Chapter 110 Unsightly Photos

Without saying a word, Elisa smiled and handed her a stack of photos.

Renee furrowed as she took over the photos; all the unsightly photos exposed before her in that instant.

Renee looked pasty-faced as she browsed through the photos. Halfway through browsing the stack of photos, she tossed them on the table furiously because she couldn't stand the unsightly photos.

"This can't justify the veracity!"

Elisa dipped her head indifferently, "You can deny the veracity of these photos. Why don't you follow me to a place tonight? I'll show you."

Renee pulled a long face. She frowned upon that idea.
