

No Chance 149

Chapter 149 I Won't Let You Suffer This Indignity!

I wouldn't have minded her letting Elisa sit beside her. After all, there would still be another seat for me.

Now, this is just great! There's no more seat beside her anymore!

Elisa felt awkward and wanted to get up to give away her seat. However, Julia grabbed her hand and would not let go. Then, she scoffed at Darren. "If it weren't for the people around us, I wouldn't have bothered about you. You can go wherever you wish."

Meanwhile, Elisa did not know what to do.

Julia's actions made her feel even more awkward, and she could sense Darren's hateful glare at her. However, Julia was the star of the birthday banquet, so Elisa could not disobey her.

Gareth did not say anything but sat on Julia's left. He turned slightly and saw Elisa's hesitation.

He had never seen such an expression on her face ever since their divorce. Thus, he was dazed for a moment. She has changed. She has completely changed.

Darren had a sullen expression. However, he did not wish to argue
