remembers reading in some books that normal people don't have high fevers to 42 degrees, and that only babies with higher body temperatures are likely to burn up to 42 degrees with a high fever.

"No, we have to go to the hospital right now."

"I'm not going, to what hospital?"

Albert Ou is as strong as a rainbow, "is that how you are when my wife? husband fever, you even went to another room to sleep even with me cold war you own a good rethink rethink."

Jasmine Tong forked her waist and looked at Albert Ou, is it possible for a man with a 42 degree fever to talk to her like that?

That voice and that demeanor doesn't sound like a sick person at all.

She took a quick glance at the cup of hot water still steaming on the bedside table and realized.

"How can we not go to the hospital? It's burning up so bad we have to go to the hospital, hurry up."

Jasmine Tong directly lifted up Albert Ou's blanket.

Albert Ou's mind was in shock, he had never had a fever and didn't understand what was going on with this thermometer, he couldn't be mistaken!

"Do we really have to go to the hospital?"

“Of course, you’re burning up so badly that regular fever reducers won’t work on you, you’ll have to go to the hospital to get an injection or an IV.”

“Needle infusion.”

Albert Ou hadn’t had any injections, let alone infusions, he’d only been given injections and no infusions while Jasmine Tong was in the hospital.

At the time the needle was inserted into Jasmine Tong’s body, he was all heartbroken.

When I took San-San to the hospital for her vaccination, San-San was also in tears, so you can see how much the shots hurt.

“Yeah, I don’t think a shot of fever reducer will even bring down the fever, maybe a few more, that fever reducer hurts pretty bad.”

Albert Ou gulped down a spit, “You’re not scaring me.”

“I have a problem scaring you you’re burning up like this, get to the hospital, don’t delay, get dressed.”

“I don’t really have any particular symptoms, maybe a couple of glasses of water, so I don’t have to go to the hospital so much. Besides, I’m in such good health, I’ll be fine.”

“That’s no good, you’re well, that was before, you’ve lifted the seal now, the seal is a normal person, people eat grains, they’re always going to be sick, get up and go to the hospital”

Albert Ou made a mistake, he originally wanted to pretend to be sick to make Jasmine Tong care about him, but why did he go to the hospital?

“Are you going or not?”

“My one,”

“Honey don’t be so hard on yourself, the fever is 42 degrees, this brain is going to burn out, are you brain burned out now you’re not brain burned out what am I going to do if my brain burns out.”

Jasmine Tong held up Albert Ou’s face.

“It’s not that bad,”

“Why not that bad fever is the worst brain burn out, back then you turned into a fool and I have to raise you, still so young, he has a father who is a fool, what do you think he will think”

Albert Ou looked at Jasmine Tong with her mouth wide open, what was she saying?

“Honey, I know you want to save face, you definitely don’t want people to say you’re a fool, don’t worry, I’ll find another husband when the time comes, I won’t let San San know he has a father who’s a fool. Anyway, all the money in the house is in my account, so you don’t have to worry about yourself, I’ll provide for you, and the family is so big it will definitely take care of your food and shelter.”

“Jasmine Tong, I’m still alive and you’re looking for a father for your son.”

Albert Ou stood up directly and stared straight at Jasmine Tong.

“Yes, in a child’s upbringing and education, you can’t grow up without a father, and you became a fool, though you can’t educate him, so of course I’m going to find him a father.”

“I’m not an idiot I’m not going to be an idiot, don’t worry you die of that I’ll never give you the chance to find a father for San San this isn’t even my temperature this is me putting the thermometer in warm water”

Jasmine Tong rolled her eyes, “You finally admitted that it was fun to toss me around in the middle of the night.”

After saying Jasmine Tong was ready to walk out, Albert Ou pulled her back.

“Did you already see you were playing me?”

“Who is playing who in the middle of the night ah if you did not first pretend to be sick, called me over, I would have to play you to play? have not seen a person with a high fever, the strength is so strong, the voice is so loud.”

Albert Ou had really missed the boat, but he didn’t know what it was like for humans to be sick, after all.

“You’re still mad at me.”

“It’s obvious you and I are fighting, and you’re not admitting you did something wrong.”

“Okay, okay, I admit it, all right?”

