

## Her Bossy Yet Naive CEO Chapter 651 - 665

### Chapter 651

Faced with Jasmine Tong's accusations, Albert Ou once again lost control.

"Don't always say it's for me, even if it is for me, you can't do something against morality, something so vile."

"Against morality" Albert Ou directly interrupted Jasmine Tong's words, "Humph, Jasmine Tong, we've been together for so long, don't you understand? Don't say against morality, this is against the law, even if you go to jail and get shot, as long as it's for you, I'll do it."

The two of them stood against each other, and Li Qinqin was feeling a little awkward at this time instead, making them fight was something she was looking forward to, but now she had an unexplainable feeling in her heart.

"Jasmine Tong, you keep saying that you love me, but now even to abort a child in someone else's womb you are not willing to yes, you are good, you are kind aren't you willing to do it for me even if you don't want me to do it"

"But aren't we trying to figure out what to do? I already told you that this won't work, and you're still doing it, so can you please not use violence to solve the problem."

"Violence is the only way to solve problems. Do you know how hard it is for me to solve problems? The Dark Empire was built by my own hands, and it's because I met you that it's like this.

Albert Ou left Jasmine Tong where she was and sailed away, and Jasmine Tong left quietly by herself after a long time.

Li Qinqin smiled as she returned to her room, the two of them were really fighting, it seemed she should have contacted Mo Yiang earlier, Mo Yiang knew the two of them too well, he had guessed every step of the way.

The Xiangli Group is still putting pressure on the Dark Empire, and Li Hanjiang, using his own connections, is doing his best to blockade the Dark Empire, which is in danger.

Jasmine Tong had also learned from the news that Albert Ou hadn't returned for three days and nights, and was probably dealing with company matters and was trying to figure out how to cope.

Actually, Albert Ou was right, as long as the child in Li Qinqin's belly was still there, this matter would not be resolved.

But to make a move on the child in Li Qinqin's belly, Jasmine Tong still couldn't do it.

That night, Albert Ou still hadn't returned, and Jasmine Tong knocked on Li Qinqin's door.

"What do you want with me in the middle of the night" Li Qinqin yawned very impatiently, she had fallen asleep.

"It's time to put an end to this between us, don't you want to put an end to this?"

Lechin immediately woke up for a nap and the two sat on either side of the table as if they were negotiating.

"I lost." Jasmine Tong raised her head and told Li Qinqin straightforwardly.

"You'd have conceded sooner and it wouldn't have come to this." Li Qinqin could finally breathe a sigh of relief.

"No, I'm not losing to you, I'm losing to myself, I still can't do anything to hurt anyone else, and I'm not willing to let my husband hurt anyone else for me, and I'm not willing to watch the mountains he's built with his own hands be destroyed."

"So you're agreeing to a divorce are you? Well then, tell me your terms." Li Qinqin staged a staged posture.

"I've decided to divorce him, I'll take my two children with me, and I've agreed to transfer my property back into his name, I don't want the money, I have no problem supporting my two children with my ability, I only have one request."

"You name it, if I can satisfy you." Li Qinqin felt vaguely uneasy, but was reluctant to bargain with Jasmine Tong.

"Love him well."

When Li Qinqin heard these four words, she felt a little strange in a trance.

“Only this.”

“That’s right, that’s the only one, you love him well, he’s a man worth loving well, he looks intimidating and fearless on the surface, but in reality he’s very childish, he’s afraid of a lot of things, he looks like a lion, but in reality he’s just a big cat.”

Jasmine Tong’s eyes couldn’t help but redden as she said this, “I won’t say any more, you’ve been with him for a long time, it’s only natural that you’ll understand, I’ve said all I have to say, you can tell your father to stop.”

Li Qinqin felt sour in her heart, “What if my father’s side stops and you don’t get a divorce? How can I trust you.”

“I’ll be going through the formalities with him tomorrow, you can count on that.”

“So soon tomorrow “This speed was a bit too much for Li Qinqin to handle.

“The Dark Empire can’t hold out any longer, I’m sure you know better than I do.” Jasmine Tong stood up and walked out of Li Qinqin’s room.

After Jasmine Tong left Li Qinqin has not been asleep, she was simply too excited, did not expect that with Mo Yiang’s divine assistance, she was able to get them divorced so quickly!

She got up very early, and when she went to the restaurant, she saw Albert Ou come back, and Albert Ou’s face was very ugly, then the two of them went out the door together, and she also heard Jasmine Tong say if she had all her papers with her.

It looks like they’re really getting ready for divorce proceedings.

At the same time, Li Qinqin also received a message from Mo Yiang.

“The two of them are getting ready for divorce proceedings today, you’re done with the big job, so can we meet?”

“Of course it’s no problem, it’s on me.”

The two quickly agreed on a place to meet, and met at a more intimate western restaurant.

By the time Lai Qinqin arrived, Mo Yiang had already arrived.

“Shadow Emperor, I find that you are really predictable ah all by you” Li Qinqin couldn’t help but give a thumbs up towards Mo Yiang.

“Of course, I know my youngest uncle and I know Manny, and I know their feelings better.” Mo Yiang didn’t look so happy though.

“I should thank you, without you, I wouldn’t have achieved my goal so quickly, come, I’ll toast to you first” Li Qinqin raised her glass of red wine and clinked Mo Yiang’s glass.

“Are you really that happy?”

“Of course I’m happy, why wouldn’t I be happy I’ll be marrying Albert Ou soon”

“Do you know why they got divorced? Because they loved each other so much that you succeeded, you broke up a couple who loved each other.”

Li Qinqin sipped red wine somewhat unnaturally, “This world is like this, people don’t do it for themselves, the heavens condemn them, their love story is touching, but if it were me, my love story wouldn’t be bad.”

Mo Yiang smiled bitterly.

“Kagome, it’s your turn next, it’s been hard and touching for you to guard a woman in silence for so many years, and I think that’s a good way to end it.”

“Yeah, that’s a good way to end it. But I’m very curious.”

Chapter 652

“Are you pregnant or not? You’re really pregnant with my little uncle’s child.”

As the two of them ate and drank and talked, Li Qinqin also opened up the conversation.

“Of course not,”

“You’re not pregnant.”

“Of course I’m not pregnant, I’m not going to lie, I put some drugs in your little uncle’s drink that night, I was going to have sex with him, but unfortunately, the first time I used it, I had no experience with it, I put too much, and he slept through it in their hotel”

Li Qinqin was also a bit of a nuisance that night.

“So nothing actually happened to you that night,” pursued Mo Yiang.

“He was so drunk, what else happened ah And he mumbled all the time, you go away, I’m married, I have a wife and children” Li Qinqin while cutting the steak can’t help but roll her eyes.

“Haha, that’s my little uncle’s style, and another thing, Manny once snuck up on me and called me over and said she found a pair of women’s panties on the passenger side of my little uncle’s car, they were yours, right?”

“Hahahaha,” said Li Qinqin laughing at this.

“What are you laughing at?”

“Is she particularly nervous?”

“What do you think of a woman who finds a pair of panties in her husband’s car that don’t belong to her.”

“Actually, I secretly left those panties by myself while Albert Ou was driving and wasn’t paying attention, I was just trying to get them two to fight, but I didn’t think they’d even get into a fight, no fun”

Li Qinqin gulped down a fruit salad.

“You’re too calculating for a girl.”

Li Qinqin pouted proudly, “My dad taught me from a young age that I should do whatever it takes to get what I want I can also tell you one more thing, the first time I drank with Albert Ou, I actually set it all up.”

“What else have you devised,”

“I can’t drink at all, I was pretending to be drunk that night, the two people who wanted to take advantage of me that night were also arranged by me, I had to create an opportunity for myself and Albert Ou ah Also, why was this incident

caught on camera by the paparazzi because the paparazzi were also arranged by me, hahahaha, awesome, right?”

Speaking of this chain of events, Lai Qinqin felt very proud of herself.

“At such a young age, who taught you all this?”

“Do we even need to be taught this, Uncle, I think you’re just like that Albert Ou, you should be eliminated.”

“Do you think you’ll be happy when you’ve got my little uncle in such a despicable way?”

“Happiness or not, I got what I wanted anyway, I’m just happy I just ordered flaming ice cream why isn’t it here yet?”

Lechin pressed the call bell on her desk, and the door opened at that moment.

Li Qinqin waved towards the door, “Waiter, why isn’t my flaming ice cream coming up.”

The words were just silly to her.

The people at the door were Albert Ou, Jasmine Tong, and his own father, Lai Hanjiang.

Li Qinqin looked at the people at the door, then at Mo Yiang.

Mo Yiang leaned back in his chair and pointed at the tissue box beside Li Qinqin’s hand, “They all heard what you just said.”

It was only then that Lechin noticed an invisible recorder on the tissue box.

“You betrayed me.”

Mo Yiang shrugged his shoulders, “One is my youngest uncle and the other is a friend I’ve had for years, I’ll help someone I’ve never met before”

“Mo Yiang, you bastard” Li Qinqin felt she was being fooled

“Qinqin” Li Hanjiang scolded and walked in with big steps.

“Daddy me,”

Li Hanjiang lifted his hand and slapped it, "Get out of here yet and don't embarrass yourself here."

Li Qinqin covered her face, tears in her eyes, "Dad, you hit me"

"I beat you for such a despicable thing, you even did it and are proud of how I educated you and you even lied to me, do you know you almost made a big mistake."

Li Hanjiang dotes on his daughter, but not to the point where he can't tell right from wrong.

"The car's downstairs. I'll take care of you when I get home."

Li Qinqin turned around and ran, she covered her face and looked at Albert Ou and Jasmine Tong, the bouncer at the door took her away straight away.

Li Hanjiang turned to look at Albert Ou and Jasmine Tong.

"Mr. and Mrs. Ou, I'm so sorry for the trouble."

Lai Hanjiang bowed deeply towards Albert Ou and Jasmine Tong.

"Mr. Lai, the children will have to go back and be disciplined."

"Yes, Qin Qin's mother died very early, I was busy with my career and really neglected to discipline her, this daughter of mine is really giving me a headache, I found her a stepmother who was supposed to educate her properly instead of me, but who knows that my current wife couldn't do anything to satisfy her, especially after her brother was born, she went on a rampage."

Li Hanjiang was also very helpless towards this daughter, "Mr. Ou, no matter what, it's because my daughter has caused such a big trouble to your family, don't worry, our cooperation will continue, and I will make it up to you."

"Mr. Lai, family matters are important."

"I'll leave it at that, I'll treat you to a formal apology some other time." Lai Hanjiang hurriedly left with a remorseful sigh.

They were the only three people left in the room.

“Uncle, how are you going to reward me this time if I’ve made another merit?”

Mo Yiang immediately began to take credit for it.

Albert Ou touched Mo Yiang’s head, “I’ll reward you with a nephew-in-law bar the daughter of the CEO of the Sumer Group, a year younger than you, go meet with her tonight.”

(onom.) snort

“Uncle, you don’t take such a trap, I have helped you so much, you even pushed me into the fire Little Man, do you care about your husband”

Jasmine Tong immediately took Albert Ou’s arm, “I listened to my husband, this girl is quite nice, or I picked it, go meet her.”

Mo Yiang immediately banged his head against the table, “If you know this way I won’t help you guys you’re hurting me so much”

“It’s not to your detriment, great nephew, are you really like those seniors in the entertainment industry, forty or fifty years old and not married as your elder, or to remind you that although you are a star, you still have to live an ordinary life, work and life are separate.”

