

Chapter 69

Because Huma Red World was going to be released early, the publicity was very rushed at one point, and the resulting publicity was never set in stone.

Jasmine Tong could only wait for Xu Xingru's notice.

And these days it just so happens that the entrance exams are coming up.

Yarwen Tong's school is a boarding school, because it is close to the college entrance exams, in order to avoid accidents, the school these days, unless there are special circumstances, students are prohibited from coming in and out.

Jasmine Tong waited until the day of the sixth, thinking that it shouldn't be arranged, and then she received a call from Xu Xingru.

"Manny, pack up and get to the office, now we're going right away."

"Ah,"

"What's the matter with you?"

"I,"

"Whatever you've arranged must go today, the publicity over here has long been set for you, it would be inappropriate for you not to go, it's the first time, a cool appointment will affect your credibility, hurry over."

Without waiting for Jasmine Tong to argue, Xu Xingru hung up the phone.

I planned to go to the school to see Yarwen Tong, this time

Go, it's an eight-hour bus ride, and the event is estimated to be scheduled for two days after tomorrow, when she returns and the SATs are all over.

Jasmine Tong immediately made a call to Yarwen Tong, who sounded relaxed on the other end of the phone.

“Sis, what’s wrong?”

“Xiaolei, I’m going to go there today, my sister’s movie is going to be released, this time it’s a promotional event, I’m afraid if I come back”

“Geez, sis, go ahead and do your thing, don’t mind me, I’m fine la.”

“Little Lei,”

At any important moment in Yarwen Tong’s life, Jasmine Tong was never absent.

His mother died after he was born, and his father only loved the dragons, and he only had himself as a sister.

So, whether it was a parent-teacher conference, a field day, a graduation ceremony, or an award ceremony, Jasmine Tong would always be there for him.

The entrance exam was such an important moment for him again.

“Sis, I’m fine with it, the teachers won’t allow us to read for the past two days, so let’s relax, I think I’m fine with it.”

Jasmine Tong couldn’t help but get a little teary-eyed, her brother had grown up.

“Well, Sis will try to get back early.”

“You don’t have to worry, we’ll go to the movies together when your movie comes out.”

“Good.”

After hanging up the phone, Jasmine Tong immediately packed her things and went to the office, and on her way to the office, she posted her first tweet.

“Don’t be nervous, high school kids, come on.”

The accompanying picture is a wacky picture that reads: “All the tests are good, all the blinders are right.

Getting into the car with Xu Xingru, Xu Xingru explained something to her.

“I’ve got the dress for you, it’s not very out of the ordinary, just remember one thing about the campaign tomorrow and the two days after, be a proper supporting actor.”

“Well,”

Xu Xingru told Jasmine Tong about the rules on the promotional campaign one by one.

“Just remember one thing, you’re a supporting actor, stand at the front of the line always, the hosts don’t speak until you do, or else be quiet and treat your seniors very politely.”

“Remember that.”

The car sped along on the highway, arriving just before dawn, Jasmine Tong and Xu Xingru entered the hotel together to recuperate for some time.

The evening is when the campaign really begins.

Promotional activities are not the same as filming, the first time out to do publicity, Jasmine Tong was really a little nervous.

It wasn’t until she actually entered that Jasmine Tong knew why Xu Xingru had arranged this stop for her.

This bustling metropolis is one of the most powerful stops.

Almost all the creators are here at this stop.

Qin Yanyan was naturally the brightest star in a red evening gown, and she herself teased that she hoped the box office of Yanhong World would be red all the way to the top.

Rameen Tong was not weak either, and a golden dress competed with Qin Liyuan’s, bringing out her plump figure to the fullest.

We all knew this was a very important stop and did our best to make ourselves more visible.

Only Jasmine Tong, dressed in a pale pink knee-length dress, looked very plain and simple in front of all the golden glitter.

She's also been regular, non-competitive, and has had almost no presence except after the initial introductions.

So, naturally, it was Qin Liyuan and Rameen Tong who stole all the limelight.

The host took the microphone back, "Today, we also have a special guest, he didn't play any role in Huma Red World, he's here today for his best friend, and you all can guess who he is."

The audience was confused.

Who knows?

Too many stars.

During promotional activities, it is not uncommon to invite actors who have never acted to come over and stand on stage, either for their former directors or for their good friends, and we are all courteous to each other, you help me, I help you.

Just who it is, no one knows.

Jasmine Tong wasn't curious, because whoever it was had nothing to do with her.

"Well, we won't sell him short, now we have him on."

A stirring of music was playing.

The stage lights flicker.

All eyes were on the doorway where the entrance had been made.

A tall figure flashed over.

A casual white shirt, unbuttoned three buttons at the top and open two buttons at the bottom, exposing a firm honey-colored muscle in the chest, and a pair of ripped, loose-fitting jeans.

