

Her Bossy Yet Naive CEO Chapter 621 - 635

Chapter 621

Albert Ou came back Jasmine Tong told Albert Ou about it the first time.

“She’s pregnant.”

Apparently Albert Ou hadn’t expected such a link in his plan either.

“Yeah, all thanks to you this kid is drinking and drugging, it’s not even sure if the kid will be normal.”

Jasmine Tong couldn’t help but go and complain about Albert Ou, after all, this whole thing was because of him.

Albert Ou kept stroking his chin wondering what he was planning.

“Honey, I think the most important thing for you to do right now is to hurry up and get Brother back, this child is both of theirs after all, Pepper is still a child, she can’t make up her mind.”

Albert Ou, however, acted as if he hadn’t heard Jasmine Tong’s words.

“Honey, what are you thinking?”

“Ah, nothing to think about, what did you just say”

“I say you need to get Brother back quickly, and this child is Brother’s too, so let them both make up their minds whether to stay or not.” Jasmine Tong had to repeat it again.

“Okay, I’ll get him right back.”

The evening passed, as Jasmine Tong became nervous at the sudden addition of a pregnant woman to the family.

Jasmine Tong also specifically instructed the kitchen to cook some nutritious meals and take extra care of Meng Rujiao.

The two men ran into each other at breakfast.

“Pepper, just talk to the kitchen directly about what you want to eat and don’t want to eat, your tastes change a lot in early pregnancy, and you don’t need to be embarrassed.”

Meng Rujiao’s dark circles were heavy, and it was obvious that she hadn’t slept well last night.

“Manny-san, I’ve made up my mind, I’m going to keep this child, even if he’s physically defective, that’s his fate, I should let nature take its course, I shouldn’t decide whether she lives or dies.”

Meng Rujiao said with a kind smile on her face as she kept touching her stomach.

These words made Jasmine Tong somewhat moved.

“When my dad sold me when I was a kid, I remember it vividly, and he told me girl, this is your life. Then I met the boss and let him take me on, and I felt like this was destiny.”

Meng Rujiao stared down at her stomach, “If he’s destined to die, then I can’t have him, and if he lets me have him, then it’s his fate, and I have to accept it.”

Jasmine Tong couldn’t even find a rebuttal, Meng Rujiao was still a child, but she was reasonable, and she was a person who accepted death.

Now we can only hope that Albert Ou Noma will find the Cold Lords and ask the two of them to come together to discuss it.

A child can’t be born without a father.

“Pepper, this baby is both yours and my brother’s, I think you should talk to him about it, I’ve asked my husband to go get him back for you.”

Meng Rujiao, however, smiled cloudily, “There’s nothing wrong with the child being both of us, but if he doesn’t want the child, then I’ll raise the child alone, it doesn’t matter.”

In other words, the Leng Lords return or not, this child Meng Rujiao are to stay.

Jasmine Tong didn't want to discourage Meng Rujiao, it's not easy to raise a child, Meng Rujiao doesn't even have a proper job now, how can she raise a child?

A series of three days passed, the cold owl side still no news.

Instead, Albert Ou sent a large amount of tonic to Meng Rujiao.

Jasmine Tong did feel comforted, knowing in the end that Meng Rujiao's belly was her little nephew, so Albert Ou was extraordinarily attentive.

But this always need to let the cold owl know it, the cold owl side has been no news.

"Honey, is there still no word from my brother?"

As soon as Albert Ou returned Jasmine Tong couldn't help but rush him.

"I'll tell you when I have news, why are you more anxious than others."

"I'm not in a hurry, this belly says it's getting big, and this can't be delayed, so you can send some extra men to find him."

"Okay, okay, I get it, worry less about the others and go back to bed and wait for me." Albert Ou winked at Jasmine Tong.

Jasmine Tong returned to the bed, and after a while Albert Ou returned.

"My little darling has been waiting a long time" Albert Ou turned off the light and got under the covers and started doing something shameless.

The next morning Albert Ou got into the car.

"Ou, shall we go straight to the office?" the driver asked.

"Let's go to Z.Y Hospital first."

"Okay."

The driver immediately started the engine and drove Albert Ou to Z.Y Hospital.

Albert Ou went straight to Zhong Yu Ling's office.

“You did the examination of Meng Rujiao, didn’t you?”

Albert Ou guessed that Jasmine Tong trusted Zhong Yu Ling a lot, so Meng Rujiao’s examination should be left to Zhong Yu Ling.

Zhong Yu Ling nodded, “Yes, Mr. Ou, what’s the problem?”

“Nothing wrong, just wanted to ask you if the baby in her belly is a boy or a girl.”

Zhong Yu Ling was stunned, it didn’t seem to have anything to do with Albert Ou, right?

“Why do you ask, Mr. Ou?”

“You just have to answer my question.”

“That girl is less than two months pregnant and there’s no way to tell the sex of the fetus yet.” Zhong Yu Ling had to answer truthfully.

“So when will we know the sex of the fetus?”

“Two more months.”

“Here’s the thing” it seems he’s still a little anxious, “you need to take care of her this baby can’t miss a beat.”

It was as if Albert Ou had given an order, Zhong Yu Ling remembered that even when Jasmine Tong was pregnant, Albert Ou didn’t seem to have ordered him like this, could it be that this child

“What he should eat now and what is good for the fetus in his belly, you arrange all of that.”

“It’s our job to ensure the safety of the pregnant woman and the fetus, except O, didn’t the missus tell you that the baby is likely to have health problems?”

“Doesn’t he have any health problems right now? There’s more to say and don’t tell my wife that I’ve been here.”

Although Zhong Yu Ling felt strange, Albert Ou was the owner of this hospital, so she couldn’t say anything.

“Yes, Ou.”

“I know you’re close to her, but I’m telling you, you need to remember who’s your boss, and if I want to heal you there are a hundred ways to do it.” Albert Ou threatened.

“Don’t worry, Ou, I won’t tell anyone.” Zhong Yu Ling could only compromise.

Albert Ou left the hospital, Jasmine Tong had always wanted a daughter, hadn’t she if Meng Rujiao was pregnant with a daughter this pregnancy, so that he could just bring this daughter around.

And Meng Rujiao’s child has the blood of the Leng Lords, which is also the flesh and blood of the Ou family.

In fact, he didn’t even look for the Leng Lords, and if the Leng Lords come back and he’s with Meng Rujiao, he won’t be able to snatch this child.

This child he was bound to snatch.

Chapter 622

Another three days passed, and there was still no news from the Cold Lords.

Jasmine Tong this can be sad, if this child can not keep, then definitely have to make a decision before three months, seeing as Meng Rujiao’s tires are already two months full.

Why is Albert Ou so inefficient these days?

“Madam, here are the flowers that came today, look how beautiful they are, it’s the first time I’ve seen green roses”

The maid placed the flower arrangements on the table.

“It’s pretty.”

green rose

Right, she remembered, a long, long time ago, the Leng Lords once gave her a brocade bag, if she wanted to find him, she should open it.

At that time, the cold owl kept saying that Albert Ou was a vampire, Jasmine Tong didn't believe it at all, so she didn't take the brocade bag thing seriously.

Maybe this bag of tricks can really find him.

Jasmine Tong began to rummage through her cupboard for something, it had been so long that she couldn't really remember where she had put it.

Li Hua carried San San over, "Madam, what are you looking for ah is something lost?"

Pear was shocked to see the mess in the bedroom.

Seeing Pear Blossom, Jasmine Tong immediately climbed up from the ground.

"You'll be here in a minute too, I'll ask you if you've seen a tapestry."

"What's a brocade bag" Pearblossom tilted her head to look at Jasmine Tong.

"It's just that" Jasmine Tong's mind didn't even have it, she only remembered that the Leng Lords had given it to her, but exactly what it was like, she herself didn't even care.

"Gee, I can't explain it, it's been too long."

"See if you remember when this came out."

"In sure it was before I got pregnant."

She remembered that he was supposed to be getting pregnant with Albert Ou during that time, and the cold owl kept saying that Albert Ou was a vampire.

It was also later when she found out that Albert Ou was really a vampire that she gave up preparing for pregnancy.

Pearblossom burst out laughing, "Before the pregnancy we didn't all live over there? haven't moved here yet, Mrs. You forgot that it was only after giving birth to the young master that we moved over here."

Jasmine Tong smacked herself on the head, "Yeah, this brain of mine"

She must have left that bag when she lived there. It's useless for her to look for it here.

"Three years of foolishness in one pregnancy, ma'am, but that's exactly right."

"No, I've got to get over there and you can have the place cleaned up."

As soon as Jasmine Tong shrugged this off, she immediately left the house and got in her car to return to the villa she had previously stayed with Albert Ou.

She had been in hospital for three months before San San, and had moved straight to Crystal Gardens when she came back from the hospital after giving birth, and she wasn't well enough to care about the moving job, and she didn't think it was anything important either.

Only that she and Albert Ou were here to receive the wedding some time ago, making a mess and not knowing if things were still there.

The house still smells festive when you walk in the door.

There were still uneaten dried and moldy fruits on the table, and no one had cleaned up after the festivities here.

Jasmine Tong ignored the direct upstairs, and the bedroom was even more of a mess.

It was a bit of rummaging and she finally found the brocade bag in the crack of the bed.

She quickly opened this pouch and there was a note inside.

This has a phone number recorded on it.

This must be the phone number of the Cold Lords, whenever the Cold Lords go out to call his previous phone number, it will always be off or down.

But how can a person not need a phone?

Turns out he had a spare cell phone number.

Jasmine Tong quickly dialed the cell phone number and the call did go through.

“Toot toot,”

I tried several times, but no one answered.

The first thing you need to do is to take a look at this.

The Cold Lords still didn't answer the phone.

Jasmine Tong had to save her phone number as a wrong number and send a text message.

“Brother, get the news back quickly, Pepper is pregnant.”

If you're not, then consider this message as a spam message.

Jasmine Tong dialed several more times, but her phone was later switched off and she returned home helplessly.

Albert Ou had returned and was guarding Sanzo and Seven in the nursery.

“What have you been doing” Albert Ou asked curiously, Jasmine Tong was usually at home when he came home.

“Nothing, went to our previous home to look around.”

“Is it too much for the two kids at home if you want, we'll go back there for a few days.”

He couldn't be happier for a few days for two.

“It's the two kids at home you're too annoyed with,” Tong walked over to the kids.

Albert Ou grunted no words.

“Why is he still missing?”

“I've already sent people out to look for it, so blame me if I can't find it.”

“Where do you think he's going? You can't even find him. He's really good at hiding.”

As soon as the words were out of their mouths, they heard a loud clatter, and then the giggling of children.

The two men looked together towards the source of the sound, a pile of shattered glass under San San's feet

The kid dropped the cup on the table.

Jasmine Tong rushed over and picked up San San and carried her back to the bed, where the maid came to clean up.

Jasmine Tong rushed to check if San San was hurt.

"Look at how he's laughing, how could he be hurt" Albert Ou couldn't help but spit on the sidelines.

"San San why are you so naughty, the table is so high you can kind of walk, you can run around and drop things everywhere can't you"

Jasmine Tong said as she poked San San's small chest, and San San laughed even more.

"You should get a spanking for laughing at me."

"Come come let me fight, you be careful of your hand pain" Albert Ou leaned over and pulled San San, just about to raise his hand, Jasmine Tong hastily held San San in his arms.

"What are you doing? You're really hitting me."

"You're the one who said he deserved a beating how many times have I told you to beat him up, have you ever once laid a hand on him?"

Albert Ou was so unhappy, every time he said he was angry with him he lost his temper, every time he said he was ignoring people he ignored them, but when it came to San San here, he never beat him up once.

