Chapter 148 Endless Tricks

Julia finally noticed Gareth, and her expression instantly turned sullen. "Brat! Are you still not taking my birthday seriously? Why are you here this late?"

"I wouldn't dare," Gareth answered calmly. Then, he glanced at the dazzling Elisa and said, "Grandma, you only have eyes for Elisa. Why would you have time for me?"

Julia sneered in anger, "You stinking brat! Are you mocking me? From now on, Elisa is my granddaughter, and your father's daughter. Thus, she is your sister."

Elisa, Gareth, and the crowd were all shocked.

What kind of joke is this? How did his ex-wife suddenly turn into his sister? What is going on here?

On the other hand, Linda suddenly broke into a smile. It's good that she is his sister. Then, they can never marry each other again.

She did not care what others thought and walked ahead with a smile. "That's wonderful. Previously, I kept worrying about whether it would be awkward once Elisa and Gareth divorced. Now that they will be brother and sister, it's the best ending everyone can hope for."
