

Night Stand 81

Falling in Love With A One-Night Stand

Chapter 81

When the other four male artists announced the result of the lucky draw, the fans all looked at the winners with envy.

Finally, it was Scott's turn to announce the result and Anna looked in the direction of the stage.

Scott had a large number of fans. When he drew the lots, his fans fixed their eyes on him with expectant looks.

"The one who will go traveling with me is No. 28." His clear and pleasant voice echoed in the hall.

The fans off the stage looked at their numbers and sighed. Suddenly, a childish voice came from the crowd, "I'm No. 28! Scott! It's me!"

The voice was so sweet that it attracted everyone's attention. The crowd then all looked in the direction of the source of the voice. Then they saw a little girl in a yellow T-shirt and blue suspenders jump and cheer excitedly.

After the crowd made way for her, the girl quickly ran towards the stage, climbed onto it, and threw herself into Scott's arms. "Yeah! I can go on a trip with Scott!"

"The winner is a little girl?" "Oh, how cute she is." "She's so lucky." "Oh my God! That girl is so adorable!" Everyone present liked the little girl very much and kept praising her.

However, Anna's face changed when she saw the girl. She lifted her dress, went onto the stage in a hurry, and said, "Tammy, what are you doing? Go back to your seat."

Tammy nestled in Scott's arms and said, "No. I want to go traveling with Scott." The guests were amused and burst into laughter.

"Stop it!" Frowning, Anna stepped up to the microphone and said, "I'm sorry, everyone. This is my daughter. According to the rule, the hotel staff are not allowed to participate in the lucky draw, so the result is invalid. Scott will draw the lots again."

Hearing that, Tammy pouted and said unhappily. "I disagree. I'm not a hotel staff! Mommy, you've gone too far!"

The guests burst into an uproar.

Suddenly, someone said loudly, "The little girl is right. She is not a hotel staff. Just let her go traveling."

"Yes. Just let her go traveling with Scott."

Some others then echoed. Besides, seeing Tammy so lovely, Scott's fans all agreed to let Tammy go traveling with Scott.
