

Her Bossy Yet Naive CEO Chapter 711 - 725

Chapter 711

Li Qinqin blushed very embarrassed, thinking that she can't go on like this with Mo Yiang all the time, and nodded her head with determination.

In the evening Li Qinqin came to Mo Yiang's apartment as usual, Mo Yiang had gotten used to Li Qinqin's arrival these days.

But since he was unsuccessful both times, he couldn't really hang on to his face, so he could only try not to think about it.

After dinner two people on the sofa to watch TV, but the two people's mind are not here, Mo Yiang has been uneasily watching the time.

The more it was time to go to sleep, the more this heartbeat of his accelerated.

Li Qinqin was also even more nervous as she was brewing up a big move.

It was already ten o'clock, and since both of them belonged to the night owl type and usually went to bed late, Li Qinqin put the snacks away and coughed softly.

"I slept a little late last night, so I'll go to bed early today."

Mo Yiang's mind was also a bit misty, "Oh, then go to sleep first, I'll watch for a while."

"Don't, sleep together." Li Qinqin took Mo Yiang's arm, she seemed to be able to notice that Mo Yiang was somewhat dodging, as if he was deliberately not continuing last night's tragedy.

Unable to resist Li Qinqin's soft-pedaling, Mo Yiang had to agree.

After washing up and getting into bed, Mo Yiang found that there were still the condoms he had prepared last night on the bedside table, all unopened, and he hastily and awkwardly stuffed them into the drawer.

When the two of them were lying on the bed, no one moved, and Lai Qinqin brought her phone in her hand closer to Mo Yiang.

“Let’s you and me watch a movie.”

“I thought you said you were sleepy and still watching the movie” Mo Yiang felt strange.

“Oops, not that movie, that movie.”

“Which movie” Mo Yiang was still puzzled.

The legendary movie emperor is so dumb when it comes to men and women!

“Do I have to be made so clear about the little love action movie? “This movie is still from Chu Sweet, and is said to be the very small scale kind.

Only then did Mo Yiang understand what Li Qinqin meant, and his heart suddenly beat faster and his face reddened a little.

Neither of the two of them had any idea that their first time had been learned from a small movie, and it was weirdly humiliating to say the least.

But this first time went well, at least it cleared away the gloom of the first two failures.

Li Qinqin snuggled in Mo Yiang’s arms with a tear hanging from the corner of her eye, the pain of the first night was a little unexpected, but it was good, she still thought it was sweet.

Mo Yiang held Li Qinqin tightly in his arms, the moment she shouted “pain” also really scared him, in fact he didn’t think it would be the first time for Li Qinqin, when he realized the problem, he only needed to touch her once and then he hurriedly braked.

“Does it still hurt?”

Li Qinqin shook her head and dug in Mo Yiang’s arms again, “I’ll be your person from now on, you have to be nice to me, no bullying.”

Mo Yiang doted on Li Qinqin’s long hair and carved a kiss on her forehead.

“How come you didn’t tell me you were a first?”

Because it was his first time, some aspects were always out of control, and he started out very hard until he saw the tears of pain flowing out of Lechin.

“You people must all think I’m a delinquent girl, surely you haven’t had your first time already.”

Li Qinqin trailed off, “That’s why I’m so anxious to have sex with you ah, otherwise we’ll break up later and I’ll give my first time to someone else.”

Mo Yiang immediately covered Li Qinqin’s mouth, “What nonsense”

“It’s the truth.” Lai Qinqin wouldn’t be taboo about saying such things.

Mo Yiang turned Li Qinqin’s face towards himself, “Qinqin, I will marry you.”

Li Qinqin used to think that marriage was a very clichéd topic, but when a man said he wanted to marry her, she actually cheered up a bit.

“You’re serious” her tone could hardly hide the joy she felt.

“Of course it’s true, why don’t you want to marry” Mo Yiang nudged Li Qinqin’s nose.

Li Qinqin skewed her eyebrows, “Married or not that depends on your performance.”

“Don’t worry, I won’t let you down with my performance.” Mo Yiang but confident.

As if she suddenly remembered something, Lai Qinqin suddenly got up and looked at Mo Yiang, “There’s another very serious question”

“What’s the problem?”

“Will you dislike me for being small here” Li Qinqin bit her lip and muttered appearing a little embarrassed, “But I’m still small, there’s still room to grow really can’t I’ll get a b00b job”

Mo Yiang was really laughing and crying, “This is just right, we’re only closer.”

That made Li Qinqin speak beautifully.

Since the two of them had crossed this most difficult hurdle, their relationship had gotten a step closer and every day was sweet, but then they had to face the problem that Mo Yiang's tour was coming to an end.

Li Qin Qin basically pestered Mo Yiang every day, and also officially started a live-in relationship, Mo Yiang has been reluctant to tell Li Qin Qin that his excursions will not go on forever.

Until he received a call from Feng Qian, who determined that the excursion must end immediately.

This evening Mo Yiang made many delicious dishes, all of which Li Qinqin loved to eat, and as soon as Li Qinqin returned, she went straight to the restaurant, her mouth watering.

"Oh my mama, I'm craving for so much delicious food that I've made" Li Qinqin picked up a shrimp and put it in her mouth, "Mmmm it's so delicious"

"Don't even wash your hands. Wash your hands and eat."

"Yes," Li Qinqin hurried to the bathroom.

Mo Yiang also brought over a bottle of red wine by the way.

Li Qinqin was only focused on eating the food not even paying attention to Mo Yiang's expression was not right, until she was almost finished, Mo Yiang began to say, "Qinqin, I'm going back to China."

Li Qinqin's expression was petrified and her smile all but froze on her face.

"This is going to go so soon."

Chapter 712

Ever since she was with Mo Yiang, Li Qinqin had almost forgotten that this was England, and Mo Yiang was going back to China after all.

"I was going to stay for a week, but Ken called me and asked me to rush back to get the award for my previous film, which is still quite important."

Mo Yiang spoke very softly, afraid that Li Qinqin would not be able to accept it.

“Oh” Li Qinqin hung her head her voice stretched long, tears were already in her eyes, she never thought she would be such a useless person.

The next moment she was on the table and crying.

Mo Yiang hurriedly put down his chopsticks and came to Li Qinqin’s side, embracing her in his arms.

“It’s not like I won’t see you later, I’ll come over and see you sometime.” Mo Yiang stroked Li Qinqin’s hair as he said softly.

Li Qinqin remained silent the whole time, just kept crying and crying for a long time.

Even Mo Yiang felt a little baffled, only Li Qinqin herself knew why exactly she was crying for so long.

They still made love at night, seemingly because they were about to part, and they were so into it that they seemed to be doing it as if it were their last.

Mo Yiang held Li Qinqin in his arms and spoiled her long hair.

“Eyes all puffy from crying, not pretty.”

Li Qinqin slanted a glance at him, “Then you still dislike me?”

“If you’re worried I’ll dislike it, no more crying from now on.” Mo Yiang said carving a deep kiss on Li Qinqin’s forehead.

“You have to promise to visit me sometime, to send me tweets and call me often, and when you get back to China, no getting too close to other women, especially actresses.”

Saying that Li Qinqin felt more and more filled with a sense of crisis, as if Mo Yiang ran away with someone else as soon as he returned to China.

“It’s knowing.”

“Also, if you’re filming an intimate scene you must report to me” Li Qinqin pouted as if she was giving a death order.

Mo Yiang nodded solemnly, “Okay, all agreed.”

“Pull the hook “Li Qinqin still didn’t believe in sticking out her little finger, Mo Yiang helplessly hooked her little finger.

Only then did Li Qinqin relax a little.

“By the way, Chinchin, do me a favor,”

“What’s the rush?”

“The movie I made is based on a comic book, that author didn’t ask for any fees at first, we agreed to pay her if the movie sold well, but her qq has never been online, when I get back to China, I’ll probably be busy, plus the jet lag, I probably won’t be able to contact her even more, how about you help me contact her?”

This matter has been on Mo Yiang’s mind, he left many messages to the other party, but the other party’s status is always offline, in addition to no other contact information.

“Is it a man or a woman” Li Qinqin immediately asked full of vigilance.

Mo Yiang smiled bitterly and shook his head, “I don’t know, I’ll give you my QQ number and password, just talk to the other party in my name later, I’m initially going to pay him 200,000 yuan, if he doesn’t agree, you can talk to me again.”

“Two hundred thousand, then how much do you pay me?”

“How much do you want” Mo Yiang pinched Li Qinqin’s little nose.

Li Qinqin suddenly rolled over onto Mo Yiang’s body, “I want you.”

Two people laughed and they did it again.

This night can’t even bear to sleep, so Mo Yiang took out his phone and explained his qq number as well as his password to Li Qinqin.

“Who still plays QQ these days” Li Qinqin was a bit dismissive.

“But I only have her qq.”

Successful login

Mo Yiang found the other person from his friends list, "That's it, Heart Without a Heart."

Li Qinqin woke up with a start, she hurriedly picked up Mo Yiang's phone, rubbing her eyes in the process

"What's wrong "Li Qinqin's strange action made Mo Yiang feel unbelievable.

Li Qinqin was unable to speak excitedly as she pointed at the avatar on her phone screen.

"What's going on?"

"This is me," Li Qinqin finally said after a long day, "A heart without a heart, that's me, that's me"

Mo Yiang was also very surprised that the movie he made was a comic by Li Qinqin.

The author he's been in touch with before is Ginny Lai.

Li Qinqin had already forgotten about this matter, thinking that when she contacted Mo Yiang to adapt the manga, it was not long after she had just arrived in England.

It was a time when she was at her most disillusioned because she hadn't been able to get in touch with Mo Yiang on the phone, and because she was unfamiliar with life in England, and her own comic book career had never taken off.

It's only the adaptation of this comic that has given her some spirit, and since finishing it, she's finally come to her senses and decided to live well in England.

After that, because of heavy coursework, I forgot all about it.

I didn't realize they'd made contact before then.

It's a shame that we only talked about the comic and the script and didn't get to know each other well enough to miss it.

They gazed at each other, glad they hadn't missed each other again.

Lai Qinqin's tears barrel down and a fist hits Mo Yiang's chest.

"Idiot, why didn't you ask me my name in the first place?"

"How dare I ask you your name so abruptly when you were so doting on me in the first place?"

Li Qinqin stuck to Mo Yiang's chest and cried and laughed.

This night they embraced each other and slept.

The next day Li Qinqin clearly felt that she couldn't open her eyes, and when she struggled to open her eyes, she found that it was already ten o'clock in the morning, and there was no longer Mo Yiang on the side of the bed.

"Where's lone?"

Li Qinqin's eyes narrowed to a slit when she was just about to get up and found the envelope on her bedside table.

"Maybe when you wake up, I'll be on a plane, forgive me for not telling you the real time of departure, I don't want to part, then you'll be crying again, we'll see each other soon, love you."

Li Qinqin held the envelope, her tears once again falling low to the letterhead.

Without even saying goodbye, he just left.

That bastard.

Mo Yiang was now on a plane back to China, and his heart was despondent.

Ten hours later, the plane landed, Mo Yiang got off the plane, and Feng Qian came to pick him up.

Mo Yiang had just opened his phone and received a WeChat message from Li Qinqin.

"I've just been apart and I'm starting to miss you, you promised to meet soon, no broken promises."

Mo Yiang smiled softly and replied, "As ordered."

Feng Qian took a glance at Mo Yiang, "In love."

Mo Yiang put the phone away, "Nothing escapes your eyes."

