Elisa smiled. "Thank you, Mrs. Wickam. If that is all, I shan't disturb you any further."

Monica's expression immediately changed, as her anger was about to erupt.

Is Elisa really agreeing to a divorce? However, in the next second, she snorted sarcastically. "You must be doing this on purpose, Elisa. If the divorce goes through, you know very well that it will impede the project worth billions that we are handling. You're planning to get some profit out of it, don't you?
