### Chapter 114 A Grown Woman is Getting Married Soon

Renee's heart sank to the bottom!

Elisa glanced at her and said nonchalantly, "There are too many instances like this. You can stay here and observe him. He won't be able to spot us in this angle."

Renee stomped out the casino with a livid face as the two of them were busy flirting with each other.

Elisa followed closely. Soon, they got out to the barren land above the casino.

Renee let out a sigh but before she could speak, Elisa said, "This is not the place to talk. Come with me."

They got into the car, away from the public. Elisa said softly, "Now you know what you deserve to know. So, what is your plan?"

Renee closed her eyes, as if trying to recompose herself. Then, she looked at Elisa and sneered, "You must have found out that I am a vengeful person prior to this. Otherwise, why would you find me?"

Elisa smiled, "You are forthcoming, and I shall reciprocate. There's only one thing you can do, that is to expose his casino for revenge."

Renee narrowed her eyes as if she was in a dilemma.