Chapter 713

Feng Qian was quite proud of himself, "Not even looking at who I am and what's wrong with me, this going on a little school trip is quite lucrative,"

Mo Yiang dropped his eyes and was honestly very pleased with his excursion.

"Okay, learned a lot of new things."

Feng Qian slanted a glance at Mo Yiang who was obviously not satisfied with this answer.

"Who's asking you this, it's asking if you and the girl are getting along well if I'm right, you should have taken it already hahaha."

"Drive your car."

If it wasn't for the fact that he was driving, Mo Yiang would probably have already extended his fist.

But Mo Yiang doesn't hide his joy, and it's really nice.

After returning to China, Mo Yiang almost didn't even have time to adjust to jet lag, and immediately went to the awards ceremony, the brother's film won both the Best Picture Award and Best Screenplay Award, while Mo Yiang himself naturally won the Best Actor Award.

The awards show was expecting the big boy with the mischievous smile to show up and hopefully he will continue to be funny.

Unfortunately everyone was disappointed, and Mo Yiang just very officially thanked his team and those who had stayed with him in his time of frustration, and didn't have much to say.

Because of winning an important award, the entertainment news headlines in the past few days were all about Mo Yiang, and even the public media outlets that had previously defamed Mo Yiang began to praise him constantly.

Mo Yiang and Feng Qian set up a studio, began to cooperate with Star Huang International in the form of cooperation, Star Huang International side again began to put a hand to him resources, only Mo Yiang did not want.

In the office, Mo Yiang is looking over the script, and Feng Qian has been on the phone since he first walked in the door.

He hung up the phone and Feng Qian came over.

“I’ve been getting this phone call again ever since you got back from your tour, and I’ve had people asking me out on dates the whole time you’ve been away, but according to you, reality shows are all off the table, and people are freaking out that you’re letting go of all the money you’ve got.”

Feng Qian is pushing these reality shows, but he’s pushing out hundreds of millions of dollars, and it’s hurting his liver to push.

But he is still very supportive of Mo Yiang, and seems to have seen the money a lot more clearly after going through the breakdowns.

“I say you’re back here too, do we need to find something to do or should we make a Brothers 2, with this as a base, it’s conservatively estimated to make 2 billion at the box office.”

Feng Qian thievingly leaned close to Mo Yiang, “There are already a lot of people looking to inquire with me if you want to make a second part, they are already ready to invest.”

Mo Yiang put the script in his hand to the side, “The second part shouldn’t be filmed for a short time, unless there are new ideas, the first part left no suspense, and filming the second part would be a dog’s tail.”

Feng Qian sighed mournfully, it used to be Mo Yiang who listened to him.

“All these scripts were pushed out, they were similar to my previous roles, nothing challenging, I wouldn’t have taken them, and I considered all of them and wanted to take director Xu’s film on military themes.”

“Oh my god can you do it, military theme you also take this will definitely pounce and it’s not even male.”

"I like the character, and I feel pretty good about it, even though it's a male number two, so you go back to the other side."

Feng Qian swept another white eye at Mo Yiang.

This guy is getting mature.

"Also these endorsements you mentioned, these two take them, and the others are put off."

Feng Qian looked at the two endorsements that Mo Yiang had chosen that were more classy, and they gave good treatment, which also made him a little more relaxed.

The movie made them both a huge profit anyway, and that's enough money on hand to spend.

After working on this side of things, Mo Yiang went back to his apartment, didn't think that exotic love was so difficult when he first came back, and didn't realize that it was really too difficult until they really separated.

With an eight-hour time difference, when Mo Yiang was busy, Li Qinqin was free, and when Li Qinqin had time, Mo Yiang was out of time again.

Their tweets are usually so long apart before they respond that it feels like a time out.

Mo Yiang looked at the time, this side is 8 pm, Lai Qinqin side is 12 noon, almost lunch time, there should be time for a video, so he sent a video invitation.

It took Li Qinqin a long time to pick up the video, her mouth still chewing on her food as she hurried down the road.

"Did you miss me" Li Qinqin started to ask at the first sentence.

"Wanna, don't wanna be able to video you? What's for lunch?"

"Don't mention it, just halfway through the meal you sent me the video, I quickly stuffed a few more bites and ran out of the restaurant" Li Qinqin said as she swallowed what was in her mouth.

"There's no rush, dinner is important."

“Anxious anxious, I won’t have time in a minute, I have exams coming up, I’m going to be very, very busy these last few days, and if I don’t get back to you, then it must be me studying.”

Mo Yiang sighed, “Alright then, you study hard.”

“But don’t think that I’m about to take an exam and I don’t have time to keep an eye on you, so you’re just giving me nonsense” Li Qinqin made a very angry face at the camera.

Mo Yiang held his forehead and shook his head helplessly, “I”

“Okay, okay, I’ll stop, I still need to communicate with my teacher, I’ll hang up first, love you, Muah”

Li Qinqin kissed the camera and quickly hung up the video.

Mo Yiang originally wanted to tell Li Qinqin that he might be busy again soon and might not be able to take care of her, but unfortunately he hung up the video before saying so.

When she was in England, Li Qinqin also mentioned to Mo Yiang that foreign exams are not like memorizing knowledge points at home and blitzing them, many of the foreign exams are out-of-the-box thinking, and there’s no way to know what kind of exam paper you’ll get, so there will be a lot to prepare for.

As soon as the video was hung up here, Mo Yiang received a call from Feng Qian.

“Yi-Ang, I called Director Xu to make sure about that movie, Director Xu said that if you’re going to take it, you’ll have to go into a real special forces unit with the other actors to experience life for a month, are you okay with that?”

“A period of one month is no problem, it’s my first time playing a military role and I definitely want to experience a role, so that’s just right.”

“Well, I’ll get right back to the other side and say yes.” Feng Qian hung up the phone.

Mo Yiang also felt that it was nothing, it was just to experience the role anyway, he had to play the role of a doctor before, he also went to the hospital for a period of time, it was normal for actors to experience the role.

But what he didn't expect was that as soon as he entered the army, this side would give him a dismantling.

Everything had killed him.

Her Bossy Yet Naive CEO Chapter 714 - 716

Chapter 714

The original Mo Yiang and the actors who came here thought that they were just here to feel the atmosphere of the army, but they never thought that they would experience the real life of the army, and there is no difference between their requirements and those of the real soldiers.

He was accompanied by Jasmine Tong, who also took on the role of a hygienist in the film, but Tong played the role of a health worker with the team, and experienced life more with the military doctors.

The first thing you do when you enter the Special Forces is turn in your cell phone.

Mo Yiang pulled out his phone and was just about to open it to send a WeChat message to Li Qinqin.

Because Li Qinqin had been busy with exams recently, the two of them hadn't been in touch, and he hadn't had time to tell her that he was coming here, originally thinking that it was just an experience of life, and hadn't expected it to be so strict.

"Mr. Mo, I expect you to abide by the rules of our army" the strict instructor immediately noticed Mo Yiang's actions.

"Sorry, I came rather suddenly this time, I didn't have time to tell my family, can I send a message" Mo Yiang's words were quite polite.

"Can't please hand over your phone immediately" the instructor still snapped very seriously.

Mo Yiang helplessly handed over his phone without even sending a message.

The first day they launched a training than the military training is more than ten times the bitterness of the training, the real shot ah, not to experience life, but the real life here!

Two stars had already quit after the first day and called the crew directly to cancel their contracts, but Mo Yiang felt that it was worth the trip.

There was free time in the evening, and Mo Yiang had wanted to go out for a cigarette, but as soon as he pulled out his cigarette, a hand snatched it away.

“Don’t you dare smoke. You don’t want to run ten miles at night, do you?”

As soon as Mo Yiang raised his eyes, he saw Jasmine Tong, who stuffed the cigarette back into Mo Yiang’s pocket.

“Can’t even smoke” Moichion kicked a stone under his feet.

“Hey, are you in love” Jasmine Tong cautiously began to test.

On the matter of falling in love with Li Qinqin, Mo Yiang felt that he couldn’t tell Jasmine Tong yet, after all, Li Qinqin had tried to get Albert Ou to divorce Jasmine Tong, and Jasmine Tong had never had much affection for Li Qinqin.

“What nonsense,”

“Don’t hide it from me, why were you in such a hurry when I asked you to turn in your phone today, weren’t you sending a message to your girlfriend to report”

Nothing can escape this pair of discerning eyes of Jasmine Tong.

Mo Yiang didn’t argue.

“You went to England for a study tour, it can’t be for Li Qinqin, right?”

Mo Yiang looked at Jasmine Tong uneasily, “Are you the roundworm in my stomach?”

“f*ck you for being honest about it or not.”

Jasmine Tong acted as if she must get to the bottom of the matter.

Mo Yiang scratched his head and wondered what would happen if he admitted it.

“If I tell you, will you turn against me?”

“Okay, you don’t have to say anything, I get it.”

Mo Yiang immediately walked up to Jasmine Tong, “I know you don’t like Qin Qin, but she’s actually a very good girl, that stall with my little uncle at first was completely because she was young and ignorant, she’s not like that now.”

Jasmine Tong patted Mo Yiang’s head, “Man in love ah, I haven’t said anything yet, why are you in such a hurry to explain to me and put in a good word for your girlfriend”

“I,”

“Actually, after all you’ve been through, I’ve seen a lot, if you and Li Qinqin truly like each other, then it’s okay to try, the past is the past.”

Hearing Jasmine Tong’s words, Mo Yiang was overjoyed.

“You really agree that we should be together.”

“It’s not that I approve of you being together, it’s that you two can be together if you truly love each other.”

Mo Yiang immediately clapped his hands, “You’re funny enough.”

The two men smiled at each other from the moment they met they were each other’s strongest supporters.

That’s fine too.

In England, the school where Li Qinqin was studying for her final exam was in full swing, and all the students were holding their breath.

Li Qinqin was also working hard in the study room, because she had to study for her exams, she hadn’t contacted Mo Yiang for several days.

When I was bored, I took my phone out and looked at it, but there was still no news from Mo Yiang.

"Idiot people exams, can't you send a message to encourage it" Li Qinqin is a little disappointed to leave his mouth, if you know you won't talk to Mo Yiang about exams himself busy.

Chu Sweet arched Li Qinqin with her elbow, "Where's Sichun missing your Shadow Emperor"

"No I don't want him" Li Qinqin immediately straightened up and read the book again.

"Dead duck, I heard everything you just said hey, I see you've signed up for all the remaining two years of classes for next year, you're trying to wear yourself out."

Another important thing to do as the final exams approach is to declare your courses for the next semester, and the choice of courses abroad is more free, so if you feel you have the ability, taking all three years of courses in one year is allowed, as long as your grades are up to standard.

Lechin enrolled in all her remaining classes for the next semester.

"I'd love to,"

"I think you're afraid that your shadow emperor has run away, so you want to return home early" Chu sweetly propped her head up and looked at Li Qinqin.

"So what if it is,"

Li Qinqin made this decision also when Mo Yiang had just left, she suddenly felt sad about the exotic love and wanted to end this state of affairs early, so she made such a great decision.

"In fact, I think ah, you and the movie emperor play on the line, you can not really ready to get married ah, like they are such stars, especially like him this curiosity, there are several early marriage and children, are not all thirty several forty several to get married, and even some have not been married, men to speak frankly the same, who are willing to give up the forest to embrace a small sapling ah!"

Chu Tian sweet unkindly took a glance at Li Qinqin's chest.

Li Qinqin immediately covered her chest, "He's different, okay?"

