

## Chapter 66

What the hell does this woman want?

Without waiting for Albert Ou to reply, Jasmine Tong continued to send another one.

“If you have business to do later in the evening, later or another day is fine.”

So impatient.

Albert Ou really wants to appear in front of her right now and tear her apart!

But he was patient enough to reply, “Where is it?”

Jasmine Tong replied back immediately: love letter bar.

Nima

And to go to such an intimate place as a bar.

What does Jasmine Tong want?

Albert Ou is simply mad, if he doesn't go over there in a few days to fix her up, she's going to be a red-headed woman!

“Okay, nine o'clock tonight.” Albert Ou replied over.

He'd like to see if this woman dares to cuckold him.

This whole day, Albert Ou was in no mood to do anything, and all of the meetings he had originally booked were cancelled.

Finally, we made it through the night in anticipation of the wait.

He took off his suit, removed his sapphire earrings, and put on his civilian clothes and went straight out the door.

love letter bar

This was the place where he and Jasmine Tong first met.

The bar at nine o'clock was still empty, the perimeter was empty, and the band hadn't started singing yet.

Albert Ou sat at the bar and asked for a beer.

What does Jasmine Tong want?

Visiting old haunts, revisiting old dreams

He gulped down a large glass of beer in one gulp.

Suddenly someone tapped him on the shoulder, why was this scene so familiar?

"Hi,"

Albert Ou only felt his hands trembling.

It's the same familiar "hi."

Turning her head, Jasmine Tong dimpled her smile.

I don't know if it's because she's been resting for a few days, but she's a lot rosier and looks even prettier.

Albert Ou grinned, "Why are you asking me out here, you can't be trying to"

Saying that, Albert Ou's gaze flowed over Jasmine Tong's body.

Jasmine Tong glanced at him and sat next to him, "I treat you like a brother, he f\*cking always wants to sleep with me"

"Then why did you ask me out here?"

Jasmine Tong shrugged her shoulders, "I'll be officially debuting soon, I'll be busy with filming and catching up on the announcements, so I may have very little time to meet you in the future, and I have some good news for you."

Albert Ou was relieved for a moment.

"Do you know who my agent is?"

Jasmine Tong narrowed her eyes, a smile sneaking out of the corners of her eyes.

“Xu, Xing, Ru,”

Jasmine Tong opened a smile, “I used to like her happy things to be shared with good friends, well, but I only have one friend, now abroad, too far away to reach, think about it, it’s only you.”

“Oh,”

Albert Ou immediately smiled, so it wasn’t a date.

“So I’m this important to you.”

Jasmine Tong smiled and nodded her head, “I may not be able to come to a place like a bar in the future, so let tonight be my farewell to the bar”

Saying that, Jasmine Tong asked the bartender at the bar for a beer.

Jasmine Tong took the glass, clinked Albert Ou’s glass, and drank slowly.

Albert Ou peeked at Jasmine Tong.

In the bar, illuminated by the revolving colored lights, Jasmine Tong’s clear and beautiful face is so touching.

Especially those eyes, which shone as bright as obsidian, plus those slender, butterfly-wing-like eyelashes.

Damn, he’s got a good-looking woman.

Albert Ou also drank the glass of wine that he clinked with Jasmine Tong.

“Aze,”

“Well,”

Jasmine Tong turned her head to look at Albert Ou, and her playful smile became warm and gentle.

“You say you, so handsome and in such good shape, what’s wrong with doing something other than being a duck?”

“”

He's the CEO, okay?

It's your misunderstanding, okay?

Otherwise, why would I call myself a duck?

“I think you'd better find a proper occupation, young, even if you don't have a degree, work hard, and in a few years you'll be able to live a good life and marry a wife, how nice”

Jasmine Tong's tone was especially gentle as she feared it would hurt Albert Ou's pride.

Albert Ou laughed.

“Take a wife then you marry me” Albert Ou raised his eyebrows.

A pair of blue eyes are soul-catching.

Jasmine Tong suddenly held up Albert Ou's face.

“You look like a demon if I wasn't married, I really might consider you oh.”

Albert Ou's heart thudded.

“Jasmine Tong, if I say I'm in love with you, will you divorce me and come with me.”

His smile disappeared from his face.

It suddenly became very serious.

This sudden seriousness made Jasmine Tong a little overwhelmed.

She shook her head.

“Why do you think I'm actually a duck?”

Jasmine Tong shook her head once more and the smile disappeared from her face.

“Asawa, do you know why I married my husband?”

“”

“More than a year ago, Yarwen became ill and was admitted to the hospital, the doctor said he had a bad luck this time, and I couldn’t even get a day’s hospital money on hand, the doctor told me to raise money, saying there was an imported drug that might still help Yarwen get through, but it was very expensive and I had to pay in advance to use it.”

