

O games 1771

Chapter 1771 Little Loli in black skirt!

At the same time that Lin Tianhao was devouring the young man in the dark green robe, the sharp and piercing sound of the flute also came over.

The sound was so strange that Lin Tianhao actually felt that the toxins in his body were exploding, and severe pain hit his whole body.

"Ding, you are attacked by poison and will continue to lose blood."

"Ding, you have been attacked by poison, and the blood recovery effect has been reduced by 70%."

-78 million! !

-78 million! !

.....

The sound of the flute combined with the poison greatly enhanced the poison's effectiveness.

The damage value increased from 1.1 billion to 7.8 billion.

But this unknown creature seemed to have insufficient defense. His attack could only reduce the flying speed of Lin Tianhao's feather arrow, but could not completely block Lin Tianhao's feather arrow.

"The visitor from outside the domain just now had a saint-level treasure on him. Do you have one too?" Lin Tianhao asked with a smile.

The young man in the dark green robe narrowed his eyes slightly and threw out three jade talismans in his hand.

The jade talisman flew into the air and transformed into three colorful toads.

Three colorful toads sprayed poisonous mist towards Lin Tianhao's feather arrows.

The poisonous fog enveloped Lin Tianhao's feather arrow, and the feather arrow with the Heavenly Punishment Lock began to be corroded.

Lin Tianhao didn't care, the arrows continued to fly.

Lin Tianhao himself was also continuously devouring the young man in the dark green robe.

"Do you think this is your buffet?"

At this moment.

A soft voice sounded.

The next moment.

The space between Lin Tianhao and the young man in the dark green robe collapsed, and Lin Tianhao's sky punishment feather arrow turned into powder.

Followed by.

A little girl in a black long skirt and twin ponytails walked over.

This little Lolita is pure and cute. She walks barefoot on the ground, but her pair of jade feet are not stained with dust.

She tapped her toes lightly, and her body floated up as if weightless, and then landed in front of Lin Tianhao.

"Big brother, we in the Infinite Heaven Court didn't provoke you, why are you bullying us like this?"

The little Lolita in black dress blinked her big watery eyes and looked at Lin Tianhao.

The voice was soft and playful.

Lin Tianhao frowned slightly, "Didn't I just say it? Your Infinite Heaven is not the real Heaven."

"Big brother, are you here to fight for justice on behalf of the old heaven?" The little loli in the black dress looked at Lin Tianhao.

It seemed as if she would burst into tears as long as Lin Tianhao nodded.

"What else?" Lin Tianhao also looked at the little Lolita in the black dress, not avoiding her gaze at all.

As their eyes met, the little Lolita in the black dress looked even more pitiful.

"The old heaven no longer exists, and Big Brother is not from the old heaven, so why bother us?"

Lin Tianhao looked at the little girl in the black dress with a half-smile, "Who told you that you are not from Heaven?!"

"Look, what is this?"

Lin Tianhao raised his hand and a divine light flashed, and an ancient and mysterious book fell into his hand.

"You... do you recognize what I have in my hand?!"

"Gods List?!"

The little Loli in the black skirt was extremely shocked and said incredulously:

"How come you have the List of Gods?!"

"What do you think?" Lin Tianhao asked back.

The little Loli in the black dress raised her hand and flipped it. In her hand, a scroll of the List of Gods emitting divine light also appeared.

Seeing the List of Gods in the hands of the little girl in black dress, Lin Tianhao couldn't help but be surprised.

Lin Tianhao had guessed before that Emperor Haotian probably still had a copy of the List of Gods in his hands.

But this list of gods now appears in the hands of this little loli in black dress.

"Is this the true or false Conferred God List?" The Evil Emperor Wudao had a strange expression on his face.

Obviously.

He believed that one of the copies of the List of Gods in the hands of Lin Tianhao and the little loli in black skirt was fake.

"Big brother, where did you get the List of Gods?"

The little Loli in the black dress looked at Lin Tianhao with curiosity.

"Guess." Lin Tianhao said.

The words fell.

Lin Tianhao spoke righteously again:

"You slaughtered the gods in heaven and even pretended to be the gods to create this so-called infinite heaven. Your crime is unforgivable!!"

"I have come here today to eradicate your Infinite Heaven."

Looking at the righteous Lin Tianhao, the Evil Emperor Wudao had an illusion.

That is... Lin Tianhao really seems to be here to enforce justice.

The little Lolita in the black skirt looked at Lin Tianhao eagerly and said:

"Big brother, I'm so cute, how could you have the heart to destroy me."

Lin Tianhao looked at the little Lolita in the black skirt with great interest and said:

"You have occupied the magpie's nest and slaughtered the gods in heaven. Now you can't solve the problem by being cute."

The little Lolita in the black skirt looked at Lin Tianhao pitifully and asked:

"Brother, the Heavenly Palace was destroyed for many reasons and the situation is complicated. We can't be blamed entirely."

"Let's put it this way. If big brother wants any compensation, you can say that we in the Infinite Heaven will definitely satisfy whatever we can."

"If big brother has any idea about me, I..."

Without waiting for the little Lolita in the black skirt to finish her words, Lin Tianhao waved his hand and said:

"Okay, a thousand-year-old loli is ten thousand-year-old spirit, right? I'm not interested."

The little Lolita in the black skirt pouted her lips, slightly dissatisfied, and said angrily:

"Big brother, your mouth is really vicious. I guess he must be a thousand-year-old ascetic, right?"

"Hey, you are wrong. I am not miserable, and I am not a monk."

Lin Tianhao waved his hand and said:

"But the Heavenly Palace no longer exists. Even if I kill you, it seems that I cannot change the fact that the Heavenly Palace has been destroyed."

That's it.

Lin Tianhao paused for a moment before continuing:

"How about this, if you give me three Heavenly Dao Grade Talent Awakening Stones, I will forgive you for what happened and acknowledge the existence of your Infinite Heaven Court."

Hearing this, the little Lolita in the black skirt stretched her neck, pointed at her head and said:

"Big brother, why don't you take my head? Listen to what you say."

"You have already found enough excuses to destroy our Infinite Heaven. There is no need to make things difficult for us any further."

The evil emperor Wudao was also at a loss as to what to say.

The known information now is that Tiangong may have a Heavenly Dao-level Talent Awakening Stone.

It's just a possibility, not an absolute thing.

But Lin Tianhao now asked for three, which made it clear that he was deliberately making things difficult for him.

"How much is your head worth?" Lin Tianhao asked.

"I want a Heavenly Dao-level Talent Awakening Stone. If you don't have it, I'll just destroy your Infinite Heaven."

Hearing Lin Tianhao's words.

The young man in the dark green gown said angrily:

"High Priest, why are you wasting your time talking to him? No matter how powerful he is, can he really destroy our Infinite Heaven?"

"kill him!!"

"Otherwise, everyone would think that we, the Infinite Heaven Court, are easy to bully."

"Noisy!!"

Lin Tianhao raised his hand and slapped him.

The palm formed by the power of the first level of the Heavenly Dao instantly caused the space to collapse.

The little girl in black dress had an ice-blue staff in her hand.

She lightly tapped the ground with her staff, and Lin Tianhao's spatial palm was immediately frozen.

Chapter 1772: Clues to the Heavenly Level Talent Awakening Stone!

Lin Tianhao narrowed his eyes slightly. This little Lolita in the black dress was truly extraordinary.

"Big brother, don't be angry. If there is anything, we can discuss it." The little Loli in the black dress said with a smile.

"There are few people in the current Infinite Heaven who have participated in the siege of the old Heaven."

"For some reason, those people have already left the Infinite Heaven."

Lin Tianhao did not comment, staring at the little Lolita in the black skirt, and asked:

"Most people have left, but aren't there still some people who haven't left?"

That's it.

Lin Tianhao's lips curled up in a playful arc.

"Are you one of the participants?"

The little Lolita in the black dress nodded with a very big smile on her face.

"Yes, I stole this Conferred God List from Emperor Haotian, so, isn't it inappropriate for you to bring a fake Conferred God List to question me?!"

The words fell.

The aura of the little loli in the black dress suddenly changed, and a majestic and terrifying aura swept towards Lin Tianhao.

Lin Tianhao's eyes narrowed slightly, and a meaningful smile appeared on his face.

"You finally can't bear it anymore? I thought you wouldn't do anything."

The little Lolita in black dress stared at Lin Tianhao with interest.

"Big brother, you must have some hidden card if you provoke us like this. Let me see what your hidden card is!!"

That's it.

The little loli in the black dress raised her hand and slapped Lin Tianhao.

