

O game 651

Chapter 651 - This is too fake. Can a real dragon die by hitting its head?

Since I can't see any problems from the outside, I, Lin Tianhao, will play some tricks.

"Someone come!"

Lin Tianhao said loudly, and the previous red dragon quickly flew over.

"Your Majesty, what are your orders?"

Lin Tianhao's lips curled up slightly, and he said with a smile:

"I've been too bored lately and want to fight. How about you spar with me?"

In the illusion, speaking consumes a lot of energy for the caster, but it's not the most consuming.

The most consuming thing is high-frequency fighting.

There were rumors in my previous life.

It was said that high-frequency battles in the illusion would even cause the illusion to lag and eventually collapse.

Since the goal is to destroy the illusion, there's nothing to say, just fight.

The caster is very strong.

If I go directly to find the caster, it will be very, very difficult.

Therefore,

Lin Tianhao directly looked for someone to fight.

Lin Tianhao narrowed his eyes slightly, "Don't worry, I won't use my full strength, you won't die."

The red dragon immediately had a bitter expression, "Your Majesty, spare me, my strength is not even enough to withstand one of your toes."

A cold light flashed in Lin Tianhao's eyes, and he said coldly:

"If you say that, then don't blame me for being impolite!!"

Since the other party didn't want to fight, Lin Tianhao forced the other party to take action.

Seeing Lin Tianhao preparing to attack, the red dragon retreated in horror, shouting:

"Your Majesty, Your Majesty, spare me! Even if I'm wrong, you should let me die knowing why, right?"

"Disobeying the king's order is your mistake!!"

A cold light flashed in Lin Tianhao's eyes, and he whipped his tail towards the red dragon.

The red dragon flickered and distanced himself.

"Great Elder, save me."

Not far away.

The dark dragon quickly flew over. When he saw Lin Tianhao, he quickly said:

"Your Majesty, what's going on?"

"Disobeying the king's order deserves death!!"

Lin Tianhao's voice was icy cold. He just wanted to try today to see if the dungeon could withstand him fighting with these dragons.

When the dark dragon saw that Lin Tianhao was really preparing to fight, his expression instantly became very serious.

"Your Majesty, what exactly is going on? Candice Fire-scorch is loyal to you, how could he disobey the king's order?"

Lin Tianhao looked at the dark dragon coldly, "Do you think I am lying?"

"No, I just think there might be some misunderstanding here?" The dark dragon said.

"Misunderstanding?"

Lin Tianhao snorted coldly, "There's no misunderstanding, he just disobeyed the king's order. Looking at you, are you planning to protect him?"

"Since that's the case, then attack together. I want to see how much prestige I, the king, have, that one or two dares to disobey the king's order!!"

The dark dragon opened his mouth, looking at Lin Tianhao, and was about to say something.

The red dragon on the side was filled with grief and indignation, "Your Majesty, I am loyal to you, yet you treat me like this. You say I disobeyed the king's order, then I will crash and die on this True Dragon Sacred Mountain today. My loyalty can be witnessed by heaven and earth, and by the sun and moon!!"

After saying that.

The red dragon crashed down headfirst.

"Boom—"

With a loud noise, the ground cracked and the earth shattered.

What Lin Tianhao couldn't accept the most was that such a big dragon actually died here.

Lin Tianhao twitched the corner of his mouth. He knew that he was now in an illusion, but even if it was an illusion, it should have some logic, right?

This is a dragon!!

A real dragon!!

Just crashing like this, and he died?

You should at least act a little and let the dark dragon kill him.

However.

This scene also dispelled Lin Tianhao's last concerns.

The red dragon's suicide, and such a casual suicide, made him sure that his approach was correct.

The caster doesn't want a battle to break out here.

Therefore.

The caster chose to let the red dragon commit suicide.

After all, as a caster, he can control everything here.

Of course.

Lin Tianhao is an exception.

When the dark dragon saw the red dragon crash and die here, he opened his mouth and looked at Lin Tianhao with grief and indignation.

"Your Majesty, you're confused!!"

Lin Tianhao narrowed his eyes and looked at the dark dragon, saying with a smile:

"Disobeying the king's order, committing suicide to atone for the crime, you got what you deserved!!"

Hearing Lin Tianhao's words, the dark dragon questioned:

"How did he disobey the king's order?"

"Isn't him crashing and dying on this True Dragon Sacred Mountain enough to express his loyalty?"

When Lin Tianhao heard this, the corner of his mouth couldn't help but twitch.

This crashing was too fake, and the death was too casual.

And he still dares to mention it!!

"I asked him to spar with me, but he disobeyed the order, that's disobeying the king's order."

With that said.

Lin Tianhao changed the subject and looked at the dark dragon.

"Now that he's dead, I'll give you this order, come and spar with me."

"I hope you don't learn from him and disobey the order!!"

The dark dragon's pupils shrank, and he gritted his teeth and said:

"Your Majesty, I don't know what's wrong with you, you actually want to force us all to death."

"Candice Fire-scorch has already crashed and died on the True Dragon Sacred Mountain, do you still want to force me to death?!"

Lin Tianhao shook his head and said with a smile:

"I don't mean to force you to death, it's just a normal spar."

The dark dragon gritted his teeth and roared:

"Your Majesty, are you trying to force me to crash and die on this True Dragon Sacred Mountain before you'll feel better?!"

"Your Majesty, I beg you, wake up, don't be confused anymore."

A cold light flashed in Lin Tianhao's eyes, and he scolded:

"So, you also want to imitate him and disobey the king's order!!"

Lin Tianhao's voice was not loud, but it carried a strong sense of oppression.

He wanted to see if this dark dragon would also crash and die here.

If he also crashed and died here, then Lin Tianhao would really be depressed.

"Your Majesty, I didn't disobey the king's order, it's you who insisted on forcing me to die, and I won't imitate Candice Fire-scorch."

"Since Your Majesty has changed, I might as well not stay on this True Dragon Sacred Mountain."

As soon as he finished speaking.

The dark dragon turned around and wanted to leave.

Lin Tianhao snorted coldly, "Come as you please, leave as you please, what do you think my True Dragon Sacred Mountain is?!"

The dark dragon's face changed drastically, and he roared:

"Your Majesty, are you really going to harm your fellow clansmen?!"

At the same time.

The dark dragon flickered and disappeared directly.

When Lin Tianhao knew that the dark dragon wanted to run away, he had already activated Heavenly Punishment and used Arrow Follows Heart.

An arrow flew towards the distance.

Lin Tianhao followed closely behind, chasing the dark dragon with the arrow.

In the Heavenly Punishment state, Lin Tianhao's arrow will always follow the dark dragon until the dark dragon is hit.

Lin Tianhao found that his movement speed was not fast.

It seemed to be his original movement speed.

He maximized his movement speed, and the arrow continued to distance itself from him.

Chapter 652 - Black Cat Nine Lives, re-enter the fantasy world!

But Lin Tianhao still didn't give up, at least he knew the general direction.

Things had come to this.

Lin Tianhao had reason to suspect that the other party was the caster.

A Dark True Dragon?

But if that were really the case, would the other party need to use illusions?

But at this time, Lin Tianhao didn't have time to think so much, the feather arrow had already disappeared into the sky.

He chased after the direction where the feather arrow disappeared, but gained nothing.

The more he chased, the more Lin Tianhao discovered that the surrounding scenes began to undergo earth-shattering changes.

His original True Dragon body had disappeared, and he had returned to his original appearance.

It seemed that the caster knew that he had been exposed, and changed the way the illusion was cast.

But changing the illusion must have limitations.

If the illusion was changed once it was exposed, then this illusion would be too perverted.

Unless the caster was really a Divine Dragon, otherwise flaws would inevitably be exposed.

Just at this moment.

Lin Tianhao clearly noticed that the house on the left was a bit stuck, even a bit blurry, unstable.

"It's here."

The formation of illusions consumes the caster. Switching to a brand new illusion and constructing the illusion requires a process.

During this process, there is a high probability of such stuttering occurring.

As for the illusion that Lin Tianhao entered at the beginning, it was arranged by the caster in advance. As long as Lin Tianhao stepped into a certain place, he would be pulled into the illusion.

Therefore.

That kind of illusion looked incomparably real.

Lin Tianhao rushed into this stuttering room.

Sure enough.