“”

“I went home and knelt at the door all day and night, begging my father to save Little Lei, but my father told me coldly that he would die sooner or later, so why waste it. At that moment, I told myself that I would give my life to anyone who could help me through this.”

Jasmine Tong’s eyes had something glistening in them.

“Maybe God heard my heart, that’s when my husband came along, a million dollars registered straight away, I didn’t even think about it, I agreed to it, and from that point on I had long ago put myself out of the way.”

“”

“Before that, my greatest wish was to have a family, a home that I truly belonged to, but in that moment, I knew it wasn’t possible.”

Jasmine Tong turned her head and raised her hand to wipe away the tears from her own eyes.

Albert Ou’s body shook, there was a home

“I’m not going to divorce my husband unless,”

“Unless what?” asked Albert Ou eagerly.

Jasmine Tong suddenly smiled bitterly, “I don’t know.”

When she finished, she picked up her beer and drank it down.

Putting the words out, Jasmine Tong seemed relieved and relaxed.

“Asawa, I didn’t say any of those things to anyone.”

Jasmine Tong slaps a hand on Albert Ou’s shoulder.

Somehow, Albert Ou felt that the slap was heavy.

“Well, we may have fewer chances to see each other in the future, what else do you want to say tonight? Say it all in one breath, I know everything and say it all today.”

Jasmine Tong patted his chest very boldly.

Albert Ou’s eyes rolled, “How many times have you been in love?”

plop!

Jasmine Tong originally thought there was nothing to say about Albert Ou, but she didn’t expect him to be so gossipy.

“Do you think it’s appropriate for a grown man to grow a gossipy little diva’s heart?”

“What gossipy little diva” In the meantime, Albert Ou.

## **Chapter 67**

Jasmine Tong scratched her head, “I’ve only talked about it once, five years, first love.”

“No way.”

Albert Ou turned his head to the side.

What about the man with the comb?

“Forget it if you don’t believe me.”

“Really only once.”

“Really after my mother died, I was driven by my stepmother to work in the family’s winery, then worked to save money for Yarwen’s treatment, how can I have time to fall in love ah once is not enough.”

Jasmine Tong gave Albert Ou a blank look.

But what about the man that you're marrying?

Albert Ou couldn't figure it out.

"Alright, Gossip Diva, it's getting late, I'm going home to read the script." Jasmine Tong jumped from her seat at the bar.

Albert Ou sighed quietly, "I'll give you a ride."

As he was saying that, his phone suddenly rang.

John.

Jasmine Tong immediately waved her hand at the situation, "Alright, you're busy, don't worry about me, I'll just take a taxi back."

"That,"

Without waiting for Albert Ou to say anything, Jasmine Tong had already walked out of the bar.

Albert Ou answered the phone.

"Hey, you don't have a woman underneath you to answer the phone so slowly," complained John.

"If I did, I probably wouldn't have answered your call tonight."

It's that durable.

“”

"What do you want from me?"

"I haven't seen you for a long time, I miss you. Come quickly, Miro Sunshine VIP room."

"Good."

Albert Ou put his phone away and drove straight to Milo Sunshine.

Miro Sun

Led by the waiter, Albert Ou went straight to the VIP private room, and as soon as he entered, he saw the person sitting on the sofa facing the private room.

Chin turned suddenly.

In the meantime, Albert Ou's brow was furrowed.

No wonder John Quan chose to come here, Milo Sunshine is a chain of restaurants under the Quan family's property, combining Western food and leisure and entertainment.

When Qin Yangyan is a star, going to any store is probably a risk of being photographed, and it's only the owner's place that is exempt from this worry, right?

Seeing Albert Ou come in, Qin suddenly got up.

A long, white dress called for a slender figure, and her hair hung casually behind her head, dignified and elegant.

The goddess is full of it.

"Asawa, you're here."

Albert Ou responded and turned to John, who immediately averted his eyes.

If you do something wrong, you're guilty.

"Have you eaten yet? Would you like to order something to eat?"

When Qin turned around, his voice was as gentle and pleasant to the ear as the spring breeze in March.

"Eaten." Albert Ou sat directly next to John.

The sofa in the room consisted of two arcs, with a marble table between them.

Albert Ou and John sat on an arched couch, with Qin suddenly sitting on the opposite arched couch.

Under the table, Albert Ou stomped on John Quan.

John Quanton collapsed and didn't even dare to utter a word.

Albert Ou ran over the edge hard, which moved his foot away.

On the marble table were three tall glasses and a bottle of wine.

No one spoke for a while, and the atmosphere was a little awkward.

Qin turned suddenly and immediately picked up the bottle and poured red wine into three tall glasses.

She picked up a glass herself and raised it.

“Asawa, I've been filming recently, this is just killing time, and I'm here to thank you for your previous acquisition of Star King International.”

