

Her Bossy Yet Naive CEO Chapter 636 - 650

Chapter 636

“I’m Li Qinqin, why don’t you add my WeChat number, I’ve sent many applications you don’t dare to add?”

“Li Qinqin” Jasmine Tong carefully searched for this name, and felt a little bit familiar, but where exactly did she hear it before, but couldn’t recall.

Jasmine Tong directly opened Albert Ou’s phone, and Albert Ou’s WeChat did have an add friend request.

That avatar is a picture of Lai Chin Chin herself, it’s very pretty and you can tell from the picture that this is a very young girl.

From the tone, the two of them should have known each other, or at least met.

It’s been so long since a stranger has intruded into their lives that Tong seems to have forgotten that her husband is a man whom everyone admires, handsome and rich and handsome.

Jasmine Tong ignored the tweets and the text message, and put away Albert Ou’s phone.

“Shower little sister, I want to see you in that red nightgown today, just the one wearing equals nothing” Albert Ou shouted from the bathroom.

“I know,” Jasmine Tong went to the closet to look for clothes.

This night they still did what they had to do, made out and enjoyed themselves.

After it was done, Albert Ou got into bed before bringing his phone over.

Jasmine Tong had been cautiously observing Albert Ou, who seemed to ignore the unread text message and the WeChat friend add request.

“Honey, am I not as pretty as I used to be?”

Jasmine Tong snuggled against Albert Ou's chest, her voice soft and incomparably soft.

"Why all of a sudden?"

"I'm a woman who's had children, and I'm worried that my charisma is going down, and there's a little girl out there who's all dressed up, and I'm afraid they're going to seduce you away."

Albert Ou hooked his lips and laughed badly, "Then you also dress yourself up every day, don't you fear that you don't have to use it during the day, it's fine at night, just let me look at it alone."

Albert Ou stretched out his arm and hugged Jasmine Tong tightly.

"Honey, do you have any female secretaries and subordinates and such in your company that are interested in you"

"You should have asked me if I had any" Albert Ou's eyes went up that smugly.

"So do they usually flirt with you or something."

"Don't you dare who doesn't know I have a tigress in the house."

"You're the tigress,"

"Just stop your imagination and go to sleep, and if you really can't sleep, we'll do it again."

"Goodnight" Jasmine Tong leaned in front of Albert Ou and carved a big kiss on his face.

Jasmine Tong felt that Albert Ou was no different from his usual self, plus she felt that the two of them were people who had been through a great storm and shouldn't have any suspicions, so she put the matter to rest.

The next day life went on as usual, Albert Ou still woke up early as usual to go to the Dark Empire, there was a lot of work these days, maybe it was because he had been resting for too long before, all of a sudden the busy work was a bit overwhelming, he just wanted to play every day.

When Albert Ou came to the parking lot after work on this day, he saw Li Qinqin, dressed in white, standing in front of his car.

“Why didn’t you add me when I added your WeChat” Li Qinqin held her arms as if she wanted to settle a score with him.

“If you add me, I have to add you?”

Fortunately, Jasmine Tong didn’t see it last night, which if Jasmine Tong found out, the two would have to fight again.

“You hey, you can’t be afraid of your wife, your wife even you add a WeChat friend to manage it? This woman is also too ungrateful” Li Qinqin despises Jasmine Tong in her heart eyes.

“Shut up she’s also something you can say” Faced with someone saying bad things about Jasmine Tong, Albert Ou naturally refused to agree.

“Your sports car is nice, take me for a ride” Li Qinqin patted Albert Ou’s car.

“Little girl, have you finished your homework? If you haven’t, go home and do your homework, or be careful if your parents find out and spank you. “Albert Ou pressed the car key to open the door and got in.

In the time he was in a daze, Li Qinqin was already sitting in the passenger’s seat.

“Get off.”

“I’m not getting off” Li Qinqin hurriedly fastened her seat belt.

“What exactly do you want?”

Albert Ou was partial to such a little girl, and it was the first time he’d ever seen such a deadbeat little girl.

“You take me for a ride, to a bar, and if you can get me drunk, I’ll never pester you again” Li Qinqin looked like she had a chest.

“That’s what you said.”

“So what if I’m not drunk? You’re going to have to add my tweets and talk to me 24/7 and you’re going to go wherever I tell you to go.”

“Okay, it’s a deal” Albert Ou rushed out in his car and the two of them found the nearest bar.

As soon as he entered the bar’s booth, Albert Ou ordered the waiter to bring over a table full of the strongest liquor in the bar.

“Drink up, I don’t believe drinking won’t kill you, I’ll tell you what, if you drink yourself to death here today, the most I’ll do is call an ambulance for you.”

Albert Ou was too eager to get rid of this little girl.

Li Qinqin didn’t expect Albert Ou to be serious with her, “Then you’ll drink with me too.”

“Fine, I’ll have one cup and you have one cup, whoever goes down first loses also don’t say I’m bullying you.”

Said Albert Ou picking up a glass of wine and drinking it all down.

“Good n ah” Li Qinqin also did not show any weakness and took a drink of the wine.

The two of them were like this, you have a cup and I have a cup, almost ten cups down, Li Qinqin was already feeling a little shaky.

“No, I can’t drink it.”Li Qinqin thought she was the best drinker among her friends, but she didn’t expect to lose so quickly.

“Then you lose, I’m leaving.”Albert Ou stands up and walks away with a long leg.

“Hey, you’re back” Li Qinqin was dizzy and couldn’t move as she sat on the couch.

As soon as Albert Ou walked out, he was confronted by two large men, and at first Albert Ou didn’t care to hear the two men speak.

“There’s a little girl here who’s had a little too much to drink.”

“She seems to be alone. Come on, let’s take a look inside.”

When Albert Ou turned around, the two big men were already in the private room.

Li Qinqin, a little girl and drunk, would definitely not be able to resist these two big men.

“What are you guys doing let go of me” came Li Qinqin’s screams from the room.

“f*cking hell,” Albert Ou cursed and returned to the booth.

The two big men surrounding Li Qinqin had started to move their hands and feet, and Li Qinqin’s clothes had been ripped off.

“Little sister, aren’t you lonely here all by yourself? Let us two keep you company.”

“I don’t know you. Go away. Don’t touch me.”

“Get out of here,” Albert Ou snapped as he stood in the doorway.

Chapter 637

“There has to be a first come, first served, we were here first, you can talk later” a big man shouted towards the back of Albert Ou, and continued to reach out to Lai Qinqin.

“I told you to get the hell out of here,” Albert Ou roared again.

The two big men stood up, “This dude wants to fight isn’t he.”

“Try if you can.” Even though he wasn’t a vampire anymore, he was still more than enough to deal with these two men.

“Just try it” the two men pounced together towards Albert Ou.

Albert Ou put the two men down in three strikes, and the two big men were no losers, seeing that they could not be defeated and hastily admitted to being wimps.

“Big brother, this woman is yours, we can’t beat you, admit defeat” said the two big men and quickly ran out.

Albert Ou took a look at Li Qinqin on the sofa, this girl was already drunk and unconscious, her little face was red and her clothes were ripped open, revealing her snow white skin.

That look is s*xy and provocative.

Albert Ou patted her face.

“Wake up! Wake up!”

“Ah what’s wrong? Keep drinking, I’m not drunk, I can still drink, I definitely can’t lose.”

Albert Ou couldn’t see how she was doing, the bar was too chaotic, and if she ran into someone like that again, she would be at the mercy of a young girl.

“It’s bad luck to run into you.”

Albert Ou picked up Li Qinqin and carried him directly to his car.

He found a hotel nearby, got a room, and threw Li Qinqin into it, which was the only way back home.

As soon as she entered the bedroom, Jasmine Tong smelled the strong odor of alcohol.

“You’ve been drinking,”

Albert Ou hiccupped and hastily covered his mouth, “Drink a little.”

“There’s definitely more than a little bit, if only a little bit wouldn’t smell so much like alcohol.” Jasmine Tong looked at Albert Ou seriously.

“Hey, you can’t hide anything from me.”

“Of course I did, but I was raised on alcohol, you can hide why I drink so much.”

“Er happy to have a couple more drinks.”

“Come on, go to bed.” Jasmine Tong didn’t want to turn against him over this matter of drinking, “Drink less in the future, it’s not good for your body.”

“Yes,” as long as Jasmine Tong wasn’t angry, Albert Ou could do anything.

As for the matter of Li Qinqin, when Albert Ou was lying in bed after his bath, he was left thinking about preparing to tell Jasmine Tong.

It had happened before, he had lied, and then Jasmine Tong had quickly found out.

To this day, Albert Ou still has palpitations.

“Jasmine, would you be mad at me if I lied and cheated on you?”

“What do you think” Jasmine Tong glanced at Albert Ou.

“I think you’re going to be pissed.”

“Then you ask me.”

“And what would you do to punish me if you got angry.”

“Separated from you I’ll sleep with my son later, I have two sons, huh”
Jasmine Tong dug in towards Albert Ou’s bosom.

Ou Ze wildly swallowed the words in his mouth, it was better not to talk about it, anyway, Lai Qinqin said that as long as she lost, she wouldn’t haunt herself anymore, he didn’t have this number in his life later.

“Did you lie to me” Jasmine Tong raised her head alertly to look at Albert Ou.

“No ah amuse you, go to sleep.”

Jasmine Tong fell asleep after finding a comfortable position in Albert Ou’s arms.

The next day Jasmine Tong was in the nursery playing with toys with San San, and her phone Weibo sent a tweeted message that Albert Ou was drinking and rooming with a mystery girl.

Jasmine Tong curiously picked up her phone and found that someone had sent such a message, which instantly became a Weibo hot search, and many people were even Eiting themselves.

“Nonsense.” Jasmine Tong tossed the phone aside with just a glance.

If they were still just finalizing their relationship, maybe Jasmine Tong would have looked twice, but now they had kids and had been through so much.

Someone must have made the news to get attention.

After a while Mo Yiang called.

“Mandy, you’re watching the microblogging hotspot right now.”

“I’ve seen it all, and it says that your Uncle Junior is having a secret meeting with some mystery woman.” Jasmine Tong said carelessly as she guarded San San.

“I’ll be damned. Why are you so calm when you see it?”

“Those are all lies, I haven’t been out of the house lately, I can’t find a topic of conversation from me, and I’m writing about your Uncle Junior again, the guys are all set.”

“But they say there will be more explosions.”

“How could your little uncle betray me? Don’t worry, the sky is falling, he can’t even betray me, I’ll hang up first.”

“Hello hello hello” Mo Yiang still wanted to say something, Jasmine Tong hung up the phone.

Jasmine Tong didn’t even want to pay attention to the news, “San San, someone said that your daddy cheated on you, do you believe it”

San San smiled brightly at her.

“I knew you wouldn’t believe me, we’re all supposed to trust him, aren’t we Mummy take you and your brother out into the sun”

Said Jasmine Tong took Xiao Qi out and put her in the stroller, holding San San with one hand and pushing the stroller with the other and went out the door.

When Mo Yiang drove over, Jasmine Tong was still leisurely lying on the grass, with a maid helping to take care of the two children.