Jasmine Tong patted Mo Yiang’s shoulder in a long-winded manner.

“Come on, honey, let’s go home” After all this tossing and turning, they were finally able to go home with joy.

Albert Ou drove the car Jasmine Tong sat in the passenger seat.

“There’s one thing I’m particularly curious about, wife, about the fact that my oldest nephew likes you, and I wonder what you think about it.”

“Ah about that,”

Chapter 653

There had actually been something going on between them that both of them knew, but neither of them had pierced.

“Actually, I’ve known about it for a long time, I just never said anything about it, I didn’t even notice at first, I even thought it was a little baffling that you

were jealous of him, until I realized later that it made sense for you to be jealous of him.”

“Albert Ou didn’t think that it was because he was jealous that Jasmine Tong had noticed.

“It’s better to know than not, I’ve always had feelings for him as a friend, and I know that the reason he hasn’t told me is because he’s afraid it might affect our relationship, so it’s better to play dumb and pretend not to know.”

“The son of a motherf\*cker is stealing his wife from me, and the great nephew is stealing his wife from me too” Albert Ou couldn’t help but explode.

The trapped Mo Yiang had to go on a blind date, he could ignore other people’s orders, but this time it was arranged by Albert Ou, he had to go even if he didn’t.

After all, he was a public figure and couldn’t go to a place with too many people, so he chose a cafe.

Mo Yiang didn’t even change his clothes to hang himself.

The other party was already there when he went, and Mo Yiang couldn’t help but get nervous as soon as he walked in.

The other a solemn dress lined with exquisite body, a face very beautiful and gentle, beautiful and generous, dignified and elegant, this is Mo Yiang’s first impression.

“Hi, my name is Fandor.”

“Hello, Mo Yiang.” Mo Yiang became a little more reserved and shook hands with the other party, then sat down.

“I’ve heard a lot about you, and this time it’s finally not watching you on TV.” The girl named Fang Duo smiled slightly, and there were two pearly whorls in her smile, which was very amiable.

“A lot of people say that the first time they see me.” Mo Yiang laughed awkwardly.

I don't know if it's because I've seen too many girls who scream loudly every time I see them, but Mo Yiang actually lost his mind when he saw the demure and generous Fang Duo.

The two of them talked a lot, and Mo Yiang also learned that Fang Duo had just returned from studying abroad, and they also talked about Mo Yiang's TV shows and movies.

In the end, because it was so late, Mo Yiang even sent the other party home.

Mo Yiang drove back to his apartment, smelling unease as soon as he entered.

Albert Ou and Jasmine Tong were sitting in the living room, turning on the TV and eating snacks.

"How did you two get in here?"

"I know where you keep your keys." "How's business with Fondle?"

As soon as we walked in the door to talk about this topic, Mo Yiang was clearly a bit disgusted.

"It's so late, you two go home and applaud for love."

"This need for you to say that if it were not for your little bit of crap, it would not have delayed the two of us for so long, immediately give me an honest explanation in the end," Mo Yiang can not be so gentle Jasmine Tong.

"Just met once, what is there to explain" Mo Yiang's eyes were a little dodgy.

This subtle change was immediately noticed by Jasmine Tong.

"I can tell you, brat don't play tricks, but I promised your mother that I will set this matter before the New Year, if you dare to give me a drop, you see how I will deal with you" Albert Ou considered an ultimatum.

"What's the matter before the New Year to set this thing down, what's the matter hard to get me married before the year is up this is three months away from the New Year"

It's killing me that time is so short.

“It’s not even about getting married, at least you have to be sure of a relationship, you can’t be so nervous about a flash mob.” Jasmine Tong was busy explaining Albert Ou to her.

“That’s too soon,”

“Fast what fast I’m getting married without even meeting your little aunt.”

“I can compete with you guys, you’re just blind cats touching a dead mouse.”

“Who are you calling a blind cat and a dead rat?”

“Doesn’t that mean the same thing?”

“You jerk,”

Jasmine Tong hurriedly pulled Albert Ou, “Alright, alright, it’s useless for you to yell at him like that, you’ve only met him once, at most you have feelings, let them walk around and see, let’s go home.”

Jasmine Tong winked at Mo Yiang and pulled Albert Ou out the door.

Mo Yiang went back to the bedroom to lie down directly on the bed, distracted, forced marriage is forced to the home

But that Fandor was fine today.

Albert Ou drove Jasmine Tong home in his car, and if it wasn’t for Yao Xiangyun also talking to them, they wouldn’t have come all the way over to find Mo Yiang.

“I think this girl I saw today should have a show.”

“But he didn’t say a word, how did you tell” Albert Ou was in disbelief.

“When you asked him, his eyes were a little dodgy, I know him too well, he’s never seen many beautiful girls in the entertainment industry, there aren’t many girls who can make his eyes a little dodgy, besides if the girl had that slightest flaw, he’d have said smooth words like he’s reduced people to nothing.”

“So this thousand-year-old daughter of the Nansen Group is still to his liking.”

“Should still give him time to walk around it, and then he’ll give definite news this won’t work before introducing him to something else.”

“Well.”

“Why did you stop the car” Jasmine Tong looked at Albert Ou in puzzlement.

“Not go home today to stay in a hotel, can’t wait” Albert Ou pulled Jasmine Tong out of the car and headed straight to the hotel.

Jasmine Tong is also unable to take him, did not expect so long after the marriage, but still out of a room

On the same night, Li Qinqin was not so well off.

Li Hanjiang scolded her, and Li Qinqin, whose face was a little swollen, stood in the corner and kept crying.

Li Hanjiang’s current wife, Wen Lan, is young and beautiful, but she is a gentle and virtuous wife.

“Come on, Han Jiang, don’t scold her, Qin Qin is just 20 years old.”Wen Lan drew a tissue and walked over to Li Qinqin.

“You less false sympathy don’t you cat cry fake mercy” Li Qinqin stirred Wen Lan a glance ruthlessly.

“Look at what you’ve done to me.” Li Hanjiang scolded me again.

Wen Lan seemed to have gotten used to Li Qinqin’s attitude towards herself, “It’s past 12 o’clock, let her go back to sleep, after all she’s been through, she herself knows it’s wrong.”

“Look at her like that, does she look like she knows she’s wrong? You don’t need to talk me out of it, I won’t spare her this time”

Li Hanjiang is determined to give his daughter a taste of her own medicine.

Li Qinqin stood in the corner without saying a word.

“Go kneel for me in the cottage when you know what’s wrong and when you’ll get up again to write a 10,000 word check with me.”

Lechin went straight to the cottage, which was dedicated to punishing her, the same way her mother would have punished her when she was still alive.

“Mo Yiang, just wait for me I won’t let you go”

## **Her Bossy Yet Naive CEO Chapter 654 - 656**

Chapter 654

Mo Yiang and Fang Duo left each other’s WeChat numbers and occasionally chatted.

This was the first time Mo Yiang suddenly felt like wanting to be close to a girl.

“It’s getting colder, it hasn’t snowed yet, it’s drier, remember to drink plenty of water, a little daisy in the water would be nice.”

Looking at the message Duo sent to himself at the top of the screen, Mo Yiang felt warm in every cell of his body.

At that moment Mo Yiang thought of Jasmine Tong, Jasmine Tong also always had a lot of common sense in life that would tell him from time to time.

They soon met up for a second time, this time the two of them were watching a movie, the movie was released by Mo Yiang’s favorite actor, Mo Yiang had booked the show to support his best friend, but he and Fandor were the only two people in the entire screening room.

“Yi Aang, it can’t be just the two of us today, I see there are quite a few people lining up outside to buy tickets, how come there are only two of us in this hall” Fang Duo looked around at the empty surroundings.

“Because I’ve booked the whole place ah, I’ve bought tickets for the whole place, no one will come, just the two of us.”

Mo Yiang thinks his brother-in-law won’t be able to reach this level. It’s so romantic!

“Oh,” the expression on Fandor’s face looked a little embarrassed.

“What’s wrong just the two of us? “Mo Yiang sensed Fang Duo’s unhappiness.

“It’s not that it’s bad, it’s just that it’s peak movie season for the two of us to enjoy a movie and all the seats around us are empty and I think it’s such a waste, there’s a lot of people who can’t get tickets to see the movie or they have to change to another movie and it’s such a waste when you’re spending so much money and we’re only actually using two tickets.”

Fang Duo was also the eldest sister of the Nanzheng Group who had been a golden branch since she was a child, but she didn’t expect him to be able to say such things, which made Mo Yiang somewhat ashamed of himself.

“Not next time.”

“It’s okay, I know you’re probably doing it for my own good, I’ll take it as it is, or don’t do that next time, yo.”Fandor would smile.

Mo Yiang felt the smile was so relatable, and the two people chatted throughout the movie.

After the movie the two of them would walk down the street, Fandor wouldn’t be home too late and would mostly be home by 10pm.

She offered to go home when the time came.

“I’ll walk you home.”

“Not today, you’ve been busy the last few days, it’s rare that you can go home early today just go home and get some rest, my dad’s driver will pick me up.”

Fang Duo kindly refused, and the reason for this refusal also made Mo Yiang feel that she was looking out for herself in every way.

“All right then, I’ll watch you walk away.”

The two men slipped together again to the street, where Fandor’s driver was waiting.

“Oneon, have you had much of a work schedule lately?”

“It’s quite a lot.”

“Then take care of your body, don’t get tired, and don’t overspend yourself when you’re young.”

“Good.”

“When you have time let’s go to the spa our home spa center, the water quality is scientifically tested and there are many minerals that are especially good for you.”

“I’ll have to try that, I’ll meet you later.”

Fang Duo nodded with a slight smile and waved his hand towards Mo Yiang and got into the car.

As he watched Fandor’s car leave Mo Yiang, he was just about to go back to the parking lot to get his own car when he saw a familiar figure behind him.

Li Qinqin

“The Great Movie Emperor has even learned how to pick up girls ah “Li Qinqin put her hands in her pockets and examined Mo Yiang.

“Yo, your dad didn’t spank you to make you write a check at home,” Mo Yiang smiled, in his eyes Li Qinqin is still a child, but a very resourceful girl.

“Mo Yiang, I tell you, I don’t share the same fate as you, if it wasn’t for you, I wouldn’t have ended up like this” Li Qinqin really wanted to jump over and bite Mo Yiang

“I’d like to hear how you’ll end up with your father’s punishment.”

“None of your damn business.”

Mo Yiang shrugged his shoulders indifferently, “It is indeed none of my business, children should go home early, so as not to be late home butt should be beaten.”

After saying Mo Yiang swaggered towards the parking lot.

Li Qinqin was just about to catch up when the driver called out to her, “Miss, it’s time to go back, if you don’t, Li will be angry.”

“Hmph, wait for me” Li Qinqin stomped her foot hard and got into the car.

Her every move was being watched these past few days, and she couldn't do anything because she had angered Li Hanjiang, who had recently stopped her allowance.

It was better for her to be honest lately, and she took the car home and went into her room.

Her knees still a little sore, she rolled up her trouser leg, there was still a faint bruise on both knees and she took out the potion and applied it to the bruise, circling it back and forth.

“Mo Yiang, you son of a bitch, if I don't take this revenge, I swear I won't.”

She just heard Mo Yiang and that girl discussing something about a spa.

“You've ruined it for me, so I'll ruin it for you.”

Let's make up our minds.

