Chapter 133 Fault Finding

But, then again, if he knew that Rachel Markee was her sister, how dare he cheat on her!

Currently, Ms. Iris does not hold the Benett family name. However, her relationship with the family was not completely severed. Mr. Benett still vouched for him; therefore, he must play his cards to not offend him.

Ben instinctually wiped his forehead from the cold sweat. "Ms. Iris, this is a complete misunderstanding. Truly. I will tear this contract and revoke any previous agreement with Ms. Rachel."

Elisa smirked and affirmed, "If I were to be a defendant, Mr. Benett will have to cough up five hundred million."

Ben gave an exasperated expression. "It's my fault! Miss Rachel, I truly apologize for the things I've done. I was coerced!"

Rachel looked at Elisa in admiration.

Yes!

Initially, Rachel deemed the situation unsalvageable. However, not only did Elisa manage to turn the tables in their favor, but Ben may also have to pay up to five hundred million as compensation.

Elisa smiled and parted her lips slightly. "Well, since this is all a huge misunderstanding, I won't cause an altercation with Mr. Benett. However, I'll be your lawyer and take over Mr. Benett's lawsuit."

Ben gleamed over this development and thanked her. "Thank you, Ms. Iris. Thank you!"