“Then we’ll go on our honeymoon tomorrow, so you can leave brother and Miss Meng alone.”

“Whatever you say, okay?”

Jasmine Tong turned around and looked at Albert Ou’s playful smile, all old married, what is this tossing around in the middle of the night.

“No going back to the nursery tonight, I can’t sleep without you by my side.”

Albert Ou carried Jasmine Tong back to the bed, “You said you’re so small and take up so little space, I feel horrible that the bed is empty when you’re not here.”

The next morning, Albert Ou and Jasmine Tong were packing up for their honeymoon.

Meng Rujiao came over, “Mr. Ou, Sister Manny, I’m ready to leave, I was going to resign with my boss, but it turns out he’s already gone.”

“He’s gone.”

Chapter 617

Jasmine Tong and Albert Ou were both shocked.

“What kind of man is this brat who runs away when he meets something” Albert Ou cursed angrily.

“Miss Mon, where are you going to go then?”

Meng Rujiao shook her head, “I haven’t made up my mind yet, we all used to live in that villa in S City, and Boss, disbanded us and we all went our separate ways.”

“How about this, since brother has already left, you can stay, you’re a girl and you don’t have a place to stay, we’re not worried about letting you go like this.”

“But,”

“But what but Jasmine told you to stay you just stay there’s not so much but it’s so big to live here what’s wrong with you”

Sometimes Jasmine Tong felt that Albert Ou’s bullying could also come in handy in many ways.

When Albert Ou said that, Meng Rujiao agreed.

She didn’t know where she was going anyway, and she was in a trance that she was a little grown up since she had experienced her first time as a woman.

Her own brothers were all men, and she was not good enough to hang out with them.

Albert Ou and Jasmine Tong went out for their honeymoon, she was almost alone in such a big crystal garden, and she didn’t know where she could go, luckily there were two small children at home, so it was good to visit the kids once in a while.

Albert Ou and Jasmine Tong’s honeymoon was a full month long, and they went to several places, stopping and going.

The last stop was an idyllic town in England that is not part of any tourist area, so it is kept very pristine and idyllic and very pretty and welcoming.

Tonto liked it so much that she stayed here for a few more days.

They live here in a white villa, this morning as soon as you get up, Jasmine Tong is ready to go out to pick some wild flowers back, and then you see the Leng Lords standing in the doorway.

“Brother, what are you doing here?”

Leng Lords smiled slightly, “Mom and Dad let me come over.”

“Mom and Dad,”

“Why don’t you welcome me in for a seat.”

“Of course welcome, come on in” Jasmine Tong hurriedly made way for the door and let the cold lord walk in.

The Leng Lords sized up the small villa with idyllic scenery, “You two can really enjoy ah.”

“Brother, how did you come here” Jasmine Tong hurriedly went to pour a cup of water for the Leng Lords.

“Don’t be busy, I’m not leaving until tomorrow.”

Jasmine Tong didn’t understand what was going on until the afternoon, when Ousheng Molanui as well as Yarwen Tong all came.

If there was some regret about her wedding to Albert Ou, it was that neither Osei Moranui nor Yarwen Tong came.

They were, after all, special and it was too awkward to appear in a crowd, so they didn’t come to the wedding.

Running into them here, Jasmine Tong is not to mention how happy she is.

In the afternoon Jasmine Tong went to the supermarket accompanied by Yarwen Tong and bought a bunch of fresh vegetables and meat for an evening family dinner.

Jasmine Tong had been busy all afternoon, cooking a large table of food.

All were seated.

“Isn’t it particularly New Year’s Eve-esque our family is finally reunited.” No one is happier than Jasmine Tong.

The table was full of the most important people in his life, and of course, the two little kids at home.

“Here’s to our reunion today.” Osei spoke.

All of them raised their glasses together in a toast.

“Mandy, we didn’t even go to your and Ono’s wedding, but we have wedding gifts for you that have been sent to your house, so you’ll be able to see them when you get home.” Murray patted the back of Jasmine Tong’s hand.

“Mom, I’ll let you think about it, what wedding gift you want is the best gift for our family reunion.”

This evening, everyone had a good night’s drinking, and Jasmine Tong was a little too drunk, and it was Albert Ou who ended up carrying her back to her room.

