## Chapter 33: Going too far

“I think her name is Nian Yue. She grew up in the countryside, and because her grades were too poor, her father was worried that she wouldn’t be able to get into university, so he spent money to send her to No.1 Middle School,” another girl added.

“That’s her. She pushed Yan Yan into the swimming pool yesterday, right?” another girl asked.

From beginning to end, Nian Yue did not even look at them. She washed her hands, took a tissue and wiped her fingers clean one by one.

“Hey, are you Nian Yue?” The few girls who were whispering earlier had already surrounded Nian Yue.

“What’s the matter?” Nian Yue raised her eyebrows and only raised her hand slightly after she had wiped her jade-like fingers clean. The tissue in her hand had already entered the rubbish bin accurately.

“You were the one who pushed Yan Yan into the swimming pool yesterday, weren’t you?! Yan Yan was kind-hearted and asked us to take good care of you in school. In the end, this is how you repay her!” The girl in the lead was furious. “A sister like you is really an ingrate!”

Almost without thinking, the girl raised her palm to slap Nian Yue!

Nian Yue’s lips curled up slightly. She reached out and grabbed the girl’s wrist almost immediately!

Her slender and fair fingers exerted a little force and the girl immediately screamed in pain. “Ah! It hurts! Let go of me!”

"I don't blame you for being Nian Yan's sidekick at such a young age." Nian Yue sneered, her eyes turning sharp in an instant. "But ignorance is not an excuse for your crime..."

She suddenly remembered that before school started, these girls had bullied the Host.

"What are you guys waiting for! Hurry up and catch her!" The girl in the lead looked like she was in pain. Nian Yue didn't seem to have used any strength, but her wrist hurt like hell.

The girls looked at one another and surrounded Nian Yue. They wanted to ambush her!

However, before they could touch Nian Yue, the cold girl had already dodged to the side. Then, she grabbed the girl closest to her and pushed her onto the ground!

"Nian Yue!"

One of the girls lifted the trash can from the ground and threw it at Nian Yue!

"Go to hell! How can a parasite like you compare to Sister Yan Yan?"

The girl's face was filled with disgust as she threw the rubbish bin at Nian Yue!

"Heh..."

Just as she was about to hit her, Nian Yue smirked. Then, she grabbed the girl's hair and pushed her into the sink!

She turned on the tap and water splashed onto the girl's head. The water in the sink was splashed all over and the girl struggled in the water. "Wuwuwu... Nian Yue... let go..."

All of a sudden, her head relaxed. The girl felt as if she could breathe in fresh air, but she felt her head sink as she was pressed into the pool again.

After a few rounds, the girl looked like she had already died and no longer had the strength to struggle.

Only then did Nian Yue let go of her hand lightly. The girl had already collapsed on the ground like a pile of mud.

The other girls had been shocked by Nian Yue's series of actions for a long time.

"Next time, you'll be like her. Understand?"

Nian Yue glanced at the few of them and the smile on her lips had a hint of evilness.

The few of them immediately nodded profusely and watched as the girl disappeared nonchalantly from the bathroom.

It was too scary, too scary.

They had no doubt that Nian Yue wanted to kill that girl just now.

When Nian Yue arrived, the field was already packed with people.

Someone had spread the news that there was a match between Class A and Class B today, so everyone, regardless of whether they had classes or not, came over to join in the fun.

The field was surrounded by a group of people. Lin Nan and Chen Yiran were in the middle. Chen Yiran looked at Nian Yue expectantly. It had been a few days since they last met, and Nian Yue seemed to have become prettier.

Her face was as fair as jade and her eyes were as cold as ever. However, from beginning to end, Nian Yue walked straight to Class A.

Chen Yiran suddenly realized that he had been anticipating Nian Yue. He must be crazy!

“Nian Yue, you’re here?” Lin Nan greeted Nian Yue when she saw her.

Nian Yue nodded at him as if she was not interested in such competitions. She lowered her head and put on her earphones as she started another game.

On the other side of the field, the basketball match was in full swing. Even though Class A was giving it their all this time, they could not withstand the fierce fighting from Class B’s group. Furthermore, there were always a few people teaming up to snatch the ball. Anyone with a discerning eye could tell that these people were using despicable methods.

Finally, the first half of the competition ended. Class B had one more point than Class A and crushed Class A with an absolute advantage.

