

Never Late, Never Away Chapter: 1231

Chapter: 1231

Gu Yihan spoke indifferently. In fact, there was still self-blame in his heart that he didn't even think that weeds would grow in the yard, so he brought everyone here, but he ended up disappointing everyone.

"That's the way it is." Lin Momo replied, weakly.

"What? Refused? Why is this? Gu Yihan is a mother. What did you say?" Ye Qian heard that An Kehui was saying that when she came back from Gu's house. !

"What can I say, just say that Gu Yihan wants to be the master of her own marriage, she can't control it!" An Kehui replied.

"Huh! It's utterly unreasonable, it was obvious that she had agreed to it in the first place, but now she regrets it again. In other words, there are rich and noble people, how can words be so unremarkable!" Ye Qian couldn't help but complain.

Ye Qian was originally full of expectation that waiting for the two to bring back to herself that she could marry into Gu's family was a good news, but she didn't think that the good news would wait, but after waiting for such a message, how could she not be angry in her heart.

“No, I feel that things are not that simple! Will Gu Yihan’s mother look down on us?” An Kehui asked towards her daughter.

“Impossible! If Gu Yihan’s mother looked down on us, it would be impossible to agree to this marriage at the very beginning!” Ye Qian squinted her eyes slightly, thinking seriously!

“Gu Yihan wants to be the master of his own marriage, and Gu Yihan wants to be the master of his own marriage. Gu Yihan wants...” Ye Qian couldn’t help but mutter.

Suddenly, Ye Qian’s entire face became vicious, her eyes were gloomy, she couldn’t help but widened, and she gritted her teeth and said, “Lin Momo! There must be Lin Momo who has done something wrong. I have long suspected her and Gu Yihan have something to do with him. It’s extraordinary, what kind of brother or sister is, all have a guise!”

Obviously Ye Qian once again counted Gu Yihan’s affairs on Lin Momo’s head.

“Lin Momo? Impossible, right? Gu Yihan has personally admitted that it is because Lin Momo has his own sister, so is it necessary to lie to us because Gu Yihan is the identity? Besides, if you want to have him, you really belong to Lin Momo. Relationship, Lin Momo will still be a reporter now? How could it be possible?”

An Kehui didn’t think Lin Momo was the reason. Gu Yihan didn’t marry herself as a daughter.

“Although I don’t know why, it must be Lin Momo’s fault!” Ye Qian insisted, and she couldn’t help but hate Lin Momo a little bit more in her heart. Thinking of Lin Momo’s face full of happiness, she couldn’t wait to go up. Shred.

Lin Momo and his party had already embarked on their way home, and by this time the car was almost at the hospital.

Although I didn’t enter my mother’s room this time, but with Gu Yihan, Lin Wanwan and others, Lin Momo still felt extremely happy.

The mountains and rivers are beautiful, and the scenery is infinite. Hey, my mother has a great place in my hometown. Next time, I must make enough preparations, and then live for a few days.

Lin Momo was sighing in his heart, and the car stopped at the entrance of the hospital.

Gu Yihan, as always, was the gentleman who opened the car door for Lin Momo. Lin Momo gave a smile, but as soon as he got out of the car, the smile stiffened on his face.

Gu Yihan saw Lin Momo’s expression change, followed Lin Momo’s line of sight, and frowned.

“Ms. Lin, are you back? This is coral mud that my friend brought back from the South China Sea. It is very effective for beauty and beauty. I will bring you a box.” The person said that Zhengyou Ji Xiangru.

“Hey, why do I say you are so annoying like a fly? Too annoying!” As soon as I got out of the car, Lin Wanwan heard Ji Xiangru’s words to Lin Momo, and my mood suddenly became less beautiful.

“Hey! It’s really disappointing. Didn’t you see our family go out to play? This season, I will really pick time and deliberately add traffic to us.” Qin Yu got out of the car and pointed at Lin Wanwan and pointed at Sang Huai.

“Late night! Xiaoyu, how can you talk like this!” Lin Momo quickly blamed. Ji Xiangru was very polite to him as he said, and he was also the subject of interview. How can I meet after he gets overwhelmed?

Never Late, Never Away Chapter: 1232

Chapter: 1232

Lin Wanwan and Qin Yu disagreed that they were both white. Ji Xiangru glanced at it because Lin Momo was there and stopped talking.

“Is it a kid who doesn’t get in the way?” Ji Xiangru said generously.

However, in Qin Yu’s eyes, there is another feeling that this guy actually said that he has a child!!!

How old can you be than me! Or maybe it’s me in the face of my sister-in-law... I... I blow your head!

Ji Xiangru once again passed the coral mud in his hand to Lin Momo, "I hope Miss Lin will accept it."

"This..." In Lin Momo's heart, some speechless things are what you don't know how to give me something, I accept it, you are pursuing me again, I don't agree to you, but I accepted your gift again. Want to spread it out and let others see me? If I don't accept it, it's as if it doesn't give you face. What do you say you ask me to do?