This palm strike was so light that nothing special could be seen.

But as soon as she slapped out her palm, Lin Tianhao realized that something was wrong.

An extremely terrifying force pressed down on his body and soul, forcibly knocking Lin Tianhao's soul out of his body.

Lin Tianhao's face changed slightly, the soul law started to work, and his soul rushed back into his body instantly.

at the same time.

The arrows were shot from the heart, and countless arrows flew towards the little loli in the black dress.

A large number of feather arrows locked onto the little Lolita in the black skirt.

But before the arrows got close to the little Lolita in the black dress, they began to shatter.

Subsequently.

The little Loli in black dress dropped the magic wand in her hand, and the ground was instantly frozen, spreading towards Lin Tianhao at an astonishing speed.

As Lin Tianhao devoured the sky and the earth, terrifying visions appeared behind him.

The visions of the sixteen great saints are all revealed!!

This little Lolita in the black dress is obviously no ordinary person, so there is no need for Lin Tianhao to be merciful.

"Sixteen visions of saints are extraordinary."

That's it.

The little Loli in the black dress set her eyes on the evil emperor Wudao.

"If everyone can use the power of Tao, you will be very vulnerable!!"

In most places in this heavenly palace, the power of Tao cannot be used.

unless.....

The evil emperor is unjust and lets the water go!!

In the Heavenly Palace, only the Evil Emperor Wudao can remove the restrictions on Tao.

"Saint Vision: Sky Invasion!!"

The little Lolita in the black dress spoke softly, and an image of a saint also rose up behind her.

"You are only a mortal after all. Even if you have sixteen saintly visions, it is difficult to compete with my saintly vision."

The little loli in the black dress was feeling divine power vibrating all over her body, and she was bombarding Lin Tianhao with magical powers one after another.

"She is a powerful God Emperor, and she also possesses saint-level treasures and saintly visions. I'm afraid it will be difficult for you to defeat her."

Lin Tianhao remained noncommittal.

It is still swallowing the sky and the earth with thousands of divine thunders.

Just look at the fighting power shown by this little loli in black dress.

Lin Tianhao was confident that he could kill the opponent with the Heavenly Thunder.

But Lin Tianhao felt that there should be more masters in this boundless heaven, and he should wait.

Although this little Lolita in black dress is very powerful, if the fight continues, Lin Tianhao will definitely be the final winner.

Because Lin Tianhao has the power to devour heaven and earth, he can continuously devour the power of the little loli in the black dress.

However, it was still difficult for the little loli in black dress to kill Lin Tianhao.

Lin Tianhao's own damage reduction attribute is extremely high, coupled with Lin Tianhao's blood recovery ability, even if he stands still and lets the little loli in the black dress kill him, the little loli in the black dress may not be able to kill him.

-521 million! !

-455 million! !

.....

One after another, damage numbers popped up above Lin Tianhao's head.

The damage caused by the attack of this little loli in black dress to Lin Tianhao can be considered very, very high.

Unfortunately.

It is still too difficult to kill Lin Tianhao.

even.

Even though Lin Tianhao was suffering from 70% serious injury, his blood recovery was still overflowing.

“Outrageous!!”

"How can he be so strong!!"

The little Lolita in the black skirt was a little dumbfounded.

Lin Tianhao's attacks are strong, he has many Taos, and many saintly visions, yet he can still withstand it.

This... where did this all-round player come from? !

"Ding, you are devouring unknown creatures, ice attribute resistance +10000, ice attribute comprehension +5000, magic resistance +5000, free attribute points +5000."

"Ding, you are devouring unknown creatures..."

.....

As long as Lin Tianhao is alive, it is only a matter of time before this little loli in black dress is defeated.

The Evil Emperor Wudao was also terrified watching from the side.

"This is... too much to bear!!"

The key is.

Lin Tianhao has sixteen saintly visions, so it is not so easy to imprison Lin Tianhao.

"No more beatings, big brother, you... are too tough!"

The little girl in the black skirt restrained her breath and looked at Lin Tianhao aggrievedly:

"No one is as bullying as you are."

Lin Tianhao raised his eyebrows and asked:

"When did I bully you?"

Lin Tianhao also stopped shooting arrows from his heart, but he did not stop swallowing the sky and devouring the earth.

Anyway, if he can't find the Heavenly Dao Level Talent Awakening Stone when he comes to the Boundless Heaven, he will definitely need to get something else to go with him.

The little girl in the black dress frowned slightly, "Big brother, I know I'm wrong, please stop."

Lin Tianhao remained unmoved.

The little Lolita in the black skirt continued:

"Big brother, the Infinite Heaven Court does not have the Heavenly Dao Level Talent Awakening Stone, but just because I don't have it doesn't mean I don't know where it is."

Lin Tianhao sneered:

"If you knew where it was, why didn't you go get it?"

"It's not that I don't want to take it, but my strength is limited. If that person intends to hide, even a saint will find it difficult to find his trace."

"A saint had tried to find her before, but in the end he returned empty-handed."

After hearing what the little loli in the black dress said, Lin Tianhao finally put away his power that could swallow the sky and devour the earth.

"Take me to find the Heavenly Dao Grade Talent Awakening Stone, and everything will be easy. If you can't find it, there's no need for the Infinite Heaven to exist."

Lin Tianhao's tone was calm, but the little loli in the black skirt did not doubt the truthfulness of Lin Tianhao's words at all.

"Big brother, aren't you making things difficult for me?"

"How can I possibly find someone that even a saint can't find? However, I have her projection. With your skills, big brother, maybe you can find her!!"

Chapter 1773 The Slippery Nine-Leaf Fairy!

Lin Tianhao smiled without comment and said:

"You just give me a projection and want to divert the blame. Are you taking me for a fool?"

"I still say the same thing, either take me to find the Heavenly Dao Level Talent Awakening Stone, or I will destroy the Infinite Heaven!!"

Lin Tianhao's voice was not loud, but it made the character of the little loli in the black dress look awkward.

The young man in the dark green gown clenched his fists, looking somewhat indignant.

But before he could say anything, the little Lolita in the black skirt nodded and said:

"Okay, I'll go find it with you!!"

"I just said that with brother's means, he will definitely be able to find the Heavenly Dao-level Talent Awakening Stone."

As the little loli in black dress finished speaking.

There was a crystal stone in her hand, and a human figure was reflected in the crystal stone.

When he saw this figure, Lin Tianhao's eyes narrowed slightly.

Because he has seen this person before!!

It was the chief of the village he met when he first arrived at the Heavenly Palace.

"is her?!"

The Evil Emperor Wudao obviously also recognized the woman in the projection.

"good."

The little loli in the black dress nodded heavily, "The Heavenly Dao Level Talent Awakening Stone is in her hands."

"But her methods are too treacherous. She has three rules of dormancy, oblivion, and infinite travel. Of course, this is known."

"How do you know that the Heavenly Level Talent Awakening Stone is in her hands?" Lin Tianhao asked.

"Because she is one of the alien species from outside the domain that attacked the Heavenly Palace with us. I don't know what her true form is, nor do I know what her real name is. I only know that some people call her the Nine-Leaf Fairy."

"Nine-leaf Fairy?" Lin Tianhao frowned.

The little Lolita in the black skirt continued:

"Many people in our Infinite Heaven Court know about her taking the Heavenly Dao Level Talent Awakening Stone. Although some people were affected by her forgetfulness rules and forgot about it, there are still more than a dozen people who know about it."

Lin Tianhao had experienced the methods of this female village chief named Nine Leaf Fairy before.

Her sleeping rules seemed to have no effect on him.

Before, Lin Tianhao came with Hei Tian Aozhen and others.

At that time, Hei Tian Ao Zhen and the others were all affected by the dormant rules, but he was the only one who was not affected at all.

"Let's go, let's go look for this Nine-Leaf Fairy together." Lin Tianhao said slowly.

Then his gaze fell on the Evil Emperor Wudao.

"Senior, I still need your help in finding someone."

The Evil Emperor Wudao nodded slightly and said seriously:

"It's natural."

"We are allies. You are good, I am good, and everyone is good!"

The words fell.

The Evil Emperor Wudao clasped his hands together, and a mysterious law spread out with him as the center.

"As long as she is still in the Heavenly Palace, I have the ability to find her."

The Evil Emperor Wudao is very confident.

When the words fell.

He glanced in the direction of the Boundless Heaven...

"Unless, it is in the Boundless Heaven."

The little Lolita in the black skirt said quickly:

"We, the Infinite Heaven, have long since fallen out with Fairy Nine Leaves."