Everywhere shows his debauchery.

And then look at that face, with two razor-sharp eyebrows, a pair of dark and bright eyes, shining with a charming luster, a high nose, and s*xy thin lips.

With an evil smile, he greeted, "Hello, everyone I'm Mo Yiang."

"Wow,"

The place was a sensation.

Mo Yiang.

It's Mo Yiang.

"Ah" already some fan girl started pulling her voice out and screaming playfully, the sound seemed to raise the roof of the scene

The moment Jasmine Tong saw Mo Yiang, the faint smile she had been maintaining fell.

Nima

What the hell is he doing here?

Who is Mo Yiang?

If you ask which fresh meat is the most popular in the entertainment industry today, it's Mo Yiang.

Mo Yiang means popularity, Mo Yiang means traffic, Mo Yiang means countless "most."

Mo Yiang, who is only 24 years old this year, has been on the scene for twenty years.

That's right, he was born a child star and starred in a TV show that became a household name at the age of four.

Many actors who started out as child stars like him grew up to be more and more disabled, but he was the only one who grew up to be really handsome.

And, at the age of seventeen, he came home with a movie trophy.

His fans range from young girls in their teens to old ladies in their 70s and 80s.

Once Mo Yiang appeared, naturally all the focus was on him.

The host immediately handed him the microphone, "lone, I hear you're standing in for a good friend today, may I ask who you're standing in for"

Jasmine Tong's heart thumped, it's bad.

He's not going to come straight to me, is he?

Chapter 70

Mo Yiang smiled badly and smiled brightly towards the people behind him, sweeping his gaze from Jasmine Tong's body.

At that moment, there was a wink at her.

Jasmine Tong immediately averted her eyes.

"Whoever it is, step forward ah" Mo Yiang smiled badly.

Jasmine Tong held firm.

She had to make a clean break with this man.

I don't know him, I don't know him, I don't know him.

However, if she didn't go out, would it make the man look particularly disgraced?

Jasmine Tong's heart was struggling with various things.

It was at this moment that a red figure strode forward.

When Jasmine Tong came back to her senses, she saw Qin suddenly walk over towards Mo Yiang with elegant and sure steps.

The two of them hugged.

Only at the moment of the embrace, Mo Yiang's gaze stayed on Jasmine Tong's body, and also glared at her.

Why don't you come out, you little sh!t?

"Oh" the stage began to cheer again.

There was a flurry of noise.

Qin Liyuan and Mo Yiang used to play close lovers in *Dear, Waiting for Me*, and they were considered good friends in private.

The moment Mo Yiang appeared, Qin Liyuan was really a little surprised, but she looked around, there was no one here who had anything to do with Mo Yiang anymore, so she stepped forward.

The microphone was handed over to Chin suddenly.

“I really don’t know, I looked at his friends yesterday and he was still in France, I didn’t expect to see him there today, it’s so unexpected, leang, thank you so much especially”

Mo Yiang’s smile was significantly far-fetched.

“You’re welcome, you’re welcome.”

“lone, have you seen the film’s credits? Are there any characters you’re more excited about?” the host asked.

“I’ve seen the trailer before and I’m particularly looking forward to the movie, and if I’m looking forward to the character, then I’m probably looking forward to the role of Rose.”

rose

He is here to stand up for Qin Jianliang, isn’t the expected role supposed to be Qin Jianliang’s female counterpart?

I chose a woman as number three.

The host seems to be deliberately coaxing, “Then suddenly, did you hear that he’s not even looking forward to your role?”

“That’s normal, we Yi-Ang has never liked that kind of big woman or strong female character, he likes the softer and weaker girls.”

Qin turned around and answered very frankly.

They even know what type of person they like, so it seems like these two have a good private relationship.

The presenter pointed again at Jasmine Tong, the first time attention was paid to her.

“Jasmine, just now Yi Aang said he’s looking forward to your role, are you feeling ducky right now”

Jasmine Tong took the microphone with a light expression on her face, “Fine, I hope I don’t disappoint anyone.”

Next, the host invited Mo Yiang to take a group photo with everyone, the photo ended, the publicity work ended in the audience’s reluctant applause.

Jasmine Tong was also considered to have completed the task Xu Xingru explained to her.

It’s ten o’clock in the evening when I finish my work, and the itinerary is to stay in tonight, after all, it’s not safe to drive at night, and I’m not in a hurry.

The entrance exam is over.

Jasmine Tong immediately called Yarwen Tong, and the call took a long time to get through.

“Little Lei,”

“Sis, what is it,”

The phone was very noisy on the other end.

“Where are you, why is Lei so noisy”

“I’m out here, what’s up, sis.”