During the intermission, Lin Nan took off his school uniform and received a bottle of water from a girl. He did not look too good.

“Brother Lin, those brats from Class B have gone too far...” Wang Le was also infuriated by the way the people from Class B fought.

It was obvious that they were bullying him with numbers, but they could not do anything!

This was the most aggrieved match Class A had ever had!

“I know...” Lin Nan took a sip of water.

On the other side, the students of Class B were cheering. Someone saw Nian Yue and whistled at her, saying vulgar words, "Chen Yiran, isn't that Nian Yue? She's even prettier than her sister. Have you tasted her?"

The aloof girl lowered her head, leaving only her side profile.

Even so, that face was still so beautiful that it made one's heart race.

There was no lack of pretty girls in No. 1 Middle School. However, there were very few girls who were as cool as Nian Yue.

Chen Yiran glanced at Nian Yue. She was playing games expressionlessly with her head lowered. It was as if no matter how loud the noise outside was, it would not affect her.

"Hey, you are insulting us by saying this. Our school hunk is taken. How can he fall for that country bumpkin?" Another boy stared at Nian Yue lecherously.

This boy relied on his family's wealth and often fooled around outside. He changed girlfriends more frequently than he changed clothes in school.

"Nian Yue!"

The boy suddenly shouted in the opposite direction. His voice was very loud, and the noisy field instantly quieted down. They simultaneously looked in Nian Yue's direction.

Nian Yue was sitting on the steps. One of her ears was wearing earphones, and the other earpiece hung loosely in front of her chest. She lowered her head and was swiping her phone.

Hearing the shouts, Nian Yue then looked up unhurriedly. There was a thick fog in her eyes and she asked, "What's the matter?"

She asked with an indescribable indifference.

## Chapter 34: She Will Help Us Win

The boy's eyes widened. He had not expected Nian Yue to be so good-looking!

With that face of hers, she might even surpass a television celebrity, let alone Nian Yan!

"What's the point of following Lin Nan? Why don't you follow me?" The boy whistled obscenely. "I heard that you live in the Nian family like a servant. If you become my girlfriend, I can let you do whatever you want in school... Bang!"

The boy was beaming with joy when a basketball hit his face!

The impact of the basketball was so strong that the boy took a few steps back and fell to the ground!

The crowd was in an uproar!

Then, there was laughter!

The boy's face turned black as he got up from the ground with a red face. Only then did he see that the girl who was sitting just now had already stood up. She had taken off her school jacket, leaving only a white T-shirt.

"This bastard second-generation heir, I'm going to kill him!" Lin Nan moved his wrist and brought Wang Le along. The group of people were about to rush over and beat him up!

Lin Nan was a casual person to begin with. He agreed to compete with Class B compete because he was too bored.

However, this did not mean that he could watch his classmates being bullied by others.

“You don’t have to.”

Nian Yue made a stop motion and exerted a little force with her toes. The basketball under her feet had already landed steadily in her hands.

“Is the second half of the competition about to start?” Nian Yue raised her eyebrows and asked.

“You’re not going to play, are you?” Wang Le looked at the basketball in her hand with a look of disbelief.

“Yes I am.” Nian Yue narrowed her eyes and spun the basketball in her hand.

“No, my dear Miss. Do you know that those big idiots in Class B are all sports professionals? I can’t even beat them. A young lady like you will be tortured...” Wang Le was on the verge of tears.

“Heh...”

Nian Yue tossed the basketball in her hand and was too lazy to explain to Wang Le. She asked Lin Nan, “Are you playing or not?”

“Of course!”

Lin Nan hurriedly nodded and followed behind Nian Yue.

Wang Le quickly pulled him back. “This is not a joke. If we lose today’s match, we will have to kneel down and call Chen Yiran ‘Daddy ‘...”

The few of them had been playing basketball together for several years, and their tacit understanding with one another had long been cultivated.

If they could not defeat those people from Class B, it was even more impossible for a young lady like Nian Yue!

“You go off first. Let Nian Yue stand in for you,” Lin Nan instructed and followed Nian Yue onto the stage.

When the other team members saw Nian Yue, their faces were filled with shock. “Brother Lin, are you really going to let her go on stage?”

“Exactly. What does she know?”

“Brother Lin, she can’t...”

“Shut up!” Lin Nan frowned. “She will bring us to victory!”

There was an inexplicable confidence in his voice. It was the faith he had in Nian Yue.