"Does Miss Lin dislike the gift I gave so she refuses to accept it?" Ji Xiangru continued.

Lin Momo really doesn't know what to say. He hates you as a big-headed ghost, because I don't want you to give me a gift!

"Well, I dislike it!" At this time, Gu Yihan took a step forward and said to Ji Xiangru with a corner of his mouth.

"I give Miss Lin a gift as if it is not my turn to dislike Mr. Gu, right? When will it be time for someone to give you a gift, it will not be too late for you to express your opinion." No, what a good thing.

"Well, although Mr. Ji's remarks are reasonable, I didn't want to talk at all, but I saw this gift from you, it seems like, some shabby. As far as I know, it is the coral mud on the South China Sea. A lot of them are but effective but not so good. Are you wasting our Momo time? Besides, Momo always pays it back. Why use the low-quality South China Sea coral mud I sent to you? ?"

Gu Yihan still smiled and said that the words were naturally non-existent, and any reproaches meant but quite powerful.

When Ji Xiangru heard it, he blushed and was green. He looked quite proud of Gu Yihan and said again, "The gift is good or bad, but it is at least my heart. It is definitely better than some people's cheating all day long. It's a lot."

"Oh? Is Ji always talking about it? Really kidding! Everything I have with Momo is what other gifts I need to give." Gu Yihan smiled even more.

Ji Xiangru heard what Gu Yihan said, his lips trembled and couldn't say a word.

"Okay, let's go." Gu Yihan cast a glance at Ji Xiangru. It was very natural to pull up Lin Momo's Qianqianyu hand, and gently said, "It is windy outside now, be careful to catch the cold."

Lin Momo originally wanted to be polite with Ji Xiangru, at least let him, who knows that Gu Yihan wouldn't give her this opportunity at all, she had no choice but to let him go.

Lin Wanwan also followed the three of them to leave.

When Qin Yu left, looking at the deflated Ji Xiangru, he didn't forget to make a grimace as a mockery.

Now the air seemed to freeze all of a sudden, leaving Ji Xiangru alone in embarrassment.

Gu Yihan! What I won't give up is that you don't deserve to be hugged at all, Momo.

Thinking that Ji Xiangru threw out the gift box in his hand.

Gu Yihan, who heard the sound, had a pity on his face and muttered to himself, "Hey is this mentality, how can you steal a woman from me?"

"Ah? What are you talking about?" Lin Momo felt that Ji Xiangru was so pitiful that he heard what Gu Yihan said.

Gu Yihan smiled and said, "Oh, what is it, let's go."

When Lin Momo returned to the ward, Aunt He delivered the food after a while. Gu Yihan was still feeding Lin Momo.

Gu Yihan didn't think, what was Dan Lin Momo, it was embarrassing that even Xiaoyu started eating by himself two days ago, but he still wants Gu Yihan to feed him.

In addition, Lin Wanwan and Qin Yu said that they were showing their affection and that they were sprinkling dog food, which caused Lin Momo to blush and lower his head shyly.

Never Late, Never Away Chapter: 1233

Chapter: 1233

After dinner, Gu Yihan and several people chatted in the ward.

Lin Momo, who thought that he would stay in the hospital this night and that he would be discharged on the last night tomorrow, couldn't help but feel happy.

My dear, I am here with the big bed!

Lin Momo slept this night, especially, the fragrant Gu Yihan looked at Lin Momo's sleepy face with a hazy face and a smile on his face.

The next day the sun slowly, Lin Momo, who climbed up to the sky and illuminated the earth, opened her eyes lazily, and stretched her waist to prepare. Gu Yihan who got up at this time also Don't know what to do, go.

In fact, Lin Momo's heart has always been questioning, is Gu Yihan not tired every day? I go to bed every day, wake up later than myself, earlier than myself, and work more intensely than myself. I really don't understand. Does this person have an iron fight?

Lin Momo then shook his head and smiled and muttered to himself, "He certainly doesn't understand the bed, and he won't enjoy life at all."

Lin Momo cleaned up the hospital after washing, and Lin Wanwan also came to Lin Momo's ward at the same time as Qin Yu.

"Huh? Where's Gu Ge? Why is he here?" Qin Yu asked Lin Momo as soon as he came in.

Lin Momo shook his head and replied, "I didn't know that when I got up, he was gone."

“I will help you clean up the sister who came.” Lin Wanwan said.

“And I’m coming, I don’t have any sickness now. I have been lying in bed these few days, and I’m sorry,” Lin Momo said with a smile. .

Soon Lin Momo finished everything and just waited for Gu Yihan to come back.

At this time in the ward, Lin Momo, whose door was pushed open, thought that Gu Yihan had returned and said, “Hurry up, we are all waiting for you!”

“Ah ? Wait for me ?” In response to Lin Momo, there was no Gu Yihan, but a female voice.