Albert Ou doesn't move, and John gives Albert Ou a frantic wink, even touching him on the soles of his feet.

“Don't thank me, it's just the Dark Empire's strategy to enter the entertainment landscape.”

Albert Ou's tone was as cold as it needed to be.

As soon as this was said, Qin turned extremely pale.

This is clearly telling her that this is not about you, but about our company doing business.

John Quan also detected a hint of embarrassment and immediately coughed.

“Then suddenly, if you weren't at Star King, he would have just bought another company, right?”

John Quan just wanted to give Qin Liyuan a step down, but he didn't expect Albert Ou to open his mouth once again.

“It has nothing to do with who's in the Star King, the right acquisition is the one that will be made and the wrong one won't be made.”

Qin turned even uglier.

John squeezed his eyebrows some more, and Albert Ou snorted.

“John, are your eyes uncomfortable? I think it’s time for you to see a doctor.”

“Uh oh, no, it’s just a little itchy.”

John Quan immediately rolled his eyes, “Alright, alright, it’s been a long time since the three of us got together, let’s have a drink together this time, come”

That’s what Albert Ou said before raising his glass and taking a light sip of his wine.

Qin turned out to be worthy of being a diva and had seen more than enough of the scene.

“Anyway, anyway, I profited from the whole thing, thanks to you.”

“No thanks.” Albert Ou said bluntly.

In order to break this awkwardness, John opened up the conversation.

“Then suddenly, are you busy lately? What are you going to shoot?”

“Okay, I just got a movie, a costume drama.”

“So, Zee and I are going to visit the class sometime.”

“Well, let me know when you guys are coming and I’ll have my assistant pick you up.”

A long silence ensued.

Qin Liyuan probably also found this atmosphere too weird, and his phone rang at this time.

It’s her agent.

When she answered the phone, she just said, “You two take your time, I’ve got a bit of work to do over here.”

“Oh, well, you’re busy.”

John also knew that the atmosphere wasn't too good, so he didn't stay strong, and wanted to give Albert Ou a wink to send him off, but Albert Ou was as still as a dead man.

He had to send Qin suddenly out.

"Then suddenly, you know how weird Zee's temper is, so don't get on his nerves."

Qin suddenly smiled a clouded smile, "It's not like it's the first day I've known him, don't worry, it's fine."

"That's good, I've heard from his company that he's been in a bad mood lately, and it's probably been a lot with the company as well."

Qin turned around and nodded, "I'm leaving first, bye."

Sending Qin suddenly away, John Quan returned to the private room.

Albert Ou remained firm.

John sat next to him, "Albert Ou you kid how is it that you let people suddenly hot face your cold ass"

Albert Ou snorted, "I didn't ask her to post it."

"You you're too unkind,"

"I'm married."

Albert Ou shook his red wine glass and took a sip of wine.

John Quan stared, "What"

He'd been married for a whole year and had never heard him say the words "I'm married".

"You don't really think of Jasmine Tong as your wife, do you?"

"She was already." Albert Ou was still cold.

"sh!t,"

John Quan felt that the world was changing too fast and he was a bit out of pace

“I saw your secretary the other day, he said you’ve been cranky lately, you’re not in love with that woman,”

I’m in love with that woman.

Only then did Albert Ou raise his eyes to look at John Quan.

## **Chapter 68**

That weird look made John jump carefully and dirty.

The CEO finally saw him.

“I don’t know.”

Albert Ou took his eyes back and continued to sip his wine.

“I don’t know I think you’re just in love with that woman.”

John couldn’t sit still any longer and stood up, pacing back and forth across the room.

“Albert Ou you’re being dangerous you know that you’re giving up the whole forest for one tree you’ll regret it one day”

“”

“And ah you yourself are not human in case one day Jasmine Tong knows your identity what to do you can hang around the flowers, but never spend effort on a flower ah this is very dangerous.”

“”

Right now, John is like an old mother whose son is about to be abducted by her daughter-in-law.

Seeing that Albert Ou didn’t say anything, John Ton sat next to him, “Really in love with her.”

“I don’t know.”

Albert Ou has never been in love and doesn't know what it means to be in love and what it means not to be in love.

"I can test it out with one question."

John narrowed his eyes and stared at Albert Ou with a burning gaze, "When you woke up in the morning, your body reacted, was it her that was in your head"

plop!

If it wasn't for his many years of friendship with John, Albert Ou would have wanted to spew old blood in his face!

He can't even ask a question this explicit.

There was still a little bit of embarrassment for Albert Ou when it came to this question.

Although each other is a man.

Albert Ou pinched his brow and snorted in acquiescence.

"sh!t,"

John growled, "You're so f\*cking in love with her."

Albert Ou expressed frustration.