"I was just saying that."

"He's been so mischievous, and you're still talking about it."

"I'm just joking, he's only a little over a week old and he doesn't know any better."

Jasmine Tong looked at her son sadly, “San San, can you stop being so naughty?”

Then Jasmine Tong raised her head to look at Albert Ou, “Hubby, let’s have a baby daughter, they say that daughters are sweet, I guarantee you’ll like it.”

Chapter 623

Jasmine Tong looked at Albert Ou pitifully, and what a pair of longing eyes it was.

“What do you want? Two boys and a daughter? I can’t afford it. I’d like to live two more years.”

Jasmine Tong threw up her tongue, she hadn’t even made Albert Ou promise her to have her daughter at the wedding, so it was useless to say anything now.

The two men weren’t discussing the subject.

Albert Ou knows in his heart that Jasmine Tong wants a daughter, can he push it for a while, but still be able to push it for a lifetime?

He had to take the baby right away but hopefully what Meng Rujiao was carrying was a daughter.

According to the checkup time provided by Zhong Yu Ling, Jasmine Tong took Meng Rujiao to the hospital for another checkup.

After the test results came back, Jasmine Tong and Meng Rujiao went to Zhong Yu Ling’s office together.

“Ma’am, Miss Monmouth, the test indicators are normal.”

This is what every doctor wants to see, and what every pregnant woman and her family wants to see.

“Look Mandy, I’ll tell you what, my baby’s going to be fine.”

Meng Rujiao comfortably stroked her not-yet-rising belly.

“But I still say that just because there’s no problem now doesn’t necessarily mean there won’t be a problem later, and it doesn’t mean there won’t be a problem after birth.”

Although Zhong Yu Ling’s words were cruel, it was as if Meng Rujiao hadn’t heard them, but it was Jasmine Tong who was worried.

“Thank you, Dr. Chung, we’ll be back then.”

Jasmine Tong took Meng Rujiao back to the Crystal Garden.

“Manny-san, do you think the baby in my belly is a boy or a girl?”

As soon as the conversation was over, the two men walked through the door together, and there was the man standing in the living room.

“Boss,”

“Brother,”

The two men shouted out together.

After that there will be no sound cold owl stood up and stared at the two women who came in.

Jasmine Tong felt that she was a bit redundant, so she hurriedly said, “You guys talk first, I’ll go upstairs to check on San San and Xiao Qi.”

She said and hurried upstairs.

Leaving these two in the living room was even more awkward.

The Leng 梟’s gaze is fixed on Meng Rujiao’s stomach, received Jasmine Tong’s text message, he was stunned for a long, long time, can not believe that this is true.

I can’t believe I got it in one go.

“Boss, you’re back, sit down.”

The maid brought them two cups of water, and Meng Rujiao picked the cups up and returned them to the maid.

“Please add two slices of lemon for me.”

“All right, Miss Mon.” The maid took the cup back again, added two slices of lemon, and brought it back again.

Lately my mouth has been feeling a little bitter and I’ve been craving something sour.

The Leng Lords remembered that Meng Rujiao used to not eat acid, she preferred sweets.

Jasmine Tong instructed the maids not to disturb them, and they retreated far away.

The two men sat on the couch in silence.

Meng Rujiao pulled out the freshly made ultrasound list from her bag, “Look, this is the baby in my belly, she’s still a little bitty, Sister Manny said she’s not fully developed yet or a little monster.”

The Cold Lords took the ultrasound list over to look at their child.

Regardless, this child has come into the world, so perhaps this is God’s will.

It was the heavens forcing him to be with Meng Rujiao, so he should just follow the will of the heavens.

“I’ll take charge and get well, I won’t be leaving again.” The Cold Lords finally got the words out.

Meng Rujiao was in a trance, always feeling like a dream, but had the feeling of floating in mid-air, unable to fly to the sky or land.

Leng Lords came over and stroked Meng Rujiao’s hair, “Out for half a day, go upstairs and take a rest.”

“Well.” Meng Rujiao nodded stupidly, and the Leng Lords led her hand upstairs.

“You get some rest.” The cold lord walked to the door, and Meng Rujiao sat on the bed.

“Boss,”

The Cold Lords stopped and turned around, "What's wrong?"

"Are you sure you're not going to leave again?"

"Really, when have I ever lied to you?"

The two people smiled at each other, and the Cold Lords walked out.

Meng Rujiao lay sweetly on the bed, yes, when had their boss ever lied to her?

From the first day she met him, everything he said would count, everything he promised to do would be done.

If he says he's not leaving, he's not leaving.

The Leng Lords closed the door to the nursery, just as Jasmine Tong was ready to come out.

"Where's my nephew?"

"All asleep."

"Well then, a gift for them to bring."

Jasmine Tong smiled, "Brother, I was just looking for you."

The two of them went into the small parlor together, and at first Tong didn't know how to speak.

"Manny, thanks to you taking care of Pepper this time, I'll be accompanying her in the future for birth control and such."

Jasmine Tong was overjoyed, "Brother, so you are accepting Pepper."

The cold lord nodded without speaking.

The first thing you need to know is that you can't be too sure about the quality of the food you are eating.

"What's wrong with you seems like you have something to say to me straight up."

“Bro, here’s the thing, I don’t think you’ve ever been in a relationship and you have no experience in procreation forget it let me get this straight, the time you and Pepper drank a lot and you haven’t been drugged, so so this baby”

Leng Lords has probably understood Jasmine Tong’s meaning.

“What did the doctor say?”

“Now the child’s tests used to be healthy, but the doctor said that the child may not be born healthy, even if all the birth tests show that the child is fine.”

Jasmine Tong relayed Zhong Yu Ling’s words to the Cold Lords.

“Normally, men and women are required to abstain from smoking and drinking for six months if they want to conceive the next generation, plus the drugs administered are very strong, as I’m sure you know.”

“In other words, the child is not to be kept, is that what you mean, Mandy?”

“Not really, after all, a deformed fetus is only a matter of probability.”

Jasmine Tong hurriedly explained, but she could also hear from Zhong Yu Ling’s words that the doctor actually didn’t really recommend such a child to be born.

Even a child conceived under normal circumstances may not be healthy, let alone one that is

“Pepper is still so young, there are things she doesn’t understand, I told her that she was insisting on having the baby, she said it was the baby’s life, that’s why I’m so anxious to get you back, this baby is both of yours her staying or going should be up to you.”

“”

“The doctor said if you’re sure you don’t want the baby, you must try to have the operation before three months, and the pregnant woman suffers too much after the month is over.”

“I know.”The Cold Lords stood up and walked out of the small parlor.

Jasmine Tong’s heart was filled with mixed emotions, pregnancy was such a joyful thing, but it was such a burden for them.

Her Bossy Yet Naive CEO Chapter 624 - 626

Chapter 624

The Leng Lords sat on the roof, watching the azure sky drift through the white clouds, he thought for a long, long time.

After Jasmine Tong told him what happened, he immediately went to the hospital to find Zhong Yu Ling.

He asked Zhong Yu Ling very bluntly, if this child was yours, would you stay?

Zhong Yu Ling also said quite frankly that it wouldn't.

There's no need to ask anything, the Cold Lords already roughly understand.

Zhong Yu Ling had explained to him a lot that the two of them were still young and there was no need to take the risk.

As soon as Albert Ou returned, he saw the cold owl on the roof.

"Not when you should be back, but when you shouldn't be."

He wished the Leng Lords hadn't come back

The dinner time is four people together, don't know if it is because of the cold owl's return to make Meng Rujiao very happy, these days have been no appetite, she actually ate two bowls of rice.

The expression on Albert Ou's face at the table was grim, and Jasmine Tong couldn't lift much spirit.

After dinner, "Pepper, come to my room."

"Yes," replied Meng Rujiao excitedly.

The Cold Lords went upstairs, with a plate of oranges in their hands, and entered the room two people sat at the table.

Leng Lords didn't speak but peeled an orange and handed it to Meng Rujiao.

“I’ve tasted it, sour.”

Meng Rujiao happily received it, broke off a piece and put it in her mouth, “Mmm, delicious.”

Leng Lords laughed and took another orange and started peeling it.

Meng Rujiao ate happily, one petal after another.

“Pepper, I’d rather not have this baby.”

Meng Rujiao was just about to put a petal of orange in her mouth when she stopped at the words of the Leng Lords.

“Sister Manny, did she say something to you” was Meng Rujiao’s first reaction.

“I know everything, so I’d better get rid of the baby just to be safe.”

“I don’t want this to be my baby” Meng Rujiao threw the orange onto the table, “no one will ever take it away”

“The operation will be anesthetized, it won’t hurt, and I’ll be there for you.”Leng Lords knew that Meng Rujiao was most afraid of pain.

Meng Rujiao stood up and backed away slowly, “Boss, the doctor said the baby is healthy, he will be fine, I want to give birth to him.”

“The doctor also said that just because there is no problem now, doesn’t mean there will be no problem later, even if all the birth tests are fine, it doesn’t mean that there is no problem with the birth, there is no need to take the risk, if he does have a problem, none of us can afford to take the responsibility.”

The Cold Lords are still very sane.

Meng Rujiao desperately shook his head, since childhood, he is very much listened to the words of the cold owl, the cold owl said one is one, said two is two, let her go east, she does not dare to go west.

Even she never resisted the decision of the cold lord.

“Boss, I want to give birth to him, I really do.”

“Obedient” the Cold Lords were still sitting where they were peeling the oranges.

Meng Rujiao’s eyes were tearing down, and she wiped her face with her hands.

“Boss, let me ask you, did you say you’ll never leave again because I’m pregnant with your child?”

The first time she saw the Leng Lords in the living room today, Meng Rujiao was excited, and when the Leng Lords spoke these words to her, she also couldn’t help but be excited.

But back to the room, she is tossing and turning to sleep, she suddenly feels that the return of the cold owl is entirely because of the child in her belly, not because she likes her.

In the past, she felt that as long as she could be with the Leng Lords, anything would be fine, but now she feels that the most frightening thing is that the man is willing to be with you, but he doesn’t love you.

The cold lord was silent.

Meng Rujiao nodded as if she understood somewhat.

“Boss, I’ve never betrayed your orders since I was a kid, I’ll do whatever you tell me to do, but I’m not going to listen to you, just this once, okay”

The cold lord felt like his heart was being run over by something over and over again.

He took a deep breath, “Dr. Chung and I have already discussed the surgery date, it’s tomorrow.”

“Don’t,” Meng Rujiao yelled out towards the cold lord.

The Cold Lords stood up sharply, “No room for you to make your own decisions this is all up to me, I say do away with it”

Looking at the cold face of the Leng Lords, Meng Rujiao quickly turned around and opened the door and walked out.

The cold lord sat on the chair with a silent sigh.

In his eyes Meng Rujiao is still a child, how can a child have a child, this child is good to get rid of.

In the other bedroom, Jasmine Tong also told Albert Ou what had happened.

“What does he mean?”

“I think my brother meant to get rid of the baby, and he’s such a sensible person, he would have made the most sensible decision.”

“Sane as sh!t. He shouldn’t have come back. Why did he come back to get rid of the baby?”

Albert Ou was very angry as he circled back and forth in the room.

He acted in such a way that Jasmine Tong was very puzzled, he didn’t expect Albert Ou to be so angry, as it didn’t seem to have much to do with him.

“Just sit down and don’t be so impulsive, okay?”

“No, this child must not be removed.”

“Why not Dr. Chung said the baby could be in trouble, and after all that drinking that night and you drugged him like that it’s still your fault after all.”

If it were Jasmine Tong, Jasmine Tong wouldn’t want to take the baby away, but that’s the way things are.