“What are you waiting for?” Ye Qian asked, walking towards Lin Momo with some curiosity.

Ye Qian decided in her heart to start with Lin Momo and she was close to Lin Momo in order to get Lin Momo, so she trusted her better.

“Oh no, we are waiting for Gu Yihan.” Lin Momo replied quickly.

Looking at Ye Qian, Lin Momo with a hint of suspicion on his face explained, “If this is the case, he should have gone through the discharge procedures for me if I am going to be discharged from the hospital.”

“Oh, are you getting better with this? What’s the problem?”

“Well, the doctor said that I should be discharged from the hospital in my physical condition now.” Lin Momo replied.

At the same time, Lin Momo was also a little surprised. Why did Ye Qian come alone? Why does the Ye family know that Xiaoyu is going to be discharged from the hospital too? No one came to pick it up.

Did Gu Yihan inform the Ye family, people? Can't it?

Gu Yihan came back after the two chatted again.

Although Gu's mother rejected Ye Qian and Gu Yihan, Ye Qian didn't give up on the marriage. She thought she and Gu Yihan would be done as long as they solved Lin Momo's troubles.

“Yihan's you are here.” Ye Qian said when seeing Gu Yihan very affectionately.

Lin Momo's heart was a bit twisted after hearing it, but because of Ye Qian, she didn't say much.

Gu Yihan hated Ye Qian for women like her. Gu Yihan secretly shook his head in his heart, and that stupid girl looked more comfortable.

Gu Yihan gestured with a smile and walked towards Lin Momo and said with a smile, “I just met two business fields in the past, and the acquaintances chatted a few words.”

Is this explaining to me the reason for the late return? Lin Momo looked at Gu Yihan's whisper with a smile, and said,

“Well, I know, the Ye family where we will leave later, no one is coming.”

“Yeah.” Gu Yihan cast a glance and stood aside, and Ye Qian nodded slightly towards Lin Momo.

“At first glance, this coquettish woman doesn’t have any good stuff. I feel that she must be careful about you who have impure motives for Brother Gu and sister Momo.”
Moving to the side, Lin Wanwan whispered.

Never Late, Never Away Chapter: 1234

Chapter: 1234

“Don’t be alarmist here. I think people treat my sister very well.” Lin Wanwan didn’t believe what he said to Qin Yu, and then suddenly said to Qin Yu as if thinking of something.

“Oh, I see, you must be because people said you have children, so you have been holding a grudge? Hey, I said you have a man somehow, why are you so careful? One sentence? Why be so serious?”

Seeing Lin Wanwan’s misunderstanding of herself, Qin Yu said anxiously, “What! Does Qin Yu have someone like that? I really feel that she...”

“Okay, okay, I believe you can’t do it? Why are you so excited? Are you afraid that people won’t hear it!” Lin Wanwan said quickly, and Ye Qian had already cast a strange look.

At this time, the door was pushed open again.

The middle-aged Yixie woman wore a purple cheongsam, stepped on a pair of old Beijing cloth shoes with painted faces on her feet, and walked in without a haste.

Qin Yu, who was closest to the door, rushed out after seeing the incoming person clearly.

“Oh, godmother, why are you here? Sit inside and sit inside.”

“Xiaoyu, you are here too.” The middle-aged woman followed Qin Yu with a kind smile on her face.

Lin Wanwan watched the middle-aged women pass by and said hello politely, “Auntie.”

At the same time, I was speechless. How many godfathers did Qin Yu recognize? What else can I say?

The godmother in Qin Yu’s mouth is having Gu Yihan’s mother. Qin Yu admired Gu Yihan very much when he was very young. Coupled with the good relationship between the Gu family and the Qin family, Qin Yu admitted that Gu Yihan’s parents did the job. Dad godmother.

It’s different from acknowledging Lin’s parents. Gu’s godfather and godmother have served tea and knocked their heads too much. It’s much more formal.

“Auntie, are you here?” Ye Qian’s face was filled with happiness after seeing the person coming.

She thought that Gu's mother had made a special trip to comfort herself because she refused her marriage yesterday, so she naturally felt unspeakable joy in her heart.

"Xiaoqian." Gu's mother was indeed guilty for what happened yesterday, and she also violated the agreement.

Lin Momo looked at Gu Yihan panicked at this time, and looked at Gu Yihan with fear and sincerity. Those Qianqianyu hands were even more tugging at the corners of Gu Yihan's clothes.

Why is Gu Yihan's mother here? What should I do? With so many people, what do I call my mother? Then the matter of me and Gu Yihan's marriage was exposed? not called? So how can I say that I have my own mother-in-law, who knows if she will think that she is not courteous.

Gu Yihan looked at Lin Momo who didn't know how to be good, and smiled calmly, why my mother has wolves and tigers, if I can eat you, it will scare you.

"Why are you here? Actually what happened yesterday..."
Ye Qian couldn't help but feel happy when she saw that Gu's mother was so enthusiastic about herself.