The students from Class B had just suffered a huge loss, but they did not dare to do anything to Class A.

After all, in terms of experience and money, Lin Nan was way ahead of them.

Since Lin Nan was protecting her, they naturally did not dare to say anything.

However, when the second half of the game started, the students in Class B exploded!

“Oh my god, that can’t be, right? To what extent is Class A going to give up on themselves? They actually let the Nian family’s idiot come over to compete for us!”

“She’s at most 1.6 meters tall. Where did Lin Nan get the confidence that she would win?”

“Hey, don’t say that. Maybe Lin Nan has taken a fancy to her good looks and is trying to make her happy...”

...

The group of sports students from Class B laughed out loud. Nian Yue had already walked onto the court and was twirling the basketball in her hand. Her eyes were extremely cold and there was a hint of evil at the corner of her lips.

Jealousy flashed across the eyes of the other girls surrounding the field when they saw that Nian Yue was really on the field.

Everyone knew that she was just a piece of trash from the Nian family, what right did she have to gain Lin Nan’s favor!

“Vixen!”

Soon, the second half of the competition began!

When the Class B students saw that it was Nian Yue’s turn, they became even more arrogant. They surrounded Nian Yue and tried to snatch the ball from her hands.

Initially, they thought that they would be able to crush Nian Yue with their height advantage, but Nian Yue was extremely fast. They thought they could clearly intercept the ball in her hand, but in the next second, Nian Yue was already behind a group of people. With a leap, the ball entered the hoop!

In the following period of time, no matter what Class B’s plans were, the ball would always land in Nian Yue’s hands. Then, it would float into the box!

As a result, in the second half of the competition, Class A won against Class B with an absolute advantage, turning the situation around!

Finally, the competition ended. Class A's students were ecstatic.

They never expected that Nian Yue would win the competition so easily!

"Damn, I'm going to kneel down and call you the tyrant in the future!"

Wang Le ran over crazily. If the situation allowed it, Nian Yue had no doubt that he would lift her up!

"Nian Yue, you're the best!" Wang Zhizhi ran over, her face full of joy!

She knew it. Other than playing games well, Nian Yue was not any worse than her sister!

Nian Yue smirked. She bent down to pick up her coat from the floor and casually placed it on her shoulders. Then, she waved to the few of them. "Let's go."

It was as if it was a piece of cake for her to defeat Class B.

Lin Nan picked up the school uniform on the floor and looked at Chen Yiran, whose face had turned black and blue. Suddenly, he was in a good mood.

Then, he gave Chen Yiran the middle finger!

Trash!

He had not even made up for treating Nian Yue badly in the past, and now he could not take it anymore?

In the last two lessons, Nian Yue was still playing games in her seat. The other teachers were already used to her lazy attitude.

Initially, these teachers had harbored fantasies about her, thinking that Class A would finally have a young lady with good grades who was obedient. However, they had been overthinking.

Even the thornhead Lin Nan became her follower.

Now, these teachers did not have much hope for her, as long as she did not disturb the discipline.

Wang Zhizhi was leaning on the table, studying the new game that had just been released. Someone patted her shoulder, and Nian Yue passed her the phone. The screen showed the page she had cleared.

“You... cleared it?”

Wang Zhizhi gulped. This game had just been developed. Even the developer had to clear it in two days. She had only spent the length of one lesson and passed it easily?

“Yes.” Nian Yue nodded. “It’s not difficult.”

In the post-apocalyptic era, she had been on the battlefield. This kind of simulation game was nothing compared to the cruelty on the battlefield.

Wang Zhizhi gulped. She knew that what Nian Yue said was true. Such a competition was not difficult for her.

## **Chapter 35: Do Your Hands Feel Tired?**

Returning to her seat, Wang Zhizhi took out her other phone. The screen was black. She tapped a few times and the screen turned into a series of codes. She found the Enter key and clicked on it. Wang Zhizhi found the contact person and sent the operation record over.

“This is the operational record.”

Behind her was the game recording.

Not only was Wang Zhizhi the second daughter of the Wang family, but she was also a member of the Hacker Alliance. In recent years, the Hacker Alliance had been short of staff. Wang Zhizhi helped the Hacker Alliance find members, and at the same time, she was also looking for talents in the game.

The other party replied after a long time.

“Keep an eye on her.”

These three words were the highest order.

Usually, the hacker alliance would send out invitations to people they liked.

