

## Her Bossy Yet Naive CEO Chapter 771 - 785

Chapter 771

Sanzo patted his little head in careful thought.

Albert Ou, however, looked a bit dismissive, “He knows nothing about naming names, he can”

Jasmine Tong slanted a glance at Albert Ou with a white eye, and Albert Ou shut his mouth for a moment, now that his wife was the biggest.

“Call ninety-nine.” San San suddenly looked at Jasmine Tong with bright eyes and said.

“Why is 1999 called 1999?”

“Because my name is Sansan, and I’m three years older than my sister.” A child’s logic is simply too simple to be true.

“Then why don’t we call it six six three plus three equals six.” Albert Ou grunted obviously unimpressed with the name.

San San looked at Albert Ou as if he was looking at his dad like an idiot, “Because there’s still Seven, six is bigger than seven.”

Everyone in the room was happy and filled with sarcastic smiles towards Albert Ou, the father who could even think of something that his son could not even think of!

“That’s what you’ll do, call it ninety-nine, for a long, long time, and Mommy loves it.”

San San narrowed his eyes and smiled.

Jasmine Tong looked at her daughter with a dotting face, “Baby, you have a name now, it’s the name my brother gave you, it’s called 1999, do you like it?”

The little one who was sleeping soundly was naturally unresponsive.

Albert Ou raised his face as if to say what’s the big deal.

During the days when Jasmine Tong was sitting on the moon, Albert Ou could be said to be inching along, his mind was basically on Jasmine Tong, and it fell to Muranyi to take care of Nine-Nine, but Muranyi still had San San as a little helper.

In a few days, when she was born, the wrinkled little girl has changed, with white skin, crystal clear eyes, and a pair of dimples when she smiles, but she still loves to cry, so people take it as a rare thing to see her dimples.

The afternoon sun shone down from the glass in the attic, warming the entire loft.

A long time in the crib sleeps very sweet, rare she does not cry not sleep so good, San San has been helping Muranyi to take care of ninety-nine, a little young also a little tired, sunshine sleepy attack on the bed to fall asleep.

Yarwen Tong and Daisy looked at the ninety-nine in the crib with a satisfied face.

“Do you say more like my sister or more like my brother-in-law” Yarwen Tong has asked this question many times over and over again.

Daisy was getting impatient to hear, “Hey, Ray, do you ever feel like you’ve gotten naggy lately”

“Uh, is there any that don’t think so, then do you think that 1999 is like my brother-in-law or my sister”

Daisy rolled her eyes and shook her head, “You’re hopeless, you’ve asked that question dozens of times.”

Yarwen Tong realized that he had said the same thing too much and laughed awkwardly.

“Lei, you seem to like children.”

“Yeah, I knew from the time I could understand that I wasn’t going to live long, my sister had always brought me up, and my biggest wish was to see her get married and have kids, so I was always pushing her, and I really liked kids at that time, and I liked new life, like new life could live on instead of me.”

Daisy's eyes looked a little lonely, the longer she stayed with Yarwen Tong the more she felt that Yarwen Tong was right.

The life of a vampire is sad, and they live each day over and over again.

"Too bad I can't give you a child."

When he heard this Tong turned his face to look at Daisy and took her hand.

"This child thing is better to watch someone else's, you see I take San San and get bored in a few days, but my sister and brother-in-law have to watch it for the rest of their lives, do you know that because of San San, my sister and brother-in-law's sex life is greatly disturbed."

Yarwen Tong made Daisy laugh with a few words.

"So it's okay I'm lucky to have met you, otherwise I don't know how many more boring days I'd have to spend in my vampire life." Yarwen Tong's grip tightened.

"Me too."

They looked at each other firmly.

The inevitable thing is that Jasmine Tong is going to breastfeed her baby again, which is the beginning of another "turtledove and hen's nest" in Albert Ou's opinion.

Jiu Jiu made a satisfying sound as she vigorously sucked on the milk in Jasmine Tong's arms.

Albert Ou sat on the side not to mention how lame he was, always feeling like he had just escaped from such a state, and within a few good days, such a day had started again.

Jasmine Tong raised her eyes to look at Albert Ou's fiery, hateful gaze.

"Are you trying to say another four-letter word."

"Which four words?"

"Guillemots." Jasmine Tong is also impressed with these four words.

“You know better than that.” Naturally, Albert Ou had nothing to be angry about, he was an overbearing man, how could he let others repeatedly take advantage of his territory?

Luckily, 1999 was a girl, unlike when San-San was a girl, so Albert Ou was a lot less hostile.

“I won’t feed it for long.”

Jasmine Tong read that she had to keep breastfeeding until she was almost a year old, despite repeated objections from Albert Ou, but she continued to do so until she was a week old.

Albert Ou is not convinced by Jasmine Tong’s words.

This woman will do anything for the sake of the child, think while filming while using a breast pump to suck out the milk to send home, that time she was the whole person to lose weight and not look like.

“I’m serious, I’m going to just feed it until six months.”

Jasmine Tong’s tone was very definite.

Albert Ou was in a mood this was a full half of the time it took to cut down on the original, “You don’t need to comfort me.”

“Believe it or not, I’m just going to nurse until six months anyway, and if you want your baby girl to nurse a little longer, then I’ll nurse a little longer.”

“I believe I believe I believe” Albert Ou immediately sat on the bed, “really feed to six months”

Jasmine Tong nodded firmly, “Or else some guy would have eaten me.”

“I want to eat you right now” Albert Ou opened his mouth to make a move to bite Jasmine Tong.

The ninety-nine in Jasmine Tong’s arms suddenly stopped eating milk and looked at Albert Ou with open eyes and laughed.

“Stop it, 99 is watching you.”

Only then did Albert Ou look down at the ninety-nine in Jasmine Tong's arms, "Why don't you see why I eat milk, I'll tell you, just give it to you for six months, give it back to me for six months."

The little guy looked at Albert Ou and smiled once more, his two dimples not to mention how pretty they were.

"Oh, I'm laughing, it's so rare, how come you like daddy so much?"

Jiujiu has been staring at Albert Ou-land, and her naked little eyes suddenly made Jasmine Tong feel that something is not quite right.

"What are you looking at? Eat."

But 1999 said she wouldn't eat anything just to look at Albert Ou with a big smile.

"She can't really see anything right now, but mostly she listens, it must be because you were nagging too much when I was pregnant and she remembered your voice."

Chapter 772

Albert Ou that was a hundred percent unbelievable.

"She was an undeveloped little thing when she was in your belly, what could she hear and remember me for."

"What I said is true, that's what the book says, the sounds of Daddy and Mommy are a baby's best birth control, when a baby comes out of Mommy's tummy she's insecure, but when she hears a familiar voice, she's full of security."

Jasmine Tong told Albert Ou exactly what she had read in the book.

"And it's said that examining whether or not a daddy calls in a mommy's pregnancy depends on whether or not the baby will recognize the daddy after he's born."

Albert Ou was already beginning to be filled with confusion upon hearing this, but he didn't refute Jasmine Tong's words.

While Jasmine Tong was sleeping he secretly went to the study to find a book on women's pregnancy and actually saw what Jasmine Tong said.

It can't help but feel amazing.

He began to constantly test his daughter, and it was true that Nine-Nine seemed to be very obsessed with Albert Ou, usually crying very hard, and as soon as Albert Ou came over she immediately broke into a smile.

The whole family was baffled that Albert Ou could be so popular with such a bad temper.

Albert Ou still said that she was his own daughter.

Jasmine Tong's month was over quickly, she was recovering well, after all, the peaceful environment here was too suitable for raising a baby and sitting on the moon.

But it also means that the day of separation is coming.

Muranyi really can't bear to leave her grandchildren repeatedly to stay, Yarwen Tong also can't bear to leave his nephews and nieces, also muttered for several days.

Tong didn't want to leave either, but eventually they had to, not to mention that they had been away from home for too long, and they still had Seven at home.

Even though Seven wasn't biological, but since he was raised, he had to be raised as his own, and I really don't know if Seven still remembered them.

In the end, it was Yarwen Tong who came up with the idea that he was going to have a wedding with Daisy, so he repeatedly asked Albert Ou and Jasmine Tong to wait until they finished the wedding before leaving.

Jasmine Tong knew that Yarwen Tong was deliberately stalling for time, but there was nothing she could do about it, she only had one brother, how could he not attend his wedding.

The wedding ended up dragging on for two months.

Yarwen Tong and Daisy were married in a grand ceremony with the blessing of all the valley folk in Aie Valley.

Now Albert Ou and Jasmine Tong and their two children had to leave the area.

On the day of parting, the sunny Aigu suddenly became cloudy, adding to the sadness of parting.

The Cold Lords have sent a plane over to pick up Albert Ou and his family, and the plane is already docked.

It was almost time to board the plane, and there was no smile on the faces of Murray and O'Sheng and Yarwen Tong and Daisy.

We all know that this separation could be forever.

The other day, the thought of separating this tears were ready to fall down.

"Mandy, the family will depend on you from now on." Murray said gently as he stroked Jasmine Tong's hair.

"What do you call on her that I am what line, you do not in this sentimental line can not quickly go back, it is not later see not whole like life and death parting."

Albert Ou read very impatiently.

Because of Albert Ou's intervention, everyone didn't say goodbye properly, but even if they did, it would have been useless and would have only added to everyone's troubles.

And without saying too much, Albert Ou rushed to the plane.

The moment she waved her hand, Jasmine Tong's tears fell down.

San-San seemed unresponsive, perhaps children aren't too impressed by these goodbyes and always think they'll be able to come back on vacation later.

The little nugget in my arms slept sweetly even less with thoughts of parting.

The saddest is Jasmine Tong.

Albert Ou stretched out his arms and hugged Jasmine Tong in his arms, "Alright, alright, stop crying, there's still a chance to meet in the future."

Jasmine Tong reached out a hand to whack Albert Ou's chest, "heartless."

"Yes yes yes I have no conscience and was eaten by you little bitch long ago"

Albert Ou's words amused Jasmine Tong.

"You women are really too complicated, are you going to laugh or cry"

"Why are you so annoying?"

Albert Ou carried Nine-Nine from Jasmine Tong's arms, "You sleep for a while, I'll hold Nine-Nine."

Even the journey by plane was very hard, with several fuel additions in between, and almost a whole week in the sky.

By the time the family reached the Crystal Garden, they were all exhausted and fell back to sleep.

It was a long, long sleep before I woke up.

Albert Ou woke up when Jasmine Tong was still sleeping, he tucked her in and went to the nursery to see Nine-Nine, someone woke up earlier than him.

San San had already started talking to herself next to Nine-Nine.

The maid who was in charge of looking after Nine-Nine saw Albert Ou enter and left in good humor.

Seeing Albert Ou coming over, 1999 smiled so happily, even San-San didn't understand what was there to be happy about this dad who always had a stinky face.

He didn't even smile for half a day.

The worst of all is Seven, who has been gone for almost a year, and is going to kindergarten, and is almost unrecognizable as Daddy and Mommy.

It took almost a week for Jasmine Tong to regain a sense of intimacy with Seven.

Seven also seemed very excited about the sudden addition of a sister.

It's been a long time coming, but I'm not sure if it's the same sex repelling opposite sex attracting each other, but 1999 didn't have much of a reaction to the weaning, as if she had been looking forward to this day for a long time.

It wasn't until then that Jasmine Tong realized San-San's name for 1999 was so appropriate.

When Albert Ou named San San, saying that this little thing was the third party to their couple, so it was called San San, then 1999 was three threes, simply more terrifying than three third parties!

As a result of the fact that there's no need to breastfeed until the evening, 99 has been taken care of by a maid, and Jasmine Tong has been left to her own devices.