“Sis is going outside to take the bus to get ready to go home now, so you can wait for me at home, I guess I’ll probably”

“Oh, sis, you don’t have to come back I’m with my brother-in-law now, he took me home after my exams, we’re in the cinema now, I don’t want to talk about it, the movie’s about to start”

Jasmine Tong looked bewildered.

With my brother-in-law.

Asawa, my husband.

Asawa's husband

It should be Aze, otherwise, Yarwen Tong would definitely question himself as to why this time's brother-in-law was different from the last.

Jasmine Tong smiled faintly, it seemed that she really wasn't wrong about Azawa, this guy really wasn't bad.

"Knock-knock,"

There was a knock on the door.

Jasmine Tong walked to the door, looked through the cat's eye, immediately opened the door and grabbed the man outside the door in

"What are you doing in my room in the middle of the night?"

Mo Yiang still had a gangly smile on his face.

"Why do you need me in here so badly?"

Jasmine Tong let go of his hand and glanced at him, "I was afraid of being seen and not being able to explain clearly"

"It's like you specifically want to leave me out of it, Tong, what's wrong with you."

Mo Yiang said as he poked Jasmine Tong's collarbone.

Jasmine Tong gave him a blank look and didn't say anything, but just sat on the bed.

Her room wasn't a suite, just one, and the only room to enter was the bed.

"And ah, why didn't you step forward when I just asked who, exactly, stepped forward."

Mo Yiang's heart was simply suffocating.

He had never thought that this dead girl didn't come out, but Qin suddenly did!

Honestly, he hadn't meant to help her out, but if people knew that she was a little newcomer with a movie star's mention, it would have been a lot less traveled.

I wonder how many of the little stars in the entertainment industry would love to know a few more big names.

"I thought you were here for the sudden turn of events."

"I pooh" Mo Yiang very disdain, "I was looking at my little uncle's face did not say anything, who came for her ah self-inflicted."

Speaking of friendship, although the two have worked together, they really don't have much of a personal connection.

"What's the relationship between your youngest uncle's face and the sudden turn of events?"

"Gossip Girl, I don't know if it's true."

"Oh,"

"Jasmine Tong you don't change the subject why don't you come out"

Mo Yiang was very irritable at the moment.

"Why do I have to come out ah fortunately suddenly sister came out, otherwise those wives of your fans shall not tear me up I but just debut, do not want to be strangled by them."

Mo Yiang was even speechless.

You know which fan club has the best mouth in the entertainment industry?

Naturally, it's Mo Yiang's fan club.

"Hey, Black Earth, I thought you were in France, why did you come back all of a sudden?"

"Crap."

It's all for you, isn't it?

“Don’t call me Black Earth when it’s time to come back.”

dirt-cheap

What the hell?

Is he black?

Tong shrugged, “So how long have you been back?”

Naturally, good friends need to chill out a bit when they meet.

“Not going anywhere, my contract with Artsin International is about to expire and I may have to deal with contractual matters in the near future.”

At the mention of the contract, Mo Yiang wilted like a deflated ball.

“Look at your sad face, with your popularity, it’s not the same as who you signed with.”

“What do you know my brother-in-law bought the Star King out.”

Chapter 71

“What,”

Jasmine Tong stared at Mo Yiang as if she knew something remarkable.

For Mo Yiang’s younger uncle, Jasmine Tong but often heard Mo Yiang mention it.

Moichi Aang’s uncle is Albert Ou Noe, the richest man in the world who is known as a game genius and sits on a fortune that is unbeatable!

That mysterious rich guy.

Only, after Mo Yiang’s debut, there was no mention of this relationship to the outside world.

It is estimated that the only person around Mo Yiang who knows about this matter is Jasmine Tong.

Jasmine Tong had always thought that Star King International was about to go out of business, and the outside world naturally thought so as well.

The reason she signed in the first place was that at least she had a place to sign, it was better than floating around out there.

I didn't know that Star International has been bought by this mysterious tycoon.

"It is said that my youngest uncle is because of the acquisition of Qin Yanyan, I have not contacted my youngest uncle, and I do not know what the specific reason is, you say my youngest uncle is not full ah for a woman, three billion."

Jasmine Tong's eyes turned around, "Sister suddenly is quite good ah, suddenly is not good for you to be an aunt ah"

"Yuck."

However, upon hearing that Qin turned out to have this relationship with Mo Yiang's younger uncle, in Jasmine Tong's heart, Qin turned out to be a bit of a discount.

Mo Yiang didn't talk to Jasmine Tong in detail about his uncle, in Jasmine Tong's impression, Mo Yiang's brother-in-law must be at least forty years old.

And Qin turned around twenty-five this year.

However, it's not uncommon these days for an actress to marry a wealthy man more than a decade older.

"What does your brother-in-law's acquisition of Star King have to do with you?"