Fueled by alcohol, they kissed and hugged passionately, then went to bed and did the shameful thing.

It really is too good to be true.

The next morning the first thing she did when she woke up was run to the kitchen to get ready to make breakfast for everyone.

“Mandy, just prepare just the three of you.”

There was Murray’s voice behind him.

Tong turned to look at her mother-in-law, “Mom, it’s okay, it’s the same for these people.”

“No, we’re leaving soon.”

“Is there anything you guys need to get back in such a hurry? If not, stay a few more days.”

Murray shook his head, “Last night was our last meal together.”

Tong’s smile stiffened on her face little by little, “What do you mean, Mom”

“We really have to go, and we won’t see each other again.” Murray knew it was very cruel to say it, but she said it anyway.

“Why can’t we see each other again?”

Jasmine Tong was at a loss for words, “Mom, if you think it’s too much trouble to come see us, let us be able to come see you ah, why not meet”

Murray stepped in front of Jasmine Tong and gently smoothed her hair.

“Child, we were already from different worlds, and now the time has come for us to part.”

“”

“Ono has been unsealed, he can stay in human society forever, if we force him to return to the vampire world, or force him to visit again, it won't be good for you or him, and if someone finds out, the consequences will be unimaginable.”

“We can be perfectly careful, Mom, don't worry.”

Murray gently caressed Jasmine Tong's mouth.

“Kids, accept the reality, you have to go back to your world, we have to go back to ours, you and Ono already have kids, how are you going to explain that to your kids in the future, are you going to tell them that their father is the offspring of a vampire and a human, and that their grandparents are vampires”

Tonto hung his head in silence, for the child was very young, and he had not given it much thought.

San San is over a week old now, and I expect he'll have a memory in a little while, probably to the age of 100,000 whys again, when he'll be asking why his grandparents were so young and why they could fly and run so fast!

“Mandy, you're a good kid, and I know you and Ono will have a great life.”

Jasmine Tong threw herself into Muranyi's arms, her parents were no longer with her, and she had long thought of Muranyi and Ousheng as her parents.

Finally, I had my own parents and could live a normal life, but still not.

“Well, don't feel bad, we'll always be in your hearts won't we I won't waste too much time, go say goodbye to Lei.”

There was also her brother Yarwen Tong, who was leaving along with her.

Her Bossy Yet Naive CEO Chapter 618 - 620

Chapter 618

It wasn't until Muranyi had spoken to her about it that Jasmine Tong realized that it was no wonder that she thought that everyone was out of sorts at dinner last night, only she was as excited as she wanted to be.

Turns out everyone knew they were going to be separated, and she was the only one foolish enough to think it was just a family dinner.

"Sis, you don't have to feel bad, I'm doing fine." Yarwen Tong's smile was still clean and clear, as it was back then.

Jasmine Tong sighed and lifted her hand to gently caress Yarwen Tong's face.

She suddenly realized that it was time to be truly apart from her brother.

"Sis, don't worry, I'll treat your and my brother-in-law's parents as if they were my own, we've already agreed that I'll be their son."

Jasmine Tong smiled happily, perhaps that was the best way to end it.

With Yarwen Tong, Muranyi and Ou Sheng finally have a spiritual support.

"You've grown up and have your own opinions, I have nothing to wish you, I know you know what you're doing, you need to get used to your new identity in that world and take care of them."

"Well, I will, sis, just relax a hundred percent, I think it's fine, we're living in our own worlds and it's enough to know we're each doing well"

Yarwen Tong couldn't see a trace of sadness on his face, he knew that he couldn't be sad at this time, if he was sad, Jasmine Tong's grief would be out of control.

"Sis, I've got it all figured out, I can get a girlfriend in the vampire world and have her help me take care of Mom and Dad together, do you think that's a good idea?"

Jasmine Tong laughed out, "You're really grown up, you're thinking of finding a girlfriend."

“Of course it is, watching you and your brother-in-law, the two of you abusing the dog and making you two feed the dog food every day, I want to fall in love.”

The two siblings laughed together.

Yarwen Tong pulled out an envelope from his own pocket, “Sister, can you help me pass this to Xin Xin?”