After a week, Mo Yiang finally managed to adjust his time, because the spa center was Fandor's own and very easy to arrange.

It's not that crowded since it's not high season yet.

The first time to ask a girl to soak in a hot spring Mo Yiang is still a little nervous about it, but he has sacrificed a lot of time to practice his muscles, after all, soak in a hot spring then only wear a swim trunks.

Mo Yi Aang first changed his clothes and came to the hot spring area, he wore sunglasses, and with the hot air in the hot spring area, no one noticed that he was the famous Mo Yi Aang.

Mo Yiang found a less crowded corner and soaked into the hot spring, the warm water making every cell in his body incomparably comfortable.

“HELLO, does this gentleman need special service?”

A sweet sound penetrated his ears along with the warmth of the heat, tickling him.

I can't believe there's a special service in a serious place like this.

Mo Yiang turned his head to see that although the girl in front of him was wearing sunglasses, he was able to tell at once that it was Li Qinqin.

“Li Qinqin, what the hell are you doing” Mo Yiang directly took off her sunglasses.

Lai Qinqin was dressed in a fiery red swimsuit, looking especially bright and touching in the hot spring.

“What are you panicking about, Shadow Emperor, we just happened to run into each other.”

“I’m telling you ah, don’t mess with what’s gone before.”

“You’re over there, but I’m not over here.” Li Qinqin raised her eyebrows.

“What do you want” Mo Yiang looked around uneasily, luckily Fang Duo hadn’t come out yet.

“I’m here to soak in the hot springs today, I don’t want to do anything, why are you panicking?”

Just as I was saying, Fandor came over.

Chapter 655

Seeing Fang Duo coming over, Li Qinqin immediately took Mo Yiang’s arm.

“Mr. Mo, how recently are not to go to our place to play it we have several girls there can be looking forward to Mr. Mo it, there are several have not opened the bag ah waiting for Mr. Mo it.”

“There’s something wrong with you, Li Qinqin,” Mo Yiang snapped.

“Oh my, Mr. Mo, why are you so fierce, last time you weren’t praising someone’s beautiful parents, and saying that they had good, tender skin and smooth touch, did you have another new lover?”

Fandor calmly walked over, “Ran into an acquaintance.”

“I’m very familiar with Mr. Mo, and Mr. Mo is a regular customer of ours, and many girls praise him for his good skills in bed,” Li Qinqin said at the time of the ambiguous words.

Fandor smiled awkwardly, "Then you guys talk"

Afterwards she soaked right into the hot water.

Mo Yiang glared and shook off Li Qinqin's hand, "Li Qinqin, are you crazy"

"Hmph, you know how powerful my big sister is, you've ruined my good deed, I'm going to ruin yours too, it's called a blood for blood, a tooth for a tooth."

"Go away" Mo Yiang went straight to Fang Duo, "Fang Duo, don't get me wrong, that girl just now"

"You don't have to explain, I understand, you're not like that."

Mo Yiang was really scared out of a cold sweat and was just about to explain to Fang Duo, but he didn't expect Fang Duo to be so understanding.

"She just said I"

"That girl didn't mean what she said at first glance, I could tell she said that on purpose, she probably admired you too, or you offended her."

Mo Yiang was surprised that Fang Duo guessed so accurately.

"I did offend her a while ago, but it was to help my little uncle."

"It's okay, I trust you."

Such trust is precious.

Fandor wore a white swimsuit, one that wasn't too conservative or overly s\*xy, and it was just the right amount to wrap her curvaceous body.

It's a surprise to Mo Yiang that Fang Duo even has a vest line It seems that she usually works out a lot.

Li Qinqin stood aside and looked at Fang Duo, who had a great look and great body, and then at her own breasts, which seemed to be still developing.

"What's the big deal, it's just big b00bs cut."

This time Lai Qinqin failed to achieve her goal so she had to pout and hide.

It's never too late for a gentleman to take revenge for ten years, and she's in no hurry for that.

Mo Yiang and Fandor soaked in the hot spring and went to the cafe in the spa center for coffee and chatting.

Through the glass window Mo Yiang found a few men in suits coming in to take Li Qinqin away.

She was very reluctant to go abroad and shouted, "I don't want to go abroad, I'll never go abroad."

At that time, Mo Yiang was quite upset when he watched Li Qinqin being taken away.

For some reason he suddenly felt a sense of guilt, if he hadn't intervened, Li Qinqin wouldn't have ended up in this situation.

Fandor aimed a glance out the window.

"A girl like her was raised with superiority since childhood, because of her family's advantageous conditions, so she doesn't know how to work hard, her academic performance is very poor, depending on her family's money, there are unruly and capricious, and she doesn't put anyone in her eyes, such a scum out of the country is a mistress for those little punks."

Fandor analyzed as he sipped his coffee.

Hearing this comment Mo Yiang was a little shocked, although he felt that Fang Duo had a point, but Li Qinqin was a little more calculating and not so bad.

"Actually, I don't think Li Qinqin is a good person, but she doesn't have such a messy private life."

"The foreign world is very complicated, wait for her to go out for a year and a half and it will change, when I was abroad, many female students are like this, it's completely different from being at home, those foreign punks also specifically look for foreign students from our country."

Fandor has experience studying abroad, so she naturally has a say in the matter.

“Not so much,”

“Why not they all say that the rich can’t get richer than three generations, and those like her, who are unmotivated and uneducated, will be eliminated from society sooner or later, and the mountains that were built by her father will be destroyed in her hands. It’s no one else’s fault for not being educated from a young age.”

Mo Yiang grinned, he was also a school scum since childhood, good thing he had a handsome face, God rewarded rice, stepped into the acting circle, child star debut only to have him now.

If he hadn’t entered the acting world, he probably would have been like Li Qinqin, because his family was unmotivated and uneducated.

“Let’s not talk about her, lone, we’ve been in contact a few times, I’m a straightforward person, I’d like to ask you what you think of me”

“Opinion no opinion.”

Mo Yiang didn’t even understand which side Fang Duo was talking about.

“Does that mean we’re ready for a relationship?”

This makes Mo Yiang a little surprised, he is not ashamed to be back from studying abroad, he is so receptive to emotions!

“We also met on a blind date in the beginning and know each other’s families very well, and now that you know me a little bit better, I know you as well, so I’d like to set the relationship up if I can.”

It was true that Mo Yiang had some feelings for Fang Duo, but it was just that it made the girl feel a bit odd to have him say it.

“I should be the one to ask you that, shouldn’t I? How come you’re the one to say it instead?”

“I think it doesn’t matter ah, whoever says the same thing, nowadays everything has to be fast in this society, don’t waste each other’s time, if you get along, continue to get along or separate.”Fang Duo tilted his head and didn’t seem to find anything inappropriate.

“That’s right, everyone’s so busy, so of course we have to be quick.”

“So what are your plans for our future?”

Mo Yiang almost spewed out a mouthful of coffee when he heard the question.

Not to mention their future, he never planned for his own future, and his acting career was never handled by his agent.

He’s never been one to plan things out.

“So you have a plan” Mo Yiang was calm.

“Yes, I think your character is pretty good, and your treatment of people is all in line with my aesthetics, with a good body and high face value, our offspring will definitely inherit both of our fine genes in the future.”

future generations

Mo Yiang drank his coffee to himself and listened to Fandor’s words.

“My current plan is to get married next year, then I’ll recuperate and plan to have children, get them done early while I’m still young and we can get busy with our respective careers, as for the kids I plan to have two, if I have a son in one birth he’ll be good naturally, but considering you might like a daughter, I’d rather have two.”

Mo Yiang’s brain is racing, almost unable to keep up with Fang Duo’s rhythm.

Chapter 656

“Why don’t you seem to agree?”

Fandor stopped to observe Mo Yiang.

Mo Yiang was busy shaking his head, “No, I’m listening to you carefully.”

“It’s good that you don’t have an opinion, and your own life plan, I think you can still hit the international awards, you’ve pretty much won all the domestic awards, but the international awards are still blank.”

Mo Yiang laughed dryly twice, “I went abroad to make a movie before, but I didn’t feel comfortable with it, so I moved back to China to develop it.”

“A long time will naturally adapt, to be honest, the level of domestic films, has been the production of television dramas, I think there is a big gap with foreign countries, the domestic awards you can get with a little effort, or more talented, while the foreign awards are the real witness to your strength.”

“I’ll definitely do it sometime.” Mo Yiang didn’t know what he could say.

It can be seen that Fang Duo is a person who is very good at planning her life, she is very positive and motivated, not satisfied with the status quo, all of which are not found in Mo Yiang.

“If you have a crush on me too, and you think the two of us can move on, I’ll tell home that I’ve established a relationship with you, and I think you, too, should come clean with home.”

“Er good.”

“We can talk about going to my house for dinner and then we can go to your house and get to know both parents.”

“Good.”

But Mo Yiang inexplicably felt goosebumps.

Mo Yiang didn’t think that the relationship between the two of them was developing so smoothly, and soon they made an appointment to go to Fang Duo’s house first and then to Mo Yiang’s house afterwards.

Fang Duo behaved very well in the Mo family, and all the people praised her as a girl who knew what she was doing.

Since bringing Fang Duo home, Mo Yiang hadn’t been rushed into marriage.

After meeting the parents of both sides of the day became calm, Fang Duo will occasionally go to visit, each time bringing some homemade snacks, Mo Yiang side of the assistant agent and so on are very satisfied with Fang Duo.

Occasionally Mo Yiang could be free and the two would go on a date, and the date was sometimes accompanied by sweetness and romance.

On this day Mo Yiang had a brand event, which Jasmine Tong also happened to attend, and the two met backstage.

“People who fall in love are just different ah, always full of life, finally grow up” Jasmine Tong patted Mo Yiang’s shoulder.

“Hey, hey, Manny, now that my little uncle isn’t here, don’t always talk to me like you’re an elder, okay?”

“I was already your elder tell me about it, but my cousin’s wife called me and said she was very happy with that Fandor, the whole family is very happy, it seems to be going well.”

Jasmine Tong had planned to go to Mojia that day, but something came up and she didn’t make it, so she never saw Fang Duo.

Mo Yiang left his mouth unsure of how to speak.

“What’s the matter? You won’t tell me?”

“It’s not that I don’t want to tell you, it’s that I don’t know how to tell you, but when I first met Fandor, I did brighten up and I couldn’t find a single flaw in her.”

“My God, a lover’s eye is a lover’s eye.”

“No, when I first met her, I couldn’t really find a single flaw, and I still can’t, she’s a person bar positive and motivated, she’ll plan her life well, and doesn’t allow herself to deviate from every step she takes.”

“Hey hey hey, stop exaggerating ah, this goosebumps are getting up” said Jasmine Tong, pointing at her arm.

“You listen to me to finish the line she is good at everything, but I always feel that something is wrong, and can not say,” Mo Yiang is also very distressed, these distress will only be and Jasmine Tong to talk about.

“She’s motivated, you’re lazy and lazy, she’s good at planning, you’re clueless, she’s organized, you’re huge, I think the two of you just complement each other so well, perfect.”

Jasmine Tong gave a thumbs up towards Mo Yiang.

Mo Yiang grinned bitterly, “That’s what everyone else says.”

“So what are you struggling with? Get married and have kids while you can.”

“But I always felt like something wasn’t right you know what she said to me the third time we met she was very direct about when she was going to get married and when she was going to have kids and have two more kids my head was going to explode.”

Mo Yiang patted himself on the head, “She even said for me to plan my life, hit the international awards, and take to greater heights.”