“Every silly woman in love thinks her man is an exception, and they end up espousing that as truth” Chu Sweet didn’t think so.

“I told you he was different.”

“Fine, fine, whatever you say is fine, anyway, I think there must be quite a few girls around your movie emperor, and didn’t they all say that the person he likes is Jasmine Tong? If you’ve fallen out of love, you’re welcome to come cry in my arms.”

Li Qinqin slapped the book directly on the table, “Sweetness, what do you mean you’re expecting me to fall out of love?”

“I didn’t mean that, I’m just giving you a heads up, don’t go back to your hard-earned graduation, he’s already got another one on his side, and then you’ll still be the one suffering.”

Chapter 715

Li Qinqin didn’t want to pay any attention to Chu Sweet, because she didn’t want to hear a word of what Chu Sweet said.

But that didn’t mean she didn’t care.

The intense revision left Li Qinqin no time to worry about these matters, she was too busy to send a few messages to Mo Yiang, but they all seemed to be like a stone sunk in the sea, and she didn’t receive any reply.

She could only comfort herself that Mo Yiang was probably busy, or she might not want to disturb her revision.

Everyone was finally relieved that the hectic final exams were over.

The first thing Li Qinqin did after finishing the exam was to contact Mo Yiang quickly. She called Mo Yiang several times, but the other party’s phone was always off.

This drove her crazy.

Lechin sat pacing back and forth in the bedroom of her apartment.

“Where the hell did this dead man die” able to be too far apart, she could only contact Mo Yiang by phone and WeChat, sending so many messages with no

reply, and the phone call was also off, which gave her a bad feeling of foreboding.

Is Mo Yiang going to disappear from her world like this?

“Knock-knock,”

“Come in.”

Trudy poked her head through the door, “HELLO, pretty girl, we plan to go out hey, you want to go”

After the final exams are over, students will have a period of vacation, almost a month, and usually students do not choose to return to their home country during this vacation, after all, the round-trip airfare is very expensive, and the daily expenses abroad would have been relatively large.

Usually people choose to go out and work part-time or go for a walk until the next longer vacation comes around and then return home.

“Not interested, you guys go ahead.”

Li Qinqin sat on the bed on her butt and threw her cell phone to the side, Chu sweet found Li Qinqin’s displeasure and walked in.

“What’s wrong isn’t it that you can’t get in touch with that movie emperor of your home,” said Chu Sweet, sitting on the side of Li Qinqin.

“You don’t think he really ran over here to have some fun and left, do you? His phone’s been off, and I haven’t returned any of the messages I’ve sent him.”

Li Qinqin was no longer tough-mouthed this time, though she was unwilling to accept this reality.

Chu sweet spreads her hands and sighs, “You ah, is too simple, you do not think, he Mo Yiang is what a person ah, he wants a woman, hook finger, do not know how many breast big buttocks big woman to go forward, on the circle of those stars can not be counted, come to you is just think foreign students fresh young beautiful, looking for a different point just.”

When Chu Tian said that, Li Qinqin’s heart was even more muttered.

“If I were you, I wouldn’t feel anything, you don’t suffer either, he’s so handsome, and he’s a big star, a big movie star, and it’s not an ordinary person who can fall in love with a movie star, you’ve earned it too”

Chu Sweet patted Li Qinqin’s shoulder.

Qin Li slapped her thigh and made a loud pop!

“I want to go home.”

Chu Sweet blinked hard, “You’re not sick are you I thought you said you didn’t have enough money why would you want to go back to China”

Li Qinqin has indeed matured quite a bit since her painful decision to clean up her act in England, knowing that she spends too much money outside, and has always had control over her pocket money. Lai Hanjiang does not want her daughter to suffer, and often asks her if she lacks money, but she always asks for just an average for international students.

However, she was used to spending a lot of money when she was in China, and it was hard to change for a while, as she had originally run out of pocket money and had saved some after working part-time.

“No, I have to go back to China, I have to find him and ask him for clarification” Li Qinqin looked like she was not happy.

Of course she was unhappy, she liked Mo Yiang so much and gave him her first night

Now that I think about it, it’s really silly.

The man’s few sweet words had her fooled.

Trudy crossed her legs in thought and she shook her fingers.

“It’s not impossible to go back to China, but you can’t just simply go back” Chu Tian snapped her fingers, “I know a media sister who has gotten an offer from a large domestic website, and will be returning in a few days, so turn back and tell her about you and Mo Yiang and ask her to send a news story to put pressure on Mo Yiang.”

Li Qinqin immediately shook her head when she heard this, “No, no, my dad will know, if my dad finds out, I won’t be able to eat my way out of this.”

“We can tell the senior sister, when you find Mo Yiang, Mo Yiang patted his ass to disown you and then send news ah, to deal with such a scum, you don’t have to hold back it to the time when you both have no relationship, your father will not do anything to you.”

Li Qinqin’s eyes were dripping, she really didn’t want to believe that Mo Yiang would be such a scum.

“You’ll just have to listen to me to deal with the scum and never go soft” Chu Sweet made the decision for Li Qinqin.

Chu Sweet’s efficiency is very fast, and she quickly contacted that senior sister and went over with Li Qinqin to tell that senior sister what had happened, and this senior sister was also very excited because the website she was about to join was also the main entertainment news, which was very strong news.

However, the two sides agreed to wait until Li Qinqin found Mo Yiang to confront him before deciding whether to release the news or not.

Li Qinqin bought a plane ticket immediately after she made up her mind and got on a plane back to China, but she used all the money she had left to buy the ticket.

After flying for more than ten hours, Li Qinqin finally set foot on the land, but all she was thinking about was Mo Yiang.

Because the plane was late, it was already ten o’clock at night when she got off the plane, thinking that it would be inconvenient for her to come out again after she went home, she took a taxi and went straight to Mo Yiang’s apartment.

The room was dark, and Li Qinqin continued to call Mo Yiang, still off the phone.

She rang the doorbell for a long, long time, but she didn’t see anyone come out.

Li Qinqin had no choice but to go home first. Li Hanjiang and Wen Lan were also shocked when they saw Li Qinqin return suddenly.

“What are you doing home, Chinchin?”

Li Qinqin showed a tired smile, “After the final exams, I wanted to give you guys a surprise well.”

The family exchanged a few brief pleasantries, and since it was also really late, they immediately let Li Qinqin go back to her room to rest.

Li Qinqin is also really tired, to go or take a plane is first class, back is economy class, sitting her back pain, lying on the bed is to feel the waist are going to break.

It was so exhausting that she went to sleep, despite the fact that Mo Yiang hadn't landed yet.

However, on a night when Qing Li was very tired and lost, a shocking event occurred.

The country's top entertainment site has a shocking secret.

Chapter 716

Mo Yi-On secretly falls in love with female student

This is big news.

Mo Yi-Ang has re-entered the limelight with a brother that has completely changed his image and brought his career back to the top, plus Mo Yi-Ang has only just won the Best Actor Award, adding a new resume to his acting career, a news story that has caught the attention of countless people.

The news broke at 11:00 p.m., about the same time people are getting ready for bed and swiping their phones, so it's not exactly sensational

This entertainment website made a front page headline and also posted a photo of Lai Qinqin and Mo Yiang, but I don't know if they left it open or concealed Lai Qinqin's identity and put a mosaic on Lai Qinqin's face.

The two have been living together in the UK on an intimate tour, and according to sources, the two have been living together in the UK and Mo Yiang came to the UK on a study tour to be with the female student.

These photos were naturally provided by Li Qinqin and Chu Tian.

“No wonder Mo Yiang went on a school trip abroad right away, so he’s in love.”

“I told you, Kazuhiro’s character definitely didn’t travel on purpose, so there was a purpose.”

“Oneon is in love, and I wonder how many girls are going to sleep tonight because they’ve fallen out of love.”

The internet has shown “explosion” about this hot search, and the attention on this topic has exploded, and we are all discussing it passionately.

It even took down Mo Yiang’s Weibo.

But those who have a superb memory remember that Mo Yiang previously admitted that he fell in love with the rich second generation Li Qinqin who draws comics, and it is said that Li Qinqin now happens to go abroad to England.

This set off another discussion as to whether or not the two were really together.

Only all this Mo Yiang had no way of knowing in the special forces, and the tired Lai Qinqin knew even less in her sleep.

Li family

Li Hanjiang sat on the couch because of anger chest together, since this morning people have been calling him to tell him congratulations, although they do not follow the entertainment news, but they also know early in the morning.

Wen Lan sat beside him and poured him a cup of warm water, “Don’t worry, the news doesn’t say it’s Qin Qin? Maybe it’s a misunderstanding.”

“Misunderstanding what misunderstanding I knew she must be up to something when she suddenly came back” as Li Hanjiang was speaking, the phone in his hand rang once again and he answered the phone, “Hello.”

“Old Li ah, congratulations ah, our Qinqin is really lucky, after the marriage with the Mo family and having the Dark Empire as a backing, don’t you forget old brother ah”

“Congratulations brother sh!t” Li Hanjiang immediately hung up the phone with an angry scolding, “Look, since this morning this is the first few phone calls, if not her, who else can it be”

“Everyone is also just guessing from the news we read, it doesn’t mean it must be Qin Qin ah, you calm down.” Wenlan hurriedly reassured.

“I can’t calm down” Lai Han Jiang stood up and paced back and forth in the living room.

By all accounts everyone thought it was a good thing, it was such a great honor to climb up with the Mo family, not to mention how prestigious the Mo family was, plus the Dark Empire, I wonder how many people wanted to become in-laws with the Mo family!

But Li Hanjiang resigned himself to the fact that although he felt that Mo Yiang was a member of the Mo family, he was as much as six years older than Li Qinqin, and he was still in the entertainment industry.

As the chairman of the Xiangli Group, occasionally at the table to see those female stars accompany the wine, Li Hanjiang more or less aware of the degree of confusion in this circle, although Mo Yiang is a man, but also clean is not going anywhere.

Besides, the entertainment industry is full of scandalous celebrities who have been divorced several times.

How could he let his daughter marry such a man?

As I was saying Lai Qinqin came down from upstairs in her pajamas, she was obviously not awake, and with the jet lag, she looked very poor and still tired.

Yawning as he walked down the stairs, “Dad, Auntie Blue, what’s all the noise in the morning?”

Wen Lan saw how tired Li Qinqin was and couldn’t bear to disturb her.

“Qinqin ah, you go back to sleep, your father is angry because of the company’s things,” Wen Lan made a strong wink towards Li Hanjiang.

“Are at this age, but also for the company’s things to lose their temper, which I can say you, how much money you earn is more ah, our money anyway, now

I can not finish this life, almost on the line, and then turn back to the body gas bad.”

Wen Lan didn't think that the current Li Qinqin would be so sensible, she not only didn't go back to sleep but also came straight down, acting like she wanted to teach Li Hanjiang a lesson.

Li Hanjiang steadied his mood, “Qin Qin, I'm going to ask you something, so you have to give me an honest answer.”

“What's the matter” Lai Qinqin blinked her eyes still blinded.

Even though Wen Lan winked vigorously at Li Hanjiang, Li Hanjiang still ignored it, and Li Qinqin seemed to have noticed a hint of something wrong.

“I'm asking you, did you run into Mo Yiang when you were studying in England” Li Hanjiang's tone was not that tough, after all, Li Qinqin hadn't been back for a long time, he still missed his daughter in the end and didn't want to make the relationship so stiff.

When she heard this question, she was scared out of her wits on the spot.