Jasmine Tong knew that Mo Yi Xin was a knot in Yarwen Tong’s heart.

“Okay, no problem.”

“Just tell them you found it while packing up my belongings.”

“I know what to say, take care of yourself.”

Yarwen Tong repeatedly assured that he would take care of himself and take care of his parents.

On the other side, Osei and Murray are saying goodbye to their two sons.

“Lords, our greatest relief is getting you back, but I’m sorry we have to be apart again.”

Murray’s biggest guilt is the cold lord.

“No need to be sorry, I’m doing fine.”

“Good grief, you’re so old, you don’t even have a daughter-in-law” Albert Ou was very dissatisfied on the side.

Ousheng and Muranyi focus on the Cold Lords, ignoring him completely.

Cold Lords stomps on Albert Ou’s foot.

“You step on me you also don’t have a daughter-in-law to send to you, you deserve to play bachelor” Albert Ou continued to speak sarcastic words.

“Come on, Ono, you’re doing so well in human society, shouldn’t that be your responsibility?” said Muranui.

“How is it my responsibility mom, aren't you a little too biased you mean I just have to take care of him isn't he the real boss okay he should take care of me and he's always stealing my daughter-in-law”

“Who stole your daughter-in-law?”

“You,”

Ousheng and Muranyi looked at each other, luckily the two kids didn't come to him together, or they would have been heartbroken!

“All right, all right, stop arguing, owl, you're not young, as parents want you to be happy, if you have the chance, don't miss it.”

“I will.”

“That's it, we're off, take care of yourselves.”

Ousheng Molanyi and Yarwen Tong stood together, and it was finally time for them to part.

They waved together and left, so quickly that Jasmine Tong just blinked.

Albert Ou hugged Jasmine Tong tightly in his arms, “It's okay, you'll still have me, and our son.”

Murray looked back at them and sighed, “The owl I prophesied last night made a father.”

“Then why didn't you say what you heard from Ono, the owl seems to be with a girl now.” Orsheng asked.

“Leave the kids to their own devices, I'm sure they have the ability to fix things.”

“Dad, Mom, let's get out of here I thought you said you wanted to go out and have some fun why don't we not go home and have some fun first.” Yarwen Tong's smile blossomed.

“Good, we'll have plenty of time to hang out in the future.”

The three of them smiled at each other and walked even faster.

The three men left sitting in the room, the sad atmosphere inside the room, were actually not in a good mood.

The Leng Lords mood natural no better, hard to get back to the parents, so soon to become an orphan, he just is not willing to express feelings just.

“Hey, Mom and Dad but they left your marriage to me, what the hell do you think” questioned Albert Ou.

“How come I didn’t hear that,” the Cold Lords retorted.

“Won’t you try to figure out what they mean? You’re an adult, how can you hear what’s on the surface when you talk? You have to dig deeper.”

“Sorry, I didn’t dig it.”

“That’s you stupid.”

The brothers were venting their emotions in this quarrelsome manner.

Jasmine Tong sighed and went straight upstairs, not caring about them.

“I don’t have time to argue with you you go check on Jasmine.”

Jasmine Tong was lying on the bed, she didn’t cry, she just felt bad, after all, she was a mother and learned to control her emotions.

“Jasmine, are you okay don’t feel bad, Little Lei is doing well, find another girlfriend in the future.”

Albert Ou leaned into Jasmine Tong’s ear, “Being a vampire is actually pretty good, especially with a girlfriend, they can keep doing it all the time for sex and never get tired, there’s no problem doing it for ten or twenty years”

Jasmine Tong was amused, “Why are you still such a prude.”

“I’m not being prude I’m telling the truth,” Albert Ou picked Jasmine Tong up, “I’ll always be there for you.”

Jasmine Tong hugged Albert Ou, “I want to go home and see my son, San San and Xiao Qi, they haven’t seen mom and dad for a month.”

“Okay, I’ll leave tomorrow.”

Albert Ou went downstairs and was going to tell the cold owl, but the cold owl left again.

“The bastard has run away again.”

The first thing you need to do is to take a look at the newest addition to the list.

“It’s better to give my brother some time, he may not be able to accept it yet, he’s used to being on his own.”

“Let’s see if I let him go next time I run into him, my last name won’t be Ou.”

