

## No Chance 139

### Chapter 139 The Light of Her Life

Vincent was all smiles as he observed Gareth's expression. As someone heedless, he had not noticed Gareth's unusual behavior before this. It was Jeremy who reminded him to keep an eye on Gareth.

And so, he seized the chance today to tease Gareth.

Seeing that Gareth's gaze was fixed on the screen, Vincent waited patiently.

"Miss Benett, you've been seeing Mr. Darcey even before the divorce. Is Mr. Darcey the reason why you divorced Mr. Wickam? Have you been two-timing Mr. Wickam?"

Gareth's expression turned ghastly.

In the past, Elisa had always been obedient, and Gareth had thought that she was sensible. However, she immediately agreed to help Will when the latter discovered that she was Iris. Thereafter, she even proposed divorce when Will brought her to the banquet.

Gareth understood Elisa was determined to get a divorce.