"Isn't my contract coming up soon? My dad, once he heard that my youngest uncle had acquired Star King, didn't want me to sign with Artsin International and wanted me to sign with Star King."

"Ha,"

"You know, the person I was most afraid of as a child was my youngest uncle, he's a big devil big devil if I sign up with the Star King, will there be a way to live?"

Jasmine Tong laughed.

Mo Yiang has been a mixed up devil since he was a child, and when he entered the entertainment industry, he was also always an unrestrained and fearless image, but I didn't expect him to be afraid of anything.

Only, she didn't say that she was already a signed artist for Star King International.

"You're still laughing, do something for me."

"What can I do to help you think of a way or your old man could steal a contract with Artsin International."

Mo Yiang knows about this, Jasmine Tong really can't help much.

Mo Yiang patted Jasmine Tong's shoulder, "Jasmine Tong, go, go to my room and play the game."

As soon as Jasmine Tong heard the words "play games", she yawned.

"I'm sleepy today, another day, another day."

"Don't change it, just today I came here to stand up for you today, how do you have to reward me I tell you, the number I helped you raise is very high level, we can get married soon"

Jasmine Tong's brow furrowed.

She really doesn't understand why a grown man likes to get married to someone in a virtual game world.

The people who designed the game are really sick, too.

She had never liked playing games, but Mo Yiang loved it so much that she often dragged her along.

Calling her a pig's mate while we play.

Later, Mo Yiang thought she was too slow to upgrade, playing two numbers by herself and upgrading together.

Jasmine Tong yawned several times in a row.

“I’m really sleepy, it’s been a busy couple of days, so just leave me alone, little master, please.”

Mo Yiang was very spoilery, “Alright, let you go, then I’m going back.”

As he said that, Mo Yiang ruffled Jasmine Tong’s hair and purposely messed up her hair before walking out reluctantly.

When he reached the door of his room, he saw Rameen Tong and her assistant standing in his doorway.

“Brother, it’s so late, where have you been?”

“WHAT did you call me” Mo Yiang suspected that he had misheard.

“Senior brother ah I’m now signed to Yixin International, my senior brother was signed before me, of course.”

Mo Yiang only felt a bit of nausea, and directly swiped the card into his room, Rameen Tong was just about to enter, when the door slammed shut.

I almost slapped her in the face.

“What kind of person is he? Too rude,” Huang Can was indignant.

Rameen Tong was able to see it through, “Stop it, go back.”

“Miss Rameen, you’re the future boss lady, it’s too much for him to treat you like this.”

“He certainly has his excessive capital, not to mention that his contract is almost up and may not be renewed then, so I’d take a lot less time if I could have his mention, so take your time.”

Rameen Tong silently shook his fist.

If she didn’t want something from him, she wouldn’t stoop so low.

In the other room, Qin turned around and prepared to rest.

Xia Lian is still in a state of excitement, she is only in her twenties, so naturally she likes handsome men

Mo Yiang's appearance today really makes her heart beat faster ah

"Our Yi Aang is worthy of walking hormones, one look at him and I won't even have to sleep tonight."

Qin turned around and smiled.

Xia Lianton changed her tune, "No, it should be Oneang from the sudden turn of an unexpected sister's house."

"Don't be ridiculous."

"How is it nonsense? If then suddenly Sister and Mr. Ou are together, then suddenly Sister is the aunt of Yiang ah However, I think Mr. Ou is getting more and more considerate, can't personally stand for suddenly Sister, send his own nephew over and give him a compliment."

Chin looked down and smiled.

Although that day in Miro Sunshine, Albert Ou's attitude was very cold, but today when she saw Mo Yiang's appearance, she understood it all.

Albert Ou is just hot and cold on the outside.

He still cared about her.

When she thought of this, Qin suddenly smiled with happiness.

The next morning, Mo Yiang was going to return to Slivestopol with Jasmine Tong, but Jasmine Tong had already returned to Slivestopol with her own agent.

As soon as she arrived in Slivestopol, Jasmine Tong went straight back to Yarwen Tong's side.

Jasmine Tong already felt very guilty for not accompanying Yarwen Tong during the entrance exam.

Once inside, I saw Yarwen Tong sitting on the couch watching TV, "Sister, you're back."

"Well, how did the test go?"

Although, Jasmine Tong herself disliked being asked how she did on the exam, she still couldn't help but ask about it.

Yarwen Tong shrugged, "I think it should be fine."

Jasmine Tong let out a sigh of relief, "That's good, by the way, last night"

"I went to the movies with my brother-in-law last night, and after the movie, he dropped me off."

"Oh."

"Brother-in-law also said that when my sister's movie is released, he's going to cover it" Yarwen Tong looked very excited.

As I was saying that, Jasmine Tong's phone rang.

"Mandy, when your movie comes out, I've decided to cover ten shows. Surprise or no surprise, is that enough?"
