

## No Chance 43

Chapter 43 There's No Turning Back

Everyone knew that Will and Gareth were mortal enemies!

Elisa smiled and replied, "Please call me Miss Benett."

Mr. Godfrey's chubby face froze. He was a little shocked when he replied, "Wickam... No, Miss Benett, you..."

Will smiled and added, "Yes, they got divorced."

Mr. Godfrey was stunned!

Aren't they the most loved-up couple? Why are they divorcing all of a sudden?

Before Mr. Godfrey proceeded to ask more, Will said politely, "I've got things to do. Please excuse me."

Mr. Godfrey was disappointed as he wanted to gossip more. Elisa left with Will.

Will smiled at Elisa, "Mr. Godfrey has a big mouth. Soon your news will be circulating through everyone's mouth."