And today, it was the first time someone had been keeping an eye on a person.

In the past few years, very few people could make the boss give such an order.

Wang Zhizhi coughed and tightened her grip on her phone.

Nian Yue, who exactly was she?

The aloof girl leaned against the wall casually, her slender fingers twirling her phone. She narrowed her eyes and could clearly see Wang Zhizhi’s chat history.

When school was finally over, Nian Yue packed her bag and left with her bag.

Lin Nan put down the game that had not been cleared and followed her. "Did you clear Wang Zhizhi's game just now?"

Wang Zhizhi was an oddball in Class A and rarely interacted with her classmates. Even the game she played was composed of incomprehensible codes.

"Mm." Nian Yue nodded and narrowed her eyes. Her face was filled with indifference.

"Then why don't you clear mine too..." Lin Nan asked shamelessly. He had been stuck at this level for a long time.

"Do it yourself." Nian Yue glanced at him. Lin Nan's game was not difficult. It was only a matter of time before he passed.

"By the way, where is the nearest bookstore to No.1 Middle School?" Nian Yue asked. She needed to buy a few books.

"Not far. About ten minutes."

Lin Nan replied and brought Nian Yue to Xinhua Bookstore in Jiang City.

The two of them walked for ten minutes before reaching the place. The small bookstore looked like it was only 20 to 30 square meters, and it was filled with all kinds of things.

Nian Yue randomly found a few books, paid the money and left with Lin Nan.

"I heard that your sister will have a piano performance in No.1 Middle School in two days..." Lin Nan said as if she suddenly thought of something.

Nian Yan was different from Nian Yue. At such a young age, she already had the title of a piano prodigy and even gained direct admission to Imperial Capital University's Music Academy. Now that she was attending classes, she was only here to go through the process.

In No.1 Middle School, everyone knew that the eldest daughter of the Nian Family was like a prodigy.

"Yes." Nian Yue narrowed her eyes and her aura suddenly turned cold. "Someone is coming..."

Lin Nan did not know what she meant by that. He raised his head subconsciously and saw a middle-aged man walking towards them, wrapping himself up tightly.

The moment they brushed past each other, Lin Nan's arm was bumped by him. Lin Nan exploded on the spot. "Hey, you bumped into someone while walking. Don't you know how to apologize?"

The man in black, who was walking with his head lowered, paused. His shoulders that were hanging by his side moved. Then, he suddenly turned around and gave a strange smile. "Little girl, you're really lucky to have met me..."

Before Lin Nan could react, the man in black had reached Nian Yue in the blink of an eye. He grabbed her neck from behind and pressed a gun against her waist.

He was so fast that Lin Nan did not even see how he got behind Nian Yue.

In the blink of an eye, a blinding light shone in front of them. A black military jeep had stopped steadily.

The car door opened and a man in black alighted from the driver's seat. The black windbreaker he wore accentuated the man's slender figure. His devilishly handsome face had a hint of androgyny. Only the black diamond ear stud on his left ear emitted a blinding light due to the reflected light.

His fair hand was holding onto a small black pistol. He looked up slightly and even his words sounded casual. "Let her go."

"I can let her go, but hand over the thing in your hand. Hand over the goods with one hand and I'll hand over the person with the other..." The man's voice was hoarse, and it was obvious that he had used a voice changer.

"Are you really giving it to him?" Jiang Jincheng lowered his voice and asked.

They had come to Jiang City for this item. Now that they had finally gotten it and were returning with it, it was going to be snatched away by this person.

Fu Xiuyuan narrowed his eyes. The black pistol in his hand turned in a perfect arc, and then the muzzle was aimed directly at Nian Yue!

Jiang Jincheng broke out in cold sweat. "Don't be angry!"

Who didn't know that this man in front of them was temperamental? This man in black was the first person who dared to raise conditions with him!

He would probably be the last!

"Ninth Master, think carefully. If this little girl dies under your gun, you won't be able to get hold of some things..." The man in black sneered.

He clearly knew what Fu Xiuyuan wanted.

"Is that so?"

The corners of the devilish man's lips curled up slightly. A cold glint flashed across his dark green eyes, and he had already pulled the trigger.

“No!”

Jiang Jincheng shook his head without thinking. That man in black obviously wanted to anger him. Fu Xiuyuan couldn't make such a low-level mistake!

“Nian Yue!”