Who knew that she hadn't finished speaking, and the smile froze on her face.

"Oh, I came to see Momo." After Gu's mother said, she passed Ye Qian and walked towards Lin Momo.

There is Lin Momo again! Sure enough, I guessed wrong. Gu Yihan and I had a problem with your marriage.

Ye Qian clenched his fists angrily, and looked at Lin Momo's eyes with a viciousness.

But Lin Momo couldn't see it at all. How could she take care of her at this time?

"Momo." Mother Gu greeted her at once, and even grabbed Lin Momo's Qianqianyu hand in her palm.

How to do? How to do? Do you want to call? Gu Yihan, save me!

Gu Yihan seemed to hear Lin Momo's cry for help, and said to his mother quickly, "Mom, why are you here?"

Lin Momo couldn't help but let out a sigh of relief, and was finally passed by Gu Yihan.

"Me? Of course I have come to see Momo, is it possible that I have come to see you?" Gu's mother gave her son a blank look, and said angrily.

And the moment Gu's mother turned her face away, there was no disgust on her face, and she smiled and said to Lin Momo, "Momo, how is it, is your health better?"

Never Late, Never Away Chapter: 1235

Chapter: 1235

Qin Yu was holding back a smile while holding back the blushing brother Gu, who was ignored by Godmother hahaha.

Gu Yihan shook his head lightly, the expression on his face was not, what was strange, but a little smile was added. Originally, he had to avoid Lin Momo's embarrassment, and he had already reached it. Seeing that his mother was very concerned about Lin Momo, he naturally felt more worried.

If the reaction is fierce, of course, you have to count Ye Qian. She has red eyes, although her head is lowered, but it is not difficult to see that her body is resentful, and she originally wanted to pull Gu's mother because her hand was even more clenched into a small fist. His nails are deeply pierced into the faintness of the flesh, and a bright touch of blood red flashes on the palm of his hand.

"Well, it's getting better, I'm about to be discharged from the hospital today." Lin Momo, who is a daughter-in-law of the Gu family, felt that there was nothing, because of the difference in identity, and he bowed a little.

Her voice was flat, slightly trembling, and it was obvious that she was shocked by the danger that happened just now.

"Well, I heard that Xiaohan said that you were discharged from the hospital today, so come and see what you are doing. It's naturally the best."

Although Gu's mother didn't like Lin Momo at the beginning, she went down to find someone to check Lin

Momo. It was clear that Lin Momo hadn't been married for the past year. After brushing it once, Gu Yihan was stuck. Gu Yihan is in the small courtyard of the villa, but the price is a few hundred yuan.

What surprised her even more was that some Gu Yihan bought a bag for Lin Momo but it was returned by Lin Momo.

She could see that Lin Momo didn't have to pretend in front of her, but really didn't spend Gu Yihan's money.

Because these things belonged to Gu's mother, some of them liked Lin Momo.

"I suddenly remembered that, and I just left for something." Ye Qian said with an ugly face and gritted her teeth while forcibly suppressing the anger in her heart.

"Well, sister Qian, be careful on the way." But Lin Momo responded to her after hearing it.

Mother Gu nodded and gestured, while Gu Yihan looked like, hearing what seemed to be Lin Momo's peeling fruit.

As soon as Ye Qian left the ward, the door's footsteps couldn't help but become heavy, and the high heels hit the floor.

Ye Qian took out her mobile phone, searched for a phone number, and dialed it.

After the call was connected, Ye Qian looked around and found that there was nothing around him. The next person

said in a low voice, "Help me use all channels to find out that what happened between Gu Yihan and Lin Momo is everything. Give me how much money I want to find out. It's the message that I am waiting for you at the Roman Holiday Cafe!"

Ye Qian hung up the phone and his eyes became confusing, and the corners of his mouth conjured up a vicious smile.

I don't think I'm the only one who wants to marry into Gu's family. Since that's the case, don't blame me.

Afterwards, Gu's mother chatted with the others a few more words and went to visit another old friend who was sick and lived here.

"Have you ever forgotten that Xiaoyu was discharged from the hospital?" Qin Yu was filled with indignation and said to Lin Momo. Lin Momo and the few people who were already prepared are the Ye family. People are still there, so naturally they can't leave first.

And Qin Yu had already waited impatiently for Ye Wenyu's heart to hold the injustice for Ye Wenyu. What kind of bird-man is there in the Ye family, and ignored such a big living person? If I wanted to have leaves, I would have left their home a long time ago.

"This..." Lin Momo, with some hesitation, wondered how the Ye Family might have forgotten this. She must have been busy with something that was delayed. Maybe she was on her way right now.

“What kind of phone call asked him to move to my brother-in-law to live with me, which happened to be my vacation, and I was not in a hurry to go back, so it was just convenient for my sister to take Xiaoyu out to play.” Lin Wanwan said from the side.

