

No Chance 166

Chapter 166 I'll Leave, I'll Leave!

Elisa tried to get away from Gareth again, but failed. Elisa then shouted angrily, "Let go of me!"

Gareth was heartbroken and outraged by Elisa's words.

"Elisa! I know you're trying to get back with me! I'll give you a chance to remarry me, but you have to stop playing dirty tricks on me and stop getting close to Will!"

Elisa was speechless.

She was dumbfounded at Gareth's narcissistic behavior.

Gareth frowned. Is she seeking my attention now? Her expression... Is she seeing me as a fool who gives in easily?

Gareth was irritated by Elisa.

All of a sudden, Elisa lifted her leg and stepped on Gareth's foot!

Elisa was wearing a stiletto heel when she stomped on Gareth's foot. Gareth grunted and took a step back. Elisa felt relieved after breaking free from Gareth's arms.