Jasmine Tong blinked her own eyes a few times, “There’s nothing wrong ah about the two of you life, of course it’s better to plan earlier, as for you, she’s right, you’ve almost gotten all the domestic awards, it’s time to go abroad.”

Mo Yiang also shook his head even when he heard Jasmine Tong say that.

“It’s possible I’m overthinking it, I’ve never been in a relationship before and I’m not quite used to the pace of one.”

“Get used to it slowly, there’s no rush, think about it, your Uncle Junior and I went from not falling in love to falling in love, it’s been a long time, love needs to be cultivated slowly, it always takes a while to get used to each other.”

Mo Yiang didn’t continue this topic, he was thinking that there was a possibility that he really was overthinking it.

It’s probably true of all couples, going from one to two eventually takes an adjustment process.

“By the way, have you seen Li Qinqin lately”

“No ah, what’s wrong “Mo Yiang is busy falling in love with Fang Duo these days, there’s no such person as Li Qinqin in his head.

“His dad called to say she’d been away from home for over a week and asked if we’d seen her, and she really hadn’t come to see us, so I just asked casually.”

“A runaway sure is still a kid.”

“What if you see her, remember to call and let me know so I can contact her dad.”

“Okay, I’ll keep the snacks.”

After the event, Mo Yiang and Jasmine Tong went their separate ways.

Mo Yiang's work schedule was less intensive since he had fallen in love, after all, he also had to make some time to fall in love, and after attending the event, he was ready to go back to his apartment.

With nothing else to do Mo Yiang went to the car wash to get the car properly cleaned.

He stepped out to take a stroll and saw some girls pushing and shoving.

One of the girls had dirty hair on her and her hair was a mess.

"Li Qinqin, you are not sick ah put so rich dad you do not you brain bad right not in my home dilly dallying for several days, a penny did not give me our family is not a charity, can not white raise you right"

"Who was it that said in the first place that even if I was poor and had only a dollar left, I'd have fifty cents to share."

## **Her Bossy Yet Naive CEO Chapter 657 - 659**

Chapter 657

The arrogant girl burst out laughing.

"The company's main business is to provide a wide range of products and services to its customers, including: a wide range of products and services, a wide range of products and services, a wide range of products and services, and a wide range of products and services.

"You're a liar and a cheat."

"I'm a liar you are now living even beggars, you are not as good as a liar it I tell you what Li Qinqin, at first to become good friends with you, is to think that your family is rich, you can buy me cosmetics, can buy me beautiful clothes, now you have what you are now wearing this clothes or me it"

Li Qinqin seemed very reluctant to rush up and grab the girl's collar.

“Give me back all the things I bought you before, you big liar.”

The other girls all rushed up and pushed Qingqing Li to the ground!

“Li Qinqin, you were the one who willingly wanted to buy me something in the first place, now let me give it back, there’s no door to get away from me, and don’t come to my house or look for me again”

Lechin sat on the ground and watched the girls sail away, even as someone spat on her.

At that moment Li Qinqin’s heart was ashen, she sat on the ground and hugged her knees, suddenly feeling that the whole world was laughing at her.

A pair of designer sneakers appeared in front of her eyes and a pair of pretty hands picked up the back of her shoulders on the floor.

When Li Qinqin looked upwards along these long legs, she saw Mo Yiang’s handsome face.

Mo Yiang took a dirty and even smelly Li Qinqin to a noodle shop.

This is a perfectly ordinary noodle shop, after all, Mo Yiang is a big star, the crowded place naturally can not go, can only come to this very remote noodle shop.

When the waiter brought a bowl of beef ramen to Li Qinqin, Li Qinqin gobbled it up with bright eyes.

No matter what, Li Qinqin is also a daughter of a thousand gold, a bowl of ten yuan of beef ramen noodles like this also eat this kind of relish, really let Mo Yiang opened his eyes.

“Slow down and eat, no one’s robbing you.” Mo Yiang waved towards the waiter for a napkin and ordered a bottle of Coke for Li Qinqin.

Li Qinqin couldn’t care less about talking, and soon the bowl of noodles met its bottom, and she gulped down a few gulps of Coke and burped.

When she saw that Mo Yiang was looking at her with a strange gaze, she shyly lowered her head, which made her realize how bad she was now.

Li Qinqin finally opened her mouth after a long silence.

“That’s my best friend, my high school friend, we went to the bathroom together in high school, we were inseparable all day, people said we were like twins.”

Li Qinqin sighed deeply, “I’ve bought her many things, almost all her cosmetics, designer bags watches clothes, I probably gave them to her, she once said that I was her best friend in this world, but I never thought that she would do this to me.”

Mo Yiang feels ridiculous that the Li Qinqin in front of him is really like a child.

“She wasn’t the only one who did that to me, I ran away from home to find a lot of my old best friends and the best ones who could take me in for a couple of days just turned on me when they heard I wasn’t going to come home.”

Mo Yiang felt childishly ridiculous.

“Let me take you home.”

“I don’t want to go home my dad is sending me abroad but I don’t want to go abroad” Li Qinqin is very determined.

“It’s good to study abroad, your dad loves you so much he will definitely find someone to take good care of you, you go out and study hard, I tell you the world abroad is even more wonderful than at home.”

Li Qinqin, however, was not moved at all, “Do you take me for a three-year-old child? I have also traveled abroad, I also know what it’s like abroad, and it’s really nice abroad, I also like it, but I’m not willing to let me go abroad to study.”

“Why?”

“This is my home why I’m leaving is that vixen has been trying to get my dad to send me out of the country and send me away so she can take over our family property and my dad.”

Mo Yiang scratched his head, this kind of bad girl’s brain circuit was something he couldn’t figure out.

“Legally speaking, even if you leave the country, the property that should belong to you will be no less, not to mention the fact that your father is sure to leave you some of it.”

“What do you know anyway, I’m not leaving the country I don’t want to go home either, thanks for buying me noodles”

Li Qinqin seemed to be angry and picked up her bag and walked out of the noodle shop.

Mo Yiang had a headache, he really didn’t want to care about Li Qinqin, but after all we’ve known each other for a long time, we can’t see her continue to live on the streets!

She was a 20-year-old girl with no hands, and the consequences if she ran into a hoodlum were unthinkable.

Mo Yiang immediately grabbed his car keys and chased after him, “Where are you going?”

“I don’t know when I get rich, I’ll buy you noodles too, I’m a man who knows how to repay kindness.”

“It’s hard to eat now, when can we wait for you to have money ah” Mo Yiang couldn’t help but laugh.

Li Qinqin felt mocked and immediately stopped to stare at Mo Yiang.

“One day, I’ll surprise all of you who despise me.”

“Okay, okay, you’re good, you’re great, but you need to at least find a place to land now, you’re too dangerous on the street like this”

“What’s dangerous or not is up to you.”

“I don’t give a sh!t.”

Mo Yi-Ang finds it simply too much of a headache to have such a delinquent girl in his family, and somehow begins to sympathize with Lai Han Jiang.

But he still caught up with Li Qinqin, “How about this, you can go to my place first, my apartment is now alone.”

Only then did Lechin stopped, "You asked me to stay at your place"

"It's better than you winding up on the street, I'm a fancy apartment, so you can move out of my place when you figure out where to go."

Mo Yiang doesn't know what's wrong with him to invite her to his home.

That's how Li Qinqin was taken back to her apartment by Mo Yiang.

When the door opened Mo Yiang took a precautionary shot in advance.

"I'm the only one who lives here, and the house is kind of a mess."

Li Qinqin followed Mo Yiang inside and took a look at the house.

"It's fine."

"The first thing everyone who comes to my house says is how your house is a pigsty of a mess, why don't you say so?"

"What's wrong with the pig's nest gold nest silver nest is not as good as your own pig's nest I think it's quite good, my own room is also very messy, don't tell me, my room is cleaned up by others, I can't find my stuff everywhere, but don't look at my room so messy, what I want, I can find it at will"

Mo Yiang suddenly snapped his fingers, "So do I."

Chapter 658

"But I think you should take a shower first, you smell rancid."

Li Qinqin frowned when she sniffed herself, "Disgusting."

Mo Yiang immediately prepared a bath for Li Qinqin and then pushed her into the bathroom.

When she came out of the bathroom, she felt like a new person. She then threw the clothes she had on into the trash can.

"Why are you throwing your clothes away?"

"feel very bad ah this is the one who gave me or my best friend it, I will not know her later" Li Qinqin finally recovered herself from the depressed state.

Mo Yiang stroked his chin as he sized up Li Qinqin, "You threw your clothes away, so what are you wearing"

Li Qinqin looked at the bathrobe she was wearing then raised her head, "Why don't you borrow me"

"How could I have the clothes you're wearing?"

But in the end, Mo Yiang had no choice but to go to his closet to look for clothes that Li Qinqin could wear.

He ended up finding a pair of underpants that Mo Yi Xin had once left here, and then gave his white sweater to Li Qinqin, who wore exactly a sweater dress on her.

Finally, something decent.

"That, Mo Yiang has one more thing" Li Qinqin rubbed her hands and looked a little embarrassed.

"What else is there,"

"I'm coming on my period, please go get me a pack of tampons, hehe."

Mo Yiang raised his palm and slapped his head, "I really owe you from my last life."

He was already regretting taking Li Qinqin in the first day.

Mo Yiang still went to the convenience store outside to buy sanitary napkins for Li Qinqin and returned.

Everything was cleaned up Li Qinqin came out of the bathroom.

"Mo Yiang, as a movie star it wouldn't be the first time you've had a girlfriend, right?"

Mo Yiang, who was playing mobile games, almost dropped his phone, and everyone thought that a man like Mo Yiang should have been surrounded by many girls from school, perhaps his first love was already given to some girl in middle school.

After entering the entertainment industry, there should be more girls pursuing him, so we all think that he should be a person who changes girlfriends quickly, and he did portray many such roles on screen.

“Of course not” Mo Yiang hastily put the phone away and looked at the phone screen, “I can’t remember how many girlfriends I’ve had”

It would be a shame for someone that old to fall in love for the first time.

“Come on you, how can you be in a relationship if you can’t even tell the difference between a pad and a sanitary napkin? It’s a good thing you bought a few extra packs or you’d have to make an extra trip.”

Li Qinqin didn’t believe his bullsh!t and took out all the sanitary napkins in the plastic bag.

“I tell you ah, this is a pad is thin and short is usually used, this is a sanitary napkin, sanitary napkins are also divided into day and night, night use are lengthened and widened plus wing.”

Looking at these sanitary napkins Mo Yiang’s face has been red.

“Why are you talking to a grown man like me about that?”

“I can tell by the blush on your face that you haven’t been exposed to any of this, and you’ve certainly never been in a relationship before without it.”

Lechin seemed to have discovered something remarkable.

“What’s wrong with not having a relationship?”

“I can’t believe the Hall of Fame movie star is still an innocent young man, you haven’t even had sex with a woman, have you?”

Li Qinqin’s words made Mo Yiang’s face as if it was filled with blood.

“Bad girl, you think everyone is like you” Mo Yiang said and hastily lowered his head to pretend to look at his phone.

Li Qinqin covered her mouth and secretly smiled, in the end she was her savior, it was not good to say too much.

“Women’s menstruation is a secret that the whole world knows well no big deal, in fact I especially hate it, I was 14 years old when I had my first period, my mother died.”

Li Qinqin’s eyes were a little red, and her white, tender face was painted with a layer of sadness.