Li Hanjiang understood the moment he saw Li Qinqin freeze.

“Did you come back because of him?”

Li Qinqin only came back to her senses at this time, “Dad, what are you talking about me and Mo Yiang that's how long ago it was.” She pretended to yawn carelessly.

“Don't play dumb with me.”

Just at this time the maid put the latest newspaper delivered to the coffee table, and the front page headline was a photo of Mo Yiang and Li Qinqin.

Li Hanjiang saw the newspaper and directly picked it up and threw it to Li Qinqin.

“See for yourself.”

Although his daughter's face was mosaic, how could Lai Hanjiang not recognize his own daughter

Li Qinqin hurriedly picked up the newspaper, and when she saw the photo of herself and Chu Tian handing over to the senior sister on the newspaper, she was all silly!

Look at the content of those reports again.

“How could she do that? How could she not keep her word?”

I’m not sure how I could have imagined that the appointment I made with my senior sister to wait until she was sure to release the news would turn into an immediate release!

“Qinqin I spent so much money to send you abroad to study and you still ended up hooking up with him, you’ve kind of disgraced my old face.”

“No, I’m going to find her and ask her for clarification, she can’t keep her word like that” Li Qinqin took the newspaper and prepared to walk out.

“Where are you going? Come back here! Don’t set foot outside the house from today, you want to go to Mo Yiang, you can die of that.”

Her Bossy Yet Naive CEO Chapter 717 - 719

Chapter 717

Li Qinqin didn’t expect that as soon as she came back, before she found Mo Yiang, this matter would be exposed and she would be placed under house arrest once again!

Everything was unexpected.

She immediately contacted the senior through Chu Sweet, and the senior took her call.

“Hello, hello, this is Entertainment.com please who is this?” the other person’s high pitched voice was mixed with joy.

“Senior Sister, it’s me I’m Li Qinqin, how can you be like this wasn’t it promised that you would only release the news if I agreed to release it” Li Qinqin immediately questioned.

“Oh, so it’s you, news is time-sensitive, so naturally it’s better to publish it first.”The other side didn’t feel guilty in the slightest.

“But you’re so inhumane. Do you know you’ll kill me?”

“My little sister ah, how can it get you killed it everyone knows that you are Mo Yiang’s girlfriend, Mo Yiang wants to stabilize his popularity will definitely acknowledge the relationship with you, and then you will have to thank me hahaha, but you this news also let me get the appreciation of the leadership, we help each other, also do not mention thanks.”

“You’re so despicable you’re using my news to impress your own leader” Li Qinqin was simply furious.

“Sister, you haven’t entered society yet, so naturally you don’t understand this, okay, I’m not going to bullsh!t with you, if there’s any latest love news, remember to tell me oh, don’t worry, there’ll be no less benefit for you.”

“You,”

Li Qinqin was just about to break into a rant when the other party had already hung up.

Maybe the other party had made up their mind from the beginning, Mo Yiang’s news was big news, how could she let this opportunity go?

Li Qinqin threw her phone onto the bed and slapped herself hard on the head.

“Li Qinqin, you pigheaded fool would trust such a person”

Now she has no way to go out and can only stay at home, but this can not go on ah, she carefully checked those photos on the Internet, all of which are sent by herself and Chu sweet sister, if Mo Yiang see, will certainly know that he is to deliberately create this news.

If that’s the case, then it’s a big misunderstanding.

Although she couldn’t reach Mo Yiang, she still loved him after all, and still wanted to continue with him.

"I must go out" Li Qinqin thought carefully about walking out of her bedroom, she swaggered to go out, the bodyguard at the door directly stopped her.

"Don't embarrass us, Missy."

It's not the first time I've been given such an assignment.

"It's not that I'm giving you a hard time, don't worry, I'll go out and pay a bill for my phone at a nearby bank, my phone is an international number, there's no way to pay a bill at a normal place." Li Qinqin explained very patiently.

The two bodyguards looked at each other, "Missy, this"

"Why don't you follow me to the bank that's near my house, you know."

As long as she could get out of the villa, there was hope of escape, and Li Qinqin was still acting very calm at this time.

"I can tell you oh, if this phone of mine is down in arrears, it will affect my series of things in foreign countries, the school side will have something to let me go back at any time, and then if I delay my studies, you two will not be able to eat your way out."

Since there was a bank just a hundred meters out of the villa, and the bodyguards were aware of it, the bodyguards began to hesitate at this point.

"Missy, then you mustn't play any tricks ah pay the fee and come right back."

"Don't worry, don't worry, you think I'm a free country, I'm not the same person I used to be" Li Qinqin began to steal joy.

Just as the bodyguard was immediately ready to take Li Qinqin to the bank outside to pay the phone bill, Li Hanjiang suddenly returned.

"To pay the phone bill, where is the need for the Li family's eldest sister to go out personally" Li Hanjiang with a straight face, not to mention how dark it was.

"Hehe, dad" Li Qinqin looked to Li Hanjiang immediately smiled and blossomed, "I'm used to doing things on my own abroad, let me go on my own, it's no trouble ah"

“My daughter does everything on her own outside, and when she comes home, is it hard for her to run errands on her own?” Li Hanjiang snatched Li Qinqin’s phone and handed it to one of his men, “Go help Missy charge her phone bill.”

“Hey, my phone.”

“Go back to your room” Li Hanjiang ironically went straight into the living room.

Not only did she fail to escape, but she also lost her communication with the outside world!

She had to go back to her room with a lot of anger.

(military) special forces

Mo Yi-Ang, Jasmine Tong and the rest of the cast have finally finished their experience here, and they are all tanned, but looking stronger than before.

On the way back, Albert Ou sent a car to pick him up, and Mo Yiang and Jasmine Tong got into the same car.

Before leaving the army, naturally, they returned their cell phones and all electronics, as is customary.

The first time I was in the car, I didn’t care to talk to Jasmine Tong, and then I directly opened my phone.

“Must have been in a hurry.” Mo Yiang didn’t reply to the WeChat message directly dialed Li Qinqin’s phone, but who knew the phone was even off, “how could it be off?”

Only then did he open WeChat and reply the message to Li Qinqin.

“I’ve been in the special forces for the past few days, how did the exams go? How come the phone is off? The exams aren’t over yet?”

Jasmine Tong aimed a glance at Mo Yiang, “I haven’t seen my girlfriend in a month, so return to your heart.”

Mo Yiang raised his head towards Jasmine Tong smiled, “you and my brother-in-law is not an old man and wife, feelings faded how I see you are not at all anxious to go home it my brother-in-law did not even come to pick you up.”

That's doubtful.

"The first thing you need to do is to take a look at the newest version of the book, which will be available on the website.

"Look at your beaming smile, my little uncle won't let you off the hook later."

"Just stop talking about me and find a way to coax your girlfriend."

Just said Mo Yiang's phone rang, Mo Yiang thought it would be Li Qinqin, but it turned out to be Feng Qian.

"Kenji, I'm done here, the movie may start soon." Mo Yiang hurriedly reported the situation first.

"I finally got in touch with you I said aang, that Li Qinqin in the end is what's going on ah this little girl piece is not simple ah even told the media about the two of you"

"It's impossible" Mo Yiang smiled easily and freely, but soon he couldn't laugh.

Chapter 718

Originally, after suffering for a month in the army, he was ready to go back to the Crystal Garden with Jasmine Tong to enjoy his happiness, but Feng Qian disrupted all his plans with a phone call.

Mo Yiang returned to the two men's studio without stopping.

He couldn't believe his eyes when he looked at the photos and content in those newspapers and on the website.

Because the crew and the special forces had discussed it, the actors used to have secret special training and no one knew, so Feng Qian didn't know where the troops were, so he could only contact Mo Yiang by phone, but Mo Yiang turned in all the communication equipment again.

After this incident came out, he was as anxious as an ant on a hot pan.

Feng Qian sat on the table and patted the newspaper on the table.

"What's going on with Li Qinqin I see that little girl is quite simple I didn't think she was so scheming"

“Don’t jump to conclusions just yet, she didn’t necessarily do this.” Mo Yiang felt a little guilty even as he said this.

“You’re blind ah you look at this photo, this look is not a snapshot and sneak peek ah, this is obviously Li Qinqin the photos of you out to play to someone else Well how else are these photos to the media hands it.”

Those photos Mo Yiang naturally knew that some of them were even selfies of the two of them, and since they were selfies then it was definitely only the two of them who had them, they were very cautious, and these selfies were not shown to anyone else, so there was no possibility of the media catching on to them.

“You can read this again” Feng Qian found another newspaper from the pile and threw it in front of Mo Yiang.

The newspaper even pointed out directly that these photos are a friend of an editor, Mo Yiang returned to China to ignore people, the girl thinks Mo Yiang eat clean and get out of the way, so this is why the disclosure.

These behind-the-scenes scoops are more compelling than the real news.

“Now you believe me I’ve investigated, the editor who first broke the scoop just happened to be back from studying in the UK what else do you have to say.”

Mo Yiang is speechless already unable to defend Li Qinqin.

“It must be because Qin Qin couldn’t reach me for so long, so he’s anxious.”

Feng Qian slapped his head hard, “My God, Yi Aang, they say that women who fall in love have zero IQ, but you’re a man ah where’s your IQ gone”

Mo Yiang only felt funny, “How come I don’t have an IQ”

“What time is it, and you’re still defending that girl piece even if you can’t be found and the media is putting pressure on you, it’s enough to see that this little girl piece is a scheming girl.”

Mo Yiang took out his phone and called Li Qinqin again, but it was still off.

Feng Qian was about to say something when his phone rang once again, “Hello, who is it?”

“Is it Mr. Feng Qian, Mo Yiang’s agent?”

“It’s me, who are you.”

“I’m the editor of the entertainment network, hello, I have a big news about Yi Aang over here ready to be sent, just to tell you in advance.”

Feng Qian closed his eyes in pain, the other side’s subtext was whether they needed PR or not, which was a very common thing in the industry.

Feng Qian is also an old fart, “You said big news, I’d like to hear what the big news is.”

“What other big news could there be? I was the one who broke the news about Mo Yiang and the female student last time, and I have some friendship with that female student, she’s back in China now.”

Feng Qian’s heart thudded, so it was this woman who came to his door.

“I’ll think about it.” Feng Qian hung up the phone and immediately said: “The editor of the entertainment network came to our door, I don’t know what news they got from Li Qinqin again, and now they want to blackmail money from us.”

Mo Yiang locked his eyebrows deeply.

“And that little girl of yours is back home.”

“Back home” Mo Yiang was really shocked, “No ah, then why does she keep turning off her phone”

“Aang, Aang, please fall in love longer.”

Before Feng Qian could finish his words, Mo Yiang just got up and walked out.

“Hey, come back here. This isn’t over yet. Where are you going?”

Mo Yiang stopped and turned around, “You tell the other side, they can send out whatever news they want, we will never give them a penny, don’t worry, we also came over in a big storm, even if we fall again this time, I have the ability to get up again”

After saying Mo Yiang dashingly walked out the door.

These words did make Feng Qian stunned, and he had to admire the current Mo Yiang who was really mighty and domineering!

He had really grown so much through those previous storms, and he was stronger inside.

“No ah this matter in the end how to do ah” Unfortunately Feng Qian words Mo Yiang can no longer hear.

At this moment, Li Qinqin has no idea what is going on outside, but Li Hanjiang has been trying to negotiate with the entertainment network, hoping that they will pull all the news, but the entertainment network firmly disagrees, besides, the news has been sent out so much, if they withdraw it, where is their credibility?

