

# Reborn to Be A Noble Wife

## Chapter 2

### Chapter 2 Reincarnated in the Body of Her Cousin?

“My Lady, My Lady, what’s wrong with you? Don’t scare me!” Yu Chun hurried to hold Qu Moying who was on her knees and covering her head.

“Where... where am I?” Ji Hanyue asked painfully, covering her head with force and closing her eyes. The memories of another girl’s life came to her mind. But she was Ji Hanyue who was pushed down the Linyuan Pavilion by the guards, instead of Qu Moying.

Why was she still alive?

“My Lady, this is your house. We have just been back for a few days. You live here!” Yu Chun answered nervously. She thought her lady asked such a question because she was scared.

“Why... why did the fire break out?” Ji Hanyue asked in a hoarse voice.

Ji Hanyue and Qu Moying’s lives intertwined in her mind, so she didn’t know who she was and had to ask by instinct.

“Why did the fire break out? My Lady, I want to ask you the same question. What is going on? Why did the fire break out suddenly when everything was fine? The Second Madam reminded us to beware of fire in the daytime, but a fire broke out in your house at night. Did you disobey the Second Madam deliberately?” Some senior housemaids entered the yard, and the head was Granny Wang, a personal servant of Yu.

Qu Zhizhen was the Second Master of the Qu Family, and Yu was the Second Madam.

It sounded as if Qu Moying set her house on fire deliberately to disobey Yu.

“Granny Wang, my lady was nearly burnt to death.” Yu Chun retorted.

“It’s not yet deep into the night!” Granny Wang waved and signaled to those coming with her to put out the fire. Then she glanced at Qu Moying scornfully while mocking in the heart: it was ridiculous that the blind girl coming from a village regarded herself as a master in the family, and it was a pity that she was not burnt to death!

“What...what do you mean? My lady isn’t well and always goes to bed early. She used to fall asleep at this time!” Yu Chun flushed with anger.

"I mean nothing. I just think...the fire breaks out when everyone is still awake. Who can be burnt to death?" Granny Wang walked over, bent to look at Qu Moying, sighed, and said while rolling her eyes.

She indicated that the fire was set by Qu Moying.

"Granny Wang, how dare you slander my lady?" Yu Chun was indignant.

"You are just a servant. If you think it unfair, you can complain to the master." Granny Wang said fearlessly.

Complained to the Second Madam? She wasn't afraid at all.

Glancing at Qu Moying who was squatting on the ground "in terror", Yu Chun felt sad. Even her lady was not treated as a master in the family, let alone her as a servant!

She was Qu Moying. She was Qu Moying now.

Qu Moying pressed her head with force and closed her eyes tightly. The sound around went far at one moment and came near at the next moment, but her mind became clear gradually.

She clenched her fists. Did she become her cousin Qu Moying? So it meant she revived?

Her heart was pounding so crazily and excitedly that it almost jumped out through her throat. Thanks to God's mercy, she didn't die in the lake below the Linyuan Pavilion. She was reincarnated in the body of her solitary and blind cousin. The quarreling sound was getting clearer...

"Granny Wang, you've gone too far! No matter how unpopular my lady is, she is a master here!" Yu Chun gritted her teeth and stood before Qu Moying to protect her.

"Master? A blind master? Who regards her as a master in the family..." Granny Wang laughed loudly. When she arrived just now, she saw Qu Moying holding her head with both hands and squatting on the ground. It was apparent that she was scared to lose her mind. Therefore, Granny Wang looked down upon her even worse and began to laugh at her loudly.

Suddenly, Granny Wang was slapped across the fat face, which made her silent.

"Bitch! You dare to slap me!" Granny Wang was slapped to be dizzy, and her face became red immediately. She covered her face with her hand and glowered at Yu Chun ferociously. She thought she was slapped by Yu Chun. She had never been slapped before, but a servant girl slapped her today. If she didn't give the girl a lesson, the Second Madam would lose face.

“Yu Chun, slap her hard!” Someone said coldly behind Yu Chun. Granny Wang looked up and found Qu Moying had stood up, which shocked her.

How dared the blind lady who hardly spoke talked to her in this way?

Did Qu Moying slap her just now?
