Chapter 9 Caught In The Evil Man's Arms

Chapter 9 Caught In The Evil Man's Arms

Alena Wright didn't know that Alfred Gray had lied to her about their meeting. At that time, she was busy preparing for the next bidding meeting with Christiano Cohen.

Soon, it was the day of the bidding meeting.

Christiano Cohen took Alena Wright to a styling room, "The bidding that we will hold tonight is very grand. All the big names in A city will be there, including many news media, so you need to dress up."

"Yeah," Alena Wright nodded. She did not comment as she knew that Christiano Cohen meant well.

About an hour later, Alena Wright had finally put on her makeup. She changed her clothes, and she came out of the room.

Christiano Cohen raised his head and he took a look at her. He immediately stayed in place and he stared at her in a daze. There seemed to be a flash of surprise in his eyes.

Alena Wright approached and called him, "Sir."

As Christiano Cohen heard her voice, he immediately came back to his senses.

"Since you're ready, I think we should go," Christiano Cohen blushed a little. He immediately turned around to conceal his embarrassment. However, his eyes couldn't help but look at Alena Wright several times.

The bidding was really grand and there were truly a lot of people there. Even though she and Christiano Cohen were had arrived on time, there were already luxury cars parked outside the hotel.

As soon as Alena Wright walked into the bidding venue, she saw Waylon Gray's handsome profile. He was wearing a navy blue suit and it added a bit of mystery to his original handsome face.

Alena Wright couldn't help but look at Waylon Gray a few more times.

Waylon Gray was very aware of Alena Wright's gaze. He turned his head and he looked in her direction. His gaze first traced her body, and there was a hint of depth in his eyes as he turned to look at Alena Wright.

Waylon Gray's eyes lit up as he saw Alena Wright.

Alena Wright wore a dark blue gown. The bottom part of her gown had a gradual fishtail design, which had highlighted her slender figure. Her outfit had made her look like a fascinating mermaid.

Waylon Gray carried a bottle of red wine as he walked towards Alena Wright.

"Cohen, the bidding tonight may make you run for nothing," Although Waylon Gray was talking to Christiano Cohen, his eyes were tightly attached to Alena Wright's body.

Waylon Gray's sounded really arrogant at that time.

"Whether it is for nothing or not, you can only know after the results are obtained." Christiano Cohen said as he stood in front of Alena Wright.

"Then let us look forward to it, let's see what will happen tonight!" Waylon Gray smiled like an evil before he turned and left.

Alena Wright breathed a sigh of relief as she watched Waylon Gray walked away.

Waylon Gray didn't even say a word to her, yet the man's powerful aura and aggressiveness were too strong that when he was just looking at her, she felt her clothes were being stripped naked.

Christiano Cohen heard Alena Wright sighed and asked he asked in an amused tone, "Why do you seem so afraid of him?"

"I'm not afraid of him," Alena Wright nodded truthfully.

"Anyway, don't be afraid. I'm at your side," Christiano Cohen grinned as he curled his lips.

Alena Wright immediately felt very relieved inside.

Christiano Cohen was the president of the Cohen Group of Companies. Although he was not as rich as Waylon Gray, he was also a son from a rich family.

People from all walks of life who wanted to cooperate with Christiano Cohen had come to say hello, and Alena Wright followed Christiano Cohen, with her face that was almost stifling with laughter.

Seeing that Christiano Cohen had finished drinking the red wine in his hand, Alena Wright immediately stepped forward and she quickly filled the wine glass for him. Just as she was about to put down the empty wine glass, a waitress walked over with a tray and she bumped into her.

The red wine in the glass had spilled all over her.

Alena Wright hadn't said anything, the waitress was so frightened that she burst into tears, "Miss, I'm sorry. I'm sorry, I didn't mean to."

"It's okay," Alena Wright only smiled bitterly as she was not planning to trouble the other party.

The waitress immediately said to Alena Wright gratefully, "Miss, your gown is dirty, I will take you to the bathroom to clean it up."

Alena Wright

nodded. She asked Christiano Cohen to be an excuse for a while before she went to the bathroom with the waitress.

When she was about to walk to the bathroom, the waiter suddenly stopped and told her, "Miss, the bathroom is on the left. I still need to go to the kitchen, so I won't be able to accompany you."

Alena Wright nodded without paying attention, and she walked towards the bathroom alone.

As a result, as soon as she entered the bathroom, she was pulled tightly by a big hand, and then the man had pushed her whole body against the wall.
