

No Chance 98

Chapter 98 What does Mr. Darcey Want?

Elisa Benett was Wisteria. Elisa preached a 'Passionate and Stubborn Love' all the time and chose Wisteria as her name when she was deeply in love with Gareth.

She took on the name Iris for the same reason. Although there was no indication of which color she preferred, Elisa had always wanted to be a crimson Iris as it reminded her of red-hot passion – that was how much she desired Gareth.

Now that all those things were gone, she could only grin embarrassedly. There was no way she could change her name now.

Thankfully, her true name Elisa had nothing to do with him.

Her phone suddenly rang, jolting her back into the present.

"Is this Wisteria?"

Elisa grimaced to herself. This cannot be a coincidence!

"No, you are mistaken."