“outside the child is going to blow up, you’re good, but also in the sun” Mo Yiang looked at Jasmine Tong, feeling the woman’s heart is really big ah

“It’s such a good day today, it’s such a pity not to sunbathe which gust of wind blew you here” Jasmine Tong sat up and let the maid take the two children away.

“I mean, don’t you really mind a little bit?”

“Mind what ah” Jasmine Tong didn’t even know what Mo Yiang was talking about.

“My little uncle’s thing ah microblogging now this topic can have exploded, and now has been point can not get into the countless people on the microblogging Etsu, you have not seen?”

The emperor is in a hurry, but the eunuch is dying.

“I left my phone in the house.”

“Oh my god, you’ve got a big enough heart already with the actual hammer, the bar, the hotel, even the house number, and the picture of my little uncle and that woman.”

Mo Yiang originally wanted to point out the microblogging to Jasmine Tong, but the topic was so explosive that several times it prompted him to operate incorrectly.

“Oh my, the photo must have been a PS, I’ve been with your little uncle for so long and gone through so many ups and downs, how could she betray me? Besides, all his property is in my name now.”

Jasmine Tong was not impressed.

“But I looked at the pictures, and it’s really my youngest uncle, and the woman, and the pictures are real, not like they’re photoshopped, and they say this happened last night.”

When she heard “last night”, Jasmine Tong was shocked, remembering what Albert Ou said last night, and the fact that he came back late and drank alcohol.

Chapter 638

“Was my youngest uncle back last night at a normal time? if so this news must be fake, if not then there must be something wrong with this.”

“He came home quite late last night and had been drinking. Heck, it’s absolutely impossible it could be a colleague from the company, he’s just helping out.”

Jasmine Tong would never believe the story about Albert Ou cheating on her.

When I thought of a big curry like Qin Liyuan, who wanted a figure and a face, didn’t he also not hook up with Albert Ou?

That’s even less likely with other women.

“This kind of crap you believe ah my God, Jasmine Tong, even I, a man, don’t dare to guarantee that I won’t cheat in the future, you actually believe that my little uncle won’t cheat.”

“Why are you so eager for your brother-in-law to cheat on you?”

“Not looking forward to him, I’m not all for you I tell you, these days, not afraid of your husband to hug other women, afraid of other women to hug your husband, I want to say so good man, I do not know how many women covet his beauty and money it you can not grow a little heart can not look at their husbands.”

Mo Yiang split his head and counted.

“Mandy, you were already in pretty bad shape, and you have a bad temper, and now that you’ve had a baby, and your attention is all on the baby, and you’re even worse in shape after giving birth, you’re not going to grow up.”

Jasmine Tong looked down at herself, it’s true that her figure is a little fatter than before she gave birth, but it’s not that bad

“I’m okay,”

“Well sh!t those little girls out there, one is younger than the other, one is better dressed than the other, one has a better body, what are you comparing them to.”

Jasmine Tong felt that what Mo Yiang said made sense.

“Your Uncle Junior was really weird last night, not just last night, but two nights ago when someone on his phone tried to add his tweets, and it was most of the night, said quite a pretty little girl.”

Jasmine Tong related the events of the past few days.

“Holy sh!t, you’re acting like it’s nothing.”

“It’s just someone adding his tweets, it’s nothing.”

“Now WeChat is the dating goddess, don’t you know that you’re about to become a housewife, you don’t even know what’s going on out there, you’re about to be out of the world, you know.”

Mo Yiang was about to talk Jasmine Tong to no avail.

Just at this time, the microblog clicked open, Mo Yiang hurriedly showed it to Jasmine Tong.

“That’s the girl wearing all white.”

Jasmine Tong zoomed in on the picture, but it was a blurry shot, and even with the zoom, she couldn’t see the girl’s face, so she could only see a general idea.

“I suggest you come back tonight or have a good interrogation of my little uncle it brother can only help you up to here turn back and call me if you have something.”

Mo Yiang said and left.

Jasmine Tong this heart is also seven up and down, back to the room, she used her own phone also look at the microblogging, the topic has exploded.

Albert Ou had been busy all day, only coming out of the conference room after the last meeting towards the end of the day.

Russel Cheng hurriedly came over with his cell phone, “Mr. Ou, something big has happened.”

“What’s the big deal? Right now, for me, going home is the big deal.”

He hadn’t been home at his normal time for two days in a row and had to get back early today.

Russel Cheng quickly showed the news to Albert Ou.

Albert Ou didn't expect that there would be paparazzi secretly filming him and Li Qinqin.

"Contact the person who released the news to me right now and take down all of these stories, no matter how much it costs."

He just lied last night. It's an immediate slap in the face.

"Okay, I'll get right on it."

Albert Ou is a bit panicked now, and wonders if Jasmine Tong has seen these tweets as well as the news.

If she sees it, how will she explain herself?

Albert Ou went home, and the atmosphere at the dinner table was a bit strange, Jasmine Tong seemed quite normal.

After dinner, the cold owl called Albert Ou aside.

"What's up with the news?"

"What news is going on?"

"Don't try to figure out with me where you went last night," the Leng Lords questioned with a serious face.

"It's none of your business where I'm going" To this brother, Albert Ou was displeased in his heart.

"I'm telling you, don't do anything wrong to Little Man, Mom and Dad aren't here elder brother as father, you pay attention to me" the cold owl poked Albert Ou's chest.

"Stay out of our family's business and mind your own."

After dinner, Albert Ou and Jasmine Tong went back to the bedroom together, and as soon as they entered the bedroom door, Albert Ou embraced Jasmine Tong.

"Jasmine, I lied last night, but can you please not punish me for separating from you, and can you punish me for something else."

Jasmine Tong lost her temper at Albert Ou's attitude of admitting his fault so quickly.

"Then you properly explain whether all those on the news are true" Jasmine Tong board a face must ask the truth.

"It's true, oh no, not true oops, not what they think"

"So what the hell is it? Don't say a word about it."

Albert Ou kept holding Jasmine Tong tightly from behind and didn't let go.

"Is this girl has been pestering me, are running to the office, just yesterday she came to me, said if I drink to win her, she will no longer pester me, so the two of us drink, the result I won, she drank too much, I was going to leave, but saw two men harass her is she a little girl home, what happened is not good, you do not always educate me toBe a good person?"

"It's still about her.'

"So I dropped her off at the hotel and I came back and that was it."

"Really didn't lie to me this time."

"I swear absolutely not and I've already won the girl, he won't be bothering me again, how was I supposed to know I'd be caught on camera by the paparazzi yesterday."

It seems like a public appearance that shouldn't have been made in the first place, and now the paparazzi are on to it.

"Don't you ever lie to me again."

"Well, whatever happens from now on, I'll be the first to tell you."

Jasmine Tong turned around to look at Albert Ou, "What if you can't do it"

"If you can't do it, you'll punish me by not sleeping with you for an entire year" Albert Ou also made a blood sacrifice this time.

"Then I'll spare you this time, next time."

"Thank you, wife," Albert Ou pecked Jasmine Tong on the lips.

After listening to Albert Ou's explanation, Jasmine Tong put her mind at ease, but she was vaguely worried, how come the girls are so active nowadays and even went to the office?

But it didn't end there.

Her Bossy Yet Naive CEO Chapter 639 - 641

Chapter 639

Lai's mansion.

Wearing a white cartoon housecoat, Li Qinqin is lying in her princess room, listening to music and eating fruit while brushing up on her Weibo.

Looking at those news about Albert Ou's infidelity on the internet, Li Qinqin's heart was not to mention how happy she was.

Albert Ou has a big star's wife...

What Albert Ou didn't know was that Lai Chin Chin had directed all of this herself, and the fun was still to come.

Suddenly a call came in on the phone.

"Miss Lai, someone from the Dark Empire has already called us, asking us to immediately withdraw all information about Albert Ou, and the bid there has been offered to five million."

"Didn't I tell you all that, no matter how much they pay, you don't care, keep posting what you've captured and I'll double it from my side."

"Okay, Miss Lai, then I'll do as you say."

"Hold on, I need Jasmine Tong's phone number, I'm sure you can get it here."

"Well Miss Lai, Jasmine Tong is a public figure, not to mention that she has such a powerful husband, her cell phone number is not something you can just get."

“Just say how much you want.”Li Qinqin had a very old-fashioned tone.

“Miss Lai is really cheerful, so let’s say, the news thing you have paid a lot, cell phone number we will give you a discount, charge you a million well.”

“No problem, I want it now.”

After hanging up the phone, Li Qinqin acted as if she had a plan.

“Jasmine Tong, I don’t believe I can’t break you up.”

Jasmine Tong didn’t bother to pay attention to the storm of Albert Ou’s infidelity, but for the sake of her child, she still came out with a tweet.

“Let’s not think nonsense, we are very close, the most important thing for a couple is trust, I believe my husband will not betray me, let’s disperse.”

Tong’s accompanying photo is of a family of three.

In the end, it is a slam movie queen, speak or have influence, plus a large wave of fans support, we all know that Albert Ou cheating is unlikely, not to mention the fact that before Albert Ou has been with his entire property transferred to Jasmine Tong’s name, the heat of this matter will slowly drop.

But this incident also gave Jasmine Tong a reminder that she should still be a deterrent.

This day at noon Jasmine Tong personally made two dishes and put them in a lunch box, and after lunch, she brought the lunch box to the Dark Empire.

Jasmine Tong’s arrival was a shock to the staff, and her intention couldn’t have been clearer when she showed up at the company just as the cheating controversy was beginning to die down.

Jasmine Tong calmly carried her lunch box into the company, smiled at the employees and then walked into the CEO’s elevator.

“Madame President, is this a work inspection?”

“It wasn’t a surprise attack,”

“It seems like cheating could be real.”

“Wasn’t there a little girl in a white dress who came to see Ou last time?”

The employees began whispering about it.

Jasmine Tong went straight upstairs to the president’s office, but very unfortunately Albert Ou is in a meeting.

“Ma’am, why don’t you wait in the office for a little while, Ou is in a meeting, or you can give me your things and I’ll give them to Ou.” Russel Cheng said.

“I’ll wait here for him for a while, you do your thing.”

Russel Cheng, however, never left, and Jasmine Tong found it odd.

“Secretary Cheng, you don’t have to stay here with me, you go ahead and get busy.”

Russel Cheng smiled awkwardly, “Madam, don’t you have anything you want to ask me?”

“Ask what” Jasmine Tong thought it was funny.

“Ah about O’s recent news.” Russel Cheng thought that Jasmine Tong had come here to get some information.

“Oh, you said he’s been in the news lately, nothing to ask.”

“Ah” Russel Cheng was taken aback, “Madam, are you sure you don’t want to ask?”

“I don’t think there’s really anything to ask, he’s told me everything, and I believe him.” Jasmine Tong smiled slightly towards Russel Cheng.

Russel Cheng was finally relieved, “Ma’am, then it looks like you two are fine.”

“Of course we’re both fine with that, you go ahead and get busy, I’ll wait here for him.”

Only then did Russel Cheng leave at ease.

Who knew the wait had been so long.

Albert Ou never finished the meeting, and Jasmine Tong got a little sleepy in the afternoon, so she just fell asleep in the lounge.

When Albert Ou returned from the meeting, he heard Russel Cheng say that Jasmine Tong was here and rushed back to the office, but found no one there, but found Jasmine Tong asleep in the break room.

