

## Night Stand 66

### Falling in Love With A One-Night Stand

#### Chapter 66

"You'll live in Peace's room for the time being." Anna opened the door of Peace's bedroom and said to Scott

"I've told Peace about your situation and she said that you could live here."

"Peace is always kind and generous. I knew she would allow me to live here," Scott said as he leaned against the door, looked around, and then nodded with satisfaction.

"I just said you could live here for the time being. You'd better find a new place to live as soon as possible. After all, this is not my home. It's not appropriate for you to live here all the time."

"I see" Scott put his arm around Anna's shoulder and asked, "Anna, what will we eat for dinner?"

"Noodles with soybean paste." "Great. I love the noodles with soybean paste that you cook the most," Scott said.

At this moment, Tammy was sitting on the carpet and eating the chocolate brought back by Scott from abroad with satisfaction.

She had been listening to the conversation between Anna and Scott. Thinking of Wayne's reaction at the gate of the kindergarten, she thought with her big eyes rolling, Mommy and Uncle Wayne lived together for so long, but there was no progress in their relationship. It seems that I have to do something to change the situation!

The next morning, Anna went out to the market to buy food.

Since Scott and she hadn't seen each other for a long time, she planned to cook some delicious food to welcome him.

Not long after she went out, the doorbell of the apartment rang. Scott went to open the door and asked, "Did you leave anything at home?" To his surprise, when he opened the door, he didn't see Anna but Wayne and Matthew

"Excuse me. May I ask who I'm talking to?" Scott asked. Wayne was holding Matthew's hand and standing at the door.

This morning, Matthew got up early and insisted on going to Anna's place for breakfast. Therefore, Wayne brought him here.

However, Wayne didn't expect that Scott was here. When he saw Scott, his face was a little darkened.

After a moment's silence, Scott suddenly recalled that he had seen Wayne and Matthew before and said, "We met at the gate of the kindergarten yesterday, right? And you are the father of

Tammy's classmate. Do you also live in this building?"

At this time, Tammy's cheerful voice suddenly came from the room. "Hi, Uncle Wayne! Hi, Matthew!"