Although the two of them resumed their sex life almost two months after giving birth to Nine-Nine, because Nine-Nine was so naughty and Albert Ou was also distressed by Jasmine Tong, their sex life was basically only once in a long time.

Jasmine Tong thought she could make it up to Albert Oui, but the man didn't even come back at night.

"The company is working overtime," Jasmine Tong said to herself, but a thought didn't go right, if it was overtime, Albert Ou would have told her.

Jasmine Tong immediately called Albert Ou as a result of the phone was accessible, and there was no answer.

In a bit of a hurry she walked out of the bedroom and happened to run into the maid.

Chapter 773

The maid greeted Jasmine Tong respectfully.

Jasmine Tong hurriedly asked when she found a bowl of egg custard in the maid's hand, "Didn't I tell you not to give these things to the lady in the middle of the night?"

The six-month-old has started to supplement her diet, but she has learned from books that nighttime is not the right time to do so, and that she should

gradually get her baby used to eating less at night, because humans don't need food at night.

The maid was obviously embarrassed, "The gentleman told me to take this."

"Sir, he's back."

"Back already."

The company has been in the process of developing the new product for the past two years.

Jasmine Tong waved her hand towards the maids, who immediately hurried to the nursery.

She paced back and forth in the doorway with her forked waist, eventually getting angry enough to decide to go to the nursery, and she stood in the doorway to see Albert Ou crouched in a chair, with Nine-Nine sitting in the baby chair, and Albert Ou feeding Nine-Nine the egg custard one bite at a time.

What a father-daughter harmony.

Somehow Jasmine wants to lose her temper.

She doesn't know what's wrong with her.

She stood in the doorway for a moment really feeling the tightness in her chest and went back to her bedroom in a rage.

I thought to myself that Albert Ou should be back after feeding the egg custard, but in the end, I didn't come back first, second, and third or not.

Jasmine Tong only felt this ball of gas in her chest like it was burning and expanding.

After looking at the pajamas she had prepared, Jasmine Tong threw a ball of pajamas directly back into the closet.

She had prepared a s\*xxy nightgown because she had been breastfeeding and wore the special ones for breastfeeding, thinking to make it up to the man, but he turned out to be good.

At eleven-thirty, Albert Ou finally crept back, and was shocked when he entered the door, because he thought Jasmine Tong was already asleep.

“You’re awake,” Albert Ou went to the bed and yawned.

Jasmine Tong is playing a mobile game, which was recommended to her by Mo Yiang, and she was not interested in it originally.

Albert Ou looked down at Jasmine Tong and saw that she was playing a game, “What game is she playing in the middle of the night?”

“Just allow certain people to come home in the middle of the night, and I’m not allowed to play games in the middle of the night?”

Years of husband and wife also let Albert Ou perceived Jasmine Tong’s wrongness, “How do you talk so gloomy I came back in the middle of the night, I that is not coaxing the child to go?”

“I know ah you’ve worked hard coaxing the baby.” Tong remained focused on his game.

The tone made Albert Ou even more uncomfortable.

“What do you mean this is you don’t know how hard it is to coax 99, I had a hard time putting her to sleep I came back and you’re still doing this to me”

He’s still feeling aggrieved.

Jasmine Tong saw Albert Ou’s voice rising, so she didn’t restrain herself and threw the phone to the side and opened her voice.

“You eat so much in the middle of the night you can sleep besides, the maid coaxed her to sleep well, that is, when some one was there, she made a lot of noise not to sleep”

Jasmine Tong said this is true, 99 all that is eat, sleep and cry, she basically does not play much, when she wakes up, start crying, eat enough to sleep, very easy to coax.

Only when Albert Ou was around, she would force a smile even if she was so sleepy that she couldn’t open her eyes, and when Albert Ou was resting at home, she could even stay awake all day.

The more Albert Ou listened to Jasmine Tong's words, the more uncomfortable he felt.

"Don't you let her eat when she's hungry?"

"Humans don't need to eat at night, she's a human if she's allowed to do whatever she wants, that's not good enough Besides, Ninety-nine is already fat, do you want your daughter to grow up to be a big fat person who won't be able to marry in the future?"

Jasmine Tong said a lot and from the perspective of educating her children, she didn't want to make Albert Ou feel like she was jealous and also seemed to convince herself that she wasn't.

"I've already checked the books, it doesn't matter if kids are a little fat now, their body type will basically be inherited from their parents, like you and me, she can't get anywhere fat even if she does grow up to be a big fat kid who can't marry, then I'll raise her for life."

Jasmine Tong was so angry at Albert Ou that she couldn't even find any loopholes, and the more he said the angrier she felt.

Why is that a nice thing to say about raising her for life?

I don't think I've ever heard of such a thing.

Albert Ou saw that Jasmine Tong did not speak more to catch up.

"I didn't care about San San before and you think I don't care, and now I'm in charge of Nine-Nine and you think I'm in charge, you're too hard a woman to deal with."

Jasmine Tong was already in a rage, but when she heard Albert Ou say that, she immediately went into a rage and picked up a pillow and threw it at Albert Ou.

"I'm just hard to serve don't want to serve don't serve who begged you" said she quickly lay down and pulled the blanket.

"Take the gunpowder," Albert Ou also did not want to pay attention to Jasmine Tong, together for a long time, occasionally quarrel also feel nothing, unlike before that always feel like an enemy.

Albert Ou went straight to the bathroom to take a shower, and since it was late, he simply rinsed off, and after washing found that he was only focused on fighting with Jasmine Tong and forgot to take his pajamas.

So naked and went straight out to the closet to get pajamas, Jasmine Tong pique has turned off the light, the room dark.

He had no choice but to fumble for his pajamas and when he opened the closet, a shirt fell out of it.

He watched the shadows beneath his feet pick it up and take it to the lighted bathroom only to find that it was a silky nightgown with underwear of the sort

The corners of Albert Ou's lips began to rise wickedly, no wonder he was so angry today!

So that's why.

Jasmine Tong's temper Albert Ou naturally knows very well, and she always wears very s\*xxy pajamas whenever she wants to reward him or compensate him.

Albert Ou simply returned to the bed and hugged Jasmine Tong from behind.

"I said how today so big temper it also think I do not come back, so it is so the husband will serve you right away ah"

Said Albert Ou and started to move his hand.

"Get the hell out of here "Jasmine Tong was already furious, but Albert Ou didn't even know how to get together.

"What's shy ah, I know you women are thirty like wolves and forty like tigers, now you're old enough to have physical needs too, come on."

When she heard these shameful words, Jasmine Tong got up and kicked towards Albert Oui.

"Get the hell away from me."

Albert Ou was unprepared and kicked under the bed at once.

"You're crazy you, Jasmine"

## **Her Bossy Yet Naive CEO Chapter 774 - 776**

### Chapter 774

Jasmine Tong also knew that she had exerted all her strength with this kick, but she didn't expect to kick Albert Ou off the bed.

For a moment it was hard to know what to do.

Albert Ou wanted to coax Jasmine Tong, but he didn't want to kick her.

He took his pajamas from the closet, put them on, hugged his pillow and went to the guest room.

Jasmine Tong wanted to open her mouth to call him back, but she couldn't open that mouth.

After Albert Ou left, she sat on the huge bed, hugging her knees, tears trickling down her face.

She didn't know why she was crying, she hadn't cried for a long time, and today she suddenly just couldn't help it.

It always felt like Albert Ou was like a different person, in the past, even if it was noisy, Albert Ou would never go to the guest room by himself, he would go to the guest room all because she threw him out, and then he deadpanned to come back.

Now he's even sleeping alone in another room with a pillow.

Even if she was a little over the top, even if she was a little unreasonable today, he shouldn't be like this

Doesn't he have any idea why he's like this?

You're arguing with yourself, and in such a loud voice!

The first time I was in a position to do so was when I was in the middle of a fight.

Why can't it work now?

His patience seems to be running out.

He used to say he was afraid of crying himself, but now he's crying and he's not even there.

The more Jasmine Tong thought about it, the sadder she became, "This change of heart man, heartbreaker, son of a bitch."

After scolding Albert Ou many times, Jasmine Tong still cried herself to sleep.

When I woke up the next morning, my eyes were swollen like walnuts and I wasn't used to not having Albert Ou around.

It's so bad, I'm afraid I won't even be able to get out the door today.

Albert Ou woke up like nobody's business in the morning and went to the office, but still went to the nursery first thing in the evening when he returned.

The maid is changing Nine-Nine's diaper, and Nine-Nine is crying so hard that Albert Ou rushes over to see her.

"Clumsy, can't even change a diaper properly."

It's strange that when Albert Ou came, the 99 immediately broke into a smile.

"The lady and the gentleman are really close."

"Crap this is my daughter."

Albert Ou changed the diaper for 1999, "What's for Miss today."

"Just formula and some rice flour." The maid replied.

"I thought I said I'd give the lady a little fruit custard," Albert Ou started to pull down immediately.

The maid also felt very aggrieved, "The fruit custard was all made by the wife before, and she didn't let us make it, saying that we couldn't master it, but today the wife didn't come over all day."

"She hasn't been here all day" that's what Albert Ou thought was strange.

“Yeah, the whole day didn’t come.”

“This woman hasn’t beaten up a house in three days.”

The maids immediately laughed out loud.

“Mister, you don’t want to hit your wife.”

When Albert Ou’s eyes glared, the maids immediately dared not laugh.

But it was good enough, where did these servants dare to joke with Albert Ou before, he always had a straight face and only smiled when he was facing his wife.

But now it’s different since he has a lady, he’s become much more amiable and in touch, and I don’t think he’s so mean.

“You watch Miss.” Albert Ou said and walked right out of the nursery.

I don’t suppose she’s still angry? – No.

How could she leave her daughter out of anger?

Only the sons, not the daughters.

If that was the case, he’d really have to have a discussion with her about not being so patriarchal.

On the way back to the room, Ouzeno just happened to pass by Leng Lords and Meng Rujiao’s room, and Leng Lords just happened to come out.

“I was just about to find you.”

“Why are you looking for me” Albert Ou looked a little impatient in his haste to get to Jasmine Tong’s theory.

“You’re so hot and bothered is this a fight with anyone I ask you, I see you came out of the guest room this morning, you and Manny had a fight”

The Cold Lords are very concerned about the emotional state of their couple.

Usually it has to be something big to cause them to sleep apart.

“quarrel, how a couple have not quarrel do you do not stop me, I still have to go to her how she has now become this way, for no reason to lose their temper, the whole day today even 1999 do not care, I want to ask her, what in the end she wants ah”

“Don’t bother looking,” Monroe walked out of the room slumped against the wall, “she’s not here.”

“Where did she go?”

“Went to S. City.”

“What are you doing in S City?”

“I’m not sure if I’m going to be able to do that, but I’m not sure if I’m going to be able to do that,” he said.

“The Leng Lords immediately stopped Meng Rujiao.

“Why am I being crotchety? Some people have a change of heart.”

Before Albert Ou could ask what was going on, the maids rushed over to report the bad news that Nine-Nine had thrown up.

It was normal for children to spit up, but they had already done it several times today, and just now the maid had brought it to their attention.

Albert Ou Nozomi called the doctor, who diagnosed it as an upset stomach and a little inflammation caused by nothing serious.

But still, it was a stab in 1999’s fleshy little butt-balls.

Albert Ou’s heart ached.

The doctor said to hold off on food for a while and observe.

And at this time Jasmine Tong has arrived in S city, living in the Huo family.

In fact, she really just wanted to go back to the Huo family on a whim, and originally wanted to leave Meng Rujiao alone with her complaints, but the more she talked, the angrier she got, and felt she couldn’t just let it go.