He tucked Jasmine Tong in gently and went back to his desk, eating his meal despite the fact that it was cold in the lunchbox.

The last time Jasmine Tong brought him food, I can't remember when it was.

It was after four o'clock when Jasmine Tong woke up, and she rubbed her eyes and walked out to find Albert Ou in his office.

"Why didn't you wake me up?"

Albert Ou looked up at the sleepy-eyed Jasmine Tong, still doting on her.

He held out his hand and waved it towards Jasmine Tong, who came over and sat directly on his lap.

"Wake up to the comfort of my bed."

"When did you get back? Have you eaten yet?"

Albert Ou flauntedly shook with the already cleanly eaten lunchbox.

"It's all cold, there's no heat a hot careful appetite."

"All eaten up, is there a reward?" Albert Ou ruffled Jasmine Tong's hair.

"Is there a reward for letting me bring you food?"

"There, to you tonight" Albert Ou cupped Jasmine Tong's ass in a smooth manner.

"Badass you're busy, I'm going home." Said Jasmine Tong opened her mouth and yawned.

"Go home to what? Wait a little longer, I'll be back together soon after I finish work."

Jasmine Tong looked at the time, that's right, it would be better for both of them to stay for a while.

"All right then, I'll just clean the lunch box and you get back to work."

As she was washing the lunch box, Jasmine Tong was thinking that she could eat all the cold food cleanly, and that she had indeed neglected him this time, her mind all on her son.

After washing the lunch box, Jasmine Tong very self-consciously sat on Albert Ou's lap and worked with him.

Albert Ou didn't even want to go home, they were the only ones in the space after all, and he procrastinated on his work until after six o'clock.

"Honey, why don't we go see a movie tonight, it's rare to be together, or have dinner."

"Yes," Albert Ou begged.

Albert Ou held Jasmine Tong's hand and walked out of the company, the employees were stunned one by one, it seems that people have a good relationship.

Sitting in the passenger seat, Jasmine Tong reached down and suddenly touched something.

Chapter 640

With a woman's intuition, Jasmine Tong knew that this thing definitely didn't belong to Albert Ou.

When it got dark, Jasmine Tong didn't take it out, but just left it in its original position and pretended everything never happened.

It wasn't that she didn't trust Albert Ou, but Mo Yiang's words did remind her that the most important thing between husband and wife was trust, and to investigate everything thoroughly before saying anything.

They watched the movie as usual and then had a candlelight dinner before getting ready to go home together.

As soon as she got into the car, Jasmine Tong said, "I think I forgot my phone and left it on the dining table."

"I'll get it for you then, so don't move." Albert Ou went straight back down to the restaurant again.

That's when Jasmine Tong finally took that thing out from under the seat.

It was a pair of lacey lady's panties.

Jasmine Tong knew it was definitely not her own because she never wore lace styles and always felt uncomfortable in lace.

The presence of an ambiguous woman's things in a man's car and intimate clothing made Jasmine Tong feel very uncomfortable.

"Throw it all away." Albert Ou came back and handed the phone to Jasmine Tong.

"Let's go." Jasmine Tong didn't ask Albert Ou about the panties.

But some things happen just as they happen, and can never be pretended that they never happened.

Jasmine Tong didn't say anything to Albert Ou, but she was still uncomfortable and would be imagining things.

Jasmine Tong gave Mo Yiang a call, and he arrived soon after, looking at the panties with a rich expression as well.

"This was really found in my youngest uncle's car."

"Well, the passenger seat." Jasmine Tong felt exhausted.

"You're too big-hearted not to confront him when such important evidence has occurred."

Jasmine Tong covered her face on the table, "But I really don't want to suspect him, I don't think it's possible, maybe there's something to this"

"What could there be to hide? It's underwear not a jacket and shoes or anything like that, these two definitely didn't do anything good in the car even if nothing happened."

Mo Yiang averted his eyes elsewhere, and it was indeed oddly awkward for an innocent young man to stare at a girl's panty card.

"Maybe" Jasmine Tong also couldn't think of anything else that would make a girl's panties fall on a guy's car and be worn.

"Come on, don't justify him man, especially a man like my little uncle, is too good, it's hard to avoid this kind of thing, so you have to pull him back in time."

Mo Yiang said as he gestured.

"But am I going to have a showdown with him?"

"Can't you just take this and ask him" Mo Yiang picked up the panties and left them feeling not quite right in a hurry.

"Wouldn't that be too distrustful of him?"

"You didn't directly say she was cheating on you, you let him explain, see what flowers my little uncle can explain if he really can explain it, then you can believe him."

Jasmine Tong held her chin, still unable to make up her mind about this.

After sending Mo Yiang away, Jasmine Tong was still very torn.

And then Li Qinqin, who originally thought she would never appear again, appeared in front of Albert Ou once again.

"Why are you here again?"

Li Qinqin went straight to Albert Ou's office.

"I came to see you. Aren't you welcome?"

"Of course you're not welcome last time, didn't we agree that if you lose, you won't pester me anymore? how do you not keep your word" Albert Ou twisted his eyebrows and stared at Li Qinqin.

"A gentleman's word is his word, I'm not a gentleman, I'm a woman" Li Qinqin tilted her head in an innocent and cute way.

Albert Ou had a great feeling of being teased, and this dead girl was doing this to him.

“If I hadn’t saved you last time, you’d have been trashed by whoever and you don’t even know how to be grateful.”

“I know how to be grateful” Li Qinqin immediately jumped in front of Albert Ou’s table, “You saved me twice, that’s our fate, so I’m here to return the favor”

“Well, do you want to return the favor by disappearing immediately so I never have to see you again.”

“I can’t do that,” Li Qinqin looked at Albert Ou with her chin in her hands, “How about I give you my consent”

Albert Ou stared at Li Qinqin with wide eyes, finding it hard to believe that these were the words of a young girl in her 20s.

If Jasmine Tong was as straightforward as him, why would he bother?

“Is not the heart moved ah your family that wife has what is good is not a star is not so flat chest, body is not as good as me, is not as beautiful as I am not young, is not to give you a son is not you if you give me the opportunity, I will give you a ten eight are no problem.”

Li Qinqin looked at Albert Ou with a smiling face.

“Why are you pestering me if you know I have a wife?”

“The famous flower has its owner, I come to loose soil ah like you, let you from one to the other, that is impossible, so I am ready to pry your wife’s corner” Li Qinqin did not hide his ambition.

“You like me that much.”

“Of course lah, I’ve been in love with you since the last time you saved me, I’ve been looking for you, but I just couldn’t find you until you and Jasmine Tong announced their wedding.”

Li Qinqin couldn’t help but roll her eyes at the ceiling, the person she missed so much was already married by the time he found her, not to mention how lousy she felt.

“At a young age, you know what love is I don’t want to talk nonsense with you, Jasmine and I can’t get a divorce and I can’t marry you, you die of that” Albert Ou took out a document and continued to approve it.

Li Qinqin didn’t dwell on it, “Alright then, when you change your mind remember to come to me or when your marriage lights up red, you’re always welcome to come to me.”

Said Li Qinqin directly picked up Albert Ou’s phone, Albert Ou just used the phone, the phone is now in an unlocked state.

She added herself as a friend by pulling straight to Zeno’s phone.

“I’ll blackmail you.”

“You blackmail me, then I’ll go add your wife anyway, I already have your wife’s phone number, if you ignore me, I’ll go straight to her, bye” Li Qinqin didn’t worry in the slightest that Albert Ou would blackmail himself, and swaggered out of the office.

Albert Ou really ran into a tough opponent this time.

Looking at the fact that I had already added Li Qinqin’s WeChat number, I wanted to pull the blackout, but I had to consider it.

What if Li Qinqin really goes to see Jasmine Tong?

It’s still up to him to sort this out.

When we got home at night, Albert Ou had been weird about how he was going to explain it to Jasmine Tong, who was also weird about the fact that she was still thinking about the panties.

Chapter 641

“Jasmine” lying on the bed Albert Ou really couldn’t sleep, turned over and put his hand on Jasmine Tong’s waist.

“What is it?”

“Don’t be offended if I tell you one thing.” Albert Ou has to be vaccinated beforehand.

“Go ahead.” I’m not sure if he’s going to confess his infidelity to himself
Jasmine Tong made a mistake in his heart.

“Then you have to promise me you can’t get mad.”

“I’m not mad at you, go ahead.” Jasmine Tong turned around to face Albert
Ou.

“Do you remember when you ran off to the Lover’s Sea in a fit of pique with
me for days, and then I went looking for you, and I thought you were going to
save a girl from a suicidal confession.”

Jasmine Tong thought back carefully, after all, it had been a long time since
this incident.

“Remember.”

“The last girl who came to see me was the woman whose ghost she was.”

Jasmine Tong didn’t know how to comment, not expecting that the girl she
had saved up by mistake had now become her rival.

“Didn’t I tell you last time that she’d drink with me and wouldn’t pester me
again if she lost but she didn’t keep her word, this dead girl piece she even
came back to me and added my tweets.”

Albert Ou told the story in a nutshell.

“She threatened me that if I dare to blackmail her, she’ll come after you
herself, so I’ll give you a heads up that if she comes after you with nonsense,
you should never pay her any mind.”

“Oh, so that’s what it’s all about, finished?”

“Finished.”

But the key thing is not to say ah, Jasmine Tong is concerned about whether
the two of them in the end what happened in the car that underpants in the
end is what is going on

“Nothing happened the day you two drank, did it?”

“No, absolutely not, I swear to God.”

“That girl was drunk, wasn’t she playing drunk” If she was drunk and playing drunk, it would be quite possible to take off her clothes, which would still explain it.

“No, she’s drunk as a puddle and can’t talk clearly.”

As soon as Albert Ou replied like this, Jasmine Tong became even stranger, what’s going on with the panties?

Albert Ou was lying. Why was he so worried about that girl coming to him? What was he so afraid of?

“Honey, what do you think is the most important thing for a couple to be together.”

“Trust so you must trust me.”

“I think there are two other words besides trust, and that’s honesty, and trust is based on honesty.”

“Yeah, that’s why I’m being very honest today and telling you all about what happened, don’t worry, I’ll never pay any attention to her next time she comes to the office, I’ll have the security guards blow her out.”

Jasmine Tong saw that she couldn’t ask anything either, so she simply didn’t continue to ask, “Go to sleep, good night, honey.”

But the panties thing still stuck with her, and she vaguely remembered that the little girl Albert Ou had rescued seemed to be only seventeen or eighteen, and now if she did, she was probably twenty years old.

Days still had to go on, Albert Ou went to work as usual, Jasmine Tong had a little work every now and then, but spent most of her time at home with her children.

This day in the office, Albert Ou received a WeChat message from Li Qinqin.

“Come play video games tonight, and if you win me, I’ll never pester you again.”

“Do you think I’d do the same dong twice?”

"I mean what I say this time, if you can beat me, I promise to never be in your world again."

"How do you expect me to trust you?"

"Actually I won't even show up if you can beat me, my dad is sending me abroad to study and you have business dealings with my dad's company, so you can ask around."

Albert Ou immediately gave Russel Cheng a call, and Russel Cheng knew with a little inquiry that the Li family's old man was sending this precious daughter to study abroad.

Albert Ou was so pleased that the problem was solved.

