

## No Chance 142

### Chapter 142 Blood Boiled

The clueless outsiders had been criticizing Elisa, thinking she was an outrageous woman, but only the insiders knew what was going on.

“So what if she’s pretty? Appearance is not everything. Moreover, you guys should know what kind of woman Elisa Benett is. There’s a saying that goes, ‘Don’t judge the book by its cover.’ We’ve only met her several times.”

Most of them were insincere and superficial when engaging in social interaction, so they were unaware of Elisa’s true character.

“What a pity. I’m not a guy. Otherwise, I’ll surely woo her. She’s just too gorgeous!”

“Tsk! A woman like her with such character and appearance looks much like Helen of Troy. God knows how much trouble she has brought to those around her. Good looks doesn’t necessarily guarantee a good ending!”

While the crowd was gossiping among themselves, someone exclaimed excitedly, “Here comes the great show!”
