

O game 96

Chapter 96 - God-given shadow!

Hearing this, Landi Kezhen looked at Lin Tianhao with some suspicion.

Could this kid be some kind of hidden big shot?

Just as this thought arose in his mind, Landi Kezhen suppressed it again.

He knew very well which people in the entire Starry Kingdom he couldn't afford to offend.

Among the people he couldn't afford to offend, there was definitely no one in front of him.

Moreover, the person in front of him was just an adventurer.

There were already few people he couldn't afford to offend, and even fewer adventurers he couldn't afford to offend.

He could only say that he was unlucky, having just returned from a mission outside the royal capital recently.

He originally intended to come here to vent some frustration, but he ended up encountering Lin Tianhao.

Otherwise.

If he had known about the events in the imperial court, he definitely wouldn't have dared to say such things.

"I don't care who you are. If you offend me, I'll kill you today."

Although NPCs are punished for killing adventurers in the main city.

But today, he had just returned from a meritorious service outside, so he naturally didn't care about this.

Moreover.

Just killing an adventurer, with his status, even if he received a punishment, he wouldn't care.

In other words.

The punishment didn't affect him much, and he could completely accept it.

Having made up his mind, he acted without hesitation.

As the Great General of the Starry Kingdom, his combat power was beyond doubt, and even a casual strike carried an extremely strong sense of oppression.

Lin Tianhao didn't dodge and withstood the blow head-on.

-51958.

Just a casual strike knocked off more than 50,000 of Lin Tianhao's health points, which was already quite impressive.

“Ding, you have been maliciously attacked by a main city NPC. You can counterattack for the next twenty-four hours.”

Lin Tianhao didn't intend to attack. "If I attack you, I wonder how the Grand Marshal and the King will deal with you when they find out."

"Deal with me?"

Landi Kezhen sneered disdainfully, "Boy, I think you really don't know the immensity of heaven and earth. Do you think the Grand Marshal and His Majesty the King will punish me, a small figure, for your sake?"

"Hehe, you think they won't? Then take a look at what this is!"

Lin Tianhao raised his hand, and his aura suddenly changed.

Behind Lin Tianhao, a tall phantom appeared.

Her mere appearance emitted a chilling aura, as if to freeze the heavens and earth.

"This... This... How is this possible?!"

Landi Kezhen retreated in horror.

Not only Landi Kezhen, but everyone else around him also showed an unbelievable expression after seeing this phantom.

Immediately afterward.

Inside and outside the entire Peach Blossom Pavilion, whether it was ordinary civilians, NPCs, the fallen women of the Peach Blossom Pavilion, or those nobles.

They all respectfully kowtowed to Lin Tianhao.

“Greetings, my God, may my God be forever safe!”

“Greetings, my God, may my God be forever safe!!”

... ..

Everyone shouted in unison, extremely respectful.

After the shock, Landi Kezhen also respectfully kowtowed.

“Greetings, my God, may my God be forever safe!!”

The phantom behind Lin Tianhao was none other than the Ice and Snow Goddess.

For example, now.

Lin Tianhao used the Divine Blessing Phantom of the Ice and Snow Goddess, directly deterring all these people.

Inside the Peach Blossom Pavilion.

Besides Lin Tianhao not kneeling, there was one other person.

That was Shui Ruyan, the courtesan of the Peach Blossom Pavilion.

If outsiders were present, they would definitely be very shocked.

After all, as long as they were NPCs of the Starry Kingdom, they all believed in the Ice and Snow Goddess.

Seeing the Ice and Snow Goddess and not kneeling meant betraying their faith.

The corners of Shui Ruyan's mouth rose, and a meaningful smile appeared on her face.

“The blessing of the Ice and Snow Goddess, haha, he actually obtained the blessing of the Ice and Snow Goddess. It seems that the Ice and Snow Goddess is about to revive...”

In Shui Ruyan's opinion, Lin Tianhao's ability to obtain the blessing of the Ice and Snow Goddess most likely meant that he had obtained the Ice and Snow Goddess's approval.

After all, to clear the Footprints of the Snow Corpse dungeon, one had to either obtain the Ice and Snow Goddess's approval or defeat the Ice and Snow Goddess's remnant soul.

Since he had obtained the blessing of the Ice and Snow Goddess, then the answer was already obvious.

It was just that Shui Ruyan probably never dreamed that.

Lin Tianhao was a schemer who even deceived the gods.

Could this be blamed on Lin Tianhao?

This couldn't be blamed on him. It could only be blamed on the Ice and Snow Goddess for not downloading the National Anti-Fraud App.

But did they have an anti-fraud app in the West?

Probably not.

At this time.

In the Jiufeng Room.

Lin Tianhao looked at Landi Kezhen with interest and said unhurriedly:

“Now, do you still want me to get out?”

Landi Kezhen kowtowed repeatedly, saying in fear and anxiety: “I wouldn’t dare, I wouldn’t dare. Just now, this subordinate didn’t know that the Divine Envoy had arrived. Otherwise, even if this subordinate had ten thousand guts, I wouldn’t dare to be disrespectful to the Divine Envoy.”

Lin Tianhao waved his hand and said, “All of you get out. Your fine taste has been ruined by you.”

Landi Kezhen nodded repeatedly, “Yes, yes, yes.”

Lin Tianhao also said to the women in the room: “You all get out too.”

The nine women kneeling on the ground did not dare to neglect and all left.

After they left, Lin Tianhao revealed a smile.

Although the nine women each had their own characteristics, Lin Tianhao knew very well.

Women ruin things!

This time, his purpose was for the God-level Hidden Class.

He couldn't let women delay him.

Just as Lin Tianhao was about to break the vase, a voice suddenly rang out.

“Snow Emperor.”

Lin Tianhao raised his eyebrows. At this time, someone was still coming to find him.

Looking back.

Lin Tianhao couldn't help but be stunned.

In front of him, a woman with a curvaceous figure and a beautiful face appeared.

Her beauty even made Lin Tianhao feel that it was impossible to describe in words.

Moreover.

She saw that he didn't kneel and didn't show a particularly respectful expression. Instead, she had some hostility.

It could even be said to be... murderous intent!!

After he revealed the Divine Blessing Phantom of the Ice and Snow Goddess, she actually still wanted to kill him.

This could only mean that she was not from the Starry Kingdom, or... she was a Nightwalker.

“You are Shui Ruyan?!”

Here, the only woman Lin Tianhao could think of who was so beautiful was Shui Ruyan, the courtesan here.

As for his previous life.

He had only heard of Shui Ruyan and had never actually seen her.

After all, coming to this Peach Blossom Pavilion had a minimum consumption of five gold coins.

With his identity as a gold farmer in his previous life, he couldn't afford such a high-end consumption place.

He only knew the strategy here because that high-level player had posted it to show off after successfully changing classes.

After all, he had already successfully changed classes, so posting it wouldn't hurt and could instead increase his popularity.

“That’s right.”

Shui Ruyan nodded, “You have obtained the approval of the Ice and Snow Goddess. It seems that the Ice and Snow Goddess is about to revive, and we must also leave here.”

“However, before leaving here, I have decided to kill you once.”
