

## REBORN TO BE A NOBLE WIFE

### Chapter 655 - 4 Jealousy, a Memory of Youth

#### Chapter 4 Jealousy, a Memory of Youth

Zhu Yan'er did not expect Yu Dong actually remembered her, and also demolished her identity, but in her reaction is also fast, slightly flustered after, immediately asked with a smile; "Which house are you from?"

"Slave servant is from the Qu Mansion, Miss Zhu, please." Yu Dong moved to the side and reached out to lead the way to the private room.

Zhu Yan'er this is also difficult to ride the tiger, had to make a look with a few points of bewilderment to the private room, as if she really did not mean it, originally just want to make some trouble out of it, and now also put themselves into it.

Yu Dong, the maid, was still recognized by the people around her just now.

Her features carried a bit of the innate cluelessness of a young girl, easily inviting, and while some were skeptical, there was a part of her that was immediately convinced that she was truly innocent.

It's just the maids under her that are petulant.

A maid is not good, even the master, so strangely in the mouth of the crowd produced, talking about this Miss Zhu, is the object of everyone feel pity.

If there is such a maiden around, all are bound to feel that the master is an arrogant, this kind of maiden stays around for what?

Some shook their heads, others sighed, and still others felt that it was inevitably this Ms. Zhu who was deluded.

In the private room, Qu Mo Ying quietly sitting there, the curtain hat has been taken down, absolutely beautiful appearance so that only came in Zhu Yan Er shocked to stop, the hand of the handkerchief ruthlessly pinched in the palm, this moment of envy and jealousy almost rushed through the chest, it is difficult to repress, eyes rolled over a momentary loss of control of all kinds of emotions.

I can't believe ... it's really her?

Even though she felt unfamiliar when she entered the room, but when she looked closely, the faint red color at the corner of her eyes, the innocence with a flirtatious look, at a glance, made Zhu Yan'er recognize this Fourth Miss Qu in front of her.

The body turned, almost subconsciously, to leave.

"Ms. Zhu." Qu Mo Ying had already stood up.

"Fourth Miss Qu?" Zhu Yan'er fixed her mind and exhaled a long breath, and when she looked back again, she already had another cute face with a few moments of naivety.

"Precisely, Miss Zhu, please take a seat." Qu Mo Ying contained a smile.

Zhu Yan Er walked over and took a seat opposite Qu Mo Ying, "I didn't expect that after removing the eye veil, Fourth Miss Qu would be so ... good looking."

She curiously looked at Qu Mo Ying a few more times with a bit of delicacy.

"Those rumors said outside are really all false, Fourth Miss Qu should have removed her eye veil earlier."

"The eye disease was not healed before." Some of her moves Qu Mo Ying had seen in her eyes, and at this time, she smiled slightly and softly replied.

"So it's really okay now?" Zhu Yanhao asked curiously, "It'll be fine from now on? You can always remove the eye veil?"

“It should have been fine all along.” Qu Mo Ying nodded with a smile.

“That’s good, that’s good!” Zhu Yan’er laughed, only this sounded more than a little dry.

“Miss Zhu likes the ones from the party that haven’t been on the shelves yet in terms of peplums?” Qu Mo Ying looked in her eyes and continued to ask without moving.

“Let the fourth miss Qu laugh, the girl ring does not know what to do, caused such a thing, originally just said one more sentence, when your fellow passed by, he felt that these goods are very good, all very novel, I did not expect the girl ring actually got on for this, and provoked the girl ring beside the fourth miss Qu.”

Zhu Yan’er sighed bitterly and turned her head to the maid who followed her, rebuking in a low voice, “Don’t apologize to Fourth Miss Qu.”

The maid beside her hurriedly stepped forward and timidly said, “Fourth Miss Qu, the slave girl was rude just now, it was the slave girl who misunderstood our young lady’s words.”

“This girl ring took it upon herself to make such a big joke, if Fourth Miss Qu wants to be punished just do it.” Zhu Yan’er added.

This is to indicate that you can be punished at any time, with an excellent attitude, if it was not for the fact that there was such a fierce commotion outside just now, Qu Mo Ying almost really thought that it was just a misunderstanding as well.

A loyal maid, hearing the words of her master’s exclamation, immediately set off the storm, in fact, this master is ignorant!

Qu Mo Ying's heart laughed coldly, a maid dared to do this, if there was no master behind her, she really didn't believe it, but she didn't feel that there was any connection between herself and this Miss Zhu.

The two had only seen the only side before, or when they were in one place with the King of Wei, they always felt that this Miss Zhu's reaction today was strange, strange enough to make people feel that she both wanted to make things difficult for her, but was not very eager to see her, and under her eyes there was weakness, nervousness, and a hint of resentment and jealousy.

Is it because of your looks?

Qu Mo Ying didn't feel that his looks could trigger so many emotions in her, in fact, the two were just passersby, weren't they?

"Miss Zhu is polite, this maid ring or Miss Zhu herself punished is, I am the Miss of the Qu House, I can't reach out and control the maid ring of the Zhu House, it's not good." Qu Mo Ying faintly said, not wanting to see this Miss Zhu make a scene, raising her eyes to look at the doorway, "Miss Zhu came alone today, or did His Highness, the King of Wei, accompany her over."