Lin Tianhao remained silent, but the voice of the Evil Emperor Wudao rang in his mind.

"Snow Queen, the Infinite Heaven Court is definitely not simple, be careful!!"

Lin Tianhao naturally knew.

The fact that even the evil emperor cannot set foot in the boundless heaven actually explains a lot.

And this little Lolita in black skirt, her methods are too ordinary!!

It's not that it doesn't fit the Divine King realm, but it fits the Divine King realm too well!!

It's like...

She is just an ordinary deity with a saint-level treasure!!

But is the high priest of the Infinite Heaven really just an ordinary god?

Lin Tianhao doesn't think so.

Look at the surviving villages in the Heavenly Palace, every one of them is protected by special rules.

This boundless heaven cannot be worse than those villages.

"Let's go, maybe they are also looking for this Heavenly Level Talent Awakening Stone." Lin Tianhao replied in voice transmission.

No matter what the other party's purpose is, Lin Tianhao still has some confidence in himself.

Especially after fighting with Ku Yue, Lin Tianhao became more confident.

If the saint is not around and they really have to fight to the death, Lin Tianhao is not too afraid.

unless.....

An ultimate god emerged.

"Found it." The evil emperor's voice sounded.

Lin Tianhao narrowed his eyes slightly. He was originally worried that the Evil Emperor Wudao would not be able to find the Nine-Leaf Fairy so easily.

But no one expected that the Evil Emperor Wudao had found it in such a short time.

"Let's go!"

Lin Tianhao urged and rushed out with the Evil Emperor Wudao.

The little loli in black skirt followed closely behind.

The three of them turned into streams of light and rushed away into the distance.

This time the location was completely different from the place where Lin Tianhao first met the Nine Leaf Fairy.

Even the direction is different.

The three of them were very fast, and in just over two hours, they successfully arrived at a forest covered in green vines.

These vines seemed to be alive, rising and falling slightly and moving rhythmically.

Despite this, Lin Tianhao did not find any trace of the village.

"Gone!"

The Evil Emperor Wudao frowned slightly, "Her aura is indeed here. She was even here a few minutes ago."

The little Loli in the black skirt said helplessly:

"This is one of her rules, infinite travel. She can travel infinitely in the sky, and ordinary people can't catch her at all."

Lin Tianhao frowned slightly, "Senior, can you completely relax the restrictions of the Heavenly Palace rules? In this way, I may be able to find her."

Hearing Lin Tianhao's words.

The evil emperor Wudao frowned, "Snow Queen, if you completely release the rules and restrictions of the Heavenly Palace, I'm afraid there will be a lot of trouble."

"We, the evil race, are not as strong as you think. The Heavenly Palace is still the place where our evil race has the final say."

Lin Tianhao raised his eyebrows, "After what happened last time, is there still a force in this Heavenly Palace that can threaten your evil clan?"

The Evil Emperor Wudao shook his head and said:

"It can't be called a threat. The main reason is that the evil race itself is not strong. It only becomes strong after the rules are restricted."

"If the rules are not restricted, the evil race will not be destroyed, but many will surely die."

The meaning of the Evil Emperor Wudao is very clear. He can look for it, but he cannot take away the power of rules on a large scale.

"Let's go!!"

Lin Tianhao knew that in order to find the Nine-Leaf Fairy, he had to rely on the Evil Emperor Wudao.

What's more, what the evil emperor said is not without reason.

however.

Next, Lin Tianhao, the evil emperor Wudao, and the little loli in black skirt chased to several places.

turn out.

Every time the three of them rushed over, Fairy Nine Leaves had disappeared.

"This is not a solution." Lin Tianhao said calmly.

The Evil Emperor Wudao was silent. Before he could speak, Lin Tianhao continued:

"What forces in the Heavenly Palace can threaten your evil race now?"

"I must get the Heavenly Dao Level Talent Awakening Stone, even if I have to kill some people for it, or even kill some people by mistake!!"

Chapter 1774 The terrifying power of freezing!

The evil emperor Wudao narrowed his eyes slightly, he knew.

Lin Tianhao said this to the little Lolita in the black dress, and also to himself.

This shows Lin Tianhao's determination!!

If anyone dares to do something behind my back, they will die miserably, very miserably!!

"People from the three main heavens and various villages have been trying to slaughter our evil race."

"I know the weakness of the evil race, so I did not destroy these forces, but let them become the whetstone for our evil race to sharpen their swords."

The evil emperor Wudao looked serious and continued:

"If you want to take action, let's destroy these forces together!"

Hearing these words from the Evil Emperor, Lin Tianhao's gaze fell on the little Lolita in the black dress.

"Does it also include... the Infinite Heaven?"

"Of course!"

"The Boundless Heavenly Court is currently the most powerful force in the Heavenly Palace besides our evil race. If we want to take action against these forces in the Heavenly Palace, the Boundless Heavenly Court should be the first to be destroyed."

The little girl in the black dress looked at Lin Tianhao aggrievedly, "We are so kind and mellow in the Infinite Heaven. How can you sentence us to death with just a few words?"

Lin Tianhao raised his eyebrows slightly and a faint smile appeared on his face.

"Isn't there anything that can be done about it? If I can't find the Nine-Leaf Fairy, and I'm not well, then no one will be well!!"

"Big brother, you are so domineering in doing things, aren't you afraid of the consequences and the difficulty of having a good ending?" The little Lolita in the black dress said playfully.

Lin Tianhao smiled without comment and said:

"I'm afraid, but I have no choice. There are some things I must do. I hope you can understand."

"You want to destroy my Wuyin Tianting, and you want me to understand you, big brother. Even hooligans don't act like this."

Lin Tianhao stared at the little Lolita in the black skirt and said:

"So, are you ready?"

When the words fell.

Visions of saints appeared behind Lin Tianhao.

The little Lolita in the black skirt looked slightly gloomy.

"Big brother, I'm giving you a clue, but you're just pulling up your pants and ignoring me."

Hear this.

Lin Tianhao shook his head and said:

"I don't have any. What I've always said is that if you lead me to find the Heavenly Dao Level Talent Awakening Stone, then I can stop pursuing the Infinite Heaven Court."

"But it's obvious that you can't lead me to find the Heavenly Dao Level Talent Awakening Stone."

"In order to find the Heavenly Dao Level Talent Awakening Stone, I can only sacrifice you, the foreign evil demons that occupy the Heavenly Palace."

The little Lolita in the black dress couldn't help but laugh.

"You, I am now more and more convinced that you are from the old heaven."

"I guess only people from the old heaven can say something as shameless as you do."

Lin Tianhao waved his hand, and the sky-swallowing and earth-devouring force unfolded instantly.

"Ding, you are devouring unknown creatures, ice attribute resistance +10000, ice attribute comprehension +5000, magic resistance +5000, free attribute points +5000."

"Ding, you are devouring unknown creatures..."

.....

The little Lolita in the black dress could feel Lin Tianhao's power to swallow the sky and the earth. She could also feel the power in her body being absorbed by Lin Tianhao. Her expression couldn't help but become gloomy.

See this scene.

Lin Tianhao showed a faint smile on his face and said calmly:

"I'm not an unreasonable person. I know you didn't give it your all before. Now, let me see how strong you are when you give it your all."

Hear this.

The little Loli in the black dress set her eyes on the evil emperor Wudao.

"Jun Wudao, you've seen it too, this guy is a lunatic. If we don't join forces, we will be defeated one by one by him."

The Evil Emperor Wudao shook his head and said:

"If unlocking the power of rules would have such a huge impact on our evil race, I would unlock the power of rules without hesitation."

"Now that he wants to deal with your Infinite Heaven Court, I will definitely support the Snow Emperor."

As soon as the evil emperor Wudao finished speaking, the little loli in the black dress sighed helplessly.

"I want to settle the matter peacefully, but Xue Di, why are you being so aggressive?"

"I know that you are not from the old heaven, and you are not here to restore the old heaven."

"Do we have to kill so many people just for the Heavenly Dao Level Talent Awakening Stone?"

The black long skirt of the little loli in black skirt turned into ice blue at this time.

Long skirt transformation?!

Lin Tianhao's expression suddenly changed. Before this, he had only seen one person transform in a long skirt during Ragnarok.

And that person had previously fought against Daoist Patriarch Hongjun at Luosheng Lake.

Seeing the long skirt transformation again now, Lin Tianhao felt a little pressured.

But the action has already begun, and Lin Tianhao will not show mercy.

Feather arrows poured out, which could be considered a test.