Lin Nan was so scared that his face turned pale. He wanted to help but did not dare to take a step forward.

He had only seen the pistol the man in black held on television.

He could not imagine that if he really angered that man, Nian Yue would probably die on the spot!

“Is your hand sore?” The girl who was used as a hostage smirked and asked slowly.

Her attitude was lackadaisical and she did not have the slightest awareness of being a hostage.

“Brainless...”

Jiang Jincheng cursed softly. Was this the time for her to show off?

Even he had a hard time dealing with the man in black, did she actually want to provoke him now?!

“Heh...”

Fu Xiuyuan smirked and finally pulled the trigger!

Jiang Jincheng and Lin Nan unconsciously held their breaths!

He could not take Nian Yue's life!

She was still young...

In the blink of an eye, the girl who was used as a hostage suddenly exerted strength and grabbed the man in black's arm with her right hand. With a crack, the man in black's arm went limp and the gun was already in Nian Yue's hand. Then, she pressed it against his forehead!

The sound of a bullet hitting flesh could be heard.

The man in black widened his eyes. His eyes were filled with fear. He probably wouldn't even know how he died.

### **Chapter 36: How Good Could Her Results Be?**

It was because a bullet had pierced through his left chest!

Not too bad, it hit him right on the chest!

Jiang Jincheng, who was standing at the side, was shocked beyond words.

How precise must this girl be in her calculations to ascertain when the bullet would hit and how fast would she have to react from the time Fu Xiuyuan pulled the trigger?

Nian Yue loosened her grip and the man in black fell to the ground like mud.

“Nice shooting skills,” Nian Yue praised.

“You were not too bad either.”

Fu Xiuyuan retracted the gun in his hand and glanced at the man on the ground who had already stopped breathing. He then ordered coldly, “Bring him back.”

It was not until the black jeep disappeared around the corner that Lin Nan registered what had happened. If not for the pool of red blood on the ground, he would have thought that he was dreaming.

“Let’s go.” Nian Yue waved at him, and Lin Nan hurriedly followed.

The sky had already darkened, and only the street lamps on the street were emitting a faint glow.

“No one else should know about what happened today.” The girl walking in front coldly instructed.

That man’s background was not simple. Before she fully understood his identity, she would not act rashly.

Lin Nan hurriedly nodded. He felt a sense of admiration towards Nian Yue from the bottom of his heart.

Even when she was held hostage by the black-robed man just now, he sincerely believed that Nian Yue would be fine.

It was almost midnight when Nian Yue returned home. She received a message on her phone with only a few words.

“Be careful. Don’t upset your father.”

He even added punctuation.

The corners of Nian Yue's lips twitched as a hint of gentleness flashed past her eyes.

Then, she grabbed the vines outside the wall and jumped without making a sound.

Nian Yue slowly walked to the back garden. With a leap, she pulled the window on the second floor and jumped up. Then, she jumped through the window and entered the third floor.

All the actions were completed in less than five minutes. The Nian Family had installed an extremely strong surveillance and alarm system, both of which were completely useless against her.

After returning to her room and taking a shower, Nian Yue changed into her pajamas and lay down on the bed to sleep.

When she fought with the man in black today, she had used up all her strength. She had learned today that her superpower was unable to deal with ordinary people.

Before the apocalypse, almost everyone had superpowers. Her superpower was useful against everyone, but today, when she was dealing with the man in black, she used almost all the explosive power of her body.

It seemed that she needed to use other methods to improve her physical fitness.

The next day, only Nian Chaoyu was sitting in the living room with a dark expression. He was holding a newspaper in his hand.

The report was about the competition that day. In the black Audi, one could vaguely see the person driving.

He had invited Lian Jue, but he had never expected that Lian Jue would be defeated by an unknown racer!

But now, he could not find any information about that person! He wondered who had the ability to manipulate all the networks and make him search for so long without finding anything.

The door was pushed open and a young girl in sportswear walked in slowly.

Nian Chaoyu was furious when he saw Nian Yue. He took the magazine beside his hand and threw it at her. "Who asked you not to come back after a night?! Do you still look like a girl?! If you don't want to stay, get lost!"

In his opinion, Nian Yue was able to stay in No.1 Middle School until now because he threw money at Qian Jian's teaching building.

The aloof girl casually raised her hand and the magazine landed steadily in her grip.

Her sportswear was loosely draped over her body, and she had an air of complete nonchalance.