He passed through this stuttering room and saw the overgrown weeds in the small courtyard again, as well as the somewhat dilapidated wooden house.

Lin Tianhao rushed towards the wooden house, but just at this moment, an extremely sharp cat meow came from behind him.

The sound of the cat meow was so sharp that it seemed to penetrate Lin Tianhao's soul, causing Lin Tianhao's ears to buzz non-stop, and his brain even crashed directly.

This meow has a problem, a big problem.

Lin Tianhao's brain was blank, only the buzzing sound in his ears kept replaying.

His eardrums were stinging, as if they had already cracked.

"Ah--"

Lin Tianhao let out a miserable scream in pain. While his brain was blank, he vaguely saw a sharp claw slapping towards him.

The speed was very fast.

Lin Tianhao wanted to dodge, but because his brain crashed, he couldn't make a dodging action at all.

The sharp claw划过了 his neck.

Lin Tianhao only felt a sharp pain in his neck, the sharp pain came quickly and went quickly.

The Heart Protecting Mirror of Heavenly Punishment's fatal defense was triggered, blocking this attack for Lin Tianhao.

In this short moment, Lin Tianhao finally recovered.

His brain gradually cleared up, and he also saw clearly the guy who had just attacked him.

A black cat.

A black cat slightly larger than an ordinary house cat.

Well, it might be a little fatter because it ate too well.

The black cat showed surprise in its eyes when it saw Lin Tianhao regaining consciousness.

Obviously.

But there is one thing that Lin Tianhao can be sure of.

That is, they can't withstand a few arrows from Lin Tianhao!!

In the Heavenly Punishment state, coupled with the Arrow Follows the Heart, no matter how fast this black cat moves or how many methods it has, it will be useless.

After all, locking the head is so unreasonable.

The black cat obviously had not realized the special nature of Lin Tianhao's feather arrow. When it saw Lin Tianhao's feather arrow flying, it even showed a playful look on its face.

Its body moved, turning into a phantom, trying to avoid Lin Tianhao's feather arrow.

Only.

No matter how it moved, Lin Tianhao's feather arrow always followed it.

When it realized that something was wrong, it was too late.

But it didn't give up resisting, its body split into nine, trying to use clones to block Lin Tianhao's feather arrow.

Unfortunately.

It failed.

Lin Tianhao's feather arrow accurately hit it, ending its sinful life.

But.

What surprised Lin Tianhao was that this black cat didn't die.

No.

Accurately speaking, it was dead, and then it came back to life.

After the black cat came back to life, its body turned into a phantom and disappeared from Lin Tianhao's face in an instant.

When the black cat disappeared, Lin Tianhao found himself trapped in the illusion again.

"How could this be?"

Lin Tianhao felt incredible. This black cat was indeed dead just now, but it was resurrected again and pulled him into the illusion again.

This method really made Lin Tianhao feel incredible.

Looking around.

This is a small city, a small city belonging to the human race.

It is bustling with traffic, people coming and going, lively... yet strange.

Because this is bustling with traffic, but it is quiet and a bit scary!!

Before, when Lin Tianhao observed those humans in the posture of the Dragon King, he didn't have this feeling.

He only thought that they didn't speak because they were afraid of him.

But in this bustling place, these people didn't speak at all.

As for the reason.

Naturally, it is because too many people speaking consumes more energy for the caster.

But no one speaking still makes this small city seem too strange.

Looking at the previous one, there were several True Dragons and millions of humans transformed.

But now this small city is transformed, the key is that the people in this small city don't speak.

This shows.

The fact that the black cat was killed by him just now must have hurt its origin.

Otherwise, judging from the comparison between these two illusions before and after, the difference would be too great.

According to legend.

Cats have nine lives, is this the reason why the black cat died and came back to life?

His feather arrow in the Heavenly Punishment state must have hit the black cat, indicating that the black cat was indeed dead.

Apart from this explanation, Lin Tianhao couldn't think of a better explanation.

"Nine lives?"

"Then I will knock them off for you one by one."

Just as Lin Tianhao was thinking this, a figure wrapped in flames flew into the air.

With a wave of her hand, she slashed out several cold ice sword qi.

And the object of her attack was a girl in a black dress.

The girl in the black dress was being chased, but she didn't panic. Her figure passed through the wall like a ghost.

"咻咻--"

The girl in the black dress had just passed through the wall when Lin Tianhao's two feather arrows in the Heavenly Punishment state followed.

Because he could tell at a glance that the woman wrapped in flames was none other than his sister, Lin Qingqing.

And the girl in the black dress she was chasing was likely transformed by the black cat, even if it wasn't transformed by the black cat, it didn't matter.

Just consider it helping his sister.

Lin Qingqing couldn't help but exclaimed when she saw this scene:

"Brother, your reaction speed is too fast."

It was impossible for Lin Qingqing not to be surprised. The appearance of the girl in the black dress was only a momentary thing.

Immediately afterwards, she ran away through the wall, but Lin Tianhao was actually able to seize this fleeting opportunity to shoot an arrow.

This kind of reaction is shocking!!

Chapter 653 - The illusion is broken, the purple spirit fruit is revealed!

Lin Tianhao smiled noncommittally. Anyone who had lived through the Great Cataclysm for a few years would have this level of reaction speed.

After all, those without this reaction speed had mostly died in the first three years of the Great Cataclysm and wouldn't have survived to the later stages.

"That black-skirted girl..." Lin Tianhao asked.

Lin Qingqing said earnestly:

"I felt that the black-skirted girl was different from the others. When I went to talk to her, she actually attacked me."

Lin Tianhao nodded. If that was the case, then it could be basically confirmed that the black-skirted girl from just now was the transformed Black Cat.

"Find it and kill it!"

Lin Tianhao said concisely, directly chasing after the direction where the Black Cat had just disappeared.

He could kill the Black Cat once, and he could kill the Black Cat twice.

Lin Qingqing raised a hand, and a small flame appeared in her palm, flickering continuously in one direction.

"This way."

Lin Qingqing looked in the direction the small flame was flickering.

"Just now, I left my power on her body, and I can find it."

Lin Tianhao's eyes lit up. His sister's ability was too strong.

And too practical.

Most importantly, this was the Dragon Cave, and she wasn't affected at all when using these methods. This was a bit too unbelievable.

Lin Tianhao could only say that Lin Qingqing was really strong.

If that was the case.

Then he and Lin Qingqing were really different from other adventurers.

Even if he was ignorant, it also indirectly indicated that Super God-tier talents were rare existences.

But it was this rare talent that he and his sister Lin Qingqing simultaneously possessed.

This couldn't help but make Lin Tianhao think of something, and that was... bloodline!!

Because apart from this reason, he couldn't think of any other reason.

Withdrawing his thoughts.

Lin Tianhao followed Lin Qingqing, chasing after the direction the flame was flickering.

Lin Qingqing's movement speed was not at all slower than Lin Tianhao's.

It wasn't that her movement speed attribute value was higher than Lin Tianhao's, but because of her control over the Dao.

She had added the power of the Wind Law to her body, and her speed naturally received a considerable boost.

Not only that.

That Level 1 Mage seemed to be the same.

When the Daos of various attributes all had good realms, therefore even as a Level 1, the power of her various spells was quite terrifying.

Under Lin Qingqing's lead, Lin Tianhao quickly found the black-skirted girl.

Seeing that Lin Tianhao and Lin Qingqing had actually found her, the black-skirted girl simply didn't run anymore.

"I am not your opponent, I'm not playing anymore, I can give you the thing I'm guarding."

Lin Tianhao's expression was indifferent, "But I still want to continue playing, because if I kill you, I should be able to get the scroll to summon you."

"A god with nine lives, who is also skilled in illusions, I have no reason to let you go."

Hearing Lin Tianhao's words, the black-skirted girl's expression instantly became extremely gloomy.

"You come to the Dragon Cave only to seek wealth and profit, why be so ruthless!"

Lin Tianhao pondered for a moment and said:

"I don't want to be ruthless either, but the temptation is too great."

The black-skirted girl coldly snorted, "You really are a greedy fellow. I can tell you how to quickly pass the next level in exchange for you letting me go, how about it?"

Lin Tianhao grinned, "No, but if you are willing to tell me how to quickly clear this Dragon Cave, I might consider letting you go."

"Go to hell!"