It just so happened that her uncle called her and asked if she could attend an event, so she came.

Huo Sijie and Mo Yixin both went abroad to study, the Mo family and the Huo family basically also identified the two people married, Huo Siya is about to take the entrance exams, study is more nervous.

Jasmine Tong's eye swelling went down the next day, and on the third day she helped Huo's jewelry for a day of activities, returning to Huo's home with an empty heart.

She didn't know what she could do, and suddenly felt like an invalid for leaving her home and her child.

"My good cousin, you've already sighed more than ten times, I can't even do this question anymore" Huo Siya finally couldn't stand it any longer.

Hosea simply closed the notebook, "Tell me what's bothering you."

"What can I be bothered about."

"I could tell from the first moment you entered the house, you must have something on your mind, did you have a fight with your cousin-in-law"

## Chapter 775

Huosiya looked like a little adult with one hand on his head looking at the single couch of Jasmine Tong.

This was Hosea's room, and they were the only two people in the room.

"Who quarreled with him" Jasmine Tong's eyes had already shifted elsewhere.

"Nono, just from what you said I'm sure you must have had a fight with your cousin-in-law" Hosea slid her chair to Jasmine Tong's side, "Let me, the love expert, explain it to you"

"Love Expert" When she heard this title, she couldn't help but laugh, "How old are you?"

"Gee, cousin, just tell me, even if I can't help you, you'll feel better if you talk to me."

Unable to resist Huo Siya's soft-spokenness, it was also true that Jasmine Tong felt too suffocated panic in her heart, so she told Huo Siya about this period of time.

In fact, when she came back from Aiya, Jasmine Tong had always felt that Albert Ou was too attentive to Nine-Nine, and she didn't care too much about it at the time, always feeling that it was only right for a father to love his child.

But since she was weaned, Jasmine Tong didn't think so, because Albert Ou had simply reached a new level for 1999.

The first thing he used to do when he came home was to look for her, but now the first thing he does is go to the nursery, and nine out of ten words he says when he talks to Jasmine Tong are inseparable from 99.

Hosea listened with his chin in his hand.

"Your cousin's brother-in-law isn't changing his mind he wasn't like this before" Jasmine Tong finally concluded her statement.

"Cousin, you're jealous of 1999."

This said Jasmine Tong immediately blushed scarlet, "I eat nine-nine jealousy nine-nine is my daughter hey I eat my daughter's jealousy what are you thinking about."

Jasmine Tong stretched out her finger and poked Hosea in the head.

"What's all the fuss about, cousin-in-law wasn't even jealous of San San at first"

A word woke up the dreamer, Jasmine Tong suddenly realized that it seemed to be the truth.

I'm not sure if I'm going to be able to do that, but I'm not sure if I'm going to be able to do that, so I'm going to be able to do that.

Huo Siya's eyebrows are raised that's a proud, "I'm his little jacket, he usually won't even be fierce, if my mom is fierce, then he has to protect me."

"Is that really true?"

"Of course you're jealous of 1999. My mom was jealous of me too."

Jasmine Tong stomped her foot, "Okay even if I'm jealous, I'm really jealous, what little lover, little jacket, then your cousin-in-law isn't that too much"

"That's pretty much over the top hey, he can't just throw his wife away because he has a daughter."

"Exactly,"

Jasmine Tong still felt aggrieved, and for the first time in her life, she felt neglected by Albert Ou

"Why don't you leave him alone for a few days? Maybe in a few days your cousin-in-law will come looking for you."

Jasmine Tong counted on her fingers, it was the fourth day she had come to the Huo family, but where was Albert Ou?

No phone calls, no tweets, no nothing.

"I guess he doesn't even know I'm coming this way."

Huo Siya patted Jasmine Tong's shoulder, "Marriage is so troublesome, I definitely don't want to get married in the future"

"Kid, if you don't get married, you're on your own."

"Yeah, what's not to like? I'm bachelorism, I'm going to be a bachelor aristocrat in the future" Hosea tilted her head up in pride.

Jasmine Tong had to sigh that she really had some trouble keeping up with this young man's pace.

Maybe I'm getting really old.

This side of the Crystal Garden has been experiencing a few days of shock because of a small upset stomach, but it's been a few days of shock.

Albert Ou kept watch over the ninety-nine twenty-four hours, observing and recording the bowel movements as the doctor ordered, and the servants followed without sleep.

It wasn't until the four-day 99 was stable and the doctor checked it out and it was fine, that everyone breathed a sigh of relief.

The doctor instructed many precautions, and Albert Ou recorded them all.

Nine-Nine has started to make trouble again, unlike the past few days when she was sick and listless, always needing to be held by Albert Ou to fall asleep, and Albert Ou realizes that Nine-Nine should be recovered.

Albert Ou, who basically hadn't closed his eyes for three consecutive days, had heavy dark circles under his eyes and hadn't even shaved his beard, adding to his vicissitudes.

"Sir, you have not closed your eyes for three days, go to your room and get some sleep." The maids also realized that it was not only the wife who was so competent with the children, but their husband as well.

"Is Madam back?" "After working on the ninety-nine things, Albert Ou then remembered Jasmine Tong.

The maid shook her head, "No."

"Watch the lady, and come and call me if anything happens." Albert Ou rubbed his temples as he went back into the bedroom.

The phone was left in the bedroom and he ignored it for three days, the battery long gone.

Rush to find a charger to charge and turn it on.

Numerous messages flooded in, emails, missed calls, weChat messages, he didn't care, but everything work was basically handed over to the cold owl to deal with.

He found that the only one of these messages was not Jasmine Tong's.

Somehow not seeing any news from Jasmine Tong, he actually felt a bit bad.

After guarding for three days in 1999, I feel more and more that it's not easy for Jasmine Tong.

When Jasmine Tong gave birth to San San, the company was very busy during that time, San San has always been Jasmine Tong's care, although occasionally he will be in charge, but in the end did not interfere much.

I remember one time when he was on a business trip, San San had a fever, and when he came back, he heard from the maids that Jasmine Tong hadn't taken off her clothes for a week.

Albert Ou called Jasmine Tong from his bed, and the call was answered.

"Hey, cousin-in-law,"

"Ya where's your cousin?"

"She's out shopping with my mom."

"Oh" I thought I could hear Jasmine Tong's long-lost voice, Albert Ou was once again a little lost, "How is she doing lately?"

"Cousin brother-in-law, this I can say you, cousin to my house are four or five days, you just know to call ah she recently especially special special special numerous special bad, otherwise my mother would not pull her to go shopping, I do not talk to you, I still have things"

Hosea hung up the phone.

Albert Ou had to throw his phone to the side in frustration, remembering that he had indeed gone a little too far in fighting with Jasmine Tong that day.

Definitely angry.

Albert Ou was a little tired, he wanted to sleep and think about this matter, but he couldn't sleep after tossing and turning, he was alone in such a big bed, and it was not easy to touch Jasmine Tong when he turned over.

This must be the fifth day that Jasmine Tong has been gone, and he's almost unable to smell Jasmine Tong's breath on this bed.

Chapter 776

Albert Ou still couldn't resist the thoughts of Jasmine Tong and got up directly to take a shower to sober up, then changed clothes and went directly to the airport.

It's a little quicker to get to S and take a plane.

Who knew that because of the control system, the earliest flight to s city has been delayed by two hours.

Albert Ou had been waiting three hours to get on the plane.

In the past few years, there have been a number of cases in which people have been unable to find a way to get rid of their children.

Chu Runzhi didn't want to force Jasmine Tong to say anything, so she had to drag her out to go shopping.

Having done a lot of shopping, Chu Runzhi and Jasmine Tong sat in a corner cafe having coffee.

"Little Man, can you drink coffee now aren't you still breastfeeding "Chu Runzhi probably guessed that if Tong Little Man was still breastfeeding it wouldn't have been out for so many days.

"It's drinkable, it's okay, I've weaned Ninety-nine off the breast."

"It's so early, it's only six months, that's not like you."Chu Runzhi jokingly ordered two cups of coffee at random, and the waiter went to prepare it.

Jasmine Tong grinned at the corners of her mouth is also very helpless, it was for Albert Ou broke in the first place, now think about people are not very grateful.

"Little Man, you don't blame auntie for being nosy ah, you two are not out of any emotional crisis I asked Maya, Maya this child mouth is very strict, said nothing to betray you."Chu Runzhi laughed dryly twice.

"It's nothing really, in Maya's words I'm just jealous of someone's little lover."Jasmine Tong hung her head and looked a little too pale.

Chu Runzhi laughed instead, "To think that I was also jealous of your uncle and Xiao Ya for a long time, but I still eat it from time to time now hahaha"

"At first he was jealous of San San, but now it's my turn to be jealous of Nine-Nine as the wheel of fortune turns."

"Actually ah are saying that the same sex repels the opposite sex attracts each other is very reasonable, the son will be born to be a little bit closer to his mother, and when he grows up, his relationship with his father will become

worse and worse, Jie and your uncle are also incompatible now, the daughter will be born to be a little bit closer to her father, and when she reaches the rebellious stage, there will be you to suffer.”

Chu Runzhi’s tone of voice, however, made Jasmine Tong think a lot.

“Auntie, but I really can’t stand the fact that he’s putting all his heart and soul into 1999, he used to look for me first thing when he came home, but now he’s going to baby daughter first and won’t be back until almost midnight.”

Jasmine Tong was also torn, but she could never get past this hurdle in her own heart.

“He can be very loving to Nine-Nine, but I don’t want him to neglect me because of it.”

“But a person’s energy is ultimately limited, and now that he’s just had his daughter, his freshness is still fresh, and when he’s figured it out and figured it out, he’ll come over later and coax you, and you’ll give him a leg up, and now that he’s got his son and daughter, what’s there to make a fuss about.”

Of course Jasmine Tong understood such a truth.

“I’ll teach you a good way, when he loves his daughter, what about when he loves his son, anyway, you have two sons, people say the daughter is the father’s mistress, the son that’s the mother’s mistress, you have two mistresses, he only has one, or he’s at a disadvantage ah”

Chu Runzhi’s words amused Jasmine Tong.

The two men finished their coffee and went straight home.

It was in the middle of the night when Jasmine Tong had just fallen asleep when the maid suddenly ran over and knocked on her door.

“My lady, the aunt is here.”

I’m not sure if I’ll be able to do that, but I’m sure I’ll be able to do it.

It’s only Albert Ou who would be called that here.

Jasmine Tong didn’t wear any clothes, so she just grabbed a jacket and put it on and walked out.

Chu Runzhi and Huo Yulong were up in the living room as well.

Albert Ou sat in the living room with some gifts by his side, he hadn't come to the Huo family for a long time, so naturally he needed to bring some gifts, after all, this is also considered Jasmine Tong's mother's house.

"I'm really sorry, because the plane control is three hours late, so I'm only arriving now, and I'm disturbing my uncle and aunt in the middle of the night."

Albert Ou was well-behaved like a schoolboy, he was always like that in front of Huo Yulong, who was Jasmine Tong's mother in the end.

"Don't be so polite as a family, the maid has gone to call for Manny, so take an early break later."

Everyone looked at Tong Koman as she entered the room.

"Uncle, aunt, go back to sleep."

"Mandy, tell the maid to prepare some supper, it's been a strange journey." Chu Runzhi gave Jasmine Tong a vigorous wink, "Then we'll go back to sleep first."

Only Albert Ou and Jasmine Tong were left in the living room, Jasmine Tong slanted a glance at Albert Ou and went straight to her own bedroom, Albert Ou following behind.