“I that” there was no room for Albert Ou to argue, “Anyway, the boy can’t be beaten, isn’t there no problem now, wait until there is a problem”

“What if the baby is born only to find out there is something wrong with him? our family has money, we can help him recover, we can treat him, but the baby? his life is ruined. if it were me I would probably choose to abort the baby too.”

Albert Ou was very fuzzy in his heart, he had a plan that was so hard to come by, and it had been spoiled so quickly.

“Did you ever think that was a life?”

“Of course I’ve thought about it, but he shouldn’t have come into the world if he was a broken being, and it’s a sad day for the family that he came into the world.”

Albert Ou said but Jasmine Tong simply sat on the bed and sulked.

Jasmine Tong sat on Albert Ou’s side, “I know that what’s in Pepper’s belly is your little nephew, or maybe a little niece, your Ou family’s flesh and blood, but they’re still so young, sooner or later they’ll be there.”

“Easy for you to say” Albert Ou stood up and prepared to go out.

“What are you doing?”

“I’m not feeling well, so I’m going for a walk.”

Albert Ou very impatiently put that down and went out the door.

“It’s just as well that the bird’s nest I ordered the kitchen to make for Pepper is almost ready.”

Thinking so Jasmine Tong went to the kitchen, the bird’s nest was already stewed.

“I’ll send it over to her.” Jasmine Tong took the bird’s nest upstairs, just in time to persuade Meng Rujiao, little girl, don’t think too hard.

Chapter 625

Jasmine Tong stood at Meng Rujiao’s door with a bird’s nest.

“Pepper, open the door for me, the bird’s nest stew is ready for you.”

No sound responded in the room.

Jasmine Tong knocked on the door several more times, but no sound came out of the room.

“Then I can just go in” Jasmine Tong said and pushed the door straight open.

The room was empty, where was Meng Rujiao?

“Oh no” Jasmine Tong put down the bird’s nest and hurriedly ran out, questioning several servants who all said they hadn’t seen Meng Rujiao.

Jasmine Tong had to go to the Leng Lords, “Brother, it’s not good, Pepper is missing.”

“What? It’s gone.”

The Leng Lords were out the door, and the two of them started asking around for the servants to see if everyone had seen Meng Rujiao, and everyone said they hadn’t.

When she finally found her way to the guard at the gate, the guard said he saw Meng Rujiao take something out and asked her where she was going, but she didn’t say anything.

“This dead girl probably didn’t want to abort the baby, so she ran away.”

“Brother, it hasn’t been long, we should still be able to catch up now, I’ll send someone with you.”

Leng Lords nodded, Jasmine Tong immediately ordered people to chase out with Leng Lords.

It was at this moment that Albert Ou returned in a big swing.

“Where have you been?”

“I’m just skulking around.”

“You’re back just in time, Pepper is missing, brother has gone after her with someone, you quickly go after her together late at night, she’s a girl, and there are few people here, don’t let anything happen”

Jasmine Tong hurriedly urged.

Albert Ou, however, stared without moving.

“The first thing you need to do is to go after her, she’s a little girl with a big belly, in case there’s any mistake on the way, how can it be?”

“She won’t get far, so don’t worry and go back to sleep.”

Albert Ou waved his hand towards Jasmine Tong and went out.

Jasmine Tong can only hope that there are no cabs on the road and Meng Rujiao can only rely on foot, which shouldn't be too far.

Back in the bedroom, Jasmine Tong lay on the bed, because of the miss this matter has been unable to sleep, but somehow managed to sleep over.

She awoke the next morning with a start, the bedside was empty, and she hurriedly dressed and went downstairs.

Both Leng Lords and Albert Ou were sitting in the living room, noticing Meng Rujiao's figure, and both of them were listless.

"How about people catching up?" asked Jasmine Tong in a rush of concern.

The cold lord shook his head, his face stony.

"How can I catch up so easily, it's so dark, I can't see anything, this place is so big, I can't see anything if I just hide in a random place" Albert Ou argued hurriedly.

"Then hurry up and send someone to find ah, the longer it takes won't it be impossible to catch up? pepper is all alone and has no family and is still pregnant, how is she going to live out there"

The Cold Lords quickly stood up, "I'll go find her."

He said and hurried out the door.

Albert Ou yawned and walked over to Jasmine Tong, "I'm hungry, Jasmine, make me something to eat."

"Why aren't you in any hurry at all with all this going on at home?"

"Eat well, work well, besides, what kind of person is he to me? The two of them are not married, and they are not considered to be members of our Ou family, why should I help him to find them? Besides, he is the reason why we lost the people."

Albert Ou was on point.

“Okay, I can’t tell you, go cook you a bowl of noodles.” In the end, Jasmine Tong is also distressed about her husband.

But after finishing his noodles, Albert Ou wasn’t going to look for them, but went straight back to his bedroom to sleep.

Jasmine Tong thought to herself that Albert Ou was probably tired after searching all night.

“Jasmine, come, sleep back with me oops, you don’t have to worry about him, I’ll send someone to keep looking” Albert Ou forcefully pulled Jasmine Tong back to bed.

However, a day and a night have passed and the Leng Lords still haven’t found Meng Rujiao.

The more time passes the more places Meng Rujiao might go, and the harder it becomes to find.

Albert Ou also sent out people to search for Meng Rujiao along with the Cold Lords, but still found nothing.

This went on for a whole week.

Leng Lords sat on the sofa in the living room, carefully pondering where Meng Rujiao might go.

He had lost significant weight in the last few days, with deep, dark circles around his eyes and red blood in his eyeballs.

“Brother, you have some soup, to replenish your body.” Jasmine Tong brought over a bowl of soup.

“Don’t bother.”

“You haven’t eaten much these past few days, some soup is good, you shouldn’t be too anxious, it’s easy to get in the way of thinking, think about it, who might Pepper go after”

Jasmine Tong sat comfortingly.

Leng Lords took a few big gulps of the soup, and he didn’t want to worry Jasmine Tong.

“I’ve looked everywhere I need to look, there’s only a few of us and I’ve asked them all and they all say they haven’t seen her and they haven’t been in touch lately.”

“Think again, who else could she have gone to she a girl has to have a place to stay.”

The cold lord took a few more sips of soup then shook his head, “There’s really no one else, unless she’s not looking for anyone.”

“So where could she go?”

“I don’t know.”

Leng Lords really made a mistake this time, he used to leave one place and go to another, he always didn’t want people to disturb him, and this time he realized that this kind of behavior was really annoying.

“Brother, don’t worry too much, they say Pepper is still a child, but from the child thing, I don’t think she’s that childish, she won’t do anything drastic.”

“Let’s hope so.”

Three more days passed and still no word from anyone.

The Leng Lords were increasingly worried that something bad might happen to Meng Rujiao.

Jasmine Tong stood on the bedroom windowsill looking out over the distance.

She didn’t know what else she could do to help, but suddenly she noticed the maid heading towards the far corner of the crystal garden.

Crystal Gardens was so large that many houses were built, and servants’ quarters, in addition to the main such villas.

Who was living in that corner over there, Jasmine Tong hadn’t probed, but it was someone from home anyway.

Originally intended to take a lunch break, Jasmine Tong could not sleep and went downstairs, thinking of making some supplementary food for San San.

The maids in the kitchen are busy.

“Is it so early in the morning to start making dinner?” asked Jasmine Tong casually.

The maids looked a bit overwhelmed, everyone looked at me and I looked at you, and one of them replied, “Yes, ma’am.”

“You guys are too industrious to do it so early, it’ll be cold by then, so get some rest.”

“Ma’am, this is made for our maids, and we’ll make your food later.”

“What’s it doing, and it smells good.” Jasmine Tong went straight over and lifted the lid.

Chapter 626

Seeing the bird’s nest congee in the pot, Jasmine Tong was really shocked.

The passersby in Crystal Garden have always had good food, but this bird’s nest was too expensive.

“Ma’am, there’s really nothing to see here.” Said a maid hastily putting the lid on the pot.

Jasmine Tong didn’t say anything towards the maids and smiled slightly, “You guys are busy with yourselves.”

After that she walked out of the kitchen, except it was too weird.

Is the maids stealing food? It’s unlikely, the maids here are well-trained, even if they were stealing food they wouldn’t dare to brazenly go and stew in the pot.

No, there must be something wrong with it.

Albert Ou looked no different than usual, he still went to work during the day and came back very early in the evening.

This night he just came back, the cold lord directly questioned: “Where did you get the little pepper to give me an honest explanation”.

“What’s wrong with you, you lost your woman and you come to me for it” Albert Ou scowled.

Jasmine Tong came down from upstairs and heard the two men talking.

“Pepper a woman is still pregnant and there are no cars passing by here, he can only walk, it’s impossible to catch up with her in that short of time, there’s only one possibility, you’ve hidden her”

The Leng Lords have been looking for Meng Rujiao, but unfortunately have not been able to find her, thinking, there is only one possibility, that is, the owner of the house to help Meng Rujiao.

Only Albert Ou can help Meng Rujiao.

“You can’t find anyone so you blame it on me and you say you might as well go find someone if you have the time.”

“The one who ordered the maids to make bird’s nest congee is you, right that bird’s nest congee is made for little chili,” Jasmine Tong suddenly spoke.

The Leng Lords are now even more energetic, grabbing Ouzeno by the collar.

“Hand her over, do you realize you’re not helping her you’re hurting her.”

“I said Jasmine Tong, where are you from” Albert Ou looked at Jasmine Tong who barged in somehow, why does his wife always speak to others

“Honey, if it’s true that you’ve hidden Pepper, then hurry up and hand her over” Jasmine Tong was also drunk, how did this matter Albert Ou was so fond of dabbling in it He has never been one to meddle in affairs.

Just because Meng Rujiao is carrying the Ou’s flesh and blood in her belly?

“No means no,” Albert Ou still didn’t admit it.

“Give me the man.”

“Brother, don’t talk nonsense with him, this man definitely didn’t hide outside, he’s in this house, if you look carefully, you’ll find him.”

“Jasmine Tong” Albert Ou stared at Jasmine Tong with wide eyes, not expecting that the person who betrayed him in the end was his wife

Albert Ou strained to break away from the cold owl, “Okay, it’s true that I hid it.”

“Where are the people?”

“It’s in the little house out back, you guys go find it.” Albert Ou said it very reluctantly.

Leng Lords immediately went out the door, following the small house that Albert Ou said to look for Meng Rujiao.

Crystal Gardens is so big, it took 20 minutes to walk to this little house, but there’s no one there when you open the door!

“Albert Ou this bastard actually dared to lie to me “Leng Lords immediately snapped back, Albert Ou since he lied to her, it must be from somewhere else to prepare to take Meng Rujiao away.

Returning to the living room, the Leng Lords immediately bellowed, “Albert Ou, give me the man.”

“I told you, it’s right there, and you asked me to hand it over” Albert Ou looked innocent.

“Then you don’t have anyone at all, did you switch it to something else.”

“Not at all, just put her there, she might have heard the wind and ran away on her own” Albert Ou spread his hands to show how helpless he was.

“Where did she hear the rumors yet it’s not all about you Albert Ou I’m telling you, if anything happens to Pepper, I’ll be the first one not to let you off the hook.”

Leng Lords angrily pointed at Albert Ou and roared.

Albert Ou blinked a few times in shock, and since he had known the Leng Lords, it was the first time he had seen him lose his temper this much.

“Honey, this is really not a joke little pepper, now is the most critical time, in case she has any long and short, you quickly say where she went” Jasmine Tong advised bitterly.

“I really don’t know,”

“I saw you just messaged her, did you send her that.”

Albert Ou felt deep malice, “Hey Jasmine Tong, whose wife are you anyway.”