Chapter 619

Because Jasmine Tong really missed her two children and the pain of separation made her really want to go home, so they ended their honeymoon and set off home.

Returning home, he took San San into his arms.

No one was more excited than Meng Rujiao.

“Manny-san, you’re finally back, I’m really getting bored with this big house all by myself.”

“There are so many servants in the house, it’s good to talk to them.”

“There are only a few that can talk, but it’s good to know that your two sons are adorable and it’s nice to watch them every day.”

Saying words Meng Rujiao suddenly covered her mouth.

“What’s wrong physically?”

Meng Rujiao even waved her hand, “The cooking in the kitchen has been too greasy for the past two days, and my appetite is not comfortable.”

“Oh, that’s right, then I’ll instruct them to make it lighter later, these servants won’t be able to hold an inch if I’m not here, I’m really sorry.” Jasmine Tong apologized profusely.

“It doesn’t bother me, I’m weirdly embarrassed to live here for nothing, Manny-san, let me go to the kitchen and get a yogurt to quench my fatigue.”

Jasmine Tong nodded Meng Rujiao and went downstairs.

The first thing you need to know is that you’ll need to be able to find the best way to get the job done.

She’s probably thought about it a lot this month, and she looks like she’s in good spirits.

Jasmine Tong hurriedly instructed the kitchen to make the food lighter.

Albert Ou had been gone for a month, and with the group piling on top of each other, he went into a frenzy of busyness.

Jasmine Tong has also taken a long break and is getting into work, although he has Albert Ou Noe, who only makes one film per year, but with all the various promotional activities, endorsements and announcements and whatnot, he’s usually a little busy.

This weekend Jasmine Tong slept in bed for an extra hour, and when she got up, Albert Ou had already gone to the office.

She packed up and went to the dining room to prepare breakfast, and ran into Meng Rujiao just in time.

“Manny-san, you just got up too.”

“Yeah, what a coincidence that you get up so late every day,” Jasmine Tong joked.

Meng Rujiao scratched her head in embarrassment, “I don’t have anything to do when I get up anyway, so I simply can’t afford to stay in bed.”

“Let’s have breakfast together.”

“Good” Meng Rujiao sat across from Jasmine Tong and the maid brought breakfast to the table.

Today’s breakfast is soy fritters.

“It’s so dear to me now where I read about this abroad.”

Jasmine Tong lamented greatly.

“I’ve never been abroad, do foreigners have fun? don’t foreigners eat soy milk and fritters” said Meng Rujiao as she picked up a fritter and was just about to put it in her mouth when she suddenly became nauseous and hurriedly put it down.

“What is it, Miss Mon,”

Meng Rujiao was just about to speak when she felt sick again and hurriedly ran to the bathroom.

Jasmine Tong also hurriedly put down the food she was holding, went to the bathroom, and knocked on the door.

“Miss Mon, are you all right?”

There was the sound of vomiting from inside, and after a while, Meng Rujiao came out of the bathroom with an apologetic face.

“I’m so sorry, but my stomach has been upset for the past two days.”

Jasmine Tong suddenly felt that something wasn’t right, but Meng Rujiao was only a 20-year-old girl, so she couldn’t ask directly.

The two men returned to the table.

“Miss Meng, have you been unable to eat anything greasy lately, how about I ask the kitchen to cook you some lighter ravioli instead”

“Yes, yes.”

“I’ll cook it for you myself.”

Jasmine Tong cooked a bowl of small wontons for Meng Rujiao herself, and took some oranges from the kitchen and put them on the table.

“It’s not a bad orange, try it.”

Meng Rujiao directly took one peeled and stuffed it into her mouth, cool and sour, not to mention how comfortable it was.

“It’s so good,”

“You can have more if it’s delicious, this orange is a bit sour for my liking.”

“Sour? I think it’s refreshing ah” Meng Rujiao ate that soundly.

“Miss Meng, this always vomiting of yours lasted for a few days if your body is uncomfortable, don’t drag it out, don’t feel young and feel free to squander your body’s capital.” Jasmine Tong said as she ate.

“It’s been a few days, probably a change of season as well, and with an upset appetite and a greasy diet, it shouldn’t be a problem.”

