### **Falling in Love With A One-Night Stand**

#### **Chapter 19**

The following days, Tammy kept using the excuse of buying ice cream to leave the house and secretly meet old master Wright. Each time she returned, her bag would be full of little gifts.

One day, Anna noticed the new toys as she was cleaning up, "When did you buy this little mermaid bracelet?"

Tammy was arranging her toys and said nonchalantly, "It came with the ice cream." Anna frowned and remarked, "They're giving toys with ice cream now?"

Anna was suspicious but Tammy was a good kid and those were only some harmless toys.
