Chapter 35 You're Going to a Banquet? !

Elisa did not answer Will while Rachel shifted her gaze between Elisa and Will. Something must be going on between the two of them! Could it be that Elisa has a thing for Will? But she hasn't told me anything all this while. No way, it can't be!

With a subtle change in her expression, Rachel asked directly, "Come on Elisa, you should've introduced your new friend to me earlier. When did you guys know each other? You guys seem to be pretty close."

Rachel winked at Elisa while saying that.

Will replied profoundly with a smile, "We haven't known each other for long, but our relationship is pretty good."

Relationship? What kind of relationship? Rachel looked nonplussed while Elisa smirked.

"Wash the vegetables."

Will giggled. "Yes, ma'am!"