"I forgot to tell you. I'm in Class A, through the principal's invitation."

"Do you think Class A is a child's play?! Even Yan Yan can't get into Class A..." Nian Chaoyu was so angry that he almost laughed. Class A of No.1 Middle School had always been the top class.

At the very least, students in the class have been ranked in the top 20 of the province's examination.

If Nian Yan couldn't get in, how could Nian Yue, who scored 200 marks in the middle school examination, get in?

"Oh, right..."

Nian Yue casually took a bottle of water from the fridge, unscrewed the cap and took a sip before continuing, "I forgot to tell you, Nian Yan only scored 500 points this time..."

Nian Yan did not do well in her cultural class. Although she was the school belle, her grades were not the most outstanding.

"How dare you mock Yan Yan with that score of yours..." Nian Chao's face darkened.

Nian Yan had always been the face of the Nian Family. Even though her grades were not good, she had strengths in other areas and had made Nian Chaoyu proud all these years.

"Daddy, don't be angry. This time, Yue Yue got into the top 100 of the school. Other than her Chinese, she scored full marks for everything else..." Nian Yan bit her lips and looked aggrieved. "I have embarrassed the Nian Family. This time, it was so difficult and I only scored 500 points..."

Nian Yan's eyes were filled with tears and she looked extremely aggrieved.

"Yue Yue has improved too much. In the past, she could only score 200 points. This time, she scored over 600 points. We should be happy for her..."

Nian Yan's words sounded like she was about to cry, but Nian Chaoyu could immediately tell what she was trying to say.

His face instantly turned as black as the bottom of a pot. "Our Nian Family has always been upright. Since when has anyone ever plagiarized..."

Just based on Nian Yan's specious words, Nian Chaoyu indiscriminately convicted Nian Yue.

Nian Yue was already used to all of this. After finishing the last mouthful of water, she threw away the bottle. Only then did she put one hand in her pocket and head upstairs.

She had completely ignored Nian Chaoyu.

Nian Chaoyu almost fainted from anger.

That look again.

Her coldness was mixed with disdain and defiance!

Just like that woman!

“Dad, drink some water. Don’t be angry...” Nian Yan hurriedly poured a glass of water for Nian Chaoyu.

Nian Chaoyu took two sips of water before he felt the anger in his heart being appeased.

“It’s not like you don’t know. Yue Yue has been used to living in the countryside since she was young. It’s possible that she wants the Nian Family’s approval too much after coming to No.1 Middle School...”

Nian Yan had already investigated Nian Yue’s situation in the countryside. How good could such a person’s results be?

### **Chapter 37: I’ll Give You a Chair**

“This kind of despicable method is exactly the same as what she would have done!” Nian Chaoyu’s face darkened and hatred flashed across his eyes.

The speed was very fast. If one did not look carefully, one would not be able to tell at all.

However, Nian Yan saw everything clearly.

Her lips curled up into a mocking smile as she continued to console him, “Daddy, don’t be angry. Master Zhang is coming to our school tomorrow and I’m holding a piano recital. Remember to come over...”

At the mention of this, Nian Chaoyu felt much better.

“Yan Yan is still the most sensible. Remember to perform well tomorrow and try to make Master Zhang accept you as her last disciple.” Nian Chaoyu sighed.

Master Zhang was a famous international pianist. When she was young, he studied at the Imperial College of Music. After she graduated, she went abroad to further her studies. Over the years, she had accomplished a lot internationally.

Because Jiang City No.1 Middle School was her alma mater, she decided to set her first stop at the school.

If Nian Yan performed well and caught Master Zhang’s eye, her future would be limitless.

When Nian Yue returned to school, there were only a few people in her class. Wang Zhizhi was trying her best to promote a game that she had just developed.

Ever since she was shocked by Nian Yue’s actions, Wang Zhizhi had become the second follower after Lin Nan.

Nian Yue took her cell phone and took a few glances at it. Then, she asked slowly, “Have you sorted out your mistakes?”

“Huh?” Wang Zhizhi was surprised. Didn’t the big boss like to sleep? Since when did she have the mood to care about her grades?

“Aren’t you going to write it?” Nian Yue raised her eyebrows slightly. Wang Zhizhi stuck out her tongue and took out her paper to take a look. Then, she turned her head and asked expectantly, “Can I take a look at your paper?”