As soon as he entered the bedroom Albert Ou immediately hugged Jasmine Tong from behind.

"Let go" Jasmine Tong immediately went to break Albert Ou's hand.

Albert Ou did not let go of the hot breath potted Jasmine Tong's neck, "thinking about you, wife."

Jasmine Tong's tears almost fell when she heard this, five days, five whole days, he hadn't called, hadn't sent a message, and only now did he think of her.

Huo Siya was a little confused, originally she wanted to tell Jasmine Tong Albert Ou had called, but she was in a hurry to go to cram school so she didn't have time, and when she came back she forgot about it.

Jasmine Tong wasn't in the habit of checking the call records, so she didn't know that Albert Ou had called.

"You still know you have a wife yourself ah" Jasmine Tong forcefully broke Albert Ou's hand, Albert Ou knew Jasmine Tong had anger in her heart and was not willing to be too tough.

"Go take a shower" Jasmine Tong took out a towel from the cupboard and tossed it to Albert Ou.

Albert Ou didn't say anything and got into the bathroom, Jasmine Tong found him pajamas again, so that occasionally they would come here for a small stay for a few days, and everything was available.

Jasmine Tong also ordered the maid to prepare a snack for Albert Ou, Albert Ou came out of the bathroom to eat it, and when Albert Ou finished eating, Jasmine Tong went straight to bed.

Albert Ou lay into the blanket deliberately close to Jasmine Tong's body, Jasmine Tong moved towards the side, Albert Ou continued to lean over, Jasmine Tong continued to move until Jasmine Tong was cornered and couldn't move.

Albert Ou put his hand on Jasmine Tong's waist and shook it, it had been a long time since he had seen Jasmine Tong lose her temper like this.

Jasmine Tong ignored him.

"Ignore me then I'll just do it."

"Just make a scene, Maya's there."

A word Albert Ou lost his temper, the old house was not soundproof, no one lived next door before, then Hosea wanted to get away from her parents' surveillance before moving next door.

## **Her Bossy Yet Naive CEO Chapter 777 - 779**

## Chapter 777

This was Huo's house, not his own in the end, and Albert Ou had restrained himself.

Knowing that Jasmine Tong was still throwing a tantrum, and that the underage Huo Siya lived next door, Albert Ou no longer dared to make a fuss.

He just put his hand on Jasmine Tong's waist, Jasmine Tong's back was still turned to him still ignored, and the two of them slept the night away.

Jasmine Tong was shocked when she woke up and Albert Ou was staring at her with those captivating eyes.

There was no telling if she fell asleep at night, not knowing if she had run to him or if this bad man had taken her into his arms while she was asleep.

Being stared at by such hot eyes, Jasmine Tong was a little shy and embarrassed, she hurriedly prepared to turn around and go back to sleep, anyway, there were no children to disturb her, and she didn't need to work, so she could sleep as long as she wanted.

Seemingly sensing Jasmine Tong's intention to turn around, Albert Ou directly grabbed Jasmine Tong and encircled her in his arms.

Jasmine Tong struggled unsuccessfully and immediately pulled her face down, "Let go of me."

"Don't put it down, don't get mad." Albert Ou pecked Jasmine Tong on the lips in a smooth manner.

So sweet, I haven't kissed it in days.

"I'm not angry." Jasmine Tong lowered her eyelids just not looking at Albert Ou.

"You're not mad at me. What are you doing?"

"I want to sleep" Jasmine Tong lifted her leg just kicked in the abdomen of Albert Ou, Albert Ou grunted in pain, Jasmine Tong obediently got out of his arms to take the clothes and got out of the bed.

Huo Yulong was rather busy and was not seen when the two woke up, but the family only gathered at dinner time.

Although they know that the two people in the trouble, but Huo Yulong and Chu Runzhi has been to open one eye closed one eye, the two small things they are inconvenient to get involved, thinking that the two people together trouble trouble to reconcile.

“Ono, how long has it been since you guys have been over here” niece and son-in-law came over together, Huo Yulong was naturally happy.

“I don’t remember either.”Albert Ou responded awkwardly.

“I haven’t been here since Manny was pregnant with 1999 anyway, which is a year and a half to say the least.”Churunji warned.

“Yeah, it’s been so long since I’ve been here, so I’ll just stay a few more days this time.”

Jasmine Tong bowed her head to eat and didn’t participate in the conversation, but it doesn’t mean that she didn’t listen, she thought to herself that Albert Ou was so busy, plus she was thinking about her little lover at home, she would definitely not agree.

Albert Ou wanted to say he was leaving tomorrow, so he could find a hundred reasons to do so.

Jasmine Tong made up her mind that Albert Ou wouldn’t stay, and he could just take the opportunity to take himself away, and then she would just say that she wanted to stay for a few more days.

“Well, it’s been a long time since I’ve been here, so I’ll listen to my uncle.”

“Cough cough cough “Hearing Albert Ou’s words Jasmine Tong directly choked, the people at the table all looked at her, oddly embarrassed.

Albert Ou hurriedly brought water to her, Jasmine Tong drank two mouthfuls of water which was better.

“See if you’re happy about it, so much so that you can tell me anytime you want to come back.”

Jasmine Tong glanced at Albert Ou, playing good aunt in front of her aunt and uncle

But what the hell was his idea, he was obviously constrained right here, and he was ignoring him, so he might as well take the opportunity to bring himself back to be coaxed.

Soon Jasmine Tong knew the answer, under the eyes of Huo Yulong and Chu Runzhi, he is definitely to give him face, at least when eating and chatting together, will not shake his face to him, but also must act like a loving couple.

This Albert Ou has too much ambition.

It's like eating her to death.

After staying at Huo's house for three days, Albert Ou didn't coax Jasmine Tong, in short, wherever Jasmine Tong went, he would follow, and what Jasmine Tong did, he would follow.

After three days of this, Jasmine Tong could not stand it any longer and was ready to go back to her home, citing that she missed her children.

Huo Yulong originally wanted to book airline tickets for the two of them, but Albert Ou said he had already asked his secretary to book a flight for that afternoon.

So Huo Yulong sent someone to take them to the airport.

But instead of going to the airport, Albert Ou got out of the car and took a taxi to a car 4s store.

Jasmine Tong didn't want to pay any attention to him, and didn't know what he was up to, so she kept following.

Albert Ou then immediately took a fancy to a car and paid the full price, got a temporary license plate, and took Jasmine Tong on board.

But seeing that Albert Ou bought a car in the blink of an eye, Jasmine Tong couldn't help it.

"Why did you buy a car? What's wrong with you? You're getting on a plane."

Albert Ou buckled his seatbelt and also helped Jasmine Tong buckle her seatbelt, "Who said anything about getting on the plane?"

"You don't mean,"

"I didn't buy a plane ticket, we're driving back."

"Drive back" for this crazy move, Jasmine Tong is simply terrified, "you're crazy you."

"Not crazy enough to sit still."

Jasmine Tong felt that Albert Ou must have burned his money by not taking a flight and had to buy a car to drive back.

She didn't bother to pay attention to him and simply closed her eyes and went to sleep, out of sight, out of mind.

She was so confused she kept wandering between half-asleep and half-awake, but felt sure it wasn't that long before the car stopped.

"Jasmine, get off the bus."

Jasmine Tong opened her eyes and looked out the window, where is this?

A very unfamiliar environment, there should be a small hill in front of you, the surroundings are not bad and the air is very pleasant.

"Not going home."

"Stay here tonight."

Albert Ou directly got out of the car then went to Jasmine Tong's side and pulled Jasmine Tong out of the car, holding her hand in a death grip.

Jasmine Tong didn't make any disguise, she knew that Albert Ou just ate it up, she wouldn't make a scene with him in public, or else she could make headlines again tomorrow if she was photographed by someone who was interested.

The two of them had been divorced many times since announcing their marriage to Albert Ou, and with their child getting older, she didn't want that kind of news.

Albert Ou didn't book a plane ticket, but it's true that he booked a room here in advance.

In the past few years, there have been a lot of people who have been in love with Albert Ou and he has been holding hands with Jasmine Tong to look for a room.

It's not a hotel of any kind, but a resort with rooms set up on the hill, one small wooden house at a time, and it looks very moody.

Their room was halfway up the hill with a great view.

As soon as he entered the door, Albert Ou pushed Jasmine Tong against the wall and gently kissed her forehead, eyes and cheeks.

Jasmine Tong was about to push him away when Albert Ou grabbed her hand.

"I'm sorry, Jasmine, it's all my fault."

The tone was as gentle as the first breeze of spring, warming and tickling the heart.

At that moment Jasmine Tong's tears could no longer be held back.

Albert Ou began kissing Jasmine Tong's tears again, pressing his forehead against hers and caressing her cheek.

"I was wrong."

Chapter 778

Jasmine Tong punched his chest, "you hate don't even want to pay attention to you I've been gone for five days, you didn't even call me you still have me in mind or not"

"Wrong, wrong, it's all my fault, I was too busy to take care of it, of course I had you in mind."

Albert Ou grabbed Jasmine Tong and placed her on his chest, "All of you."

"You're a liar. You're not going to get it."

“I’ve been neglecting you lately, I won’t again, and I won’t dare, okay it’s all my fault.”

“It was your fault.”

“It’s my fault, it’s my fault, it’s my fault.”

After OuZeYe said countless “wrong”, Jasmine Tong’s heart gas is almost gone, in fact, in the Huo family, although the two people basically zero communication, but Jasmine Tong has long lost her temper.

Maybe they’ve been together so long that they can’t even get angry anymore.

After getting angry, Albert Ou justifiably put Jasmine Tong to justice on the spot in this pleasant environment.

After a good, hearty romp, they were both lying on the bed with no clothes on under the covers.

Jasmine Tong snuggled up to Albert Ou’s side with the blanket over her, Albert Ou had one hand cushioned behind her head, naked on top.

Jasmine Tong drew circles on Albert Ou’s chest.

“It tickles.” Albert Ou grabbed Jasmine Tong’s hand.

“Do you have any idea how angry I was that day, and you even argued with me I was going to wean after to make it up to you, to take a part of my mind away from the baby and move it to you, but I didn’t expect you to”

The first thing you need to do is to look for me every time you come home, and now you run off to the nursery, I used to fight with you, you would coax you, but you didn’t even coax me, allowing me to stay at my uncle’s house for five days.”

Albert Ou looked over his shoulder at the pouting Jasmine Tong and just smiled but didn’t say anything.

Jasmine Tong was looking a little hairy, “Why are you looking at me?”

“It’s been a long time since I’ve seen my Jasmine jealous, and he’s still so cute.”

Albert Ou reached out and squeezed Jasmine Tong's cheek.

"Annoying you don't even realize your own mistakes" Jasmine Tong has begun to regret how she forgave him so easily

"You finally feel how I feel, at first you were still saying that I was jealous of my son now it's your turn to be jealous of your daughter, do you know how mad I was when you neglected me in order to take care of San San, it was hard to get over it, and here comes another Xiao Qi."

Albert Ou said as he played with a strand of Jasmine Tong's hair.

It makes sense for Jasmine Tong to think about it this way, but is it really good for two people to be jealous of each other like this?

"Jasmine, I know you weaned on me, I know you want to make it up to me, I was really wrong, I won't neglect you again."

"Well said" Jasmine Tong said so on her lips, but in the end, she was a woman ah, can't stand the sweetest words from men.

"I have a particularly grand plan for you, would you like to hear it."

Jasmine Tong nodded her head nicely.

Albert Ou reached for his phone and clicked on a few pictures on his phone, "You see this hotel is built on the edge of a cliff, it's especially thrilling and beautiful."

"Wow, really hey, don't you feel scared if you live here?"

