

No Chance 143

Chapter 143 Hypocrites

At that moment, Elisa and Rachel were standing facing each other. Many guests were paying close attention to Elisa, but only a few came to greet her.

After all, Elisa's identity as Gareth's ex-wife was exceptional. Although they had divorced, the other guys wouldn't dare to mess with the President Wickam's former wife.

Besides, the ambiguous status between Elisa and Will also impeded other men from approaching her. Because if they did, they might offend the two big shots and land themselves in deep water.

When Rachel saw the two figures walking toward Elisa, she hummed with a smile tugged at her lips. "They're here."

Thereafter, she called out to Rose and Linda. "Hi Mrs. Bennett, Linda!"

Yesterday, Rachel told the reporters how Linda took care of her because of Elisa, so of course she had to take the initiative to greet Linda and Rose.

was thrilled when she

disgusted when she turned and saw

when Rose and her family were driven desperate, they had come to seek refuge from Elisa's father. Her father received them generously,

passed away, Norman snatched away all her father's shares. Back then when Norman asked her to sign the document, he claimed that the company still belonged to her and that he only did so to gain the trust of the shareholders. He even asserted that the Benett family should remain united

Elisa thought Norman treated her like his own daughter,

to adopt an equivocal stance as if he had

as the young lady of the Benett family, but

schemeful. In the past, Elisa didn't think they were cunning, but ever since her father passed away, the family couldn't care