After talking, Lin Wanwan turned his head and looked at Ye Wenyu and asked for his opinion, “Xiaoyu, you stayed with Sister Wanwan these two days. It’s just not far from Sister Momo’s home. We are also convenient to go out. Play.”

Never Late, Never Away Chapter: 1236

Chapter: 1236

Ye Wenyu can even talk to him at Ye’s house, and there are no other people who can accompany him to play with him. Faced with Lin Wanwan, such a temptation, where can Ye Wenyu resist, and he kept saying “Good, good, good, and me.” Go live with Sister Wanwan.”

Lin Wanwan asked her head sideways and looked at her sister.

Lin Momo looked at Ye Wenyu’s face, with a slight joy, nodded and at the same time a bit of bitterness rose in his heart to have himself, his brother was really suffering.

If it weren’t for her to live with Gu Yihan now, she would want to take her brother over and live with herself.

“Then let’s go.” Gu Yihan saw that Lin Momo had also made a decision, so he also said.

Gu Yihan called several people to pack the Ye Wenyu returned by Lin Momo, the clothes and some miscellaneous supplies in the car.

“I’m going to send Ye Ziyou, Gu, and you to give me a gift to my sister-in-law. It saves time and we can still have lunch.” Qin Yu looked at his wrist, and the watch suggested to Gu Yihan.

Gu Yihan nodded and agreed.

“This time just let your parents and my mother meet.” Gu Yihan said to Lin Momo calmly in the car.

“Huh?” Lin Momo was caught off guard by what Gu Yihan said.

“Don’t worry about having your parents, I’ve already said it.” Gu Yihan naturally knew in his heart that Lin Momo was worried about something, so he explained.

Lin Momo was relieved from this, “Well then I will tell my parents for a while that we will have lunch together.”

Some of the tension in Lin Momo’s heart is that the Lin family’s parents want to meet Gu Yihan. When her mother meets, she must say that many parents are not greedy for money or expensive. Otherwise, it really embarrass her.

Soon the two of them returned to live with them. Lin Momo was long in the villa. She took a breath and finally didn’t have to sleep in the hospital. The little bed was about to suffocate her to death.

After the two had cleaned up, they booked a location in the hotel. Gu Yihan called Qin Yu and asked him to pick up the Lin family's parents.

"I will ask the driver to take you there and I will pick up my mother." Gu Yihan said lightly.

"Yeah." Lin Momo nodded.

In the car, Lin Momo watched through the window as the side of the road drifted away. The scenery felt inwardly and felt that everything was that way, and that everything was so illusory.

Do you want to make sure with Gu Yihan like this? when? Or is it just a simple meeting this time?

In Lin Momo's mind, a scene suddenly appeared, Gu Yihan was holding a spoon, scooping porridge, or passing an arc in the air, and then sending it to her lips.

At this time, Lin Momo felt that Gu Yihan was so gentle and considerate that she couldn't help it, leaning to the side and wanted to stick to Gu Yihan's strength and warm, in her embrace.

Waiting for her is naturally a cold, car window.

She shook her head and laughed at her with delusions in her heart, but her face was full of richness and happiness.

Gu Yihan should be serious this time, right?

Lin Momo asked herself deep in her heart.

But she didn't know what the answer was? Gu Yihan knows best if he treats it sincerely or acts on occasion.

Not long after, a car had stopped at the door of the hotel. Lin Momo saw him waiting at the door as soon as he got out of the car. Lin was late.

"Sister's side." Lin Wanwan waved at her.

"My elder sister, I heard Qin Yu talk about my brother-in-law, my mother wants to meet with our parents, is she going to discuss about you, marriage?" Lin Wanwan couldn't control her heart, curious about gossip, asked.

"Oh." Lin Momo Jiao blushed and her face was vague, and she replied that there were some, but if she said more, she walked over in front of Lin Wanwan.

"Why? Are you still shy now? Why are you still so thin-skinned after living with your brother-in-law?" Lin Wanwan said with a grin.

"If you say that, I will ignore you!" Lin Momo was angry, and said that he felt that Lin Wanwan was obviously laughing at himself.

Never Late, Never Away Chapter: 1237

Chapter: 1237

"Okay, I will not say anything." Lin Wanwan rushed forward, pulling Lin Momo's arm and walking in.

Lin Momo thought in her heart what Gu Yihan would say to her parents.

Lin Momo still didn't think of anything in his heart, and he had already arrived at the door of the box.

Alas, it seems that I can only fool around first and wait for Gu Yihan to come and talk about it.

Lin Momo thought about it and pushed the door and entered. As soon as he came in, he saw Qin Yu standing in front of his parents. She was talking about her and she was a parent, and she was very interested.

She seemed to vaguely hear Gu Yihan's name.

"Dad has a mother." Lin Momo shouted to Lin's parents.

