

No Chance 191

Chapter 191 Baffled

Elisa returned to her senses and looked at the door. "You may enter."

Standing right at the door, Albert quickly opened it and smiled at her. "Master Iris, I have some questions to ask you."

"Take a seat." Her eyes flickered when she said that.

He walked to her with a bright smile, making him a person who could be easily approached.

Then, he passed the files and folders to Elisa before explaining, "I'm in charge of a case recently, and I thought I could win for sure. However, my opponent suddenly retrieved a piece of solid evidence, and I couldn't find the points to refute him. Can you have a look?"

He did not proceed to explain the details, for everyone already knew about Elisa's capabilities.

Elisa looked at the files in her hand with a calm expression on her beautiful face. At that moment, she had already calmed herself down.

Taking this opportunity, Albert appraised her, not with the look that a man would give a woman, but with a look of admiration for his senior.