"If you're leaving, then why am I playing video games with you?"

"Even if I beg you, can't I see these days, you're loyal to your wife that is, I'm dead set on it, you just accompany me, okay?"

"Not good."

There was that time for Albert Ou to accompany Jasmine Tong at home.

"You this person how so unfeeling it count me begging you okay, I'm at home is also quite poor, soon to go again, you but the only person I have ever liked, just as I trample it okay."

"No." Albert Ou is still just ironclad.

"If you don't give me your word, I'll go to the Lover's Sea for the second time tonight and commit suicide by jumping into the sea at 8 p.m. Electric City, see you there."

Albert Ou knitted his eyebrows at the little girl's message, a little torn.

So he sent a screenshot of all his chats to Jasmine Tong, and it's never wrong to ask your wife about such things.

"Then you go." Jasmine Tong replies, "She's a little girl, what else can she do to you."

"Honey, you really let me go."

“What if she kills herself like last time? This girl is too rebellious and not psychologically normal, just go there and come back early.”

As soon as Jasmine Tong saw that Albert Ou was so quick to send over all the chat logs, she agreed to Albert Ou going without thinking too much.

After all, it was just a little girl who had just turned 20.

At 8:00 p.m. Albert Ou showed up at the arcade on time, and Li Qinqin, who had dyed her hair colorfully, looked very much like a rebellious girl.

But she was still dressed in all white, and when she saw Albert Ou coming, she hurriedly took Albert Ou’s arm.

“I knew you’d come actually you still care about me a little bit in your heart right?”

Albert Ou pulled his arm out in a hurry, “My wife made me come, I can only spend an hour with you if you want to play something”

“Well then, to play video games of course” Li Qinqin pulled Albert Ou and rushed into the video game city.

In the past, Albert Ou was still quite fond of this kind of thing, and since he had met Jasmine Tong, his mind was all about his family, and he hadn’t been to the arcade for a long time.

Li Qinqin is an expert in the art of fighting, so naturally she is enjoying herself.

“You play first, I’ll go buy two bottles of drinks” Li Qinqin patted Albert Ou’s shoulder and went out to buy drinks, coming back with two bottles of wine in her hand, one handed to Albert Ou.

Albert Ou had just taken a sip and thought it was a drink.

“I thought you said you were buying drinks, not alcohol.”

“Drinking more meaningless ah how your wife will not control you tube so strict, even you will control the drinking of it I’m leaving in a few days anyway, accompany me to drink two cups and so what.”

Li Qinqin said as she drank.

“You don’t want to drink, if you drink too much I have to take you to the hotel”
Albert Ou didn’t want to make the same mistake as last time.

Her Bossy Yet Naive CEO Chapter 642 - 644

Chapter 642

Li Qinqin snatched the bottle back once again, “I’m about to leave the country, I’m in a bad mood, and I’m not allowed to drink”

As she said Li Qinqin’s eyes were teary, the next second the tears fell.

That adorable look is truly heartbreaking.

“I’m not going to lie, my mom died a few years after she was born, my dad was so busy working since I was a kid that he didn’t care about me at all, and a few years ago he married a new wife and gave me a little brother, so he couldn’t care less about me”

Li Qinqin took two sips of wine as he said, “Isn’t it just because I’m in the way here so he’s sending me out of the country, out of sight, out of mind, he’s sharing his family life with his wife and his son.”

Albert Ou inevitably moved with compassion, “Your father is also a sexist.”

“Yes, who else would inherit such a big family business of his? Daughters will eventually marry.”

“Damn I hate patriarchs, aren’t boys and girls the same? If I only had one daughter, I’d give her everything.”

Li Qinqin slanted a glance at Albert Ou, “That’s because you already have a son, that’s why you’re saying that, if this way you only have a daughter, you’ll want a son then too.”

“But I would never neglect my daughter for my son. What’s wrong with my daughter? She’s fine.”

I don't know if it's because Jasmine Tong is suffering in such a family, but Albert Ou feels sympathy for those girls who have the same experience.

"What's so great about a daughter, sooner or later she's going to marry someone else."

"How can you think that about yourself when others can think that about you?"

Albert Ou said quite energetically, "Anyone can look down on you, but you yourself absolutely cannot. My wife's family is also patriarchal and has a particularly wretched stepmother, he she suffered a lot, not like you, she's always been strong, and now she's a movie queen, right?"

Albert Ou was proud of his wife, by the way.

The two of them actually opened up a conversation, talking a lot and drinking a lot.

Waking up with a headache, Albert Ou rubbed his eyes, "Jasmine, what time is it?"

No response.

"Come here and let me give you a hug, I've got a bit of a headache and I don't want to go to the office." Albert Ou rolled over and took his wife in his arms.

The moment you open your eyes

He sat up immediately in shock.

It's not Jasmine Tong, it's actually Lai Chin-chin!

It wasn't his bedroom either, but a strange room that looked like a hotel.

Li Qinqin hid under the blanket only showing a small face, "Am I that scary?"

"We", Albert Ou lifted the blanket. "Last night I", "was naked."

"Last night was someone's first time." Li Qinqin's little face flushed red as she looked at Albert Ou.

"No way I was last night."

Albert Ou slapped his hands on his head, but he couldn't remember anything.

I vaguely remember that the two men seemed to have had a little too much to drink, and he said he was looking for a place to sleep, and then I don't remember anything after that.

Li Qinqin was much more calm, she sat up holding the blanket, "Look scared you, I didn't say I was making you responsible"

"Ah,"

"What age is this, when men and women drink too much and have too many one-night stands and don't know anyone afterwards." Li Qinqin brought her clothes over and calmly put them on.

She got off the bed and picked up Albert Ou's clothes again, "Put them on, Uncle."

"Uncle" Albert Ou was still curious about that title.

"I'm just 20 years old this year, your old man are running 30 right I don't call you uncle call you what you don't worry, yesterday's matter I won't say anything, in a few days when I go abroad, you'll forget about this matter."

Li Qinqin got dressed and grabbed her bag and swaggered to the door.

"I paid for the room last night," she quirked an eyebrow as if to say where else could a girl as nice as me be.

And then she just walked out the door.

Leaving Albert Ou still in a panic, how is she going to explain to Jasmine Tong that he actually slept with another woman?

Albert Ou dressed sparingly and saw the bright red stain of blood on the white sheets.

He quickly left this place of wrongdoing and looked at his phone, which surprisingly had more than twenty missed calls on it, all from Jasmine Tong.

His cell phone wasn't on silent, and twenty calls didn't even wake him up.

Albert Ou drove away from the hotel in a fiery car and returned home.

As soon as I entered the house, I saw Jasmine Tong and Leng Lords and Meng Rujiao in the living room.

Jasmine Tong was so anxious that she seemed to be preparing for the Cold Lords to go to Albert Ou.

“Line, the people back where you ran to, do not know to give Manny a phone call,” the Cold Lords a scold.

Albert Ou didn’t know how to answer.

Seeing that Albert Ou returned safely, Jasmine Tong’s heart was relieved.

“Where have you been fooling around again?” the Leng Lords have a big brother’s momentum.

Jasmine Tong saw how messed up Albert Ou was, and he knew again that Albert Ou had gone to see Li Qinqin yesterday.

“Okay, brother, take Pepper for a checkup, don’t lose any time.”

“The Leng Lords held Meng Rujiao’s hand and hurriedly walked out the door.

“I’ll make you some if you haven’t had breakfast, so go to your room.” Jasmine Tong said and went straight to the kitchen.

Albert Ou lost his mind and went back to his bedroom, he actually cheated on his wife, how could he cheat on her? How could he face Jasmine Tong? How could he face his son?

There were a series of question marks in Albert Ou’s head.

He quickly stood up and opened the door and walked out.

When Jasmine Tong returned to the bedroom with the noodle soup, she found that Albert Ou had disappeared.

“Where is the person” Jasmine Tong put the noodle soup on the table and ran into the maid as soon as she left the house.

“Have you seen the gentleman?”

“See, the gentleman just seemed to be looking for something.”

“Looking for something he’s looking for.”

“I don’t know, I asked the gentleman, and he wouldn’t tell me, he just kept looking there.” The maid also found it strange.

“That’s okay, go ahead and get busy.”

Jasmine Tong returned to the bedroom thinking more and more that Albert Ou was too strange.

After a while Albert Ou came back gray, his face and clothes scuffed with dust from somewhere.

“Where are you running to? What are you looking for? You can’t just ask the maid to find it.”

OuZeNuo put the rubbing board on the ground and kneeled down in front of Jasmine Tong with a poof.

“Jasmine, I’m sorry.”

This kneeling scared the hell out of Jasmine Tong’s.

Chapter 643

“What are you doing?”

Turns out he was rummaging through his closet to find the scrubs, which are really hard to find.

“I cheated.”

When she heard the four-letter word, Jasmine Tong was also giddy, and what she guessed had actually happened.

Last night, when Albert Ou didn’t come back, Jasmine Tong’s heart was in a whirl, knowing that he and Li Qinqin would be even more imaginative together.

But she told herself over and over again that Albert Ou wasn’t like that, that he would never betray her.

I didn’t think things would still happen.

“Is it with Lechin?”

“Well, last night she talked a lot and cried all the time, and then I had a few more drinks with her, or maybe too many, I don’t remember what happened after that, and then I woke up this morning.”

Albert Ou still decided to tell Jasmine Tong word for word.

“What did she say?”

“She said the two of us had sex yesterday but I don’t really remember, I can’t remember anything but I saw blood on the sheets.”

The blood on the sheets that indicated it was the girl’s first night seemed to be hard evidence.

“Then how did she say this was going to be resolved” Jasmine Tong tried to suppress her emotions, she was no longer a young girl in the throes of love, she was now a wife and a mother, now was not the time to be emotional, she needed to solve the problem.

“She said she’s nothing so much as won’t hold me accountable, and in a few days she’ll be out of the country and tell me to forget about it.”

Jasmine Tong suddenly felt very strange that this Li Qinqin’s previous actions were clearly pursuing Albert Ou, and now that the two of them are already in bed, she is not even pursuing it, not letting Albert Ou be responsible for it.

Wouldn’t this be a good opportunity for her?

“Anyway, that’s what she said, she said it’s the age, there’s a lot of one-night stands between men and women, there’s no need to take it to heart. Jasmine, I’m sorry.”

I don’t know what to say other than I’m sorry Albert Ou.

“You’re up.”

“I’m not getting up until you forgive me.”

Albert Ou never thought that something like cheating would happen to him.

“So you’ve done something wrong and you’re forcing me to forgive you aren’t you.”

“I didn’t mean that, I just”

Albert Ou found himself in a dilemma of up not, up not, in and out.

“Get up, what’s the use of kneeling here when things have already happened and you can’t turn back time.”

“Jasmine, then can you forgive me I promise this won’t happen again you’re not trying to divorce me are you?”

“What about San-San and Seven?”

The first time Jasmine Tong faced something like this, she also felt exhausted.

This was also the first time that Albert Ou felt that it was good to have a son, at least Jasmine Tong would not easily divorce herself because of her son’s existence.

“Okay, it’s all over, go get soup noodles for dinner and take a shower later before you sleep.”

Albert Ou didn’t expect it to end in just a few words, he had thought that Jasmine Tong would make a scene.