The black-skirted girl shouted angrily, directly giving up on negotiations. Her figure transformed into an afterimage, and in the blink of an eye, she had already arrived close to Lin Tianhao.

But two streaks of ice sword energy also arrived close to her. As long as she took another step forward, she would be torn apart by the ice sword energy.

But she didn't care at all. Her figure flickered, dodging the ice sword energy, and even appeared behind Lin Tianhao like a ghost.

At the same time.

Her sharp claws, emitting a cold light, grabbed down towards the back of Lin Tianhao's head.

The sound of air being torn apart came.

If this strike landed, Lin Tianhao's Heaven's Punishment Ring's fatal defense would also be triggered.

Of course.

Lin Tianhao still had the Absolute Block and Absolute Delay skills unused.

If he used them now, they could both block this strike for him.

However.

Lin Tianhao didn't use them.

Because, there was no need at all!!

When the black-skirted girl's claws were less than a centimeter away from the back of Lin Tianhao's head, her movements stopped, and she looked at Lin Tianhao in disbelief.

Her movements were already very fast, but she was still not as fast as Lin Tianhao.

Several feather arrows pierced through her chest, ending her life.

When she was preparing to attack, Lin Tianhao also attacked.

As for relying on movement to appear behind Lin Tianhao, it was still useless.

Because the feather arrows would follow.

The black-skirted girl was very unwilling, but it was to no avail.

Her body slowly fell down, revealing the Black Cat's true form.

Lin Tianhao didn't relax his vigilance, because he knew that this Black Cat most likely had nine lives. It had only died twice, which meant it had seven lives left.

Sure enough.

The originally dead Black Cat was resurrected.

This time, it still didn't run away, but instead chose to bare its fangs and claws and rush up.

However, it was useless!!

Each time it died, the Black Cat's strength would clearly decrease by a notch.

The Black Cat, which had already been killed twice by Lin Tianhao, now had even less power to resist in Lin Tianhao's hands.

Three times...

Four times...

Five times...

.....

In the blink of an eye.

The Black Cat had already died nine times!!

This time, the Black Cat did not resurrect again.

As Lin Tianhao had predicted, after dying nine times, it lost the ability to resurrect.

A scroll fell out from the Black Cat's body.

Lin Tianhao raised his hand and picked up this scroll.

Nine-Lives Illusion Cat Summoning Scroll: God-tier item.

Usage requirement: Limited to Xue Di.

Effect: Summons a Nine-Lives Illusion Cat to help you fight.

Note: This item is a one-time use item. There is no time limit for the Nine-Lives Illusion Cat summoned. It dies when killed.

Durability: Indestructible.

A satisfied smile appeared on Lin Tianhao's face.

This Nine-Lives Illusion Cat was quite powerful, but it was a pity that it encountered the combination of Lin Qingqing and him. Otherwise, it would probably be very difficult to deal with.

The illusion disappeared.

Lin Tianhao and Lin Qingqing returned to the overgrown courtyard.

Entering the courtyard.

There was still the Black Cat's corpse on the ground.

Lin Tianhao looked around.

He didn't find any precious treasures.

He then stepped into the room. Inside the room, Lin Tianhao found three fruits.

Purple Spirit Divine Fruit: God-tier.

Usage requirement: Limited to one fruit per person.

Effect: Permanently increases soul power by 10 million.

Durability: 100.

Lin Tianhao's eyes narrowed slightly. This was a good thing.

Lin Tianhao wasn't too surprised that soul power was quantified.

Because someone had done it in his previous life.

It was just that it had nothing to do with Lin Tianhao, because there was a standard for quantifying soul power.

It seemed that when the soul value exceeded 100,000, you could see your specific soul value.

Chapter 654 - Canyon Stone Forest, upgraded divine beads!

This thing that can increase soul value by ten million is definitely a treasure among treasures.

After all, Lin Tianhao knew very well in his previous life how difficult it was to improve soul power.

“Qingqing, this one is for you.”

Lin Tianhao handed Lin Qingqing a Violet Spirit Divine Fruit.

Seeing the Violet Spirit Divine Fruit in Lin Tianhao's hand, Lin Qingqing's eyes lit up, and as if she had thought of something, she took it without hesitation.

“Really for me?”

“Of course.”

Lin Tianhao nodded.

Lin Qingqing took the Violet Spirit Divine Fruit and walked forward with Lin Tianhao.

Three paths appeared ahead, leading to endless darkness.

Lin Tianhao still let Lin Qingqing choose first.

“Let’s go the middle one.” Lin Qingqing said.

Lin Tianhao frowned slightly, he always felt that something was wrong, but he couldn't quite put his finger on it.

It just felt like the current Lin Qingqing was a little unfamiliar.

But Lin Tianhao looked at the Violet Spirit Divine Fruit in his hand, and it didn't seem to have any problems.

Following the middle path that Lin Qingqing said, the two went all the way forward.

When Lin Tianhao stepped into the darkness at the end of the road, Lin Qingqing beside him took a step back.

“Not good!!”

Lin Tianhao turned around, but he was already swallowed by the darkness.

He was tricked!!

When he saw [Lin Qingqing] backing away, Lin Tianhao realized there was a problem.

Sure enough.

After he passed through the darkness, the Nine Lives Phantom Cat Summoning Scroll in his backpack disappeared.

“What I saw just now were all illusions, what a calculating Nine Lives Phantom Cat!!”

The Nine Lives Phantom Cat made Lin Tianhao assume that the black-skirted girl was it.

But in fact, the real it should be [Lin Qingqing].

It came into contact with Lin Qingqing in the illusion, learned some of Lin Qingqing's methods, and knew about his relationship with Lin Qingqing.

Therefore.

There was the scene of Lin Qingqing chasing the black-skirted girl!

This way, he would assume that the black-skirted girl was the Nine Lives Phantom Cat.

Then.

The black-skirted girl was killed by Lin Tianhao eight times, revealing the black cat's true form.

But all of this was an illusion.

The real black cat was [Lin Qingqing]!!

As for why the Violet Spirit Divine Fruit was real, Lin Tianhao vaguely had a guess.

That is.

If the benefits of the level where the gatekeeper is located are taken away, people who enter the Dragon Cave later will not reach the level where the gatekeeper is located.

In other words.

He probably won't encounter the Nine Lives Phantom Cat later.

Unless...

He can clear this Dragon Cave.

If that's all.

It wouldn't make Lin Tianhao too heartbroken.

What really made Lin Tianhao heartbroken was that he also gave the black cat a Violet Spirit Divine Fruit.

Judging from the black cat's reaction when he gave the black cat the Violet Spirit Divine Fruit before.

The thing he gave the black cat should belong to the black cat itself.

Damn it!!

He was tricked and even gave away a Violet Spirit Divine Fruit.

Lin Tianhao felt that his chest was bleeding.

This was simply a huge loss.

Now that he reacted, it was too late, he couldn't go back to that place just now.

However.

He will definitely be able to go back.

As long as he can clear the Dragon Cave, he will definitely be able to find the Nine Lives Phantom Cat again.

Moreover.

The ending of the Nine Lives Phantom Cat is still unknown.

After all.

His sister Lin Qingqing is still there.

The Nine Lives Phantom Cat has some abilities, but when it comes to fighting, the Nine Lives Phantom Cat is no match for his sister.

Withdrawing his thoughts.

Lin Tianhao looked forward.

This is a canyon, with a jagged canyon on both sides.

The two sides of the canyon are so high that you can't see the end.

To be precise.

Lin Tianhao was shrouded in endless darkness not far after he looked out.

Lin Tianhao stepped into this jagged canyon.

In this canyon stone forest, Lin Tianhao has not yet found the gatekeeper.

All the way forward.

Lin Tianhao saw a statue ahead.

It was a statue of a woman, although it was only carved from stone and had no color embellishment.

But just like that, you can still see the peerless elegance of this woman.

Lin Tianhao did not hesitate to activate Arrow Follows the Heart.

Regardless of whether this stone statue woman is the gatekeeper, he will shoot her a few arrows first.

“咻 咻 ——”

Feather arrows pierced through the air.

In the blink of an eye, it had already enveloped the woman.

Under Lin Tianhao's feather arrows, the stone statue woman's body was fragmented.

Lin Tianhao's eyes narrowed slightly, this stone statue woman was not the gatekeeper.

He continued to move forward.

Lin Tianhao vaguely sensed something was wrong.

