

Night Stand 78

Falling in Love With A One-Night Stand

Chapter 78

Golden Ocean Community was located at Middle Spring Road and near the business district, Since the housing price in Birmingham had soared in recent years, the price of Anna's two-story villa in this community had risen to about ten million dollars

After getting out of the taxi, Anna went to her villa and rang the doorbell, Soon, the door was opened and she saw a middle-aged woman who was in her fifties,

The woman looked at Anna and asked in confusion, "Miss, may I ask who you are looking for?"

Anna glanced into the house and an idea came into her mind. Then she asked calmly. "Excuse me, are you going to sell this house?"

"Sell the house? You are a real estate agent? My master won't sell the house. You may ask someone else if they have the intention to sell their houses," the woman said and shook her head.

"Your host? Isn't this your house?" Anna asked, "I heard that many old people here wanted to sell their houses in the city and moved to the countryside after they retired."

"Haha, if only I could have such a big house. I'm not the owner of the house. I'm just a servant here," the woman chuckled and said,

"May I know your master's phone number? Maybe he wants to sell the house. I'll give you a small gift if you tell me how I can contact him." Anna said as she rummaged through her handbag and took out a bottle of colorful candies. "Look, this is the gift."

Seeing the candies, the woman was overjoyed and said, "My granddaughter likes candies of this brand best"

But the next moment, she sighed. "Miss, I'm sorry that I can't tell you my master's phone number. My master is an actor. But to tell you the truth, this house is not his. Although he is rich, he can't afford to buy the house here."

Then she suddenly lowered her voice and said, "This house is in the name of the daughter of the Gabriel family. She let my master live here."

Hearing this, Anna was shocked.

Allie is so bold. She actually keeps an actor as her toy boy! But why does she let her toy boy live in my house?

"I see," Anna said with a smile and put the bottle of candies into the woman's hand. "Aunt, please take it. Besides, could you tell me who your master is? I'm curious about him. I promise I'll keep it a secret."

woman accepted the candies happily and said mysteriously. "His name is Herbert. He is not popular and always plays supporting roles in TV plays. You