Li Qinqin was confiscated her cell phone and locked up at home, unable to leave the house, she is really frustrated, she must immediately find Mo Yiang, to clarify the matter also asked clearly.

She leaned against the window to look outside, this villa area is very quiet, living in the dignitaries, usually in and out of that can be a big person.

Suddenly an idea came to her. She'd jump out of here.

Her room is on the third floor, and there's a pipe here that you might be able to climb out through.

But after all, it's the third floor that still has some risk factor.

Li Qinqin looked down and then ran to the door to listen to the noise outside and said to do it.

She immediately collapsed out of the window, where there was a small balcony, but she neglected to mention that the pipe was too thin to support her.

She's got her eye on the outside air conditioning unit again.

Maybe we can give it a try.

The first time I jumped to the air conditioning outboard on the second floor, the second time I jumped to the air conditioning outboard on the first floor, and the

third time I jumped to the floor from the air conditioning outboard on the first floor.

I tried several times and still didn't quite dare, so I was ready to climb down the wall and pick up the wall hard.

"Ah,"

Li Qinqin still fell to the ground, her thighs scraped by the wall with a large wound.

She immediately covered her mouth, there was no way she could let anyone inside know she'd jumped out, or she'd be caught back in again and the only way out would be blocked.

She limped to her feet and prepared to flee out to the villa, she had to find a way to get away before her dad returned.

Li Qinqin first escaped from the neighborhood, then took a taxi immediately.

Suddenly a Rolls-Royce pulled up at her feet.

"Get in."

Chapter 719

There was a very awkward atmosphere in the compartment.

San San's eyes kept staring at Li Qinqin, looking at her.

"Is your leg okay?" asked Jasmine Tong with great concern.

"It's nothing, just a little bruise." Lechin replied with her head hanging.

No matter what, there was no way for Li Qinqin to face Jasmine Tong, she had used so many tricks to force Albert Ou and Jasmine Tong to divorce at first, and now that she thought about it, she was simply too annoying at that time.

Plus, Li Qinqin also knew that the person Mo Yiang had liked before was Jasmine Tong, which also made her even more unable to look directly at the woman in front of her.

“Why did you jump out of the room?”

The first time I saw her, I thought I’d see a girl escape from prison.

“My dad knows.”

Because she wasn’t quite sure if Jasmine Tong knew about her affair with Mo Yiang, Li Qinqin hastily closed her mouth.

“Had a little argument with my dad and he put me under house arrest.”

Li Qinqin’s desire to talk also made Jasmine Tong see the problem, but she didn’t pursue it further.

“Let’s go to my house first and show you the leg.”

“Mommy, where’s my big brother? Didn’t you say last time that big brother was coming to the house? Why isn’t he coming yet?” San San blinked her obsidian-like eyes at Jasmine Tong.

Of course, Li Qinqin knows that the “big brother” in SanSan’s mouth is Mo Yiang, and she can’t help but feel a sense of urgency.

Jasmine Tong touched San San’s head, “How busy your big brother is, how can he have time to come to our house.”

“Liar he’s got time to pick up girls, don’t he have time for my fun,” San San said.

Li Qinqin blushed even more.

“The first thing you need to do is to get your hands on a newborn child.

“My daddy said so, hehe.”

“Don’t ever say that again.”

There was no communication between Li Qinqin and Jasmine Tong after that, until they arrived at the Crystal Garden, where Jasmine Tong hired a family doctor to look at Li Qinqin’s leg and also called Mo Yiang.

Mo Yiang came over in a flurry of fire, and as soon as he entered the living room, San San, who was playing in the living room, pounced on him.

“Big brother you play with me with the mechs.”

“San-San, where’s your mommy when big brother plays with you later.”

Jasmine Tong just happened to come down from upstairs, “Go upstairs and check it out, escaped from home.”

Mo Yiang rushed upstairs with one arrow step and went straight to the room Jasmine Tong pointed out, the doctor had already bandaged Li Qinqin’s leg and Li Qinqin was sitting on the bed grimacing in pain.

“Hashin,”

When Li Qinqin looked up and saw the tanned Mo Yiang, all a bit unrecognizable, it was a surprise, but thinking about what happened these days, she couldn’t help but cry.

“What are you crying for “Mo Yiang rushed forward and took Li Qinqin in his arms.

Li Qinqin cried even harder, pounding Mo Yiang’s chest as she cried.

“Where have you been, why can’t I even reach you I thought you didn’t want me” Li Qinqin cried on her back, crying very aggrieved.

It’s the first time I’ve seen Li Qinqin cry so sadly, Mo Yiang while wiping her tears while soothing: “I took a movie, go to the army to experience life, the army is very strict to put the phone up, we last phone call would have wanted to tell you, the result you hang up, I also don’t know will be so strict also didn’t advance with you to say.”

Li Qinqin blinked her big, watery eyes at Mo Yiang.

If that’s how it happened, then she’s been imagining things all these days for nothing, looking for trouble herself!

It’s really stupid.

“Ah” cried Li Qinqin once more.

“Why are you crying again? “Mo Yiang hurriedly drew a tissue to wipe Li Qinqin’s tears.

“You know how I’m living these days I thought you didn’t want it that’s why I came back, and I was stupid enough to find a schoolgirl, and Sweetie said if you’re really scum then don’t hold back and tell everyone about it so everyone knows you’re scum”

As Li Qin Qin said that, she thought to herself that she was really stupid.

Mo Yiang stroked Li Qinqin’s hair, so that’s what happened, but he was also a bit angry, why did Li Qinqin distrust himself so much?

Lechin sobbed, “I know I’m stupid, are you mad at me”

Mo Yiang shook his head to tidy Li Qinqin’s messy hair, “Stop crying, it’s not pretty anymore.”

“Are you really not mad at me? I didn’t mean to be, we had agreed with that schoolgirl to wait until I found you and then have her send out the news if you were sure you dumped me, but it turned out she didn’t keep her word and sent out the news as soon as she got back home.”

Li Qinqin was so repentant that her gut was blue.

“As a result, my dad found out about it and just put me under house arrest.”

Qin Li slapped herself on the head with remorse.

Mo Yiang hurriedly grabbed her hand, “Alright, alright, isn’t this all over, let me see your leg, how is it hurting”

“It’s okay, I deserve my retribution.” even Qinqing Li said frankly.

Seeing the thick gauze wrapped around Li Qinqin’s leg, Mo Yiang was heartbroken.

“Does it still hurt?”

But Li Qinqin threw herself right into Mo Yiang’s arms, “I’m sorry.”

“So you know it’s wrong?”

“Got it.”

“Don’t ever doubt me again.”

Lai Qinqin nodded solemnly, "No more."

The two of them embraced for a long, long time.

Until Li Qinqin suddenly found a little kid standing in the doorway laughing and watching them, Li Qinqin immediately let go of Mo Yiang in shock.

San San stood in the doorway covering her mouth and sneaking a smile, "Big brother, you're so stupid."

It was only when he heard San San's voice that Mo Yi Aang looked towards the door, "Kid, what are you doing over here."

It was so urgent just now that Mo Yiang didn't even bother to close the door.

"I came over to you ah you are so stupid, you should k!ss pretty sister on the mouth" San San little adults like standing in the doorway for guidance.

Mo Yiang and Li Qinqin stared in disbelief that these words were coming from the mouth of a child who was not yet three years old.

"Who taught you that?"

"That's how my daddy k!sses mommy, and when mommy gets mad, daddy k!sses mommy on the mouth."

Jasmine Tong, who had discovered that San San was missing and had come to look for her, happened to overhear this passage in the corridor and looked black.

This son of hers.

Li Qinqin covered her mouth and laughed out.

"What's so strange about that, sometimes daddy has to take a shower with mommy."

Mo Yiang and Li Qinqin laughed even more exaggeratedly.

"Sansan" Jasmine Tong immediately snapped, so private things are shaking out of his son, whether he is his own son or not.

Her Bossy Yet Naive CEO Chapter 720 - 722

Chapter 720

“Mummy” San San saw Jasmine Tong and flew away.

Jasmine Tong picked up San San in her arms and left quickly without even entering the door.

Li Qinqin looked at Mo Yiang in aggravation, “No one even saw it, so I was stuffed with dog food.”

Mo Yiang lightly smiled and nudged Li Qinqin’s nose.

“They’ve always been so tired of each other, and they’re not shy about having a son at all.”

“It’s a good feeling.” Li Qinqin couldn’t help but sigh.

“So you really had the wrong plan in the first place” Mo Yiang poked Li Qinqin’s head with his finger.

In order to avoid embarrassment, Jasmine Tong was eating dinner with her two sons, Mo Yiang and Li Qinqin in the restaurant, Jasmine Tong also asked the maid to pass on the message, so that Li Qinqin lived here for the time being.

In fact, if you think about it, this is the only place where Li Qinqin will not be arrested by her father.

After dinner Jasmine Tong continued to play with her two sons in the children’s room until the maid came over to tell her that Albert Ou was back, and then she instructed the maid to watch the children and went back to the bedroom.

As soon as he returned to the bedroom, Albert Ou changed into his housecoat.

“Have you eaten yet?”

“Eaten.” Albert Ou looked tired, in the last few days because of the news of Mo Yiang and Li Qinqin’s trouble, he was also exhausted, a little inattentive is fire.

Jasmine Tong hesitated for a long time before carefully telling Albert Ou about today’s events.

Albert Ou was even stunned for ten seconds, then roared, “Jasmine Tong, why is your heart so big.”

Jasmine Tong immediately went forward and hugged Albert Ou’s waist, “What’s the use of being big, it’s still only enough to fit one of you.”

Albert Ou was just about to burst into flames when he heard Jasmine Tong’s confession, but his heart was still a little bit “popping”.

“Don’t give me that crap.”

Jasmine Tong sat on the bed nonchalantly, “I’m a little thirsty.”

“Thirsty.”

Jasmine Tong blinked a pair of innocent eyes and said, “Cute you up.”

Albert Ou glared at Jasmine Tong who didn’t even blush when he said something lovey-dovey, “You get serious, I’m talking business with you.”

“I’m also talking business with you ah, my business is to love you ah” Jasmine Tong stretched out her hand to compare a heart, and incidentally also winked at Albert Ou.

“Did you take the wrong medicine today” Albert Ou walked over and touched Jasmine Tong’s forehead.

Jasmine Tong hugged Albert Ou in a smooth manner, “I’m on medication because I’m sick.”

“What disease?”

Jasmine Tong smiled at Albert Ou’s ghostly smile, “Acacia.”

Pfft.

Albert Ou felt like he was going to spurt blood, although the two of them are usually very affectionate, this kind of numbing words are really seldom said, occasionally Jasmine Tong said "I love you", Albert Ou can be beautiful.

So much for beating around the bush at once today.

Albert Ou instantly began to keep his cool.

"Jasmine Tong, I'm telling you ah, don't think that I'll forgive you if you say so many nice things, you're really hurting, do you know that that dead girl almost caused us to divorce at first ah"

Jasmine Tong sat on Albert Ou's lap in a smooth manner and hugged Albert Ou's neck.

"That's all young and ignorant, okay? The two of them are so close now, you're not going to beat them up, are you?"

"Bullsh!t,"

"What I said is true, the great nephew likes other people's girls like a lot, the great nephew is like you, surely the sea and the sky are not separated."