Because he hadn't walked far before he saw a broken statue ahead.

Isn't that the stone statue woman he just smashed?!

“A maze?”

Lin Tianhao frowned, but he was not flustered.

In fact, when he saw this canyon stone forest, Lin Tianhao had already guessed in his heart.

Now it can be considered confirmed that this is a maze.

The existence of mazes is mainly divided into two types.

One is a road maze, with one road connected to another, and only one road is correct.

It is even possible that there is no correct one, and each road may be a way out, or it may be a dead end.

This is also known as a living maze.

However, living mazes generally have traces to follow.

And the other type is the one Lin Tianhao is encountering now, with the same environment, and things with similar characteristics all around.

Influencing people who enter the maze through some details, making people who enter the maze frantically circle around, and they just can't get out.

Lin Tianhao pondered for a while, the simplest way to deal with his situation is to give up subjective judgment.

Because in this kind of maze, the road you think is right is often wrong.

Therefore.

When choosing a road, you must choose the road that you think is impossible to be a way out!!

In short.

It is to make choices that deviate from the norm.

With a decision in his mind, Lin Tianhao began to move forward according to his ideas.

This time, he no longer walked the route he thought was a straight line.

On the contrary.

Lin Tianhao this time chose the route he thought was circling around.

Sure enough!!

These experiences accumulated in his previous life are useful.

After walking a few laps according to the route that Lin Tianhao thought was circling around, the front suddenly opened up and a mountain appeared.

A bluestone steps lead to the top of the mountain.

On top of the steps, there was a bead.

The bead was placed about a hundred steps up, allowing people to see it, but unable to reach out and obtain it.

Lin Tianhao looked around and did not find any problems.

This should be the reward the maze gave him after he broke the maze.

Lin Tianhao walked to the steps and got closer.

Only then did Lin Tianhao see the introduction of the bead clearly.

Grade-Up Divine Pearl: Divine Grade.

Usage Requirements: None.

Effect: After use, any creature below Divine Grade will have its grade +1.

Durability: 100.

Note: Each creature is limited to using one.

Lin Tianhao's pupils suddenly shrank, he had completed a grade-up before, so he naturally knew the huge benefits of grade-up.

If he can grade-up again, then the Xitu Empire will not be able to stop him!!

Chapter 655 - The steps of nothingness, Blade is here to invite you!

Thinking of this.

Lin Tianhao took a step and stepped onto the first step.

But as soon as he stepped on this first step, his body sank slightly.

It was as if a thousand-pound boulder was pressing on him, making it difficult for him to bear.

You must know.

Although he can still use super-god-level skills and equipment now.

But he is really just an ordinary person.

Lin Tianhao's body was overwhelmed and flew out, crashing heavily on the ground.

"This is intentional, right!!"

Lin Tianhao's face sank slightly. The treasure was right in front of him, but he couldn't get it.

Lin Tianhao took a few steps back. This time, he maximized his speed and rushed towards the steps.

One...

Two...

Three...

"Bang — —"

Lin Tianhao withstood three steps this time, but still flew back in the end.

Relying on the sprint, Lin Tianhao only went up three steps.

It is almost impossible to go up these hundreds of steps.

But since this level is established, there must be a way to obtain that thing.

Since he can't go up, what about his arrows?

Thinking of this.

The arrow was launched from the heart, and several feather arrows flew towards the steps.

When the feather arrow flew to the sixth step, it fell sharply.

Ordinary feather arrows are useless.

Under this powerful pressure, it is impossible to shoot through.

Since ordinary feather arrows won't work, then try the Heavenly Punishment.

Lin Tianhao activated Heavenly Punishment and locked his eyes on the hundredth step.

"Shoo shoo — —"

The feather arrow pierced through the air and flew towards the hundredth step.

The feather arrow was still considered normal when it flew over the first five steps.

But when it reached the sixth step, Lin Tianhao clearly noticed that the flying speed of his feather arrow had slowed down.

Then, seventh, eighth, ninth...

The further the feather arrow went, the slower it flew.

This made Lin Tianhao realize something bad.

Although his feather arrow in the Heavenly Punishment state is bound to hit.

But its flying speed will be slowed down by some forces.

When the feather arrow flew over thirty steps, its speed was already too slow to look at.

At least.

Lin Tianhao felt that according to this development, it would probably take half an hour for his feather arrow to reach the hundredth step!!

Or even longer!

Because the feather arrow is still being continuously decelerated.

It can only be said.

The blessing of the Heavenly Punishment state makes it impossible for Lin Tianhao's feather arrow to stop, otherwise it would be really hard to say.

When the feather arrow broke through fifty steps, its speed was already like a snail.

Lin Tianhao's brows furrowed even tighter. He originally thought it would take half an hour to arrive.

Now it seems that it is questionable whether it can reach the hundredth step in an hour.

Thinking like this.

Lin Tianhao settled for second best.

The feather arrow flew towards the tenth step.

He wanted to see what kind of changes would occur to the steps after being attacked by his feather arrow.

The feather arrow quickly reached the tenth step.

"Bang — —"

The feather arrow bombarded the steps, but no changes appeared on the steps.

But Lin Tianhao was not discouraged, and the feather arrow continued to fly towards the tenth step.

By the ninth feather arrow, cracks appeared on the tenth step.

When the fifteenth feather arrow arrived, the tenth step was already full of cracks, and there were several cracks.

Finally!

When the twenty-first arrow landed, this tenth step exploded.

There's hope!!

However.

After the tenth step exploded, a void appeared in the position where the step was originally located.

It was as if the void there had been swallowed and stripped away.

Lin Tianhao's expression was serious. If this is the case, it would be more troublesome.

Thinking like this.

Lin Tianhao aimed the feather arrow at the second step.

This time it was even faster.

In less than a second.

This second step had already exploded.

Like the tenth step, after the second step exploded, what was presented below was a void.

Lin Tianhao set foot on the first step, and it was still the same pressure as a thousand-pound boulder.

The only good news is that there is no pressure on the second step, which is now the void.

Because Lin Tianhao reached out and tested it.

Thus.

That would mean.

The pressure will also disappear from the steps that are broken by his feather arrows.

Then.

Lin Tianhao found a stone from the stone forest behind him.

He threw the stone into the void.

The stone disappeared in an instant, and I don't know where it went.

This void...

It is very likely related to the legendary black hole.

This level.

It is almost impossible for him to pass by relying on his own strength.

Although his Heavenly Punishment is powerful, it lies in its powerful attack and has nothing to do with defense.

These steps one after another obviously require one to possess a powerful defensive power.

Currently.

There is only one person who meets the conditions, and that is his sister Lin Qingqing.

It's just that at the Nine Lives Phantom Cat, Lin Tianhao and his sister have been separated.

Thinking like this.

Lin Tianhao fully activated his Fiery Eyes and Golden Pupils, trying to see if there were any other ways to obtain the upgrade divine orb?

But the result was a great disappointment to Lin Tianhao.

He did not find any other way to obtain the upgrade divine orb.

"Exit the Dragon Cave."

Although it was a pity, Lin Tianhao still chose to exit the Dragon Cave.

After coming out of the Dragon Cave, Lin Tianhao received a message from Lin Qingqing.

"Brother, I seem to have been tricked. Where did you go? Do you want me to exit the Dragon Cave to find you?"

Lin Tianhao naturally agreed readily, "I just exited the Dragon Cave and am at the resurrection altar."

"Okay, I'm coming."

Lin Qingqing didn't intend to explore alone. She directly chose to exit the Dragon Cave and appeared at the resurrection altar not long after.

After coming out of the resurrection altar, Lin Tianhao brought Lin Qingqing and returned to the Dragon Cave.

It's just.

This time, before Lin Tianhao returned to the Dragon Cave, an acquaintance sent him a message.

The person who sent the message was none other than Berserker Blades.

"Great God Snow Emperor, I'm very sorry about what happened last time. I wonder if there is a chance to cooperate again?"

"Cooperate on what?"

Lin Tianhao did not refuse outright.

There is no need for the conflict between him and Madam Nineflower to affect Berserker Blades.

At least.

Lin Tianhao and Berserker Blades have had a very pleasant cooperation along the way.

"Still the Dragon Cave, still the same place as last time." Berserker Blades said somewhat helplessly.

Lin Tianhao frowned. With different positions, it is not easy for him to judge the right and wrong of Madam Nineflower.