It wasn’t that Jasmine Tong didn’t mind about this, but what use would it be if she did? Albert Ou had already admitted his mistake like this, what else could she do?

What’s more, she was the one who let Albert Ou go to see Li Qinqin.

In order to keep the Cold Lords from getting involved in this matter, Jasmine Tong didn’t tell the Cold Lords and Meng Rujiao about Albert Ou’s infidelity, and only she and Albert Ou knew about it.

After this incident two people suddenly became strange, Albert Ou speaks and does things carefully, at night also dare not make a fuss, and even dare not ask Jasmine Tong to be intimate.

Some things just happen, and there’s no way to change it, and it’s impossible to pretend it didn’t happen.

Jasmine Tong's heart has been very awkward, and the number of times she has spoken to Albert Ou over the past few days can be counted on one hand, she really couldn't get over that hurdle in her heart and called Mo Yiang.

"My little uncle really cheated on me. "Although Mo Yiang also felt that Albert Ou would cheat when he saw those news on the internet before, he still couldn't believe it when he got the confirmation from Jasmine Tong.

"It's not glamorous, could you keep your voice down."

"Holy sh!t, I didn't think it would actually happen, so what are you going to do"

"What am I going to do, I've got a baby, is it hard to get a divorce? I didn't come here to ask you for advice on what to do, I came to ask what you can do to make me feel better, we can't go on like this."

Jasmine Tong's face was very ugly, she hadn't had much rest these days.

"What about the girl's side?"

"It's okay on the girl's side, otherwise our family wouldn't be so calm, and now it's my problem and his."

Mo Yiang as if he heard what shocking news, "the girl side of the child is fine how is it possible you do not say that the girl has been pestering my little uncle it is not easy to find an opportunity now, she is fine, so good opportunity do not ".

"I'm surprised too, the girl should have taken the opportunity to trouble him, but the girl just left, saying she didn't need him to be responsible, and she'll be out of the country in a few days." Jasmine Tong had also always found this action very unusual.

Mo Yiang thought carefully for a while, "No, the situation isn't right."

"What's wrong,"

"This girl's behavior is so abnormal it can't be that my little uncle has been tricked."

"The first thing you need to do is to take a look at the newest addition to your own website.

“You’re underestimating the young girls of today. 20 years old. 20 years old. What’s wrong? Xin Xin said that the 20 year old girls at their school are all thieves and sophisticated.”

“Not so much,”

“How not to I tell you, this girl is definitely a master, put a long line to catch big fish, want to catch her without saying a word she left, for nothing let my uncle take advantage, how could you watch it, there are big moves behind messing with the panties in the car are plan”

Jasmine Tong couldn’t believe Mo Yiang’s words, if that was really the case, then this girl was too powerful.

“So what do I do now?”

“You can do can only see the trick ah this little girl playing a harem that set, a little interesting what the latest developments remember to tell me, I also have to help you.”

Mo Yiang had the mindset of watching the fun, he would like to see how great this little girl could be and how big a chess game she could play.

It just didn’t occur to anyone that Mo Yiang was really right.

Chapter 644

About half a month later, Albert Ou saw Li Qinqin in his office once.

In the past half a month, Albert Ou has been regular, going to and from work on time every day, and obeying Jasmine Tong at home.

He and Jasmine Tong hadn’t been in the same room at all for the past half month, not that he didn’t want to, but when he had the intention, Jasmine Tong was always aloof.

Even Albert Ou himself felt so dirty from having touched another woman.

When he saw Li Qinqin, Albert Ou was shocked, his family was a chicken-and-egg mess ever since this girl appeared.

But when I thought that even Li Qinqin was a victim, I kept suppressing my temper.

“Why are you here again I thought you were leaving the country?”

“It was ready to leave the country, but I can’t get out now.” Li Qinqin raised her eyebrows and sat across from O Zeno.

“Why?”

“Before it was one person going abroad, now it’s two if you go abroad.” Li Qinqin held out two fingers towards Albert Ou and shook them.

Albert Ou’s frown deepened, somewhat not quite understanding what Li Qinqin said.

“Then what are you doing here?”

“Hey ah, how to communicate with you as a person is so laborious ah not all told you it, I am now two people, I am pregnant with a baby, is your baby” Li Qinqin simply straightforwardly told Albert Ou.

“That’s impossible” Albert Ou panicked then, it was already too much to have slept with another woman, and now he had a child with another woman.

“Why not, here’s my lab report” Li Qinqin pulled out a bunch of labs in her bag and brought them to Albert Ou.

Albert Ou has seen this kind of lab sheet before.

“Now you should always believe it I tell you, originally with you in bed once, I do not want to pursue, but want to get pregnant, this belly at least is a life bar you see how to do.”

“Beat it,” Albert Ou blurted out with hardly any hesitation.

“Hey, this is your own flesh and blood, do you really put up with the fact that you have no humanity at all?”

Li Qinqin also didn’t expect that Albert Ou wouldn’t hesitate to let her abort the baby.

“Whatever you say, in this world, only Jasmine can bear children for me, no other woman can I will arrange for you to have surgery, after the operation, I will also send someone to take good care of you what else compensation, can be despite the offer.”

Albert Ou's voice was cold to the core.

"I don't want anything, I just want the baby in my belly, he is a life not a toy, want to want to be or not," Li Qinqin finished her speech on the table and was ready to walk out.

When she reached the bottom of the stairs, a couple of bodyguards came up and directly stopped her.

"What are you doing?"

"Ou always has orders to never let you leave" This bodyguard came up and directly grabbed Li Qinqin.

Albert Ou had to do it, he knew it was highly immoral, but he had no choice.

If Jasmine Tong knew about it, she'd be so soft-hearted that she wouldn't agree to let Li Qinqin abort the baby.

He had to immediately and immediately get Li Qinqin to abort the baby, even if Jasmine Tong would blame him or even lose her temper if she found out afterwards, he had to do it.

Lechin was taken away by her bodyguards, and she was placed in a deserted villa on the outskirts of the city, with someone to keep an eye on her.

"Let me out you bandits" Li Qinqin was locked in a room and she rapped desperately on the door.

"Miss, I advise you to save your energy, no one will come even if you scream your throat out, Ou will arrange for a doctor to come over right away and perform an abortion on you, and when the abortion is done, you'll be out of here."

The bouncer's voice outside the door was icy.

Li Qinqin had completely underestimated Ou Zeno's ability, and had never thought that Ou Zeno would be so cruel in the face of his own flesh and blood.

She had to get out of here, not just sit there.

Albert Ou arrived at Z.Y Hospital without stopping, Zhong Yu Ling was originally being attended to, and was immediately taken to the office where a doctor came to take her place.

“I need you to perform an abortion on someone.”

“The wife is pregnant.”

“It’s not the wife, and as for who it is, don’t talk too much, I know you and the wife are close, but if the wife knew about this, it wouldn’t be a question of whether or not the job would be saved.”

Zhong Yu Ling saw for the first time how terrifying Albert Ou’s eyes were.

She had probably guessed something.

“The surgery can’t be done in a hospital, it has to be somewhere I can arrange, make a list of what you need and I’ll arrange it.”

“It is impossible not to do this in the hospital, how not to ensure the health situation it, abortion, although it is a minor surgery, but after all, it is surgery that requires completely aseptic conditions and in case of danger, the consequences are unthinkable.”

Zhong Yu Ling hurriedly offered his opinion.

“If I say do it outside then do it outside all the risks are taken by me” Albert Ou yelled towards Zhong Yu Ling, Zhong Yu Ling silenced.

“Write me a list of what you need right now.”

Zhong Yu Ling had no choice but to follow Albert Ou’s instructions and start making a list, and handed it to Albert Ou after writing the list.

Albert Ou looked over, “Assistant two monsters can you not have an assistant, can you not have one?”

“I’m afraid I can’t do that, at least not with an assistant.”

“All right then. Don’t go out of clinic for a few days, I’ll send someone to pick you up, be ready to follow me there.”

After saying that Albert Ou left the hospital.

This matter must never be made known to anyone, and if it could be hidden from Jasmine Tong, then of course it must be hidden.

Albert Ou immediately gave the list to Russel Cheng, who was told to prepare them and then transport them one by one to the villa on the outskirts.

Albert Ou went home early in the evening as usual, and everything seemed to be the same as usual, but in reality he was already in a tumultuous state of mind.

Lying in bed at night, Jasmine Tong's back still turned to him, he gently moved to lean over and take Jasmine Tong's waist.

"Jasmine, don't be mad at me, okay?"

"It's over, I'm not in anger." Jasmine Tong wasn't angry but couldn't get past this hurdle in her heart.

She also knew it wouldn't work, after all, life needed to go on.

"Let's be like before, okay" Albert Ou gently slatted Jasmine Tong's body over and gently kissed Jasmine Tong's lips.

Jasmine Tong also knew in her heart that Albert Ou hadn't touched her for over half a month, it was almost as if she had made history.

And she responded gently, even hugging him gently.

Her Bossy Yet Naive CEO Chapter 645 - 647

Chapter 645

But whenever she thought of this man who had countless tender memories with her and had also done the same thing with other women, Jasmine Tong felt uncomfortable all over.

Her hand went to Albert Ou's chest all at once.

"I'm tired today."

Albert Ou could hear that the so-called tiredness was just an excuse, and Jasmine Tong still couldn't get over that hurdle in her heart.

"Sleep then, good night." As the culprit who caused all of this, Albert Ou had no right to protest as he gently carved a kiss on Jasmine Tong's forehead.

The two of them went to sleep, each distraught to be exact, and who could sleep at this point.

Therefore, Ou Zeino knows that at this moment, the most important thing is not to let the matter of Li Qinqin's pregnancy add to the wobbly marriage.

The next morning Albert Ou was woken up by the ringing of his cell phone, he quickly rang it off, tucked Jasmine Tong in, and took his phone to the bathroom.

"What are you calling about so early?"

"Mr. Ou, it's bad, that woman has escaped" came the anxious voice of the bodyguard from the phone.

"You bunch of losers, what good is it to have you if you can't even watch a woman" Albert Ou snapped in a low voice.

"The woman is too cunning." The bouncer was also screaming.

Ou Zeino had no choice but to hang up the phone, he got up in a hurry and couldn't care so much, he had to catch Li Qinqin first!

Jasmine Tong didn't hear Albert Ou's phone call and still woke up at her normal time these days, when she got up, Albert Ou was gone.

She ate breakfast as usual, then went to the nursery to be with her two sons.

A moment later, the maid came rushing over.

"Ma'am, there's a lady named Lai outside, she says she must see you, it's important."

"The first person to come out of Jasmine Tong's head is Li Qinqin.

Did that little girl come to us?

“Let her come in and wait for me in the living room.”

Jasmine Tong also really wanted to meet this girl who wanted to pursue Albert Ou.

She couldn't remember what she looked like back then, and Tong quickly went back to her bedroom and went to the checkroom, searching for the checkroom.

After all, she was meeting with her rival, she couldn't be outmatched, she had lost in age.

But looking around, she couldn't find a dress that made her own heart grow fonder, exactly nothing suitable for the occasion.

Jasmine Tong fortunately went downstairs in her housecoat, and as soon as she did, she saw a girl with a messy face.