"No, this hotel is particularly hot, you have to book a room far in advance, and this, it's a house built on the bottom of the sea, and you can see the underwater world from this side of the room."

Looking at the pictures on Albert Ou's phone screen, Jasmine Tong also found them beautiful and romantic.

"This is a rose-themed hotel, and the entire property is full of roses of all colors, as are the rooms."

Jasmine Tong admired the pictures while listening to Albert Ou's commentary.

“I’ve been looking at these while I’m waiting for my flight, and this is just a small fraction of the number of these special hotels around the world, so my plan is I’m going to take you to sleep in all the special hotels around the world.”

Albert Ou told Jasmine Tong of his plan.

When she heard this plan, she suddenly felt so romantic, doesn’t it mean that the two of them will travel all over the world?

She was beautiful.

“Imagine when we sleep under the sea, when we make love and all those colorful fish come to watch, do you think they’re especially envious.”

“The image in Jasmine Tong’s mind suddenly disappeared.

“And when we sleep on the cliff, does it feel like we’re making love for the last time, that life and death experience, that thrill, it’s going to be especially good.”

Jasmine Tong slapped Albert Ou’s chest hard, “This is supposed to be a very romantic thing, why is it coming out of your mouth, it’s full of an erotic smell can you please not always involve sex.”

“You think we’re not green now.”

Tonto looked down at the two of them now and it was true.

“What is the most important moment for a man and a woman to be together, isn’t it just the night, the night that we spend the most time together, sex is another eternity, sleeping in specialty hotels all over the world, what a grand plan.”

Jasmine Tong rolled her eyes towards Albert Ou, and also the grand plan, obviously he wanted to sleep in a different place!

But when you think about it, there’s nothing wrong with that.

“Honey, do you ever feel like I’m getting old.”

Albert Ou raised his spirit like turning around to hold Jasmine Tong’s face to look down and look left and right.

“It’s old.”

“Really? Wrinkles or spots ah” Jasmineton became very nervous, she used to feel as if this problem was far away from her, but now she had to face it.

“Just kidding, we all get older, whether you add a few wrinkles or a few more blemishes, it’s my favorite Jasmine.”

“That’s a nice way of putting it.”

Jasmine Tong rubbed against Albert Ou’s arms.

“Abrasive little goblin, I’m not wearing any clothes now ah just as well you’re not wearing any, well once more to prove that you’re no less attractive to me.”

It was only in the evening that Albert Ou told Jasmine Tong that she had a stomach upset in 1999, and she almost fainted on the spot.

As a result Jasmine Tong pulled Albert Ou out of bed before dawn.

Albert Ou looked at his Stepford wife as he looked out at the still dark sky.

“I’m glad I didn’t tell you at the beginning, or we wouldn’t have been able to make up.”

“Gee, I know you spent a lot of energy yesterday, but I’m worried about 99, go home early and get some more rest, honey.”

Albert Ou knew that Jasmine Tong was still very much in the heart of the child, so he drove home early.

## Chapter 779

After this little storm, it seemed as if Albert Ou’s affection for Nine-Nine hadn’t diminished one iota, except that he usually didn’t go too far in front of Jasmine Tong.

Chin-Chin Lai returned from her studies in England in record time and became a real comic book artist, thanks to the fact that she had slowly built up her popularity while studying online serialized comics during her school years.

Her comics are usually wildly popular and very funny, and are loved by young people.

Only both of them were rather forward thinking, the Mo and Li families had been looking forward to the two of them getting married and having children early so as to add some fragrance to the family, but who knew that these two were not anxious at all.

In the words of Mo Yiang, the two of them are not tired of each other, in fact, he really doesn't want to have a child so soon, because once the child is born, there are two uncles and an aunt of a child, this generation is too small.

It's as if he's only a year younger than Albert Ou, yet he keeps calling Albert Ou Junior Uncle, and he doesn't want his child to repeat his tragedy.

At least by a few years.

Mo Yi Xin slowly put Yarwen Tong into the eternal corner of her heart, she began to live again, after accepting Huo Sijie, the two of them both went to study abroad, it is said that the two have always been very good relations.

The Leng Lords and Meng Rujiao, ready to regenerate a son, look at others, their own family also can not lag behind ah, but this plan later fell through.

In the blink of an eye, Nina is three years old and is old enough to go to kindergarten.

In the past, she thought San San was the most mischievous, and that a daughter would always be good and sensible, but who knows, 1999 was probably a mistake, and compared to San San, it was even worse.

As the youngest child in the family, Nine-Nine learns to talk very early and is loved by everyone for her sweet little mouth.

Everyone pampered Nine-Nine, the Huo family, the Huo family, as well as Huo Sijie and Huo Siya, and the Mo family, from the elderly to the children all pampered.

Even San-San and Xiao-Qi in the family have turned into spoiled sisters, especially San-San.

Jasmine Tong had always felt that this would spoil Nine-99, but she was a person of little consequence, and no one took her seriously, so it was only Jasmine Tong who could sing blackface in front of Nine-99, and the only one who could make Nine-99 have any scruples was probably Jasmine Tong.

The two little boys in the family were both spoiled girl fiends now, and naturally Albert Ou was no less a spoiled girl fiend.

Usually as soon as they got home, they would check in with Jasmine Tong first and then go to the 99 room to find their baby daughter.

“Honey, I’m home.”

When Albert Ou returned, Jasmine Tong was busy in the kitchen and the maids were giving her a hand.

Walking up to Jasmine Tong, Albert Ou unobtrusively kissed her on the cheek, something the maids were already accustomed to.

“You go ahead and get some rest, you’ll eat later.”

“Good” Albert Ou walked out of the kitchen without saying a word, Jasmine Tong sighed silently as she watched his back.

“Ma’am, what are you sighing for, the gentleman is so close to you.” The maid was on the verge of saying.

Jasmine Tong just laughed and didn’t say anything, she knew in her heart that Albert Ou was just reporting to her, and he left in a hurry to see his baby daughter.

The reason for coming over to report is that I’m afraid I’ll be upset, after all, I’ve had a bad time before.

Albert Ou quickly walked upstairs and pushed open Ninety-nine’s room, which was dark with no lights on.

“Ninny, daddy’s home, did you miss daddy”

But there was no answer from Ninjou, and Albert Ou turned on the light to find Ninjou standing on a small stool in front of the window, thinking about something with her hands on her cheeks.

The fleshy little face was squeezed out by the hand into two little lumps of flesh, which was very cute.

Because of someone’s adherence to a feeding principle, Nine-Nine has always been just meaty and has never lost weight.

“What’s wrong” Albert Ou went to the window and picked up the ninety-nine.

Jiu Jiu looked at Albert Ou sadly, all of a sudden hugging Albert Ou’s neck lying on Albert Ou’s shoulder, that pitiful appearance made Albert Ou’s heart melt.

“Daddy, I don’t want to be separated from you.”

“Who says you’re separating from Dadby?”

“Mommy’s going to take me to kindergarten, I don’t want to go to kindergarten, I don’t want to be separated from Daddy.”Ninjou pouted and looked up at Albert Ou.

Those big black grape-like eyes were dripping around, literally sprouting Albert Ou.

“You’re three years old, and kids go to kindergarten when they’re three, and they don’t get separated from their dad when they go to kindergarten.”

“Why won’t we be separated well I have to get up early in the morning, I can’t even see daddy, I can’t go to the office with daddy, I’m in kindergarten all day and I can’t see daddy when I get home, 99 doesn’t want to be separated from daddy.”

A few words warmed Albert Ou’s heart, not expecting his baby daughter to be so clinging to him.

“If you don’t want to go to kindergarten, then Daddy’s going to talk to Mommy about it, but you’re going to have to go to kindergarten sooner or later.”

“It’s okay. I’ll spend one more day with Dad if I don’t go to kindergarten.”

Jijiu immediately rejoiced, hugging Albert Ou’s face and kissing him wildly several times.

Such a lovely baby girl, how could Albert Ou not spoil her?

It’s time to go to bed at night, and Nine-Nine still stays in Albert Ou and Jasmine Tong’s bedroom, always hiding in Albert Ou’s arms, father and daughter laughing all the time.

Jasmine Tong laid out the blankets and coughed, “Nine-nine, it’s time to go back to your room and sleep.”

Jijiu’s smiling little face immediately fell, and she and Albert Ou looked at each other.

“Daddy, can I sleep with you today?”

As soon as Albert Ou opened his mouth to speak, Jasmine Tong immediately refused, “No.”

Nine pouted and suddenly had a bright idea, “Then daddy go sleep in my room with me.”

“Uh,” Albert Ou looked at Jasmine Tong’s face and turned to Nine-Nine, “Mommy also wants Daddy’s company, Nine-Nine is good, sleep by yourself tonight.”

“Mommy’s so grown up she needs someone else to sleep with.”

Jijiu looked at Jasmine Tong with a disgusted expression.

Jasmine Tong hugged her arm and looked at the little man, 1999, “Your daddy is my husband, of course he’s going to sleep with me.”

Sometimes Jasmine Tong will also have a theory with 1999, otherwise this little kid is getting more and more lawless.

Jijiu immediately hugged Albert Ou, “Daddy, will you be my husband then?”

This image is déjà vu.

Jasmine Tong had to sigh what a wheel of fortune.

“Daddy, daddy, be my husband.”

## **Her Bossy Yet Naive CEO Chapter 780 - 782**

## Chapter 780

That really made Albert Ou's head spin.

"He's my husband, there's no way he'll be your husband, go back to bed."

Jasmine Tong continued.

Jiu Jiu was still not giving up on Albert Ou's doting on her, "Daddy, whose husband did you say you are?"

Albert Ou was really laughing and crying looking at his baby girl, "Of course daddy is mommy's husband, ninja is good, go back to bed."

"Hmph, ignore you" Ninety-nine struggled out of Albert Ou's arms and out of the bed, wiggling her fleshy little ass out of the bedroom.

Since having his daughter, Albert Ou has had the added headache of coaxing her, and sometimes finds Nine-Nine even harder to coax than Jasmine Tong.

Albert Ou scratched his head and lifted the quilt on the bed, "What do you say you compare with her really ah back I still have to coax her, you don't know, 1999 is even harder to coax than you."

The first time I heard this, I was even more unhappy, which woman is willing to steal her daughter's husband ah!

It's all because Albert Ou is usually too spoiled and spoiled to 99.

"Is it me to be serious with her? Am I wrong to say that you're happy to coax her, you deserve it all you're used to" Jasmine Tong lay down with her back to Albert Ou in a bad mood.

"I deserved it, I'm used to it, and you're used to it, I just deserve it" Albert Ou pulled Jasmine Tong into his arms as soon as he turned off the lights.

"What are you doing?"

"What do you think you can do" Albert Ou rolled over and pressed Jasmine Tong underneath him.

It's true that Albert Ou and Jasmine Tong have less to worry about in terms of bedtime, and it's rare that the little kid doesn't make a mess today so that the two can have a good time.

After a cloud of rain, Albert Ou carried Jasmine Tong to the bathroom, and they returned to the bed together, Jasmine Tong's face still a little red.

Albert Ou hugged Jasmine Tong in his arms, "Jasmine, why don't we not send Nine-Nine to kindergarten yet, she's still so young, let's send her to kindergarten next year"

Jasmine Tong immediately turned her face to stare at Albert Ou.

Albert Ou was looking a bit flustered and pushed Jasmine Tong's head, "Why are you looking at me like that."

"The Beauty Meter."

"Hehe, was you see through, then I this beautiful man plan success ah" Albert Ou leaned to Jasmine Tong's ear, under the quilt also smoothly pinched Jasmine Tong's waist.