The Leng Lords quickly out the door he said is true, if Meng Rujiao has any long and short, he will be the first one to beat up Albert Ou.

But where could Meng Rujiao have gone after such a short delay?

The cold lord stood beneath the large tree, which was already hundreds of years old and very sturdy.

When the house was first built here, Ou also liked it so much that he deliberately kept the tree.

The Leng Lords stood under the tree and didn't hurry to chase out, if he chased after them, Meng Rujiao would probably be more anxious.

He had to calm down and think about it.

A few leaves drifted down from overhead and onto his shoulders.

The cold lord took the leaves off his shoulders, and he looked up sharply to see Meng Rujiao lying on the tree.

Meng Rujiao was ready to flee when she received Albert Ou's news, but she remembered that Albert Ou said that the most dangerous place was the safest place.

The incident was sudden, Albert Ou can't even care about the arrangements, she can only run on two legs, how can she outrun the cold owl?

In a hurry, I saw this tree and climbed right up.

The cold lord will definitely go out to her then, and she'll come back down to talk to Albert Ou later, or try to go somewhere else.

I didn't expect to be found out anyway.

“Give me down,” the Leng Lords roared towards Meng Rujiao in the tree.

“I'm not going down, I know you're arresting me back, I'm sure you're going to operate on me and remove the baby, I'm not going down” Meng Rujiao has never resisted the Cold Lords, and this time is also bold.

“I order you to get down here right now,” the cold lord said as he glared at the ground.

“I don’t want it,”

“I’m telling you, by the time I get up there and get you, it’ll be too late to beg for mercy.”

The Leng Lords were just about to go up the tree when Meng Rujiao shouted: “You dare to come up I dare to jump off you don’t just want to take my baby do I jump off, we both die together, a hundred and one, let you call it what you want.”

The cold lord stood under the tree and didn’t dare to go up.

Albert Ou and Jasmine Tong also came at the sound of the news.

“Pepper, I’m giving you one last chance to get down or not.”

“Not down,” said Meng Rujiao, cutting off the nail.

“Good job,” Albert Ou slapped his hand hurriedly, and Jasmineson glared at him.

Her Bossy Yet Naive CEO Chapter 627 - 629

Chapter 627

Albert Ou immediately shut his mouth, it was better not to mess with Jasmine Tong at this time, lest she wouldn’t sleep with him again at night.

“Brother, you’ll scare her like that, what if she falls down accidentally or you’d better coax her and coax her down.”

“sh!t” the Leng Lords cursed, seven years, from the first day he brought Meng Rujiao to his side, he had never coaxed her to

“Pepper, come down quickly, don’t forget that you still have a baby in your belly, it’s too dangerous for you” Jasmine Tong shouted towards Meng Rujiao in the tree.

“I don’t want to go down, I’d rather stay in the tree, as soon as I go down, you’ll take me to the abortion I don’t want” Meng Rujiao hugged the tree trunk tightly, as a child also used to go up the tree, the body skills are pretty good.

“I’m going to count to three, if you don’t come down.”

Jasmine Tong hurriedly pulled the Leng Lords, “Brother, don’t be like this.”

The cold lord hastily collected his temper and forgot in his haste.

The first thing you need to do is to take a look at Albert Ou, who has no intention of helping you, and the cold lord is yelling at you, so it looks like you can only rely on her.

“Pepper, calm down, we can talk about anything, don’t be impulsive okay you come down first and we’ll talk about it.”

“Manny-san, from the first day I met him, he’s been in charge of everything, he would never consult me, and no one can change the decisions he makes.”

Meng Rujiao still knew enough about the Leng Lords.

“Don’t worry, I’ll talk him into talking to you, okay? Come on down.”

“I can trust you, but I can’t trust him.”

The first thing you need to do is to take a look at the Leng Lords: “Brother, you have to take a stand.”

The Leng Lords face is even blacker than the bottom of the pot, let him to Meng Rujiao soft?

He just stared at her hard and said nothing.

Jasmine Tong stood to the side dry and anxious, “Brother, never mind how, let’s coax her down first, she’s up in the tree like this, it’s too dangerous”

Meng Rujiao overheard their conversation, “Sister Manny, you don’t need to persuade him anymore I have nothing to do with him whether I live or die.”

During the time he lived in the small house, Monroe had made it clear.

Why did the Cold Lords suddenly come back to be with him, not all because of the child in this stomach.

But she knows the cold owl doesn't love her, and he accepts only the child, not her.

"Boss, I know you don't love me, the only reason you came back is because I'm pregnant with your child, it's okay, just pretend he doesn't exist, I recently gave birth to him and raised him to adulthood, everything has nothing to do with you."

In the end Meng Rujiao's words were almost pleading.

"Didn't you tell me to get rid of the baby because without it we have no connection? now I'm telling you I don't want to be with you anymore, I just want this baby okay? just pretend he doesn't exist, pretend I didn't exist either."

Jasmine Tong looked at Meng Rujiao, she was also a woman and could understand the kind of feeling Meng Rujiao had when she didn't want to abort her child.

"Nonsense" snapped the ever-silent cold baron household, startling everyone.

"Who says I came back because of this child even without this child I have no intention of leaving you I asked you to abort this child because this child will be a problem you idiot."

The cold lord's shriek made Meng Rujiao completely dumbfounded.

Albert Ou and Jasmine Tong were also stunned.

"Boss, what did you just say you weren't with me because of the baby, you'd be with me without it" Meng Rujiao wiped the tears from her face.

"Yes. Even without this child, we can still have more later."

"Really? "Meng Rujiao suspected like she was dreaming.

"Really, when have I ever lied to you?"

Meng Rujiao bawled in the tree.

“Don’t cry, get down here and be careful.”

“I can’t move my legs” Meng Rujiao maintained a position in the tree, staying too long, her legs were numb.

“Then don’t move, I’ll come get you.”

The cold lord was up the tree in three strokes standing that high on his side, “Better?”

“Boss, are you sure you’re not going to lie to me?”

“No lie, go down.”

Leng Lords took Meng Rujiao’s hand and carefully moved her down.

Jasmine Tong immediately ordered a car to be prepared to take them to the hospital together.

Luckily everything checks out okay.

The Leng Lords then returned with Meng Rujiao, and the two of them stayed in the Leng Lords’ room together.

“Boss, am I dreaming I always feel like everything isn’t real, you really came back for me not because of the baby in my belly”

Meng Rujiao kept blinking her eyes and staring at the Leng Lords.

“How many more times do you want to ask?”

“No more questions no more questions.” Meng Rujiao smiled stupidly.

“You wanna hear the truth, Pepper?”

Meng nodded fiercely like a chicken pecking at rice.

“Then listen to everything I say from now on, and keep everything I say in mind.”

“I used to listen to you for everything.”

“I’m talking about later,” the Cold Lords slatted a face.

“I promise to listen to you in the future, everything hehehehe” Meng Rujiao still feels like she is dreaming now, as long as she can be with the Leng Lords, she is willing to do anything.

“Just now at the hospital, Dr. Chung and I discussed the need for the surgery to be done as soon as possible, and you’ll be three months soon.”

“Are you still planning to remove the baby?” Meng Rujiao looked at the Leng Lords in amazement.

“Boy, we can have that later.” Leng Lords stroked Meng Rujiao’s hair.

“But it’s a life, he’s our child, the doctor didn’t say he just might have a problem, but it doesn’t have to be a problem, so let’s give him a chance, okay?”

Meng Rujiao deflated her mouth Chu Chu.

“What did you just promise me?”

“Everything will be at your disposal from now on.”

“Then what are you talking about?”

“But boss, count me in, please, I really don’t want to get rid of the baby, I hated my dad when he sold me, and now that we’re killing our own baby with our own hands, he’s going to hate us too”

When Meng Rujiao took the cold owl, she placed it on her stomach, “He’s in my stomach, he’s growing up very hard, let’s not abandon him, ok”

For some reason, the moment Leng Lords’ hand touched Meng Rujiao’s stomach, he could feel the little life inside.

Although there hasn’t been any fetal movement in my two-month-old belly.

Leng Lords hesitated, every decision he had made since he was a child had been firm, but this one was the only one that made him struggle.

“Okay, but once the inspection reveals a problem, it must be done away with immediately.”

“Fine, I’ll listen to you, then I’m going to my room.”Meng Rujiao was simply too happy.

“Where are you going?”

Chapter 628

“Go back to my own room.”Meng Rujiao replied confusedly.

“What about me?”

“Ah,”

Meng Rujiao didn’t quite understand, much to the chagrin of the Leng Lords.

“Just sleep in this house.”The Leng Lords looked a little embarrassed, but were too hard-headed to show it.

“Sleeping here ah” Meng Rujiao was still a little unresponsive.

“It’s natural for a child’s mom and dad to live together.”The cold lord cleared his throat and went to the bathroom.

“The child’s mother and father want to live together” Meng Rujiao carefully taste the words of the cold owl, suddenly covered her mouth and laughed.

Yeah, she’s going to be the boss from now on, so of course she’s going to live together.

“Hehehe,” Meng Rujiao’s little face couldn’t help but blush a little.

They both cleaned up and went to bed ready to sleep.

Meng Rujiao this is the first time around someone to sleep together, the last time and the cold owl together, she is tired and painful, can not care about the side of someone to fall asleep.

It’s not like it’s the first time the Cold Lords have slept with someone, and the last time he drank so much alcohol, he long ago forgot.

The two men looked at the ceiling from a distance all with their eyes open.

Meng Rujiao tossed and turned and couldn't sleep, she looked at the Leng Lords, "Boss, are you asleep?"

"How do people sleep when you're always moving around like that?"

He's the one who clearly can't sleep because he's nervous, and instead he blames it on someone else.

Meng Rujiao moved her body and leaned against the side of the Leng Lords.

"I can't sleep."

Because I'm so sleepy already, but I just can't sleep, it's just a terrible feeling.

Meng Rujiao suddenly got up and looked at the Leng Lords and said, "How about we do that night"

The frightened cold owl really a mouthful of old blood almost sprayed out, this little girl how not to know the shame at all?

"What do you do to sleep?"

"I fell asleep last time, but I can't sleep this time."

"You're a pregnant woman now don't talk about such things, and dangerous actions like today again next time see if I don't beat you up."

Meng Rujiao had to lie back on the bed and spit out her tongue.

The Leng Lords pretend to sleep, Meng Rujiao still can't sleep, so sneakily get out of bed to return to their own room.

It's still more comfortable in your own room.

Leng Lords couldn't help but sigh, the two of them wanted to be together, and it looked like it would take some time for them to get along.

In the morning it was still four people having breakfast together, and on the surface it didn't seem like anything different, but no one was talking.

Jasmine Tong looked at the Leng Lords and then at Meng Rujiao.

“Brother, do you need me to move Pepper’s things to your room,” said Jasmine Tong, deliberately teasing.

“No need.” The cold lord spoke icily.

“Really don’t need it” Jasmine Tong yesterday clearly remember two people into the cold owl’s room did not come out, since they have been reconciled, that should live together ah.

“What are you always worrying about other people’s business to worry more about your husband, okay” Albert Ou immediately protested.

Because Albert Ou was behaving badly in the past few days, Jasmine Tong didn’t want to talk to him at all, and didn’t let him touch him at night, causing Albert Ou to be very dissatisfied.

Jasmine Tong put a piece of fish cake on Albert Ou’s plate, “I can’t even gag you for dinner.”

“You know I don’t like the food” Albert Ou quirked an eyebrow in disgust.

“adults can not be picky about food, you have to make an example to your son to ah” Jasmine Tong no good temper.

Albert Ou ate the fishcake in exasperation.

