Chapter 199 You're Up Early

"Got it."

Seeing that Gareth had no other orders, Thomas nodded and left.

...

Under Elisa's unwavering determination, she found a medicine bottle without any labels.

When she opened it, she saw white, rounded pills.

What are these? What illness did Dad contract back then? Did he keep it from me so that I wouldn't be worried?

Her lips were pressed together into a fine line, but she placed the pills back into the bottle to avoid notice.

Apart from that, there were no other suspicious things in the room, and she eventually gave up on her search.
