

No Escape 645

[Chapter 645](#)

Amber's mindset was she wanted the verdict to come early so she could be put to death and the nightmare to be over.

Ella glanced around the room and saw a camera behind her.

Moving her position to block the camera, Ella took out a thick wad of cash from her bag and gave it to the two policewomen, "Please give us a few minutes."

Since there was a camera on the wall behind Ella, if Ella even moved slightly, their interaction would be clearly photographed. The two policewomen flatly refused the money.

"Sorry, we can't accept any bribes." In fact, it is only them who knew if they had ever been bribed.

Suddenly, when Ella was in that dilemma, someone outside called out, "Everyone gather here at once!"

The two policewomen immediately put the cash in their pockets then, looked at Ella harshly, "You better hurry up. We'll be right back."

"Thank you, thank you very much." Ella was not relieved until she saw them close the door.

She walked back towards Amber, "I know you have a reason for why you did it."
