

No Chance 29

Chapter 29 Don't Fall Into His Trap!

At that moment, Julia was contemplating who could be a right fit for Elisa. She took her phone and was about to investigate the backgrounds of several decent young men.

Suddenly, a news notification appeared.

'Mrs. Wickam, Whose Husband Is Darcey's Group Competitor, Spotted in the Passenger Seat With Darcey Group's President'

Julia couldn't believe her eyes when she saw the title.

Will Darcey was the infamous playboy in the city. Even someone like Julia, who rarely read the news, was aware that he was a pleasure seeker. A flirty punk like him is totally out of Elisa's league. This must be a clickbait!

At that thought, Julia clicked into the news.

To her surprise, she saw a picture of Elisa getting out of Will's car, and their faces were captured clearly!

This is outrageous!

Julia immediately gave Elisa a call, but...
