Chapter 55 Freedom at Last

Gareth walked outside without a single word, but Monica pulled his arm, stopping him in his steps.

"Gareth."

"Yes?"

"Are you really going to proceed with the divorce?"

Gareth looked at her calmly. "It was a bombastic piece of news today. If I don't proceed with it, I'll be the laughing stock of the entire city. How can I carry on with business after that?"

Monica's face darkened. "So you have to give up on this project."

Gareth snorted coldly. "And Will will get all the benefits without doing anything."

Even though the project had nothing to do with the relationship between Gareth and Elisa, Gareth did not have a good reputation before this. If he was to go through a divorce at this time, other people would speculate his abilities and integrity.