"Yes, cousin!" Zhu Yan'er as if reminded, suddenly stood up, "Since Fourth Miss Qu impunes her, I'm bound to go back and punish her heavily, this will be but can't stay, cousin is still waiting for me outside, next time there's a chance to come back and catch up with Fourth Miss Qu."

Saying that, she picked up her skirt and slightly sidestepped towards Qu Mo Ying, considered a salute, and then left the private room with her maid in a hurry.

The footsteps were hurried, as if someone was chasing her behind her.

Qu Mo Ying looked at her back in surprise and frowned her willow eyebrows, Zhu Yan Er's actions were strange, but she didn't know the reason for a moment, since she didn't want to see herself, why make a scene?

“Miss, Emperor Wei is coming down.” Yu Dong saw at a glance from the window that on the carriage that stopped in front of Yue Yi Pavilion, it was the King of Wei that came down, and said in a low voice.

Qu Mo Ying’s watery eyes fell to the window, downwards, and what she happened to see was Zhu Yan Er coming out from inside, seeing Pei Qing Min hurriedly going forward to salute, after a salute, the two seemed to say something, Pei Qing Min raised his head to look upwards, and didn’t know what he had seen, and then retracted his gaze, nodded, and reboarded the carriage.

Behind her, Zhu Yan’er’s carriage also came over, and Zhu Yan’er followed and got into the carriage as well.

The two carriages left in a low profile, one after the other.

Above the window, Qu Mo Ying’s gaze thoughtfully watched the two carriages leave, Zhu Yan Er seemed strange today, it was really suspicious!

Before, he seemed to want to see himself, but afterward, he seemed to not want to see himself at all, and he didn’t even sue, so he directly led the Wei King away.

A look as if he was afraid that the king of Wei would see him ...

As soon as she got on the carriage, Zhu Yan’er’s face turned ugly.

“Miss.” The maid called out to her timidly.

“Isn’t it her?” Zhu Yan’er clenched her teeth, her face jealous and hard to help.

“It should be, the slave girl didn’t dare to look at Fourth Miss Qu more than once.” The maid said.

“Sure enough it’s her, if she had taken off her eye veil earlier, I would have recognized her, that touch of red at the corner of her eyes, it’s amazing that it hasn’t disappeared after so many years.” Zhu Yan’er gritted her teeth, her

fingers shivered slightly for a few moments, she had been lobbying her cousin before, saying that the red color at the corner of her eyes, was there when she was small, but might not be there when she was big, it might have faded and could not be seen clearly, it was also very possible.

It looks much lighter now, but if you look closely, you can still see it.

And this light red color actually made her look like her eyes were flowing and charming, making her original appearance, which was already very good, even more overwhelming.

She ... actually didn't die?

That place, she had been sending people to check before, and when she found out that place was not far from the manor of the Qu Mansion, she kept an eye on it, and when she saw this Fourth Miss Qu before, she also observed it carefully, but she wore an eye veil and blocked her face, so she really couldn't see her true appearance.

And outsiders have said that she looks ugly and difficult to see people, Zhu Yan Er did not put it in the heart, I did not expect ... to actually still be her.

She can't let cousin see, or rather can't let cousin see before she is not married, her heart suddenly jumped badly, all said that the fourth miss of the Qu family's eye disease is healed, the appearance of pouring beautiful, when the party recognized Yudong, she came over to pick a fight with a few points of malice.

Unexpectedly, actually seeing the person made her panic because she actually recognized Qu Mo Ying instantly as the girl she met when she was a child.

After many years, the memory of that girl, Zhu Yan'er has almost ceased to exist, only know that it is a small girl with colorful appearance, as for the rest, where can think clearly.

But it was just when Fang entered the private room and saw Qu Mo Ying for the first time, the memories of her childhood suddenly rushed up, making her clearly realize that Qu Mo Ying was the girl that her cousin had been looking for for many years.

If he could recognize Quemoy Ying himself, then so could his cousin!

This ... is an absolute no-no!

“Miss, do you still want to see the woman ... you found before?” Seeing that she was silent and didn’t say anything further, the maid asked again uneasily.

“Don’t want it, don’t want any women like this in the future, want the ones with red marks at the corners of their eyes, the shallow kind.” Zhu Yan’er said in annoyance.

In the past, she also felt that the red marks had faded, when she was small to when she grew up, it was normal for such faint red marks to fade away, but now Qu Mo Ying was actually still there!

“Miss, this ... slave girl has not seen a single one.” The maiden’s head lowered.

“If you don’t find it, go look for it, only the corners of your eyes have in-law red color, a little deeper, a little lighter will do, if you can’t find the same one, a similar one should always be there.” Zhu Yan’er clenched her teeth and said, the best way is to find a few similar ones, cousin will be less likely to believe it after seeing it more often, and the shock won’t be so great when he sees Qu Mo Ying again.

“Not just the capital close effect, far away places are fine, even those who have only just entered the capital are fine.” Zhu Yan’er thought about it and added another sentence, the scope is enlarged, the possibility of finding similar is even greater, there is always one or two it! When the time comes,

just say that at that time, because of things left the capital, so many years only to come back again.

Cousin has been looking for someone, the reason he didn't find it is because someone else moved away, and now unexpectedly moved back is, in short, to make cousin can't tell the difference for a moment when he sees the real face of Qu Mo Ying.

"Yes, when the slave girl goes back, she will let the steward go look for it."

The maid answered.

The handkerchief in her hand was pinched hard again and then relaxed, her cousin was hers, no one could snatch it away ...