“I remember the day I found blood all over my panties at school and thought I had some kind of terminal illness, my mom came to pick me up after school and I was just about to tell her about it when I saw a car in the street run her down.”

Mo Yiang also felt sorrow in his heart after hearing all this, and suddenly felt sorry for Li Qinqin.

“No one ever told me what to do about sanitary napkins for my aunt and then it was the house maid who told me little by little.”

Lai Qinqin had a bitter smile on her face.

“Don’t think about it when it’s over.” Mo Yiang felt that any kind of comforting words were pale and weak.

“Yeah, it’s all over and I still get my aunt every month, but my mom’s never coming back.” Li Qinqin suddenly patted Mo Yiang’s head, “all of this knowledge you need to know ah as a considerate boyfriend.”

“Oh,”

“But I still don’t think you and that Fandor are right for each other.”

“What do you know about a child?”

“The two of you standing together feels like the atmosphere just isn’t right, alas it’s none of my business anyway, it’s good that you like it yourself, you’ve helped me so much, don’t worry, I’ll be sure to help you if you need me in the future.”

Li Qinqin lived in Mo Yiang’s apartment like this, usually she wouldn’t go out, Mo Yiang would often have a job and occasionally have to go back to live in Mo’s house, not many times over here.

After one film was killed off, perhaps also considering the need to have time to cultivate a relationship with Fang Duo, he didn't take on any new films for a while and returned home wanting to take a vacation.

As soon as Mo Yiang returned home, he heard the sound of the piano coming from the house.

I entered the house and went upstairs to find Li Qinqin playing the piano.

One song over.

"I can't believe you can even play the piano" Mo Yiang was really impressed with Li Qinqin.

"Is it weird I've been playing the piano since I was four years old I think I was eight years old, I passed the tenth grade on the piano, I haven't played since my mom died, I haven't played for a long time my hands are raw, I feel bored in your place so I play the piano and play."

Li Qinqin closed the piano lid, "Why did you suddenly come back"

"I'm going to take some time off."

Mo Yiang suddenly realized that a girl from such a background as Li Qinqin should have never missed art classes since she was a child, she should not be what everyone saw.

"Oh, well, I'm going to take a shower, so you get busy." Li Qinqin got up and went straight to the bathroom.

Just at this time the doorbell suddenly rang, Mo Yiang did not think too much, thought it was a courier, directly downstairs, he saw Fang Duo from the cat's eye, he was shocked.

Mo Yiang panicked and ran upstairs and rushed into the bathroom.

"Ah,"

Chapter 659

"I'm in the shower. What are you barging in here for, rascal?"

Mo Yiang hurriedly covered his eyes, "My girlfriend is here, you must hide"

“Ah but I’m this”

Li Qinqin had undressed and just started showering.

“Hurry up, it’s too late” Mo Yiang took a towel and wrapped it around Li Qinqin’s body and pulled her out

“At the very least, you’ll wait for me to get dressed.”

“Too late too late” Mo Yiang looked around the room, “where to hide it?”

Mo Yiang suddenly saw his closet, “Get in the closet.”

“Look I’m hiding in the closet ah how can this closet”

“Quickly stop talking nonsense, quickly go in” Mo Yiang directly took Li Qinqin’s hand and opened the closet door to push her in.

“Don’t make a sound,” Mo Yiang explained and hurried down the stairs, the doorbell still ringing urgently.

“Coming” Mo Yiang hurriedly answered then opened the door, “Fang Duo what are you doing here”

Is it a movie star or can it be acted?

“I thought you weren’t home, but I was just getting ready to leave.”Fandor carrying her bag was still the elite look of a lady’s daughter.

“I was just upstairs listening to music with my headphones on and I didn’t hear the bell, you should have told me beforehand.”

“I’m trying to surprise you, and you’re just going to keep me standing out there?”

“Oh oh oh, come on in come in, I’m a bit of a mess.”Only then did Mo Yiang consider that he was so focused on hiding Li Qinqin that he forgot that his house was still as messy as a pig’s nest.

Fandor surveyed the room with a very polite smile still on her face.

“This house is messy enough.”

“Don’t live over here much, and even if I come back it’s already evening, so I can’t care to clean up.” Mo Yiang scratched his head somewhat embarrassed, he knew that Fang Duo was a woman who was very strict in terms of life requirements.

“The tidiness of a room is something that affects a person’s thinking and state of mind, and I would suggest that you should hire an hourly worker to come over regularly to help you clean up the house.”

“Thought about it, did that once or twice, then decided the room was too neat to get used to and I could never find anything, so I stopped inviting.”

Fang Duo smiled towards Mo Yiang and didn’t continue to say anything, “Let me take a tour of your house.”

“This,”

“Inconvenient?”

“Conveniently, you can do whatever you want, but the house is a bit of a mess.”

Fang Duo directly upstairs, almost every part of this house is not very tidy, there are bedrooms upstairs and two guest rooms, just upstairs is a guest room, Li Qinqin is living in this house.

Mo Yiang was just about to stop Fang Duo, and Fang Duo walked in.

The first thing you need to do is to make sure that you have a good idea of what you are looking for.

“This is my cousin who stayed with me two days ago left this girl also really does not feel shame at all, but also made the room so messy”

Mo Yiang hurried over to the drawer and stuffed the sanitary napkins into it.

Fang Duo continued his visit into Mo Yiang’s bedroom, and Li Qinqin was hiding in the closet of this bedroom.

Mo Yiang here rarely people to live, the guest room bathroom shower is broken, he did not repair, Li Qinqin after living in the bath are to come to Mo Yiang bedroom.

“Your decoration here is not bad, it’s the style I like, but it’s a little less calm, if we get married in the future, the decoration I hope will be in the idyllic style of Europe and America.”

“No problem, I don’t care about this renovation.” Mo Yiang hurriedly complied, his eyes looking at the closet from time to time.

Fang Duo’s eyes were fixed on Mo Yiang, “What’s wrong with you why are you sweating”

“Ah, it’s a little hot with the heat on these days.” Mo Yiang wiped the sweat from his own forehead.

“It’s easy to catch fire when the heating is on too full, you need to remember to drink plenty of water, and it’s best to turn on the humidifier at night, you’re more likely to get sick if the room is too dry.”

Fang Duo will always have so much common sense about life and seems to be an expert on it, which is one of the things that everyone loves about her.

Fang Duo saw the cigarette on the bedside table, Mo Yiang wasn’t much of a smoker, but would occasionally smoke one when he was irritated.

Fang Duo walked over and picked up the pack of cigarettes, “You still smoke.”

“Smoke one once in a while.” Mo Yiang never thought smoking was a big deal, after all, most men smoked, even his youngest uncle before him smoked, “Do you smoke?”

Mo Yiang felt as if people in foreign countries were more accepting of things like smoking, especially girls.

Fang Duo frowned and shook his head, “I don’t smoke, you’d better quit too, I saw a picture once, it was taken by a doctor, it was of a smoker his lung condition, that man’s lungs were burnt black.”

Mo Yiang laughed a little unnaturally, these kinds of pictures are all over the Internet.

“Smoking is very bad for your health, and as I say the whole world should ban smoking, and if only they weren’t producing things like cigarettes, no one would smoke less.”

Fang Duo smoothly tossed the box of cigarettes into the trash, "If you plan to marry me, we'll be almost ready to have a baby after we're married, and we'll need to strictly abstain from smoking and drinking for six months before we can have a baby."

"I quit "What else can Mo Yiang say, Fang Duo has been so considerate for him.

"Well then, good for our next generation, and good for yourself, I won't hurt you."

"Why don't we go out and talk" Mo Yiang looked uneasily at the closet.

"Can't we talk in here? Do you mind if I come to your bedroom?"

Fang Duo was never angry or annoyed, and always had a serene smile on her face.

"Don't mind, it's just that I'm a bit cramped in this bedroom, so it's easier to go to the living room."

"I actually think the bedroom is a great place for couples to talk, it brings the sexes closer together, and it's the place where the two couples spend the most time."

Fang Duo seems to have dabbled in many aspects of knowledge, and I can see that she is a learned person.

"Isn't it a little early for that?"

"I don't think it's early, we're going to get married sooner or later, and instead of us getting married and our marriage starting to have problems and me talking to you about it, I'd rather talk to you about it now, so you have a precaution and we both won't have problems in the future and we won't have to waste time dealing with gender relations."

Mo Yiang's smile was a little forced and awkward.

"Let's go talk in the living room then."

"Good "Mo Yiang this breath is finally relieved.

Li Qinqin hid in the closet and listened in the clouds as well.

She also let out a sigh of relief, she really didn't want to ruin Mo Yiang's good fortune, her body fell backwards, and suddenly she felt something furry under her hand

## **Her Bossy Yet Naive CEO Chapter 660 - 662**

Chapter 660

"Ow,"

Mo Yiang and Fandor were about to head out when a sudden scream cut through the sky.

And the next thing I knew, something was coming out of the closet.

Li Qinqin got right into Mo Yiang's arms, "There is a mouse."

Mo Yiang held Li Qinqin in his arms and looked at Fang Duo.

Fandor's face still had a natural, harmless smile on it.

Lai Qinqin only had a towel around her.

"Fandor, let me explain, it's not what you think."

Fang Duo walked towards the outside Mo Yiang chased after him.

Walking to the front of his car Duo stopped in his tracks.

"Ione, all men make that mistake, and I'll give you five chances to make it, but I hope you don't just grab a random woman who should satisfy your physical needs, that would be a complete insult."

Fang Duo got right into his car after saying that, and Mo Yiang could only watch her leave.

Those last words from Fang Duo didn't make Mo Yiang feel comfortable, she didn't look as if she was angry.

Mo Yiang came back into the room dejectedly, Li Qinqin was already dressed, she knew she had made a big mistake.

“Shall I go and explain it to her myself?”

“No, the more you put it, the darker it gets.”

Li Qinqin saw Mo Yiang’s face was ugly, “Really no need I think she misunderstood, actually I didn’t mean it, I’m afraid of things with hair, I thought there were mice in the cupboard, I didn’t think it was a collar, I’m sorry ah.”

“And you didn’t mean it.” It was rare for Mo Yiang to be so reasonable, “Let’s have a hotpot tonight.”

“Ah” he’s even in the mood for fondue at this point “yes.”

Mo Yiang and Li Qinqin went out to buy the base sauce as well as meat and vegetables, and when they got home, they worked together.

A hot fondue filled the messy house with warmth.

The two of them bought a little wine by the way.

“Mo Yiang, are you okay” Li Qinqin always felt that Mo Yiang was not in the right state.

“Good very” Mo Yiang drank a mouthful of wine from the throat directly spicy to the stomach, “Li Qinqin, if you had a boyfriend, would you allow your boyfriend to cheat on you?”

“Of course it’s not allowed la cheating that’s a capital offense” Li Qinqin slammed the table, “If my future boyfriend dares to cheat on me, I’ll cripple the other guy before I castrate him”

Li Qinqin’s words made Mo Yiang laugh, “Then who would dare to look for you as a girlfriend?”

“I think that’s normal, that’s how two people should be together.”

As if Li Qinqin suddenly thought of something, “Your girlfriend wouldn’t want to castrate you, would she?”

Mo Yiang took another sip of wine and ate two bites of lamb, “You said you thought we were not compatible, I said you were young and ignorant at the time, can you tell me now where we are not compatible?”

Mo Yiang didn’t answer Lai Qinqin’s question.