The Leng family and Meng Rujiao did get along a bit awkwardly, when someone was there, they were fine, when no one was there, it was awkwardly awkward when it was just the two of them.

Tong has been working less lately and spends most of her time at home with her two sons.

San San night hungry, Jasmine Tong ready to go to the kitchen to make him a bowl of egg custard, and ran into the cold owl in the kitchen.

The cold lord is standing in front of the stove, one hand on the phone, the other stirring in the pot.

The first thing you need to do is to take a look at the new product.

“Brother, what are you doing?”

The Leng Lords were also shocked and embarrassed to look at Jasmine Tong.

“No nothing.”

Jasmine Tong noticed that he had been looking at his phone, which seemed to have some kind of recipe or something on it.

“It’s for Pepper, isn’t it?”

Leng Lords laughed awkwardly, “She threw up today and didn’t eat much.”

“I had no idea my brother was so thoughtful.”

“You’re busy, don’t worry about me.”

Jasmine Tong steamed an egg custard in a pot, quickly, and served it up after steaming.

“Sansan, come here.”

San San immediately walked towards Jasmine Tong and jumped into her arms.

Albert Ou was also in the nursery, and these days he knew Jasmine Tong was mad at him, so he had been following after her with his arse in the air.

“You know I just saw my brother making soup for Pepper. I never thought my brother would be such a considerate person.”

Here Jasmine Tong can’t help but be a little saddened, said gloomily, “Pepper is so happy ah, the early stages of pregnancy do not want to eat, there are people to make soup to drink, but unlike me at that time, are going to vomit to death, certain people do not know.”

Albert Ou also knew there was something in Jasmine Tong’s words when he heard this.

“How do you regret that you didn’t marry him?”

Albert Ou was already dissatisfied with Jasmine Tong these days, and was even more uncomfortable hearing this.

“Yeah, just regret it.”

Albert Ou glared at him, “It’s not too late for you to regret it.”

“Yeah? That’s fine, I’ll talk to my brother tomorrow.”

“Jasmine Tong, you’re doing this on purpose, aren’t you?”

San-San ate happily there, watching her parents fight and eating even more happily.

Jasmine Tong slanted a glance at him without speaking.

After coaxing San San Jasmine Tong and Albert Ou back to the bedroom, neither of them cared about anyone because of the argument they had just had.

When he was lying on the bed and turned off the light, Albert Ou leaned in and pulled Jasmine Tong into his arms and prepared to kiss her.

Jasmine Tong directly covered his mouth with her hand.

“Sleep well.”

“What’s your situation didn’t let me touch it for days trying to torture me to death isn’t it” Albert Ou expressed great anger, he a man in the prime of his life is at the height of his physical needs.

“This is your punishment.”

“What did I do wrong again?”

“You said you did something wrong from the beginning you never did anything right about Brother and Pepper you shouldn’t have been in charge and you shouldn’t have drugged Brother you also shouldn’t have hidden Pepper you said which thing you did right”

Albert Ou didn’t retort just stared closely at Jasmine Tong.

“We’re old enough and parents, can we think carefully about what we say and do in the future and not be so childish.”

“I’m childish Jasmine Tong, how dare you call me childish?”

“Isn’t it?”

“I’m telling you, Jasmine Tong, everything I do is for you.”

Chapter 629

Albert Ou turned his back on Jasmine Tong after yelling this.

Jasmine Tong also ignored him, this man is always doing childish things based on some slogan for your sake.

Returning the next night, Albert Ou found the cold owl.

“Would you like me to plan your wedding?”

“Let’s talk about the wedding.” “What’s the point of talking about a wedding when people aren’t even sleeping together.

Ever since the relationship was established, the two of them always felt like something was missing in between.

“Are you sure that after four months, your belly will be so big that you won’t have time to get ready for the wedding when you want to.” Albert Ou acted as if he had been there.

“Let’s talk about it when the baby is born.” The Cold Lords still couldn’t lift their spirits.

“Don’t blame me for not warning you when the time comes.”

“Don’t worry about it.”

“I haven’t bothered to worry about you, but by the way you’re also weirdly unlucky, how many years have you not touched a woman, this finally can touch, and pregnant, haha, the taste is not good right”

The first thing you need to do is to take a look at the newest products.

“You’d better take care of the one in your family before you worry about the others.” Leng Lords slanted a glance at Albert Ou and left.

“Cut the laziness.”

The Leng Lords and Meng Rujiao still sleep separately, most of the time the Leng Lords are in Meng Rujiao's bedroom, until about to rest, before returning to their own room, the two people heart to heart, who did not propose to sleep together again.

In the evening, the cold lord still is to Meng Rujiao boiled soup, served to her room.

"Boss, tomorrow is the day of the delivery, do you think the baby is developing well ah" Meng Rujiao touched her belly worriedly.

She's throwing up a lot these days, doesn't eat much, and is often listless, so maybe some of that is affecting her mood.

Once it was discovered that the child wasn't developing properly, that child was going to leave them, so she was a little worried now.

"Don't be ridiculous, you're not saying it's all his life, it's his life if he's well developed and it's his life if he's not."

The cold lord put the soup on the table, "Drink it while it's hot."

Meng Rujiao sat down at the table to take a spoon and drink a mouthful, the cold owl boiled soup are in accordance with the partial prescription, the taste is good, but also not to nausea.

A bowl of soup quickly met the bottom.

"Wash up early." There wasn't much else to talk about between the two of them.

"Well, good night."

"Good night." The Leng Lords closed the door and went out, and in order to take care of Meng Rujiao, his room was switched to the next door.

That night Meng Rujiao couldn't sleep well, tossing and turning.

Finally fell asleep.

"I'm sorry, Miss Mon, but your baby is stunted and must be terminated immediately, I'll take it out now."

“Don’t don’t take my baby away.”

“After a scream, Meng Rujiao woke up and sat up, she was sweating in fear.

After taking several big breaths she got out of bed, pushed open the door of the cold owl and walked in.

“Boss, I’m scared.”

“What’s wrong “The Leng Lords hurriedly got up and turned on the lights, seeing Meng Rujiao standing in front of him with a sweaty head.

Meng Rujiao directly jumped into the Leng Lords’ arms.

“I had nightmares, the doctor told me the baby wasn’t developing well and that she was going to remove it, and she took it out of me, bloody and awful.”

Throwing into the arms of the cold owl Meng Rujiao’s body is still trembling.

“Well, what’s there to be afraid of when you know you’re dreaming,”

“Our child won’t really have a problem,” Meng Rujiao raised her head to look at the Leng Lords, her eyes all filled with tears.

Leng Lords flicked away Meng Rujiao’s hair, “This is a decision you yourself made in the first place, you should accept its outcome, but I’ll be there for you all the same.”

Meng Rujiao pressed her face against the cold lord’s chest, “I’m so scared.”

“I’m afraid it’s pointless, get some sleep, I’ll walk you to your checkup tomorrow, it’ll be fine.”

Under the Leng Lords’ reassurance, Meng Rujiao slowly calmed down, but she still didn’t dare to go back to her room to sleep.

“I want to sleep with you.”

“Good.”

Meng Rujiao lay down on the bed of the Cold Lords and snuggled into their bosom, finally feeling a little more solid.

The Leng Lords took Meng Rujiao into their arms and patted her gently like they did when she was a child.

Meng Rujiao quickly went to sleep, but such a warm and hot body in the arms of the cold lord made him a little overwhelmed.

“Little thing, you provoke me up in the middle of the night, and you’re sleeping on your own.”

Thinking about what Albert Ou said, the cold owl is even more difficult to sleep.

The next day Leng Liao accompanied Meng Rujiao to the hospital, Jasmine Tong wanted to follow, but thought to leave some free space for these two people, they did not go.

The full inspection of the Cold Lords has been accompanied by Meng Rujiao.

The two men sat in Zhong Yu Ling’s office with all the inspection reports.

“Everything is normal with the child and all indicators are very good.” Zhong Yu Ling smiled slightly towards them.

While he knew that the decision the two men had made wasn’t necessarily the right one, since they had made it, the doctor respected their decision.

Leng Lords and Meng Rujiao smiled at each other.

“Great I knew my baby would be fine he’s going to work his butt off to grow up. Doctor, is that a boy or a girl in my belly?”

Zhong Yu Ling smiled awkwardly, “I’m really sorry, now about the sex of the fetus, doctors need to keep it confidential.”

“It’s okay, just tell me, whether he’s a baby boy or a baby girl, I love it.” Meng Rujiao continued to beg.

“I’m so sorry, I really can’t talk about that.”

“Well, since he likes it whether he’s a man or a woman, let’s save the surprise for last.” Leng Lords stood up to help Meng Rujiao.

The two men said goodbye to the doctor and went home.

The two of them had just left the hospital on the front foot and Albert Ou arrived on the back foot.

“I asked if the baby in your belly was a boy or a girl.”

Faced with Albert Ou’s questioning, Zhong Yu Ling was a bit silly, could it be that the two of them had sent Albert Ou over to ask.

“Ou, you know this rule of ours, you really can’t say.”

“Don’t give me that crap, hurry up and tell me if it’s a man or a woman” Albert Ou looked very eager.

It seems rather more anxious than the parents of the child just now.

“Mr. Ou, aren’t you making it difficult for me? There are strict rules about the sex of the fetus.”

“So what if you tell me I’m not going to tell them you can just think of me as a medical officer at your hospital, the whole hospital is mine anyway.”

Under Albert Ou’s coercion, Zhong Yu Ling finally couldn’t handle it anymore.

“It’s a girl.”

Albert Ou was overjoyed, “Jasmine finally has a daughter.”

This confuses Zhong Yu Ling. Could this child be Albert Ou’s?

Her Bossy Yet Naive CEO Chapter 630 - 632

Chapter 630

Because the check all normal, the Leng Lords and Meng Rujiao both breathed a sigh of relief.

In the evening, Albert Ou came down from upstairs and found Meng Rujiao sitting alone on the living room sofa watching cartoons, he looked around and didn’t find the figure of the cold owl, so he went straight over.

“Pepper, let me talk to you about something.”

“Discuss what” replied Meng Rujiao with her eyes staring straight at the TV.

“Don’t look yet.” Albert Ou just picked up the remote and turned off the TV.

“Hey” Meng Rujiao was watching vigorously when suddenly the TV was switched off, feeling a little upset, “What’s the matter, tell me quickly, I’m still watching TV.”

Albert Ou aimed a glance at Meng Rujiao’s stomach.

“Do you know if the baby in your belly is a boy or a girl?”

“I don’t know, the doctor said it’s all confidential now about the sex of the fetus, I’ve asked, but the doctor won’t say.”

Albert Ou held out his finger and pointed to himself, “I know.”

“How did you know?”

“I’m the owner of the hospital, I asked her if she could not tell” Albert Ou can be divine.

“So do you think the baby in my belly is a boy or a girl?”

“I’ll tell you if you promise me one thing.” Albert Ou immediately smiled like a flower.

“Cut no sense, you can say it or not if you like, no sh!t, the boss and I have agreed that we’ll know the day of the birth anyway, whether he’s a boy or a girl, he’s our baby and we love it.”

Saying that Meng Rujiao was ready to go for the remote to turn the TV back on, Albert Ou hurriedly took the remote far away.

“What else are you up to?”

“It’s a girl.” Albert Ou saw that this first move was not going to work well, so he had to tell the gender of the baby.

“Oh, I know, give me the remote control” I heard Monroe didn’t seem to react.

Albert Ou simply took the remote even further, “It’s a girl ah, what good is a girl, the boss of the family has to be a boy, a boy can take care of a girl, this girl is the boss, go out all to let people bully.”