But Madam Nineflower's attitude was already there last time, so it is impossible for him to go back.

"I've been very busy recently."

Lin Tianhao's words are not false. He has his own Dragon Cave to explore, so of course there is no need to work for Berserker Blades and the others.

If it weren't for Madam Nineflower's matter, it wouldn't be impossible for him to bring Lin Qingqing over.

But now, it's not possible.

"Great God Snow Emperor, I know that Madam Nineflower's behavior has made you dissatisfied. This time, I have the say in this Dragon Cave. Madam Nineflower has no right to interfere in the affairs of this Dragon Cave."

Chapter 656 - The woman in blue, the divine body!

Lin Tianhao pondered slightly and ultimately chose to decline.

"Sorry, I'm really busy right now."

Crazy Blade Warrior smiled helplessly upon seeing Lin Tianhao's response.

"Alright, Snow Emperor, when you're free, we can cooperate again."

"Okay."

Lin Tianhao responded and returned to the location of the Dragon Cave.

He had just arrived when he saw several adventurers being killed by his undead subordinates.

Lin Tianhao didn't care.

Qiong Huang Island was extremely large, inhabited by a large number of NPCs from the Moon Wheel Empire, so it wasn't strange that players would come here.

Those he summoned to guard the Dragon Cave were basically Tier 7 and above, even Tier 8 and Tier 9 experts.

At this stage.

There were almost no adventurers who could defeat his undead subordinates.

Even Lin Qingqing would find it difficult to contend with them without a domain.

Entering the Dragon Cave.

This time.

Lin Tianhao and Lin Qingqing actually appeared on the seabed.

A sense of suffocation instantly surged into Lin Tianhao's heart.

Lin Tianhao had the title of Child of the Sea. Under normal circumstances, his combat power wouldn't be affected in the slightest in the ocean.

However.

The space isolated by the Wind Laws had very low oxygen content.

Lin Tianhao and Lin Qingqing both felt a suffocating sensation due to lack of oxygen.

Lin Qingqing performed hand seals again, and the space was expanded further.

This time, Lin Tianhao felt that the power of the laws released by Lin Qingqing had changed.

The power of the laws she released this time seemed to be... Space Laws!

It could only be said.

Lin Qingqing kept giving Lin Tianhao surprises.

The problem of oxygen was solved by forcefully isolating the space with Space Laws.

While Lin Qingqing was isolating the space, Lin Tianhao was already observing his surroundings.

According to Lin Tianhao's observation, this was an underwater altar.

The altar was very large.

Huge stones were piled up to create various strange patterns.

It could be seen.

The sacrificial scenes here must have been spectacular.

Lin Qingqing and Lin Tianhao walked onto the altar together, and immediately beams of light lit up below the altar.

Immediately afterward.

A figure gradually coalesced.

In the blink of an eye, a woman in a blue robe appeared in front of Lin Tianhao and Lin Qingqing.

“Whoosh whoosh—”

Arrows pierced through the air.

Two arrows with the Heavenly Punishment status cut through the sky, arriving in front of the blue-robed woman in the blink of an eye.

The arrows passed through the blue-robed woman's body, but didn't cause any damage to her.

“A phantom?”

Lin Qingqing frowned.

Lin Tianhao shook his head. After his Heavenly Punishment status was activated, even phantoms couldn't be immune.

Therefore.

This blue-robed woman wasn't a phantom, but... a projection!!

“Sending out a projection, is the guardian of the Dragon Cave so incompetent?” Lin Tianhao said with contempt.

The blue-robed woman smiled slightly, “Such provocations are useless against me.”

Having said that.

The blue-robed woman changed the subject and said: "If you're so capable, why don't you try to find where my main body is?"

Lin Tianhao stepped forward, "Find? If you don't come out, I'll destroy this altar."

Hearing this.

The blue-robed woman smiled playfully and said:

"Young man, you're too naive. This altar is built with ancient stones from beyond the heavens. It would take me great effort to destroy even one of them."

"You two, don't even think about it."

Lin Tianhao grinned, "Remember your current face, I like your blind confidence!!"

Lin Tianhao didn't even need to activate his Heavenly Punishment status to attack these stones.

Ninety arrows per second!!

The first ancient stone from beyond the heavens shattered before Lin Tianhao could even withstand it for a second.

"How is that possible?!"

The blue-robed woman's face was filled with disbelief. She was very clear about how terrifying the wear resistance of the ancient stones from beyond the heavens was.

But something with such wear resistance was actually shattered by Lin Tianhao.

“Who exactly are you people?”

“Our Dragon Cave knows about all the major forces, bloodline inheritances, and hidden ancient clans of the Divine Continent, but we've never seen someone like you.”

“Could you be from the Falling Sun family?”

The blue-robed woman seemed to have thought of something, but then shook her head.

“No, that's not right. Unless someone from the Falling Sun family comes wielding the Falling Sun Divine Bow, it's impossible to be this powerful.”

“Although you shoot arrows, the arrows aren't shot with a bow. The arrows come from the heart... Are you a Confucian Dao expert?”

“A Confucian Dao expert from the Divine Continent... Heavenly Sage Academy, or... Master's Pavilion...”

The blue-robed woman kept guessing, but Lin Tianhao remained unmoved.

“No, no, you're too young. It's impossible for a Confucian Dao practitioner to reach this level, impossible, impossible...”

Lin Tianhao smiled and said:

“You don't need to guess. If you come out voluntarily and let me kill you, I'll tell you where I come from.”

The blue-robed woman's eyes narrowed, staring straight at Lin Tianhao.

“Very well, I am already a person who ekes out a meager existence. It is not a loss to know the origin of a peerless genius like you.”

With that.

A huge stone slowly opened, and a blue-robed woman lay there quietly.

“I am actually already dead, so I can only use this grand formation to appear as a projection.”

Lin Tianhao: ???

“You're kind of wasting my expressions. You're already dead, why are you saying so much?”

The blue-robed woman glanced at Lin Tianhao with some surprise.

“I am really curious about where you come from, that you don't even recognize my Heaven-Sealing Divine Body.”

Lin Tianhao was stunned. He had never heard of the Heaven-Sealing Divine Body.

He had heard of Heaven-Sealing and becoming a God.

He had seen that at the place where the Ice and Snow Goddess died.

However, Lin Tianhao wasn't too clear on how exactly one could seal the heavens and become a God.

“Heaven-Sealing Divine Body?”

Lin Qingqing was somewhat surprised. Judging from her reaction, she seemed to know about this Heaven-Sealing Divine Body.

“Brother, I've heard people talk about this Heaven-Sealing Divine Body. It can conceal the secrets of heaven. When those with great fortune and super geniuses are transcending tribulations to become gods, they may face world-destroying lightning tribulations and die.”

“But if one can find a Heaven-Sealing Divine Body, they can conceal the secrets of heaven and successfully become a god without transcending the lightning tribulation.”

Only then did Lin Tianhao understand the power of this Heaven-Sealing Divine Body.

Transcending tribulations to become a god!!

This tribulation is also the biggest problem that prevents most gods from becoming gods.

“So, this Heaven-Sealing Divine Body of yours is the benefit of this level?” Lin Tianhao was indeed surprised.

“That's right.”

The blue-robed woman nodded with a smile, “There are actually three difficulties in this level. The first is the seabed, the second is finding the location of my corpse, and the third is breaking this stone.”

“The first and second can be achieved with some powerful secret techniques, but as for the third, I know that very few people can do it.”

Having said that.

The blue-robed woman changed the subject and said:

“Now it's your turn to tell me, where do you come from?”

Chapter 657 - Ned Lifu, the third-grade God King!

“Fan Hall!”

Lin Tianhao's answer was simple; he wasn't the kind of person to break his word.

“Fan Hall?”

The blue-clothed woman frowned, seemingly in thought.

Suddenly.

She seemed to have thought of something.

“I once heard that in the vast continent, someone used the body of a mortal to slay a god; that person seemed to be the Hall Master of Fan Hall.”

Lin Tianhao nodded and smiled, “That's right, that person was the previous Hall Master of Fan Hall; I am the current Hall Master of Fan Hall.”

Hearing this.

The blue-clothed woman was somewhat surprised, “You are so young, yet you are already the Hall Master of a Hall.”

Lin Tianhao smiled and said, “Now, your body belongs to me!”