"Eh, sister Momo, you are here." After Qin Yu turned around and saw Lin Momo, he was shocked and embarrassed. He was gossiping with Lin's parents about Lin Momo and Gu Yihan. Yes, now that the Lord is coming, there are still some things he needs to say.

"Come here and come and you will continue to talk about it." Lin Wanwan watched Qin Yu stop for a while, with a playful smile on his face.

"I...I..." Qin Yu hesitated for a long time and didn't know what to say. He was busy and said to Lin's parents. Say it? Sister Momo is here."

After Qin Yu said that, he flashed to the Lin family's parents and sat down with a butt beside them.

Lin Wanwan contemptuously looked at Qin Yu and said in a low voice, "It will be like this if you have it."

"Momo has you because Xiao Gu has already told me." Lin Feng looked at Lin Momo and opened his mouth.

"Well, I...just as long as there are things." Lin Momo knew what Gu Yihan had said to his parents, he was embarrassed.

"Come on, Momo, and sit down with me." Lin Momo is a kind mother, saying that she has loved Lin Momo since she was a child. At this time, she has recovered from a serious illness, and her daughter has a face with joy, where can I hide it? .

Next, Lin Momo's mother was pulling Lin Momo. She asked if there was Lin Momo. It was good for her to respond quickly. Qin Yu was playing assistance or she really didn't know what to do. done.

Lin Feng pulled Lin Wanwan in a low voice to ask if Gu Yihan is good for Lin Momo, although Lin Momo already knew that he was his biological daughter. It's okay that he and Lin Momo have been there for decades. How could it be possible that the relationship between the father and the daughter was affected by this? Lin Feng was naturally very concerned that Lin Momo was a lifelong event. There was a sentence in Shangxin asking Yousheng for fear that Gu Yihan would treat her badly.

When there is a room, the door is pushed open. Gu Yihan, mother and son, are right when they walk in.

Lin Momo breathed a sigh of relief. Finally, I don't have to be here. Be careful. I answered. Even if I face Gu Yihan, she is her mother. She is so nervous. She is always a good girl in the eyes of her mother. She wants to let her mother know her anger. How about getting married with Gu Yihan?

"Dad has a mother." Gu Yihan first called to the second elder of the Lin family.

After Lin Momo heard it, he was surprised. However, he quickly recovered and shouted at Gu's mother, "Mom."

Lin Wanwan didn't know at this time that Lin Momo and Gu Yihan were already married. I was shocked to hear that they called each other's elders! Why didn't you pass the door if you didn't, why did you just call your parents? Besides, my sister and brother-in-law have yelled, even if you are in a hurry, you don't need to be in such a hurry, right?

"Sit down and sit down quickly." With a smile on his face, Lin Feng heard Lin Wanwan say that he was quite satisfied with this son-in-law.

"Okay." There was a smile on Gu's face. She looked at the enthusiasm. In-laws opened the seat for herself, and she sat on it without hesitation.

"Mom has this and I am my parents." Lin Momo walked over to Gu's mother and introduced her with a hint of shyness beside her.

Although she and Gu Yihan have been certified for a year, they are both parents but they are not. If they met each other and passed it out, they would definitely make people laugh out of their teeth. They have been married for a year, and both of them are parents who don't even know each other.

Never Late, Never Away Chapter: 1238

Chapter: 1238

When Gu Yihan saw a blush on Lin Momo's face, he couldn't help but shook his head and said to Lin's parents, "This is my mother."

Lin Feng naturally knew that it was only in his heart, and the slightest doubt was Gu Yihan's mother? Where is his father? After thinking about it, I was relieved that it was someone else, and that such a big family business was naturally not as leisurely as I was.

The parents of the two were chatting fiercely. Even Gu's mother told the story of Gu Yihan's childhood from time to time. Lin Momo laughed for a while because he didn't think that Gu Yihan was so funny when he was a child.

Naturally, Qin Yu listened more seriously. Since he started to mix with Gu Yihan, Gu Yihan has already had a powerful character, so how can I hear this on weekdays?

Lin Feng and his wife had just begun to face the illustrious mother of Gu, and they were afraid that they would embarrass their daughter because of what they said

wrong. However, as they chatted with the mother of Gu, they discovered that this mother-in-law was also extraordinarily special. Being approachable is a little rich and wealthy, and they don't have a lot of air. It was they who opened the chatterbox and chatted with Gu's mother very happily.

The meal was quickly finished. Gu Yihan and Lin Momo's parents were very happy to chat, and they couldn't help but be happy when they saw each other.

During the dinner, Gu Yihan's mother did not. Mentioning about the wedding of the two was Lin Momo's unconsciousness for some reason, a trace of loss.

Lin Feng saw that Gu's mother didn't have it, so he was naturally embarrassed to mention this matter and mentioned that the man said that it was his own wife who said it. Doesn't it mean that his own woman sticks to her and gives it to her? Besides, the gift money is indispensable for weddings. If you can't make things right, people will think your family is greedy for money!