Her clothes were frayed and dusty in several places, her hair was a mess, and her face should not have been washed.

Even so, Jasmine Tong could tell how beautiful the girl's face was, pure and innocent with a bit of agility, even if she was a mess.

“You're the one who asked me to bring this lady a cup of milk tea.” Jasmine Tong sat directly on the couch, this was her home, she was the hostess, and rightfully so.

She had seen Jasmine Tong on TV, but she didn't remember her face a few years ago.

“You are Jasmine Tong ah far worse than on TV, sure enough the stars are fake.”

“Yes?” Jasmine Tong laughed softly, ignoring the impolite remark.

Li Qinqin sat across from Jasmine Tong, the maid brought a cup of milk tea and placed it in front of her eyes, she took it up and gulped down two sips.

“What do you want with me, Miss Leigh?”

“You know me, I believe your husband accompanied you and told you about me.”

“It was mentioned.”

“And what did he tell you?”

Li Qinqin is very curious about what O’Chakano will say to Jasmine Tong.

“A few years ago he went looking for me thinking I’d fallen overboard, so he rescued you, and you went to his office and kept pestering him, even going so far as to deny his word, when it was clear he’d lost.”

Jasmine Tong was always very calm, she didn’t want to let this girl who was only 20 years old underestimate her.

“How did he explain this to you the other night when he and I were caught on camera by the paparazzi in the hotel.”

“One too many drinks, and then he drops you off at the hotel and then goes home, that’s all.”

“That’s what he and you said” Li Qinqin couldn’t believe her ears.

“Or what?”

“And you believe it.”

“Why I don’t believe he is my husband and the father of my children.”

I’m not sure if I’m going to be able to do that, but I’m not sure if I’m going to be able to do that,” she said.

Jasmine Tong took a sip of the water without being angry or annoyed, “Miss Lai, I heard that you are going abroad, so what is your purpose for coming to see me?”

At the mention of this topic, Li Qinqin looked even more smug, “I can’t leave the country.”

“It’s the departure paperwork that’s not done, do you need my help?”

“Hahaha, do you know who I am, do you know who my dad is, how can I not get my exit paperwork done, I slept with your husband one night you should know that right?”

Jasmine Tong bowed her head in silence as a tacit agreement.

“Unfortunately, I won the bid” Li Qinqin pointed to her stomach, “so I have no way to leave the country now, what do you think I should do”

Tong’s hands trembled her worst fears still happened.

She had been silently praying never to get pregnant because of this one, and she had been consoling herself before that how pregnancy was so easy.

But God likes to play tricks on people, and always hits the mark at this point.

“What do you want to do about it” Jasmine Tong tried to look very calm.

“What do I know a little girl I went to your husband and he actually took control of me in the first place and arrested me and said he was going to abort the baby in my belly I escaped so I came to you to discuss what to do.”

Lechin blew on her hair.

Jasmine Tong realized why the girl had just escaped when she first saw herself in such a mess.

Albert Ou didn’t even tell him about the girl’s pregnancy.

“Are you telling the truth?”

“Of course it’s true, why else would I come here to lie to you when your man is about to catch me, you’re the only one in the world who can protect me, of course I’m coming to you”

Li Qin Qin guessed Jasmine Tong’s mind thoroughly.

“I’m telling you, Jasmine Tong, I’m only 20 years old, but I’m very reverent of life, and there’s no way I’m going to abort this child because it’s a life.”

Chapter 646

Jasmine Tong settled Li Qinqin in the Crystal Garden, but other than that she couldn’t think of anything else good to do.

She was having trouble sitting in her room and wanted to call Albert Ou back at the first opportunity, but was worried that she wouldn't be able to control her emotions then.

Simply call Mo Yiang, that kid has a lot of devious ideas.

It just happened to kill a film Mo Yiang was at home playing games, received a call from Jasmine Tong and rushed over without stopping.

"I guessed it, as expected, there is a backstroke" Mo Yiang felt like he was already expecting something.

"You tell me what to do now" Jasmine Tong sat at the table and propped her head up on her hands, she hadn't slept well since this girl appeared.

"First you need to make sure this girl is actually pregnant or not I now particularly doubt that she is actually pregnant at all."

"A 20 year old girl shouldn't have to joke about that you're talking about plots from a fictional TV show." It wasn't as if Jasmine Tong hadn't thought about the possibility, but she'd always thought about a 20-year-old girl not to.

"Art comes from life and is above life. There's no such thing in life. Can there be such a thing in novels and TV shows? She said she was pregnant, just by her mouth."

"But wouldn't it hurt my feelings if I took her to the hospital for a test, in case she really is pregnant."

Mo Yiang coughed lightly and patted his chest, "This is the time to send me out, I'm going to test it out for you"

"You" Jasmine Tong expressed great skepticism.

"What's wrong with me? I'm at least a movie star. Don't worry, I'll take care of it, I'll go meet her first. I've wanted to meet this drama queen for a long time."

Mo Yiang moved his wrist in a big way.

Although Jasmine Tong some not quite trust Mo Yiang, but the thought of Mo Yiang is not small, not the original hairy boy will do things also have a sense of proportion, simply let him to try.

Li Qinqin was placed in the biggest and best room in the Crystal Garden, and as soon as it was arranged, the maids set up a table with imported fruits and dried fruits.

She's a lady from a big family, she's never seen any kind of good things.

But after being smothered in that sh!tty place all night, she was a little hungry, so she grabbed a kiwi and ate it.

"I've never seen a pregnant woman with such a good appetite."

Li Qinqin was facing the door of the room with her back to the room, she was eating vigorously, and naturally felt unhappy when she heard this voice.

"Pregnant women can be hungry."

Mo Yiang walked in and sat on Li Qinqin's side.

"So it's you, you're the rescuer that Jasmine Tong hired," Li Qinqin finished the last bite of the air fruit, and the skin was thrown on the table.

"OK, I'm not blind, and I know me."

Mo Yiang looked at this appetite of Li Qinqin, "I remember that pregnant people get nauseous when they smell something that smells big, you seem to have a special appetite ah, look at you eating quite happily, you're really a special pregnant woman."

"Okay, don't beat around the bush," Li Qinqin held her chin and looked at Mo Yiang, "I'm really impressed that you liked Jasmine Tong for so long, and after Jasmine Tong got married and had a child, you were even willing to be her escort"

It was as if Mo Yiang had been poked in the soft spot all of a sudden, and had wanted to make a big deal out of it, but as soon as this girl spoke, he forgot everything he wanted to say cleanly.

"What are you talking about, Jasmine Tong is my classmate and my little aunt."

"Just don't pretend in front of me, you can fool others, not me, as far as I know you're very super like Jasmine Tong, but because you two are too familiar,

have been afraid to confess, when you want to confess it, your beloved girl has become your little aunt.”

Mo Yiang swallowed hard, but this girl was right, how did she know?

Li Qinqin saw that Mo Yiang was a little panicked and hurriedly multiplied his victory.

“Mo Yiang, you, the magnificent Movie Emperor, never thought you’d have such a shrinking side.”

“You’re the shrinking violet where do you get your gossip from I’ve always had a very innocent relationship with Mandy.”

Li Qinqin broke off a banana and peeled it, “I’m not denying that ah, you two are indeed very pure, you haven’t even held her hand, you have to dare ah”

Mo Yiang was once again generally stunned by someone’s acupuncture point.

“Don’t you dare say that for the thousandth time I still know you like her and why you haven’t had a girlfriend is because of her”

“Don’t you say any more” Mo Yiang hurriedly stood up and walked to the door and closed it.

“guilty of it, was I right, or else you close the door to do what is not just afraid that Jasmine Tong knows that you two can not even do friends later” Li Qinqin while eating a banana, while turning a white eye.

Mo Yiang’s heart is stuffed, a stranger has eaten him up so thoroughly!

“Ugh Mo Yiang, in fact, I quite despise men like you, look at me, I like Albert Ou, I’ll go after ah, he got married, so what, I also chase ah you look at you again you are still a man don’t confess don’t even dare This is what era, has not risen silently guarding the set.”

Mo Yiang marveled at this girl’s mouth skills are really good He thought he was already very good at talking, although he couldn’t tell her.

“But you’re hurting someone’s family by pursuing this, and you know they even have a son already and you’re immoral.”

“What is morality worth in my Lai Qinqin’s world there is no such word as morality, I am moral, but I have also wronged myself, but I am partial to the people who cannot wrong themselves I am not as great as you.”

“I’m not going to bullsh!t with you, I’m just going to ask you one thing, are you pregnant or not then if you’re not pregnant don’t ruin it for the two of them, it’s really hard for them to get this far”

Mo Yiang was straightforward with his showdown.

Li Qinqin’s big eyes dripped and turned, hooking a finger towards Mo Yiang.

“How about the two of us work together, split them up, I’ll be with Albert Ou and you can continue to pursue your Jasmine Tong, how about it, we’re the only two who should be on the same side, we shouldn’t be on opposite sides”

Mo Yiang looked at Li Qinqin in amazement, this little girl wants to buy herself!

“Mo Yiang, think about it, actually you don’t suffer, why do you keep guarding her yet all because you want her to be happy, but she married you so you can guard her 24 hours a day and give her all the happiness you want to give her, this is love”

Mo Yiang actually thought that made a bit of sense.

Chapter 647

Jasmine Tong had been sitting in the living room waiting for Mo Yiang, and after a long day, Mo Yiang finally came down from upstairs.

“How about it, Black Earth,”

“She did get pregnant.”

When she heard Mo Yiang’s words, Jasmine Tong felt that the last shred of hope was gone.

Li Qinqin was not an ordinary identity, if she was just an ordinary girl, the child would be born and give her a large sum of money or not.

But she is the daughter of the Xiangli Group, and the CEO of the Xiangli Group will not let her go easily.

“Manny, what are you going to do now?”

Jasmine Tong shook her head in dismay, “I don’t know what to do, let’s take one step at a time.”

Seeing Jasmine Tong’s discouraged expression, Mo Yiang also felt very uncomfortable.

“I’ve got to get back.”

“Then you go busy.”

Mo Yiang hurriedly left without saying what he wanted to say.

Jasmine Tong calls Albert Ou back.

When Albert Ou knew that Jasmine Tong had settled Li Qinqin at home his mind was completely confused.

“Jasmine, what the hell were you thinking?”

“What can I think, she’s carrying your flesh and blood in her belly.”

“So what, I’m not going to recognize the child in her womb, the only thing in the world that is my flesh and blood is what is born in your womb”

“But it’s a life,” Albert Ou’s words naturally moved Jasmine Tong a bit.

“Jasmine, let me take care of this, after all, it’s because of me and you don’t think or do anything.”

For the first time, Albert Ou thought this would be so tricky.

“Do you want to abort the child in her belly and then the boss of the Xiangli Group will let you off easily once this matter is over? Even I know that our current cooperation with the Xiangli Group must never stop, or the group will be hit hard.”

Since Albert Ou had transferred all of his property to Jasmine Tong’s name, including the Dark Empire, some major projects required Jasmine Tong’s signature, and she briefly learned about them.

The Dark Empire had taken quite a hit during the time Albert Ou had been gone, and despite Albert Ou's timely adjustment upon his return, the Dark Empire had fallen far short of what it once was.