“You won’t understand.” The cold girl leaned against the wall. One of her ears was still attached to her earpiece. She unzipped her school uniform, revealing a white shirt underneath.

Her words were very arrogant, but the casual tone made it hard for others to not be convinced.

In the end, she still passed the test paper to Wang Zhizhi. When she opened the test paper to take a look, she realized that Nian Yue was right.

There were only a few simple steps to answer each question, but she could not understand those few lines.

The boring class in the morning finally ended. The students in the class went to eat one after another. Nian Yue and Wang Zhizhi went to eat together.

After the two of them bought their meals, they found a random spot and started eating.

Nian Yue had just taken a bite when she looked up and saw Chen Yiran and Nian Yan walking in together with a few girls behind them.

When Chen Yiran saw Nian Yue, disgust flashed across his eyes.

However, Nian Yue did not even look at him. She lowered her head and continued eating.

The girls who came with Nian Yan found a seat and sat down. They took a glance at Nian Yue, lowered their heads and started talking.

“It’s so obvious that she cheated in the exam, yet she still dares to come to the cafeteria to eat. How shameless...”

“Maybe she got into Class A because of her thick skin. Even Lin Nan became her henchman. Her methods are really high-end...”

“Other than Lin Nan, there might be other henchmen, tsk tsk tsk...”

...

The girls started discussing as if no one else was around. Their voices were getting louder and louder.

When the surrounding students heard their discussion, some of them looked over frequently. When they saw Nian Yue, their faces revealed looks of disdain.

No.1 Middle School had always been strict with discipline. Plagiarism was looked down upon as the most shameless thing someone could do.

“I heard that she grew up in the countryside. What kind of good people can be nurtured in such an uncultured place? Maybe her mother isn’t anything. Otherwise, why would she die after giving birth to her...”

The disdain on the other girl’s face became more and more obvious. However, before she could finish speaking, she heard the sound of a chair scraping against the ground behind her.

The girl who had been eating had walked over. She crossed her arms and her gaze was cold. She walked up to the girl who had spoken earlier and said word by word, “Repeat what you just said.”

Her aura was so cold that the girl subconsciously shrank her head. However, when she saw so many students looking at her, she refused to admit defeat. She braced herself and said, “Why are you so arrogant? You’ve been fighting since you were young. With your results, you might have been with a few men. You’re exactly the same as your mother... Pa!”

Before the girl could finish her sentence, she felt her vision go dark. There was a pain on her forehead and she felt warm liquid flowing down!

The sound of a chair falling to the ground was heard.

The surrounding students were already dumbfounded. No one had expected Nian Yue to hit her as soon as she said she would. She had smashed the chair on her forehead!

“Since your mouth isn’t clean, I’ll help you wash it.” Nian Yue sneered. The coldness in her eyes made one shiver uncontrollably.

“If you did it, admit it? Don’t tell me you don’t want others to talk about it?!” The girl refused to admit defeat.

“Without evidence, you will go to jail for slandering others,” Nian Yue said lightly. Her slender and fair fingers were holding a silver knife and fork. She exerted a little force and the knife and fork were already in her palm. Then, she exerted force with her fingertips and the stainless steel knife and fork had already changed shape!

“What about me? I don’t need you to gossip behind my back. If you’re really not convinced, I don’t mind giving you another stool.” Nian Yue sneered and released her grip. That deformed knife and fork had already fallen to the ground.

The air was so quiet that only the breathing of the crowd could be heard. At this moment, it was so quiet that even the sound of a pin dropping could be heard.

“I’m leaving.”

Nian Yue waved her hand at Wang Zhizhi. Wang Zhizhi, who was still holding onto her drink, hurriedly followed behind.

“An Ran, are you alright?”

The other girls reacted and quickly helped the girl up and sent her to the infirmary.

Chen Yiran and Nian Yan were the only ones left.

“Brother Yiran, you saw it yourself. Even though my father spent a huge sum of money to send her to No.1 Middle School, she still can’t change...” Nian Yan squeezed out a smile that was uglier than crying.

“This has nothing to do with you...” Chen Yiran’s face was ashen.” She’s the one who doesn’t know what’s good for her. You’ve done what you should have done...”

How could a fool like Nian Yue get into the top 100 of the school?

Even he had to use all his strength to squeeze in. Who didn’t know that Class A’s people were all freaks?

Since she did not cherish him and did not allow others to say that she cheated, then she shouldn’t blame him for being heartless!