“That’s what you asked yourself, so I’ll tell you.”

Li Qinqin first took a sip of wine to build up her courage, “I think bar your girlfriend that person is too positive.”

“Positive”

“An elite female who came back from studying abroad, has a family business, very sensible and intelligent, beautiful body, can hardly find a single flaw, very polite to people, a living lady, but also more open-minded, simply the perfect goddess.”

“What you mean is that I’m not good enough for her “Mo Yiang didn’t quite understand what Lai Qinqin said.

“I didn’t mean that, you have your perks, I was thinking you were evil. You like to play, you like to make noise, you don’t like to work, even your house is a mess, one is good and one is evil so it’s not a good match ah.”

“A good one and an evil one but a lot of people say we complement each other’s personalities and she can make up for all my flaws.”

Li Qinqin left her mouth and shook her head, “But I think you two are simply two worlds, how can people from two worlds live on”

“But if I find an evil one too, then I’ll be able to start a pig farm in this house.” Mo Yiang joked.

“In fact, I think there is no set procedure in life, if everyone is the same process, but everyone is the same, what’s the point? You can go your own way, and I’ve driven my own wooden bridge.”

Mo Yiang was impressed by Li Qinqin’s words, never expecting her to be able to say such a great truth at such a young age.

“Why are you looking at me like that?”

“It doesn’t feel normal for these truths to come out of your mouth.”

“That’s not what I said, that’s what my mother said. When I was a kid my dad was always busy with his own business and I used to hear my dad say he wanted to make a lot of money so my mom could have the best life, but my mom said the best life was the one where the family was happy.”

Li Qinqin listened to the steaming hot pot, “My mother always said that the gold and silver nest is not as good as her own pig’s nest, some people find the gold and silver nest very comfortable, but she thinks her own pig’s nest is also good, then my father got richer and richer, but my mother is not there anymore.”

Mo Yiang picked up his glass and touched Li Qinqin’s glass.

“After my mom died, my dad’s business got bigger and he always said he wanted to make more money so I could live like a princess, and what he couldn’t make up for my mom, he made up for all of it to me. But I really wanted to tell him that I didn’t want the money, I wanted him to be there for me, so I was always rebellious, just wanting him to take more time out of his life to pay attention to me, but he never understood.”

Li Qinqin might have been a little too drunk to say so much from the heart.

“Mo Yiang, it’s actually good that you and your girlfriend are happy together, I’m just talking nonsense, don’t pay too much attention to my words.” Li Qinqin blushed and smiled foolishly towards Mo Yiang.

“I don’t know if I’m happy or not, our family is very happy with her, and I was happy at first, but then I don’t know where it went wrong, it just didn’t feel right.”

“Maybe you’ve just fallen in love, I’ve never been in love, I don’t get it.”

“Hahahaha, you’ve never been in love, the hell you believe that.”

“I really haven’t been in love I swear, I’ve definitely never been in love” Li Qinqin solemnly put her hands up.

“Well, even if you haven’t talked about it.”

“Why don’t you believe me? I had a lot of guys chasing me when I was in school, but I didn’t like any of them.”

They both ended up drinking too much and falling asleep in the living room.

Mo Yiang was woken up by the sound of the phone, he was confused and picked up the phone, squinted his eyes and saw that the phone was the screen showing Fang Duo.

He immediately perked up and answered the phone.

“Hey, Fandor, I was yesterday,”

“Don’t say anything, let’s get engaged.”

Mo Yiang woke up with a start, he even suspected that he had misheard!

Chapter 661

Blue Cafe

In the hidden booth, Mo Yiang and Fang Duo sat opposite each other, because of last night’s incident, Mo Yiang still felt a little awkward.

Fandor, though, seemed at ease.

“I thought about it all last night, we’re both not getting any younger, you’re a man, you’re at an age where your physical needs are very high, and I think that’s understandable, so let’s get engaged.”

Mo Yiang was originally going to explain to Fang Duo today about what happened yesterday, but he didn’t expect that Fang Duo didn’t seem to care and instead directly mentioned the engagement to him.

“Me and Lechin.”

“There’s really no need to bring it up again, I don’t mind, we’re just boyfriend and girlfriend and even if you did have something going on with him, I have no right to ask.”

Mo Yiang looked up at Fang Duo incredulously, as his girlfriend, Fang Duo didn’t mind that he was with another woman, and even said that he had no right to ask.

Many men might think this was a godsend, but Mo Yiang felt uncomfortable.

“In my definition, the engagement is a ceremony, but traditionally, we are unmarried couples after the engagement, and we are bound to each other in some way.”

Mo Yiang only then understood Fang Duo’s words.

“After we’re engaged, if you want to have sex with me, I’m open to that.”

Fang Duo’s words were very straightforward, and it wasn’t the first time Mo Yiang had seen Fang Duo’s candor.

“So you accept my offer of engagement?”

Mo Yiang hung his head and seemed to be contemplating, this kind of thing should have been brought up by a man, and he felt somewhat embarrassed to have a woman bring it up.

If you refuse at this point.

“Do you need to reconsider” Moichion asked.

“I’ve thought it through, we haven’t been together long but I’m sure you know me well enough to make a decision that isn’t a considered one, so it’s up to you now.”

Fandor’s tone was still very firm and resolute.

“Okay, I accept.” What else could Mo Yiang say, he could only accept it.

“Well, I’ll talk to my parents when I get back, and maybe you and your parents can say we’ll have an engagement party.”

Fang Duo was silent for a moment and then continued, “Now that you’ve decided to get engaged, Yiang, if you want to have sex with me now, that’s fine with me.”

“Fandor, actually I you really think I’m a forgettable.”

Fang Duo reached over and grabbed Mo Yiang’s hand, “The past is over, I don’t want to talk about it anymore, so forget about it, I told you I would give you five chances.”

Fang Duo's hand was warm, and Mo Yiang smiled slightly towards Fang Duo.

Crystal Garden

San San is sitting on the floor playing with small blocks, Jasmine Tong is sitting on the couch watching him while talking to Mo Yiang.

"Getting engaged and wanting you to move on so fast."

Albert Ou's sharp gaze looked at Mo Yiang, "Did you sleep with someone's girl."

Mo Yiang hung his head and didn't speak.

"Sleeping is sleeping, we're all adults, what's wrong with that" Jasmine Tong hurriedly spoke for Mo Yiang.

"I didn't say sleeping wasn't okay, so be careful you don't make a baby out of it, there's a point"

"How come you educate your oldest nephew one way or the other, what did you do yourself in the first place."

"Why are you always contradicting me?"

Mo Yiang looked at the two couples, you and me a word, he came over not to eat dog food, okay?

"Who's contradicting you? That's what we're talking about, isn't it?"

Albert Ou continued to turn his head back to Moichiro again, "When is the engagement date set?"

"My mom says next Monday is a good day to set it." Mo Yiang answered truthfully.

Jasmine Tong seemed to see that Mo Yiang's mood wasn't quite right, "San San, do you want to eat pumpkin pudding?"

San San looked up hastily, "Think"

"Let Daddy take you to it."

Sanzo immediately stood up and walked towards Albert Ou holding Albert Ou's hand to go to the restaurant.

"When did I say I'd take him for pumpkin pudding? Why don't you take him?"

"Daddy, Tintin," Sanzo took Albert Ou's hand.

"Just go when I tell you to, do my son like you so much."

"Jasmine Tong, are you deliberately distracting me from whispering to him?"

"There's no such thing as whispering there's also whispering to you ah"  
Jasmine Tong now also learned to say a love sentence from time to time.

"Let's talk about it in bed tonight." Albert Ou winked badly at Jasmine Tong and took San San's hand to the restaurant.

"Okay, your little uncle is gone, so say what you have to say."

Mo Yiang took a pillow and held it in his arms, "I say you two kids are so old, why are you still so tired of hooing not feeling tired?"

"You're in a relationship yourself, why do you always think we're tired of it, you're not"

"I'm not,"

"What's wrong with fighting with Fandor? It's not right, it's getting engaged, and you can still get engaged after a fight."

If that's the case then these two are not too sane.

Mo Yiang told Jasmine Tong everything that happened yesterday.

"Why didn't you tell me sooner that Li Qinqin was at your place? Her father was going crazy looking for her."

"Can you pay attention to the main point you first say the two of us, and then say Li Qinqin, OK" Mo Yiang distracted tone of voice naturally no better.

"Fandor isn't mad at you, rather I think she's quite a sensible and sensible girl."

“Of course I know, but doesn’t the average girl throw a tantrum when something like this happens, and instead she’s been thinking all night about getting engaged to me.”

The first thing you need to do is to make sure that you have a good understanding of the situation.

Mo Yiang actually felt the same way in his heart, but he was just a little uncomfortable.

“If your little uncle made a mistake, he’d have to be grateful if I hadn’t lost my temper with him.”

Mo Yiang had thought that Jasmine Tong would understand that feeling of hers, but it turned out that she didn’t.

“Forget it, I won’t talk to you, let’s just get engaged, don’t tell her father about Li Qinqin, just forget about it.”

“What the hell is going on with you and Li Qinqin ah how come you’re still hiding her at home”

Because of Li Qinqin and O Zeno’s affair, Jasmine Tong didn’t have much affection for Li Qinqin either.

“It’s hard to say two words in one sentence, but anyway, just do me a favor.”

Chapter 662

Mo Yiang succeeds in convincing Jasmine Tong, who promises him that she won’t tell Lai Hanjiang about Lai Qinqin.

“Didn’t you say you wanted a dog last time? Our Ruyi’s pups are ready to come out of the nest.”

Mo Yiang’s eyes lit up, their Ruyi is a purebred dog that Albert Oui found to please Jasmine Tong.

Lucky had a litter before, but unfortunately Mo Yiang didn’t like the Chihuahua breed and only liked pit bulls like Ruyi.

Jasmine Tong took Mo Yiang upstairs to the room where the dog was kept.

“There are four of them, two males and two females, so take whichever one you like, but you have to promise me that you’ll keep them well.”

“Know know know, I know these are your sweetheart with the dog so close not afraid of my little uncle jealous ah” Mo Yiang approached the litter of dogs.

“f\*ck off and don’t talk nonsense.”

The four snowy white puppies are nibbling and playing with each other, and Ruyi is sitting down in the quiet, finally not having to be fed.

“How come there’s a lame one here” Moichion found one lame one, and one leg that was clearly short.

“Never mind, the lame one wasn’t paying attention, it got under the cage on its own and crushed its leg, and then the doctor said it was too late, so you pick something else.”

The lame little milk dog ran to Mo Yiang’s feet and shook his head as hard as he could when he bit his shoelaces.

“It’s pretty naughty.”

“Don’t look at his lame leg, he’s just too naughty to play with.”

The little milk dog didn’t seem to be afraid of people at all and was playing under Mo Yiang’s feet.

“It’s the only one that dares come near me, so I’ll take this one.”

“You’d better choose something else, you don’t have much time to take care of a dog in the first place, or just a lame one, you can’t take better care of it.”

“I’ll take this one” Moichion picked up the little puppy.

“That’s okay.”

I’m sure he’ll send it back anyway when he has no patience to raise it.

Mo Yiang returned home with his little puppy and didn’t hear any sound as soon as he entered the room.

“You play down there for a while.”

Mo Yiang went upstairs and walked into the guest room, the door to the guest room was open and Li Qinqin was asleep on the table.