"You said yourself that it didn't work."

"I'd say it was pretty successful just now when you screamed so loudly, myself." Albert Ou looked at Jasmine Tong with a bad smile.

"Go to your bar I knew that the little man will come back to tell you this matter is not negotiable" Jasmine Tong turned her back to Albert Ou heart very unhappy.

Is it possible that Albert Ou is sleeping with himself because of his daughter?

"Let's talk about it... Ninety-nine didn't tell me and cried a lot, saying she didn't want to go to kindergarten or leave Mommy."

Jasmine Tong snorted, "It's because I don't want to leave you,"

"Even if it is, come on she's so young, she's a year late, she won't learn anything in kindergarten anyway, the worst that can happen is she'll hire a teacher for her at home."

Albert Ou discussed with Jasmine Tong in a soft voice.

This makes Jasmine Tong even more unhappy, that is, when pleading with his daughter, he will talk to himself so gently, but other times he can be overbearing.

“When San San went to kindergarten, you had to have him there, but now that it’s 1999’s turn, you can’t let go, aren’t you a little too biased”

“San San is a boy, can a boy compare to a girl?”

“There are still girls under three years old in kindergarten and people’s daughters are not girls I tell you just spoil her, you’ll spoil her sooner or later.”

Albert Ou knew it was useless to say anything, and what Jasmine Tong decided was usually not something he could influence.

And the matter would have to be dropped.

Just three minutes of silent heartache for your baby girl.

San San is now a standard elementary school student, and the first thing he does every day after school is also to look for his sister, and Seven is still in her kindergarten class, as soon as he gets home.

San San and Seven found Nine-Nine in Albert Ou and Jasmine Tong’s bedroom.

What did they see?

Jijiu is sitting in front of Jasmine Tong’s dressing table.

Jasmine Tong’s make-up was messed up all over the place, while Nine-Nine’s face was already as colorful as if she had opened a dye shop.

“Brother, Brother Seven, come and I’ll do your make-up.”

Sansan hurriedly closed the door, although he had done this before, but after all, he was older now and more or less knew what he could and couldn’t do.

“Ninety-nine, come down brother will take you to wash your face mommy will spank you if she sees you” San San tried to carry Ninety-nine down.

But the fleshy ninety-nine was too heavy for a six-year-old to carry.

Jiju hurriedly waved his hand, "I don't want to go down, it's so much fun here"

"Ninety-nine come down soon, Mommy's going to be mad." Seven also hastened to warn.

"These are from Daddy for Mummy, that's Daddy's, and Daddy's not going to be mad at me" 99 perked up and picked up another lipstick to put on her lips.

"Ninety-nine behave, don't make any more, Seven, you go watch the door, and tell me when Mommy comes."

"Oh" Seven went to the door obediently.

San San managed to coax 1999 down at least once, and then brought her back to 1999's room.

When Jasmine Tong returned to her bedroom, she immediately screamed when she saw her cosmetics and skincare products were all messed up!

I can't take anything off the whole dresser.

Several lipsticks had been broken, the colors in the eye shadow all mixed together, bottles and cans fell on the floor quite a bit, in short, none of the good stuff!

Who else would have the nerve to do that but a bear?

Jasmine Tong first thought of ninety-nine, Xiao Qi is very good, this kind of thing is never done, thirty-three years old, women's cosmetics are not attractive to him, the only one who might do this is ninety-nine.

Jasmine Tong picked up the ruler and went straight to Nine-Nine's room.

When Jasmine Tong opened the door to Nine-Nine's room, she saw San San and Xiao Qi standing upright and smiling brightly at her.

"What are you two doing?"

"Mommy, I'm sorry, I'm the one who broke your makeup, you can beat me up." Sansan reached out his hand directly.

"You did it,"

“I did it,” replied San San very firmly.

“What about ninety-nine?”

“Nothing to do with Ninety-nine.”

Jasmine Tong shook the ruler, “San San, don’t take the blame for her, I know it’s her, let her out”

“Mommy, she really didn’t do it, I did.”

San San put her small hand in front of Jasmine Tong.

Chapter 781

.

Because it wasn’t just once or twice, Jasmine Tong knew that San San always liked to take the blame for 1999.

Jasmine Tong turned to Xiao Qi, “Xiao Qi, Mommy asked you who messed up Mommy’s dresser”

Seven hung her head then shook her head, “Not me.”

Jasmine Tong knew that Xiao Qi was timid, so she could only look for a breakthrough from Xiao Qi.

“And did you tell Mommy who was the brother?”

Xiao Qi looked at San San, who was giving Xiao Qi a vigorous wink, an action that naturally couldn’t escape Jasmine Tong’s eyes.

“Seven, you have to tell the truth, Mommy doesn’t like lying children.” Jasmine Tong was immediately stern.

“No.” Seven replied immediately.

San San glared at Seven, “You traitor.”

Jasmine Tong slapped San San’s head with her palm, “I’ll find that culprit first, then I’ll deal with you later.”

When Jasmine Tong opened the door to the bathroom, she found 1999 sitting on the toilet, her face so colorful that she could open a dye shop.

Jasmine Tong covered her face with one hand, is this her daughter?

Why does her daughter look like this when she was such a good girl?

Jasmine Tong very ungently washed the ninety-nine's face clean, she really didn't want to clean her up, and was worried that adult cosmetics were bad for children, which was why she cleaned her first.

In the end, Jasmine Tong carried the ninety-nine back to her bedroom, where the dresser remained untidied.

"Stand still,"

Nine stood facing the dresser, still smiling and laughing.

"Still laughing not allowed to laugh "Jasmine Tong did not even dare to look at her dressing table, for a woman, the skin care products and cosmetics on the dressing table is really too important things.

Jasmine Tong moved a chair and sat in front of Nine-Nine, "Nine-Nine, didn't Mummy tell you that children are not allowed to touch adult things, they have to ask an adult and get permission before they can touch"

Jijiu tilted her head to look at Jasmine Tong, "But I've asked ah."

"Who did you ask?"

Jasmine Tong would like to know which maid had the nerve to let Nine-Nine touch her cosmetics.

"I asked Dad."

"When did you ask daddy if you dared to lie" Jasmine Tong slammed the ruler down on the table with a very crisp sound.

"I forget when I asked yah, anyway daddy was agreeing, daddy said I am daddy's sweetheart, daddy's stuff is my stuff, daddy bought all this stuff for you, that's daddy's yah, it's daddy's, it's mine yah I touch my own stuff, why do I have to ask"

Jasmine Tong was shaking with anger at the ninety-nine comments, and Albert Ou actually instilled such thoughts in her

“Who says your daddy bought these for me, these are my own.”

“But you’re using Daddy’s money.” “Using Daddy’s money means Daddy bought it.” “Ninety-nine” is a rallying cry.

“Who says I’m using his money and I make money too, okay? I bought all this stuff myself.”

Jasmine Tong is simply going mad, why is she arguing with a little kid about this?

Jijiu showed a mean look, “You don’t have a company, how will you make money.”

“I make money making movies” Jasmine Tong growled, she never thought she would argue with her own daughter about whether she made money or not.

“Ninety-nine, you don’t think you’re lawless just because your father spoils you, even if all these things were bought with your father’s money, they’re my things and you don’t get to touch them because legally every penny your father makes is half of mine and all you spend is both of our money understand?”

Jijiu pondered carefully, “What is a French donkey a small donkey?”

The first thing you need to do is to get up and walk around the room for a few times, you really can’t communicate with your daughter.

“Anyway you just can’t touch these things here mommy, they’re all bought with money, you’re wasting it you know.”

“Dad’s got a lot of money. He can buy new ones.”

Nine spread her hands out really didn’t understand why her mommy was so grumpy.

“Is your daddy’s money a big windfall and the fact that these are chemical things with ingredients that aren’t even suitable for children you’re too young to be using them understand.”

Jiju still looked as if he was indifferent, and simply said “Oh”.

“You stand here and reflect on the fact that you’re casually touching adult things and making such a mess isn’t wrong when you think about it, I’ll talk to you about standing up straight.”

Nine immediately puffed up his chest.

Jasmine Tong looked at her like this and walked out, she still had her son waiting to teach her a lesson

As soon as I pushed open San San and Seven’s room, I heard Seven crying.

“What’s going on?”

Xiao Qi ran over to Jasmine Tong as soon as she saw him coming, “Mommy, my brother is bullying me.”

But San San gave Seven a blank stare, “When did I bully you?”

“He called me a traitor,” Seven rushed to confess to Jasmine Tong.

Xiao Qi drew a tissue and wiped Xiao Qi’s tears, “Well don’t cry, a man is not allowed to shed tears, how big of a deal.”

“It’s just a little thing, crying and crying like a girl”

“You shut up did I tell you to talk?”

Why is it that she didn’t even let one of her own births save her life, but instead she was much more obedient.

“Okay, Seven, go out and play, there’s nothing for you to do here.”

Seven’s ass ran out of the room, and it wasn’t his business in the first place anyway.

Jasmine Tong sat in her chair and looked at San San, who smiled two silly smiles at Jasmine Tong.

“You still have the nerve to laugh, San San didn’t see that, quite the hero.”

“Not bad, at least a man.”

When she heard the word “man”, Jasmine Tong was actually a bit devastated, is it appropriate to always call yourself a man at such a young age?

“I’m asking you, why do you always have to take the blame for Nine-Nine when it’s obviously not you, you always carry the load for her, it’s not once or twice anymore, San-San, it’s not right for you to do that”

Jasmine Tong must correct everyone’s opinion that spoiling Nine-Nine like this will only harm her.

“Why not? Ninety-nine is my sister, it’s my brother’s duty to protect my sister, and it’s also a man’s duty to protect a girl.”

Sansan said with a small pat on his chest.

“That’s true, but you can’t protect her when Ninu does something wrong, you should correct her and tell her what’s right, that’s what a brother should do”

“She’s so young, it’s normal for her to do things wrong.”

Chapter 782

“It’s because she’s so young that she’s done something wrong that needs to be corrected and if she’s not corrected now, she’ll do more wrong, bigger wrong in the future.”

Jasmine Tong’s heated rhetoric is so strong that she’s mad at her own son.

But despite the fact that Jasmine Tong was on the verge of collapse, San San still had her own reasoning.

“Yeah, you said yourself she’s too young, so you can’t hit her or yell at her, I’ll just be in charge from now on, so you don’t have to.”

San San was simply like an adult, always adult in tone, making Jasmine Tong want to both cry and laugh.

“You’re in charge of her you’re in charge of her, can she still want it I’m simply mad at you” Jasmine Tong poked San San’s brain, “Anyway you have to promise me that 99 has done something wrong, you must hide it for her, no taking the blame for her”

“Then you also have to promise me that if you do something wrong in 1999, you’re not allowed to hit or yell at me.”

“Hey you son of a bitch, I discipline my own daughter, when is it your turn to do so”

“Then it’s not your turn for me to discipline my own sister.”

First Jasmine Tong was so angry at Nine-Nine that she was about to vomit blood, and now she was so angry at San-San that she was about to vomit blood.

She looked at her son and saw that he was speechless, but her mind couldn’t think of any reasoning, any language that could be used to speak to him.

Mother and son are at an impasse.

On the other hand, after standing for a short while, Nine-Nine felt her calves getting sore, mainly because it’s too boring to stand like this all the time.

She turned to look at the door, Mummy had no intention of coming back, and no one was watching her anyway, so she could simply play for a while.

But what are we playing?

Jiu Jiu’s eyes locked back on the cosmetics that he had messed up.

