

## Night Stand 56

### Falling in Love With A One-Night Stand

#### Chapter 56

Soon, more and more people came to propose a toast to Anna. As a result, Anna drank a lot, becoming unsteady and unable to see things clearly

When she was about to lose her balance, someone suddenly held her waist tightly and said, "Come on. One more drink."

When arriving at the gate of Kingsford Neighborhood, Ada opened the door in a hurry and got out of the car before the driver opened the door for her.

Then she walked into the house in her twelve-centimeter high heels. "Miss Xavier, are you here for Mr. Wright? He is not at home now." The butler stood in front of the door and blocked her way. "He's not at home?" Ada frowned and looked into the house. The next moment, she heard the laughter of the children. "You are lying!" she said angrily.

Wayne never leaves Matthew alone at home. Now Matthew is at home so Wayne must be at home too!

Then she pushed the butler away, changed her shoes, and walked towards the second floor.

Following the voice, she came to the entertainment room on the second floor. When Ada opened the door, she was stunned by what she saw and her face darkened. "Who are you?" she exclaimed. At this moment, Peace was sitting cross-legged in the middle of a pile of toys.

Hearing Ada's sharp voice, she was so frightened that she almost jumped up. After a while, she calmed down and looked at the door.

When she saw Ada's angry face, her face also changed and she said with displeasure, "It's none of your business who I am. Why did you shout suddenly? You scared me."

"..." Ada was speechless, with her face turning livid with anger. "Watch your mouth. Do you know who I am?"

"I know," Peace said as she stood up holding the handrail of the chair, and let the two frightened children stand behind her.

Then she continued, "You are Ada, the superstar. What are you doing here? Why did you break into others' house with a fierce look?"

"The others' house?" Ada said and clenched her fists. "I'm Wayne's fiancée. This is my future house. Who on earth are you? What are you doing here?"

Peace was beautiful and charming, and as a designer, she always wore fashionable clothes. This day, she wore an off-the-shoulder T-shirt and hot pants, which made her look sexy and