Mo Yi'ang crept over, wanting to scare her a little, but suddenly found that the book on the table was underneath Li Qinqin's arm.

He drew the book out carefully.

It's a collection of picture books, all of which are hand-drawn.

All of these hand drawings are quite interesting, and each one seems to still have some philosophy and occasionally a little short story to tell.

Mo Yiang even flipped from the first page to the last.

Li Qinqin rubbed her eyes and woke up, looking up at Mo Yiang, "You're back."

"You drew all of these."

"Who else drew it?"

"I can't believe you can draw."

"This girl is versatile and knows a lot of things" Li Qinqin was sleepy-eyed, all pride between her eyebrows.

"You play the piano, you dance, you draw and what else?"

Mo Yiang suddenly realized that Li Qinqin was not without merit, exactly that she had many merits.

"There's a lot more learning to play an instrument, but there's just a lot that I've forgotten."

"I have a sister in art school, you're pretty good at drawing, why don't you develop in that area."

Li Qinqin pouted her mouth very high, "My mom used to dance, then she hurt her foot and never danced again, she became a full time wife at home, she put all her heart into me and enrolled me in a lot of classes, after my mom passed away, I never went to painting classes again."

Mo Yiang suddenly heard a dog barking under the building, "Oh no, I forgot about it."

Mo Yiang hurriedly ran downstairs and found that the little puppy had somehow gotten into the trash can and couldn't get out on its own, making garbage all over the floor.

"My little ancestor, knowing he's crippled, he's still so good at tossing."

Mo Yiang hurriedly rescued the little puppy from the trash can.

"Mumma what is this thing" Li Qinqin stood on the third staircase and didn't dare to go down.

"Dogs, bulldogs you've never seen."

"You get it out of here, I hate things with fur" Li Qinqin fell on her butt on the stairs not daring to move forward.

"What's there to be afraid of it how much fun it is you've been staying at my brother-in-law's house for days, haven't you noticed that they have a house full of dogs?"

"I've never been in that room where they keep the house you've got to get rid of it."

Li Qinqin had goose bumps.

"It's okay, come over here and touch him, he's pretty busy being obedient."

Mo Yiang held the little milk dog in front of Li Qinqin.

"Don't, don't, don't come any closer."

But Mo Yiang still carried the little puppy in front of Li Qinqin, and Li Qinqin was so frightened that she broke out in cold sweat.

"It's fun for you to touch it."

Mo Yiang handed the little milk dog to Li Qinqin and grabbed her hand and reached over.

"No, no, no" Li Qinqin resisted from the bottom of her heart.

The little milk dog suddenly stuck out his tongue and licked Lai Qinqin's hand, and Lai Qinqin winced.

"You see it's okay. He loves you."

"It's hot." Li Qinqin looked a little surprised.

"Dogs are man's most loyal friends, and they won't hurt you."

After a little while the little milk dog could hold her in her arms and she wasn't so scared.

"My mom is afraid of dogs and is allergic to dog hair and has been bitten by dogs, so she never let me touch them and I've always been afraid of furry things since I was a kid. Hey, what's wrong with that leg of it?"

"I didn't pay attention to it when it was newborn and let the dog crush it."

"How pathetic."

"You name it, it doesn't have a name yet."

Lechin looked at the disabled leg, "Let's just call it an apple."

"Apples. You love apples."

"What? Isn't it true that God takes an extra bite out of whoever he likes? I forget how that saying goes, the apple that's been bitten."

Mo Yiang touched the little puppy, "Applejack, you'll have a name later."

Apple settled down at Mo Yiang's house.

At the same time, Mo Yiang and Fang Duo also started to prepare for their engagement, considering that Mo Yiang was a public figure, Mo Yiang didn't plan to announce the news of his marriage so early, after all, he was an idol, if he announced this news, it would have an impact on his career.

And Fang Duo very much agreed with Mo Yiang's decision, which made Mo Jia once again feel that Fang Duo was really a good girl who knew what she was doing.

The engagement ceremony wasn't grand, but the Mo family felt that they couldn't begrudge Fang Duo too much, so they still had to prepare for it.

Li Qinqin was still staying at Mo Yiang's house, and she and Apple were getting closer and closer these days.

Mo Yiang stood alone in front of the window looking out at the moon, and Li Qinqin walked in holding an apple.

"You're about to get engaged, why do you look so sullen?"

## **Her Bossy Yet Naive CEO Chapter 663 - 665**

Chapter 663

Mo Yiang's smile was far-fetched, "An engagement should be a very enjoyable thing,"

"Of course it is, isn't it going to get married right after the engagement, it's a big celebration, be happy" Li Qinqin patted Mo Yiang's shoulder, "Apple, your father is getting engaged"

"Dad" Mo Yiang was uncomfortable with this title.

"You're Apple's father, I'm Apple's mother ah other families that have pets aren't like this" Li Qinqin smiled brightly.

The apple was struggling in Li Qinqin's arms and seemed to be going down, so Li Qinqin had to put it on the ground.

"Don't look at Apple's leg, it's a little handicapped, but it's a lot of fun to play with. I'm going to do a healing comic today inspired by the apple and combine it with my previous comics, which I think will be a big hit, don't you think?"

This was the first time that Li Qinqin had such a strong desire to paint, she wanted to do this well and didn't want to be so decadent anymore.

Mo Yiang stared at Li Qinqin's innocent face, he saw the passion and surge that belonged to Li Qinqin, it was a youthful leap that was fascinating and enchanting.

Li Qinqin blushed a little when she found Mo Yiang staring at her.

"Do I have something on my face?"

"No" Mo Yiang hurriedly turned his head to the side in embarrassment.

Somehow it seemed awkward between the two men.

"Then I'll go to my room." Li Qinqin pointed at the door ghostly ready to go out, and forgot the apple under her feet.

She accidentally stepped on an apple's foot, and the apple howled sharply, startling Li Qinqin again, and she hurriedly withdrew her foot, resulting in an unsteady center of gravity

"Careful" Mo Yiang reached out to pull Li Qinqin, because it happened suddenly, he slipped and fell to the ground along with Li Qinqin.

But Mo Yiang reacted quickly, he directly padded underneath Li Qinqin's body.

Li Qinqin's lips kissed Mo Yiang without any bias.

Li Qinqin was stunned to find that Mo Yiang had become his meat cushion and the two of them were even kissing for no apparent reason!

Li Qinqin hurriedly lifted her head away from Mo Yiang's lips.

"All right,"

"No all right."

This scene was really oddly awkward, Mo Yiang hadn't really kissed any girl except when he was filming, and even when he was in love with Fang Duo, the two of them had always kept a polite distance.

Li Qinqin turned her head to the side not daring to look at Mo Yiang, but forgot to get up.

The first time Mo Yiang held a girl in his arms like this, it suddenly felt as if his blood was rushing to his head, and it was a very strange feeling.

Lechin seemed to have sensed the change in Mo Yiang's body, after all, they were body to body.

She quickly got up without saying anything and rushed out, running back to her guest room and closing the door.

Sitting on my own bed, I still felt my heart pounding like it was about to jump out of my chest.

Li Qinqin covered her face with both hands, "God, it's so hot, I don't think it's a fever"

On the other side, Mo Yiang also had a feeling that he had never had before, as if there was something in his body that needed to be released immediately.

He slapped himself on the head, "Mo Yiang she's still just a 20 year old girl can you please wake up"

Speaking of which, Mo Yiang also felt quite sorry for himself, he was only one year younger than his youngest uncle, Albert Ou, who already had two sons, and he hadn't even touched a woman!

He's still a virgin. It would be a shame to tell the world.

This night two people living in two rooms had insomnia at the same time.

Li Qinqin hugged the apple to her blanket, "Apple, I can't sleep, will you stay with me?"

The apple seemed to whine as if it could understand its owner's words.

"That's the first kiss I've kept for almost 20 years hey, if it had been anyone else I would have slapped it away, but I can't believe I'm that nervous."

Li Qin Qin said as she stroked the apple's head.

"I don't think I like Mo Yiang, right? No, I like his little uncle Albert Ou Noe who is a few years older than me but Albert Ou Noe is also a lot older than me... Oh my, it's so annoying."

Apple watched his master talk to himself, which he couldn't understand anyway.

Li Qinqin pouted, "Apple, what should I do ah my first kiss without my first kiss surprisingly gave a soon to be engaged man so irritated ah"

The house was very quiet when she woke up.

She made herself a little water to wash down a packet of cereal, got bored again after breakfast, and walked past Moichion's room, finding the door open.

There was a ring box on the nightstand, and Li Qinqin walked over to it and carefully opened it.

"Wow, it's beautiful,"

It was a pink diamond ring, crystal clear and sparkling.

Lai Qinqin looked towards the door, Mo Yiang did not want to return.

She took a surreptitious sip and put the ring on her ring finger, then lifted her hand to the window.

Her fingers were slim and fair, and the pink diamond ring was on her finger as if it had been custom made for her.

Li Qinqin was so happy, it was the first time she had ever worn a ring, especially such a beautiful one.

Because she came from a rich family, she knew something about these things, and a pink diamond like this must be worth a lot of money.

Li Qinqin pouted, "This is the engagement ring, right, for that woman"

Somehow, she felt uncomfortable in her heart, Mo Yiang had taken her first kiss last night, but he was still carefully preparing the engagement ring and the engagement ceremony for another woman

"Why don't you steal this ring?"

Li Qinqin suddenly had this thought, which startled her herself

The pink diamond ring wasn't something he could just get, and if it got lost, he couldn't just find a random ring to replace it, right?

The Mo family is a big family and Mo Yiang is the eldest son and grandson, his engagement ceremony will be especially important!

Yeah, that's it.

Li Qinqin took the ring and was ready to head out, but as soon as she reached the door, she ran into Mo Yiang who was returning.

Li Qinqin hurriedly put her hands behind her back.

"What are you doing in my room" Mo Yiang was also very surprised to see Li Qinqin in her room.

"I didn't do anything with that one, I just saw you guys open and thought you were there."

"I went out for a run this morning."

Insomnia last night until the wee hours of the morning, Mo Yiang rarely went out for a run, just to calm himself down.

"Oh,"

Mo Yiang saw the open ring box on the nightstand at once

Chapter 664

Mo Yiang noticed that Li Qinqin kept her hands behind her back and probably sensed something too.

"Then I'll go back first" Li Qinqin put her hands behind her back and prepared to run away.

"The ring is for you."

"Ha" Li Qinqin was shocked, when a thief still had to be caught, she grinned awkwardly, "I just wanted to borrow it for a bit of fun."

Li Qinqin reached out her hand to remove the ring and put it in her hand, "Give it back to you."

Mo Yiang shook Lai Qinqin's hand, "I've just said it, give it to you."

"Ah but isn't this your engagement ring?"

Li Qinqin looked at such a beautiful pink diamond ring in her hand.

"It was originally intended for the engagement ceremony, it was given to me by my youngest uncle, who said that Fandor is also someone who has seen the world, and that he should use a better diamond ring, so he can't treat people badly, so if you like it, take it."

Mo Yiang was downright generous.

"This is very expensive right I'll take it right" although Li Qinqin liked it, but she knew she couldn't just take something so expensive.

"There's plenty there for my youngest uncle, and besides this pink diamond isn't suitable for Fandor."

"But I still think it's too expensive, so I'd better give it back to you."

Li Qinqin took Mo Yiang's hand and ran away when the ring was inside his hand.

Mo Yiang looked forlornly at the ring in his hand and he put it back in the ring box.