Jasmine Tong really couldn’t convince San San, and finally left San San’s room with a stern face, and when she opened the bedroom door, she was completely shocked by the sight inside

And what about the culprit?

Jiu Jiu is holding a lipstick, ready to go to the next target.

“Ninety-nine, what are you doing?”

“Hee hee hee,”

Jasmine Tong was really furious this time, because she couldn’t stand it any longer

As soon as he got back from work, he listened to the maids say that Jasmine Tong was throwing a tantrum, and he knew that it must be 1999 that was in trouble again.

As soon as he reached the upstairs, he heard a yell from Jasmine Tong, and he quickly came to the bedroom, seeing the messed up dresser as soon as he entered.

“What’s going on here?”

As soon as Jiu Jiu saw that Albert Ou was back he quickly dropped the lipstick in his hand, “Daddy, you’re back, I missed you so much.”

Just as 1999 was about to run towards Albert Ou, Jasmine Tong immediately snapped, “Stand there and don’t move.”

Ninjou immediately stood his ground.

Jasmine Tong pulled Albert Ou over to the dressing table, “You came back just in time for you to see what she got”

Albert Ou smoothly hugged Jasmine Tong’s waist, “It’s just some cosmetics, I’ll buy you new ones later, she’s still young and ignorant, she’s curious about these things.”

“What about this one” Jasmine Tong pointed to the wall of the big bed

Albert Ou was stunned when he turned his head.

On that wall of the bed hung the wedding photos of the two of them, which were now all smeared with lipstick, especially Jasmine Tong’s face.

And the entire wall but everything this little kid could reach was a colorful mess, made with eye shadow as well as nail polish by visual inspection.

“And this,” Tong pointed her finger at another wall again.

The wall wasn’t spared, and the top became a personal graffiti wall of ninety-nine, which can no longer be described as a mess.

And the bathroom door, because the door is white and slightly colored to show it.

There are many display tables in the room with photos of Jasmine Tong and Albert Ou, including wedding photos and some life photos, and as a result, Jasmine Tong's face is all painted on these display tables.

"Nine-nine you're too much" Albert Ou finally paled, then he smiled again to coax Jasmine Tong, "Don't be angry with the kids, I'll ask someone to clean it up later."

"Don't you touch me you'll just spoil her all the time Albert Ou, you listen to me, if you don't teach your precious daughter a lesson today, you'll never come into my room again."

Albert Ou looked at their bedroom and muttered, "Isn't this just our room, and isn't this unlivable?"

Jasmine Tong is simply going to be mad when she hears this, her daughter is against her, her son is against her, and now Albert Ou is against her.

"Albert Ou, you son of a bitch."

Jasmine Tong walked out of the bedroom without looking back, but she found that there was nowhere she could go but her bedroom, so she found a random guest room and got in, locking the door.

As soon as I walked in the door, I sat down on the floor and bawled my eyes out.

Albert Ou chased after her and stood at the door of the guest room and heard Jasmine Tong's cries.

He hadn't seen Jasmine Tong cry in a long time.

"Jasmine, open the door, I know it's wrong, she's still young, don't you dare treat her like that"

"You get out of here I don't want to see you" Jasmine Tong cried and cried in the room.

She hugged her knees as Albert Ou knocked on the door, and for the first time she felt so defeated.

Nine-Nine destroys not only her makeup, her skin care products and her bedroom, but also her dignity and authority as a mother.

Why is she such a loser?

She was beginning to regret why she had insisted on having a daughter in the first place, two sons would have been nice, wouldn't they?

"Jasmine Tong, you deserve it. You really brought this on yourself."

After yelling at Jasmine Tong, she continued to hug herself and cry.

Outside the door, Albert Ou was simply dying of anxiety, listening to Jasmine Tong's heart-breaking cries.

Just at this time Meng Rujiao came over, Jasmine Tong cried very badly can be heard very clearly outside the door.

"Cry me a river, I knew it."

"You don't talk sarcasm" Albert Ou glanced at Meng Rujiao.

"I said what sarcastic words I said the truth on your family so precious daughter really should be disciplined discipline, she speaks can make people angry you are just too spoiled her."

Everyone else said that about Nine-Nine, including Jasmine Tong, who had told Albert Ou more than once, but Albert Ou always felt that his daughter was not like that.

She is very cute, rather funny, sweet-talking, and at best a bit of a people person.

When he's at home, Nine-Nine sticks to him and basically doesn't spend time with Jasmine Tong, so Albert Ou has never seen Jasmine Tong and Nine-Nine alone together.

"The first thing you need to do is to take a look at the newest models of the newest models, the newest ones."

## **Her Bossy Yet Naive CEO Chapter 783 - 785**

## Chapter 783

Albert Ou's heart was broken even as he listened to Jasmine Tong's cries, he couldn't remember the last time his wife had cried like this because it had been so long ago.

He punched his hand and went back into the bedroom in a rage, and Ninety-nine was not going to stay punished in peace and was about to crawl into bed, wondering what the hell he had come up with again

"Get down here."

Seeing that the bedroom that was so warm and inviting in the past was now like this, Albert Ou also felt that 1999 was a bit too much this time.

As soon as Jiu Jiu climbed onto the bed and turned around to see only Albert Ou returning, he immediately turned around and opened his arms.

"Daddy, hug."

Looking at his daughter's adorable appearance, Albert Ou's hand is a bit itchy again, he can't stand her pampering the most.

He tried to control himself from reaching out to hug her.

"Get down yourself."

Although Jijiu was just three years old, she was the most observant person in the family, and when she saw Albert Ou's face was not right and his tone was so bad, she immediately wiggled her little buttocks and slid off the bed.

"Daddy, what's wrong with you, let's go out and play, okay?" ninety-nine as soon as she came down, she launched a petulant attack on Albert Ou hugging and shaking Albert Ou's thighs.

"Stand still for me" Albert Ou froze and pushed her away from himself.

The first thing you need to know is that you can't be sure that you're going to be able to get the right amount of money.

Watching Ninety-nine about to cry, Albert Ou's heart was also torn.

"Don't cry."

Jiu Jiu hardened her mouth and closed her eyes at Albert Ou.

“Do you know what’s wrong today?”

I’m not sure if I’m going to be able to do that, but I’m not sure if I’m going to be able to do that.

Because Nine-Nine never admits fault with her, only talks back to her.

“Don’t ever do that again, do you hear me?”

Nine nodded tautly.

“Go to your own room and stand there for an hour and reflect.”

Jijiu sobbed as he walked out of the bedroom, Albert Ou looked at his daughter’s back as she left, and his heart was breaking like this, he went back to the guest room to look for Jasmine Tong.

As a result, he found the door to the guest room open and couldn’t find Jasmine Tong inside anymore.

A maid came over to tell Albert Ou that Jasmine Tong had gone out in a car.

Albert Ou patted his head, guessing that Jasmine Tong would have to go back to the Huo family if she was wronged, after all, the Huo family is her mother’s home, but he really resented the fact that Jasmine Tong went back to the Huo family whenever something happened.

Albert Ou took out his cell phone and called Jasmine Tong, who didn’t answer.

This made Albert Ou even more annoyed that he had reprimanded his daughter for the first time, he was already in a bad mood and felt that Jasmine Tong had gone a little too far back to her mother’s house.

He immediately sent a WeChat to Jasmine Tong: “went back to his mother’s house to sue again isn’t there something you can’t talk about properly?”

He finished his message feeling that he didn’t sound too good, and withdrew and re-sent, “I’ve trained 99 to go to the punishment station, where are you, I’ll pick you up, don’t get mad at me okay.”

But Albert Ou's first message was read by Jasmine Tong.

When Albert Ou called, Jasmine Tong was staring at the screen hesitating to answer, so when Albert Ou's first message was sent, Jasmine Tong saw that it was too late for Albert Ou to withdraw.

Seeing Albert Ou's first message, Jasmine Tong's heart grew sadder and sadder.

She didn't intend to go back to the Huo family, she always felt it wasn't good to go back all the time, and she didn't want to worry her uncle and aunt, she just wanted to come out for a walk.

I didn't realize that in Albert Ou's eyes, she was going back to her mother's house to sue.

It wasn't even clear that she could think about it, and she found herself with little to go to other than her home and some places at work.

I thought long and hard about asking Munchausen.

When she saw Jasmine Tong, whose eyes were swollen like walnuts, in the cafe, Meng Jiajia was also shocked.

Jasmine Tong told Meng Jiajia what had happened.

"My mother, this little devil king of your family is about to become a sperm"  
Meng Jiajia is also very surprised, "I said you don't not like to listen, although they say to be poor to raise sons and rich to raise daughters, but this rich to raise daughters is very delicate, is not so spoiled, just so spoiled, in the future still have to be"

She also often reads books on parenting.

"Of course I know, but what can I do now? Today I'm simply mad as hell."Tong rubbed her temples, thinking of the way her home looked and what her child had said to her, and she got a headache.

"This teaches the child that if it's a boy, the mother has a very important job to respect and worship her dad, and if it's a girl, the dad has a very important job to respect and worship her mom."

Munchausen had children earlier and has a lot of experience with bringing up children.

Jasmine Tong carefully mulled over Meng Jiajia's words and felt that they made sense, "But what's the use of me knowing these truths you haven't seen, the look and tone of my Nine-Nine talking to me, she even looks like my rival, deliberately putting on a show for me as if Daddy loves her very much."

"Albert Ou is indeed too used to it."

"not only spoiled, sometimes I just finished education, there began to coax on, what I said all in vain key is my son also spoiled, the whole a spoiled sister fanatic, everything is carried for her, sometimes I think, I am so redundant in this family ah, or I leave well."

Munchausen suddenly slapped the table, "Just do it."

"Ah,"

"Didn't you just say you were leaving the house?"

Jasmine Tong face color, "Sister Jia Jia, I'm talking out of breath, my three children, how do I go you can't see that I've been working very, very little lately, an elementary school, a going to kindergarten, clothing, food, housing, transportation, where can I leave me"

"Just because you can't leave, you have to leave, so they know how important you are in the house. Albert Ou works during the day he doesn't know how busy and tired you are managing three kids, so it's okay for Ninu to contradict you."

Jasmine Tong listened carefully to Meng Jiajia's words.

"And your son, because he's older, he thinks he doesn't need you anymore, so he's cold towards you, especially your little girl, because Daddy spoils her and she's close to him, so she doesn't think Mommy is necessary either."

But really, Jasmine Tong really can't make up her mind about this, she has been thinking about her three children and Albert Ou, even if she leaves, she won't be able to leave happily.

“Don’t hesitate, it’s just that I don’t have anything to do for a few days, so the two of us will go to Thailand for a few days and you, the mother of three, will give yourself a vacation.”

## Chapter 784

To Jasmine Tong’s amazement, Meng Jiajia’s speed was amazing, and she booked her tickets and website in a hurry.

Not even needing Jasmine Tong to prepare her luggage, two hours later, Meng Jiajia dragged Jasmine Tong onto the plane.

When Meng Jiajia got on the plane, she posted a photo with Jasmine Tong with the comment: this woman who has been with her three children all day finally dragged on the plane to go on vacation by me, go

Jasmine Tong retweeted Meng Jiajia’s tweet: a trip to say goodbye.

Albert Ou’s side was also a little anxious about the delay in receiving Jasmine Tong’s WeChat message, and just as he was about to continue sending WeChat to Jasmine Tong, Weibo sent a push message.

Knowing that Jasmine Tong hasn’t sent a microblog for a long time, Albert Ou immediately opened it to see that the woman didn’t go back to her mother’s house, but went to Thailand with Meng Jiajia

At this rate.

I thought to myself that it would be better if she went out for a walk, but I’d rather not bother her.