Meng Rujiao left her mouth unconcerned, “Who says the boss of the family has to be a boy ah, Little Sister Man is the boss of the family ah”

“That’s why she’s always getting bullied.”

“I feel good about it, it’s all God’s gift, it’s life escapes you.” Meng Rujiao was not at all impressed by Albert Ou.

“You’re still so young, you’ll have plenty of chances to have a child later, so why don’t you just give me the baby” Albert Ou finally said what he wanted.

Meng Rujiao hastily hugged her belly, “You want the baby in my belly.”

“No. Have you ever heard of an inheritance? Pass your daughter on to me, understand?”

Meng Rujiao’s eyes dribbled around then shook her head.

“If you want a daughter, have one yourself. Why take mine?”

Albert Ou cleared his throat looking around at no one and lowered his voice.

“I’ll tell you a secret, your Mandy has always wanted a daughter, but she’s physically incapable of having children now.”

“Why is Manny only how old she is this year, she’s still so young, how could she not be born”

“Jasmine had dropped a baby before, and after that baby, this baby was so hard to conceive, and when I had a checkup some time ago, the doctor said it would be hard for Jasmine to get pregnant again, but to take care of Jasmine’s emotions, the doctor only told me, not her.”

Meng Rujiao looked at Albert Ou with her mouth open, feeling a little strange.

“Jasmine really wanted a daughter so badly, she was so poor, day and night, but she couldn’t have any more children” Albert Ou wiped his eyes seemingly very sad.

“Sister Jasminen is so pitiful, that’s why you want to pass my daughter to you, so that Sister Jasminen will have a daughter isn’t it” Meng Rujiao finally understood Albert Ou’s intention.

“Yes that’s right don’t worry, we’ll never treat the boy badly.”

“But I can’t let go of my own baby, and it’s mine and the boss’s, so I’m going to talk to the boss about it.”Meng Rujiao said looking down at her stomach.

“He and I have already discussed it and of course he would agree, he’s just too embarrassed to tell you, but I’m not going to lie, he used to like Manny and now that Manny is in trouble, of course he’s going to help.”

For the Leng Lords like Jasmine Tong this matter, Meng Rujiao also knows.

So the Cold Lords will definitely agree, she discussed or not, it’s all so much.

“But I can’t really make up my mind.”

“It’s okay, go back and think about it, think about it and we’ll sign the agreement.”

“There’s still an agreement to sign.”

“Of course I’ll sign it, it’s just a formality.”

“Okay then, I’ll go back and think about it.”

“By the way, you mustn’t tell Jasmine about this thing I’m telling you, Jasmine doesn’t know he has a health problem yet, she will be very sad when she finds out.”

“I understand, then I’m going to my room.”Meng Rujiao went upstairs afterwards, her steps a little heavy.

Jasmine Tong had been so good to her, and now that Jasmine Tong couldn’t have a baby, she should actually help her out.

But this was her own flesh and blood, and she really couldn’t afford to give it away like this.

Meng Rujiao had never been so torn.

Back in the room where the cold lord was reading a book.

“What’s with the sad face?”

“Nothing.” For the Leng 梟 likes Jasmine Tong this thing, Meng Rujiao heart actually quite mind, so she does not want to mention.

“Go to bed early, you go wash up and I’ll make the bed.”

Meng Rujiao listlessly went to the bathroom to brush her teeth and wash her face.

Suddenly feel not quite right, she should not go back to their own room? How to run to the cold owl’s room.

“Boss, I’m tonight.”

“Sleep right here, I moved all your stuff over here, so you don’t have to come over in the middle of the night to wake me up again.” The cold lord was still commanding.

“Oh, hey.”

After washing up Meng Rujiao lay on the bed, before the cold owl bed is 1m 5m crib, today changed the 1m 8m bed.

It was so comfortable on the bed that the cold lord also came from the bed and turned off the light as soon as he got on the bed.

The room was dark, and Meng Rujiao was suddenly a little nervous, she hadn’t fallen asleep the last time they had tried to sleep together.

“Boss, what if I still can’t sleep what if I sneak back to my room in the middle of the night, will you be mad at me?”

Leng Lords really want to cry, Meng Rujiao can get any words to say on the stage.

“No, come here a little.”

Meng Rujiao moved towards this side of the Leng Lords, and the Leng Lords suddenly k!ssed her mouth.

Frightened, Meng Rujiao hurriedly retreated.

“You, what are you doing?”

Chapter 631

“What do you think” the voice of the Cold Lords in the darkness seemed dark and low.

“I don’t know,” Meng Rujiao was still in a panic.

“Don’t move if you don’t know.”

Leng Lords only realized at this time that it was really too difficult to fall in love with a so-called child.

She doesn’t understand anything, she asks questions about everything.

The Leng Lords clamped down on Meng Rujiao’s hands and placed them on her waist, then k!ssed her lips.

Meng Rujiao was blinded at first, but then she slowly got into the state, remembering the first time she k!ssed with the Leng Lords.

It’s still an accident, that one time has already made her beautiful to the sky, this time but the cold owl took the initiative.

“Hee hee hee,” Meng Rujiao suddenly made a sound.

“What are you laughing at? “This laugh interrupted the Cold Lords directly.

“No nothing.”

The Leng Lords good mood is all ruined, is it because he’s a bad k!sser?

“Sleep.”The Cold Lords lay back and prepared to sleep.

Meng Rujiao, however, was somewhat unfulfilled, and she arched over to the side of the Leng Lords.

“Don’t go to sleep. We just k!ssed well. Keep going, okay?”

Meng Rujiao's words made the Leng Lords almost laugh, and she wasn't a little bit without benefits, such as wanting to kiss straight away.

"Then you're not allowed to laugh anymore."

"I won't laugh I won't laugh, I promise."

This time, the cold lord simply pressed Meng Rujiao underneath him, so that it would be easier to kiss.

Meng Rujiao enjoyed the sweet kiss of the Leng Lords, feeling as if he had gone to heaven.

The cold lord's kisses began to slowly move down, shifting to Meng Rujiao's neck, and his hands caressed her delicate body.

Slowly, gently, softly.

It was a wonderful feeling.

But in the later part of the day, Meng Rujiao slowly tense up, but she promised the cold owl will not laugh again, afraid that he annoyed the cold owl, has been a move also do not understand.

The evening was completely dominated by the Cold Lords.

Compared to the pain of the first night, this night was sweet and intense for Monroe Jiao.

blissful

In the morning, the cold lord woke up and looked at the girl at his side stunned out.

Life is always dramatic, and the child he picked up seven years ago is now his woman, soon to bear the next generation for him.

Meng Rujiao also woke up from her sleep and saw that the Leng Lords were staring at her, shyly pulling up the blanket to cover her face.

No lights on last night, couldn't see each other, not so nervous and shy yet.

"What are you looking at me for, boss?"

The cold lord lay back down again and took Meng Rujiao into his arms.

“Can’t you watch?”

“It’s not that I can’t look, it’s that you’re looking at me like that, I”

Leng Lords slowly removed Meng Rujiao’s blanket, revealing Meng Rujiao’s small, red face.

“Last night we” Meng Rujiao’s face reddened even more.

“What’s wrong with what’s all the fuss about couples spending their evenings like this.”

The Leng Lords said the words are a little unnatural, perhaps only to deceive Meng Rujiao with these words.

“Then we’ll all live like this from now on, okay?”

The Leng Lords suddenly feel a little embarrassed, if every night like this, he will not be this little girl squeezed dry?

His hand caressed Meng Rujiao’s stomach, “You’re pregnant now, you can’t have intercourse too often.”

“Once every few days,” Meng Rujiao hurriedly pursued.

Meng Rujiao’s follow-up question made the Leng Lords a little embarrassed.

“Depends.”

“Oh, okay then.” Meng Rujiao nestled in the arms of the Leng Lords, heart sweet, “Boss, are we never going to be separated again.”

“Of course, we’re a family now, soon to be a family of three.” The Leng Lords unconsciously caressed Meng Rujiao’s stomach.

“Family” Meng Rujiao remembered what Albert Ou had said yesterday, “So is your family going to be together”

“What a silly thing to say, of course the family is going to be together, it’s late, get up.”

The family is meant to be together, and if she gives this baby to Albert Ou and Jasmine Tong they won't be able to be together as a family.

After thinking about it for a long, long time, Meng Rujiao decided to speak to Albert Ou herself.

It wasn't that she didn't want to repay their kindness, but she couldn't bear to be with her own child.

Meng Rujiao knocked on the bedroom door.

It was Jasmine Tong who opened the door, not Albert Ou.

"Hey Pepper, something wrong come on in."

Originally saw it was Jasmine Tong who opened the door, Meng Rujiao did not want to go in, but was too embarrassed to push.

"How are you feeling these days?"

"It's fine, the boss and I are fine, and the baby is fine." Meng Rujiao was a joyous sight.

"It's great, it's going to be a family of three soon." Seeing Meng Rujiao so happy, Jasmine Tong also felt happy in her heart, "Are you looking for me for something?"

"I'm not here for you." Meng Rujiao came out of his mouth and regretted it afterwards.

"Not to find me then you are here to find him today to go to the office, are you looking for him for something" There are only two people in this bedroom, either to find her or naturally to find Albert Ou.

"I'm fine, oh, no, something's wrong."

"Whether there is something or nothing ah" Meng Rujiao's words confused Jasmine Tong as well, "If there is something, just say it, we will be a family from now on, there is no need to swallow so much."

"Sister Manny, actually," Meng Rujiao didn't know what to say, the environment she had grown up in was too simple, and she really had no experience in dealing with people.

“Pepper, what are you looking for him for, is it something important” Jasmine Tong was also very confused, what would Meng Rujiao be looking for Albert Ou for?

“Manny-san, I’m so sorry.”

“I’m sorry are you apologizing to me what are you sorry for, you kid swallowed your words today and confused me.” Jasmine Tong felt very baffled.

“Gee, I’ll be honest, this baby is mine and the boss’s, I want to raise her with the boss, I don’t want to give him to anybody”

Meng Rujiao was really too tormented, so she had to tell the truth in one breath.

“Of course this child is yours, of course you can’t give him to anyone, what’s the matter with you.”

“It’s Mr. Ou, he told me yesterday that he wanted to pass the child in my belly to you but I thought about it, but I couldn’t let go, I’m sorry Sister Manny.”

“Passing to us” Jasmine Tong was stunned to hear this as well.

“It’s what Mr. Ou said, Sister Manny, I think it’s good that you have two sons, there’s no need to have another daughter, my daughter is also your little niece, and then there won’t be any difference between her and your own daughter ah”

“What are you talking about?”

Chapter 632

Meng Rujiao’s words boggled Jasmine Tong’s mind, but Jasmine Tong’s reaction also overwhelmed Meng Rujiao.

“Which of my nonsense ah, Sister Manny I actually think Mr. Ou has no need to hide anything from you, you two already have two sons, two sons are also very good ah.”

“Two sons are great, and I’m not saying two sons are bad.”

“That’s still yeah, so it doesn’t matter if you have a daughter or not.”

“How do you get involved in the daughter of this and what is the relationship between the daughter” Jasmine Tong even more confused.

“Never mind, I’ll tell you all about it, you haven’t been getting physicals all this time and you’ve always wanted a daughter.”

“I do want a daughter, I always thought my son was too naughty, but I haven’t been to a physical lately ah, I get my annual checkup and it’s not time yet.”

“Didn’t go for a checkup, so you haven’t been to the hospital lately” Now that confused Meng Rujiao.

“Been there, walked you to your birth control.”

“You didn’t do any tests when you were with me for my birth control?”