Then Gu Yihan asked Qin Yu to send Lin's parents back, but Lin Momo was taken back to Gu's family by Gu Yihan.

Lin Momo just got out of the car and saw the gloriously decorated Gu Mansion. He couldn't help but take a breath, but he soon calmed down. Shengtian Group has the largest domestic company with Gu Yihan as the president. It is not surprising that Gu's family lives in such a house.

As soon as I entered the living room, I didn't wait for the two of you to sit down and it was the mother of Gu, and

asked abruptly, "That Xiaohan is Momo, when is the marriage of the two of you planning to be done?"

After Lin Momo heard it, she looked awkwardly at Gu's mother and couldn't say a word. How did she know when to do it? Gu Yihan has always had the final say about this kind of thing.

However, Gu Yihan didn't answer at this moment. Mother Gu turned her head and looked at the two of them. She asked again, "When?"

Lin Momo looked at Gu Yihan still having an indifferent appearance. She said that she didn't want to marry herself at all.

She opened her lips slightly and said with a faint loss, "Mom is the marriage of the two of us..."

Lin Momo was still not, but Gu Yihan strode forward and took her into his arms.

Lin Momo was taken aback by Gu Yihan's reaction because her pupils could not help but dilate, and she stared at Gu Yihan closely.

"What kind of plane do you have? Your mother is still next to me, so let me go." Lin Momo whispered in Gu Yihan's arms.

Gu Yihan looked at Lin Momo with slightly frowning eyebrows, but he leaked a smile, and said unhurriedly, "Why? Are you shy?"

Lin Momo was speechless. It was Gu Yihan who was looking at the hippie smiling face in his heart. What is the anger, is that I don't want to marry, I don't want to marry, and I don't want to hold a wedding with you.

Lin Momo was thinking about it, but Gu Yihan's firm voice came from her ear, "Mom is the wedding, I have already prepared it, and it will be held tomorrow."

After Lin Momo heard it, her breathing couldn't help but became hurried. She couldn't believe she bit her own tongue. As soon as she bit her, there was a hot pain, as if to prove that all of this is true. I'm not dreaming.

tomorrow? Have a wedding with me tomorrow? Lin Momo couldn't believe it so far because he thought it was too illusory, but her heart asked herself why he was serious? Have you decided to marry me?

Never Late, Never Away Chapter: 1239

Chapter: 1239

"Why? Did you feel happy, so suddenly?" Gu Yihan looked affectionately into his arms, Lin Momo's mouth stirred up a joke, and said with a smile.

"I don't have mine!" Lin Momo replied again and again, and then he was busy, breaking free from Gu Yihan's arms for fear that Gu Yihan could see her heart and thoughts.

Gu Yihan smiled and let Lin Momo break free without stopping.

Gu's mother looked at Enai, and the faces of the two of them couldn't help but have a rare touch. Smiling Gu Yihan can find someone she likes. She is naturally sincere and happy for her son.

"Well, is everything ready? What is the banquet of the wedding car for the wedding invitation?" Gu's mother opened her mouth again and asked Gu Yihan.

"Well, fuck, don't worry, I have all arranged these." Gu Yihan was sure, saying that planning the wedding by himself is not a day or two, and it is natural that there will be no mistakes.

"Okay, don't bother you. If you don't have anything to do, go and rest. I will take Momo to try on the wedding dress." Gu Yihan said again.

"Oh, I can't help but say a few words, and I'm tired of saying a few words, so you go choose a wedding dress and I will go to rest." Gu's mother pretended to be angry, but she said with no tone in her tone. I complained a little bit, and looked at myself interestingly, how could she be unhappy with her son and daughter-in-law who loved her.

At this time in the Roman Holiday Cafe, a woman in a private room held her hand in her hand, and the file fell on the table in a cold tone, and said, "Huh! There is a problem!"

"Cohabiting together! Lin Momo, you are really amazing! What kind of soup did you give Gu Yihan?"

“Gu Yihan had confessed to her downstairs in Lin Momo’s company and they were both living together. Why didn’t they find out last time? Huh?” Ye Qian was the one who spoke.

“The last time I was doing errands, the next time I was negligent...” On the other side of her, the person was a little nervous and said.

“Huh! Do you know how much the negligence at this time has delayed me, things? Can you take care of me if I want to investigate it?” Ye Qian said viciously, her face turned towards the person.

The person looked strong, and the fact that Ye Qian’s hesitation was stopped is that he naturally didn’t dare to say anything more when something went wrong.

“It’s over. I don’t have the same knowledge as you when things are over.” Ye Qian said that I had a broad mind and didn’t care about you. Lin Momo and Gu Yihan lived together, and things spread out for me.”

Ye Qian squinted her eyes and succeeded in a big plan, like a hum! You can lie to Momo. I was so bitter about the relationship between brother and sister. I really believed it at the time, but you thought I wouldn’t know that way?