Albert Ou went to Nine-Nine’s room, knowing that Nine-Nine wouldn’t be so obedient, and probably probably wouldn’t have been able to hold it together long enough to go to bed.

But when he pushed the door open he found the little brat standing facing the wall.

“Ninety-nine.”

Hearing Albert Ou’s voice, 1999 started to sob quietly, and when Albert Ou squatted down, the golden beans in 1999’s eyes fell down.

“Daddy, you don’t love me anymore,” and then Ninety-nine cried out, a cry that tore her heart out, and the golden beans went down in a series of cries.

Albert Ou’s heart was already broken when he saw how sad 1999 was crying, and he couldn’t stand Jasmine Tong crying before.

He rushed to sit on the bed with 1999 in his arms, “How could Daddy not love you?”

“Daddy, you just don’t love me anymore, you’re mean to me.”

“And that’s not because you made a mistake.”

Jijiu cried even more when she heard this, crying Albert Ou’s hands and feet, “Okay, okay don’t cry, daddy is wrong, daddy won’t be mean to you in the future.”

Jiu Jiu wiped her hands on her tears and looked at Albert Ou, “Do you keep your word?”

“Of course it counts, no more crying.” Albert Ou drew a tissue to wipe the tears of 99, and only then did 99’s crying gradually stop.

“Daddy, I’m going to sleep with you today.” Jiu Jiu twitched and looked at Albert Ou, that pitiful little face not to mention how heartbreaking it was.

Albert Ou thought to himself that Jasmine Tong had gone to Thailand anyway, so he simply agreed to let 1999 sleep with him.

Since the bedroom was messed up like that, it would probably take some time to restore it, so father and daughter stayed in the guest room.

Only the next few days really gave Albert Ou a taste of what it would be like to live or die.

Since she has been fierce, Nine-99 has become more clingy, and without Jasmine Tong at home, Nine-99 has to spend time with Albert Ou all the time.

The next day the maid rushed to report, “Sir, the young master has a fever.”

The young master in the maid’s mouth is Xiao Qi, Xiao Qi this child from birth health is not good, plus never breastfeeding, health is even worse, sickness is almost routine.

Albert Ou frowned and asked, "How many degrees."

"Thirty-eight degrees."

"Let's physically cool him down first."

After breakfast Albert Ou went to his room to check on Seven, who had a very high fever and was probably catching a cold.

Albert Ou looked like he couldn't leave, and Jasmine Tong wasn't at home, so he had to call the company to give an account of some things and then stay home.

Until noon, Seven's fever got even worse, and Albert Ou had to call a doctor.

The doctor prescribed medicine for my throat, saying it was a bit inflamed, so I'll try some first.

Albert Ou had gone to the study to take care of some urgent paperwork, and was just about to come back to check on it when he heard the cries coming from the room, which were like killing pigs.

"How come you can't even feed a medicine properly" Albert Ou yelled at the maids as soon as he entered the room.

Several servants guarded Seven, one with a sad face.

"Sir, this used to be the wife's medicine, the young master only listened to the wife, we can't do anything about it," the maid also very helpless.

"I'll do it."

Albert Ou snatched the spoon away, the children's medication was of the flush variety, it was impossible for him to drink it himself, so he had to feed it into his mouth spoonful by spoonful.

"I want mommy" cried Seven as she cried out, coughing twice now and then.

"There's no mommy here, drink the medicine" Albert Ou was able to be subtle at first, but he had a headache from Seven's crying, and his patience was wearing thin, so he had no good attitude.

He's usually a good boy, but when he's sick, he's not easy to handle. He spilled half of the medicine in the small cup.

Even Albert Ou's body was covered in drug stains.

"You hold him down" the maids rushed forward to help.

In the end, it was Albert Ou who force-fed it, but within five minutes of drinking the medicine, Seven threw it all up because she was crying too much.

have exhausted one's previous achievements

Albert Ou had no choice but to order the doctor back to see if there was any other way, and the doctor could only say that it would have to be an injection.

Once again, Seven's pig-killing cries came at the news of the injection.

"I don't want a shot. I want a mommy. I want a mommy hug."

Albert Ou held Xiao Qi up, "Are you a man ah how so love to cry forbidden to cry again medicine you do not drink, can only give you an injection, I'll hold you for an injection, OK?"

"No, no, no, no, no, don't take the shot, daddy."

It was because he had been with them since birth and had already been attached to them, or else Albert Ou would have wanted to throw him away when he thought of the one in his arms who wasn't even his own child.

The doctor had prepared the syringe, and Albert Ou saw no way to put Seven on the bed, and several people pressed him together, finally finishing the injection.

"Ou, a child's temperature won't come down if he always cries like that, you have to do something to stop him from crying, and his throat is already inflamed, crying like that will only worsen the inflammation."

Albert Ou really tried countless ways to finally get Seven to stop crying, he was probably tired of crying too and then fell asleep.

Albert Ou realized that his back was already wet, not realizing that a son had gotten him all worked up.

The next morning, Seven's condition improved, and the company still had work to do, but 1999 insisted on following him and wouldn't leave a step.

Albert Ou had to bring Ninety-nine to the company, Ninety-nine was not the first time coming to the company and was more familiar with the place.

But Albert Ou was preparing for a meeting or didn't trust her alone in the office, so he got a female secretary from the secretary's department to keep an eye on Nine-Nine.

The new secretary, Zhong Yan, is very pretty and has a great body, and everyone in the company says that Zhong Yan is a rare creature.

Chapter 785

"Just keep an eye on her from here, all your work today can be given to someone else, if anyone has a problem with it, just say it's my order, and if 1999 is bored, take her out for a walk, but she's not allowed to leave the company building."

Albert Ou carried out the instructions one by one.

"Okay, Mr. Ou, don't worry about going to the meeting, I'll take care of Miss Nine-Nine."

Albert Ou nodded his head and touched ninety-nine's head, "Daddy's gone to a meeting, so be good and wait for Daddy to come back."

"I know, daddy, love you, yo" ninety-nine kissed Albert Ou on the cheek.

This is going to be so sweet.

Albert Ou, who had been exhausted by Seven's illness, seemed to be filled with infinite strength at once.

Albert Ou dropped off the ninety-nine and went to the meeting.

Zhong Yan actually had a huge headache, how could a girl her age like her like children, but it couldn't be helped, the other party was CEO Ou's little princess.

"Auntie, you're so pretty" 99 looked up at Zhong Yan.

A word of praise that made Zhong Yan a little embarrassed, it seems that the little princess of Chief Ou's family isn't as easy to get along with as she thought.

"Yes?" the clock face crouched down to look at the ninety-nine.

"Aunty, your lipstick is a beautiful color, it suits you oh."

Nine-hundred and ninety-nine is a little guy who talks about myths and ghosts, which Jasmine Tong knows very well, so everyone likes Nine-hundred and ninety-nine very much.

"Auntie's lipstick isn't a big deal, how can it compare to your mommy's lipstick?"

Jijiu showed a scowl, "My mom's lipstick isn't good either, it doesn't look good at all, and my mom is old, she's not as young and pretty as auntie."

Zhong Yan naturally knows about Jasmine Tong, who is an international film queen, and her films as well as her TV series are severely reduced after she got married and had children, but almost every one of them is a classic and every one of them wins awards.

The newest member of the team, Mr. Kurt Russell, is the first to be appointed as the newest member of the team.

"You're so sweet, 999, wait for me."

Zhong Yan returned to the secretary's office and took out a box of candy from her own drawer, which was a wedding candy from her friend's wedding last time, and she hadn't eaten it because she was on a diet, but now it came in handy.

Ninety-nine was so happy when she saw a box full of candy.

"Wow what a beautiful candy."

The candy is really beautiful, Zhong Yan's friend is married to a rich second generation, the whole wedding was held like a fairy tale world, even the candy is very fairy tale color, it is said to be customized by a company.

But Jong Yan doesn't think that a family like Albert Ou's would be able to see such candy in 1999.

“Ninety-nine, if your family is that rich you must have seen better candy than this.”

Jijiu looked a little upset as she left her mouth, “No way, my mommy won’t let me have a candy, and only allowed me to have one for several days.”

“So, then you’re so poor, candy is for kids, poor kids who can’t eat candy.” Zhong Yan stroked Nine-Nine’s little head.

“Yeah oh, I’m so poor, my mom’s a bad person, she just won’t let me eat candy.”

“Then this candy will all be yours” Zhong Yan handed the candy to 99.

Jijiu is so happy that she’s flying.

“Really auntie, you’re just so nice, like an angel sure looks like a nice person.”

Zhong Yan was so praised that he didn’t even know what to do, this little guy’s mouth was simply too sweet.

Albert Ou’s meeting was so important that it lasted all morning, and at lunchtime he sent someone to call and ask Jong Yan to take Nine-Nine to the company’s restaurant for lunch.

Zhong Yan took it upon herself to take Nine-Nine to the restaurant and had Nine-Nine order a whole bunch of delicious food.

The fried foods on the table are all Nine-99’s favorites. Jasmine Tong has always been very strict with Nine-99’s diet, which is why Nine-99 always has a problem with Jasmine Tong.

“Auntie, that’s very kind of you I haven’t had so much good food in a long time.”

“Yeah? Then you’ll eat more of it.”

“It would be perfect if we had an ice cream after dinner,” said 1999, clapping her hands.

“No problem when you’re done Auntie will take you for ice cream.”

Jijiu clapped his hands, he was even happier than with his dad.

Although Tong is very strict in her diet, Albert Ou also agrees with Tong's approach and will control what she eats, as she is already fat.

It was also only occasionally when 1999 got so much noise that Albert Ou would make an exception and buy her some.

On the way back, Jong Yen crouched down and looked at Nine-Nine, "Nine-Nine, if your daddy asked you today what we ate, what would you say?"

Jijiu's little eyes darted around, "I told you we went to the restaurant for dinner."

Zhong Yan was beaming with joy, this little girl was too clever.

"So did Auntie give you candy and ice cream?"

"No."

"Great,"

"Auntie, don't worry, I won't betray you, next time I come over, you have to promise to give me back my sweets and take me to eat something delicious."

"Okay, pull the hook."

When he got back to the office, Albert Ou was back as well.

Jiu Jiu bounced and ran to Albert Ou, who picked up Jiu Jiu, "What's to eat."

"To the restaurant for dinner."

"Good work, Secretary Chung." Albert Ou thanked Jong Yen.

"You're welcome, Mr. Ou, it's what I should do, Miss Nine-Nine is just too cute, so I'll get back to work." Zhong Yan walked out of the president's office after waving his hand towards 1999.

Albert Ou didn't have a meeting in the afternoon, but there was a big pile of paperwork, and 1999 made a nuisance of sleeping in the lounge.

"Nine-nine, stop it, daddy has a lot of work, when daddy finishes his work, I'll take you out for a nice dinner tonight, okay"

“Daddy, come play with me for a while.”Ninjou pulled on Albert Ou’s hand and didn’t let go.

Father and daughter were at an impasse when Russel Cheng knocked on the door and walked in.

“Mr. Ou, the young master’s school called and said they want you to come to the school.”

“What’s going on at the school.”

The San San School left two phone numbers, one for Jasmine Tong and one for Albert Ou’s secretary. Jasmine Tong went on vacation, so I guess the teachers couldn’t get in touch with her, so I had to contact Albert Ou.

“It seems that Young Master got into a fight at school, and the teacher said it’s pretty serious, so I want you to go there as soon as possible.”

Albert Ou was really worn out and already tired, and here he had to go to school.

As he was staring at his huge pile of papers, his own phone rang, and it was a call from home.

“Sir, it’s not good, the young master has a fever again.”