"

Jasmine Tong immediately covered Albert Ou's mouth, "In fact, I think it's also quite good, Li Qinqin is beautiful, but also went abroad to study, still so young, family life is good, to the great nephew can not find a better, the key is that the two people love each other, two people together in a happy together is important, just like you and me ah."

Albert Ou was about to open his mouth when Jasmine Tong continued.

"You and I have been through this, if someone had to separate us in the first place, you wouldn't have wanted it, now they are like the ones we were, they would desperately want to be together, we have both suffered before, so don't force this misery on them, okay"

Albert Ou took Jasmine Tong's hand away, "Are you letting me talk or not."

Jasmine Tong left her mouth looking aggrieved, "Go ahead, then."

Albert Ou glared at Jasmine Tong, this woman in front of him was really getting good at talking.

“You say that again.”

“Say what?”

“Say that again to please me again just how you just pleased me, and I’ll agree.” Albert Ou’s eyebrows raised that smugly.

The first thing you need to do is to take a look at the newest products that are available.

Jasmine Tong thought about leaning closer to Albert Ou’s ear, “Honey, am I a book?”

“Pig you’re the pig” Albert Ou immediately growled grumpily.

“No I’m not talking about the book book book book read that book” Jasmine Tong immediately shot back grumpily.

How did you hear “book” as “pig”? How did you get your ears?

This mess ruined all the atmosphere at the beginning.

“Start over, honey, are you a book?”

Albert Ou didn’t dare to speak casually this time, “What should I say then”

“Just tell me why you say that, honey, are you a book?”

“Why do you say that” Albert Ou was much nicer this time.

“The more I look at it, the more I want to sleep.”

Soft words came softly from his ears, and Albert Ou felt his bones crisp up as he rolled over and pressed Jasmine Tong underneath him.

“Sleep now.”

Jasmine Tong directly against Albert Ou’s chest, “It’s just what time is it, the kids aren’t even sleeping”

When it came to the children, Albert Ou immediately stopped, the children were fine when they were small, but now that they were grown up, one by one, they always wanted to get into their bedroom, I don't know how many times they had ruined the good news.

Albert Ou leaned in to Jasmine Tong's ear, "I want cherries tonight."

Jasmine Tong blushed and slapped him hard on the back, "Bad."

Albert Ou laughed twice this before he got up, he went to the door and took a tube of ointment out of the pocket of his shirt, "Take this over to your oldest nephew."

Jasmine Tong took a look at the scar removal medicine, ever since Mo Yiang left scars on his face, Albert Ou has had people looking for scar removal medicine everywhere.

"Why don't you take it over there yourself?"

"I told you to take it, why all this nonsense?"

Albert Ou looked a little embarrassed.

"Well, go meet the handsome great nephew, the great nephew is so handsome, look twice for eye candy." Jasmine Tong took the ointment and prepared to walk out.

"Come back here" Albert Ou immediately snapped, "Say that again."

Albert Ou took an arrow step forward and grabbed Jasmine Tong's waist.

"Handsome's great nephew." Jasmine Tong continued.

"Tong Manny, do you not want to get out of bed in the morning?"

Chapter 721

"Hehehe, you're handsome, you're handsome, you're the most handsome in the world" Jasmine Tong looked flattered.

Albert Ou snatched the scar removal medicine from Jasmine Tong's hand before getting up.

“No you don’t, I’ll go by myself.”

He wouldn’t give her the chance.

As soon as he reached the door, Albert Ou walked back over to the nightstand and pulled open the drawer.

“What are you looking for?”

“Condoms”

Jasmine Tong rolled her eyes towards the ceiling, what a worried uncle!

“Lonely men and women sharing a room make a whole child, you feed them”
Albert Ou complained grabbing a box of condoms and the tube of ointment and going to the guest room.

At this time, Mo Yiang and Li Qinqin were also ready to take a break after exchanging heartfelt words.

Li Qinqin carefully leaned on Mo Yiang’s shoulder, her voice a little timid.

“Are you going back to the apartment tonight, or to another room?”

Mo Yiang pursed his lips and smiled, “So do you want me to go back to the apartment or sleep in another room”

“Of course I want you to sleep here but, should your little uncle and Jasmine Tong”

It’s hard enough to accept that they’ll be in the same room together.

“I’m not going anywhere today, so I’ll just stay here with you.”

Li Qinqin was immediately enraged, Mo Yiang looked at Li Qinqin’s serene face, reached out to hold her face downstream and k!ssed her, Li Qinqin did not refuse.

After being apart for too long, the k!ss was hard to come by and even more so with their endless thoughts mixed in.

As they k!ssed, their breathing began to quicken.

“Qinqin, your leg “Mo Yiang’s head is still clear, and he still remembers the matter of Li Qinqin being injured, but the accumulation of thoughts makes his chest like a fire that must be extinguished.

“It’s fine, you don’t want to touch it later, be careful.”

“Good “Mo Yiang gently put Li Qinqin down on the bed.

Just as they were kissing hard, there was an untimely knock on the door.

They were like waking up from a dream, and Li Qinqin’s clothes had even been half off, and she looked at Mo Yiang in panic.

“What to do?”

Mo Yiang immediately picked up the blanket and covered Li Qinqin’s body, “Lie down quickly.”

Li Qinqin immediately and nicely covered her face with the blanket.

“Coming,” Mo Yiang responded putting his own clothes on and hurrying to the door.

Opening the door to see Albert Ou still looking a bit like an enemy.

Albert Ou was just about to enter the door when Mo Yiang just blocked him.

“Already asleep, no, not very convenient.” Mo Yiang didn’t even dare to look up into Albert Ou’s eyes as he spoke.

Albert Ou took a glance inside and saw the bulging human form on the bed, and then saw Mo Yiang’s panic and disheveled appearance, he probably figured out one or two, after all, he has been here.

“This.” Albert Ou handed the ointment to Mo Yiang, who took it and saw that it was scar removal medicine.

“Read the instructions yourself.”

“Oh, I see.”

“And this” Albert Ou gave another box of condoms to Mo Yiang, and when he saw this box of condoms, Mo Yiang was completely disheveled and so ashamed that he wanted to lower his head to the ground.

Albert Ou patted Moichiro on the head, “A little bit of myself.”

After saying Albert Ou left.

Only then did Mo Yiang let out a sigh of relief and hurriedly closed the door, and only then did Li Qinqin peek out from under the blanket.

“What’s he doing here?”

“Issuing the gold medal token arrow” Moichiro shook the condom in his hand, doesn’t the arrival of this thing officially mean that Albert Ou agrees to the existence of their relationship?

Li Qinqin pursed her lips, and Mo Yiang immediately turned off the light and got under the covers.

Albert Ou walked in the corridor the corner of his lips suddenly rose, “brat this is quite like me I can’t let my nephew be left behind.”

Thinking of this Albert Ou quickly returned to the bedroom, Jasmine Tong was making the bed, Albert Ou went over and picked her up and threw her onto the bed.

Jasmine Tong was shocked, “Why are you scared to death”

“The great nephew is taken care of, I can’t let him get left behind, come on.”

“The two of them really have been” Jasmine Tong pursed her lips and smiled, a kind of “son grown-up” mother’s vested sense of reality.

“Hey turn off the lights.”

Albert Ou turned off the light on the way out and couldn’t wait to bully his way up, “Cherry, I’m coming.”

“f*ck you,”

Jasmine Tong had always thought that after Albert Ou lifted the seal, he should be more relaxed in bed, but she finally realized that lifting the seal had

left Albert Ou without special abilities, and his strength and speed were not as good as before, but the bed still lasted for a long time.

His need in this area has always been so great.

Especially after she had her son and recovered physically, it was as if the guy was unbidden.

The room was filled with the sound of two people laughing and breathing faster and faster.

Only the ambiguous voices of two people could be heard in the quiet, dark room.

“Giggle” Suddenly the sound of children’s laughter echoed through the quiet room.

That’s creepy.

As if Albert Ou instantly let off the fire, Jasmine Tong is also frightened, lift the blanket to see a small figure standing at the head of the bed “giggling”.

“When did you get here, motherf*cker?” growled Albert Ou out instantly.

The two of them have not stepped into the topic, Jasmine Tong hastily fastened the buttons of the clothes, and then turned on the lights.

Sansan immediately climbed onto the bed and lifted the covers of the two men as if looking for something.

“What are you doing, Sansan?”

San San blinked her confused eyes at Jasmine Tong, “Mommy, where are the cherries I want cherries too”

Jasmine Tong’s face instantly looked as if it was about to drip blood.

cherry

“You don’t eat cherries, so get out of here.” Albert Ou hated it when a kid interrupted him in the middle of a project.

It’s happened not once or twice.

San San immediately got into Jasmine Tong's arms, "Mommy, I want to sleep with you you said last night that you would sleep with me today."

When Albert Ou saw that San San's little paws were right over Jasmine Tong's chest, he immediately went over and dragged San San out of Jasmine Tong's arms and threw him onto the bed, cradling Jasmine Tong in his arms.

It's his place.

Once upon a time, this kid was too young to let him turtledove for too long, and now he's still trying to fight him.

Not even close.

"You let me talk to him properly," Jasmine Tong pulled San San over, "San San, didn't we agree that when you grow up, you have to sleep on your own, you can't stick to mommy anymore ah you see your younger brother is younger than you, your younger brother will sleep on his own ah."

San San pointed at Albert Ou and said, "That daddy is older than me, why does daddy need mommy to sleep with him why doesn't he sleep by himself"

Chapter 722

.

The question "this" made it difficult for Jasmine Tong as well.

Jasmine Tong looked to Albert Ou for help.

"She's my wife, of course she's going to sleep with me."

"Mummy" San San wiggled his little buttocks and was ready to crawl over to Jasmine Tong when Albert Ou pulled him back by his short legs.

Jasmine Tong didn't want to aggravate her son too much and just hugged San San, which Albert Ou lost his temper.

"Mommy, will you be my wife then and sleep with me from now on."

The first time I heard this, I collapsed, son, how can you say this in front of your father's face it you're asking for death?

“Okay, mommy?” San San held up Jasmine Tong’s face.

“Stinker” Ouze Wild brutally snatched San San from Jasmine Tong’s bosom and put her directly under the bed, “This is my wife wanting her to sleep with you, find it yourself”

“Why are you being serious with a kid? He doesn’t know anything.” Jasmine Tong grumbled.

“Get back to your room right now or I’ll beat you up,” Albert Ou pointed at the door.

Sanzo was still a little afraid of Albert Ou, but he didn’t move, or tried to stay in the room.

“I’m going to count to three, if you don’t leave, I’m really going to do it” Albert Ou once again gave the eviction order.

Sansan tilted his head up and bawled his eyes out.

Jasmine Tong saw the situation and hastily hugged San San back, “He’s still a child, why are you so fierce Okay, okay, don’t cry, San San, are you a man, didn’t you say before that a man doesn’t cry.”

“He’s faking not a single tear” Albert Ou immediately poked fun at his son.

Sanji howled louder when he heard that, but the tears still didn’t fall.

“Mommy’s going to sleep with you tomorrow, okay?”

Sansan sniffled a few times, “Then you’ll have to stay with me for two days.”

“You’re f*cking bargaining,” Albert Ou protested.

“Two days with you is enough now go to your room and sleep, no waking your brother when he is asleep, be good.”

“You go back with me.” Sansan aggrievedly stared at the little nose.

Jasmine Tong was helpless that this big one and small one could toss her to death, but also worried that San San would go back and wake up Xiao Qi again, and then it would be a big one and two small ones, which would be even harder to deal with.

“I’ll take him back.”

