

# Nothing To Give But My Heart Chapter 97

Shen Qi was lost for words and thought she was suffering from auditory hallucinations.

*Why would Ye Moxuan come up with such a demand?* With her phone in his hand, he asked Shen Qi to give him a kiss and would give back her phone in return.

Was he really capable of doing such a childish act?

Ye Moxuan saw that she stood there without any reaction. Her face looked obtuse and lost, as though she was questioning herself if she heard it correctly. When he came round from it and realized what he had said, his ears turned red. Then he coughed and said, "You..."

But the next moment, the tranced Shen Qi suddenly came closer to him. Her face, which was bare of make-up, was magnified right in front of Ye Moxuan.

A soft sensation landed on Ye Moxuan's lips, which caused his pupils to shrink.

Shen Qi was reluctant at first, then she realized that their relationship was not an equal one. If she did not do as she was told, then Ye Moxuan had every reason not to return her phone.

She could be insistent on many matters, but she could never put her child at risk.

She was afraid that if Ye Moxuan found out about the truth, he would once again force her to have the child aborted.

So Shen Qi decided to pounce on him and give him a kiss.

She thought that they had kissed many times before anyway, so one more kiss would mean nothing.

The kiss was light. Shen Qi moved away as soon as she was done with it, and reached out her hand.

"Can I get my phone back now?"

*She did it for the phone...*

His gaze dimmed, and was filled with a tinge of fury. "You call that a kiss? Have you ever kissed someone? Did you forget how I kissed you before?"

Shen Qi was lost for words and her face turned red at the mention of their previous kisses.

Ye Moxuan's kisses were as brutal as a storm, and he would never allow her to escape. Even though he always told her that he was just humiliating her, his kisses were really...

"Impossible."

Ye Moxuan hung the phone in the air and smiled like a brat. "Don't you want your phone anymore?"

She bit her lip. After a short while, she mustered all her courage and flashed a wink to Ye Moxuan, then slowly moved closer to him.

She could never be as aggressive as Ye Moxuan, but she did learn a thing or two from their previous kisses. Like now she was clumsily reaching out her tongue to pry open his mouth, but she was inexperienced in this matter, so she did not know what to do next after inserting her tongue into his mouth. All she could do was stare at Ye Moxuan, who was within a short reach, with her beautiful eyes.

Her eyes were crystal clear, as though they could talk.

Ye Moxuan's gaze was eerily deep, like the eyes of a wolf that shone in the dark, as though he would pounce on her any moment, and completely devour her.

Shen Qi was startled and thought about escaping.

But his big hand was already placed on her waist when she attempted to escape, then he pulled her closer to himself and pressed her head with another hand. He turned the tide and kissed her passionately.

"Mmm..."

Shen Qi was entrapped in his arms as the two embraced closely.

His kiss was not tender. Instead, it was an aggressive and domineering kiss.

She barely had any moment to breathe or think, which caused her brain to go blank. The shy and reserved version of her earlier vanished into thin air, and now all she was left with was Ye Moxuan's breath in her mouth.

An idea crossed her mind when she was struggling, and she reached out her hand in an attempt to retrieve her phone.

"You're trying to snatch food from the tiger's mouth. What do you take me for?" Ye Moxuan withdrew his tongue, looking at her viciously.

Shen Qi was sitting right on top of him, her lips swollen as a result of the brutal kiss. She looked at him with her watery eyes.

"You said that you would return my phone if I kissed you."

"Did I?" Ye Moxuan said.

Shen Qi was flabbergasted. "You're eating your own words?"

"Did anyone hear it? Why do you care so much? Is there anyone in your contact list you badly need to reach?" Ye Moxuan lowered his head and lightly bit on her fair neck. "Let me guess. Is it your ex husband or... Ye Linhan?"

"No!" Shen Qi bit her lip as she scrambled to come up with excuses. "My family members' numbers are all on the phone, and there's some money on my electronic wallet. Can you give it back to me?"

Ye Moxuan was speechless as he didn't expect she would come up with such excuses.

"Do you think I will believe you?"

"I don't get it. Why do you want to confiscate my phone all of a sudden?"

He never touched her phone before. She wondered what got into Ye Moxuan that night that he suddenly wanted to confiscate her phone. Did he find out about it?

Ye Moxuan's gaze turned cold, then he pushed Shen Qi onto the bed.

"Your phone is obsolete. It will disgrace me."

He turned around and left in his wheelchair after he finished.

"Then return it to me. I will get a new one myself!" Shen Qi was desperate. She got up from the bed at once and chased after him.

Ye Moxuan halted in his wheelchair. He squinted and said, "Do you so badly want your phone back?"

Shen Qi stood there without uttering any word.

"I will give it back to you when I'm in a good mood."

Shen Qi was made speechless.

*Bast\*rd! You utter bast\*rd!*

If the situation allowed it, Shen Qi would definitely pounce on him and give him a good bash. But she couldn't, because the more she cared about the phone, the more unlikely he would return her phone.

He definitely found out about something. Shen Qi shivered at the thought of this possibility.

Shen Qi did not sleep well that night. The next morning she woke up with two dark circles on her eyes, and the first thing she said when she met Ye Moxuan was, "When are you going to return my phone?"

Ye Moxuan took in her dark circles.

"Is the phone really important to you?"

She nodded.

"What's the secret you hide in there? Tell me the truth."

Shen Qi shook her head. "There's really nothing. That's my phone. If you don't believe me, I can delete all the numbers except for my family and friends right in front of you."

Shen Qi could not help but raise her hand and swear, her eyes and expression full of sincerity.

Ye Moxuan curled his lips. "Alright. I will give it to you when we arrive at the company."

He asked Xiao Su to push him away after he finished. When Shen Qi was about to chase after him, Ye Moxuan said, "Remember to wear the dress from last night."

Shen Qi was feeling helpless. Her phone was in his hands, and she could only agree to all of his demands.

Shen Qi changed into the said dress but did not go straight to the company. Instead, she went to a convenience store and made a call to Han Xueyou. "Xueyou, I'm Shen Qi."

"What! I can barely open my eyes now. Why are you calling me so early in the morning?"

"Xueyou, something happened. My phone has been confiscated by Ye Moxuan," Shen Qi said nervously.

"Why? What happened?"

Shen Qi looked around anxiously as she bit her lip. "I don't know. He was okay before. But something got into him and he suddenly confiscated my phone. I'm worried that he might have found out about something."

Han Xueyou sat straight up from her bed at once and consoled her, "Don't worry. Where are you now? I'll come find you."