Use feather arrows to test.

However, there was no suspense about these feather arrows, they were still easily crushed by the little loli.

"In my name, I will bring down ice and snow to the world, freezing all the evil in the world!!"

The little loli in a blue dress raised the staff in her hand and pointed it at Lin Tianhao.

In just a moment, Lin Tianhao was completely frozen and unable to move.

"Ding, you are affected by freezing and will continue to lose blood."

"Ding, you are affected by freezing, and the blood recovery effect is reduced by 50%."

-195 million! !

-233 million! !

-281 million! !

.....

One injury number after another popped up from Lin Tianhao's head.

Lin Tianhao was completely frozen, unable to move.

Not only that.

This freezing force froze his soul and made his thinking slow.

Even... Lin Tianhao's arrows that were shot from his heart were forced to stop, and the Heaven-Swallowing and Earth-Devouring Power also reached its peak very slowly.

Such a strong freezing power.

Lin Tianhao once killed the Ice and Snow Goddess and became immune to ice and snow attacks.

The freezing power of the little loli in the blue skirt completely froze Lin Tianhao, making him unable to move at all.

"Looks like I won!!"

Feeling that the power that swallowed the sky and the earth had disappeared, the little loli in the blue skirt spoke with a bit of teasing.

When the Evil Emperor Wudao saw that Lin Tianhao was completely frozen, a strange smile appeared on his face.

"With such a high level of freezing power, I don't know if I can block it."

The Evil Emperor Wudao moved and slapped the ice crystal with his palm.

"Om-"

With a loud bang, tiny cracks appeared on the ice crystals.

But the crack had just appeared when it healed instantly, and the terrifying freezing force spread towards the palm of the Evil Emperor Wudao.

See this scene.

An expression of horror appeared on the face of the Evil Emperor Wudao.

A mysterious light flowed on his palm, and the freezing power was blocked. The Evil Emperor Wudao also found the right moment to withdraw.

"Jun Wudao, why did you bother to save such a madman? Saving him will do us no good."

The little loli in the blue skirt stared coldly at the evil emperor Wudao, "If he can attack our Wuyin Tianting today, he will definitely be able to attack your evil clan tomorrow."

Chapter 1775: Kill the high priest instantly!

The Evil Emperor Wudao's eyes narrowed slightly, but he did not answer.

He naturally has his own thoughts in his mind.

"You are hurting me!!"

at last.

After thinking for a while, the Evil Emperor Wudao spoke.

"If I agree to this, I will be doomed."

Hear this.

"If I am fickle, this will be a reason for Xue Di to attack me. What's more, I have a deep friendship with Fan Dian. I respect Xue Di's decision and it is even more impossible for me to stand on the opposite side of Xue Di."

"Your freezing power is very strong, but because of the Snow Emperor, I have released the power of rules here, allowing you to use the power of Tao."

"Similarly, I can also imprison the power of rules here, so that you cannot use the power of Tao."

"you--"

The little Lolita in the blue skirt was very angry.

"You are so stubborn. Believe it or not, if our Infinite Heaven Court is destroyed and you still can't help Snow Emperor find the Heavenly Dao Grade Talent Awakening Stone, he will definitely attack your evil clan, for sure!!"

"You have been around for quite a while. You should know what I am saying. Why do you have to help the evildoers?!"

"Stop it, Jun Wudao!!"

"As long as the Snow Emperor is not dead, there will never be peace in the Heavenly Palace!!"

Hearing these words from the little loli in the blue skirt, the Evil Emperor Wudao frowned slightly.

He also had some understanding of Lin Tianhao's working style.

therefore.

He did not doubt the words of the high priest of the Infinite Heaven.

Xue Di would do anything to get the Heavenly Level Talent Awakening Stone.

Just as he could destroy the Wuyi Heavenly Palace, Lin Tianhao could also destroy their evil clan.

"We have the final say in the Heavenly Palace now. If you are willing to cooperate, there is no way that Snow Emperor can escape from the Heavenly Palace."

The little Lolita in the blue skirt had a serious expression and her words were filled with murderous intent.

"I have already made concessions before, but Xue Di still turned against me without any hesitation."

"You think if you help him like this now, he will let you go, no!!"

"In his eyes, there is only profit!!"

The Evil Emperor Wudao took a deep breath and fell into deep thought.

"I'm sorry, but I still can't stand against Xue Di."

"Everyone will pay the price for their decision. If I save Xue Di today and it leads to the destruction of the evil clan in the future, I accept it!!"

The words fell.

The Evil Emperor Wudao exudes extremely mysterious power of rules from his entire body.

Judging from his appearance, he seems to be ready to have a good fight with the little loli in blue skirt.

But just when the evil emperor Wudao was about to take action.

The little girl in the blue skirt's expression changed drastically, revealing shock, horror, disbelief and many other complex emotions.

because.

The freezing power she covered Lin Tianhao was being quickly devoured.

The speed of devouring is so fast that it is horrifying.

"not good!!"

The little Loli in the blue dress wanted to cut off her connection with the freezing power around her, but it seemed too late.

When the little Lolita in the blue skirt said the word "not good", her body began to shrivel up.

"Do not--"

A voice of panic and despair was heard.

But it's of no use.

The little Lolita in the blue skirt seemed to have been drained of all her strength, leaving only a dry human skin.

"This....."

Do not know why.

The evil emperor Wudao only felt a chill down his spine.

he thinks.....

Lin Tianhao was just frozen on purpose, the purpose was to test him.

He had just expressed his determination to fight to the death with the high priest of the Infinite Heaven when Lin Tianhao devoured him completely in the blink of an eye.

“She...she’s dead!!”

The Evil Emperor Wudao was horrified. Even if he tried his best, he could kill the High Priest of the Infinite Heaven, but it was absolutely impossible for him to kill him so easily.

Lin Tianhao looked at the little Lolita in the blue skirt whose skin had been devoured by a human, and his expression was a little strange.

Because...it wasn't him who did it.

even.....

After the little loli in the blue skirt was killed, he did not receive any system notification sound.

Before, in the Boundless Heaven, when he killed the arrogant brother and sister, he had given a hint.

The little Lolita in the blue skirt was killed, or to be more precise, she was killed instantly.

But nevertheless.

But Lin Tianhao couldn't be happy.

Because Lin Tianhao knew how the little loli in the blue skirt was killed, but he did not receive any system prompt sound, which was a very scary thing.

Just after Lin Tianhao's body and soul were completely frozen, the mysterious coldness in his body moved.

The mysterious coldness devoured the freezing power in his body.

And along with the freezing power emitted by the little Lolita in the blue skirt, it swallowed up the little Lolita in the blue skirt.

then.....

Then in a moment, the little Lolita in the blue skirt was completely swallowed up.

It all happened so fast that before Lin Tianhao could even react, the battle was already over.

Lin Tianhao's eyes fell on the evil emperor Wudao and asked:

"Are we going to the Infinite Heaven or somewhere else now?"

This little Loli is only the high priestess of the Infinite Heaven. Killing this little Loli would at most cause some loss to the Infinite Heaven.

"Go to the Infinite Heaven and kill!!"

The Evil Emperor Wudao knew it very well.

The high priest of the Infinite Heaven died here, so there is no way that things will end peacefully.

The conflict between their evil clan and the infinite heavenly court has completely intensified.

If we only talk about the octopus monster, it is naturally impossible to stop him from entering the South Heaven Gate.

But the reason why he didn't break in was that he didn't want to completely break off relations with the Wuyin Heavenly Court.

But things are different now.

The high priest of the Infinite Heaven died here. No matter how much they said or did, the grudge between them and the Infinite Heaven could not be resolved.

The so-called cause and effect, this is part of cause and effect.

They killed the high priest of the Infinite Heaven Court, which was the cause, and the Infinite Heaven Court's fight with them to the death was the result! !

of course.

The true cause and effect is not limited to what is happening right now.

"Then let's start from the Boundless Heaven!!"

Lin Tianhao had a cold expression on his face. He had the ability to Devour Heaven and Devour Earth, and his levels had dropped quite a bit before.

Under the current circumstances, he naturally doesn't mind a good slaughter.

Just when Lin Tianhao and the Evil Emperor Wudao were heading to the Infinite Heaven together, that familiar voice sounded again.

"Half a year later, the path to becoming a god in the Galaxy World will be cut off. Only until the ten-year defense war ends, or the Galaxy is completely conquered, will the path to becoming a god be restored!!"

The sound seemed to ring directly in the mind. Although it only happened once, it was deeply memorable.

But what does this mean?