Meng Rujiao looked at Jasmine Tong as she peeled the orange.

“It’s not very serious if you look at it this way, do you have any other symptoms besides morning nausea” Jasmine Tong asked pretending to be careless.

“Well” thought Meng Rujiao as she ate her orange, “always sleepy and wanting to sleep, waking up late in the morning and having to take a nap at noon, always feeling listless and not very energetic.”

“Then Miss Mon, when did you last get your period?”

Meng Rujiao’s eyes dribbled around.

“I don’t remember, I never do, my cycle is wrong and I always clean it up when I come, I remember, I didn’t come the whole time you were on your honeymoon, no, no, it’s like I haven’t been here since I got here.”

It’s been over a month.

Meng Rujiao this girl is grown up in the man pile, about this aspect, the cold lord natural unable to teach her, afraid that she even menstrual irregularities do not know how it is, moreover, do not know to remember their own period.

“Miss Meng, I’ll take you to the hospital today for a checkup, don’t worry, it’s our own hospital, you’ll be fine.”

Meng Rujiao stared at Jasmine Tong, “Sister Jasmine Tong, it shouldn’t be serious,”

“No, it’s a relief to check, you’re a guest in our house and if you’re not feeling well I need to take you for a check up though. It’s responsible for my brother, too.”

“Oh, that’s right, okay then,”

In the afternoon, Jasmine Tong brought Meng Rujiao to Z.Y Hospital and asked Zhong Yu Ling to do a checkup for her.

As Meng Rujiao looked around outside, Jasmine Tong followed Zhong Yu Ling to the office.

“How’s Dr. Chung?”

“Madam, who is this girl to you?”

Jasmine Tong hastily grinned, “It’s a very good friend of mine, but you can tell me anything, Doctor Zhong.”

“This girl just turned 20, she’s pregnant, and it’s been almost two months.”

As expected, Jasmine Tong guessed it.

Jasmine Tong told Zhong Yu Ling exactly what had happened, and instructed her not to tell anyone.

“Drinking alcohol and taking pills this is simply ridiculous, in this case should be contraception” Zhong Yu Ling was also shocked.

“Yes, Dr. Chung, if that’s the case, can this baby be born?”

Jasmine Tong then realized that Albert Ou’s plan that day was a big mistake!

Chapter 620

Zhong Yu Ling sighed, “It’s really hard to say, they all have a certain teratogenic rate, and when it comes to this kind of situation, we usually let the pregnant woman make her own choice.”

Jasmine Tong’s brain is hurting now, twenty-year-old Meng Rujiao is still a child in her eyes.

“There are some pregnant women who give birth to children with no problems at all, but there are some who have problems, it’s hard to say, and as of now, the child is very healthy in all indicators. But just because you can’t see anything now, it doesn’t mean that there will be no problems later, even if the baby is born without problems at every birth.”

Zhong Yu Ling told Jasmine Tong all about the situation.

“Ma’am, the boy is too young to be just your friend, but you’d better tell his family.”

“Okay, I will, you get busy, I’m going home.”

As soon as Jasmine Tong came out Meng Rujiao rushed to welcome her.

“Manny-san, am I physically okay?”

Jasmine Tong could only smile towards her, “It’s no big deal, let’s go home and talk.”

“That’s good.” Meng Rujiao was relieved, as long as she wasn’t sick anyway.

Back at home, Jasmine Tong went to Meng Rujiao’s room, but she didn’t know where to begin.

She had planned to talk to Meng Rujiao after discussing it with Albert Ou, but she also felt that Meng Rujiao should be the first to know about her pregnancy.

“Manny-san, what’s wrong with you looking preoccupied.”

Jasmine Tong looked up at Meng Rujiao’s tender face.

“Miss Mon,”

“Geez, Miss Manny, don’t keep calling me Miss Meng Meng, they all call me Pepper, you can call me Pepper too.”

“Pepper’s a good name.”

“Hey, isn’t it nice that the boss picked it up for me.”

“Pepper, you’re pregnant.” Jasmine Tong said it anyway.

“What did you say” Meng Rujiao didn’t hear at first.

“I said you’re pregnant.”

“What I’m pregnant” Meng Rujiao couldn’t believe it with wide eyes.