Jasmine Tong put on a dress and carried San San back to the children’s room.

Back in the children’s room, San San fell asleep in no time, Jasmine Tong sighed helplessly, this child is not really dependent on anything, he is really just a rogue and mischievous sometimes, not really want to stick to himself, as if he is deliberately against Albert Ou.

He tucked San San in and went to check on Xiao Qi, who was sleeping soundly, but compared to San San, Xiao Qi had been very good, the two brothers were so much different.

This couldn’t help but make Jasmine Tong think of Ellen Ron, Xiao Qi is becoming more and more like Ellen Ron, not only does he look alike, his personality is also very similar, Ellen Ron just grew up somewhat inside, is a very good boy, so he grew up somewhat gloomy.

Jasmine Tong really didn’t want Xiao Qi to become like Ellen Ron, so she hoped San San could bring more sunshine to her brother.

Tong went back to her room with a kiss on Seven’s cheek and now had to get back to dealing with the big one.

“Send him to kindergarten right now.”

As soon as she entered the door Jasmine Tong heard a growl from Albert Ou, who was sitting on the bed with his chest still open, so it was clear that this guy had been sitting here sulking.

When kindergarten started in September, Albert Ou had such plans, but Jasmine Tong felt that San San wouldn’t turn three until the end of the year and couldn’t bear the thought of her son going to kindergarten so early, so she didn’t agree.

“Even if we send him to kindergarten, he can still come over at night and make a mess.”

“Then send him to a boarding kindergarten.”

Jasmine Tong took off her jacket and got into bed with a shock, "You're so cruel, what kind of person is sent to boarding school at the age of three."

"I don't care, every day bad Laozi's good thing is also every day with Laozi to steal his wife" Albert Ou this stomach, originally thought that the three big some, can sleep alone, so you don't have to dominate Jasmine Tong, but I did not expect that it is getting worse.

"He's just a kid." Jasmine Tong snuggled into Albert Ou's back, she was uncomfortable too, but what could she do, their son was their own.

"It's all because you're used to it, no more spoiling him in the future, if you want to spoil it, you can only spoil me" Albert Ou rolled over and pressed Jasmine Tong underneath him, "you don't have to get up tomorrow morning"

"Why did your son make you angry, why are you punishing me" Jasmine Tong why do you feel so aggrieved.

"I caught you once, and I can't get enough of you."

Jasmine Tong looked like she couldn't live with herself, and sometimes she was a little afraid of Albert Ou in bed matters.

It really turned out to be as Albert Ou said, Jasmine Tong never got up the next day.

Both Li Qinqin and Mo Yiang are temporarily living on this side of the Crystal Garden, and the Li family has been in an earthquake state since Li Qinqin escaped, and Li Hanjiang is furious, he even went straight to Mo Yiang's apartment, and he didn't even see a single person.

Li Hanjiang knew that Li Qinqin had come back to find Mo Yiang, and her escape must have also been to find Mo Yiang, the only clue was Mo Yiang.

He paced back and forth in the living room with his hands behind his back, really worried about this daughter, he had thought that sending her out of the country would calm down for a while, how long did this calm down?

Wen Lan looked at Li Hanjiang and sighed incessantly.

"Just don't walk around or get too anxious, and watch out for gas."Wenlan hurriedly widened.

“Can I not be angry this brat, don’t let me catch her, catch her and I’ll break her legs” shouted Li Hanjiang angrily.

“You’re only one daughter anyway, so if you can get down to it, then whatever.”

“You’re still mad at me.”

“Qin Qin she’s just in love, don’t be so angry ah, I didn’t like Mo Yiang in the beginning either, but if Qin Qin truly likes someone and the two of them are in love, you don’t care so much.”

“It’s not good for her to fall in love with anyone but Mo Yiang he’s six years older than her do you know how much cleaner he is in the entertainment industry I would never agree to it anyway.”

Wen Lan slowly relieved, “You said that Mo Yiang in the entertainment circle think his private life is chaotic, I do not oppose, but can not kill a boatload of people in one stroke, maybe he mud and not stained it Also, you should not always take the age of the matter, you are not more than a dozen years older than me.”

“I “Li Hanjiang was choked by his own little wife, unable to speak.

Li Hanjiang received a call just at this time, “Mr. Li, we found out that the last direction Mo Yiang’s car drove out should be over at Crystal Garden, he should be at Crystal Garden right now.”

Her Bossy Yet Naive CEO Chapter 723 - 725

Chapter 723

Leng Xiao and Meng Rujiao settled down in Crystal Garden. Originally, Leng Xiao didn’t like Crystal Garden. The same is true for Meng Rujiao. There are too many people here, and they all like quiet. Quiet environment.

However, the children of the two are still young, and Leng Xiao is now working in the Dark Empire, so he still lives here, and can only wait for the children to be older before the two move out with the children.

Meng Rujiao and Leng Xiao's baby daughter Tiantian has been around for more than seven months. The little guy is fat and has two dimples when laughing, which is very painful.

Meng Rujiao has been taking care of her daughter at home. Under the sunshine, Zhengxiang is sleeping sweetly. Meng Rujiao is also drowsy by the sun.

Suddenly turning his head and seeing Sansan standing at the door, Meng Rujiao smiled and waved towards Sansan, "Sansan, come here."

Sansan Pidianbidian walked over and looked at lying on his feet. Sweetness in the crib.

"Sister is asleep."

Sansan stretched out her finger and touched her sweet little face.

"Auntie, let Tiantian be my wife, okay?"

"Uh..." A sentence choked Meng Rujiao to death.

They all say Tong Yan Wu Ji, but these words are too...

"Sansan, why do you want Tiantian to be your wife?"

"I wanted my mommy to be my wife. Mommy became me." My wife can accompany me to sleep, but Dad said that Mommy is his wife, so I can only find someone else, Tiantian will be my wife, let Tiantian accompany me to sleep, I will take my Transformers Give it to her!"

Meng Rujiao couldn't laugh or cry after hearing this. She had been in the Crystal Garden for a long time. She also knew clearly about Albert Ou always robbing Jasmine Tong with his son.

"Tiantian is your younger sister, I can't be your wife, and you are too young now to marry a wife."

"Huh?" Sansan scratched his head in disappointment. "Then what's wrong with me?"

Sansan walked out of the room dejectedly.

When Jasmine Tong came to visit Meng Rujiao and Tiantian, Meng Rujiao told Jasmine Tong about the incident, which made Jasmine Tong really blushing. This big and young girl really made her unconscious. Heart.

But seeing the tenderness and sweetness, she had no worries.

Meng Rujiao also saw that Jasmine Tong really liked her daughter. Every time she went out shopping, she piled up all kinds of clothes and Barbie dolls at home, but she bought very few things for Sansan and Xiaoqi.

Jasmine Tong bought most of Tiantian's clothes and toys.

"Sister Xiaoman, you two have another one." Meng Rujiao suggested. Although Jasmine Tong still called Meng Rujiao's sister-in-law in terms of seniority, Meng Rujiao still couldn't change this name.

Jasmine Tong sighed slowly, "I don't agree, how can I give birth by myself?"

"I do n't agree now?"

"Yes, when he was born in Sansan, he should have been scared, and he had a mental state. Shadow, I guess I won't be able to get through this life. Sometimes I think that maybe after a long time, he will agree, but he still disagrees, and I will give up."

"You have two sons, and you want a daughter. The sons and daughters are perfect, and the boss and I are still preparing to have a son, one son and one daughter for life, a couple!"

"It's pretty good, but it's a pity...Oh, anyway, how far the niece is from the daughter. It hurts the same."

Meng Rujiao just smiled and didn't say anything. Sometimes she also understood that although Albert Ou spoiled Jasmine Tong in everything, he would definitely not give in on some things.

During the few days when Li Qinqin lived in the Crystal Garden, because Mo Yiang was always there, she basically didn't go out. She lied to be pregnant with Albert Ou's child and lived here for a while. It's relatively familiar.

But because Mo Yiang had to leave some work, she was left alone.

It was boring to be alone in the room. She decided to go for a walk. As soon as she walked into the living room, she saw Jasmine Tong eating fruit with her two sons in the living room.

“Let pretty sister be my wife!” Sansan shouted while eating dragon fruit, pointing at Li Qinqin.

Jasmine Tong followed Sansan’s fingers and saw Li Qinqin.

Sansan has recently become obsessed with his wife. The latest information that Jasmine Tong got is that he basically asked all the young and beautiful girls in the family, and he really looked for his wife everywhere.

“Sansan, eat your fruit, you can’t say the word wife anymore!” Jasmine Tong was rarely severe.

Sansan continued to eat and squinted at Li Qinqin and smiled.

“Come and sit down!” Jasmine Tong greeted.

Li Qinqin had no choice but to walk over and sit on the sofa. Jasmine Tong gave her a small plate of fruit.

The two of them are still awkward in such a scene, and Li Qinqin absently eats fruit.

“The previous things are over, we won’t mention it anymore, don’t take it to heart.” Jasmine Tong said while feeding Xiaoqi fruit.

She could see that Li Qinqin had been hiding from herself.

“I was ignorant before.” Li Qinqin also put down all his guards.

“Everyone will do something wrong when they are young. When they grow up, they will be sensible.”

“Yeah.”

Xiao Qi waved her hand at Jasmine Tong, indicating that she didn’t want to eat anymore, and Jasmine Tong accepted it. I took my hand and drew a tissue to wipe the mouths of the two children.

“Go play.”

Sansan took Xiaoqi's hand and went out under the leadership of the servant.

Jasmine Tong also drew a tissue and wiped his hands. "Actually, your experience with Hei Tu is quite similar. He used to be a small child. Later he experienced the trough of his life and had a car accident. I am mature. At first I thought he would not be able to get out. I didn't expect him to be stronger than I thought."

Li Qinqin stared at Jasmine Tong, "car accident?"

"Don't you know? The book After that, his career fell to the bottom. No one thought that a book would ruin his career. Later, he was in a car accident with a scar on his face, and he was no longer the little fresh meat before."

Jasmine Tong said this to tell Li Qinqin that Mo Yiang really cares about her and hopes she can cherish this relationship.

"Are you saying that the scar on his face was from a car accident?" Li Qinqin's focus was only on the car accident. "Then how did he get into the car accident?"

"He didn't tell you about the car accident. That's right, he's mature now and he doesn't want to tell others about it. The car accident was an accident. It was said that he was not in good shape at the time, because he answered a phone call and had a car accident. He was lying in the hospital for three months. "

Li Qinqin was even more stunned, why didn't Mo Yiang tell him such important information?

"Then when did he have a car accident?"

Chapter 724

Li Qinqin sat on the bed in her room with her head in a mess.

She had always thought that the shallow scar on Mo Yiang's face was from an accidental injury during filming, but only now did she find out that he had been in a car accident, an accident that almost took him to another world.

Li Qinqin didn't dare to ask more questions, afraid that Jasmine Tong would be suspicious, she deduced through time that the period of time when Mo

Yiang was involved in a car accident happened to be the period of time when he had just left the country in order to receive a phone call.

Although there would be many people calling Mo Yiang, but Li Qinqin always felt like that call was made by herself.

It wasn't that she felt she was making a fool of herself, but Mo Yiang had lied to her.

The door opened and Mo Yiang walked in.

Mo Yiang was shocked, but he smiled and touched her head.

"It's boring to be alone in the house."

Mo Yiang knew that it was impossible for Li Qinqin to go to Jasmine Tong, she had always had this knot in her heart.

Li Qinqin cried out with a loud "wow".