After half a year, it will be impossible to become a god in the Galaxy World!!

In other words, if you want to become a god, you can only seize this last six months.

suddenly.

Lin Tianhao realized a problem.

That is... if the adventurers of Blue Star quickly become gods in order to avoid this disaster, then after the catastrophe, they can ascend to the realm of gods and don't have to fight with those guys in the Alet Galaxy! !

Chapter 1776: Hard fight against the boundless heaven!

and.

Those who can achieve the goal of becoming gods at this critical juncture are basically the top adventurers.

Because it is almost impossible for ordinary adventurers to become gods in a short period of time.

Unless...you directly absorb and refine the godhead, you only need to complete the acupuncture points, and you can achieve the realm of the gods naturally.

This negotiation!

It seems that the galactic world has gained all the advantages, but there are still potential crises.

If more than half of the top adventurers on Blue Star, or even more, choose to enter the realm of gods.

That was seven months later, when the catastrophe came and we fought against the Arlate galaxy.

The absence of these top adventurers will definitely have an impact on the overall situation.

Lin Tianhao is very strong, but the Alate Galaxy will definitely arrange corresponding people to target him. It is impossible for him to turn the tide and take care of all the fronts.

Those large territories, cities, and frontier positions all need top adventurers to be in charge, so that they can lead ordinary adventurers to defend their positions.

At least.

In the past, there were no top adventurers guarding the positions, and the end result was the death of people and the loss of the positions.

The boundless heaven.

Lin Tianhao and the evil emperor Wudao came here again.

The heart is like heaven and earth.

Lin Tianhao's sixteen domain powers continued to expand and enveloped the interior of the Heavenly Palace.

"Are there many masters in the Wuyin Heaven?" Lin Tianhao asked.

The Evil Emperor Wudao shook his head and said, "I have never been to the South Heaven Gate before, so of course I don't know."

"However, the Infinite Heaven Court was able to conquer the Old Heaven Court, so its foundation must be extremely profound. I just don't know how much of the Infinite Heaven Court's foundation is left now."

Lin Tianhao raised his hand and a book appeared in his hand.

This thing is nothing else.

It is the Investiture of the Gods!!

of course.

This is not Lin Tianhao's list of gods, but the list of gods of the high priest of the Infinite Heaven.

She was swallowed by the cold air, and the treasures on her body were naturally looted by Lin Tianhao.

"There are seven gods on her list of gods." Lin Tianhao has already checked.

"I just don't know what the abilities of these seven people are."

Lin Tianhao has already refined the List of Gods.

In other words.

The seven people on the List of Gods have already been used by Lin Tianhao.

Under the blessing of Heart One with Heaven and Earth, Lin Tianhao's sixteen domains, to be precise, are not domains, but realms!!

Lin Tianhao's sixteen realm powers began to expand wildly.

In the blink of an eye, it had covered an area of a hundred miles.

And the scope of the domain is still expanding.

"presumptuous!!"

At this moment.

From the depths of the boundless heaven, an angry roar was heard.

Followed by.

Lin Tianhao saw a huge stone pillar falling from the sky and smashing towards him.

"Om-"

The stone pillar collided with the power of Lin Tianhao's sixteen realms. On the stone pillar, a mysterious Taoist rhyme flowed, and countless forces of laws rushed out from the stone pillar and tried to tear apart Lin Tianhao's sixteen realms.

But one realm might not be able to withstand it, and when the power of sixteen realms is gathered together, this kind of defense is not so easy to be torn apart.

"You killed the high priest of our Infinite Heaven Court and dared to attack us. You really overestimate your own abilities!!"

A deep voice mixed with anger sounded.

Lin Tianhao sensed something was wrong.

Because the equipment on him was automatically put away.

A complete set of Heavenly Punishment equipment was collected.

This surprised Lin Tianhao a little.

What kind of power of rules is this? It is so overbearing.

"Jun Wudao's power of rules is indeed good."

At this moment.

A gentle voice with a hint of teasing sounded.

The next moment.

Lin Tianhao's sixteen realms began to collapse.

This is... the way between heaven and earth... is gone!!

Lin Tianhao's expression changed slightly. This situation caught Lin Tianhao off guard.

wrong! !

Lin Tianhao discovered...

His space boundary...seems to be able to continue to be maintained!!

Could it be...

Lin Tianhao thought of something.

His way of space has reached the level of heaven.

and so.

The power of rules here does not really mean that there is no Tao, but that it limits the Tao.

As long as the level of Tao is high enough, you can continue to use the power of Tao.

Although Lin Tianhao can now use the power of Tao, under the current circumstances, Lin Tianhao still does not intend to expose it.

The way of space can be used as your trump card.

He could first take a look at what methods these guys in the Infinite Heaven have.

As Lin Tianhao's realm collapsed, figures appeared in front of Lin Tianhao.

There was the young man in the dark green gown that Lin Tianhao had seen before.

There were also a few people that Lin Tianhao had never seen before.

There were eight people in total. They were all strong and, like Lin Tianhao, they were also unarmed.

"Without the power of Tao and weapons, I don't know how much you are left now."

Lin Tianhao smiled slightly, and began to swallow the sky and devour the earth.

"You... this is no different from seeking death." Lin Tianhao said lightly.

His Heaven Devouring and Earth Devouring Power can also be used in such a lawless situation.

"You can still use the power of Tao?"

"No, this is a skill!!"

The eight people from the Boundless Heaven all showed horror on their faces.

Obviously.

They also didn't expect that Lin Tianhao would be so powerful, so powerful that they found it unbelievable.

"Ding, you devoured an unknown creature, HP +100 million, attack power +5000, armor +2000, free attribute points +2000."

"Ding, you devoured an unknown creature..."

.....

The eight people from the Boundless Heaven attacked Lin Tianhao at the same time.

The Evil Emperor Wudao did not sit idly by either. He took action and blocked the five people by himself.

The strength of the Evil Emperor Wudao is beyond doubt.

These guys in the Infinite Heaven are no ordinary people, but they still can't get the upper hand in the hands of the Evil Emperor Wudao.

Only three people were left to face Lin Tianhao, and Lin Tianhao directly taught them a lesson.

When fighting against Ku Yue before, Lin Tianhao increased his attack speed to more than 1,900.

With this attack speed, Lin Tianhao can completely suppress the three people head-on.

Don't ask, it's all about skills, there is no billion points value!!

As for the lethality of Lin Tianhao's fist, that is no joke.

Lin Tianhao's innate Hand of Heavenly Punishment is a normal attack.

The limitation of normal attack is not that only arrow attacks are normal attacks. A long sword or a fist attack can also be considered a normal attack.

Although the Sky Punishment Set could not be worn, Lin Tianhao's health points were reduced.

But it is true.

The lethality contained in Lin Tianhao's feather arrows is also extremely terrifying.

therefore.

Lin Tianhao not only has a fast attack speed, he is also the modern version of One Punch Man!!

This punch will cause damage in the trillions. I wonder if you can handle it.

"What kind of monster are you!!"

Less than a second after the fight, the three of them were sent flying backwards.

Chapter 1777 9 Fairy Ye, Rebuilding Heaven!

Although the fight lasted less than a second, each of the three of them had exchanged dozens of moves with Lin Tianhao.

During these dozens of moves, they were just defending, but even so, they were still beaten by Lin Tianhao until they vomited blood.

The other five people from the Infinite Heaven distanced themselves from the Evil Emperor Wudao and looked at the other three in disbelief.

"What's wrong with you? Why can't you hold on for even a second?" one of the bald strong men asked with a frown.

"Second brother, this kid is too weird. He is so strong... It's unreasonable!!"

"His attack speed should be around 2,000. It's terrifying. His combat skills aren't that great, but an attack speed of 2,000 is simply not something we can handle."

"Two...two thousand...attack speed!!"

The attack speed will decrease, and it will become more difficult to increase the attack speed as time goes by.

Not to mention two thousand, those who can increase the attack speed to two hundred are rare.

"Really, second brother, this guy is too outrageous."

"Not only does he attack quickly, but the lethality contained in his light fists is also extremely terrifying."

"I was just hit once and I vomited blood."

The bald strong man's expression became extremely gloomy as he listened to these three people.

He had thought that Lin Tianhao might be a little difficult to deal with, but he never imagined that Lin Tianhao would be so difficult to deal with.

"And brother, lift the rules. His sixteen realms are strong, but we may not be able to contend with him."

Someone advised.

The young man in the dark green robe hesitated to speak. Finally, he sighed and said:

"Without using the power of rules, the high priest can't do anything to this guy. If we use the power of rules, he has sixteen saint visions. We... can't seem to beat him no matter what."