Jasmine Tong shook her head in a fog, “What am I doing for a checkup for good reason ah”

“That’s odd, it seems to say that your recent checkups have revealed a health problem that prevents you from having children, but you want a daughter so badly that you want to pass the one I’m carrying on to you.”Meng Rujiao lowered her head to touch her stomach and looked at Jasmine Tong in confusion.

This time Jasmine Tong sort of understood everything.

“That’s what he told you, it’s that I have health problems and can’t have a daughter, so I want to go over to your daughter.”

“Yeah, I just told him yesterday, but I couldn’t make the decision to think about it with him, and he said he’d sign the agreement with me.”

Meng Rujiao innocently looked at Jasmine Tong.

Jasmine Tong bit her lips, this man had even thought of such a trick.

“Pepper, he was messing with you, and you took him seriously, you know he’s a jokester.”

“It’s just a joke” Meng Rujiao was a bit incredulous, this kind of thing could even be a joke, and the expression she was looking at Albert Ou didn’t seem like a joke ah.

“Yeah, he’s just messing with you, you don’t have to take him seriously, I’ll tell you later how he can joke about that kind of thing.”

“That’s too good, I was feeling quite sorry for you, then I’ll go back” Meng Rujiao happily waved her hand and left Jasmine Tong and Albert Ou’s bedroom.

After Meng Rujiao left, Jasmine Tong sat on the bed angrily, no wonder he didn’t agree with Meng Rujiao to abort the baby, and even helped Meng Rujiao to escape.

How dare you lie about his health problems and lie to girls.

Let’s see what he’ll do when he comes back.

When Albert Ou came back from work, as soon as he entered his bedroom, he saw several maids in his room packing up his things.

“What are you doing? Didn’t the missus say you weren’t allowed to touch anything in the bedroom?”

Tong didn’t like having people in their room all the time, so Tong was the only one who cleaned up the bedroom.

“I told them to clean it up” Jasmine Tong came out of the bathroom.

“Then just have one or two people come over, why do you need so many.”

“Because you have too much stuff for one or two people to pack.” Jasmine Tong’s face was livid and her tone was no better.

“It’s my stuff, what’s there to pack.”

“Move your stuff to the guest room.”

“Why did I provoke you again, how many times are you separating from me this month Jasmine Tong, tell me clearly.”

Albert Ou roared at the servants, “All of you, get out of here.”

The maids all looked at Jasmine Tong one by one.

“Okay, you guys can go outside, I have something to say to the gentleman.”

Naturally, the two fights don't want others to be present, and Jasmine Tong also knows that Albert Ou wants to save face.

"What the hell is wrong with you" Albert Ou kicked his foot up against the bedroom door.

"is what's wrong with me or what's wrong with you how you do things is really more and more disproportionate even want to go over someone else's daughter, but also said that I have physical problems, you do not so blind talk, to cheat a 20-year-old girl, you think it is appropriate."

Jasmine Tong thought there were times when some of Albert Ou's playfulness was endearing to him, but this time it did go too far.

"She told you that."

"is passing this kind of problem you can even think of people's family of three well, you want to take away someone's daughter, if it is you, you are willing to do it" Jasmine Tong accused, "is not when I asked you to find brother you did not look at all"

"What am I looking for him for? "Faced with Jasmine Tong's accusation, Albert Ou was also angry.

"I knew you weren't looking for it, or you would have found it by now with your skills, and I wouldn't have had to go all over the world trying to figure out how to get the baby from Pepper's belly from the beginning, right?"

"Yes that's what I thought, what's wrong" Albert Ou stalked not feeling that he was doing anything wrong.

"You even ask me if I'm wrong can't you put yourself in someone else's shoes, it's someone else's child, you snatch it up, then what about them what if it was someone else, you'd still snatch it, it's just bullying Pepper who is young and doesn't know any better"

"I bully her young and ignorant Jasmine Tong, am I such a person in your heart?"

Jasmine Tong rubbed her temples, "You don't have to get into this kind of issue every time, okay in my heart you're the best man, but what you've been doing lately is just ridiculous"

“Ridiculous and childish huh, Jasmine Tong, I’ll see what other words you can come up with in your heart I’m only worthy of these” Albert Ou sat on his butt on the bed, looking at the mess that was packed away with even more fire.

“I want you to think about it, how could you do that? that’s brother and Pepper’s child, do you say you want it? if you really want a daughter, we can have one ah, didn’t I tell you last time that I wanted a daughter?”

Jasmine Tong really couldn’t understand Albert Ou’s behavior.

“I’m not f*cking all for you why should I put myself in someone else’s shoes I’m only doing it for you is enough, I only have you in mind can’t fit anyone else, much less consider anyone else.”

In a fit of rage, Albert Ou burst into foul language, leaving Jasmine Tong stunned.

Both men fell silent at once.

He said he only had her in mind and couldn’t fit anyone else in or consider anyone else.

Hearing this, Jasmine Tong’s heart was still warm.

“Honey, actually I”

“Do you think I want a daughter? Whether I have a daughter or not doesn’t matter to me, it’s you.”

Her Bossy Yet Naive CEO Chapter 633 - 635

Chapter 633

Jasmine Tong was calmed down by Albert Ou.

“Don’t say whether I have a daughter or not, whether I have a child or not, it doesn’t matter to me, what matters in my heart is always only you Jasmine Tong, I’m afraid.”

Albert Ou's voice was tinged with an imperceptible tremor.

What a terrible thing it is to have a man in high places admit that he is afraid.

"I wake up from nightmares every time I think about those three months you were lying in the hospital, and I'm afraid of having to do it all over again, so I don't want to have kids."

That's why even at the wedding, Albert Ou hadn't promised her a daughter.

Because he's really scared.

Jasmine Tong was at a loss as she looked into Albert Ou's scarlet eyes, she originally thought that as time passed, Albert Ou would slowly fade away from that time.

But Albert Ou had not forgotten.

Jasmine Tong gently walked over to Albert Ou's side and crouched at his feet.

"Honey, I'm sorry, I didn't know you were thinking that, I thought."

Albert Ou held Jasmine Tong's face, "Jasmine, I'd do anything for you, but I really don't want to agree to this."

Jasmine Tong suddenly blossomed into a smile, "It's me who misunderstood you, it's nice that we have two sons."

To think that there is such a man who is devoted to himself, Jasmine Tong feels that there is nothing else she wants in this world.

The matter finally came to an end.

As time went on, Meng Rujiao's belly slowly grew, and it looked more and more normal for the Cold Lords and Meng Rujiao to get along.

The Crystal Garden was crowded and seemed a little more lively.

This day the family welcomed Mo Yiang and Mo Yi Xin, Mo Yiang is developing smoothly and smoothly in Star King International, because the family has been pushing for marriage, he has a full schedule of work, and his popularity is also rising steadily.

In the living room, Mo Yiang and Mo Yi Xin are sitting on the sofa, and Jasmine Tong is leading San San down.

“San-San, look who’s here to see you.”

“San San, let your sister hug you” Mo Yi Xin hurriedly leaned over, “you’ve grown so tall, you’re getting handsome”

“Which gust of wind blew you two over today “Jasmine Tong handed the child to Mo Yi Xin and sat on the sofa.

“It’s been a long time not to come over, isn’t this afraid that you and my little uncle will pick a fight” Mo Yiang sat on the sofa playing with his phone.

“Auntie, don’t listen to him my aunt is pushing him every day to find a girlfriend, he’s bored to death, it’s hard to get home today, auntie is pushing again so he found an excuse to come see you guys.”Mo Yi Xin hurriedly revealed Mo Yi Ang’s true face.

“Mo Yi Xin you don’t talk no one treats you like a mute”

Mo Yi Xin spat out his tongue towards Mo Yi Aang and started playing with San San again.

“Isn’t it normal that you’re not too young, even though you’re a star, your family still wants you to live a normal life, married or not, it’s time to talk about your girlfriend.”

Jasmine Tong spoke in the tone of an elder.

“How do you always say the same thing with them I see you become a mother all of a sudden old is not nagging, long-winded” Mo Yiang looked very impatient.

“If I didn’t have this relationship with you, I wouldn’t bother with your cousin’s wife who’s called me several times to talk to you, and I’ve pushed it all for you.”

“Next time she calls you, don’t answer, it’s annoying as hell.”

“But you’re old so single is not the same thing ah do we have to find someone outside of this industry is not quite right, the circle has like it do you want me to help you introduce.”

Mo Yiang threw the phone to the side and looked at Jasmine Tong, "I said, Miss Jasmine Tong, you are forcing me to go is it I had a hard time finding a quiet place, and you are nagging in my ear again"

Jasmine Tong gestured with an ok, "Okay, I'll stop, I'll make you anything you want to eat today."

"Sweet and sour pork ribs, spicy shrimp, ma po tofu, braised turbot," Mo Yiang said several dishes as if he were giving the names of the dishes.

"I see you've come to our house to dabble in food and drink, today for Xin Xin's sake, I'll do it all with you, okay?"

"Hurry up and make dinner."

Jasmine Tong saw that Mo Yiang was not in a good mood and went straight to the kitchen.

The dinner table was very plentiful and the crowd was the largest it has ever been.

With regard to the Leng Lords, Albert Ou and the Mo family only said that the Leng Lords are relatives on his father's side, considered his cousin, and did not say that he and the Leng Lords are twins, after all, this matter is too troublesome to explain.

Mo Yiang is also aware of the existence of such a person as the Leng Lords, and has seen them at the wedding.

The only difference is that the last time I saw the Leng Lords, the Leng Lords are still single, and I didn't expect that so soon, the Leng Lords have taken care of Jasmine Tong's bridesmaid Meng Rujiao, whose belly is big.

The Leng Lords are considerate to Meng Rujiao at the dinner table, and Albert Ou and Jasmine Tong have been very close.

"Big Brother, why do you think the two of us came over here today?" said Mo Yi Xin jokingly.

"I say you this speed is too fast, I want to say when married you two look like no fun ah, so fast, the stomach is so big" Mo Yiang for this matter is also very surprised.

“Do you think everyone is like you?” spoke Albert Ou, “Find a girlfriend quickly if you have the time, save your mom from calling you every day”

Yao Xiangyun calls Jasmine Tong and of course calls Albert Ou, who is also a bit impatient.

“Okay, let’s eat, just stop talking so much and try my sweet and sour pork ribs.” Jasmine Tong grabbed a piece of ribs and placed it in Albert Ou’s bowl.

After dinner, Jasmine Tong pulled Mo Yi Xin aside, “Xin Xin, I have a letter here.”

“What letter?”

“It’s from packing out Lei’s clothes, he wrote it to you.”

Jasmine Tong pulled out a letter from her pocket and shoved it into Mo Yi Xin’s hand.

Hearing Yarwen Tong’s name, Mo Yi Xin was still stunned.

That name was always on his mind, but it was rarely mentioned to anyone anymore.

“Xin Xin, I know you’re as sad as I am, some people leave and never come back, I’m sure you know what I mean.”

Mo Yi Xin looked at the letter in her hand and felt heavy.

Mo Yi Xin nodded her head nicely.

“Xin Xin, you deserve a new life, you shouldn’t live in his shadow, we should all come out.”

“Auntie, I know that.”

“Good boy.”

Mo Yiang and Mo Yi Xin didn’t stay long before driving back, and on the way back, the two of them didn’t say a word, each with their own thoughts.

Mo Yi Xin was thinking about the letter in her pocket, and she couldn’t wait to go home and read it.

And Mo Yiang thought of even more things.

Chapter 634

Mo Yiang sent Mo Yi Xin back home, and he drove himself back to his own apartment instead of returning to Mo's house.

He really didn't want to listen to his own mother nag him, he thought he was still young and talking about marriage was a matter for later.