The entire Mo family seemed to be preparing for Mo Yiang's engagement ceremony, and even Albert Ou, the youngest uncle, was not idle.

Jasmine Tong is also preparing a meeting gift for her future niece-in-law.

There were really quite a lot of valuable items in Albert Ou's warehouse, and Jasmine Tong was also picky.

"Honey, how about giving this pink diamond raw stone to Fang Duo so that she can make her own jewelry in the future if she likes."

Jasmine Tong picked up that pink diamond original stone, which Albert Ou had previously auctioned off from the auction.

“Iang picked off a pink diamond ring when he came over this morning, so it would be a bit of a duplicate to give away pink diamonds.” Albert Ou said with a glance at the pink diamond.

“He came to pick out the diamond ring this morning.”

“I’m the one who asked him to come, the Fang family is also considered a noble family, this ring can’t be ambiguous, and that pink diamond is big enough to be considered a good deal.”

Jasmine Tong said as she picked out a gift, “When did this guy also have a girly heart ah, actually pick a pink diamond But I think if it’s a diamond ring, Fang Duo should not like pink.”

“I would have let him pick a ruby, or that sapphire and Fandor’s temperament better matched because he had to pick the pink diamond himself.”

Jasmine Tong also found it strange, “Could it be or could it be that what we saw was just the surface of Fandor, Black Earth might know his girlfriend better, that’s why he chose the pink diamond right?”

Albert Ou didn’t say anything and Jasmine Tong continued to pick with him.

Jasmine Tong’s eyelids jumped and she covered her eyes.

“What?”

“It’s nothing, my eyelids are always jumping, I always feel like something bad is going to happen, you said that Li Qinqin has been staying at the Black Earth house, something can’t have happened,”

Albert Ou paused to stare, “What are you saying to give Chinchin a stay at Yiang’s house”

Only then did Jasmine Tong realize that she had said the wrong thing, and that she hadn’t told Albert Ou about it.

“Uh, you heard wrong, let’s just keep picking out presents.”

Albert Ou immediately grabbed Jasmine Tong’s wrist and slammed her against the shelf, “You actually have something to hide from me.”

Jasmine Tong held Albert Ou's face with an accosting smile, "I promised I wouldn't say anything, so just forget it, okay"

"Jasmine Tong, such a big thing you even don't tell me to see how I'll fix you at night without beating your ass to blossom I'm not your husband."

Albert Ou released Jasmine Tong and hurried out of the warehouse, Jasmine Tong stomped her foot hard.

"It's over, Black Earth must hate me."

Mo Yi-Ang is discussing the wedding wine at the engagement ceremony at the winery because he is busy with the engagement ceremony.

A lot of details need to be communicated, and coming up from the cellar, Mo Yiang's phone rang non-stop.

"Hey, Manny, what's up?"

"How come your phone hasn't been working ah" came Jasmine Tong's anxious voice from the phone.

"I was just in the cellar and there was no signal."

"Alright, don't say anything more, you go home right now and take Li Qinqin away"

"What's going on?"

"A sentence or two doesn't make it clear, just hurry home, hurry up."

Mo Yiang hung up the phone without saying a word and pulled out his car keys and was ready to drive away.

"Mr. Mo, what are you going to do with this wine?"

"Later we'll talk on the phone, I'm in a hurry" Mo Yiang couldn't care less about this and hurriedly drove to turn the car around and prepare to go home.

Jasmine Tong is so anxious, something must have happened.

Mo Yiang didn't know what was going on, but he was so concerned about that girl Li Qinqin.

Li Qinqin is home alone, drinking yogurt, holding an apple in her arms, and lying on the table drawing.

“Apple, don’t you think it’s cute “Li Qinqin’s creative appetite is bursting at the seams lately, and she spends a lot of time drawing and painting every day.

The doorbell rang sharply.

Li Qinqin put the apple on the ground, “What’s wrong with your father, he’s always forgetting his keys”

As she complained Li Qinqin went downstairs.

“Can you stop forgetting your keys all the time? What did you do without me before?”

Lechin chattered as she opened the door, terrified when she opened it.

Lai Hanjiang walked in with an iron face, followed by a group of bodyguards.

“Dad” Li Qinqin hurriedly backed away, if she had known she would not have opened the door if she had looked in the cat’s eye earlier

“Come home with me” Li Hanjiang has done nothing these days. He’s been looking for Qingqing Li.

It’s killing him. He’s got a lot of gray hair.

“I don’t want to go back you just treat me as a daughter without me anyway you have a son and someone to inherit your family business, what do you care what I do”

“Bastard” Li Hanjiang raised his hand and slapped again.

It’s not the first time she’s been beaten, and Li Qinqin is no longer shocked the first time.

“Go ahead, beat me to death. If you kill me, I won’t be your daughter.”

“You’re killing me, you’re killing me. Come home with me.”

“I’m not going home. I’m not going home.”

Li Hanjiang gave a wink to the bodyguards, who immediately went forward and grabbed Lai Qinqin.

“Let go of me, don’t touch me, I don’t want to go back” Li Qinqin tried to struggle, but she was no match for these bodyguards.

Mo Yiang drove back in his car and happened to run into Li Hanjiang preparing to take Li Qinqin away.

“Mo Yiang, help me.”

“Mr. Lai,”

“Oh, Mr. Murphy, thank you for all this trouble.”

Chapter 665

Li Qinqin looked at Mo Yiang in shock, “Mo Yiang, it’s you you even betrayed me in vain I trusted you so much you bastard.”

“Press her into the car” Li Hanjiang gave an order and the bodyguards immediately grabbed Li Qinqin into the car.

Lai Hanjiang nodded down towards Mo Yiang.

“Mr. Mo, thank you for taking in Little Daughter, remembering that you brought so much trouble to your family before, you even took her in regardless of the past, this great kindness, I, Lai Mou, have taken note of it, if there is anything useful in the future, just ask, I will definitely do what I can do.”

Mo Yiang didn’t even know what was going on before he heard Lai Hanjiang say such a bunch.

“I’ll take her back with me then.”

Li Hanjiang also got into the car.

Mo Yiang watched Li Qinqin being taken away by Li Hanjiang, in fact he couldn’t stop it, Li Qinqin was Li Hanjiang’s daughter, people were waiting for their own daughter right and proper.

Li Qinqin raised her middle finger through the car window towards Mo Yiang.

Mo Yiang knew that Li Qinqin must have thought she had betrayed her and told Li Hanjiang the news that she was here.

Another car rushed by, and Jasmine Tong got out of it.

“How’s it going?”

“The man has been taken away.”

Jasmine Tong sighed she was in a hurry and still hadn’t caught up.

“It’s all my fault, I was supposed to pick a gift for Fang Duo with your little uncle today, but I accidentally let it slip and your little uncle got very angry and immediately called Li Hanjiang, he even told Li Hanjiang that you asked him to make this call.”

“No wonder he said thank you so much to me.” Mo Yiang felt lost in his heart.

“But that’s good, she’s a girl in the end, men and women are different, and it’s not a good idea to always stay with you, especially since you’re about to get engaged to Fang Duo, and it’s not good for Fang Duo to know.”

Jasmine Tong comforted Mo Yiang, but she saw something different in Mo Yiang’s eyes.

“Okay, it’s none of your business, go home.”

Jasmine Tong got in the car and went home, and Mo Yiang also entered the house.

Apple clumsily climbed down the stairs, and because of his short legs and the fact that he had another leg that was disabled, he practically slid down the stairs with a roll.

When he saw Mo Yiang he ran over with his legs curled up and Mo Yiang picked it up.

“Mmmmmm” Apple hummed as if it was because it had been a long time since Li Qinqin had returned.

“She may never come back.”

Apple’s eyes were also a little lost, and she kept humming.

Mo Yiang sat on the sofa and took a cigarette out of the drawer.

He didn't know what was wrong with him, the happy-go-lucky self he used to be seemed to have disappeared after falling in love.

When he returned home, his family even complimented him on his maturity and steadiness, and said it was all thanks to Fandor.

But why does he feel so unhappy about it?

If maturity and stability meant unhappiness and unhappiness, then he hoped he would never mature up.

Li family

The door to the room was locked, and Li Qinqin was kneeling on the floor directly in front of the portrait of Li Qinqin's mother.

"Xiang'er, I've got my daughter back, and I'm going to teach her a good lesson today in front of you she's really too disrespectful"

Lai Hanjiang still couldn't hide his anger as he spoke.

Li Qinqin knelt on the floor without saying a word.

"Speak ah dumb just now was not very able to speak?"

Li Qin turned her head to the side, "If you want to fight, go ahead, there's no such nonsense"

"You, good Chinchin, I never hit you, but one of the things I regret most now is not disciplining you properly when I should have."

Li Hanjiang took out the cane that his wife had once used.

In the past, it was his wife who used this cane to discipline his daughter, and Li Qinqin has been very naughty since childhood, going to art class to either skip class or make trouble.

That's why his wife hadn't missed beating Lai Qinqin, and he was the one who defended her every time.

After his wife's death, he felt sorry for his daughter already without her mother, so even if she made a big mistake, Li Hanjiang didn't touch her a hair.

But the recent events really made Lai Hanjiang unable to hold down the fire.

He lifted the cane and hesitated for a moment before landing on Li Qinqin's ass.

"Ah," Li Qinqin bit her lip and cried out breathlessly.

"You know the pain too then do you know the mistake and will you ever change"

"I'm not right, you're the one who's wrong."

"Good, you don't admit your mistake isn't that then I'll beat you until you admit your mistake" Li Hanjiang lifted the cane and landed on Li Qinqin's body one by one.

Li Qinqin bit her lips to keep herself from making a sound.

She was never like this when she used to be beaten by her mother for mischief when she was a child, and before the cane came down, she was crying out and admitting her mistake.

Sometimes mom would hit her gently for shedding tears, or simply not hit her at all.

But she seems to have a problem with her father. She won't admit she's wrong.

"Do you confess to your mother's portrait and tell her that you are wrong or not."

"When I say no, I mean no you can shoot me if you can."

"I'll kill you, you disobedient one" Li Hanjiang was so angry at Li Qinqin's words that he almost fainted, and his hands became increasingly unable to stop.

Outside the door Wen Lan knocked hard on the door, "don't hit you so will Qinqin play badly she is not this back is not it spare her this time."

She couldn't get in because the door was locked.

Li Hanjiang was still pumping the cane as if he hadn't heard it at all.

I'm not going to be able to do anything about it," he said.

The Li Qinqin inside was even less likely to listen to her.

The maid rushed to find the keys "Madam, here they are."

"Open it."

The door was finally opened, and Wen Lan rushed in and hugged Li Qinqin all at once, and Lai Hanjiang, who had no control over the cane, fell onto Wen Lan's back all at once.

Wineland yelped in pain.

Li Hanjiang immediately threw the cane to the ground, "What are you doing"

"You still ask me what I want to ask you what you want to do do do you want to beat Qin Qin to death? Then you even beat me to death together well you married me into the house, just so I can discipline her properly, it's my fault that I didn't discipline her properly."

The pain in Lai Qinqin's body was so severe that she was about to faint, and if it wasn't for the fact that she was out of strength, she would have pushed Wen Lan away.

Hearing Wen Lan's words, Li Qinqin suddenly felt as if her stepmother wasn't so bad.

"What are you still defending her for? How she treated you before, I think you're just healing your wounds."

But in the past, Li Qinqin was never polite to her stepmother.