That's falling in love with her.

Immediately afterwards, Albert Ou told John Quan about the recent events and the conversation he had with Jasmine Tong today.

Although John Quan is a suave gentleman, he's also an expert on love.

"According to you, this Jasmine Tong is really a downtrodden Cinderella, and the reason she went out to find a man to have a baby that day was because of her brother."

"That's saying something."

“If that’s the case, then you should simply announce her identity so that you can have an open and honest conversation about love.”

John said as he touched his chin that didn’t have a beard.

“It’s pretty stifling that you haven’t been in a relationship in all these years, so it’s good to take this opportunity to have a good relationship, how about stop role-playing and be open about it.”

And Russel Cheng is the same thing, both want him to go public.

“Wouldn’t it be awkward to go public now?”

“Find a chance ah must find a special opportunity to meet her publicly and surprise her.”

“Surprise,”

Albert Ou thought carefully, “I’ll think about it.”

After saying that, Albert Ou looked towards John Quan, “Later, you tell Qin Liyuan that I’m already married.”

“Ah I’ll say ah” John looked embarrassed.

“Then I’ll say it myself.”

“Don’t, it’s better for me to tell you, how embarrassing it is for someone to be a girl when you reject them to their face like that.”

John Quan sighed sadly, but she and Qin Liyuan had grown up together.

“But, at first, anyway, when suddenly suddenly saved your life, you”

“I’ll make it up to her, in another way.”

“Okay.”

Star King International

Xu Xingru gave Jasmine Tong a week to read the script, and a week soon came and the two came to the company to discuss.

Xu Xingru was still dressed in black, and the person was still aloof.

Jasmine Tong was a little nervous every time she saw her.

“Have you chosen?”

Xu Xingru didn't utter a word of pleasantries and went straight to the point.

“I've chosen.”

Jasmine Tong picked out a copy of the script and handed it to Xu Xingru.

The dumping of the country and the summer snow.

It's just a female number two.

Xu Xingru was shocked when she saw the script, and it was the same as the one she had chosen.

She looked up at Jasmine Tong, her gaze noticeably gentler.

“Why did you choose this one when the script I have for you has a female number one and a female number two with a part worthy of a female number one, and this one.”

This one has the least amount of drama of almost any script.

“Yes, I've seen it, there's the first woman and the second woman who has a lot of parts, but, I don't think those roles are very good, except this one I like, and I'm not going to lie, I've read the novel.”

Today, IP is prevalent and many TV shows and movies are based on novels.

This dump is no exception.

The novel tells the story of male Seventh Prince Chaosheng and female First Prince Huangfu Wan'er who ascend to the highest position and look down on the world together.

Xia Feixue is the daughter of a martial arts general, who has been mischievous and rampant since childhood, relying on her ability to do some kung fu, she and the Seventh Prince Chaosheng grew up together as childhood sweethearts.

Seventh Prince Chaosheng and Xia Feixue spent a very happy time together, but when the Seventh Prince grew up and faced the battle for imperial power, he also had to put aside his children's personal feelings.

Xia Fei Xue is a woman of great affection and righteousness, and has repeatedly gone to the battlefield to kill her enemies, making great contributions to the ascension of the Seventh Prince.

The Xia Clan's achievements are so high that the Seventh Prince has to eliminate them in order to secure his throne.

With the emergence of Huangfu Wan'er, the Seventh Prince's feelings for Xia Feixue also grew distant, and Xia Feixue was so grief-stricken that she tried to murder the Seventh Prince, but failed and was martyred.

Xia Feixue's troubled fate is bound to be a great test for the actor.

"The role is quite a challenge for the actor and there will be hanging Weah and some martial arts action as well, you're sure."

Jasmine Tong nodded firmly, "Sure, I'll definitely play the role, I liked the character when I was reading the novel."

Right after that, Jasmine Tong actually saw.

Xu Xingru laughed.

It's the first time she's smiled at her.

"It's good to learn to suffer as an actor and also to resist the temptation that some actors who are slightly emerging start taking roles aimlessly and are not women and end up ruining their future."

“”

"You're just starting out now, and there will be plenty of opportunities for you to play a female role in the future, so if you play a female role all of a sudden, I'm afraid the audience will say that this person must have a backstage presence, so instead, you might as well play some supporting roles first to lay a good foundation."

Jasmine Tong nodded, "Yeah, I'll try."

“In a couple of days I’ll take you to an audition, in addition, the Huma Rouge world side has begun to enter the publicity period, you only need to go to one place to promote, show too much face but noisy, the next focus is to make a good film, endorsement side I will try to get more, first let you earn some money.”

“Thank you, Starru.”

Xu Xingru arranged for Jasmine Tong to promote the Huma Hong World.

It’s unbelievable that Tong Siu Man would meet here.