"What's wrong with this is what happened who bullied you isn't that two little bastards bullying you all right, back when Jasminen is not there, I helped you teach them a lesson, but also against them, and then again you are their future sister-in-law."

Mo Yiang stroked Li Qinqin's hair as he soothed her with an amusing tone.

Li Qinqin raised her shady teary eyes, her eyes fixed on Mo Yiang's scar, and she reached out her hand to gently caress it.

Never before had she felt that the scar had anything to do with her.

"You had an accident because you had to answer my phone call, didn't you?"

Mo Yiang's heartbeat missed a beat not expecting Li Qinqin to ask this.

Seeing Mo Yiang's somewhat flickering eyes, Li Qinqin also understood, and tears fell down.

"I knew it was me, I knew it was because of me."

"It's not like that, I did have an accident that caused the scar, but what does that have to do with you? I don't know who made that phone call."

“Don’t lie to me if I didn’t make that phone call, why did you lie to me in the first place and say it was a filming injury that left this scar” Li Qinqin kept sobbing.

“That’s because I don’t want to talk about the accident. Don’t cry. Why are you crying all the time these days? It’s fine, isn’t it?”

Li Qinqin snuggled against Mo Yiang’s chest, “You don’t have to lie to me, I know it must be because of me, I’m sorry, it’s all because of me, because of me your career has hit rock bottom, because of me you’re scarred, because of me you’ve gone through such a hard time.”

Li Qinqin and Jasmine Tong chatted a bit more and learned about the basement where Mo Yiang used to live and the house he sold to make a movie.

“It’s all in the past” Mo Yiang gently patted Li Qinqin’s shoulder, “Didn’t you say that I’m manly with this scar?”

Li Qinqin left her mouth to rub against Mo Yiang’s clothes, “I was just comforting you.”

“Ah so that means I’m ugly.”

“No no, it’s actually quite handsome, and having the scar makes you look a little more mature and different from your old handsome self.” Li Qinqin hurriedly explained that she also knew that Mo Yiang was a person who cared a lot about his face value.

“Then do you like the old me or the current me” Mo Yiang asked softly as he held up Li Qinqin’s face.

“I like them all, but I like you better now.”

“Then don’t you just let bygones be bygones, and marry me if you feel you really can’t do me justice.”

Mo Yiang said pulling out a ring box from his pocket, after opening it was the pink diamond

Li Qinqin took the pink diamond over in surprise, "You still have this diamond ring but didn't you already use it when you got engaged? You gave something to someone else and still came to give it to me."

"I bought another ring with all the money I had, because I saw how much you liked it and didn't want to use it, and I didn't want to sell it even in the hardest of times, so do you agree?"

There were still teardrops on Lai Qinqin's face, but she was already smiling in a way that she couldn't hide.

"It's a little too easy for you to propose just like that,"

"Idiot wait until you're a little older before I officially propose, now is the time to warm up and tie you down with a ring first."

Mo Yiang said taking Lai Qinqin's hand and directly put the ring on her finger.

Li Qinqin stinkily looked at the ring on her finger and k!ssed Mo Yiang's face on the way.

Where Mo Yiang was willing to be satisfied with such a slapdash k!ss, he pressed her to the wall and k!ssed her.

"Knock, knock, knock," came a sudden sharp knock on the door.

"Black Earth is not good, Qinqin's father found it is now downstairs," Jasmine Tong's anxious voice came from outside the door.

Mo Yiang and Li Qinqin became tense at once.

Mo Yiang walked to the door and opened it, "How did he get here?"

"I'm not sure right now, he's in the living room right now looking for me to ask for someone, you see if you want to send Qin Qin out through the back door first, he doesn't dare to bring too many people over, I've already made arrangements for the back door over there."

“”

"What are you two still hesitating about Li Hanjiang's temper you both know, your youngest uncle will be back soon, I just called to urge him once, I'll urge

him again later, when he comes back, things will be easier. Hurry up and go, I'll go downstairs and steady him."

After saying Jasmine Tong and hurriedly went downstairs.

After all, this was Albert Ou's territory, plus the last time Li Qinqin was in trouble, and this time Li Hanjiang didn't dare to make a scene, and there was still a lot of cooperation between the Dark Empire and Xiangli Group.

Only it wasn't what it used to be, before the Xianli Group could threaten the Dark Empire, but now he couldn't threaten it anymore, and the Dark Empire had recovered its strength as fast as it could under Albert Ou's governance.

"Mrs. O, I'm not here to cause trouble today, my daughter is here and I wish I could take her away." Li Hanjiang was pretty polite.

"Your daughter,"

Jasmine Tong looked noble and generous as she sat on the sofa, "I've never heard of your daughter being in my house ah."

"Mrs. Ou, we don't do things in secret with the obvious, Mo Yiang has been staying at the house recently, I believe you have heard something about them, my daughter is with Mo Yiang, if you don't believe me, you can call Mo Yiang out to confront me."

Jasmine Tong's shallow smile looked downright generous, "He does live over here, because he went to the army to experience life and suffered a lot, living in our place so that he can enjoy the good fortune just, as for your daughter, sorry, really not."

Chapter 725

Everyone knows that Albert Ou is famous for being a spoiled wife fiend, and if he annoys Jasmine Tong, then Albert Ou will not let up.

Naturally, Li Hanjiang did not dare to make a faux pas in front of Jasmine Tong.

But Jasmine Tong's heart was also unsure, and hurriedly pretended to look at her phone and sent a message to Albert Ou.

“Lai Hanjiang is here, hurry home, I can’t handle this alone.”

“Mrs. Ou, to tell you the truth, my daughter went abroad to study, suddenly returned home a few days ago, I believe you have heard of the recent news, I was determined not to agree to Mo Yiang and my daughter together, so I locked her at home, as a result she ran out on her own, I’m now looking for her to find very anxious, please call Mo Yiang out, I’ll ask him face to face if he knows about my daughter. The whereabouts.”

Li Hanjiang had sent people to keep an eye on Mo Yiang for several days, he was very sure that Li Qinqin lived here, but helplessly didn’t dare to do anything about it, so he had to use a delaying tactic.

“It’s really unfortunate, he’s out for the day.”

Li Hanjiang also saw Mo Yiang’s car when he entered the house, but he didn’t even lose his temper in the face of Jasmine Tong’s blatant lies.

“Mr. Lai, why don’t you come back another day, or when he comes back, I’ll tell him to come to the house himself.”

“Is he because he has work today? It’s okay, I can wait.”

“This,”

As a big family, you can’t kick people out.

Jasmine Tong also knows that the most afraid of such thick-skinned reluctant to leave, there really is no way at all, and now the most important thing is to come back on Albert Ou Noma.

Albert Ou is very rude. He’s so rude that he’s driving people away.

But this guy hasn’t come back yet.

Albert Ou was already making his way back, but when he was all the way home, he parked his car outside without entering the house.

Opened the window and waved towards the gatekeeper, who immediately came over.

“How many of them are here?”

“Just one car, two people, Lai Han Jiang and his assistant.”

The corners of Albert Ou’s lips rose up wickedly, “Enough to give me face.”

“Mr. Ou, won’t you go in? Madam is already waiting for you.”

“Don’t go in, go and send someone to keep an eye on things, and if there’s any movement in there, come out and report to me in time, don’t let your wife know I’m back.”

Albert Ou then asked the driver to pull over to the side of the road and just keep it parked in front of his house.

In the living room, Li Hanjiang and Jasmine Tong have been in a stalemate for more than half an hour, the two of them not being the same age and unfamiliar with each other, so there was no topic to talk about.

Jasmine Tong is sitting on the edge of her seat, she has looked at the time more than a dozen times, why isn’t this Albert Ou coming back?

“Mr. Lai, I have two sons, they are still young, they are always inseparable from their mother, I’ll go over there first, you sit down.” Jasmine Tong found a reason to prepare to leave.

With the host gone, it’s unlikely the guests will be so shameless.

“Mrs. Ou is welcome, except that there is a word of warning for Mrs. Ou, sooner or later some things have to be faced, and if you can hide from the first day, you can’t hide from the fifteenth.”

Li Hanjiang didn’t have the slightest intention of leaving.

Jasmine Tong also heard from Lai Hanjiang’s words that he had no intention of leaving when he came, and even if he left today, this matter was not over.

“Dad, we’re not going to hide anymore” came the voice of Li Qinqin from upstairs.

Li Hanjiang stood up quickly, and when he saw Li Qinqin and Mo Yi’ang appearing on the stairs hand in hand, the fire that he had suppressed for too long rushed to the top of his head!

Jasmine Tong was surprised to see these two people, did not tell them to go well, so far not to go!

“You’re coming home with me right now” Li Hanjiang yelled loudly towards Li Qinqin.

“I can go home with you, but I’m not going to be separated from Yi-On, I just love him, I just love him, and I’m not going to marry him for the rest of my life, and anyway, everything that’s going to happen has happened.”

Li Qinqin’s gaze was unusually firm.

“Do you have any sense of shame at all? You simply have to disgrace the family. Get over here right now.”

After all, this was the Crystal Garden, and Li Hanjiang didn’t have anyone with him, so he wouldn’t dare to be rough.

“Mr. Lai, two children you are unmarried and I am not married, it is rare for them to fall in love, besides, the Mo family is a famous family, it is not below than your Lai family, the two of them are a family, what is there to object to?”

Jasmine Tong rushed to help.

“Jasmine Tong, I’ll give you some face, don’t give an inch my daughter is just twenty years old you guys even”

In Li Hanjiang’s eyes Li Qinqin is still a child, a child who talks about love...

“What’s wrong with twenty years old, they’ll grow up sooner or later, and we didn’t say we’d let them get married now, Qin Qin finished her studies, so it’s not too late to get married when she wants to.”

Jasmine Tong acted like a Mo Yiang parent.

“Uncle Lai, I know you might be a little prejudiced against me, but I also truly like Qin Qin, I will make Qin Qin happy, I hope you can give me that chance.” Mo Yiang finally spoke up, and the two even looked at each other.

“I’m not going to be able to do anything about it, but I’m going to be able to do something about it, and I’m going to be able to do something about it.

Li Hanjiang is just like a stubborn little old man.

“Dad you are simply unbelievable “Li Qinqin thought that a few nice words and a firm stance would take care of the matter, but I didn’t expect Li Hanjiang to be soft.

“What did you say you say again “Being counted by her own daughter in front of outsiders, Li Hanjiang naturally couldn’t bear it.

“You’re an old man who can’t be reasoned with. You’ve never thought of me.”

Mo Yiang shook Li Qinqin’s hand hard, indicating that she should not speak like this, how can she anger Li Hanjiang at this time!

But Li Qinqin directly let go of Mo Yiang’s hand.

“Dad, you said something about a big age gap, about the entertainment industry being dirty, but have you thought about me? I just like him ah just love him ah you have to break me up to be satisfied?”

“Li Qinqin do you know what you’re talking about” Li Hanjiang pointed at Li Qinqin and yelled at her.

“Of course I know what I’m talking about, I’m speaking from the heart, everything you’ve done since mom died has been what you think you think, you’ve never stood in my shoes and thought about me, you’ve said everything you’ve said, and not all of it for yourself”

Lai Hanjiang was nearly breathless with anger.

“You made me choose a major I didn’t like, saying it was for my own good, you made me study abroad or for my own good, but did you ever ask me if I liked it myself, what she made me study when mom was still here, piano, dance, painting, what about you did you ever ask me what I meant, did you ever respect mom’s wishes”