Today, I saw Albert Ou and Jasmine Tong, as well as Leng Lords and Meng Rujiao when they were really stimulated.

Everyone else is sweet and blissful, but he's the only one who's still single.

The most important thing is that Jasmine Tong, whom he likes, has become his own little aunt and is already a family of three with his own little uncle.

Some things should be dropped.

As soon as Mo Yi Xin returned home, she hurriedly ran to her room, locked the door, and hurriedly pulled out the letter Jasmine Tong had given her from her pocket.

Yarwen Tong's familiar handwriting came into view.

NICE.

This is the first time I've ever called you that and all the boys and girls you know seem to call you that, including my sister and brother-in-law, and it sounds very kind.

But I never dared to call you that, I didn't want to, and we became closer, because I knew I would leave this world sooner or later.

I was diagnosed with congenital heart disease at a very young age, and I knew it was going to put me out of this world by the time I was 17, and I was lucky to have lived past 17 and 18.

Before I went to college, I was even counting down the days to my life, when I was thinking that there was nothing left in the world for me but my sister, and that maybe if I left this world a day sooner, my sister would be better off.

It wasn't until I went to college and met you that I realized how much I wanted to live, how much I wanted to live one more day, how much I wanted to see you one more second, how much I wanted to be normal.

I also understand what you are thinking, the love letter you wrote me forgives me for not having the courage to open it, I am afraid, I will not be able to control my feelings and be with you and bring you nothing but hurt, because my life will be two years at most.

I'm sorry, Xin Xin, I can't accept your liking, I even chose to hurt you in order to avoid you, the long pain is better than the short pain, the two of us together will not end well.

But I don't regret meeting you, and it's my greatest fortune to have met you in the last moments of my life. I hope you can come out of the shadow I brought you sooner, there are many good boys in this world, there will be a person who can accompany you until you grow old.

If there's a next life, I'll chase you instead.

Yarwen Tong (1941-), PRC actor

The letter wasn't very long, and Mo Yi Xin read it word by word, several times.

Tears fell one by one, but Mo Yi Xin's lips were with a smile.

He liked her too, and he finally knew the answer.

Perhaps he liked himself more than he liked her.

Jasmine Tong is right, some people leave and don't come back, and those who are alive have to start living again.

Mo Yi Xin carefully put the letter paper away and handed it out to that small box on the dresser.

He said that if there was a next life, he'd come after her instead.

"Yarwen Tong, a man has to keep his word, I'll just live this life to the fullest, and if there's a next life, wait for you to chase me."

Mo Yi Xin said to the box on the dresser.

Picking up the phone, there were two WeChat messages from Huo Sijie lying quietly in it.

“Xin Xin, are you there?”

“I have two tickets to the movie, want to see it tomorrow?”

It's not that Mo Yi Xin doesn't understand Huo Si Jie's fondness for her, she's just addicted to Yarwen Tong's shadow and can't get out, so she repeatedly rejects Huo Si Jie's invitations.

“Yeah, I'm craving a barbecue, let's go to a barbecue after the movie tomorrow, you're buying me.”

Huo Sijie's message came back quickly, “No problem, I'll pick you up tomorrow.”

“Then it's settled.”

Mo Yi Xin sent a happy expression and looked at the box on the dresser before getting ready for bed.

dark empire (i.e. empire of darkness)

After reconciling with Jasmine Tong, Albert Ou still worked as usual, and every day there were endless meetings and endless documents to approve.

After the meeting, Albert Ou came out of the conference room, and Cheng Horton caught up with him.

“Mr. Ou, someone wants to see you.”

“Who's looking for me?”

“Miss Xiangli Group's daughter.”

“What's with the sweet and stinky pears? If you don't know me, blow me out.”
Albert Ou won't eat this.

“No, Mr. Ou, it's Xiangli Group, have you forgotten that last time you also had dinner with Mr. Li of Xiangli Group, we have a lot of business with them as well.”

“Send the person in charge of a business relationship to discuss what to say to me.”

“I said so, but Miss Lai he won’t leave, she said he must see you we have no choice, and we don’t dare to offend Xiang Li Group.” Russel Cheng looked helpless.

“Then call security to blow him out,” before Albert Ou knew it he had walked to his office.

“O, this,”

Albert Ou opened the door directly into the office and immediately saw the girl sitting on his office chair.

Albert Ou frowned for a moment, how could his office be entered by just anyone?

“Where’s the security how come everyone is let into my office?”

Russel Cheng came to the front, “Miss Lai, how did you get into CEO Ou’s office I thought I told you to wait in the parlor.”

“The girl, wearing a white dress and swinging her long legs, swiveled around on Albert Ou’s chair as if she thought it was her home.

“I told you to get out immediately,” Albert Ou snapped.

He was in his office, and no one but Jasmine Tong had dared to casually walk in on him.

“Russel Cheng knew that Ou Zeno had never been fond of worldly affairs, but this Xiangli Group was not easy to offend.

“Miss Lai, you know our CEO Ou’s temper, he doesn’t like people coming into his office, so hurry up and get up.”

The girl remained secure in her chair, “We’re old friends, can’t an old friend see him in his office and sit in his chair?”

“Old friend,” Russel Cheng looked at Albert Ou.

“Who’s an old friend of yours? Get the hell out of here.”

“Why are you so angry, can’t you be polite to me after not seeing each other for so long” the girl stood up and walked up to Albert Ou.

“You really don’t recognize me, take a closer look at this face.”

It was a very clear face, with delicate makeup, pink face and white clothes against her beautiful skin, and a really beautiful youthful beauty.

“Mr. Ou’Donnell, if you think about it, we’ve really met.”

Chapter 635

The fair-skinned girl winked playfully, and was really a quirky little fairy.

Albert Ou, however, didn’t bother to pay attention to her, “I’ve seen a lot of people, how will I have enough brains if I remember every single one of them, get out of here now”

It is indeed not a happy thing when a girl’s pout is not remembered.

“Why are you a man like this ah can the average person compare to me? do you really not remember me? then well, do you remember almost a year and a half ago you saved a girl in the Lover’s Sea”

“Sea of Lovers.”

Albert Ou went there not much, only remember that time Jasmine Tong ran away, that is, to the Lover’s Sea, he thought Jasmine Tong was going to commit suicide, indeed from the sea to save a girl.

“Oh, it’s you” Albert Ou really didn’t remember what the girl he made up looked like, he only remembered Jasmine Tong at the time.

“You’ve finally remembered, it’s me, the person you saved in the first place is me, my name is Li Qinqin”

Russel Cheng saw that these two people were indeed old acquaintances, so he hurriedly exited the office.

“What are you doing in my office? “Albert Ou was still icy cold to Li Qinqin.

“I came to look for you ah you are my savior, how can I repay you” Li Qinqin tilted her head and looked at Albert Ou with her eyes.

“I don’t need you to repay me, just forget about all that.”

Albert Ou went to the desk, “Get out.”

Li Qinqin had never thought that even though she had exposed herself, Albert Ou was still so indifferent to her.

“Hey you this person is too rude right I came to repay you with good intentions and you even let me out” Li Qinqin stood up and walked to Albert Ou, stomping her feet in anger.

“So you’re accusing your savior of being rude?”

“Uh” Li Qinqin suddenly realized that it was indeed rude to talk to her savior like this, “Well then, I apologize, I really want to repay you, how do you want me to repay you just say it, I promise I can do it.”

Albert Ou sat in his own chair and thought carefully about it, looking up at Li Qinqin.

“You really want to repay me.”

“Really, why else would I have come all the way here to you?”

“Well, you close the door outside.”

Li Qinqin frowned, “It’s that simple”

“How about just that,”

“It’s too no difficulty just shut a door, you’ll have to be my life, I’ll help you shut a door, it’s too much” Li Qinqin that’s a person who wants to do great things.

“If you can’t even do this little thing, you still have the nerve to say that you’ll repay me, when you just said you could do anything.”Albert Ou smirked a bit.

“Good, I’ll close the door for you then” said Li Qinqin walking to the door and closing it.

At this moment, Albert Ou quickly pressed the button on the remote control, only to hear a “drop” sound, the door was locked.

“No ah but I still have to go in” Li Qinqin reacted and prepared to open the door, but she couldn’t open it, “Hey, this is too much for you, you even locked the door”

“Okay, you’ve repaid my debt to you, you can go now and don’t show up in front of me again.”

Albert Ou threw the remote control to the side, picked up the documents on the table and began to review them, busy every day, but also to accompany this little girl trouble.

Lai Qinqin didn’t open the door even with a lot of effort, and Albert Ou’s side pressed the button, so no one could open the door unless he opened it himself.

“Miss Lai, it’s better if you don’t waste your efforts, this door was designed and arranged by Mr. Ou himself, as long as he doesn’t open it, no one can open it.” Russel Cheng warned from outside the door.

“He even designed the door himself,” Li Qinqin was even more adoring.

“Our company focuses on developing programs? many of the designs are designed by Mr. Ou himself, he is a genius in this area, I believe Miss Lai has heard of it before.”

Russel Cheng boasted about his boss, that was also unabashed.

“Genius I like it “Li Qinqin was full of peach blossom shining eyes.

Russel Cheng suddenly felt something wasn’t right, “Miss Lai, our Mr. Ou is already married, I’m sure you can see it on the news, Mrs. Ou is the famous Jasmine Tong, who took home a grand slam.”

Speaking of Jasmine Tong, Lai Qinqin didn’t feel anything.

“Of course I know he’s married, that there’s nothing ah these days, marriage and divorce, divorce and then marriage much more” Li Qinqin turned to look at the door, “I must take you down.”

After saying that, Li Qinqin left in a big way.

Russel Cheng was in a cold sweat, this girl is young, but she still has such aspirations, this is miserable, I’m afraid that Mr. Ou will have a family crisis.

Albert Ou, however, did not treat Li Qinqin's arrival as a big deal in the slightest.

After a long day and a little overtime, he went straight home.

He had already eaten when he arrived home in the evening, and Jasmine Tong saved it for him.

"Have you been busy these past few days?" Jasmine Tong sat at the table guarding Albert Ou.

After the last incident the two men were closer.

"Busy as hell, is it easy for your man to make money for you?"

"Then you stay home and rest while I go make money."

"That can't be a man raising a woman that's right and proper, I'm a grown man, what's the point of having a woman raising like a word" Albert Ou released his comments as he ate his meal.

Jasmine Tong quietly looked at her man with one hand on her cheek.

"Don't get too tired then, I'll just put the bath water on for you and have a nice soak later."

"Are you asking me to take a bath" Albert Ou winked at Jasmine Tong with a bad smile.

"Who's asking you out" Jasmine Tong patted Albert Ou's head, got up and went upstairs.

He went upstairs and boiled the water and put on the bath water for Albert Ou, testing the temperature just as Albert Ou came up.

"Do you want to come along" Albert Ou took Jasmine Tong's hand and prepared to go to the bathroom.

"No, not with you in the bathtub, don't I know what's going on in your head?"

"Then why did you reject me?"

“Because I don’t want to be in the bathtub, pressed up. I’ll wait for you in bed.” Jasmine Tong stood on her tiptoes to get close to Albert Ou’s ear.

“Come now then” said Albert Ou and prepared to undress.

“To hell with you, go soak your bath quick go quick go” Jasmine Tong if you push Albert Ou into the bathroom, “bath little sister for you 24 hours service oh.”

Albert Ou soaked into the tub, warm and comfortable.

“Shower girl, any special service?”

“Yes, but not until Mr. Ou’Brien has finished his shower.”

Jasmine Tong stepped out of the bathroom, and the two couples were still saying ambiguous things.

Albert Ou’s phone rang, and Jasmine Tong walked over.

It was a text message.
