

Night Stand 75

Chapter 75

Miss Hazel sat down on the sofa and said slowly, "Ten thousand dollars."

The moment Anna heard this, her lips compressed into a thin line and she didn't say anything

Joanna frowned and said, "Miss Hazel, are you kidding? Two thousand dollars?" It's nothing short of blackmail! she thought.

Compared with her, Anna was calmer. She pulled Joanna's sleeve and motioned him to calm down. Then she said, "Miss Hazel, we've known your compensation claim. How about we change a room for you first? As for the compensation, I'll report to our general manager about it and reply to you as soon as possible if there's any update."

"I haven't finished my words," Miss Hazel said with a smile. "Ten thousand dollars for one cockroach. I saw two cockroaches just now, so the total compensation is twenty thousand dollars."

Joanna's face turned livid with anger when she heard that. She had never seen such a difficult guest.

When she was about to lose her temper, Anna grabbed her arm to stop her and said to Miss Hazel with a calm look, "Okay. Miss, Hazel, I'll tell your claim to the general manager and give you a satisfactory reply before you check out of your room. Is it all right with you?"

"OK. I'm not an unreasonable person. I'll wait for your reply," Miss Hazel said. "Thank you," Anna said. "John, arrange a new room for Miss Hazel."

After giving an order calmly with a forced smile, she pulled Joanna's sleeve and left Room 1023 with Joanna. ,

"Are you crazy?" As soon as the two of them returned to the office, Joanna pounded the desk in anger. "Anna, I wanted you to help me solve the problem. But what did you do? You endured her unreasonable demands! If money can solve all problems, the hotel doesn't need a PR department at all."

— Joanna was several years older than Anna and had worked in the Carousel Hotel for a long time. She is a good-tempered person. But at this moment, she was furious and couldn't help losing her temper

Anna frowned and said, "Joanna, the situation this time is different. The centennial celebration is going to be held soon. We can't let anything influence the reputation of our hotel now."

Joanna knew what Anna had said was right. But she still felt indignant when thinking about Miss Hazel's unreasonable demand. She couldn't help but sigh and said, "Then what should we do now? We won't pay her compensation anyway."
