

## Night Stand 58

### Chapter 58

“Ah...” Anna’s moan wrenched Wayne’s mind back to the present.

Looking at Anna’s hot figure and her fair-skinned legs that wrapped around his waist, he was overwhelmed by his passion and lost control.

Holding Anna’s waist, he began to thrust quickly, making Anna moan louder and breathe quickly. Soon Anna reached her O\*\*\*\*m.

The whole night, the two of them had several rounds of s\*x. The next morning, when Anna woke up, she felt sore all over. She was so tired that even turning over made her feel as if her body would fall apart.

When she slowly opened her eyes, she found that she was in a familiar room with magnificent decorations.

After looking around with a dull look for a while, she remembered that it was the guest room of Wayne’s house.

Then she threw back the quilt and was about to get up.

Suddenly, Anna felt something wrong and was stunned. She lowered her head slowly and looked down at her body.

When she saw herself naked, her eyes widened in shock and she screamed, “Ahhhh!” However, the sound of running water in the bathroom drowned her scream.

Anna stiffly turned her head and looked in the direction of the bathroom in astonishment. Through the frosted glass of the door, she could vaguely see a tall and strong figure.

Oh, no. What did I do last night? She thought as she grabbed the quilt to cover her chest.

While Anna was recalling what had happened last night, the sound of water in the bathroom stopped.

A moment later, Wayne, who was wrapped in a bath towel, opened the door and came out of the bathroom.

He was drying his hair with a towel leisurely. Obviously, he didn’t hear Anna’s scream just now.

After he took a few steps, he saw Anna sitting on the bed and looking at him in shock. Seeing him like this, Anna knew what she had done last night.