The current Dark Empire and the Xiangli Group worked together to have the appearance of a prosperous world.

"A re-trauma is a re-trauma, worst case scenario, start over" Albert Ou was starting from scratch in the first place and he wasn't worried about it.

"Of course we don't worry about us having money to spend and food to eat, but the ones who work hard with our employees, every one of them has a family, they can't afford it."

Albert Ou looked at Jasmine Tong somewhat helplessly, "Jasmine, you're always so great, you shouldn't be divorcing me for everyone to have food or for someone's child in their belly, right?"

Jasmine Tong didn't answer the question immediately, "We'd better go talk to her."

Albert Ou didn't pursue the question, fearing that it would break his heart to finally get that answer.

The two of them went to Li Qinqin's room together, and it seemed that Li Qinqin had been waiting for a long time.

"Miss Lai, now that it's happened and I'm not trying to avoid responsibility, tell me what you want."

Li Qinqin pointed her arm directly at Albert Ou.

"Miss Lai, I'm not sure I understand what you mean."

"It's not clear, I just want your husband ah" Li Qinqin didn't hide her ambition at all, "You can't let the child in my belly come out of life without a father can you"

"Then you should know that I have two sons too, you can't leave my two sons without a father for the baby you have in your belly."

"So are you comparing numbers with me? what is your status and what is my status I am but the big sister of Xiangli Group, turn around and take your two

sons and leave here, Albert Ou will give you a large sum of money, then I will also have my father subsidize you a large sum of money, even if you don't film for the rest of your life, you will be able to live a life of food and clothing."

The disparity in identity makes Jasmine Tong feel like she is the third party who is destroying someone's family.

"You need to stop talking nonsense, there's no way I'm divorcing Jasmine."

Albert Ou snarled towards Li Qinqin.

"Miss Lai, it's true that you are the eldest daughter of the Xiang Li Group, but you should also know that my uncle is the head of Huo's jewelry, and we have each other."

"A mere Huo's jewelry would dare to compare with my Xiangli Group Jasmine Tong, are you looking down on the Xiangli Group or are you looking up to that uncle too much"

Li Qinqin didn't care.

Jasmine Tong had nothing to say, Huo's jewelry was indeed no match for Xiangli Group.

"If you ask me, it's an act of God, and all three of us should accept our fate."

Neither Jasmine Tong nor Albert Ou spoke.

"I was all set to leave the country and go away, but just suddenly I had sex with him, and it was no big deal, giving my first time to the man I love, and I didn't need him to be responsible for me, I was resigned to my fate, but God suddenly made me pregnant."

Li Qinqin touched her belly, "Isn't this even the will of the gods so I follow the will of the gods, you two should do the same, Albert Ou, you are destined to be my man and the father of my child."

"Bullsh!t providence I've never believed in providence."

"Miss Lai, you should stay for a while, there's too much at stake in this matter and I need to think about it." Jasmine Tong stood up and prepared to go out.

“What’s so involved, all you have to do is divorce Albert Ou and give up your seat to me, right? In the end, it’s you who can’t give up this seat, right?”

Jasmine Tong wasn’t annoyed in the slightest, “Miss Lai, you just got pregnant and you know you can’t leave your child without a father, but my child can already call itself a father and I can’t leave my child without a father, so I certainly need to think about it.”

“Okay then, I’ll give you time, but my dad doesn’t know where I am, and in a couple of days when he finds out I haven’t been home, he’ll definitely come looking for me, and then it won’t be possible to hide things.”

Jasmine Tong understood Li Qinqin’s meaning, and she walked out of the room with Albert Ou without speaking.

Once back in the bedroom Albert Ou quickly hugged Jasmine Tong, “I’m sorry, Jasmine.”

“What’s the point in saying sorry now, I know you didn’t want her to get pregnant either, it was an accident.” There’s no point in blaming anyone now.

“Jasmine, I don’t know how else an accident could have caused her to accidentally miscarry.”

“What’s the difference between that and taking away her baby and a murderer” Jasmine Tong very much disagreed with doing that, “You mustn’t do anything rash, if you do I’ll be mad at you.”

Just at this time, Jasmine Tong’s phone rang.

Her Bossy Yet Naive CEO Chapter 648 - 650

Chapter 648

Dark Empire State Building

Several black limousines lined up in front of the building, and a dozen men in sunglasses and black suits stepped down.

The car door opened again and a slight man, also wearing sunglasses, stepped down and entered the building together in a crowd of people.

As soon as the Dark Empire security officers tried to come up for questioning they were pushed away by the bouncer, they went straight into the elevator and the security officers rushed to ask for reinforcements.

The huge staff went straight up to the floor of the president's office.

Albert Ou had just been briefed on the situation downstairs, and he probably guessed who it was, but fortunately he hadn't approved it.

The door to the president's office was kicked right open, and a group of people came barging in.

The Dark Empire's security personnel also rushed in to stand in front of Albert Ou.

"Mr. Lai, just come, what's the point of bringing so many people" Albert Ou sat on his office chair without meaning to get up.

"Albert Ou, you don't play dumb with me I just came to ask you one thing, is my daughter with you" Li Hanjiang pointed at Albert Ou's nose and snapped at him.

What's meant to come will always come, and Albert Ou has long anticipated that Lai Hanjiang will come sooner or later.

"There are too many people here, are you sure we're fit to talk about this."

Li Hanjiang looked around, there were actually as many as 30 people in this office plus the bodyguards.

"You guys go out first." Albert Ou told all the bodyguards on his side to exit the office.

Li Hanjiang also gave a signal to the bodyguards, who withdrew, leaving only Albert Ou and Li Hanjiang in the office.

"I do have your daughter." Albert Ou didn't hide it in the slightest, in fact there was no point in lying even if he did.

Li Hanjiang was relieved to hear Albert Ou admit, "Then I'll ask you again, is it true that you made her belly big"

"It was an accident."

"Don't tell me what's unexpected or not don't you know she's still just a 20 year old girl Albert Ou, you're a family man how can you do something so beastly Qin Qin is still a yellow flower girl, she's still in school"

Lai Hanjiang was a bit emotional and pointed at Albert Ou's nose and yelled at him.

Li Qinqin is Li Hanjiang's only daughter, and he has another son below him, but he is still young.

"Your daughter had to destroy my family in the first place, she repeatedly expressed her obsession with me, and as for us sleeping together, it was a complete accident, she cheated on me, and I'm not entirely to blame for that."

"Well you Albert Ou you got my daughter pregnant, you mean this is still blaming her for this kind of a\$\$hole and you can even say that."

Albert Ou shrugged his shoulders, "If you don't believe me, ask her if she's willing or not I told her to abort the baby, she's still not happy about it herself."

"You Albert Ou, hand over my daughter or I will immediately cease all cooperation with the Dark Empire."

"It's not that I'm giving her to you, it's that she doesn't want to go back with you at all, she's determined to marry me, but you know I'm married and I can't marry her, so why don't you come over to my house and pick her up?"

"Okay I'll go to your house right now and pick her up."

A large group of people, including Albert Ou's side, went to the Crystal Garden together.

Lechin wasn't surprised to see her father at all.

"Mr. Lai, if you could pick up your own precious daughter, then I'd appreciate it."

Naturally, Li Hanjiang's face was a bit uncomfortable, and he made it sound as if his daughter was reluctant to follow Ou Zeno.

But in front of others, Li Hanjiang was unwilling to reprimand Li Qinqin, and besides, this was still Albert Ou's house.

"Mr. Ou, could you give us father and daughter some time alone."

"Sure no problem." Albert Ou called out the maids in the room, but he didn't stay himself.

"Hashin,"

"Daddy" Li Qinqin didn't wait for her father to speak up and threw herself on her knees, hugging her father's leg and bawling her eyes out.

Li Hanjiang loves his ex-wife very much, and is also very fond of his daughter, who cries and he can't say what he wants to say.

"Qin Qin, don't cry is it that beast Albert Ou who bullied you, tell daddy, daddy will help you decide"

"Dad, the doctor said that the doctor said that I "Li Qinqin kept crying and crying and crying Li Hanjiang was distraught.

"What did the doctor say? This girl, speak up and stop crying."

Li Qinqin wiped the tears from her face, "The doctor said that there's something wrong with my uterus, and if I have the baby done, I'll never be able to have a baby again."

Li Hanjiang felt a blow to the head.

He hurriedly helped Li Qinqin up, "Get up and talk to me slowly and properly."

Li Qin Qin and Li Han Jiang sat on the chair, "It's all my fault, I shouldn't have pestered Albert Ou, but it's already happened, I wanted to secretly abort the baby, but the doctor said that if this baby is aborted, I won't be able to be a mother anymore."

"Chinchin, is it true what you said?"

“Dad, of course it’s true, how could I lie to you I’m usually a little naughty, but how dare I use it as a joke when it’s such a big deal.”

It’s not a problem for Li Hanjiang to think about it, Li Qinqin is usually mischievous at home, but how can she dare to joke about such a big issue?

“Dad, I really like Albert Ou, please let me and him have our way or else what’s going on with the baby in my belly,” Li Qinqin said and cried again.

“Silly child, Albert Ou is not worthy of you he’s almost 30 years old, besides he still has a family” This marriage Li Hanjiang said no matter what, he can’t agree to it.

“So what if he’s almost 30, he’s handsome and dashing, and many women take him as their idol. Besides, he and his family are a perfect match, and as for being married, let him get a divorce.”

“That’s easy for you to say. If she doesn’t get a divorce, how will he marry you, or make you his little wife?”

“That Jasmine Tong isn’t even good enough for Albert Ou he only has one uncle, the Huo of Huo’s jewelry, no comparison to our family, tell her to get a divorce she has to get a divorce.”

Li Hanjiang was still a bit muttering.

“Dad, think about it, our family is big, who else can I marry, who is worthy of me, look around, it’s the Dark Empire’s Albert Ou, although he’s a few years older than me, but there’s no problem, if I marry him, but we can be a win-win situation, it’s also good for our family’s company.”

Li Qinqin’s words had really convinced Li Hanjiang.

“Dad, think about the baby in my belly, this baby really can’t be done, if it is, my life will be over”

Chapter 649

Li Hanjiang was also caught in a tangle, if it was really as Li Qinqin said, then the child really couldn’t do it.

If you look around, there are not many people who can be a good match for Li Qinqin, and if the marriage with the Ou family is really good for the development of Xiangli Group.

“Dad, even if my daughter begs you, okay?” Li Qinqin’s tears fell down, and Li Hanjiang’s heart softened even more.

Albert Ou and Jasmine Tong waited in the living room downstairs, both of them stone-faced, wondering if Lai Hanjiang could talk his daughter out of it.

Just at this time Lai Hanjiang came down from upstairs, and Li Qinqin did not follow.

“Mr. Lai, am I right, making love is relying on me.” Albert Ou stood up and looked directly at Lai Han Jiang.

“Humph Albert Ou, you made my daughter’s belly big now why do you want me to take my daughter away, the thing is that you did it, you should be the one to clean up” Li Hanjiang suddenly changed his attitude.

It was a bit of a surprise for Albert Ou and Jasmine Tong.

“Albert Ou, I give you one month to marry my daughter immediately or suffer the consequences.”

Li Hanjiang finally made his offer.

