

Night Stand 50

Falling in Love With A One-Night Stand

Chapter 50

“There must be some misunderstanding, Peace.” Anna tried to ease the tension between them. Besides, she couldn’t believe that Karl would really do such a thing

Although she hadn’t been in this company for a long time, she knew that Karl had a good reputation. He liked to flirt with others, but she never heard that he really did something bad.

“I saw it with my own eyes. I knew he wouldn’t admit it, so I took a video.”

Seeing that Anna didn’t believe her, Peace took out her phone and played a juicy video for them.

The scene of the crime was at the backseat of the BMW behind them. In the video, the car door was half open. Karl put his arms around a woman’s shoulder, their clothes in disarray. As the camera zoomed in, they saw that Karl was going to take off his pants and that the woman suddenly struggled and shouted “Help”.

Karl was about drop his pants. “It’s..” Anna couldn’t look at it anymore. She lowered her head and put her hand on her forehead with one hand pushing Peace. She said in a low voice, “It’s enough. Stop it.”

“Hey, why do you still keep this video? Delete it.” Karl shouted furiously, “This is a violation of my privacy.”

Peace raised her eyebrows, “Violation of your privacy? You p*****t. You would’ve succeeded if I weren’t there. You think you can buy your way out of trouble and avoid being detained? I’ll beat you whenever I see you.”

“You crazy woman. You’re talking nonsense. If you don’t stop, I’ll sue you for slander

Anna and Wayne pulled them apart since they were going to fight again.

“Okay, okay. Peace, please, ease up a bit.” Anna was extremely embarrassed now. Even if Karl was a bad guy, she would still meet him in the company. How could she face him if Peace beat him up again?
