

Night Stand 57

Falling in Love With A One-Night Stand

Chapter 57

Lilian was so scheming. To get engaged to Jacob, she hid the truth about the baby from Jacob. To frame Anna, she plotted an accident to fake her miscarriage. Besides, she colluded with Allie to slander and humiliate Anna. If I didn't go to the party, Anna would have been framed by them.

Wayne turned to look at Anna, who was drunk and lying next to him, and then breathed a sigh of relief.

She's always smart and rational. How could she make herself so drunk today? Couldn't she see that those who proposed a toast to her were with evil intentions?

When he was lost in thought, Anna suddenly lifted one of her legs and put it on Wayne's lap.

Wayne's face changed. Before he could push her leg away, Anna put her hands on his shoulders and sat on his lap.

Then she held his face and asked drunkenly, "Who are you?" Wayne was speechless. Gritting his teeth, he said, "Anna, let go of me." However, it was meaningless to say anything to a drunk person like Anna at this moment.

Before Wayne could say anything else, Anna suddenly patted him on the cheek, breathing alcohol fumes all over him and saying, "Wow, you can speak!"

Smelling alcohol of her breath, Wayne wished he could open the car window and throw her out of the car at once.

Soon, Anna became more excited. She sniffed, put her arms around Wayne's neck, and wriggled. "It's so hot!",

When she was wriggling, her soft body clung to Wayne's, making Wayne have a hard-on. "Anna, stop moving," Wayne said in a low and hoarse voice as he held her waist to stop her.

However, Anna didn't realize what she was doing and didn't listen to him at all.

She leaned over and pressed Wayne's face against her neck, as if only in this way could she feel cooler