"Let's go!!"

At this moment.

From the depths of the boundless heaven, a cold female voice was heard.

"Miss."

Everyone looked inside with complicated expressions.

The bald man narrowed his eyes at Lin Tianhao and said:

"The mountains and rivers will meet each other, the nine boundless war gods are waiting for you in the divine realm."

"If it weren't for those damn restrictions, how could we be the only ones left in the Infinite Heaven?!"

The words fell.

The eight figures turned into points of light and began to disintegrate.

Lin Tianhao did not stop them. If they wanted to leave, he let them go.

Pillars of light fell down, and in the boundless sky, human figures rose into the sky from the pillars of light.

They all went to the divine realm.

"Xue Di, your strength has really subverted my imagination time and time again." The Evil Emperor Wudao couldn't help but speak.

"The strength you are showing now even makes me feel that you are stronger than your old hall master at the same time."

"It's hard to say. The old hall master's strength is also ridiculously strong."

Lin Tianhao was not joking when he said this. It was because of Ragnarok that he could kill monsters and level up that his growth rate was extremely fast.

Otherwise, it is hard to say who is stronger between him and the old palace master.

Take back your thoughts.

Lin Tianhao looked at the evil emperor Wudao and said slowly:

"Now that the strong men of the Boundless Heaven Court have all gone to the Divine Realm, where are they going next?"

"The territory of the three main heavens."

Lin Tianhao nodded and said:

"By the way, is it possible that the Nine-Leaf Fairy could have taken that Heavenly Dao Grade Talent Awakening Stone away with her?"

"It shouldn't be possible." said the Evil Emperor Wudao.

"There are rules and restrictions. For things like the Heavenly Dao Grade Talent Awakening Stone, under normal circumstances, when a person leaves, some things belonging to the Galaxy World will be forced to stay."

Lin Tianhao didn't know this rule.

However, Lin Tianhao knew that after some NPCs were killed, the treasures in their hands would be transferred to other NPCs.

The Nine-Leaf Fairy should also be considered one of the many NPCs.

If she leaves, her belongings should be transferred to other NPCs.

Thinking like this.

Lin Tianhao couldn't help but feel a little worried.

But the key is.

He has no other choice now and can only clear out these forces in the Heavenly Palace first.

The next week.

Lin Tianhao followed the evil emperor Wudao to clean up the major forces in the Heavenly Palace.

The two of them joined forces, and they were ready to kill anyone who stood in their way.

They did encounter some resistance along the way, but were easily crushed by Lin Tianhao and the Evil Emperor Wudao.

However, more people were more aware of the current situation and they all chose to leave the Heavenly Palace and go to the Divine Realm.

"Now, can we release the power of rules?" Lin Tianhao said lightly.

The Evil Emperor Wudao nodded, and just as he was about to release the power of rules, a helpless sigh sounded.

"You really went to great lengths to catch me."

Just by hearing these words, Lin Tianhao had already guessed who the visitor was.

Turn around and look.

really.

This person was the female village chief he met when he first came to the Heavenly Palace.

That is the Nine-Leaf Fairy mentioned by the little loli in black skirt.

"You could obviously have come out earlier, why did you delay?" Lin Tianhao said calmly.

"There are some things that need to be dealt with, so I have to delay. I just didn't expect that in such a short time, you have actually cleared out the other forces in the Heavenly Palace."

The Evil Emperor Wudao shook his head and said:

"Fairy Jiuye, you may have misunderstood. Even if we don't clean them up, they will leave in a few months."

"You know these guys from the Tiangong, so how could they stay to deal with those guys from the Alate Galaxy?"

"So, you will stay?" Fairy Nine Leaves asked jokingly.

"I would like to, but I have the evil clan behind me. Not only the evil clan of the galaxy world, but also the evil clan of the God Realm and the endless starry sky."

"So, you still have to leave." Fairy Jiuye said indifferently.

Lin Tianhao waved his hand and said:

"Fairy Jiuye, let's not waste any more time. I am determined to get this Heavenly Dao Level Talent Awakening Stone. Please name your price."

Hear this.

Fairy Jiuye nodded, "This Heavenly Dao Grade Talent Awakening Stone is a mission item. Otherwise, it would have already fallen into the hands of the Pangu clan."

"Quest item?"

This is a bit troublesome.

If it was a quest item, it would be very troublesome for him to obtain this Heavenly Level Talent Awakening Stone.

Because the more precious something is, the more difficult the corresponding task will be.

The preciousness of the Heavenly Grade Talent Awakening Stone is self-evident.

It is not difficult to imagine what the corresponding tasks should be like.

Fairy Jiuye chuckled and said to Lin Tianhao calmly:

"Xue Di, I can give you the task corresponding to the Heavenly Dao Level Talent Awakening Stone. As for whether you can complete it, it depends on you."

"Ding, Fairy Jiuye has issued you the task [Rebuilding the Heavenly Palace]."

【Reshaping Heaven】

Mission requirements: Destroy all evil tribes in the Heavenly Palace, find Emperor Haotian and Queen Mother, and rebuild the Heavenly Palace.

Mission penalty: None.

Mission reward: Heaven-level talent awakening stone.

"Ding, do you accept it?"

Chapter 1778: Kill the 9-leaf fairy!

Seeing this task, Lin Tianhao's face darkened.

"Is this mission a corresponding one, or did you issue it yourself?"

This mission was obviously aimed at the Evil Emperor Wudao and the evil clan behind him.

"The mission has been given to you. It's up to you whether you accept it or not."

"Or... you can kill me."

Fairy Jiuye faced Lin Tianhao directly, without any change in her expression.

"Which is more important, the Heavenly Dao Level Talent Awakening Stone or the Evil Emperor's Unrighteousness? Snow Emperor, you should make a choice!!"

"There are less than seven months left. You can kill me and then go among the vast sea of people to find the next owner of the Heavenly Dao Level Talent Awakening Stone."

Lin Tianhao stared at Fairy Jiuye and said, "Change the task."

"If I kill you, I may not gain anything, but... you will definitely lose a lot."

Hear this.

Fairy Nine Leaves smiled playfully and said:

"Guess why I came to you now?"

"Because I have some final matters to deal with."

That's it.

Fairy Nine Leaves spoke softly.

"and."

"I won't die. To use the words of the Evil Emperor Wudao, it's just a matter of leaving the Galaxy World sooner or later."

"If you don't agree, I will go to the Divine Realm. Although the Heavenly Dao Level Talent Awakening Stone will indeed remain in the Galaxy World, it is hard to say who it will be with."

"Also, I can tell you that the Heavenly Dao-level Talent Awakening Stone will be left in the Galaxy World, not Ragnarok."

Lin Tianhao's expression changed slightly. If that was the case, it would be like looking for a needle in a haystack.

This is like roasting him on the fire.

The Evil Emperor Wudao was very kind to him, but now because of a mission, he is going to turn around and kill the Evil Emperor Wudao.

to be frank.

Lin Tianhao is not a good person, but he really can't do such a thing.

When they were in the Infinite Heaven, only the brother of the brother and sister attacked Lin Tianhao, but Lin Tianhao killed them all.

Because they are in the same camp, he can kill them if he wants, and there will be no psychological burden.

But the evil emperor was different. He helped Lin Tianhao a lot, even...

The Evil Emperor Wudao can be considered to be in the same camp with him.

"You also heard what the evil emperor Wudao said just now. He, and even the evil clan behind him, will not stay to help you fight against the Alite Galaxy."

"They are of no use to you. The Evil Emperor Wudao is willing to help you only because he doesn't want to be liquidated by you. Everything he does is just to protect himself."

"Don't you know what to choose in this situation?"

Fairy Jiuye's voice was not loud, but her every word and action was extremely attractive to Lin Tianhao.

This is a Heavenly Grade Talent Awakening Stone! !

If he could get this Heavenly Dao Grade Talent Awakening Stone, then in the next battle to defend the galaxy world, he might be able to turn the tide! !

"What are you still hesitating about? You should know how much benefit you can get by slaughtering and devouring the evil race."

"Those who achieve great things should not be too particular about small details."

"Throughout the history of the world, in every dynasty, when emperors and generals achieved success and fame, didn't they first kill their confidants?"

"How many people, after attaining enlightenment, kill the person they love first?"

"Now, you actually hesitate. Are you worthy of those who support you?"

"Have you ever thought that your decision today might cause the entire galaxy to fall into an irreparable situation?"