“Here’s your lab report.” Jasmine Tong took the lab report from her bag to Meng Rujiao, “Seven weeks pregnant, the reason you’re nauseous and want to sleep is all because you’re pregnant.”

When Meng Rujiao looked at the lab report, she couldn’t understand it either, so she touched her stomach and looked at Jasmine Tong, “I have a baby in my belly right now.”

“Yes, you have a baby in your belly.”

“It’s the boss’s baby, me and the boss’s baby.”

“Exactly.”

Meng Rujiao stared down at her stomach, as if she could see a little life inside.

“This is amazing, I’m having a baby in my belly.”

“Pepper, when a man and a woman copulate, there’s a certain chance of getting pregnant, it’s the natural order of things, no one told you that, right?”

“Who’s telling me this? It’s funny, since we’re having a baby this way but will my belly get bigger from now on?”

“It will, it’s a critical stage in the baby’s development, you can’t run and jump anymore, you’ll be able to feel the baby kicking your belly when you’re almost four months pregnant and you’ll be able to meet her in October.”

“It’s going to take so long ah wouldn’t it be a whole year of carrying him around and staying honest” Meng Rujiao pouted a little unhappily.

“Of course you do, you’re a pregnant woman now, so pay extra attention to your body and tell me if you feel any discomfort.”

“All right then.”

“And there’s the most crucial thing Jasmine Tong hasn’t said yet.

“What else is right, is the baby in my belly a boy or a girl”

“It doesn’t look like it yet.”

“Sister Manny, just say what you have to say” Meng Rujiao was staring at her stomach.

“Pepper, you slept with my brother once, my brother drank wine tonight, and my husband drugged my brother, do you remember all that?”

Meng Rujiao nodded excitedly, “I remember ah I certainly remember, if it wasn’t for Mr. Ou, I wouldn’t have been able to get into bed with my boss, my boss and I did it a whole three times that night.”

Jasmine Tong laughed awkwardly, this kid was really tongue-tied, even with someone else about such things.

Jasmine Tong grabbed Meng Rujiao’s wrist, “Let me finish my words carefully first, okay?”

“You tell me,”

“In principle two people who want to conceive a baby need to do a lot of preparation, like that conditioning of the body, the man has to stop smoking and drinking and the woman has to condition her body to the best of her ability.”

Meng Rujiao listened attentively, as if this didn’t have much to do with her.

“With all the drinking and the drugs that night, a baby conceived under those circumstances could be unhealthy.”

Jasmine Tong knew this seemed very cruel, but she had to tell Meng Rujiao the truth.

“So it’s okay that my baby is an unhealthy baby, but it’s okay that I’m raising him right and keeping him fat and white.”

“That’s not true, right now the baby in your belly hasn’t developed into a human being, he could be deformed.”

Although Meng Rujiao had never read any books, she still knew what the word “deformed” meant.

“Is that what you mean about the baby in my belly missing arms and legs?”

“Not really, just that it’s a possibility, and the doctor said to give you the authority to decide whether you want the baby or not.”

Jasmine Tong finally made it clear Meng Rujiao was in a bit of a trance she carefully pondered.

“If I don’t want this baby, where will she go?”

“The doctor will operate on you to get it out.”

“But I thought you said he hadn’t developed into a human being yet, and if you take it out now, wouldn’t he”

It’s dead.

Jasmine Tong solemnly nodded her head towards Meng Rujiao.

“That won’t do but what’s the difference between me and a murderer but when my dad sold me at least made sure I was alive and she knew someone else could still feed me but I just killed my baby I’m crueller and worse than my dad.”

Meng Rujiao was at a loss for words.

“No, Pepper, listen to me, if there’s something really wrong with this baby, then you had him, and he’s suffered for the rest of his life, have you thought about that?”

Meng Rujiao hung her head and said nothing.

“Pepper, think about it, there’s no rush to make a decision yet.”

Jasmine Tong patted Meng Rujiao’s hand and stood up, walking out, on her way out she noticed that Meng Rujiao had been staring at her stomach.

What mother would want to kill her own child?

Even though Meng Rujiao was still a child herself.

Jasmine Tong went back to the nursery and looked at her two sons.
