

## Night Stand 54

### Falling in Love With A One-Night Stand

#### Chapter 54

Since Jacob and Lilian appeared in the hall at the same time, many people gathered around, including Lilian's college classmates, two of whom were Anna's roommates when she was in college.

Lilian held Jacob's arm on purpose and said to Anna with a fake smile, "Jacob told me that you wouldn't want to come to our engagement party and said that there was no need to invite you. But I didn't think so. I knew you would come to our engagement party as long as I invited you. After all, we are not only college classmates but also good friends."

Anna looked at her with the same fake smile and said, "Congratulations."

With a frown, Jacob tried to pull his arms out of Lilian's hand and said, "Well, we still need to entertain other guests. Let's go."

"What's the rush? I still want to talk with Anna." Lilian said as she pulled Jacob's arm again to stop him.

Then she raised her voice and said, "Anna, why didn't your boyfriend come here with you?"

"Anna has a boyfriend?" A lady behind Lilian asked and walked out of the crowd arrogantly. She was wearing Channel haute couture and her hair was well arranged. And the diamond necklace that she wore was shining and dazzling.

Her dressing style was so exaggerated as if she was afraid that others wouldn't know that she was rich if she didn't dress up like this.

The lady was no other than Allie.

Anna was surprised when she saw Allie. But then she remembered that the Palmer family and the Gabriel family had been in a good relationship and realized that Allie might come to the engagement party on behalf of their father.

"Allie, you don't know that?" Lilian deliberately asked with a surprised look. "You are Anna's sister. Don't you know that she has a boyfriend? Didn't she tell you about it?"

With a glass of wine in her hand, Allie said with a contemptuous look, "My sister doesn't live with us and rarely comes back home. I don't even have a chance to talk to her. How is it possible that she tells me about it?"