"Do you...want to record in history books that the Snow Queen was indecisive and gave up the Heavenly Dao-level Talent Awakening Stone because of a small evil clan, causing the Milky Way World to be destroyed?!"

"Should we save billions of lives, or let this small evil tribe go, Snow Emperor, don't you really understand?"

"Save one person and die a hundred, or save a hundred and die one. Is there any need to hesitate over such a simple choice?!"

Fairy Jiuye's voice became more and more urgent, and she seemed to want Lin Tianhao to make a decision.

A sense of urgency grew uncontrollably in Lin Tianhao's heart.

Lin Tianhao narrowed his eyes slightly, trying his best to calm his emotions.

"If I agree today, will someone come tomorrow with something else and ask me to kill other people around me?"

"So, I refuse!!"

Lin Tianhao spoke indifferently.

"As for you, I'm not sure if I can stop you from going to the divine realm and kill you, but... I will definitely try."

"You... must die!!"

The words fell.

Lin Tianhao instantly unfolded his invincible domain, and his absolute stance was also unfolded.

The names of the eleven books of life and death were simultaneously changed to Nine Leaf Fairy.

Regardless of whether he can succeed or not, he must give it his all.

After killing Fairy Jiuye, he might have some trouble finding the Heavenly Level Talent Awakening Stone.

But if he doesn't kill Fairy Jiuye, he will be in more trouble later.

So... Fairy Jiuye must die! !

For no other reason...

He needed to show others that not everyone was qualified to threaten him with such a mission.

As for whether this task is the fixed task for the Heavenly Level Talent Awakening Stone?

Lin Tianhao doesn't think so!

"Xuedi, you are such a lunatic!!"

When Fairy Jiuye saw Lin Tianhao firing at full speed, she spoke with some annoyance.

He never expected that Lin Tianhao would be so decisive.

After making the decision, he went all out, not giving her a chance to react.

"Endless entanglement!!"

Fairy Jiuye raised her hand and pointed at Lin Tianhao.

The next moment.

Countless vines emerged from the ground and coiled around Lin Tianhao.

"Sixteen Great Saints' Visions, Open!!"

Lin Tianhao fully unfolded the saintly vision, and with the addition of the invincible domain, these vines were crushed by Lin Tianhao as soon as they appeared.

Lin Tianhao also fired the arrow from his heart with all his strength. At the same time, Lin Tianhao, holding a carving knife, rushed towards the Nine-Leaf Fairy like crazy.

The whole body is protected by the golden light of merit!!

Some people must die!!

Even if it costs a little, I must kill the other party!!

Fairy Jiuye was extremely angry when she saw Lin Tianhao fighting so desperately.

"Stupid, really stupid!!"

Lin Tianhao ignored him and rushed to the other party with a carving knife in hand.

"Absolutely sluggish!!"

The moment absolute delay appeared, Lin Tianhao felt that several mysterious rules of power descended upon him.

However, because he was protected by the golden light of merit, these rules of power were blocked outside and could not harm Lin Tianhao at all.

And Lin Tianhao Tiandao level

The space chains have imprisoned Fairy Jiuye.

Coupled with the restraining power of the invincible domain and the visions of the sixteen saints, it is no problem to temporarily restrain the Nine-Leaf Fairy.

And Lin Tianhao only needed to imprison the Nine-Leaf Fairy for a short period of time.

The carving knife turned into a residual image in Lin Tianhao's hand. More than 1,900 cuts per second, who can withstand it! !

of course.

It didn't take so many slashes, just a dozen or so slashes and the Nine Leaf Fairy was killed by Lin Tianhao.

Chapter 1779 World Rift!

therefore.

The battle was over just as it had begun.

Lin Tianhao immediately opened fire at full power and killed Fairy Jiuye in an instant! !

"You are being too unreasonable to use the golden light of merit to protect your body."

The evil emperor Wudao couldn't help but laugh.

Lin Tianhao raised his eyebrows and said:

"She wants me to kill you. Tell me, should I let her go?"

The Evil Emperor Wudao nodded, "She really deserves to die."

"But don't you regret giving up the Heavenly Dao Level Talent Awakening Stone?"

Lin Tianhao took a deep breath and said:

"I hesitated. You can't have your cake and eat it too. I want it all."

"I still have time, maybe I can find the next owner of the Heavenly Level Talent Awakening Stone." Lin Tianhao said.

"You have found it." The Evil Emperor Wudao said with a smile.

Lin Tianhao was slightly startled. The next moment, he understood what was going on and asked:

"The Heavenly Dao Level Talent Awakening Stone is in your hands?!"

The Evil Emperor Wudao smiled and nodded, "Yes, you killed the Nine-Leaf Fairy, and this thing fell into my hands."

Lin Tianhao showed a look of joy, he... seemed to have made the right bet.

The Heavenly Dao Grade Talent Awakening Stone fell into the hands of the Evil Emperor Wudao.

Judging from what the Evil Emperor Wudao had shown before, he shouldn't make things difficult for himself.

"However... the mission of this Heavenly Dao Grade Talent Awakening Stone is indeed fixed."

Lin Tianhao's expression changed slightly. Fixed?

In other words.

Fairy Nine Leaves did not lie before, the task she gave was unique.

"But Fairy Jiuye still lied to you. Although the missions are fixed, you can choose. There are three missions in total. You can choose one from the three. You can take a look."

The Evil Emperor Wudao waved his hand, and a curtain of light appeared in front of the two of them.

On the light curtain, there were clearly the requirements for three tasks.

Mission 1: Revitalize the Heavenly Court, find Emperor Haotian, and retrieve the 365 gods that were once on the List of Gods and put them back on the List of Gods, then hand the List of Gods over to Emperor Haotian to complete the revival of the Heavenly Court.

Seeing this task, Lin Tianhao gave up immediately.

Let's not talk about whether we can find Emperor Haotian back.

Even if he really made Emperor Haotian, he did not have the List of Gods to fill with 365 gods.

After all, one less spot on the List of Gods will be available if one is used.

Although he now has two copies of the Investiture of the Gods, there are gods on both copies. He no longer has enough god positions to support him in sending 365 true gods to the Investiture of the Gods.

Mission 2: Repair the sky and the earth. The war between heaven and earth has torn the galaxy into pieces. Please repair this world.

[Detailed explanation: The Great Powers from outside the domain and the local Great Powers from the Galaxy World destroyed the Great World, and then formed the Galaxy World. The heaven and earth collapsed, and then practiced Nanru ascending to heaven, repairing the heaven and earth, mainly repairing the 9981 world rifts, supplemented by 369 Dao marks. Although repairing these places cannot restore the vastness of the Great World, it can also form a small Great World.]

After reading this second task, Lin Tianhao felt overwhelmed.

There are a lot of places that need to be repaired, and it sounds like they are difficult to repair.

This task is difficult to complete no matter how you look at it.

But this is an alternative task.

After all, this doesn't seem to have any direct impact on him.

The only thing that is difficult to judge is the difficulty of the repair and the specific time it will take.

Think about this.

Lin Tianhao looked at the third task.

Mission Three: Restart the world. The world needs cleansing. The galactic world has long been riddled with holes. To repair the galactic world, the only way is to restart the world. Slaughter the creatures of the galactic world as quickly as possible, restart the world, and create a new world.

This third task is even more outrageous.

If you look at it this way, it seems that he only has Task 2 to choose from.

This restarting of the world goes against what he is going to do next.

The first task was also extremely difficult for Lin Tianhao to complete.

He has two lists of gods, and the two lists together can indeed put all 365 gods on the list.

But among the 365 righteous gods, how many are still in the Milky Way world?

"Do you know where these world rifts are?" Lin Tianhao asked.

"I can issue this mission because I know where these rifts are. Let's go."

The Evil Emperor Wudao didn't waste any words. He took a step forward and rushed towards a corner of the Heavenly Palace with Lin Tianhao.

Lin Tianhao followed closely behind, and the power of rules was lifted. After just a few breaths, Lin Tianhao appeared in front of a hideous space crack.

"I don't really know what's in these world rifts, but if you accept this mission, I can't take action later, otherwise it will be against the rules."

Lin Tianhao nodded slightly and stepped into the world's rift.

Lin Tianhao was slightly stunned when he just entered the world rift.

Because... there is not as much danger here as Lin Tianhao imagined.

in contrast.

Everything here is...very beautiful.

The sky is colorful, as if it was painted with an oil brush.

There are birds flying in the sky, wild beasts running on the ground, and a village in the distance.

This place... seems like a paradise.

