### Chapter 151 The Surprises They Prepared

Julia chuckled. "Is that all? That's nothing to be curious about. Elisa and Linda are both intelligent young ladies, so I believe they understand me well and have prepared the best gifts for me. Thus, it wouldn't be right to compare, isn't it?"

She felt it would be unfair to compare the gifts.

At this moment, Linda rushed to Shirley and tugged her hand. "Shirley."

Then, Linda turned to Julia with a smile and said, "You're right, Grandma. It is only Shirley's idea, and it is unnecessary to compare the gifts as such. She suggested it because she was curious, so please don't take any offense."

Linda seemed to plead for forgiveness for Shirley's words. In fact, many of the guests could not help but wonder if Julia had blatantly favored Elisa.