“It’s impossible you know, I’m married” Albert Ou objected right away.

“That’s your business, it has nothing to do with me or my daughter Albert Ou, I’m asking you one thing right now, do you want to marry my daughter or not.”

“I’ve just told you it’s impossible, I’m married and have two children” Albert Ou of course couldn’t agree.

“Then you’ll just have to wait.” Li Hanjiang brushed his sleeve and left.

Albert Ou and Jasmine Tong both panicked a bit, according to common sense, Li Hanjiang would definitely let his daughter abort the baby, after all, Li Qinqin is only a 20-year-old girl.

But it never occurred to me that the father and daughter were unprecedentedly united, and their only goal was for Albert Ou to marry Li Qinqin.

“Honey, what would Lai Han Jiang do?”

“It’s nothing more than a cancellation of cooperation, and it’s a good thing we’re here.”

O Zeno’s gaze was dark and charming, he just didn’t tell Jasmine Tong how powerful Lai Hanjiang was.

That night Jasmine Tong and Albert Ou were both ready to sleep after their baths, when Li Qinqin suddenly came over, still holding a pillow in her arms.

Li Qinqin wore her pajamas with a provocative look, “I’m going to sleep in this room and he’s staying.”

As she said Li Qinqin pointed at Albert Ou.

“Get back in your room this is my bedroom and Jasmine’s.”

“It’s your bedroom, of course, only soon it’ll be our bedroom, and it has nothing to do with Tong’s Manny.”

Jasmine Tong tried to calm her thoughts, she knew that this ghost girl was breaking down all her defenses, so she couldn’t panic even more.

“Miss Lai, although you are carrying my husband’s flesh and blood in your belly right now, my husband and I are not divorced yet and I am still the mistress of this house, so please get out, we are going to bed.”

Li Qinqin was also not bluffed by Jasmine Tong in the slightest.

“You less take your identity as a mistress to pressure me, who will be the mistress here in the future is not certain yet Jasmine Tong, do we want to take a step to talk”

In the meantime, Albert Ou shook his head towards Jasmine Tong.

But Jasmine Tong still went out with Li Qinqin.

“Tell me, what’s your trick again?”

"I don't have any shenanigans, I just want you to understand the situation, the initiative is all in my hands now if you and Albert Ou are planning to divorce, I'm sure you'll fight for custody of your two children."

Jasmine Tong couldn't help but shudder, the girl was just 20 years old, but she was very thoughtful.

"I know that Albert Ou has transferred all his property into your name, if you will transfer it all back, the two children you take with you, and if you will not take the two children, they are all mine, and I tell you that I am not a kind girl, and what I will do with your children."

Lechin stretched out her finger to point to the ceiling, "God knows."

It's a naked threat.

"Of course, if you're willing to pay Albert Ou back, but we're also willing to give you a sum of money to keep you well fed and clothed for the rest of your life, you're a bargain."

"I thank you for your kind words, but the truth is my husband is not going to divorce me." Jasmine Tong returned to the bedroom after looking at Li Qinqin.

Li Qinqin did not make any more noise but went back to her room, she had only wanted to give Jasmine Tong a run for her money.

Back in the bedroom Jasmine Tong looked a little dispassionate, Albert Ou held her.

"Jasmine, don't you listen to her nonsense what she said to you."

"Nothing to say, let's sleep."

"Okay, Jasmine, remember that I will never divorce you and you have to promise me that you won't divorce me."

Albert Ou grabbed Jasmine Tong's shoulder with a firm gaze.

Jasmine Tong smiled slightly and nodded her head slightly, lying on the bed her head was a mess.

She found that she would always have her own weaknesses throughout; her weaknesses used to be Yarwen Tong, but now her weaknesses were her children.

Li Qinqin returned to her room to receive a message.

“Get your father to cancel all cooperation with the Dark Empire, which is on the verge of bankruptcy, and Mandy is a softy, she’ll give up the marriage voluntarily.”

Li Qinqin immediately replied asking, “In that case, will Jasmine Tong initiate the divorce? Will she be so great?”

“Of course, the Dark Empire is Albert Ou’s heart and soul, Jasmine Tong will give up this marriage for the sake of the Dark Empire, for Albert Ou, and for the sake of her employees.”

“Well, I’ll try.”

“But you must promise to pay her what I should, not a penny less, and to give her both children, or she will break down.”

“Don’t worry, I never put money on the line, but I think the more she breaks down, the more important your presence will seem, are you sure?”

“I’m sure.”

Lechin’s face rippled with a victorious smile, and she couldn’t wait to celebrate.

The next day before Albert Ou woke up, he received word from the company that Lai Han Jiang had defaulted on his contract.

He cancelled all business with the Dark Empire and withdrew all his investments.

The Dark Empire was in chaos right now and desperately needed Albert Ou back to help out, and Albert Ou went straight back to the office for a meeting and discussion without eating breakfast.

Leng Lords and Meng Rujiao went on a trip two days ago, and Meng Rujiao kept yelling that the house was too stuffy, so the two of them just left. Now there wasn’t even anyone around Albert Ou to help him.

On the fourth day, Jasmine Tong received a call from Lai Hanjiang.

“Jasmine Tong, if you don’t divorce Albert Ou, I will bankrupt the Dark Empire.”

Jasmine Tong told Albert Ou about it as soon as Albert Ou returned.

Chapter 650

Albert Ou was clearly exhausted, but he appeared to be light-hearted in the face of Lai Hanjiang’s words.

“A mere Xiang Li Group can’t shake the foundation of our Dark Empire, don’t listen to his bragging, don’t worry, I’ll take care of it.”

“Is it really okay? “Jasmine Tong could see in Albert Ou’s eyes how agitated and tired he was.

“It doesn’t matter if I say it doesn’t matter, Li Hanjiang doesn’t even have the door to force me.”

Albert Ou doted on Jasmine Tong’s hair.

Both of them knew in their hearts that even if this matter was okay, Li Qinqin’s belly would grow bigger by the day and they had to face this child’s appearance.

“Jasmine, why don’t we create an accident and get rid of her baby.”

Jasmine Tong immediately shook her head, “I can’t do this despicable thing, not to mention it’s a life, if we do it, I’ll be uneasy for the rest of my life, we’re people with children, you mustn’t do anything stupid.”

“Well then, I’m all ears.”Albert Ou said so on his lips, but his heart was in a different place.

In just a few days’ time, Li Qinqin has made a complete turn around the Crystal Garden. She has no intention of playing now, but will have a good time here when she is done.

Jasmine Tong was in the nursery with her two sons when Li Qinqin ran over.

“Jasmine Tong, your husband’s company is about to close down, and you have the leisure to spend time with your child.”

“You’ll know when you’re a mother, and you’ll have to spend time with your own children whether you have any free time or not.”

“You’re really hard-hearted ah, do you want to watch your man’s hard-earned career be destroyed in your hands” Li Qinqin narrowed her eyes and smiled, “As long as you agree to the divorce, I’ll immediately make my father stop”

“Even if he has nothing, I’m willing to follow him, I won’t get a divorce, you die for that” Jasmine Tong didn’t even look at her, still shaking Xiao Qi in the shaker.

“You’re stubborn,” Li Qinqin asked herself, returning to her room and starting to sulk.

This move by Mo Yiang just doesn’t work.

She pulled out her phone to send a message to Mo Yiang.

“Mandy doesn’t want a divorce at all.”

“Don’t worry about it yet, she’s calm on the surface, but she’s actually very tormented, you should worry about yourself now.”

“What do I have to worry about, eat well and sleep well.”

“My brother-in-law is going to do something to you soon, you have to be extra careful with all the food the maids bring over for a few days, and you better not go out either, if I’m right, my brother-in-law will create an accident that will cause you to miscarry.”

Li Qinqin was also shocked when she saw the message sent by Mo Yiang, which was a reminder to her.

“So what do I do?”

“You just have to be careful, don’t do anything else, and go to Mandy for help at the critical moment, and let Mandy know that my little uncle wants to see the baby in your belly.”

“You just forget about it Jasmine Tong will definitely collude with Albert Ou, Albert Ou wants to harm me Jasmine Tong will not know”

“My Uncle Junior must have discussed it with Manny, but Manny would never have agreed and would have warned my Uncle Junior not to do it, and if Manny knew my Uncle Junior had done it, the two of them would have fought.”

“It’s impossible, isn’t it? Albert Ou wants to harm me to be with Jasmine Tong too, Jasmine Tong, it would be too insensitive to turn against him over this matter.”

Lechin analyzed it from her own perspective.

“Anyway you listen to me on this matter, it’s bound to make the two of them quarrel violently, and not only Manny, but my little uncle will flip out too, I know them too well.”

“Well, then, I’ll go along with your plan.”

After dinner, a small snack or fruit is usually prepared for the evening.

With only Albert Ou and the maid in the living room, Jasmine Tong was usually in the nursery with her two children this time of day.

The maid came out with a bowl of soup.

“Have you added everything I asked you to add?” Albert Ou’s voice was low and terrible.

“Sir, it’s all added in.”

“Very well, send the stuff up and don’t miss the filling.”

“Yes, sir.” The maid took the soup and went straight upstairs.

Albert Ou just sat in the living room and waited, and to make sure nothing went wrong, he had brought the abortifacient from the hospital on purpose, and I’m sure news will be coming soon.

Just get rid of this baby and all that will be over.

Albert Ou sat in the living room and gently closed his eyes.

Soon first there was a sound of something falling on the floor, followed by the screams of girls.

Albert Ou opened his eyes fiercely and stood up and walked towards the upstairs, Jasmine Tong also heard the voice and followed it to Li Qinqin's room.

Li Qinqin lay on the ground and covered her stomach.

Jasmine Tong even went to help Li Qinqin, "What happened?"

"My tummy hurts, my tummy hurts," Li Qinqin yelled at the top of her lungs that her stomach hurt.

"Prepare the car to go to the hospital immediately" Jasmine Tong shouted towards Albert Ou.

But Albert Ou didn't move, he stared at Li Qinqin with a tight frown, "Don't pretend."

Jasmine Tong was completely unaware of what was happening, but Li Qinqin suddenly stopped and stood up in a big sway instead.

"You can even tell that."

"You didn't even have soup."

The first reaction should be bleeding, and there won't be such severe pain.

He was just surprised to learn that she had been drugged.

"Of course I didn't drink the soup, would I still be standing here if I did" said Lai Qinqin as she touched her stomach.

"What are you two playing at?"

"You asked him" Li Qinqin's stood next to Jasmine Tong's and pointed at Albert Ou.

Albert Ou turned to leave, but was stopped by Li Qinqin's shout.

"Don't you dare do that if you're not a man anymore Forget it, let me tell you, he put abortifacients in the soup and tried to abort the baby in my belly"

Jasmine Tong turned her head to look at Albert Ou in shock, "You drugged her how could you do that, didn't I tell you everything, no matter what, what's in her belly is also your child"

"So what if it's my child, as long as this child lives, the two of us can't go on, don't you realize that yet" Albert Ou was not to be outdone.

"Haven't we been trying to figure out what to do? How could you use such despicable means to hurt your own child, to hurt a 20 year old girl" Jasmine Tong never felt that Albert Ou was a despicable person.

"Yes, I'm mean, I'm selfish, I'm all this for who?"