"This is a little different from the world rift I imagined." Lin Tianhao said calmly.

"I have never been here before. If it weren't for the mission, I would not easily set foot in a rift like this one."

"After all, if you're not careful, you might be crushed by these cracks."

Lin Tianhao looked around and said slowly:

"This world is very fake."

"Is it false?"

Lin Tianhao's voice had just fallen when a childish voice was heard.

"It's so beautiful here!"

Along with a childish voice, a child of five or six years old walked out from the village ahead.

The child looked dissatisfied, "Is my painting not good looking? But my mother said that my painting is the best."

"By the way, how do we repair this world rift?"

Lin Tianhao ignored the child and asked the Evil Emperor Wudao beside him.

The Evil Emperor Wudao frowned and said, "There can't be anything other than turbid air and Tao in the rift of the world."

"Clear up the other things, and the world rift will heal itself."

Hear this.

Lin Tianhao had a smile on his face.

"If that's the case, then it's easy."

If certain rules have to be met before repairing, that would be the most troublesome.

But now, it seems that it is no longer necessary.

He just had to deal with the other stuff here.

"Little boy, didn't your mother tell you that you can't scribble here?"

Lin Tianhao smiled faintly, and the Heaven-Swallowing and Earth-Devouring Technique was activated. Everything in this world began to be swallowed by Lin Tianhao.

"Ding, you are devouring the unknown scroll, magic resistance +2000, free attribute points +2000."

"Ding, you are devouring the unknown scroll..."

.....

The colorful sky, birds, beasts, and the village not far away all began to crumble and gradually disintegrate.

Chapter 1780 Xuantian Purple Spirit Jade!

"Ding, the evil emperor Wudao has issued you a task: mend the sky and patch the earth."

【Sewing the sky and patching the earth】

Mission requirements: mend the sky and the earth. The war between heaven and earth has torn the galaxy into pieces. Please mend the sky and the earth.

[Detailed explanation: The Great Powers from outside the domain fought against the local Great Powers from the Galaxy World and the Great Powers collapsed the Great World, which then formed the Galaxy World. The heaven and earth collapsed, and then cultivation became as difficult as ascending to heaven. To repair the heaven and earth, the 9981 world rifts were the main ones, and the 369 Dao marks were the auxiliary ones. Although repairing these places could not restore the vastness of the Great World, it could also form a small Great World.]

Current progress 1:0/81.

Current progress 2:0/369.

Mission penalty: None.

Mission reward: Heaven-level talent awakening stone +1.

"Ding, do you accept it?"

The moment Lin Tianhao took action to create the world rift here, the Evil Emperor Wudao also issued a task to Lin Tianhao.

"accept!"

At present, this task is somewhat difficult, but not as difficult as he imagined.

"I put so much effort into painting this, how could you... have the heart to destroy my painting?"

The child roared at Lin Tianhao angrily:

"You, give me back the scroll!!!"

The words fell.

A writing brush appeared in the child's hand. He drew a stroke with the brush and a black dragon flew out from the brush, pouncing towards Lin Tianhao with its fangs and claws bared.

Lin Tianhao shot an arrow through the air, and crushed the black dragon with just one arrow.

"Little boy, don't be so irritable. If you continue like this, your uncle will spank you."

Lin Tianhao grinned and did not rush to take action.

"It's not fun here, uncle will take you away from here, okay?"

"not good."

The child answered very firmly, "This is my home. I will wait for my mother to come back."

Lin Tianhao smiled and said:

"How about this, you join uncle's mortal temple, and uncle will help you find your mother?"

The child shook his head and said:

"Mom said that we can't go anywhere here, and we can't trust strangers. If a stranger wants to take Lulu away, then... send him into the world in the painting."

Lin Tianhao's eyes narrowed slightly, but before he could react, earth-shaking changes took place around him.

Countless meteorites fell from the sky, the earth cracked, and the mountains collapsed, all crashing down towards him.

But Lin Tianhao remained motionless, and just used all his strength to activate the Heaven Devouring and Earth Devouring Technique.

As Lin Tianhao used all his strength to operate the Heaven-Devouring and Earth-Devouring Technique, the meteorite began to disintegrate and the mountain began to collapse.

Everything around me began to fall apart.

But the meteor that had just disintegrated turned into countless swords in an instant, and the collapsed mountain turned into a hundred-meter-high wave, hitting Lin Tianhao.

Lin Tianhao expanded the spatial domain.

Although the Saint's Vision is powerful, it is more like an explosive means, mainly for attack.

If we talk about defense, there is no doubt that it has to be domain-based means such as boundaries.

Lin Tianhao used the spatial boundary to block attacks from all sides, swallowing the sky and the earth, devouring the picture of heaven and earth.

The painting is ever-changing, and after the waves of swords and swords, there are countless ferocious beasts.

Then came all kinds of magic and supernatural powers, as if everything in the world had been blocked by Lin Tianhao.

Lin Tianhao remained calm and composed. No matter how the world changed, it could not affect Lin Tianhao in the slightest.

Instead, these scrolls were devoured by Lin Tianhao, continuously increasing his magic resistance and free attribute points.

"Give it up, kid."

Lin Tianhao added the rhythm of Tao to his voice, allowing the sound to be transmitted from far away.

however.

The picture did not end, it even began to become bizarre.

But no matter how it changes, the things in the scroll cannot break through Lin Tianhao's spatial boundary.

at last.

After half an hour, the battle came to an end.

The painting collapsed.

The surroundings were desolate, the sky was full of turbid air, and from time to time there were strong and fierce winds that blew, making people's cheeks hurt.

"Little boy, look, is this a place where people stay? It's too dangerous here, come with me and leave."
Lin Tianhao said lightly.

The child looked at Lin Tianhao coldly and said:

"I can't beat you. Mom said that if you can't beat me, you have to face it with a smile and find a way to survive."

"But you're ugly. I can't laugh when I look at you."

Lin Tianhao: "???"

"Little friend, you can't slander me just because you can't beat me. The whole galaxy knows that I'm very handsome. How can you slander me like this?"

The child looked at Lin Tianhao with disdain and said:

"I will join the Mortal Temple you mentioned, and I promise to leave here, but you can't hurt me."

"It is good."

Lin Tianhao smiled like a kind father.

"Joining the Fan Palace means you are one of us. How could I hurt you?"

The words fell.

Lin Tianhao threw out a token.

"From today on, you are the core disciple of my Fan Palace."

"Are you the palace master?" The child took the token.

"Yeah." Lin Tianhao said.

"With such an ugly palace master, the Fan Palace must have a bad reputation." said the child.

Lin Tianhao: "???"

"Didn't your mother tell you that you could easily get beaten to death if you spoke like that?"

"Mom said no. She said I'm a super powerful talisman master. As long as I show my ability to draw talismans, no matter how big the hatred is, they will not kill me."

Lin Tianhao was slightly stunned.

At this moment.

A lavender jade pendant flew out from the child's chest, emitting a faint light that enveloped the child.

"what did you do to me?"

The child looked at Lin Tianhao with some fear.

"Mom said that this Xuantian Purple Spirit Jade will automatically protect me only when I am in extreme danger."

Listening to the child's words, Lin Tianhao couldn't help but frown slightly.

This Xuantian Purple Spirit Jade was actually competing against the power of the rules of absolute loyalty of his mortal palace.

The two collided with each other, the space began to vibrate, and the flow of time seemed to slow down at this moment.

This is a world rift. The strength of its space should have inherited the strength of the space of the prehistoric world. Even with divine means, it is difficult to make the space here vibrate.

But now.

Not only was the space vibrating, the flow of time seemed to have slowed down.

The key is.

This Xuantian Purple Spirit Jade seemed to be in a stalemate with the power of the rules of his mortal palace that was absolutely loyal.

The power of the rule that one must be absolutely loyal to the Fan Palace seems to be the work of that person.

What on earth is this jade pendant and why is it so powerful?

"Om-"

The Xuantian Ziling Jade made a buzzing sound, and the jade pendant in the child's hand actually began to show cracks.

at the same time.

There were also tiny cracks appearing on the Xuantian Ziling Jade.

This is... the rhythm of being ruined!!

"Do not!!"

The child grabbed the Xuantian Purple Spirit Jade. The Xuantian Purple Spirit Jade was held in the child's hand, and its brilliance was restrained.

Instead, the token of the core disciple of the Fan Palace emanated a brilliant light, enveloping the child.

"stop!!"

Just when Lin Tianhao thought that the power of Fan Dian's absolute loyalty rule was about to succeed, a woman's furious shout suddenly rang out.