As soon as he finished speaking.

Lin Tianhao reached out and touched the blue-clothed woman's body.

A powerful and terrifying pressure instantly swept out.

“Bang!!”

Lin Tianhao's body instantly sank, and his entire person was directly crushed to the ground by this immense pressure.

Seeing this.

A faint smile appeared on the blue-clothed woman's face.

“Forgot to tell you, to obtain my body, there is a fourth trial, and that is my Heaven Sealing Divine Might!!”

Lin Tianhao's fingertips trembled slightly; he could feel that this Heaven Sealing Divine Might was even more terrifying than ordinary divine might.

“Qingqing!”

Lin Tianhao tried his best, but still couldn't stand up.

Since he couldn't stand up, then he would let Lin Qingqing take action.

Lin Qingqing's expression was solemn; she didn't underestimate the enemy.

On the contrary.

She valued it more than anyone else.

Her body was shrouded in layers of light beams.

In the end.

These light beams actually formed a lotus flower of thirteen colors.

When Lin Qingqing touched the blue-clothed woman's body.

Her body instantly sank, and a thirteen-colored Dao Rhythm Lotus appeared above her head, which stabilized Lin Qingqing's figure.

Lin Qingqing grabbed the blue-clothed woman's wrist, preparing to put her into her backpack.

But at this moment.

An even more powerful and terrifying divine might emanated from the blue-clothed woman's corpse.

The thirteen-colored Dao Rhythm Lotus above Lin Qingqing's head began to tremble violently; it looked like it could shatter at any moment.

“Bang—”

The thirteen-colored Dao Rhythm Lotus shattered instantly.

However.

There was still good news.

That was that before the thirteen-colored Dao Rhythm Lotus shattered, Lin Qingqing had already put the Heaven Sealing Divine Body into her backpack.

It's just that.

Along with the shattering of the thirteen-colored Dao Rhythm Lotus, Lin Qingqing was no longer able to isolate space.

Sea water surged in, and the feeling of suffocation came again.

It's just that this time.

Both Lin Tianhao and Lin Qingqing chose to directly exit the Dragon Cave.

Especially Lin Tianhao.

If he didn't exit the Dragon Cave, then his death prevention would be wasted.

After reviving at the revival point, Lin Qingqing was very excited.

"Brother, that's great."

"Our talent, if we become gods in the future, will inevitably suffer extremely terrifying heavenly tribulations."

"Now, we don't need to worry about this problem anymore."

Lin Tianhao smiled and nodded; this Heaven Sealing Divine Body had endless wonderful uses, not just to help them.

In the future, it could also help others avoid heavenly secrets.

Lin Qingqing didn't hide anything and directly traded the Heaven Sealing Divine Body to Lin Tianhao.

Seeing this transaction.

Lin Tianhao thought of another method to exploit a bug.

That was to give the Heaven Sealing Divine Body to Monkey and let Monkey give it to him.

Because Lin Tianhao had previously used this method to exploit bugs, he found that the ownership of the things inside the Dragon Cave still belonged to him, not Fan Hall.

But it was also hard to say.

Because there might be two concepts: Dragon Cave clues and exploration of the Dragon Cave, and obtaining benefits from the Dragon Cave.

Therefore.

If he directly offered a reward for the Heaven Sealing Divine Body, in the end, the ownership of the Heaven Sealing Divine Body would still very likely belong to Fan Hall.

If it was something else, it wouldn't hurt to let Monkey try it.

But the Heaven Sealing Divine Body was too important to Lin Tianhao; he couldn't gamble like this.

If he really gave the ownership to Fan Hall, then it wouldn't be so convenient for him to use it in the future.

“Okay.”

Lin Tianhao accepted the Heaven Sealing Divine Body and checked the situation of this Heaven Sealing Divine Body at the same time.

Mysterious Corpse: Unknown.

Introduction: This is a corpse with a Heaven Sealing Divine Body, which can be used to conceal heavenly secrets.

Wear Resistance: Indestructible.

The introduction of this corpse was too simple, but just this sentence of being able to conceal heavenly secrets was already considered heaven-defying.

Just as Lin Tianhao was checking this corpse, the blue-clothed woman's projection suddenly appeared beside Lin Tianhao.

“What should I call you? My future master.”

Lin Tianhao was stunned, “You can still project out of the Dragon Cave?”

The blue-clothed woman grinned and said, “Wherever my corpse is, I can project to that place.”

“Oh.”

Lin Tianhao's eyes narrowed slightly, “So, you were tricking me before, this isn't your projection, but your remnant soul?”

“No.”

The blue-clothed woman shook her head and said, “This is indeed my projection, but my projection isn't based on that altar, but on my own corpse.”

Lin Tianhao didn't delve into this question, because this blue-clothed woman seemed to know Shenzhou Earth very well, which might be a small help to him.

After all, Lin Tianhao would inevitably go to a wider area in the future.

It wouldn't be a bad thing to understand the level of those people in other places in advance.

"You asked me what to call you, shouldn't I, as the master, ask you what to call you first?" Lin Tianhao said.

"Nidalee Fu." Nidalee Fu readily said her name.

Lin Tianhao raised his eyebrows, took out the Book of Life and Death, and rewrote the name of Grevor Longte on it to Nidalee Fu.

After writing Nidalee Fu's name, he actually started to stack life points.

"You were indeed tricking me." Lin Tianhao said.

If Nidalee Fu was really dead, then he shouldn't have increased life points by writing Nidalee Fu's name in the Book of Life and Death.

Nidalee Fu sensed something, widened her eyes, and looked at Lin Tianhao in disbelief.

"What did you do, I actually sensed that my remnant soul was hurt."

"Stop it!!"

Lin Tianhao glanced at Nidalee Fu's projection, didn't lose blood, but it was no longer important.

“Where is your remnant soul?” Lin Tianhao asked.

“In Shenzhou Earth, in a sealed place in Nanzhou.”

Lin Tianhao stared at Nidalee Fu for a while, and finally smiled, “If I have the opportunity, I can help you rescue your remnant soul.”

“By the way, what was your strength in your prime?” Lin Tianhao asked casually.

There wasn't a single true God King on his God Conferring List!

“Third-Rank God King Realm!”

Lin Tianhao's eyes lit up, sure enough, it was a God King!!

Chapter 658 - Rewards leading to the second floor!

There have never been any God King experts on the God Ranking.

It's just a pity it's too far away.

Otherwise, Lin Tianhao would definitely find a way to kill Niderif's remnant soul right now and send her to the God Ranking.

“Why do you look at me with such unfriendly eyes?”

Niderif looked at Lin Tianhao warily.

“Although the thing in your hand can cause damage to my remnant soul from a super long distance, the damage value is not high.”

“At least, it’s almost impossible to hurt my remnant soul.”

“I can grind away your health little by little.” Lin Tianhao smiled.

Niderif looked at Lin Tianhao with the eyes of an idiot and said:

“You... ..Alas, although you are extraordinarily talented, you are ultimately from the mortal palace, and you don’t understand many things.”

“After reaching the God King Realm, being hit by attacks like yours won’t cause us much substantial damage.”

“Even a trace of God King power can allow us to recover quickly.”

Lin Tianhao didn't see Niderif lying.

“When I used to kill gods, I felt it was very easy.”

“Easy?”

Niderif frowned, “It’s just the limitation of the rules. When these rules are relaxed, your current power, facing a real god.”

“Even the weakest god is not worth mentioning.”

Lin Tianhao also knew that the main reason he could kill gods was because of the rule restrictions of the Twilight of the Gods.

As for another reason, it was that Lin Tianhao used the God Ranking to snowball.

“How much do you know about this Dragon Cave?”

Lin Tianhao returned to the topic. Whether it was the Divine Continent, the God King Realm, or the relaxation of the rules, those were all things for the future.

Now, Lin Tianhao's top priority was the Dragon Cave in front of him.

“This Dragon Cave was established by an Ice Flame Dragon King who ran away from the True Dragon Ancestral Vein.”

“At its peak, there were three God Kings sitting here at the same time, and the number of gods even exceeded a hundred.”

“It’s just a pity that any force has its decline, and this Dragon Cave is no exception.”

Lin Tianhao frowned slightly, “Is such a huge rule restriction in this Dragon Cave just the means of a God King?”

To be honest.

Lin Tianhao was shocked.