Since you did that, don’t blame me. Guess whether they would listen to your explanation? Even after listening, would you believe that you and Gu Yihan are really brothers and sisters?

Thinking of Ye Qian, a touch of cunning couldn't help but climb up on her face.

"Also, this time I have to be as neat as last time. Don't let people find out that I did it. If something goes wrong, I don't think you need to be so bad on the road. Who dares to find the skills? You do things." Ye Qian's eyes flashed a cold light and confessed to the person again.

"Yes, this time we will definitely not let Miss Ye down." That person was also very dissatisfied with Ye Qian's attitude, but he naturally couldn't say anything more when he was the buyer.

"Okay, if there is nothing wrong with you here, you can go down first..."

The next two words were interrupted by the phone ringing before Ye Qian came out of her mouth and vomited out.

Ye Qian was displeased. He took out his mobile phone and glanced at An Kehui, and then she answered the phone and depressed her voice and said, "What's wrong with my mother?"

"Xiaoqian! It's not good. Just now I suddenly received Gu's wedding invitation at home!" An Kehui's anxious voice came from the other end of the call.

Never Late, Never Away Chapter: 1240

Chapter: 1240

“Gu’s family is a wedding invitation? What do you mean?”
Ye Qian’s questions, what can Gu’s family have besides
the big event of Gu Yihan’s marriage?

“Yes, the marriage of Gu Yihan and Lin Momo is a wedding
invitation!” An Kehui said again.

“What?” After Ye Qian heard it, she suddenly felt black. Gu
Yihan and Lin Momo were married? What should I do?

“Bring me back!” Ye Qian yelled angrily when he walked to
the door.

That person’s speechlessness, if you call and get angry,
don’t send the fire on my head!

“Xiaoqian, listen to me, let him forget about this matter,
since Gu Yihan is already married, don’t think about
marrying him, you will have a different person...” An Ke
Hui knew that her daughter was by nature, and for fear
that she would do anything more, Yu Yu had a bitter heart
to persuade her.

“Mom! Don’t say it anymore! How to do the counting in my
heart!” After she finished speaking, she pressed the
on-hook button and threw the phone out severely.

“Huh! Lin Momo, Lin Momo, you are so fast, you have
already hooked Gu Yihan to marry you! How could it be
possible for me to give up like this?” Ye Qian just calmed
down. It was the mood that suddenly became hot again,
gritted his teeth and muttered to himself.

She had originally ordered that the person be speechless, and silently analyzed in her heart. Now that they are married, you reveal the use of cohabitation.

“You, come here!” Ye Qian pointed at the man and said fiercely.

Although the man knew that Ye Qian was getting angry, he didn’t dare to defy what she meant, so he had to bite the bullet and walked up.

At the same time, I don’t know how much the performance is similar to Ye Qian. I was planning to get married because the object was robbed by someone named Lin Momo. It was too much.

In an office, a man wearing sunglasses received a call again, “Help me investigate Lin Momo’s information.”

He turned to the person in front of him and said, “Go, make a photocopy of Lin Momo’s information and send it to Miss Zhang.”

The little brother looked like someone could not help asking, “What’s wrong with Lin Momo? Why suddenly so many rich and famous ladies want her to be information.”

“I asked you to come, mainly because I wanted you to do something for me.” Tang Yun looked at the middle-aged man with a goatee in front of him.

The middle-aged man held a string of Bodhi Buddha beads in his hand, and said casually, “Star Tang, you are really polite, you are so beautiful, how many men with your

words are willing to go up and down the sea of fire for you, why would you still look for me? .”

“Just talk about it and don’t do it!” Tang Yun looked at the other party and stared at him with a squint, disgusted in her heart. If she was not afraid of others leaking out something, she would not look for this. People!

“Fuck, why not? How can I refuse others because Miss Tang came here for business?” The man said again with a smile.

“Okay, Gu Yihan’s marriage is a matter, I think you have also heard.” Tang Yun saw that the man agreed and went straight to the topic.

“Of course.” For people like Gu Yihan’s head and face, regardless of whether there is a reputation in the underworld or the white way, he has invited him, so the message is naturally transmitted very quickly.

Of course, he was talking about business with Tang Yun as a human being, so naturally he was not in the ranks. On weekdays, he only helped others to collect money and look at the market. In Gu Yihan’s eyes, there was a little bastard.

“Well, tomorrow he is the wedding scene. I don’t want to see the bride appear.” Tang Yun stared at the man with eyes, and said very seriously.

“Huh? What do you mean? Don’t it?” The man was taken aback, and said, he stroked his neck with his hand.

Tang Yunzheng nodded, obviously he meant to kill Lin Momo.

The man was so scared that he backed away, leaned back on the seat, secretly swallowed his saliva, and said to Tang Yun.

“This? I can’t handle this business. You also know that Gu Yihan is the strength, so there is a random stomping, and the dragon has to shake it, if it really makes him anxious...” That person He continued, looking at Tang Yun with eyes.