After all, apart from the super-god level methods, many of his other methods, including the Holy Gift methods, could not be used.

If this was all the work of a God King, then what about the God Emperors above the God King? What about the God Emperors?

How terrifying should those characters be?

Niderif shook her head and said seriously:

“No.”

“I don’t know when this world began to undergo some subtle changes. This change is reflected in the dataization of everything, and also in various seals and various rule restrictions.”

“I only know that some people call this changed world... ...Twilight of the Gods!”

Lin Tianhao took a deep breath. He knew some things in his heart, but he couldn't be sure now.

“New gods emerge, old gods fall. In the Fourth Era of God Creation, we, the existences in the God King Realm, may just be foils for you.”

Lin Tianhao smiled noncommittally. It was true that new gods were emerging, but it was not certain that old gods would fall.

The things Lin Tianhao experienced in his previous life told Lin Tianhao.

The five years of the game are the key to the Fourth Era of God Creation.

Niderif looked at Lin Tianhao with interest and said with a smile:

“You are really greedy, but it is almost impossible to completely eat through a Dragon Cave.”

“At least, for the two of you, it is almost impossible.”

“Why do you say that?” Lin Tianhao asked.

“The Dragon Cave you are exploring now is divided into three levels. Each of these three levels has a guardian.”

"I am the guardian of the first level, and also the simplest. Next, there are the second level and the third level."

At this point.

Niderif changed the topic and continued:

"But to put it bluntly, with your current strength, it is as difficult as climbing to the sky to reach the second level."

Lin Tianhao was slightly startled, "To go to the second level, do you need to walk up a stone ladder with a hundred steps?"

Niderif nodded and smiled:

"Yes, it seems that you should have already come into contact with the steps leading to the second level."

"Then you should know that to go to the second level, with your current strength, you cannot set foot on the second level of this Dragon Cave."

Lin Tianhao was silent. He looked at Lin Qingqing.

Niderif shook her head and said:

"Don't look, my Heaven Sealing Divine Might should be equivalent to the eightieth step."

"She can't get past the remaining twenty steps either."

Lin Tianhao pondered for a while, then suddenly said:

“Speaking of which, if we pass your level, does it mean that we can get all the rewards from the first level?”

Hearing this.

Niderif smiled knowingly, “You finally reacted.”

“However, because you died immediately after passing the level, you didn’t have time to settle the rewards.”

“Now you can get the rewards for passing the first level of the Dragon Cave as long as you enter again.”

Lin Tianhao's eyes lit up, “That’s great.”

There are countless treasures in each level of the Dragon Cave.

How precious it is to be able to obtain the treasures of one of them.

Lin Tianhao took Lin Qingqing back to the Dragon Cave.

The two stepped into the Dragon Cave again.

Immediately afterwards.

Lin Tianhao and Lin Qingqing both appeared in front of the steps leading to the second level.

The Upgrade Divine Pearl was still suspended at the position of the hundredth step.

As soon as Niderif arrived here, she noticed the two steps that had been destroyed by Lin Tianhao.

“Did you do this?”

Niderif looked at Lin Tianhao with the eyes of a devil.

Lin Tianhao grinned, “I did a little experiment. According to my experimental results, if I destroy all these steps and then fly over, there will be no problem.”

Niderif took a deep breath and said seriously:

“The idea is very good. Theoretically speaking, your idea has a certain feasibility.”

“But... ..”

Niderif changed the topic and continued:

“Your feather arrows should be able to fly over twenty steps at most. If you go further, they will be directly crushed by the huge pressure.”

Lin Tianhao showed a mysterious smile.

“Didn’t you say that I am a peerless genius? As a peerless genius, I naturally have some abilities that only peerless geniuses have.”

Niderif widened her eyes and questioned:

“You can’t really destroy the steps behind, can you?!”

Chapter 659 - The second level of Dragon Cave!

Lin Tianhao didn't answer, but changed the subject.

“Nidlee Fleur, shouldn't we be getting our rewards now?”

Nidlee Fleur shook her head, “It's her, not you.”

“I am the final stage of the first level, and the condition for clearing the final stage is her passing my stage.”

“Therefore, the reward settlement for the first level belongs to her.”

Lin Tianhao was stunned, he always felt that Nidlee Fleur was targeting him.

But turning his head, he saw Lin Qingqing already settling the rewards.

As his own sister.

He didn't care who settled the rewards.

Besides, if it weren't for Lin Qingqing, he really wouldn't have been able to pass Nidlee Fleur's stage.

After about three minutes, Lin Qingqing finally finished settling the rewards.

She looked at Lin Tianhao with a face full of surprise and said:

“Brother, these rewards are really too generous.”

“It's just a pity that many things are limited to my use only.”

Lin Tianhao supported his forehead.

Although he had expected it, he still felt a bit depressed hearing Lin Qingqing say this.

After all, he was hoping to get benefits in this Dragon Cave and then clear the Xitu Empire.

But now, he didn't expect that it would be put on hold again.

However.

It can't be completely called a postponement.

With Lin Qingqing's flying ability, as long as he destroyed the steps, Lin Qingqing could fly him up, and then he could get this grade-raising Divine Pearl.

If they all had them, he felt that it would be much easier for him to take off.

“Who knows? After this Dragon Cave was formed, it's the first time I've left this Dragon Cave.”

Lin Tianhao smiled helplessly, but no matter what, this was a clue.

What if...

Maybe other Dragon Caves also have grade-raising Divine Pearls, or grade-raising treasures exist.

“Don't think about other Dragon Caves yet, to be honest, I don't believe you can destroy these steps.”

Nidlee Fleur looked at Lin Tianhao with a smile, "The wear resistance of these steps is no worse than the ancient stones from outer space you smashed before."

"Most importantly."

"The pressure will increase greatly with each step."

Lin Tianhao smiled and said: "Whether I can smash them or not, we'll wait and see."

The words fell.

Lin Tianhao directly activated the Heavenly Punishment state, sending one hundred arrows to each step.

First, the ninety-ninth step, then the ninety-eighth, ninety-seventh...

Continuously downward.

The reason why he didn't start from the one hundredth step was because Lin Tianhao was worried that after the one hundredth step was broken, the grade-raising Divine Pearl would fall, and that would outweigh the gain.

At first.

The flying speed of the feather arrows was normal, then it began to slow down, then slower, and finally became as slow as a snail.

But no matter how slow the feather arrows became, one thing was extremely stable.

That is, these feather arrows did not stop, or fall.

Seeing this scene, Nidlee Fleur couldn't help but widen her eyes.

"How... how could this be?!"

This scene really subverted her understanding of feather arrows.

"The speed of the feather arrows is obviously very slow, indicating that they are indeed under great pressure."

"But why haven't they fallen?"

Hearing this.

Lin Tianhao just smiled playfully and said:

"Nidlee Fleur, you were born in a big force at any rate, don't be so ignorant, okay?"

Nidlee Fleur opened her mouth, she wanted to say something, but in the end, she suppressed the words that came to her lips.

Lin Qingqing watched quietly from the side, waiting for Lin Tianhao to successfully smash these steps.

The steps in front were smashed by Lin Tianhao one by one, and time passed bit by bit.

In the blink of an eye.

Half an hour passed.

Now only the steps after ninety have not been smashed.

All the other steps have been smashed by Lin Tianhao.

But it is these last few steps, the flying speed of the feather arrows has slowed down to an unbelievable level.

Another full half an hour passed.

These ten steps from ninety to ninety-nine were all smashed.

“Qingqing!”

Lin Qingqing knew what Lin Tianhao was thinking, she urged the Law of Wind to lift Lin Tianhao up.

The two flew towards the one hundredth step.

Nidlee Fleur said seriously:

“Although I don't know how you did it, the pressure of the one hundredth step is not something your body can withstand.”

“You can't even touch the grade-raising Divine Pearl.”

Lin Qingqing raised her hand, she wanted to condense the thirteen-colored Dao rhyme lotus again to fight for Lin Tianhao.

But Nidlee Fleur's voice came again.

“I don't suggest you do this, condensing the Dao rhyme lotus continuously in such a short time will definitely backfire on you.”

Lin Qingqing's expression was serious, her eyes fell on Lin Tianhao.

As long as Lin Tianhao nodded, even if she suffered backlash, she would still condense the Dao rhyme lotus again without hesitation.

However.

Lin Tianhao shook his head.

He still had some methods that he hadn't used, and it wasn't impossible to get this grade-raising Divine Pearl.

Moreover.

If it really didn't work, he could just fly to the position of the original ninety-ninth step.

Attack the one hundredth step from the position of the ninety-ninth step.

After the one hundredth step was shattered, he could then catch the grade-raising Divine Pearl.

Of course.

Lin Tianhao now has a better method.

Nidlee Fleur looked at Lin Tianhao with interest.

She was also very curious about what Lin Tianhao would do.

Just at this moment.

She widened her eyes.

Because Lin Tianhao quickly took action and easily took the grade-raising Divine Pearl suspended on the 100th step into his hand.

“How did you do it? According to my observation, you don't have such power at all.” Nidlee Fleur asked curiously.

She was very surprised in her heart.

She had been shocked too many times today, and now she was relatively calm.

“It's not important anymore.”

Lin Tianhao smiled and didn't delve into the problem.

He was able to quickly get the grade-raising Divine Pearl.

Because of two!!

The first is absolute blocking, and the second is fatal defense.

These two, missing one is not okay.

But these are not important anymore.

He has now successfully obtained the grade-raising Divine Pearl, and his goal has been achieved.

Holding the grade-raising Divine Pearl, Lin Tianhao urged the arrow to be fired from the heart, and smashed the one hundredth step.

“The two are clearly not high in rank and level, but this strength is too weird.”

Watching Lin Tianhao and Lin Qingqing successfully ascend to the second level, Nidlee Fleur muttered to herself, she silently followed.

Dragon Cave Second Level.

Lin Tianhao had just set foot here and found that the original three forks had disappeared, leaving only a lonely road.

The only thing that was the same was that the end of this road was still endless darkness, making it completely impenetrable.

Chapter 660 - Blood Lake Cave, Cha Yunlei Demon!

Lin Tianhao and Lin Qingqing exchanged a look, and both stepped into the darkness ahead.

As soon as they entered the darkness, Lin Tianhao heard faint whispers.

As he continued forward, the whispers became more distinct.

Lin Tianhao was finally able to clearly hear the whispers.

"Burn him, burn this heinous demon."

Hearing these words, Lin Tianhao was shocked.

Because he saw the situation around him clearly.

A large number of commoners surrounded him, and he himself was bound to a pile of firewood with iron chains.

"Snow Emperor, bloodthirsty and cruel, has killed countless commoners. Today, we shall act on behalf of heaven and kill this heinous demon."

A middle-aged man in luxurious clothing said with righteous indignation.

Lin Tianhao's eyes narrowed slightly, and he tried to break free from the chains binding him.

But he found that he was completely unable to do so.

The middle-aged man in luxurious clothing threw the torch in his hand into the dry wood at Lin Tianhao's feet.

In the next instant.

A raging fire erupted.

Lin Tianhao was a little dumbfounded and somewhat helpless.

He didn't even understand what was going on before he was engulfed in flames.

The burning sensation spread throughout his body, and then Lin Tianhao returned directly to the resurrection point.

"Did I just get killed like that?"

Lin Tianhao's expression was a little unsightly, this death was somewhat inexplicable.

He didn't even have the slightest power to resist, and was swallowed by the fire.

However.

As long as he could regain his freedom of movement, he could take further action.

"Nidaleeve, what was the deal with that level I just experienced?"

Although Lin Tianhao had already thought of a countermeasure.

This was only the first step.

Before Nidaleeve could answer, Lin Tianhao saw a flash of light in the resurrection altar, and Lin Qingqing also resurrected from within.

Obviously.

Lin Qingqing survived longer than him, but in the end, she still couldn't withstand the final level.

"How are you?" Lin Tianhao asked.

Lin Qingqing spread her hands, "This level is a bit too unreasonable, it's a direct kill, not giving any chance at all."

Nidaleeve smiled from the side, "That's natural."

"The difficulty of the second level is much higher than the first level, especially since many have a certain degree of compulsion."

"It's almost impossible for you to use the previous methods to pass the second level."

Lin Tianhao thought slightly, he didn't think it was impossible.

"If you know something, you can tell me, after all, I am considered your master now."

Hearing this.

Nidaleeve did not answer Lin Tianhao's question, she raised her eyes and looked into the distance.

"If I were you, I should be worried about other problems."

Nidaleeve's voice had just fallen when Lin Tianhao and Lin Qingqing both looked in the direction she was looking.

However.

Lin Tianhao and Lin Qingqing didn't see anything, everything seemed normal.

Just at this moment.

The voice of the God of Undead sounded in Lin Tianhao's mind.

"Master, sea beasts are coming, very strong sea beasts."

As the voice of the God of Undead fell, a wave hundreds of meters high swept up, pressing towards Qionghuang Island.

Not only Lin Tianhao and the others saw it, but many people on Qionghuang Island also saw it.

Something abnormal must be a monster.

This Qionghuang Island was only established recently, how could it attract the attack of such a great demon.

"Go!!"

Lin Tianhao took a step forward, and three domains instantly unfolded around him.

These were naturally not Lin Tianhao's own domains, but the domains of the gods beside Lin Tianhao.

The three great divine domains unfolded, Lin Tianhao wanted to block the waves brought by these sea beasts.

Nidaleeve felt the domains unfolding on Lin Tianhao, and her eyes widened.

"Three gods are following him?"

"It seems that this Fan Palace still has some foundation."

Lin Tianhao was surrounded by the three great divine domains at this time, facing the hundreds of meters of waves directly.

It was fortunate that the Sea God Poseidon went out to help with the reclamation, otherwise this scene would not be worth mentioning at all.

Of course.

Even without the Sea God Poseidon, this scene was still not worth mentioning for Lin Tianhao.

Below.

In Qionghuang Island.

Many adventurers and NPCs were staring wide-eyed.

"What happened? What is this situation?"

"This wave is hundreds of meters high, right? Is this the terror of the sea?"

"I can't accept it, what is going on? Is there a god going to attack our Qionghuang Island?"

... ..

They looked at the hundreds of meters high waves, and each of them showed a look of despair.

"Swish swish swish — —"

Those who had flying methods had already begun to soar into the sky when they saw the waves coming.

They wanted to fly higher than the waves in order to avoid the attack of the waves.

But just at this moment.

Three ugly sea demons stepped out of the waves.

One of the sea demons was surrounded by electric arcs, and any adventurers and NPCs who flew into the air would face his precise lightning care.

"The sea demons are really attacking, they are too strong, the city lord of the seventh level just now couldn't withstand the sea demon's lightning."

"This is not giving us a way to live, I knew I shouldn't have come to this Qionghuang Island, it was not easy to get to level 300, it seems that this time, one death can't be avoided."

This person bound the resurrection point to Qionghuang Island, if he died, he would also resurrect on Qionghuang Island.

But if Qionghuang Island was occupied by sea demons, the result would not be very good.

"Who are you? Why are you attacking our Qionghuang Island?"

On Qionghuang Island.

An eighth-level mage slowly rose into the air.

His domain unfolded around him, but he still felt unsafe, and added more than a dozen shields to his body.

"Hahaha, you are really timid as a mouse, is this the branch of the Moon Wheel Demon Emperor left in the Divine Continent? It's really unbearable!"

Hearing this.

The eighth-level mage's face changed drastically, and he said with a gloomy face:

"Who are you?"

"Blood Lake Cave, Ninth Cave Master, Zha Yunlei Demon!!"

Hearing this.

The eighth-level mage's face suddenly changed, obviously, he had heard of this Blood Lake Cave.

The eighth-level mage smiled flatteringly and said very respectfully:

"So it's the Ninth Cave Master, Blood Lake Cave, famous, this junior has heard of it for a long time."

Speaking of this.

The eighth-level mage changed his tone and continued:

"But sir, we people in the sea and the people in the seabed have always been well water does not violate river water, what is this... ..."

Zha Yunlei Demon chuckled and said:

"We Blood Lake Cave don't care about you people of the Moon Wheel Empire, but in the face of Fan Palace, I can not kill you."

"However, limited to today, there can be no one on Qionghuang Island, otherwise... ... don't blame me for being rude."

Lin Tianhao was watching not far away, he was originally prepared to take action directly, but the sea demon of Blood Lake Cave took the initiative to show up, he was still prepared to see what they were going to do.
